REPORTS

4. McDonald's Owner Mike Waldram/Choose your Chill Challenge recognition.

Mike Waldram McDonald's owner stated that new City Hall feels more like home. We are continuing our desire to partner with the community and came up with a summer incentive and plan where we got the Fire Department and Police Department to join in on a challenge. Sorry Fire Department but the Police Department won. We had more customers choose from our Frozen carbonated beverage line that chose the Blue Raspberry which represented the Police Department over the Cherry Red that represented the Fire Department. It was a lot of fun and good exposure, good participation and good to be a part of the community in any way we can. As part of the challenge, we will donate money to a foundation of their choosing. He gave the floor to Sergeant Alexis Duncan, and she explained they chose to give the money to The Front Door Memorial Lodge / Shop with a cop that we have every year. We enjoyed it and had a lot of fun. We have done a couple of these events with McDonald's and enjoy more activity with the community outside of our Patrol Cars. It was fun to beat the Fire Department.
