New Program – After the Fire Booklet

Department:	Fire
Presenter:	Antonio Burden, Fire Chief/EMA Director
Caption:	To inform the Governing Body about the implementation of the “After the Fire” Booklet Program.
Background:	Experiencing a residential fire is a traumatic and disorienting event. In the immediate aftermath, victims are often overwhelmed and unsure of the necessary steps to take, from securing their property to navigating insurance claims and accessing support services. Currently, there is a gap in providing centralized, easy-to-understand resource that addresses these critical needs.
Analysis:	The “After the Fire” Booklet Program aims to bridge this gap by equipping fire victims with a comprehensive guide that offers practical, actionable information during a highly stressful period. This initiative aligns with the County’s commitment to public safety and community well-being, providing a tangible resource to assist residents in their recovery process. The “After the Fire” Booklet is a concise, user-friendly guide that will be distributed by fire personnel on-scene immediately following a residential fire incident. The booklet will contain vital information and resources. Experiencing a fire can be traumatic. Even if no one is physically hurt, losing your home or possessions is deeply painful. Please know that the Augusta Fire Department stands with you during this difficult time.

(a) Upon receiving a report of a dog believed to be subject to classification as a potentially dangerous, dangerous, or vicious dog the animal control officer shall make such investigations as necessary to determine whether such dog is subject to classification as a potentially dangerous, dangerous, or vicious dog.

(b) If the animal control officer believes that a dog poses a threat to public safety, the dog may be immediately impounded and the dog owner shall be responsible for all costs resulting from such impoundment.

(c) When an animal control officer determines that a dog is subject to classification as a dangerous dog or vicious dog, the animal control officer shall mail a dated notice to the dog's owner within (72) hours. Such notice shall include a summary of the animal control officer's determination and shall state that the owner has a right to request a hearing from the authority or probate court on the animal control officer's determination. A hearing request must be provided to the Animal Services Department within seven (7) days after the date shown on the notice. The notice shall also provide a form for requesting the hearing and shall state that if a hearing is not requested within the allotted time, the animal control officer's determination shall become effective for all purposes. If an owner cannot be located within ten (10) days of a dog control officer's determination that a dog is subject to classification as a dangerous dog or vicious dog, such dog may be released to an animal shelter or humanely euthanized, as determined by the dog control officer.

(d) When a hearing is requested by a dog owner in accordance with subsection (c) of this section, such hearing shall be scheduled within (30) days after the request is received; provided, however, that such hearing may be continued by the authority or probate court for good cause shown. At least ten (10) days prior to the hearing, the authority or probate court conducting the hearing shall mail to the dog owner written notice of the date, time, and place of the hearing. At the hearing, the dog owner shall be given the opportunity to testify and present evidence and the authority conducting the hearing shall receive other evidence and testimony as may be reasonably necessary to sustain, modify, or overrule the animal control officer's determination.

If such determination is that the dog is a dangerous dog or a vicious dog, the notice of classification shall specify the date upon which that determination shall be effective. If the determination is that the dog is to be euthanized, the notice shall specify the date by which the euthanasia shall occur.

(f) Judicial review of the authority's final decision may be had in accordance with applicable law.

(g) Any dog that is found, by its owner's plea of guilty or "no contest" or conviction by trial, to have violated this ordinance, shall be deemed a potentially dangerous dog. Furthermore, a court, by order as a result of a plea or conviction to a violation of law related to the dog, may order the designation of a dog to be potentially dangerous, dangerous, or vicious.

(h) When an animal control officer determines that a dog is subject to classification as a potentially dangerous dog, the animal control officer shall provide the owner notice of such designation in writing. The owner of a potentially dangerous dog has a right to request a hearing

from the authority or probate court on the animal control officer's determination. A hearing request must be provided to the Animal Services Department in writing within seven (7) days after the written notice is received by the owner.

(i) Regardless of any other provision of this chapter, if during any investigation of a violation of this chapter the dog control officer or his agent determines that, by a preponderance of the evidence, a dog has bitten a person, that dog shall be immediately impounded by the dog control officer. (b) No person shall vaccinate dogs or cats against rabies who is not licensed to practice veterinary medicine.

Sec. 4-1-15. Evidence of vaccination.

The certificates of vaccination furnished to the Richmond County health department shall be maintained in an orderly indexed file for a period of not less than three (3) years.

