### EXPENDITURE REQUESTS

3. City Hall Expenditure

**Mayor Greer:** This is the New City Hall expenditures.

**Jennifer Noe:** There is a surplus fund as part of the bid packet and the board has already approved some of these expenditures. These are the very end and hopefully the last modifications for New City Hall. These are items that were not included in the bid or had to be modified.

**Mill Work change order:** As you see from the photos if we were sitting up at the chamber all you would see of them would be like Home Improvement like Wilson peeking over the fence. The cost to modify the Mill work is \$ 7,626.31.

**Grading Change Order:** Cost is \$ 12,096.40 to move the Handicap spaces to the back parking lot to be ADA Compliant.

**Office Furniture for office # 110:** It was missing when ordering furniture for the rest of the building and Mayor Greer would like to have the furniture for that office.

**Window Treatments:** It was not included in the bid packet.

**Time Extension Change Order:** This was caused by Millwork and the Grading work. The rest of these are more Technical and she will let Allen and Justin explain them to the Council Members.

**Justin Wheeler:** These are items that were left off the bid. These are items needed for the office and our Daily work.

**Allen Nicholson:** explained this would be cameras, microphones, and audio and visual items. He explained that due to META and Facebook changes we are going to have to start streaming through a youtube channel moving forward. The biggest expenditure is going to be the TV's and mounts for the courtroom.

**Mayor Greer** advised this would all come from contingency which is part of the loan.

A motion was made by Councilman Adkins, Seconded by Councilman Smith, to approve the New City Hall expenditures. Voting Yay: Councilman Adkins, Councilman Smith, Councilwoman Binkley, Vice Mayor Kerrigan, Councilman Young, Councilman Thompson, Mayor Greer. Voting Nay: 0
