OLD BUSINESS

10. Caldwell Park Discussion

Mr. Sampson stated that after last week's meeting, he agreed with Councilman Greer. He stated that if we do sell it, it would be gone and we would never get ninety (90) acres back. He stated that he does not agree with Ms. Jane Crisps' proposal. Ms. Jane Crisp stated that she thought we had gone past that to a conservation easement which was suggested by Ms. Valerie Kemp. She stated that was in the packets she presented to the council. Ms. Crisp stated the article explains easements and that she got it from UT and also gave a copy of the law. Ms. Crisp stated that she gave them a form that has various types of easements and that can be worked around. She stated the lien was gone and it would go to a conservation easement. Further, she stated that Councilman Chris Kerrigan has stated that the City wants to sell the property. City Attorney Jennifer Noe stated she has not fully looked into conservation easements and there were many things that the board needed to consider. She said if we do a conservation easement there were several variables: Five (5) years, ten (10) years, a designated amount of time, or forever. Ms. Noe stated that the board needs to think about the cost to maintain this property and that we would have the expense on a yearly basis. She stated that one thing we discussed was a fund to maintain it on a yearly basis, but being that Ms. Crisp didn't mention that before she assumed she wasn't interested in that. Ms. Noe stated that cities have been known to file bankruptcy and if it was in perpetuity it was forever. Further, she stated that there was no sewer there and the cost of running fill lines there may eat up a lot of the cost. Councilman Greer stated the front area was mowed every ten (10) days and the back areas beyond the gate were only mowed three (3) times a year. He stated that it would cost a little over seven thousand dollars (\$7,000) per year and if we can't afford that we need to think through some things.

Councilman Jackson came in at this point.

Councilman Adkins thanked Ms. Crisp for the generous proposal. He further questioned the cost of the pavilion and the development and maintenance of the trails. He questioned if there was a timetable for the offer because this was probably something we couldn't answer next week. Ms. Crisp responded that Mayor Allen was going to research the cost of the pavilion. Mr. Sampson stated the prefabricated bathrooms and pavilion would be \$185,000 and we would have to make the parking lot ADA compliant. Mr. Sampson stated that he was not recommending we sell the property, he was just recommending that we did not accept Ms. Crisps' proposal. He stated that he would like to get some direction on what the council wants us to do there. Councilman Adkins guestioned the long-term financial aspect of this. Mayor Allen stated Mr. Sampson would be asking for another full-time person to help to maintain the park. Councilman Greer questioned if we just approved that position. Mr. Sampson responded that they approved a seasonal employee. Ms. Crisp stated the boy scouts could help and there was no sign on the highway to know where it was. Mr. Tony Young stated the Boy Scouts used to help with that park and that was part of the reason there was never a sign put on Highway 12 for it, they did not want to draw attention to it. Councilman Jackson stated several people have come and requested to volunteer for these types of things but they never follow through. Councilman Greer stated that maybe the boy scouts could handle the volunteers. Councilman Adkins stated he was open to the idea, but he would feel more comfortable if we knew how much everything would cost. Councilman Adkins guestioned Ms. Noe about what would need to be done next week. Ms. Noe stated several things could be done next week, they could defer or make a decision. She stated it would be at the discretion of the Council.

- Ordinance: Amend Title 18, Chapter 1 Section 18-107(1) Water and Sewer Rates Ms. Reed explained this was the annual ordinance to increase water and sewer rates by three percent (3%).
- 12. Ordinance: Adopting the Annual Budget and Tax Rate for the Fiscal Year 2021-2022 Ms. Bowman stated there was a sheet, front and back, that shows what the money in the budget equates to if anyone had any questions and they could ask about that.
- 13. Landscape Ordinance

Ms. Reed stated that this was a commercial ordinance for developers with PUDs and commercial developments but not for single family homes or duplexes.