(b) *Vaccination tags.* Coincident with the issuance of the certificate of vaccination, the person authorized to furnish the certificate shall also furnish to the owner of the vaccinated dog or cat a serially numbered tag bearing the same number as the certificate and the year thereon to be attached to the collar or harness worn by the dog or cat for which the certificate has been issued.

(c) *Where three-year vaccine used.* When the animals have been vaccinated with a three-year rabies vaccine, the director may issue or cause to be issued an annual certificate of vaccination and a rabies vaccination tag each year for the two (2) additional years of the three-year vaccination period provided the Richmond County health department's file copy of the certificate of vaccination shows that the animals have been given a three-year rabies vaccine; in the event the Richmond County health department's file copy of the certificate of vaccination is unavailable, the owner's copy or the veterinarian's copy of same may be substituted therefor.

(b) It shall be the duty of each dog owner to provide a collar with identification as provided herein and inoculation tag for each animal, except when such animal is within the immediate physical control of the owner.

(c) It shall be unlawful for any person to remove a collar from any animal without the consent of its owner, unless that animal is under the control of the animal services department.

(d) Any animal shipped or transported through or entering Augusta only for the purpose of a temporary stay not to exceed thirty (30) days, shall be exempt from collar and tag sections of this article. However, all other provisions of federal, state, and local laws are applicable to such transient animals.

Sec. 4-1-17. Unauthorized attachment and removal of tags, collars.

It shall be unlawful for any person to attach a vaccination tag to any dog for which it was not issued. It shall be unlawful to remove a vaccination tag or collar from a dog without the consent of its owner.

Sec. 4-1-18. Duty of owner to keep dog and cat under control; stray animals prohibited.

(a) It shall be unlawful for any animal to be out of control and/or unattended regardless of its location. It shall be unlawful for any animal to be out of control and/or unattended off the premises of its owner, and/or upon the premises of another person without the permission of such other person. This section shall not apply to community cats, to those dogs which are actively engaged in hunting or field trials, dogs in off-leash dog parks or to those dogs and cats which are participating in animal shows or exhibitions. It shall be unlawful for any animal to be running at large or straying.

(b) An animal is considered not under restraint or under immediate control when it is running at large, whether wearing a collar and tag or not. Reasonable care and precautions shall be taken to prevent the animal from leaving the real property limits of its owner, possessor, or custodian, and to ensure that:

(1) It is securely and humanely enclosed within a house, building, fence, pen or other enclosure out of which it cannot climb, dig, jump, or otherwise escape on its own volition, and that such enclosure is securely locked at any time the animal is left unattended; or

(2) It is on a leash and under the immediate control of an owner, or it is off leash and obedient to and under voice command of the owner who is in the immediate proximity of the animal any time it is not restrained as provided for in subsection (1) while on the owner's property. Vicious dogs, dangerous dogs, and potentially dangerous dogs require immediate close physical adult supervision at all times when not enclosed.

(c) The owner or custodian exercising care and control over any animal which while off the owner's or custodian's property causes injury, death, or damage directly or indirectly to any livestock, poultry, or pet animal shall be liable to the owner of such livestock, poultry, or pet animal for injury, death, or damage caused by said animal. The owner or custodian of said animal shall be liable for any damage caused by such animal to public or private property. The liability of the owner or custodian of the animal shall include consequential damages.

(d) This section is to be considered cumulative of other remedies provided by law. There is no intent to eliminate or limit other causes of action which might attach to the owner of any livestock, poultry, or pet animal.

(e) In the interest of reducing the outside cat population and the admission and euthanasia rates at the municipal shelter, Augusta, Georgia is not required to impound community cats. At the discretion of the Augusta Animal Control Department, community cats may be impounded, released, returned to the location where they were trapped, or transferred to another organization.

Sec. 4-1-19. Dogs on public streets to be on leash, etc.

It shall be unlawful for any dog to be upon the public streets, except on a leash and accompanied by an individual, or except when enclosed within a vehicle, cage, carton, crate, box or other suitable container to prevent escape.

Sec. 4-1-20. Impounding dogs and cats at large.

Any animal found stray or running at shall be seized by Animal Control. An animal with an immediately identifiable owner may be returned directly to the owner without impounding at the Animal Control officer's discretion. Community cats may be released, returned to the location where were trapped, adopted out, transferred to another organization, or disposed of in the appropriate manner pursuant to the discretion of Animal Control.

