## REGULAR AGENDA

8. Discussion and possible action to approve Resolution No. 20240910-008 expressing intent to finance expenditures and additional actions in preparation for the issuance of emergency notes.

Phillip Conner, Director of Finance presented the item and stated at the last Council meeting, staff was instructed to begin work on an emergency note to finance expenditures related to Hurricane Beryl. The first step in the process is passing a reimbursement resolution allowing the city to reimburse themselves from the proceeds. This resolution sets the maximum amount that the city intends to borrow as well.

Joe Morrow with Hilltop Securities gave a presentation.

Upon a motion by Council Member Roberts and seconded by Council Member Sartin, Council approved Resolution No. 20240910-008 expressing intent to finance expenditures and additional actions in preparation for the issuance of emergency notes for the amount specified of \$4,220,000. The motion passed on a 6-0 vote.

9. Discussion and possible action on the engagement of a placement agent in connection with the issuance of emergency notes.

Joe Morrow with Hilltop Securities presented the agenda item and stated that this item is to locate someone who will find the purchaser. Federal regulations will not allow Hilltop Securities to serve as the City's advisor on the emergency notes and find and negotiate a deal with a buyer for our emergency notes. Therefore, the city needs a separate organization to serve in this capacity.

Upon a motion by Council Member Sartin and seconded by Council Member Roberts, Council approved Cruz & Associates as the placement agent in connection with the issuance of emergency notes. Motion passed on a 6-0 vote.

10. Discussion on speeding in neighborhoods within the city.

Heidy Sievva, resident, stated that cars are speeding on the main road of Rancho Isabella subdivision and feels that it is not safe for the kids in the area. Ms. Sievva requested speed bumps to stop the speeding and suggested to have an officer on duty during school hours.

Lupe Valdez, Police Chief stated that there could be an officer placed in that area during school hours but suggested bringing it to the school board since Angleton Independent School District (ISD) Police have jurisdiction in that area.

11. Update and discussion on the Henderson Roadway Project.

John Peterson, city engineer with HDR presented the item and provided an update on Henderson Roadway Project. Mr. Peterson stated that the city scored higher than the Benefit Cost Analysis minimum to receive funding from Houston-Galveston Area Council on an 80/20 match. A task force will be meeting to discuss the construction and phasing of Henderson.

12. Discussion and possible action on Henderson Road sidewalk and mowing maintenance.

Megan Mainer, Director of Parks and Recreation presented the item and discussed mowing maintenance requests the department received from residents. Ms. Mainer stated that the property belongs to the Homeowners Association and is not city property. Clarification from council was requested on how to proceed with the maintenance of the area while protecting the city and helping the community.

Council gave direction to continue mowing on both sides of the sidewalk. Council requested that staff work on getting residents permission to allow the city to convey the land in order to maintain mowing.

13. Discussion and possible action for match funding for the Hazard Mitigation Grant for the Angleton Recreation Center generator.

Jamie Praslicka, Director of Emergency Management presented the item and stated that the Office of Emergency Management was recently made aware that the Generator grant for the Angleton Recreation Center was being funded by Federal Emergency Management Agency (FEMA). This grant was written and submitted in 2021. Due to economic changes the cost of the project has increased. FEMA will honor the original grant amount. Any overage project cost is the responsibility of the City. The estimated difference is \$82,000, which the Office of Emergency Management is asking for funding to continue forward with the project. City council does have the option to decline the grant. However, the Angleton Recreation Center has been utilized multiple times as a shelter and most recently during Hurricane Beryl.

Ms. Praslicka stated that since the last update to council in February there has been three other grants submitted to the Texas Division of Emergency Management (TDEM) and FEMA. Each grant is in varying stages of verification and approval. There is potential for the need for funding during this budget year. Currently, match funding for the three remaining grants for the city is \$87,000 dollars. Due to these grants being written in the last year the economic increase will be limited.

Council requested that this item be brought back on the September 24 agenda with options to pay.

14. Discussion and possible action on various Plat Extension (EOA) requests for the Ashland Sections 3, 4, 5, 6, and Street Dedication #4 Preliminary Plats.

Otis Spriggs, Director of Development Services presented the item and stated that on behalf of Anchor Holdings MP, LLC, Quiddity Engineering is requesting a one-year extension of the following approved plats for the Ashland Development until September 10, 2025: Ashland Section Three, Preliminary Plat; Ashland Section Four, Preliminary Plat; Ashland Section Five, Preliminary Plat; Ashland Section Six, Preliminary Plat; and Ashland Street Dedication Number Four Preliminary Plat. The referenced plats were approved with conditions at the August 22, 2023, City Council meeting. The conditions of approval have since been met, but there continues to be ongoing construction plan review coordination with city staff. As a result, the applicant is asking for an extension to allow Anchor Holdings MP, LLC the necessary time to navigate these challenges and ensure the successful completion of the project.

Upon a motion by Council Member Booth and seconded by Council Member Roberts. Council approved Plat Extension (EOA) requests for Ashland Sections Three, Four, Five, Six, and Street Dedication Number Four Preliminary Plats. The motion passed on a 4-2 vote with Mayor Wright and Mayor Pro-Tem Townsend opposed.

15. Discussion and possible action to approve Ordinance No. 20240910-015 2024 Annual Service Plan Update for the public improvements in the Riverwood Ranch, Phases 1 and 2 Public Improvement District (PID), and approving the updates to the 2024 Assessment Roll, in accordance with chapter 372 of the Texas Local Government Code.

Otis Spriggs, Director of Development Services presented the item and stated that the capitalized terms used in this 2024 Annual Service Plan Update shall have the meanings set forth in the Service and Assessment Plan (the "SAP"), used for the benefit of the property in the district. The district was created pursuant to the Public Improvement District (PID) Act, by Council under Resolution 20191112-011 on November 12, 2019, whereby the City passed and approved authorizing the creation of the Riverwood Public Improvement District (the "District") in accordance with the PID Act. On December 8, 2020, the city passed and approved Ordinance 20201208-018 which approved an Assessment Ordinance, which was subsequently rescinded by the City Council by ordinance on September 14, 2021. The SAP approved on September 14, 2021, by Ordinance 20211012-013 (the "Service and Assessment Plan") replaced in its entirety the previously approved plan approved by Ordinance 20201208-018. Ordinance 20211012-013 also levied assessments against benefited properties within

the district and established a lien on such properties. The SAP identified the Authorized Improvements to be constructed, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the district for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the Annual Service Plan Update for 2024. This 2024 Annual Service Plan Update also updates the Assessment Roll for 2024.

Upon a motion by Council Member Sartin and seconded by Council Member Roberts, Council approved Ordinance No. 20240910-015 2024 Annual Service Plan Update for the public improvements in the Riverwood Ranch, Phases 1 and 2 Public Improvement District (PID), and approving the updates to the 2024 Assessment Roll, in accordance with chapter 372 of the Texas Local Government Code. The motion passed on a 5-1 vote with Mayor Wright opposed.

16. Discussion and possible action on the subdivision emergency access gate within the Rosewood III Subdivision (Rosewood Ln. at E. Henderson Rd.).

Otis Spriggs, Director of Development Services presented the agenda item and stated that a neighborhood meeting would be held with the residents regarding the request to close the gate. Notices for a possible quorum would be sent out to anyone who would like to attend.
