HCD\_ Budget Transfer Approval Request

Department: HCD

**Presenter:** 

Hawthorne Welcher, Jr. and/or HCD Staff

Caption: Motion to approve Housing and Community Development Department's (HCD's) request to transfer budget funds of \$172,875 from Salary/Benefits object 51 codes to object code 5239112 for temporary workforce expenditures.

**Background:** For FY2023, HCD has a total of twenty-seven (27) budgeted positions. HCD experienced delays in permanent onboarding due to a) departmental demands; b) staff transition and; c) the addition of new programs and funding sources.

Presently, to maintain productivity and departmental demands, temporary staff workers assumed the duties of the six (6) vacant positions that were budgeted for FY2023.

Permanent staff are paid from the salaries and wages line item; however, having used temporary workers, these funds are being paid from HCD's operational line item 221073110 | 523911 Temporary Workers. This has impacted HCD's operational budget due to the utilization of operating funds to pay budgeted salary related activities.

- Analysis: The approval of this request will enable HCD to replenish its 2023 budget operating account, by an estimated amount of \$172,875 to further the financial support to temporary staffing for HCD.
- **Financial Impact:** HCD expensed FY2023 wages for temporary workers' from the "Temporary Workers" line item on the General Ledger. Due to delays in onboarding of permanent staff, these temporary workers' wages have, to date, been expensed from HCD General Funds budget.

	As these funds are currently allocated to HCD's Salaries and Wages line <i>Item 3.</i> HCD is requesting that these funds be reallocated to the Temporary Workers budget line item on the General Ledger.
	To ensure correct reporting and proper budget management, HCD expenses must reflect the anticipated actual use of the \$172,875 above for continued operations.
	This request represents a zero net-sum adjustment to HCD overall Operational Budget.
Alternatives:	Do not approve HCD's motion to approve the transfer of funds
Recommendation:	Motion to approve Housing and Community Development Department's (HCD's) request to transfer budget funds of \$172,875 from Salary/Benefits object 51 codes to object code 5239112 for temporary workforce expenditures.

**MEMORANDUM**

TO:	Geri Sams, Director, Procurement Director
FROM:	Ron Lampkin, Interim Director, Central Services Director
DATE:	October 16, 2023
SUBJECT:	Request to Utilize State Contract #SWC 99999-SPD-SPD0000212- 0005 – Public Mass Transit Vehicles

Central Services-Fleet Management request to utilize state contract #SWC 99999-SPD-SPD0000212-0005 (Public Mass Transit) and a "Letter of Intent" (LOI) to purchase one 2023 Forest River ProMaster 3500 for the Augusta Richmond County Juvenile Court program.

The state contract holder, Creative Bus Sales, informed Fleet Management there was a current inventory of gasoline passenger vans on their lot. As of today, Ford has not released any information as to when orders and pricing will be available for the Ford Transit gasoline passenger vans as Ford has shifted there production to electric passenger vans. The vendor requested a LOI to potentially hold our orders until the Augusta Commission has approved the purchases. Once approved, Fleet Management will acquire the purchase order and submit to the vendor for securing the asset purchases.

Currently, Juvenile Court transports 60 children with two transit vans to court ordered education and treatment programs. Some children cannot make it to the programs due to limited transportation. It is imperative that Juvenile Court adds more vans to their Fleet to be able to meet the needs of the Juvenile Court programs.

Please approve the LOI in total amount of \$105,814.00 to Creative Bus Sales, Inc. Thank you for your assistance. Please contact Fleet Management with any questions or concerns.

