**APPLE VALLEY
ORDINANCE O-2024-23**

NOW THEREFORE, be it ordained by the Council of the Apple Valley, in the State of Utah, as follows:

SECTION 1:**AMENDMENT** “10.14.020 Rules And Regulations” of the Apple Valley Land Use is hereby *amended* as follows:

A M E N D M E N T

10.14.020 Rules And Regulations

- A. Short Term Vacation Rental Business License Required: No dwelling in a residential zone shall be occupied or used as a short term vacation rental, until such time that the owner has obtained a short term vacation rental business license issued in accordance with the provisions of this Section.
- B. Conditions for Issuance of a Short Term Vacation Vacation Rental Business License : In addition to any other requirement of this Section, a short term vacation rental business license shall be approved by the Town Clerk if:
1. The dwelling unit is located in a single family dwelling that has been issued a certificate of occupancy, or a building permit has been issued for the construction of a single family dwelling unit. If a certificate of occupancy has not yet been issued, the business must be operational within six (6) months of the issuance of the business license. If the business is not operating within this time period, the short term vacation rental business license may be revoked to enable another business to license a Short Term Vacation Rental in the area. For purposes of this section, “operational” is defined as accepting reservations and being available at least two weeks per month, including the next full month. Portions of a single family dwelling may not be used as a short term vacation rental unless licensed as a bed and breakfast or residential hosting facility in accordance with the regulations for that use. A short term vacation rental and a bed and breakfast or residential hosting facility may not be located in the same single family dwelling. A short-term vacation rental permit may be issued if the property line of the property in question is closer than 300 feet to another dwelling that is licensed for short-term rentals, provided that the applicant applies for and receives a Conditional Use Permit.
 2. The owner of a single family dwelling for which a short term vacation business license is sought does not hold a business license to operate another short term vacation rental within the Town of Apple Valley limits. For purposes of this paragraph, “owner” means any individual, corporation, partnership, limited liability company, trust or other entity which has a legal or equitable ownership interest in the single family dwelling, or any individual

who has an ownership interest in any corporation, partnership, limited liability company, trust or other entity which has a legal or equitable ownership interest in the single family dwelling,

3. The property line of another dwelling licensed as a short term vacation rental is not located within 300' (three hundred feet), as measured along the same street or around the corner, of the front property line corners of the property where the proposed short term vacation rental license is being sought. No more than 10% of the homes in any subdivision phase or designated area to be defined by the Town, may be licensed as a short term vacation rental.
4. The application lists the name, address and phone number of the owner or other person designated by the owner as the property manager who shall be responsible for ensuring compliance with the rules and regulations specified in this section. This person shall be a permanent resident of the Town and be ready and willing to receive phone calls at any hour to promptly deal with complaints, violations, or any other safety or nuisance issues.
5. The contact information of the responsible individual will be given to all property owners/residents within a 300 ft. radius of the short term vacation rental property in question, so they will be able to make direct contact with the responsible individual in the case of a complaint, violation, or any other safety or nuisance issue.
6. The application includes a valid sales and use tax license from the State Tax Commission for remittance of transient lodging taxes.

C. Parking Regulations: The owner of any property licensed as a short term vacation rental shall provide off street parking for guests in accordance with the following:

1. Off street parking shall be provided on the same lot as the dwelling which is licensed as a short term vacation rental.
2. Parking shall be provided at one vehicle per bedroom. Tandem spaces on a driveway may be used.
3. All guest parking shall be contained on the site.
4. No off street parking space may be located in front of the living area of the dwelling unless there is a circular driveway.
5. The number of vehicles allowed by the occupants of a vacation rental home shall be restricted to the number of off street parking spaces provided by the owner.

D. Maintenance Standards: Any property that contains a dwelling which is licensed as a short term vacation rental shall conform to the following standards:

1. Structures shall be properly maintained, painted and kept in good repair, and grounds and landscaped areas shall be properly maintained and watered in order that the use in no way detracts from the general appearance of the neighborhood;
2. The use of a dwelling as a short term rental shall not in any way change the appearance of the dwelling or property for residential purposes; and
3. Each sleeping room must meet current International Residential Code for egress and be equipped with smoke and CO2 detectors. A fire exiting route plan and maximum occupancy number must be posted in each sleeping room.