- 14. Ordinance: Budget Amendment
 - Ms. Reed states that this was for the grant money from the Local DA Grant, \$133,612.00, that we received and we just need to allocate it in the budget.
- 15. Ordinance: Rezone Request: 1807 Highway 12 South

Mayor Allen stated this would be for the second and final reading. Ms. Reed stated that we need to have it advertised properly so we would need to have a public hearing on it next week as well. Ms. Gayle Watts stated she was there with her neighbor, Sherry Raymer. She stated that she had been living across the street at the property for forty-three (43) years and there were a lot of concerns about what was happening with that property. She stated there will be more noise and highway traffic in and out. Ms. Watts stated that there was an industrial park, Wal-Mart, two (2) sets of condos, four (4) sets of apartments and they were claiming there will be sixty (60) condos. She stated this area was originally considered to be zoned residential R1. She also stated that last year we had to deal with the blasting illegally and there was a lawsuit against the city for that. Ms. Watts stated that it would devalue her home and that was her life investment. She stated that she has asked about a comprehensive plan for that area and what was said in the planning meeting was that they were trying to put an R-4 in a totally surrounded residential area. She stated that there was no way a fence would protect that cemetery when you had kids living in that area. Further, she stated that they have a petition with thirty (30) signatures of people who were totally against this property. Ms. Raymer stated the gentleman told them to come back with a better plan. She stated she was concerned about the devaluing of the area and what they are doing to the homes in the area. Ms. Raymer questioned if the petition matters. She stated she doesn't mind the growth but working from home was noisy. Ms. Watts questioned if it was common nature for the council to go against the wishes of the community. Mayor stated that would have to wait until next week.

NEW BUSINESS

- 16. Verizon Agreement
 - Chief Ray stated this was to go to the state contract.
- 17. Child Protective Investigation Team Agreement Chief Ray stated this was an annual agreement we do with the Child Advocacy Center every year.
- 18. Franchise Agreement: CEMC

Ms. Reed stated this was for CEMC's new service agreement for the internet fiber agreement. 19. Ortex Carpenter Bee Agreement for Senior Center

- Ms. Womack stated that this was where Jared was putting in the new wood. She stated the bore bees have been coming out everywhere and they called Ortex who gave them a price of \$175 to treat the area where the new wood will be.
- 20. Resolution: Updating the Wage and Salary Policy Ms. Bowman stated this was a process through the budget every year and we found 3 people whose job descriptions did not match what they were doing. She stated that we also left one off the paytable. Further, she stated that Ms. Reed could email it to the council if needed.
- 21. Resolution: Water Write-offs Ms. Bowman stated that the write-offs were a little over \$9000.00 this year, down from \$14,000,00 last year. We will write it off and turn to ver to collections, from Jan 2020 to

\$14,000.00 last year. We will write it off and turn t over to collections from Jan 2020 to Dec 2020.

SURPLUS PROPERTY NOMINATIONS

None.

EXPENDITURE REQUESTS

- 22. Request to bid fencing at the tennis courts.
- 23. Request to bid concrete work for playground at Fire Hall 2.

Mr. Sampson stated that these two (2) items were for next year's budget and that he was just getting the process started now.

OTHER

Councilman Greer questioned a sound system so that people can hear what was being said. He stated that for transparency purposes we need to have mics set up. He questioned if we already had microphones or a system to use.

Councilman Adkins questioned the grant for the trail extension. Mr. Sampson stated it was in the NEPA phase right now, but it would be next year before that was wrapped up. Councilman Adkins questioned the grant for the dog park. Mr. Sampson stated that we should find out about that later this month.

Ms. Reed handed out a letter to the council resigning as City Recorder and she thanked the council for the opportunity and she hoped that she could be involved in some way in the future. She stated that her last day would be June 24, 2021. Ms. Noe stated the council controls one employee and that would be something that would need to be on the agenda for the council meeting.

ADJOURNMENT

A motion was made by Councilman Kerrigan, seconded by Councilman Smith to adjourn the meeting. All approved by voice vote and the meeting adjourned at 6:57 p.m.

MAYOR STEVE ALLEN

INTERIM CITY RECORDER ALICIA MARTIN, CMFO

INTRODUCTION

My husband, Doug O'Rear, and I, Jane Crisp, discovered Caldwell Park several years ago. It is a hidden gem valued by many residents of Ashland City and now by some that never knew it existed before recent publicity.

My husband died of Covid-19 on July 30, 2020. He expressed a wish to make a gift to a park or even gift a park as a memorial.

Amended Proposal to the Ashland City Council to Preserve Caldwell Park

In order to preserve what is now called Caldwell Nature Park and to honor my deceased husband, Doug O'Rear, I propose the following to Ashland City Council:

- 1. I, Jane R. Crisp, will make a one-time gift of \$200,000 to the town of Ashland City for use in any of the Ashland City Parks.
- 2. In addition I will make a one-time gift of \$50,000 to the town of Ashland City for the sole purpose of construction of restrooms with a conjoined, or separate, covered picnic pavilion near the entrance of what is now called Caldwell Nature Park.