### A. DEFINITIONS AND GENERAL INFORMATION

- 1. **Definitions.** The following words shall be defined as set forth below:
  - (i) "Agency" means the Department of Administrative Services of the State of Georgia.
  - (ii) "Awarded Item Schedule" means the summarizing document, if any, listing the goods and services as awarded and may also denote the Contractor providing such goods and services.
  - (iii) "Contract" or "Statewide Contract" means the agreement between the Agency and the Contractor as defined by the Statewide Contract Form and its incorporated documents.
  - (iv) "Contractor" means the provider(s) of the goods and services under the Statewide Contract.
  - (v) "Purchase Instrument" means the documentation issued by the Agency or User Agencies to the Contractor for a purchase of goods and services in accordance with the terms and conditions of the Statewide Contract. The Purchase Instrument should reference the Statewide Contract and may include an identification of the items to be purchased, the delivery date and location, the address where the Contractor should submit the invoices, and any other requirements deemed necessary by the Agency or User Agencies.
  - (vi) "Response", "Contractor's Response" or "Final Response" means the Contractor's submitted response to the RFX, including any modifications or clarifications accepted by the Agency.
  - (vii) "RFX" means the Request for Proposal, Request for Bid, or other solicitation document (and any amendments or addenda thereto) specifically identified in the Statewide Contract Form that was issued to solicit the goods and/or services that are subject to the Statewide Contract.
  - (viii) "State" means the State of Georgia, the Agency, User Agencies, and any other authorized state entities issuing Purchase Instruments against the Statewide Contract.
  - (ix) "Statewide Contract Form" means the document that contains basic information about the Statewide Contract and incorporates by reference the applicable Contract Terms and Conditions, the RFX, Contractor's Response to the RFX, the final pricing documentation for goods and services and any mutually agreed clarifications, modifications, additions and deletions resulting from final contract negotiations. No objection or amendment by a Contractor to the RFX requirements or the Statewide Contract shall be incorporated by reference into this Statewide Contract unless the Agency has accepted the Contractor's objection or amendment in writing. The Statewide Contract Form is defined separately and referred to separately throughout the Statewide Contract Terms and Conditions as a means of identifying the location of

certain information. For example, the initial term of the Statewide Contract is defined by the dates in the Statewide Contract Form.

- (x) "User Agency" or "User Agencies" means any offices, agencies, departments, boards, bureaus, commissions, institutions, or other entities of the State of Georgia entitled to or required to make purchases from this Statewide Contract.
- 2. Certified Source of Goods and Services. Pursuant to Section 50-5-57 of the Official Code of Georgia Annotated (O.C.G.A.), the Agency hereby certifies the Contractor as a source of supply to the User Agencies of the goods and services identified in this Statewide Contract. Orders shall be placed individually and from time to time by the User Agencies. The execution of this Statewide Contract only establishes the Contractor as an authorized source of supply by the Agency and creates no financial obligation on the part of the Agency.
- 3. **Priority of Contract Provisions**. Any pre-printed contract terms and conditions included on Contractor's forms or invoices shall be null and void.
- 4. **Reporting Requirements.** Contractor shall provide all reports required by the RFX. In addition, unless otherwise provided in the RFX, Contractor shall keep a record of the purchases made pursuant to the Statewide Contract and shall submit a quarterly written report to the Agency.

### B. DURATION OF CONTRACT

- 1. Contract Term. The Statewide Contract shall begin and end on the dates specified in the Statewide Contract Form unless terminated earlier in accordance with the applicable terms and conditions. Pursuant to O.C.G.A. Section 50-5-64, this Statewide Contract shall not be deemed to create a debt of the State for the payment of any sum beyond the fiscal year of execution or, in the event of a renewal, beyond the fiscal year of such renewal.
- 2. Contract Renewal. The Agency shall have the option, in its sole discretion, to renew the Statewide Contract for additional terms on a year-to-year basis by giving the Contractor written notice of the renewal decision at least sixty (60) days prior to the expiration of the initial term or renewal term. Renewal will depend upon the best interests of the State, funding, and Contractor's performance. Renewal will be accomplished through the issuance of a Notice of Award Amendment. Upon the Agency's election, in its sole discretion, to renew any part of this Statewide Contract, Contractor shall remain obligated to perform in strict accordance with this Statewide Contract unless otherwise agreed by the Agency and the Contractor.
- 3. Contract Extension. In the event that this Statewide Contract shall terminate or be likely to terminate prior to the making of an award for a new contract for the identified goods and services, the Agency may, with the written consent of Contractor, extend this Statewide Contract for such period as may be necessary to afford the State a continuous supply of the identified goods and services.

## C. DESCRIPTION OF GOODS AND SERVICES

1. Specifications in Bidding Documents. The Contractor shall provide all goods, services, and other deliverables in compliance with the specifications contained in the RFX and the terms of the Statewide Contract, plus those equipment, services and deliverables as may additionally be described in the Response.

