### EXECUTIVE SUMMARY:

**Citywide Spring Cleanup:** Staff are prepping communication materials and beginning to market the upcoming Citywide Spring Cleanup. The event will take place on Saturday, April 2<sup>nd</sup> from 8-12 pm at Angleton Junior High School. All vendors have been confirmed for heavy trash & debris disposal, electronic recycling, tire recycling, paper shredding, and community tree giveaway. Staff are working to secure sponsors for the event as well as ways to get additional community volunteers involved with the citywide cleanup. Additionally, staff are working with the Bay Area Council on Drugs & Alcohol to coordinate a corresponding cleanup of tobacco paraphernalia at a local park to support the Citywide Spring Cleanup and to collect data needed to support the potential development of a tobacco and drug free parks ordinance.

**Arbor Day Tree and Butterfly Seedball Giveaway:** Staff are coordinating with Trees for Houston to make trees available for giveaway on Friday, April 29, 2022. Area residents will be able to pick up trees and butterfly seed balls from the Angleton Recreation Center.

**Green Ribbon Project/Loop 274 Median Landscaping:** Staff are working with staff from TxDOT's Green Ribbon Project to stay up to date on proposals for the City of Angleton to benefit from the project. Staff are also working with these staff to identify specific requirements that may need to be satisfied so an RFP can be developed and posted to seek landscaping services that would take place in advance of the Green Ribbon Project for the single median on Loop 274 that was identified during the 10/25/2021 KAB meeting.

**Green Gardening Series:** Staff have been working on the continuation of the Green Gardening series that is offered on the second Tuesday of each month (February through November). The previous lead of the program from the Texas A&M AgriLife Extension in Brazoria County, Stephen Brueggerhoff, has recently changed job locations. With the change, staff began working with representatives from the Brazoria County Master Gardeners for the continuation of the program.

BCMG representatives have been working to schedule topics and secure speakers for the continuation of the monthly on-line seminars.

**GCAA Application:** On Thursday, February 17<sup>th</sup>, staff completed the application for the Governor's Community Achievement Award offered through KTB for the work completed during 2021. Staff highlighted KAB programs & events as well as other community wide efforts within the City of Angleton for consideration of the award.

**KTB Annual Report:** Staff is currently working to complete the required annual report for Keep Texas Beautiful. The application is due on March 25, 2022. Completion of this application is required for affiliates to maintain good standing, silver star, or gold star designations through Keep Texas Beautiful.

**Volunteer Partnerships:** Staff have been in communication with representatives from Dow and Life Foursquare Church. Both groups have shown interest in participating as volunteers for various projects or events provided through Keep Angleton Beautiful. 3	Picking up trash by side of road in a more timely manner. Large trash that that I put at the road is sometimes there a month.	1/26/2022 11:05 AM
4	There needs to be more "green spaces." It seems that Angleton is allowing anyone to just throw up some condos, duplexes, smaller houses crammed close together etc. instead of saying "Lets just leave this space natural." One or two extra families in the city isnt going to make that much of a difference money wise over the value of increasing natural habitats. I have a space near me that was used basically as a lay down yard/parking area while they improved drainage and street conditions. After the construction was completed and the area was allowed to grow I noticed a huge amount of bees, butterflies, new bird species I hadn't seen before, the existing birds returning, fireflys (yes they are there). Now I hear they are going to let someone come in and throw up a couple condos. I know the lots are owned by an individual but where does it stop?	1/20/2022 10:17 AM
5	The City isn't just about downtown and parks. While you may be doing a good job there, the rest of the town still looks sad. Make an effort where we LIVE. Hanging baskets on telephone poles throughout the city - in neighborhoods, increase street sweeper frequency, more sidewalks.	1/15/2022 12:21 PM
6	Too much emphasis/\$ put into parks. Road repair, junk cars, trash, abandoned strip centers should be addressed. These issues are unsightly and cannot be fixed by "planting a tree".	1/15/2022 8:07 AM

14	More employees for cleanup and beautification - can some of it be contracted out? Enforce yard maintenance laws. Create a mulch pile like they have in Lake Jackson for citizens to leave yard waste. Biggest one - never ever sign a 10 year trash contract again. Angleton has really suffered because of that one thing. When will it end? What is Council/Staff doing now to prepare for the next contract? What would you do differently? What have you learned? What items must be in the next contract? When will you send a survey to obtain input from citizens? I'm a whiner, I appreciate these surveys.	1/15/2022 12:21 PM

## Q14 Litter Prevention - From your perspective, what should Keep Angleton Beautiful focus on to reduce and prevent littering?

