**INTERGOVERNMENTAL AGREEMENT
BY AND BETWEEN
GEORGIA DEPARTMENT OF CORRECTIONS
AND
AUGUSTA GEORGIA
COUNTY CAPACITY**

THIS AGREEMENT is entered into the 1st day of July, 2026, by and between the GEORGIA DEPARTMENT OF CORRECTIONS, an agency of the State of Georgia ("Department"), and AUGUSTA GEORGIA, a political subdivision of the State of Georgia ("County"), acting by and through its Board of County Commissioners, referred to individually as "Party" or together as "Parties."

WHEREAS, Department desires to contract with County for appropriate care and custody of certain offenders for which Department is responsible, ("State Offenders"); and

County desires to provide appropriate care and custody of State Offenders at a correctional institution operated by County ("Services").

NOW, THEREFORE, in consideration of these premises and the mutual promises and agreements hereinafter set forth, the parties hereby agree as follows:

1. Care and Custody. County agrees to provide complete care and custody of up to 230 State Offenders daily, for the Term of this Agreement and in accordance with all applicable state and federal laws, rules, and regulations. Without limiting the generality of the foregoing, the County specifically agrees that no State Offender labor shall benefit private persons or corporations.

2. Recording Offender Movement in SCRIBE. The county agrees to record any and all movement of State Offenders transferred in and out of the County facility by entering the movement in Department's SCRIBE system on the same day the movement occurs. Movements that are not entered in SCRIBE on the day the movement occurs will not show as an adjustment and result in an inaccurate daily count. The County is solely responsible for implementing procedures to ensure that SCRIBE entries are made accurately and in a timely manner. County is responsible for verifying the State Offender count and all movements in and out of the County facility in SCRIBE on a daily basis to ensure that the count is accurate. County understands that the count reflected in SCRIBE is the official count for purposes of calculating payment under this Agreement. Late documentation, lack of documentation, or inaccurate documentation may result in delayed payment or non-payment under this Agreement. The County agrees to grant Department access to County's records, documentation procedure, and personnel for purposes of auditing SCRIBE entries and verifying State Offender count at any time upon Department's request.

3. Notification of Medical Treatment. The County shall notify Department of any State

Offender that the County transfers to a hospital for treatment that will require an overnight stay or for whom treatment is likely to cost in excess of One Thousand Dollars (\$1,000.00). Said notification shall be provided via telephone contact within Twenty-Four (24) hours of offender being admitted for treatment on an outpatient or inpatient basis. County shall notify Department pursuant to this paragraph by calling the Department's "On Call Utilization Management Nurse" at 404-863-3079 at any time of day or night.

4. Employee or Offender Misconduct. The County agrees that it will notify the Department within ten (10) business days after terminating an employee of the County correctional institution for misconduct or of the resignation of any employee in connection with an allegation or investigation of misconduct. The County further agrees that it will notify the Department within ten (10) business days if it, one of its employees, or any other law enforcement officer, secures a criminal warrant for the arrest or otherwise pursues the prosecution of an offender being housed at the County CI for criminal conduct allegedly committed at the County CI. The County agrees that it will not hire any employee terminated by the Department for misconduct or who resigns from the Department in connection with an allegation or investigation of misconduct.

5. Compensation. Department agrees to pay County the sum of Thirty Dollars (\$30.00) per State Offender per day for the duration of this Agreement. The County agrees that upon receipt of documentation from the Department showing inmate dates and total amount of payment, the County shall validate the accuracy of the documentation in a manner as prescribed by the Department and return the validation of the same to the Business Management Unit within seven (7) business days of receiving the documentation. The Department shall endeavor to pay County for Services within Forty-Five (45) days of invoice receipt in the approved form. County acknowledges and agrees that the Commissioner of Corrections shall have sole authority with respect to the transfer of State Offenders to and from the County correctional institution and Department shall not incur charges for State Offenders not under the care and custody of County. A State Offender is not under the care and custody of County when; a State Offender is not housed at the County facility, State Offender is out to court, or when a State Offender is sent to a Department facility for medical or mental health evaluation.

6. Term of Agreement. The term of this Agreement shall be from July 1, 2026 until 11:59 p.m. on June 30, 2027 (the "Term"). The Parties may, by mutual agreement in writing, extend the Term for additional time periods.