- 2. Product Shipment and Delivery. All products shall be shipped F.O.B. destination. Destination shall be the location(s) specified in the RFX or any provided Purchase Instrument. All items shall be at the Contractor's risk until they have been delivered and accepted by the receiving entity. All items shall be subject to inspection on delivery. Hidden damage will remain the responsibility of the Contractor to remedy without cost to the User Agencies, regardless of when the hidden damage is discovered.
- 3. Non-Exclusive Rights. The Statewide Contract is not exclusive. The Agency reserves the right to select other contractors to provide goods and services similar to goods and services described in the Statewide Contract during the term of the Statewide Contract. User Agencies may obtain similar goods and services from other contractors upon prior approval of the Agency, which approval shall be made at the sole discretion of the Agency when it is deemed to be in the best interests of the State, and shall be conclusive.
- 4. No Minimums Guaranteed. The Statewide Contract does not guarantee any minimum level of purchases.

### D. COMPENSATION

- 1. Pricing and Payment. The Contractor will be paid for the goods and services sold pursuant to the Statewide Contract in accordance with the RFX and final pricing documents as incorporated into the Statewide Contract Form and the terms of the Statewide Contract. Unless clearly stated otherwise in the Statewide Contract, all prices are firm and fixed and are not subject to variation. Prices include, but are not limited to freight, insurance, fuel surcharges and customs duties. User Agencies are solely and individually financially responsible for their respective purchases.
- 2. Billings. If applicable, and unless the RFX provides otherwise, the Contractor shall submit, on a regular basis, an invoice for goods and services supplied to the User Agencies under the Statewide Contract at the billing address specified in the Purchase Instrument or Statewide Contract. The invoice shall comply with all applicable rules concerning payment of such claims. User Agencies shall pay all approved invoices in arrears and in accordance with applicable provisions of State law.

Unless otherwise agreed in writing by the Agency and the Contractor, the Contractor shall not be entitled to receive any other payment or compensation from the User Agencies for any goods or services provided by or on behalf of the Contractor under the Statewide Contract. The Contractor shall be solely responsible for paying all costs, expenses and charges it incurs in connection with its performance under the Statewide Contract.

- 3. Delay of Payment Due to Contractor's Failure. If the User Agencies in good faith determine that the Contractor has failed to perform or deliver any service or product as required by the Statewide Contract, the Contractor shall not be entitled to any compensation under the Statewide Contract until such service or product is performed or delivered. In this event, the User Agencies may withhold that portion of the Contractor's compensation which represents payment for services or products that were not performed or delivered.
- 4. Set-Off Against Sums Owed by the Contractor. In the event that the Contractor owes the User Agency any sum or the User Agency must obtain substitute performance, the User Agency may set off the sum owed against any sum owed by the User Agency to the Contractor.

### E. TERMINATION

- 1. Immediate Termination. Pursuant to O.C.G.A. Section 50-5-64, any purchase made pursuant to this Statewide Contract will terminate immediately and absolutely if the User Agency determines that adequate funds are not appropriated or granted or funds are deappropriated such that the User Agency cannot fulfill its obligations under the Statewide Contract, which determination is at the User Agency's sole discretion and shall be conclusive. Further, the Agency may terminate the Statewide Contract for any one or more of the following reasons effective immediately without advance notice:
  - (i) In the event the Contractor is required to be certified or licensed as a condition precedent to providing goods and services, the revocation or loss of such license or certification may result in immediate termination of the Statewide Contract effective as of the date on which the license or certification is no longer in effect;
  - (ii) The Agency determines that the actions, or failure to act, of the Contractor, its agents, employees or subcontractors have caused, or reasonably could cause, life, health or safety to be jeopardized;
  - (iii) The Contractor fails to comply with confidentiality laws or provisions; and/or
  - (iv) The Contractor furnished any statement, representation or certification in connection with the Statewide Contract or the bidding process which is materially false, deceptive, incorrect or incomplete.
- 2. Termination for Cause. The occurrence of any one or more of the following events shall constitute cause for the Agency to declare the Contractor in default of its obligations under the Statewide Contract:
  - (i) The Contractor fails to deliver or has delivered nonconforming goods or services or fails to perform, to the Agency's satisfaction, any material requirement of the Statewide Contract or is in violation of a material provision of the Statewide Contract, including, but without limitation, the express warranties made by the Contractor;
  - (ii) The Agency determines that satisfactory performance of the Statewide Contract is substantially endangered or that a default is likely to occur;
  - (iii) The Contractor fails to make substantial and timely progress toward performance of the Statewide Contract;
  - (iv) The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Contractor terminates or suspends its business; or the Agency reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law;
  - (v) The Contractor has failed to comply with applicable federal, state and local laws, rules, ordinances, regulations and orders when performing within the scope of the Statewide Contract;
  - (vi) The Contractor has engaged in conduct that has or may expose the Agency or the State to liability, as determined in the Agency's sole discretion; or

