Chairman Farrar introduced agenda item number four, Ordinance 2025-23, which proposed a zone change for parcel AV-HWC-2. The parcel, located in the Bubbling Wells area and slightly under five acres in size, was described as intended for uses such as farming, livestock, and orchards. Chairman Farrar noted the application appeared satisfactory and invited comments or questions from other commissioners. No concerns or objections were raised.

5. Ordinance O-2025-25 Amend Title 11.08.070 Driveways.

Commissioners discussed culvert strength and the need for driveways to support a 75,000-pound fire truck and meet 95 psi compaction per the WUI and International Fire Codes. The ordinance language was taken from the 2016 state-adopted WUI Code to reduce confusion and ensure consistency. The Commission expressed support, and Chairman Farrar called for a motion.
