A. CALL TO ORDER

B. LAND ACKNOWLEDGEMENT

We acknowledge the Áak'w Kwaán and T'aaku Kwáan as the original owners and inhabitants of the City & Borough of Juneau. We are grateful to be here in your ancestral homeland as we come to you from areas of Alaska and beyond. We are thankful that you have permitted us to live here and make this land our home. Gunalchéesh.

I. LAND ACKNOWLEDGMENT

We would like to acknowledge that the City and Borough of Juneau is on Tlingit land, and wish to honor the indigenous people of this land. For more than ten thousand years, Alaska Native people have been and continue to be integral to the well-being of our community. We are grateful to be in this place, a part of this community, and to honor the culture, traditions, and resilience of the Tlingit people. Gunalchéesh!

Subject: Archeological Monitoring Schedule - Douglas Hwy
Attachments: S Douglas Schedule 5.11.22.pdf

Dear Chair of the City and Borough of Juneau (CBJ) Historic Resources Committee,

The Department of Transportation and Public Facilities (DOT&PF) has received the work schedule for the Douglas Highway Resurface & Sidewalk Repairs project's ground disturbing work in the archaeological monitoring areas and a copy of that schedule is attached to this email. We have also sent this schedule to CBJ Mayor Weldon.

It looks like this work is planned to begin right after the Memorial Day weekend, on Tuesday, 5/30 at the earliest.

Archaeologist Anne Pollnow of Sea Level Consulting (based in Sitka) will be present and provide monitoring of all activities in these sensitive areas while ground disturbing work takes place.

DOT&PF is committed to following procedures outlined in the Archaeological Monitoring and Inadvertent Discovery Plan to halt work, comply with applicable laws, and consult for agreement on next steps should archaeological discoveries or human remains be found.

Please feel free to reach out to me with any questions or comments you have regarding cultural resources for this project. Thank you, Amy