Sec. 4-1-21. Impounding dogs and cats where owner unknown.

In the event the owner of a dog or cat is not known and such animal is stray or running at large, any law enforcement officer or agent or employee duly authorized by Animal Control shall be authorized to take possession of such dog or cat and impound it in Augusta-Richmond County Animal Control Department shelter for detention, control and disposition as provided in this Article.

Sec. 4-1-22. Disposition of impounded animals.

(a) It shall be the duty of the Augusta Animal Services Department officers to seize and impound any animal that is a threat to the safety and welfare of the general public, including but not limited to animals that display any sign of rabies; dangerous, vicious, or potentially dangerous dogs that are not in compliance with this chapter; any abandoned, stray, or running-at-large animal; any female dog while in estrus not confined within an enclosure which can reasonably be expected to keep away or not attract male dogs; and any prohibited animal.

(b) Animal Control shall charge reasonable fees and costs to the owner of any impound. The personnel of the Animal Control shall not return to the owner any animal impounded until such time as all fees and charges assessed have been paid. Animal Control shall in writing clearly state (a) the charges and fees assessed for any impound (b) the deadline for which such charges and fees must be paid and (c) that the failure to pay the assessed charges and fees by the deadline shall be considered an implicit surrender of the animal. If the charges and fees are not paid by the deadline, Animal Control shall be considered the owner of the animal for all purposes. Animal Control may waive the charges and fees upon good cause shown.

(c) Impounded dogs and cats will be vaccinated for rabies if no proof of current vaccination exists at the owner's expense.

(d) Any impounded animal must be claimed within three (3) days, except Sundays, of impoundment. Claiming may include, but is not limited to, travelling to the animal's location, paying any outstanding charges or fees, and transporting the animal away from Animal Control's control. Failure of the owner to claim the animal or enter into a binding agreement for the animal with Animal Control within three (3) days shall be considered surrendering the animal to Animal

Control, in which event all rights of ownership shall vest in Augusta, Georgia and the owner shall have no legal rights to the animal. Nothing in this subsection shall prohibit Animal Control at its discretion from transferring all legal rights of an animal back to the owner after the claim period has expired.

(e) Animal Control shall attempt to contact the owner of any impounded animal using microchip technology, animal collar and tags, rabies shot records, and any other sources such as neighbors and neighborhood contacts.

(f) Augusta, Georgia shall have the exclusive right to transfer, adopt out, or dispose of all animals that have been surrendered in accordance with this chapter.

(g) Any dog or cat that is impounded on a second or subsequent occasion shall be sterilized prior to being claimed, released, or adopted out. An owner of a dog or cat that must be spayed or neutered pursuant to this subsection shall pay all charges and fees related to the procedure prior to the animal being released from Animal Control. The sterilization and/or charges required by this subsection may be waived by Animal Control upon good cause shown. Refusal or failure to pay the sterilization charges and fees shall result in the surrender of the animal to Animal Control. The responsibility for retaining a qualified veterinarian or veterinarian technician to perform the sterilization shall rest on the owner.

(h) No animal shall be released, adopted out, or transferred to another organization, from the custody of Animal Control, without microchipping. All charges and fees shall be at the owner's expense. This subsection may be waived upon good cause shown.

(i) Any sexually immature animal, such as litters of kittens or puppies, shall be considered surrendered to Animal Control upon impound. Sexually immature animals shall be considered animals judged to be younger than one-hundred eighty (180) days or six (6) months. This subsection is specifically found to be important due to the importance of disease control within extremely short times frames for diseases that are particular to younger animals, such as parvovirus, distemper, FVR, and parasites, that can pose a danger to other animals in Animal Control custody.

Sec. 4-1-23. Abandonment.

It shall be unlawful to abandon an animal, including but not limited to: (a) Releasing an animal without the explicit intention to regain control of the animal within a reasonable amount of time; or (b) Failing to bring an animal to a new residence when changing residences, such as during move-outs or evictions. The indicated renter(s), deedholder(s), or leaseholder(s) on the lease or deed in the prior residence shall be presumed to be the owner(s) of the abandoned animal. Any cost, including hours spent as prorated salary of the involved Animal Control agents, incurred by Augusta, Georgia in the management and disposition of the abandoned animal shall be repaid by the owner, either as restitution, as part of probation, or in any other way to reclaim a civil debt. It shall not be considered abandonment to surrender an animal to Animal Control.

