Public Forum	Sandra Gregory reported they had a board member retire from the Friends of the Bicentennial Trail group. They are ready and waiting for the extension to start. She also mentioned that the Dottie house is for sale and part of the Trail extends into that property so the City needs to keep an eye on that and make sure we can keep that part of the trail.

The State Tournament will be held in Fairview this year and it will bring 5 or 6 million dollars of revenue into the city over the 5-day event.