In return I ask for the following:

- 1. That the Caldwell Nature Park name be changed to the Doug O'Rear Nature Park.
- 2. That a combination or separate restrooms/covered picnic pavilion be constructed near the entrance to this park.
- 3. That Ashland City arranges to place a sign on Highway 12 marking the turn off to said park.
- 4. The existing sign at the entrance will be changed to reflect the new park name.
- 5. In order to preserve the nature park for future generations, a conservation easement should be granted to preserve the stated purpose of the property. I would be glad to work with the City Attorney to craft appropriate wording for the easement. The front part of the park could be preserved for general park purposes while the greater part be preserved as a nature preserve.
- 6. That the town of Ashland City set a dedication and then memorial service for Doug O'Rear as soon as practically possible at the expense of Jane R. Crisp (including a tent, chairs, and port-a-potties if restrooms are not yet installed.)
- 7. A park bench with a life-size statue of Doug O'Rear with room for others to sit will be donated by Jane R. Crisp and placed in said park.
- 8. That the Ashland City Parks Department maintain the park including marking of nature trails and consider allowing the area of the park north of the small creek to return to natural meadow land with a trail through it going to the other trails.

2.2 Additional Franchises.

A. <u>Additional Franchise Granted in More Favorable Terms</u>. If, following the Effective Date, the Franchising Authority exercises its right to grant an Additional Franchise to a third-party and the Grantee believes that the Additional Franchise Agreement created therefrom bestows benefits and imposes burdens on such third-party, which on balance, are materially more advantageous to such third-party than the benefits bestowed and the burdens imposed on the Grantee by this Agreement, the Grantee may at any time request that the Franchising Authority compare the Additional Franchise Agreement and the Agreement and make a determination as to the Grantee's belief. If the Franchising Authority determines that the Grantee's belief is correct, the parties shall renegotiate the terms and conditions of this Agreement as provided for in this Subsection. If the Franchising Authority is required by an existing ordinance, regulation, or State of federal law, including the Cable Act, to provide advance written public notice of any request for an Additional Franchise from a third-party, the Franchising Authority shall make such notice and simultaneously provide the Grantee with a copy of the proposed request.

B. <u>Procedure for Review of Additional Franchise Agreement.</u> The Franchising Authority shall have ten (10) days after receipt of a request from the Grantee to issue a written determination as to its comparison of the Additional Franchise Agreement and this Agreement. If the Franchising Authority determines that the Additional Franchise Agreement is more favorable to the third-party, negotiations on a new Agreement or an amendment to the current Agreement shall commence within three (3) business days of the Grantee's receipt of the determination. The focus of such negotiations shall be to create overall economic, technical and operational parity between the franchisees. If the Grantee disagrees with the Franchising Authority's decision, the Grantee may request that the Franchising Authority reconsider within three (3) business days of receipt of the determination.

C. <u>Factors for Determination</u>. In making a determination under this **Section 2**, the Franchising Authority will consider factors including, but not limited to: (i) the term of the franchise; (ii) the franchise fee to be paid by each franchisee; (iii) the number and density of dwelling units to be served; (iv) differences in construction, operational maintenance requirements

and the costs thereof; (v) differences in required system characteristics, including state-of-the-art requirements; (vi) differences in service obligations, including the provision of access to public, educational and government ("PEG") channels and institutional service requirements; (vii) differences in permitted cable service fees and charges; and (viii) such other factors that are relevant to an inquiry into the overall economic, technical and operational parity of the agreements.

2.3 <u>Police Powers and Conflicts with Franchise.</u> The Grantee acknowledges that its rights hereunder are subject to the police power of the Franchising Authority to adopt and enforce general franchises necessary for the safety and welfare of the public. The Grantee shall comply with all applicable general laws and regulations enacted by the Franchising Authority pursuant to such power. Subject to its lawful police powers, the Franchising Authority may not, by franchise or otherwise, alter any of the Grantee's material rights, benefits, obligations or duties as specified in this Agreement. In the event of a conflict between any franchise and this Agreement, the terms and conditions of this Agreement shall control, provided; however, that the Grantee agrees that it is subject to the lawful police power of the Franchising Authority.</u>

2.4 <u>Other Ordinances.</u> The Grantee agrees to comply with the terms of any lawfully adopted generally applicable local ordinance, to the extent that the provisions of the ordinance do not have the effect of limiting the benefits or expanding the obligations of the Grantee that are granted by this Agreement. 3.1 <u>Procedures for Renewal.</u>

A. The Franchise shall be for a term of ten (10) years, commencing on the Effective Date of this Franchise as set forth below subject to the Grantee's acceptance by countersigning where indicated below. This Franchise shall be automatically extended for an additional term of ten (10) years, unless either party notifies the other in writing of its desire to not exercise this automatic extension (and enter renewal negotiations under the Cable Act) at least three (3) years before the expiration of this Franchise. If such a notice is given, the parties will then proceed under the federal Cable Act renewal procedures.