- E. Prevention of Noise, Nuisance or Trespass: The owner of any dwelling licensed as a short term vacation rental shall be responsible to ensure that guests or occupants of the short term rental do not:
1. Create noises that by reason of time, nature, intensity or duration are out of character with noises customarily heard in the surrounding residential neighborhood.
 2. Disturb the peace of surrounding residential property residents by engaging in shouting, fighting, playing of loud music, racing of cars or recreational vehicles on streets, engaging in outside recreational activities after 10 p.m., or other similar activities.
 3. Interfere with the privacy of surrounding residents or trespass onto surrounding residential properties.
 4. Allow pets or animals to create noise, roam the streets, trespass on neighboring properties, or create a mess that is not cleaned up by the owner or custodian of the pet or animal.
 5. Engage in any disorderly or illegal conduct, including illegal consumption of drugs and alcohol.
- F. Required Posting: The following information must be posted in a clear, concise, and unambiguous manner and in a conspicuous location inside any dwelling licensed as a short term vacation rental:
1. a copy of the short term vacation rental business license
 2. the name, address, and phone number of the owner or property manager
 3. the location of all fire extinguishers
 4. a list of all rules applicable for vacation rentals
 5. the maximum occupancy of the vacation rental and the maximum number of vehicles allowed.
- G. Miscellaneous Rules and Regulations: The following rules and regulations shall apply to any dwelling for which a short term vacation rental business license has been issued:
1. Prohibits the operation of a short-term rental unless the municipality issues a permit to operate the short-term rental and the State Tax Commission issues a sales and use tax license.
 2. Outdoor pools, hot tubs or spas shall not be used between the hours of eleven o'clock (11:00) p.m. and six o'clock (6:00) a.m.
 3. Maximum occupancy in any dwelling licensed as a short term vacation rental shall be 4 people per rental for one bedroom, 2 additional people allowed per bedroom not to exceed ten (10) persons at any one time total in the home. If, however, the property has a fire sprinkler system or other fire suppression system acceptable to the Apple Valley Fire Department, a greater occupancy may be approved. Maximum occupancy of the dwelling must be included in the regulations sign.
 4. The owner of any property containing a dwelling licensed as a short term vacation rental shall cause to be displayed in a town approved location on the exterior of the property an approved sign containing the name and 24 hour-per-day, 365 day-per-year telephone number of the owner or other party

designated by the owner as property manager who will be responsible for receiving and resolving complaints regarding activities on the property and the conduct of its occupants and guests. The sign shall not exceed 12" X 18" and shall be the only sign other than an address permitted on a short term vacation rental property. All neighbors surrounding the property in question shall be furnished the same contact information.

5. The owner or property manager shall provide information on current occupants to police, emergency, or town personnel as requested. The owner or other person designated as the property manager shall respond to complaints and concerns within one (1) hour of any phone call or other notification. Failure of the owner or property manager to respond in a timely manner may result in a violation and possible fines to the business license holder and property owner.
6. The requirements of this section shall be in effect throughout the time a short term vacation rental license is in effect on the property, regardless of whether the property is occupied by the owner, non-paying guests of the owner, or paying guests of the owner. The Town of Apple Valley finds that, given the practical difficulty of determining whether or not the occupants are paying guests, enforcement of the requirements contained in this section shall be based on whether the property is licensed as a short term vacation rental.
7. An inspection of a vacation rental property for compliance with these regulations will be performed at the time of business license issuance and renewal each year. There shall be a fee charged for such inspection, to be set by the Town Council. Additional inspections may be performed with 24 hour notice to the license holder/property manager if deemed necessary by the Town.
8. The owner of any dwelling licensed as a short term vacation rental shall be required to collect and remit on a timely basis transient lodging taxes and all other applicable sales and use taxes to the Utah State Tax Commission.

H. Enforcement Provisions:

1. Any owner of any dwelling in a residential zone within the Town of Apple Valley who allows or permits occupation of said dwelling as a short term vacation rental, as defined herein, without having first obtained a business license in accordance with the provisions of this section shall be guilty of a Class B misdemeanor, which shall be punishable by a fine of up to \$1,000, imprisonment for up to 6 months, or any combination thereof for each such violation.
2. Any owner of any dwelling in a residential zone within the Town of Apple Valley, who, having first obtained a business license for use or occupation of said dwelling as a short term vacation rental, thereafter operates or permits operation of said short term vacation rental in violation of the terms and provisions of this section shall be guilty of an Infraction, and shall be punished by a fine of not less than \$1000 for each such violation.
3. Any person who occupies a short term rental as a guest and who violates any local ordinance or state law shall be subject to arrest, issuance of a citation, or

other criminal process in accordance with all state, federal or local statutes, rules or ordinances.