7. Termination. Department may at any time and for any reason terminate this Agreement by providing written notice in advance of such termination to County. In the event of termination under this paragraph, the Department shall pay the County for Services performed prior to the effective date of termination; provided, however, that payments otherwise due to the County may be applied by the Department against amounts due or claimed to be due to the Department. If the County fails to comply with the provisions of this Agreement, the Department may terminate this Agreement for cause and without notice. If termination is for cause, payments may be withheld by the Department on account of the Services being deemed deficient and not remedied by the County prior to the effective date of termination. The County shall be liable to the Department for any

additional cost incurred by the Department as a result of deficiencies in the Services to be provided hereunder.

8. Prison Rape Elimination Act. The County agrees that it will adopt and comply with 28 C.F.R. 115, entitled the Prison Rape Elimination Act ("PREA"). As required in 28 C.F.R. 155.12, The County further agrees to cooperate with the Department in any audit, inspection, or investigation by the Department or other entity relating to the County's compliance with PREA. The Department shall monitor the County's compliance with PREA and shall have the right to inspect any documents or records relating to such audit, inspection or investigation, and the County will provide such documents or records at the Department's request. The County acknowledges that any violation of PREA is a material breach of this Agreement, is cause for termination of this Agreement and may lead to administrative and criminal sanctions. The County shall acknowledge in writing that the Department has advised the County of these matters.

9. Notices. Any notice under this Agreement, other than those referenced in Paragraph 3, "Notification of Medical Treatment," shall be deemed duly given if delivered by hand (against receipt) or if sent by registered or certified mail, return receipt requested, to a Party hereto at the address set forth below or to such other address as the Parties may designate by notice from time to time in accordance with this Agreement.

10. Reimbursement of Medical Costs.

- a. The Department agrees to reimburse the County for certain costs of medical services required for medical conditions which: (1) pose an immediate threat to life or limb, and (2) occur under circumstances in which the State Offender cannot reasonably be placed in a state institution for the receipt of this care ("Emergency Medical Services"). The Department's obligation to reimburse County for the cost of any medical services, to include Emergency Medical Services, arises only when the cost per State Offender per incident exceeds One Thousand Dollars (\$1,000.00), and Department shall only be liable for the amount in excess of One Thousand Dollars (\$1,000.00), subject to the limitations of this paragraph and other applicable laws and regulations.
- b. The County agrees to invoice the Department monthly for the actual cost of Emergency Medical Services paid by the County. If there existed any rate agreement between the County and the hospital or hospital authority at the time Emergency Medical Services were rendered, the invoice must reflect such rate. All invoices from the County must include an invoice or receipt from the hospital that clearly shows the actual cost of Emergency Medical Services paid by the County.
- c. The Department is not liable to the County for any late fees or charges imposed by the hospital, hospital authority (collectively, "Late Fees"), or other service provider, for late or nonpayment by the County. The County agrees to exclude Late Fees from its invoices to the Department.
- d. If the Department reasonably determines that there is a difference between the actual cost incurred by the County and the invoice sent to the Department, the Department may assess an administrative fee of one-half (1/2) of the difference to cover the administrative costs incurred by the Department. The Department shall send the County written notice of any administrative fees, and the County shall have Thirty (30) days to make payment or to dispute the fee in writing. If the County does not make payment of undisputed administrative fees by the due date, the Department is entitled to a setoff of the same amount against future payments owing to the County.
- e. Pursuant to O.C.G.A. § 42-5-2(c), the Department shall reimburse the County no more than the applicable Georgia Medicaid Rate for Emergency Medical Services provided to a State Offender by a hospital, hospital authority, or other service provider. The Department shall not be liable to the County for any amount paid by the County to a hospital, hospital authority, or other service provider, in excess of the Medicaid Rate for emergency services provided to a State Offender.

11. Entire Agreement. This Agreement constitutes the entire agreement and understanding between the parties hereto and replaces, cancels and supersedes any prior agreements and understandings relating to the subject matter hereof, and all prior representations, agreements, understandings and undertakings between the parties

hereto with respect to the subject matter hereof are merged herein.

12. Sole Benefit. The Department and the County enter into this Agreement for their sole benefit. The Department and the County do not intend to give any rights pursuant to this Agreement to any other parties.