2	Even more trash receptacles.	2/1/2022 5:26 PM
3	More trash cans and signs and recycling bins	1/27/2022 11:42 AM
4	Litter receptacles generously distributed all over the city	1/26/2022 3:45 PM
5	I don't know how you keep people from throwing their trash on the street rather than disposing of properly.	1/26/2022 11:05 AM
6	Educate at schools	1/26/2022 10:23 AM
7	Maybe drive thru trash for car trash so it is not thrown out of car!! We do not litter - but many times have witnessed it.	1/21/2022 8:02 PM
8	Incentives	1/21/2022 6:03 AM
9	More public trash and recycling receptacles	1/20/2022 7:18 AM
10	Neighborhood cleanups	1/19/2022 10:08 PM
11	More cans	1/19/2022 8:14 PM
12	I hate to say this but honestly, there isn't anything more you can do. It all boils down to how people were raised and sense of pride and unfortunately you either have it or you don't.	1/17/2022 8:07 AM
13	Encourage it in the schools. It starts at home.	1/16/2022 5:55 PM
14	More trash cans on street corners and in neighborhoods - and not just downtown. A contest for schools? More fines for businesses and homeowners? Send each address a litter bag for their car. They're readily available- ask a business to sponsor them and put their logo on them. Put up signs at strategic street corners that remind people to not throw their cigarette butts out the window. Send me updates on what you're doing, what you want to do, meetings aren't enough to get the word out. If you need money ask for donations for a specific project. Can I sponsor a trash can in my neighborhood? Give my neighborhood direction and ideas on what we can do - drive around - look around - what areas need help?	1/15/2022 12:21 PM
15	Enforce the rules. More street sweeping. More public waste containers.	1/14/2022 11:39 AM
16	Litter left after trash pickup. Some roads notorious for drive by litterers	1/14/2022 10:19 AM
17	Clean up ditches. Cleanup build up of debris around storm drains.	1/14/2022 9:21 AM
18	Decorative trash cans along new sidewalks! PLEASE! I know this requires manpower resources to empty trash cans regularly, but as a citizen I wouldn't mind partnering with the city if they provided my house with an additional waste bin at my home.	1/14/2022 9:13 AM
19	Making the public aware on the benefits of reducing litter and preventing it.	1/13/2022 8:26 PM
20	Recycling receptacles throughout parks, trashcans in public ROW along major walking paths, and trashcans downtown.	1/12/2022 1:55 PM

13	Hire a new company!	1/14/2022 11:39 AM

### EXECUTIVE SUMMARY:

On December 15, staff advertised a Request for Proposal (RFP) for traffic signal controller cabinet wrap art for three new locations within Angleton including: Loop 274 and Plum Street, Business 288 and Magnolia Street, and Highway 35 and Chenango Street.

This is an opportunity to support the aesthetic improvement of the state highway system within Angleton city limits and, also, fulfills goal four, revitalize downtown, objective three, attract arts, entertainment, and specialty retail downtown, of the Strategic Plan adopted by City Council on June 26, 2018. KAB provided staff direction regarding a theme which included Texas Wildflowers, historical Texas heroes, coastal birds, and Texas butterflies, for the RFP. The RFP was advertised on December 15, 2021, and closed on January 18, 2022.

Staff received several submissions from four artists which were evaluated and ranked by KAB members and the Executive Director. Results were compiled and KAB recommended the top three submissions for wrap installation: Blue Jays and Fall Maples by Wendy Delgado, Finding Beauty in the Moment by Joy Chandley, and Cardinal on a Branch by Lauren Luna.