- (vii) The Contractor has infringed any patent, trademark, copyright, trade dress or any other intellectual property rights of the Agency, the State, or a third party.
- 3. Notice of Default. If there is a default event caused by the Contractor, the Agency shall provide written notice to the Contractor requesting that the breach or noncompliance be remedied within the period of time specified in the Agency's written notice to the Contractor. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the Agency may:
  - (i) Immediately terminate the Statewide Contract without additional written notice; and/or
  - (ii) Procure substitute goods or services from another source and charge the difference between the Statewide Contract and the substitute contract to the defaulting Contractor; and/or,
  - (iii) Enforce the terms and conditions of the Statewide Contract and seek any legal or equitable remedies.
- 4. Termination Upon Notice. Following thirty (30) days' written notice, the Agency may terminate the Statewide Contract in whole or in part without the payment of any penalty or incurring any further obligation to the Contractor. Following termination upon notice, the Contractor shall be entitled to compensation from the User Agency, upon submission of invoices and proper proof of claim, for goods and services provided under the Statewide Contract to the User Agencies up to and including the date of termination.
- 5. Termination Due to Change in Law. The Agency shall have the right to terminate this Statewide Contract without penalty by giving thirty (30) days' written notice to the Contractor as a result of any of the following:
  - (i) The Agency's authorization to operate is withdrawn or there is a material alteration in the programs administered by the Agency; and/or
  - (ii) The Agency's duties are substantially modified.
- 6. Payment Limitation in Event of Termination. In the event of termination of the Statewide Contract for any reason by the Agency, the User Agencies shall pay only those amounts, if any, due and owing to the Contractor for goods and services actually rendered up to the date specified in the notice of termination for which the User Agencies are obligated to pay pursuant to the Statewide Contract or Purchase Instrument. Payment will be made only upon submission of invoices and proper proof of the Contractor's claim. This provision in no way limits the remedies available to the State under the Statewide Contract in the event of termination. The State shall not be liable for any costs incurred by the Contractor in its performance of the Statewide Contract, including, but not limited to, startup costs, overhead or other costs associated with the performance of the Statewide Contract.
- 7. The Contractor's Termination Duties. Upon receipt of notice of termination or upon request of the Agency, the Contractor shall:

6

(i) Cease work under the Statewide Contract and take all necessary or appropriate steps to limit disbursements and minimize costs, and furnish a report within thirty (30) days of the date of notice of termination, describing the status of all work under the Statewide Contract, including, without limitation, results accomplished, conclusions resulting therefrom, and any other matters the Agency may require;

- (ii) Immediately cease using and return to the State, any personal property or materials, whether tangible or intangible, provided by the State to the Contractor;
- (iii) Comply with the State's instructions for the timely transfer of any active files and work product produced by the Contractor under the Statewide Contract;
- (iv) Cooperate in good faith with the Agency, the User Agencies, and their employees, agents and contractors during the transition period between the notification of termination and the substitution of any replacement contractor; and
- (v) Immediately return to the User Agencies any payments made by the User Agencies for goods and services that were not delivered or rendered by the Contractor.

### F. CONFIDENTIAL INFORMATION

- 1. Access to Confidential Data. The Contractor's employees, agents and subcontractors may have access to confidential data maintained by the State to the extent necessary to carry out the Contractor's responsibilities under the Statewide Contract. The Contractor shall presume that all information received pursuant to the Statewide Contract is confidential unless otherwise designated by the State. If it is reasonably likely the Contractor will have access to the State's confidential information, then:
  - (i) The Contractor shall provide to the State a written description of the Contractor's policies and procedures to safeguard confidential information;
  - (ii) Policies of confidentiality shall address, as appropriate, information conveyed in verbal, written, and electronic formats;

The private or confidential data shall remain the property of the State at all times. Some services performed for the Agency and/or User Agencies may require the Contractor to sign a nondisclosure agreement. Contractor understands and agrees that refusal or failure to sign such a nondisclosure agreement, if required, may result in termination of the Statewide Contract.

2. No Dissemination of Confidential Data. No confidential data collected, maintained, or used in the course of performance of the Statewide Contract shall be disseminated except as authorized by law and with the written consent of the State, either during the period of the Statewide Contract or thereafter. Any data supplied to or created by the Contractor shall be considered the property of the State. The Contractor must return any and all data collected, maintained, created or used in the course of the performance of the Statewide Contract, in whatever form it is maintained, promptly at the request of the State.