13. Choice of Law and Venue. The Contract shall be governed in all respects by the laws of the State of Georgia. Any lawsuit or other action brought against the Department and the State based upon or arising from this Agreement shall be brought in the Superior Court of Fulton County, Georgia.

14. Amendment. The Parties recognize and agree that it may be necessary or convenient for the Parties to amend this Agreement, and the Parties agree to cooperate fully in connection with such amendments if and as necessary. However, no change, modification or amendment to this Agreement shall be effective unless the same is reduced to writing and signed by the Parties.

15. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be an original but all of which shall constitute one agreement. No Party shall be bound by this Agreement until all Parties have executed it.

IN WITNESS WHEREOF, the parties have caused the authorized representatives of each to execute this Agreement on the day and year first above written.

Subject: Probate Court File Storage

Thank you for your interest in our products and services. We are pleased to present a proposal for replacing your existing Lektriever vertical filing carousels.

Please note that our marketing team has changed the name of the machine from Lektriever to Megamat. Rest assured, it is still the same machine, just with a new name.

As discussed in our meeting, we are offering three (3) filing carousels of a similar size to those currently in use in your office. The dimensions of these carousels are 103.54" W x 47.32" D x 95.46" H. Our plan is to replace the two VCs that are farthest from the Judge's office with two of the new units and place the third carousel across from the existing carousels, facing away from the Judge's office. This third VC will be situated between the wall corner and a column, facing the four machines in the center of the room. The three carousels that face each other will be equipped with a fold-down posting board (shelf) to gain additional clearance.

For the other two carousels to be replaced, we are offering a larger carousel that provides additional storage. This extra-wide carousel is 25" wider and offers an additional 350 Linear Filing Inches (LFI) per carousel, which is equivalent to 14 file drawers of storage or 3.5 four-drawer cabinets. Using these extra-wide carousels will reduce the space from the right side of the carousels to the cubicle wall to 35 inches. This reduction in clearance will need to be approved by your safety and facilities teams to ensure compliance with building requirements.

We have prepared a sketch of the new layout for your review. Please note that this is not a scaled drawing of the room and equipment. If you would like a scaled drawing, just let us know, and we will provide one.

We also address potential tariff charges that may apply to your purchase. As this is a variable situation, if a tariff surcharge does apply, we will only charge you for the actual costs incurred. The average tariff charge for our Megamat VCs are shown in the pricing page for your project planning information. We are working to source as many components as possible from within the U.S. to help mitigate the impact of tariffs; however, much of the carousel still needs to be sourced from our factory in Bellheim, Germany.

Below is a summary of the proposed Vertical Carousels (VCs), along with detailed specifications and pricing included further in this proposal.

Product Overview

Vertical Carousel

The Principle

Paper records, files, stationery, CD/DVD, credit cards, library, and X-ray; light industrial applications, sample vials, artifacts, valuables collectors' items, guns, sports equipment, check books, certificates and licenses... we understand that companies have to contend with an ever-widening range of media. That's why we've developed solutions to suit any of these applications, which will save space, improve security and productivity, comply with the latest legislation, deliver a greener office environment and save you money.

The Megamat Vertical Carousel is designed with shelves or drawers that rotate up or down via the shortest path, automatically delivering stored items to an operator at an ergonomically positioned pick window. Each unit is compatible with an entire suite of software and controls or can be used as a standalone solution.

The Vertical Carousel Unit provides:

- Reduced Labor Costs
- Increased Retrieval Speeds
- Increased Space Utilization
- Increased Control
- Increased Ergonomics

Standard Features:

Mechanical Sliding Door

As standard our units include a self-counterbalancing, lockable dual panel sliding door, easy to open and close and protects stored goods from dust and unauthorized access. In addition the upper and lower panels of the access opening act as a mechanical security switches. In case of contact, the security circuit is activated affecting an intermediate stop of the unit operation.

Emergency Hand Crank

A method of manually rotating the carriers (without power if necessary) is available by use of a hand crank. If during hand crank operation power is returned to the unit, it shall remain non-operational by means of a micro switch interrupt caused by the hand crank attachment.

