EXECUTIVE SUMMARY:

On Saturday, April 2nd, the City of Angleton patterned with the Bay Area Council on Drugs and Alcohol (BACODA) to organize a cigarette butt and tobacco products cleanup at Bates Park. During this event, BACODA representatives, volunteers from Life 4Square Church, and volunteers from TDECU Credit Union walked the Bates Park grounds in search of discarded tobacco products. Overall, 1750 cigarette butts were collected. This represents the most cigarette butts collected from any single day cleanup event that BACODA has organized.

BACODA representatives will present to the Parks & Recreation Board today to reveal the impacts of tobacco use.

With this information, Parks & Recreation staff would like to pursue a tobacco and drug free parks ordinance.

On June 13, the Parks & Recreation Board recommended staff pursue a tobacco and drug free parks ordinance.

RECOMMENDATION:

Staff recommends the Parks & Recreation Department develop a tobacco and drug free parks ordinance.

SUGGESTED MOTION:

I move we recommend staff to pursue a tobacco and drug free parks ordinance.

Who Are We? Tobacco Prevention Task Force

Item 2.

MISSION : To prevent and reduce the harmful use of tobacco and e-cigarette products in Brazoria County.

What We Do:

- Prevent nicotine use among youth.
- Help those who want to quit nicotine.
- Reduce exposure to second & third-hand smoke.
- Advocate for policy change (Tobacco Free Parks).
- Promote enforcement of existing federal, state, and local tobacco laws.
- Reduce nicotine use among populations with the highest burden of tobacco-related health disparities.
- Support statewide capacity for comprehensive tobacco & e-cigarette prevention and control.

Item 2.

What is 2nd hand smoke?

Smoke and vaping aerosols come from burning or heating tobacco through a cigarette, cigar, pipe, hookah, or electronic cigarette. It is also exhaled smoke from a smoker.

How to Protect Against 2nd Hand Smoke:

- Do not allow smoking near you, children, or pets.
- Ask anyone who cares for youth to follow these rules—and tell them why.
- E-cigarette vapor or aerosol contains chemicals. Do not allow.
- The only way to completely protect against 2nd hand smoke is to quit.

- Waterway Cleanup provides support and supplies for waterway cleanups across Texas. This program is open to ALL affiliate and non-affiliate communities located within 30 miles of an H-E-B or Central Market store location and helps make Texas waterways the cleanest, most beautiful waterways in the nation. The City will begin a Waterway Cleanup Program to help keep Lakeside Park pond clean by conducting regular cleanup activities with community partners;
- Adopt a Roadway Program helps to eliminate litter coming from major roadways blown by the wind and washed away by stormwater. This litter will eventually make it to fields, creeks, storm drains, and neighborhoods. The City will begin an Adopt a Roadway Program to help stop it where it starts by monitoring roadside areas and conducting regular cleanup activities with community partners;
- Outdoor and environmental educational programming will be expanded to offer programs to the public and through ISD partners. Additional funding will help support these programs to offset material costs.

RECOMMENDATION:

Staff recommends the Keep Angleton Beautiful Commission recommend a \$.50 increase in the voluntary donation for Keep Angleton Beautiful Commission on residential utility bills to a total of \$1.00.

SUGGESTED MOTION:

I move we recommend a \$.50 increase in the voluntary donation for Keep Angleton Beautiful Commission on residential utility bills to a total of \$1.00.
