2. Consider approval of appointment of Planning Commission Regular Member, Resolution-R-2023-01.

Mayor Lindhardt reported Margaret Ososki's term is up and he has 2 people to be considered which are Margaret Ososki and Bradley Farrar.

Margaret Ososki, 1024 W Little Pinion Way, Apple Valley, UT. She has lived here for 12 years and attended all the meetings of each board. She knows all the codes and the changes. She has tried to be on the Planning Commission several times and through the other administrations no one wanted her. She was put on as an alternate one time in the past. She has always been interested in the codes and the legalities. Sometimes her interpretation isn't the same as everyone's else. She likes to research and enjoys that. She does not try to bully people as she has been told.

Bradley Farrar, 870 E Mountain Dr, Apple Valley, UT. He is 23 years old and feels is advanced for his age. He has 2 degrees. He started his own business at 14 and has officially been here in Apple Valley for 2 months. He oversaw the planning and building permit process of his families eight homes they built 2 years ago. He feels he would be good addition to the Planning Commission. He doesn't have so much history and will not be bias.

Council Member Whitmore asked Mr. Farrar what he oversaw on the building permit process. Mr. Farrar answered he was involved directly with the general contractor. Town Administrator Jauna McGinnis asked if he would like to be involved more with the Town and if so, this would be a good place to learn. He answered yes.

Mayor Lindhardt asked Council Members what their thoughts are. Council Member Sair thanked Janet Prentice for all she has done with this community. He also commented about Margaret Ososki's due diligence. He commented this is a tough call for him. Council Member Whitmore thanked Margaret Ososki for all her work and Bradley Farrar she is impressed with him being young and anxious to be involved. She continued because of the age this is a hard call, she really likes the idea of having young blood getting used to how things run. Council Member Nielson also feels the same.

MOTION: Council Member Sair motioned that we keep Margaret in the position that she's currently in that we keep Margaret for the next two years.

SECOND: No second, motion dies lack of second.