Sec. 4-1-24. Cruelty to animals.

(a) *Prohibited acts.* No person shall, by his act, omission or neglect, cause unjustifiable physical pain, suffering or death to any living animal. This section does not apply to killing of animals raised for the purpose of providing food, nor does it apply to any person who hunts wild animals in compliance with the fish and game laws of this state. Killing or injuring an animal for humane purposes or in the furtherance of medical or scientific research is justifiable.

- (c) Any animal impounded as a result of cruelty, abuse, neglect, or any other reason defined by OCGA § 16-12-4 or by this chapter as inhumane treatment may be retained by Augusta Animal Services until such time as the case is disposed of by the judge of any court of competent jurisdiction within the state capable of hearing the matter.
- (d) *Physical abuse.* It is unlawful for any person to willfully or maliciously kill; maim; disfigure; torture; beat with a stick, chain, club or other object; mutilate, burn or scald with any substance; drive over or otherwise cruelly set upon any animal; except that reasonable force may be employed to drive off vicious or trespassing animals.
- (e) *Failure to care for and maintain.* It is unlawful for any person to fail, refuse or neglect to provide any animal in his charge or custody, as owner, with proper food, water, shelter, care, welfare, or reasonable veterinary care. Any animal habitually kept outside shall be provided with a structurally sound, weatherproof enclosure, large enough to accommodate the animal and which meets all requirements established by the Richmond County Health Department guidelines regarding same. Veterinary care means medical care of an animal from or under the direction of a veterinarian and necessary to maintain the health of an animal based on the age, species, breed, etc., of the animal, or to prevent the animal from suffering from; infection, infestation, disease; or any other medical condition/injury where withholding or neglecting to provide such care would endanger the health or welfare of the animal or promote the spread of communicable disease.
- (f) No animal shall be transported in the trunk of a vehicle or under a pick up truck's bed cover or "low profile" cover.
- (g) *Authority of animal services department in case of animal neglect.* Whenever the Animal Services department finds that any animal is or will be without proper care because of injury, illness, incarceration or other voluntary absence of the owner or person responsible for the care of such animal, the Animal Services department may pick up such animal for protective care; and in the event of sickness or injury, the Animal Services department may take such action as called for to prevent undue pain and suffering, including immediate destruction of the animal. In the event such animal is later released to its owner, in the discretion of the Director of Animal Services or his or her designee, said owner shall be required to reimburse the Animal Services Department for any expenses incurred in taking any action to care for said animal.

Sec. 4-1-25. Permitting female dog in heat to roam free.

All female dogs in heat shall be restrained such that they cannot roam or run free beyond the limits of the property of their owners. It shall be unlawful for the owner or person responsible for the care of such animal not to so restrict or confine said female dog.

Sec. 4-1-26. Disposal of dead animals.

- (a) It shall be unlawful for any person who owns or is caring for an animal which has died or has been killed to abandon the dead animal. Such person shall dispose of the dead animal as provided for in this Code Section or in accordance with Federal or state law. Dead animals shall not be abandoned in wells, open pits, or surface waters of any kind on private or public land.
- (b) No person shall dispose of a dead animal on the land of another without the permission of the owner of the land.
- (c) Dead animals must be properly buried, incinerated, or disposed of at the Augusta Deans Bridge Road Municipal Solid Waste Landfill.

(d) It shall be unlawful for the owner of any dead animal carcass to allow the same to remain on the property without disposing of same as provided for herein. If any such owner violates this section, the Commission, through its agents and employees, shall proceed to remove and dispose of such dead animal carcass, and the owner shall be liable for repayment of all fees for such removal and disposal.

(e) Dead livestock, including horses, cattle and any other large animals must be disposed of by the animal owner or property owner at the Augusta Deans Bridge Road Municipal Solid Waste Landfill. All expenses associated with disposal shall be the responsibility of the animal owner or property owner.

(f) Methods which can be used for disposal of dead animals are burial, incineration in an approved incinerator, or disposed of at the Augusta Deans Bridge Road Municipal Solid Waste Landfill. Disposal of animal carcasses by either of the approved methods must be completed within (12) hours after death or discovery. If incineration is chosen, the entire carcass must be reduced to ashes in the incineration process. Carcasses which are buried must be buried at least three feet below the ground level, have not less than three feet of earth over the carcass, and must not contaminate ground water or surface water.

