THURS., OCT. 26, 2023
12:00 PM
**TOWNHALL &
ZONING SETBACK
WORKSHOP**

Angleton Development Services Department

Public workshop to review Angleton Development Code's proposed lot and setback requirements, and introduction of City Council's recommended text amendments. The City of Angleton is asking for community input on what is working and suggestions for improvements to meet the needs of the City. The public is welcome to attend.
