STATE OF THE TOWN MAYORS ADDRESS

On January 14 2025 at 5:30pm I will be having a state of the town address. Everyone is invited to attend.

Food and drinks will be served at 5:30pm and I will start speaking at 6pm.

This will be in the fire department bays so there will be plenty of room for everyone.

If you can't be there in person it will also be on zoom if you want to tune in live and later a recording will be put on the towns website. It will just be me giving out information, telling everyone about my first year as mayor, the future of AV, and the status of our town/water district. I will talk about our current aquifer situation, financial status, growth, direction of the town, accomplishments, plans for the future, status of developments, status of the pipeline project, etc.... Lots of information will be given out. I highly recommend attending or watching via Zoom. I look forward to seeing everyone. Thank you.

Best Regards

Mike Farrar

Apple Valley Mayor