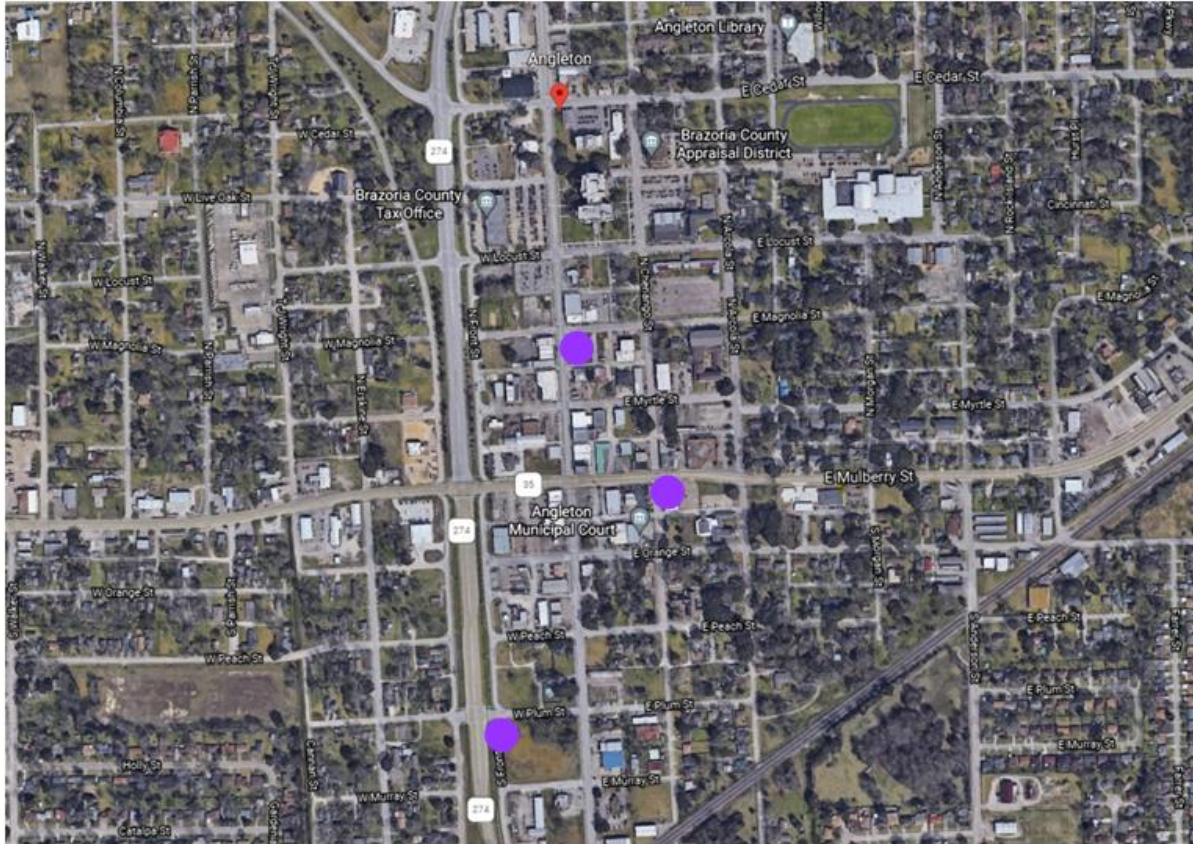

### RECOMMENDATION:

Staff recommends the Keep Angleton Beautiful Commission recommend approval of the top three TxDOT traffic controller cabinet art wrap submissions.

Staff recommends the Keep Angleton Beautiful Commission recommend preferred placement locations for selected artwork.

**MEETING DATE:** 03/07/2022

**AGENDA CONTENT:** Discussion and possible action on the addition of a third citywide cleanup event supported by grant funding provided through the H-GAC Solid Waste Grant

**AGENDA ITEM SECTION:** Regular Agenda

**FUND:** NA

**EXECUTIVE SUMMARY:**

In October of 2021, staff applied to be considered for grant funding available through the Houston-Galveston Area Council Solid Waste Grant. Staff requested \$27,000 in funding to offset the cost of the annual Spring Cleanup and Fall Sweep events that fall within the calendar year of 2022 and 2023. The purpose of the request was to make existing budget dollars available to a third citywide cleanup event. As of March 1<sup>st</sup>, 2022, staff was awarded and notified of final approval of grant funds to support the City of Angleton and Keep Angleton Beautiful. Staff are seeking guidance on the development and scheduling of a third citywide cleanup event to be added in the calendar year of 2022 and 2023.

**RECOMMENDATION:**

Staff recommends KAB provide a motion to recommend an event date range and event format for the addition of a third citywide cleanup event.