Standard Safety Features

All units include a safety systems witch continually monitors the proper operation of the unit. Maximum safety stopping distance is $\pm 0.59"$. I

ncludes:

- Two Emergency Stop Button's
- Mechanical Safety Bars (an integral part of the door assembly)
- Infra-red Photocells (2 sets)
- Safety Switches for Lower Front Access Panel, Hand Crank, Opening & Overheating Motor
- Micro Switch Interrupts To:
 1. Prevent unit operation if the door is not completely open
 2. Prevent unit operation if maintenance access panel is not secure
 3. Prevent unit operation if hand crank is in place
- Emergency Service Switch: The emergency service switch is used to operate the unit if there is a failure on the electronic control/keyboard, until the failure is corrected.

Safety Light Curtain

Both left hand and right hand sides of the access opening area feature a safety light curtain that brings the drive to a standstill immediately if anything or anyone should break the light curtain. The light curtain also prevents the stored goods from being damaged if they happen to protrude out of the storage space.

Software

Unit Control Software

T-O Keyboard in Work Counter

The T-O control offers:

- Up & Down Keys for Manual rotation (carrier Selection)
- 3-Digit LED Shelf Level Display
- Numeric Keypad for Carrier
- Selection via Shortest Route
- Programmable Carrier Offset
- Start/Restart, Stop Interrupt Buttons

All above pricing is good for 60 days.

Prices and terms are not subject to verbal changes unless approved in writing by the seller.

Should the buyer cancel before completion, he will assume responsibility for all work performed prior to receipt of written cancellation.

Terms inconsistent with those stated therein which may appear on the purchaser's formal order will not be binding to the seller.

Please see our full terms and conditions in the Appendix section for more details.

TAXES

The prices given do not include any Federal, State, or local taxes based upon or measured by sales or use. Taxes in effect at the time of shipment will be billed separately and will be due and payable within thirty (30) days of shipment.

GOVERNMENT IMPOSED TARIFFS

On April 3, 2025, the US Government implemented tariffs that will increase the landed cost of Kardex Remstar products. The newly imposed tariffs will impact all products manufactured in Germany. These tariffs are collected upon entry into the United States.

However difficult, these unprecedented government-imposed tariffs constitute circumstances beyond our control and necessitate an additional fee for the tariff cost in order to maintain our quality standards and service levels. Due to these circumstances beyond our control, Kardex Remstar will be adding a tariff adjustment to any final invoices for new equipment and spare parts.

Each order will be subject to the prevailing government tariff at time of entry into the United States. We will continue to monitor developments regarding these tariffs, and should the situation change, Kardex Remstar will make the appropriate adjustments as needed. If a tariff is not charged on your goods by the US Government a tariff adjustment **WILL NOT** be made on any invoicing.

We value your continued partnership and appreciate your understanding as we navigate the evolving economic landscape.

¹Delivery Delays:

1. If Kardex has not undertaken to install the product, the full purchase price is payable 30 days after supply and invoicing.
2. If a customer cannot take delivery of equipment within two weeks of their confirmed scheduled delivery date Kardex will store the equipment at an added charge of \$900 per month/per machine (unit) and will not be prorated per month for a maximum of 3 months.
3. After 3 months maximum of storage, the full order will be required to ship to a local customer owned storage facility and be stored at the customers expense and the customer will be invoiced accordingly.

²Substantial completion is considered as the following:

1. For a single unit equipment installation, substantial completion is equipment delivered and installed and/or awaiting final power hookups by a customer or other delays by customer that are out of Kardex's control and preventing final completion.
2. For a multi unit equipment installation, substantial completion is at least 75% of the equipment installed and/or awaiting final power hookups by a customer or other delays by customer that are out of Kardex's control and preventing final completion.
3. For projects involving software installations, substantial completion is at least 75% of the software installation complete including any remote work or onsite time but still awaiting final customer training or interfacing by a customer including other delays by customer that are out of Kardex's control and preventing final completion.
4. In the event of substantial completion Kardex will give 30 days notice to the customer to remedy the delays before invoicing for the final 10% payment.

Warranty Program

Lektriever Electric Lateral File Vertical Carousel

Kardex Remstar warrants all new Lektriever Electric Lateral Files to be free from defects caused by substandard material or inferior workmanship. This liability is limited to the obligation to repair, or at Kardex Remstar's discretion, replace without charge any part found to be defective under normal wear and tear within two (2) years from the commencement of this warranty. The warranty period begins upon completion of installation, or within four (4) weeks of the originally scheduled delivery date of equipment, whichever date is first.