4. Violation of any provision of this section regulating short term vacation rentals shall constitute a separate offense for each day said violation occurs or continues.
5. In the event of three (3) or more violations of this ordinance committed by an owner or guest, or any combination of the two, within any 12 month period, the town council may proceed with revocation of the business license for any short term vacation rental property in accordance with the provisions of the general business license ordinance.

SECTION 2: **REPEALER CLAUSE** All ordinances or resolutions or parts thereof, which are in conflict herewith, are hereby repealed.

SECTION 3: **SEVERABILITY CLAUSE** Should any part or provision of this Ordinance be declared by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the Ordinances a whole or any part thereof other than the part so declared to be unconstitutional or invalid.

SECTION 4: **EFFECTIVE DATE** This Ordinance shall be in full force and effective immediately after the required approval.

AMENDMENT

10.07.090 Conditional Use Permit

A. Purpose. The purpose of this chapter is to establish standards for certain land uses which, because of their unique characteristics or potential impacts on the town, surrounding residential neighborhoods, or other adjacent land uses, may not be compatible in some areas or may be compatible only if certain conditions are required which mitigate or eliminate the detrimental impacts. The standards for the issuance of a conditional use permit are established to ensure compatibility with surrounding land uses, conformity with the Apple Valley general plan, consistency with the characteristics and purposes stated for the zone, and protection, preservation and promotion of the public interest, health, safety, convenience, comfort, prosperity and general welfare.

D. Initiation. A property owner, or the owner's agent, may request a conditional use permit as provided in subsection E1 of this section.

E. Procedure. An application for a conditional use permit shall be considered and processed as provided in this subsection.

1. A complete application shall be submitted to the office of the Zoning Administrator in a form established by the administrator along with any fee established by the Town's schedule of fees. The application shall include at least the following information:

- a. The name, address and telephone number of the applicant and the applicant's agent, if any;

 - g. A statement by the applicant demonstrating how the conditional use permit request meets the approval standards for the conditional use desired; and
 - h. Such other and further information or documentation as the Zoning Administrator may deem necessary for proper consideration and disposition of a particular application.
2. After the application is determined to be complete, the Zoning Administrator shall schedule a public meeting before the Planning Commission as provided in [section 10.07.040](#) of this chapter or shall review the application to determine if it meets the standards for an administrative conditional use permit.
 3. A staff report evaluating the application shall be prepared by the Zoning Administrator for a conditional use permit that will be reviewed by the Planning Commission.
 4. The Planning Commission shall hold a public meeting and shall thereafter approve, approve with conditions, or deny the application pursuant to the standards set forth in subsection F of this section. A conditional use shall be approved if reasonable conditions are proposed or can be imposed to mitigate the reasonably anticipated detrimental effects of the proposed use in accordance with applicable standards. If the reasonably anticipated detrimental effects of a proposed conditional use cannot be substantially mitigated by the proposal or the imposition of reasonable conditions to achieve compliance with the applicable standards, the conditional use may be denied.
 5. After the Planning Commission or Zoning Administrator makes a decision, the Zoning Administrator shall give the applicant written notice of the decision.
 6. A record of all conditional use permits shall be maintained in the office of the Zoning Administrator.

F. Approval standards. The following standards shall apply to the issuance of a conditional use permit:

1. A conditional use permit may be issued only when the proposed use is shown as conditional in the zone where the conditional use will be located, or by another provision of this title.
2. Standards for each use must be reviewed. Specific standards are set forth for each use in subsections E2a through E2h of this section:
 - a. *Standards for a reception center.*
 - (1) Hours of operation must be compatible with adjoining uses and comply with Town noise regulations.
 - (2) Parking must be provided.
 - (3) The use of on street parking to provide up to 40 percent of the required parking may be permitted if adjoining uses are not residential uses and the street is fully improved.
 - (4) The center must have an approved site plan.
 - (5) If beer, wine, or other alcoholic beverages are served, the center must be licensed by the state alcohol control board.
 - b. *Standards for an agricultural industry.*
 - (1) Adequate fencing and/or enclosures must be provided to ensure animals and fowl are confined safely and in conformance with acceptable animal husbandry standards.
 - (2) Applicant must provide a plan for how manure will be handled to prevent it becoming a nuisance and must follow the plan.
 - (3) Evidence must be provided on how the applicant will maintain control of flies and vermin.
 - (4) Animal enclosures used for intensive animal feeding operations must be at least 25 feet from any adjacent parcel that, at the time the applicant first seeks the conditional use, is zoned residential or residential-agricultural pursuant to chapters 13 or 14 of this title.