- 3. **Subpoena.** In the event that a subpoena or other legal process is served upon the Contractor for records containing confidential information, the Contractor shall promptly notify the State and cooperate with the State in any lawful effort to protect the confidential information.

- 5. Survives Termination. The Contractor's confidentiality obligation under the Statewide Contract shall survive termination of the Statewide Contract.

The Contractor agrees to indemnify and hold harmless the State and State officers, employees, agents, and volunteers (collectively, "Indemnified Parties") from any and all costs, expenses, losses, claims, damages, liabilities, settlements and judgments, including reasonable value of the time spent by the Attorney General's Office, related to or arising from:

  - (ii) Second, by giving preference to the specific provisions of the RFX.
  - (iii) Third, by giving preference to the specific provisions of the Contractor's Response, except that objections or amendments by a Contractor that have not been explicitly accepted by the Agency in writing shall not be included in this Statewide Contract and shall be given no weight or consideration.
- 2. Intent of References to Bid Documents. The references to the parties' obligations, which are contained in this document, are intended to supplement or clarify the obligations as stated in the RFX and the Contractor's Response. The failure of the parties to make reference to the terms of the RFX or the Contractor's Response in this document shall not be construed as creating a conflict and will not relieve the Contractor of the contractual obligations imposed by the terms of the RFX and the Contractor's Response. The contractual obligations imposed by the terms of the RFX and the Contractor's Response. The contractual obligations of the Agency cannot be implied from the Contractor's Response.
- Compliance with the Law. - 4. Drug-free Workplace. The Contractor hereby certifies as follows:
  - (i) Contractor will not engage in the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana during the performance of this Statewide Contract; and

  - (iii) Contractor will secure from any subcontractor hired to work on any job assigned under this Statewide Contract the following written certification: "As part of the subcontracting agreement with <u>(Contractor's Name)</u>, <u>(Subcontractor's Name)</u> certifies to the contractor that a drug-free workplace will be provided for the subcontractor's employees during the performance of this Contract pursuant to paragraph 7 of subsection (b) of Code Section 50-24-3."

Contractor may be suspended, terminated, or debarred if it is determined that:

- (i) Contractor has made false certification here in above; or
- (ii) Contractor has violated such certification by failure to carry out the requirements of O.C.G.A. Section 50-24-3(b).
- 5. Amendments. The Statewide Contract may be amended in writing from time to time by mutual consent of the parties and upon approval by the Agency. All amendments to the Statewide Contract must be in writing and fully executed by duly authorized representatives of the Agency and the Contractor.

In the event any proceeding of a quasi-judicial or judicial nature is commenced in connection with this Statewide Contract, such proceeding shall solely be brought in a court or other forum of competent jurisdiction within Fulton County, Georgia. This provision shall not be construed as waiving any immunity to suit or liability, including without limitation sovereign immunity, which may be available to the State.

8. Parties' Duty to Provide Notice of Intent to Litigate and Right to Demand Mediation. In addition to any dispute resolution procedures otherwise required under this Statewide Contract or any informal negotiations which may occur between the State and the Contractor, no civil action with respect to any dispute, claim or controversy arising out of or relating to this Statewide Contract may be commenced without first giving fourteen (14) calendar days written notice to the State of the claim and the intent to initiate a civil action. At any time prior to the commencement of a civil action, either the State or the Contractor may elect to submit the matter for mediation. Either the State or the Contractor may exercise the right to submit the matter for mediation by providing the other party with a written demand for mediation setting forth the subject of the dispute. The parties will cooperate with one another in selecting a mediator and in scheduling the mediation proceedings. Venue for the mediation will be in Atlanta, Georgia: provided, however, that any or all mediation proceedings may be conducted by teleconference with the consent of the mediator. The parties covenant that they will participate in the mediation in good faith, and that they will share equally in its costs; provided, however that the cost to the State shall not exceed five thousand dollars (\$5,000.00).

All offers, promises, conduct and statements, whether oral or written, made in the course of the mediation by any of the parties, their agents, employees, experts and attorneys, and by the mediator or employees of any mediation service, are inadmissible for any purpose (including but not limited to impeachment) in any litigation or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. - 19. Severability. If any provision of the Statewide Contract is determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity or enforceability of any other part or provision of the Statewide Contract.