B. In addition to the procedures set forth in the Cable Act and federal law, the Franchising Authority agrees to notify the Grantee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of the Grantee under the then current Franchise term. The Franchising Authority further agrees that such assessments

shall be provided to the Grantee promptly so that the Grantee has adequate time to submit a proposal pursuant to the Cable Act and complete renewal of the Franchise prior to expiration of its term.

C. Notwithstanding anything to the contrary set forth in this Subsection 3.3, the Grantee and the Franchising Authority agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment in accordance with the provisions of federal law the Franchising Authority and the Grantee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the Franchising Authority may grant a renewal thereof.

3.2 <u>Assessment of Needs.</u> In addition to the procedures set forth in Section 626(a) of the Cable Act, the Franchising Authority agrees to notify the Grantee of all assessments the Franchising Authority has made regarding (i) the cable-related needs and interests of the community within the Service Area and (ii) the performance of the Grantee under the Agreement and the Franchise. The Franchising Authority further agrees that any such assessments shall be provided to the Grantee promptly so that the Grantee may timely provide a response under Section 626(b) of the Cable Act to complete renewal of the Franchise prior to expiration of its term.

3.4 <u>**Terms Consistent with Law.**</u> The Franchising Authority and the Grantee consider the terms set forth in this Subsection to be consistent with the express provisions of **Section 626** of the Cable Act.

3.5 <u>Consideration of Additional Franchise Agreements and Authorizations.</u> The Franchising Authority shall take into account any previously granted Additional Franchise Agreements or authorizations, when seeking to impose increased obligations upon the Grantee in any renewal of this Agreement or the Franchise. The proposed increased obligations shall not be more burdensome and/or less favorable than those contained in any such Additional Franchise Agreements or authorizations.

<u>SECTION 4</u> Insurance and Indemnification

4.1 Insurance Requirements. The Grantee shall obtain and/or maintain, at its own cost, insurance that meets the coverage requirements set forth in this Subsection. Such insurance shall be in full force and effect during the term of the Agreement and the Franchise and any renewal periods of the same. The Franchising Authority shall be designated as an additional insured and such insurance shall be noncancelable except upon thirty (30) days prior written notice to the Franchising Authority. Upon written request, the Grantee shall provide a Certificate of Insurance showing evidence of the coverage required by this Subsection. The insurance shall be in the amounts as follows:

4.2 <u>Indemnification.</u> The Grantee agrees to indemnify, save and hold harmless, and defend the Franchising Authority, its officers, boards and employees, from and against any liability for damages and for any liability or claims resulting from property damage or bodily injury (including accidental death), which arise out of the Grantee's construction, operation, or maintenance of the Cable System provided that the Franchising Authority shall give the Grantee written notice within ten (10) days of the Franchising Authority's receipt of a claim or action pursuant to this Subsection. Notwithstanding the foregoing, the Grantee shall not indemnify the Franchising Authority for any damages, liability or claims resulting from the willful misconduct or negligence of the Franchising Authority, its officers, members, agents or employees or for the Franchising Authority's use of the Cable System, including the use of any PEG channels.

<u>SECTION 5</u> Service Obligations

5.1 <u>No Discrimination.</u> The Grantee shall not deny service, deny access, or otherwise discriminate against Subscribers, channel users, or general citizens on the basis of race, color, religion, national origin, age or sex. The Grantee shall comply at all times with all other applicable federal, State and local laws and regulations.

5.2 <u>**Privacy.**</u> The Grantee shall comply with all applicable federal or State laws and regulations regarding the privacy rights of Subscribers.

5.3 <u>**Rates.**</u> The Grantee shall establish rates that are nondiscriminatory within the same general class or tier of Subscribers. Nothing contained herein shall prohibit the Grantee from offering: (i) discounts to commercial and multiple family dwelling Subscribers billed on a bulk basis; (ii) promotional discounts; (iii) reduced Installation rates for Subscribers who have multiple services; and (iv) discounted rates in those portions of the Service Area subject to competition from other video programming providers.