For an additional cost, Kardex Remstar offers an optional Extended Warranty on its vertical carousels. Lektriever Electric Lateral Files are eligible for up to five (5) total years of warranty (the standard two years plus three additional years of coverage). The extended warranty period is subject to the same terms covering inclusions, exclusions, invalidations, payment policies, and geographical scope that exist for the standard warranty period.

Kardex Remstar warranty coverage, both standard and extended, is contingent upon the complete performance of scheduled maintenance on the equipment. Scheduled maintenance must be performed at minimum biannually, including during the first two years, by Kardex Remstar Certified Technicians, and performance of that scheduled maintenance must be reported to Kardex Remstar promptly via your local Kardex Remstar dealer. For more information on extended warranty coverage, including the associated costs, please contact your Kardex Remstar dealer.

Lifetime Motor Warranty

Under the terms of the warranty, Kardex Remstar will replace free of charge any vertical carousel drive motor that fails while using standard maintenance and operating conditions for the life of the carousel providing scheduled maintenance is completed biannually. To confirm that your machine meets these requirements, contact Kardex Remstar's Warranty Administrator.

Extent of Coverage

This warranty pertains to all Kardex Remstar Lektriever Electric Lateral Files. This warranty is limited to the original purchaser of equipment and is not transferable.

Invalidation

This warranty will be invalidated if any of the following occur:

1. The Kardex Remstar unit is operated outside the recommended parameters as specified in the operations manual and on the machine data plate.
2. The unit is modified in any way which is not authorized in writing by Kardex Remstar prior to the modification.
3. Scheduled maintenance is not carried out at least biannually (or as recommended by Kardex Remstar for individual application) by Kardex Remstar Certified Technicians.
4. Any installation, service, relocation or other work is performed by anyone other than Kardex Remstar Certified Technicians.*
5. Scheduled Maintenance Checklist is not reported to Kardex Remstar within thirty (30) days of performance of scheduled maintenance.
6. The conveyor chains of the vertical carousel are not re-tightened within five (5) days of machine loading.

Exclusions

The following are not covered under the scope of the warranty:

1. The replacement of fuses.
2. The replacement of fluorescent or LED bulbs.
3. Ancillary equipment supplied by others, or damage caused by such equipment.
4. The replacement of lost, damaged, or broken keys.
5. Routine adjustments (e.g., photocells, microswitches, reinitialization of controls, belt/chain tensioning).
6. Damage or intermittent failure caused by connection to incorrect power supplies.
7. Damage caused by improper storage of materials within equipment.
8. Removal of obstructions internal or external to the unit (e.g., conveyors, dropped ceilings, computer floors).
9. Repairs necessitated by abuse, negligent care, deliberate damage, accident, fire, flood, power supply surges, riots, war, or acts of God.
10. Consequential damages.**

Geographical Scope

This warranty covers all 48 contiguous states, and Washington, D.C., and Canada. In Alaska, Hawaii, Puerto Rico and other worldwide locations, the warranty is the same, except that the warrantee is responsible for payment of the service technician's time and travel expenses to and from the nearest Kardex Remstar authorized service center, the cost of parts shipment and handling, and associated duties and customs fees.

The warranty is expressly in lieu of all other warranties, expressed or implied (including but not limited to the implied warranties of merchantability or fitness) and constitutes all of Kardex Remstar's liability in respect to its equipment.

* While Kardex Remstar maintenance training classes are available to its customers for a fee, scheduled maintenance, if performed by Customer technicians for the purpose of maintaining the standard or extended warranty, must be done under the direct supervision of a Kardex Remstar Certified Dealer Technician. Timely filing of the scheduled maintenance online form to Kardex Remstar is in this case the responsibility of the supervising Dealer, not the Customer. The supervising Dealer is responsible for costs associated with any repairs that result from improper, incomplete, or untimely scheduled maintenance, for the balance of the warranty period.

** Some states do not allow the exclusion or limitation of incidental or consequential damage, so the above limitation or exclusion may not apply to the warranty. This warranty gives you specific legal rights and you may also have other rights which may vary from state to state. To know what your legal rights are in your state, consult your statutes.