G. *Appeal of decision.* Any person adversely affected by a decision of the Planning Commission regarding the transfer, issuance, or denial of a conditional use permit may appeal such decision to the Appeals Board by filing written notice of appeal stating the grounds therefor within 14 days from the date of such decision.

H. *Appeal of decision by Zoning Administrator.* Any decision of the Zoning Administrator regarding the issuance or denial of a conditional use permit, shall, upon request by the applicant within ten days after a determination by the Zoning Administrator, be submitted for a de novo review and decision by the Planning Commission at their next available meeting.

I. *Effect of approval.* A conditional use permit shall not relieve an applicant from obtaining any other authorization or permit required under this title or any other title of this Code.

1. A conditional use permit may be transferred so long as the use conducted thereunder conforms to the terms of the permit.
2. Unless otherwise specified by the Planning Commission and subject to the provisions relating to amendment, revocation or expiration of a conditional use permit, a conditional use permit shall be of indefinite duration and shall run with the land.

J. *Amendment.* The procedure for amending any conditional use permit shall be the same as the original procedure set forth in this section.

K. *Revocation.* A conditional use permit may be revoked as provided in [section 10.20.100](#) of this title.

1. In addition to the grounds set forth in [section 10.20.100](#) of this title, any of the following shall be grounds for revocation:
 - a. The use for which a permit was granted has ceased for one year or more;
 - b. The holder or user of a permit has failed to comply with the conditions of approval or any Town, state, or federal law governing the conduct of the use;
 - c. The holder or user of the permit has failed to construct or maintain the site as shown on the approved site plan, map, or other approval materials; or
 - d. The operation of the use or the character of the site has been found to be a nuisance or a public nuisance by a court of competent jurisdiction in any civil or criminal proceeding.

2. No conditional use permit shall be revoked against the wishes of the holder or user of the permit without first giving such person an opportunity to appear before the Planning Commission and show cause as to why the permit should not be revoked or the conditions amended. Revocation of a permit shall not limit the Town's ability to initiate or complete other legal proceedings against the holder or user of the permit.

L. Expiration. A conditional use permit shall expire and have no further force or effect if the building, activity, construction, or occupancy authorized by the permit is not commenced within one year after approval.

SECTION 2: REPEALER CLAUSE All ordinances or resolutions or parts thereof, which are in conflict herewith, are hereby repealed.

SECTION 3: SEVERABILITY CLAUSE Should any part or provision of this Ordinance be declared by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the Ordinances a whole or any part thereof other than the part so declared to be unconstitutional or invalid.

SECTION 4: EFFECTIVE DATE This Ordinance shall be in full force and effect immediately after the required approval.

REQUIRED CONSIDERATIONS TO APPROVE A ZONE CHANGE

When approving a zone change, the following factors shall be considered by the Planning Commission and Town Council:

1. Whether the proposed amendment is consistent with the Goals, Objectives and Policies of the Town's General Plan;
2. Whether the proposed amendment is harmonious with the overall character of existing development in the vicinity of the subject property;
3. The extent to which the proposed amendment may adversely affect adjacent property; and

PROCESS

Contact the Planning Department for when the deadline for submission is. After it is deemed complete, staff will review the request, and prepare a report and recommendation for the Planning Commission. This will be reviewed at a public hearing where the applicant should attend, present the project, and respond to questions from the Planning Commission. Since it is a public hearing, members of the public may also have questions or comments. At the public hearing the Planning Commission will review the application and staff's report and forward a recommendation to the Town Council for approval, approval with modifications, or denial of the zone change application.

Upon receipt of the Planning Commission recommendation, typically 1-2 weeks after the Planning Commission action, the Town Council will consider and act on the Commission's recommendation. The action of the Town Council is final. If denied, a similar application generally cannot be heard for a year.

REQUIRED CONSIDERATIONS TO APPROVE A ZONE CHANGE

When approving a zone change, the following factors shall be considered by the Planning Commission and Town Council:

1. Whether the proposed amendment is consistent with the Goals, Objectives and Policies of the Town's General Plan;
2. Whether the proposed amendment is harmonious with the overall character of existing development in the vicinity of the subject property;
3. The extent to which the proposed amendment may adversely affect adjacent property; and