<u>SECTION 6</u> Service Availability

Such notice shall specifically reference the section or subsection of the Agreement that is under review so that the Grantee may organize the necessary books and records for easy access by the Franchising Authority. The Grantee shall provide electronic copies of its books and records if available or paper copies if electronic copies are not available. The Grantee shall fully cooperate in making available its records and otherwise assisting in these activities. The Grantee shall not be required to maintain any books and records related to the Grantee's compliance with the terms and conditions of the Franchise longer than three (3) years. The Grantee shall not be required to provide Subscriber information to the Franchising Authority in violation of Section 631 of the Cable Act. The quality and manner of installation of such additional connections at the Public Schools shall be approved by the Grantee prior to installation and shall comply with all local, State and federal laws and regulations. The requirement to provide Cable Services to Public Schools and Public Buildings is subject to the same build-out set forth in Subsection 6.1. The Grantee shall not be required to offer Cable Services to Public Schools and Public Buildings that are more than 125 feet from the nearest connection point to the Cable System, unless the Franchising Authority or building owner/occupant agrees to pay the incremental cost of any necessary extension or installation. SECTION 14 Enforcement and Termination of Franchise

14.1 <u>Notice of Violation.</u> In the event that the Franchising Authority believes that the Grantee has not complied with or defaulted on any material term of this Agreement, the Franchising Authority shall informally discuss the matter with the Grantee. If these discussions do not lead to resolution of the problem, the Franchising Authority shall notify the Grantee in writing of the exact nature of such alleged noncompliance.

14.2 <u>The Grantee's Right to Cure or Respond.</u> The Grantee shall have thirty (30) days from receipt of the notice described in **Subsection 14.1**:

- (i). to respond to the Franchising Authority, contesting the assertion of such noncompliance;
- (ii). to cure such default; or
- (iii). in the event that, by the nature of such default, it cannot be cured within the thirty (30) day period, initiate reasonable steps to remedy such default and notify the Franchising Authority of the steps being taken and the projected date that they will be completed.

14.3 <u>Public Hearing.</u> In the event that the Grantee fails to respond to the notice described in Subsection 14.1 pursuant to the procedures set forth in Subsection 14.2, or in the event that the alleged default is not remedied within thirty (30) days or the date projected pursuant to Subsection 14.2(ii) above, the Franchising Authority shall schedule a public hearing to address the alleged non-compliance or default if it intends to continue its investigation. The Franchising Authority shall provide the Grantee at least ten (10) days prior written notice of such hearing, which shall specify the time, place and purpose of such hearing. The Franchising Authority shall present any evidence of the default at the public hearing and the Grantee shall be provided with equal time to present evidence contrary to that provided by the Franchising Authority or present evidence if the Grantee's attempts to remedy the default.

14.4 <u>Enforcement.</u> In the event the Franchising Authority determines that the Grantee is in material default of any provision of the Agreement after the hearing set forth in Subsection 14.3, the Franchising Authority may, subject to applicable federal and State law,

- (i). seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or
- (ii). commence an action at law for monetary damages or seek other equitable relief; or

(iii). in the case of repeated or ongoing substantial non-compliance with a material term or terms of this Agreement, seek to revoke the Franchise and terminate this Agreement in accordance with **Subsection 14.5**.

14.5 <u>Revocation.</u>

A. <u>Notice of Intent to Revoke.</u> Prior to revocation of the Franchise and termination of this Agreement, the Franchising Authority shall give written notice to the Grantee of its intent to revoke the Franchise and terminate this Agreement on the basis of a pattern of noncompliance by the Grantee. The notice shall set forth the exact nature of the noncompliance and include citation to one or more specific instances of substantial noncompliance with a material provision of this Agreement by the Grantee. The Grantee shall have sixty (60) days from such notice to object in writing to the Franchising Authority, state its reasons for such objection, and provide any explanation. If the Franchising Authority is not satisfied with the Grantee's response, it may then seek to revoke the Franchise and terminate this Agreement at a public hearing. The Franchising Authority shall give the Grantee at least twenty (20) days prior written notice of such public hearing, specifying the time and place of such hearing, and stating the Franchising Authority's intent to revoke the Franchise and terminate this Agreement.

B. <u>Revocation Hearing Provisions.</u> At the revocation hearing, the Franchising Authority shall give the Grantee an opportunity to state its position on the matter, present evidence and witnesses to support its position, and question any witnesses presented by the Franchising Authority. After the Grantee has concluded its presentation, the Franchising Authority shall determine whether or not the Franchise shall be revoked, and this Agreement shall be terminated. The revocation hearing shall be on the record and a written transcript shall be made available to the Grantee within ten (10) business days. The decision of the Franchising Authority shall be made in writing and shall be delivered to the Grantee pursuant to the notice provisions of this Agreement. The Grantee may appeal such determination to a court of competent jurisdiction.

14.6 <u>Conditions of Sale.</u>

A. If the Grantee's Franchise and this Agreement are lawfully revoked or terminated and the Franchising Authority either lawfully acquires ownership of the Cable System or by its actions lawfully effects a transfer of ownership of the Cable System to another Person, any such acquisition or transfer shall be at the price determined pursuant to the provisions set forth in Section 627 of the Cable Act.

B. The Grantee and the Franchising Authority agree that in the case of a final determination of a lawful revocation of the Franchise and termination of this Agreement, the Grantee shall be given at least twelve (12) months to effectuate a transfer of its Cable System to a qualified third-party. The Grantee shall be authorized to continue to operate pursuant to the terms of this Agreement during this period. If the Grantee is unsuccessful in procuring a qualified transferee or assignee of its Cable System during such time, the Grantee and the Franchising Authority may avail themselves of any rights they may have pursuant to federal or State law. It is

further agreed that the Grantee's continued operation of the Cable System during the twelve (12) month period shall not be deemed to be a waiver, nor an extinguishment of, any rights of either the Franchising Authority or the Grantee.

C. Upon the termination of this Agreement and revocation of the Franchise, as provided herein, the Grantee shall, upon notice by the Franchising Authority, remove at its own expense the Cable System from all Public Ways. Notwithstanding the foregoing, the Grantee may abandon any property on Public Ways upon written notice to the Franchising Authority. If, within ninety (90) days of the receipt of such notice, the Franchising Authority determines that the safety, appearance, or use of the Public Ways would be adversely affected, the property must be removed by the Grantee by a date reasonably specified by the Franchising Authority, in light of the amount of work to be performed.

14.7 <u>Good Faith Errors.</u> The parties agree that it is not the Franchising Authority's intention to subject the Grantee to penalties, fines, forfeitures or revocation of the Franchise or termination of this Agreement for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact to the Subscribers or the Cable Services, or where strict performance would result in practical difficulties and hardship to the Grantee which outweigh the benefit to be derived by the Franchising Authority and/or Subscribers.

<u>SECTION 15</u> <u>Miscellaneous Provisions</u>

15.1 <u>Compliance with State and Federal Laws.</u> This Franchise shall be governed by and construed in accordance with Federal law, the laws of the State of Tennessee and the Town of Ashland City, Tennessee. Furthermore, in any instance where the approval or consent is required by one of the parties under the terms hereof, such approval or consent shall not be unreasonably withheld.

15.4 <u>Entire Agreement.</u> This Agreement constitutes the entire agreement between the Grantee and the Franchising Authority and supersedes all other prior understandings and agreements,

whether oral or written. Neither party may unilaterally alter the material rights and obligations set forth in this Agreement, whether through governmental power or otherwise. Any amendments to this Agreement shall be mutually agreed to in writing by the parties.

15.5 <u>Reservation of Rights.</u> Acceptance of the terms and conditions of this franchise will not constitute, or be deemed to constitute, a waiver, either express or implied, by the Grantee of any constitutional or legal right which it may have or may be determined to have, either by subsequent legislation or court decisions. The Franchising Authority acknowledges that the Grantee reserves all of its rights under applicable Federal and State Constitutions, laws and regulations.

For municipalities, the grant shall consist of: (1) a base payment of \$15,000 per municipality; and (2) a payment based on municipality population as published by the United States Census Bureau (July 1, 2019 data). Said grants are for nonrecurring expenses only. Further, funds disbursed pursuant to this appropriation are subject to the provisions of Section 10, Item 1 of this act, and any unspent balance of said appropriation at June 30, 2022 shall revert to the general fund.

For counties, the grant shall consist of: (1) a base payment of \$250,000 per county; and (2) a payment based on county population as published by the United States Census Bureau (July 1, 2019 data).