**INTERGOVERNMENTAL AGREEMENT
BY AND BETWEEN
GEORGIA DEPARTMENT OF CORRECTIONS
AND
AUGUSTA GEORGIA
COUNTY CAPACITY**

THIS AGREEMENT is entered into the 1st day of July, 2025, by and between the GEORGIA DEPARTMENT OF CORRECTIONS, an agency of the State of Georgia (“Department”), and AUGUSTA GEORGIA, a political subdivision of the State of Georgia (“County”), acting by and through its Board of County Commissioners, referred to individually as “Party” or together as “Parties.”

WHEREAS, Department desires to contract with County for appropriate care and custody of certain offenders for which Department is responsible, (“State Offenders”); and

County desires to provide appropriate care and custody of State Offenders at a correctional institution operated by County (“Services”).

NOW, THEREFORE, in consideration of these premises and the mutual promises and agreements hereinafter set forth, the parties hereby agree as follows:

1. Care and Custody. County agrees to provide complete care and custody of up to 230 State Offenders daily, for the Term of this Agreement and in accordance with all applicable state and federal laws, rules, and regulations. Without limiting the generality of the foregoing, the County specifically agrees that no State Offender labor shall benefit private persons or corporations.

2. Recording Offender Movement in SCRIBE. The county agrees to record any and all movement of State Offenders transferred in and out of the County facility by entering the movement in Department’s SCRIBE system on the same day the movement occurs. Movements that are not entered in SCRIBE on the day the movement occurs will not show as an adjustment and result in an inaccurate daily count. The County is solely responsible for implementing procedures to ensure that SCRIBE entries are made accurately and in a timely manner. County is responsible for verifying the State Offender count and all movements in and out of the County facility in SCRIBE on a daily basis to ensure that the count is accurate. County understands that the count reflected in SCRIBE is the official count for purposes of calculating payment under this Agreement. Late documentation, lack of documentation, or inaccurate documentation may result in delayed payment or non-payment under this Agreement. The County agrees to grant Department access to County’s records, documentation procedure, and personnel for purposes of auditing SCRIBE entries and verifying State Offender count at any time upon Department’s request.

3. Notification of Medical Treatment. The County shall notify Department of any State

Offender that the County transfers to a hospital for treatment that will require an overnight stay or for whom treatment is likely to cost in excess of One Thousand Dollars (\$1,000.00). Said notification shall be provided via telephone contact within Twenty-Four (24) hours of offender being admitted for treatment on an outpatient or inpatient basis. County shall notify Department pursuant to this paragraph by calling the Department's "On Call Utilization Management Nurse" at 404-863-3079 at any time of day or night.

4. Employee or Offender Misconduct. The County agrees that it will notify the Department within ten (10) business days after terminating an employee of the County correctional institution for misconduct or of the resignation of any employee in connection with an allegation or investigation of misconduct. The County further agrees that it will notify the Department within ten (10) business days if it, one of its employees, or any other law enforcement officer, secures a criminal warrant for the arrest or otherwise pursues the prosecution of an offender being housed at the County CI for criminal conduct allegedly committed at the County CI. The County agrees that it will not hire any employee terminated by the Department for misconduct or who resigns from the Department in connection with an allegation or investigation of misconduct.

5. Compensation. Department agrees to pay County the sum of Thirty Dollars (\$30.00) per State Offender per day for the duration of this Agreement. The County agrees that upon receipt of documentation from the Department showing inmate dates and total amount of payment, the County shall validate the accuracy of the documentation in a manner as prescribed by the Department and return the validation of the same to the Business Management Unit within seven (7) business days of receiving the documentation. The Department shall endeavor to pay County for Services within Forty-Five (45) days of invoice receipt in the approved form. County acknowledges and agrees that the Commissioner of Corrections shall have sole authority with respect to the transfer of State Offenders to and from the County correctional institution and Department shall not incur charges for State Offenders not under the care and custody of County. A State Offender is not under the care and custody of County when; a State Offender is not housed at the County facility, State Offender is out to court, or when a State Offender is sent to a Department facility for medical or mental health evaluation.

6. Term of Agreement. The term of this Agreement shall be from July 1, 2025, until 11:59 p.m. on June 30, 2026 (the "Term"). The Parties may, by mutual agreement in writing, extend the Term for additional time periods.

7. Termination. Department may at any time and for any reason terminate this Agreement by providing written notice in advance of such termination to County. In the event of termination under this paragraph, the Department shall pay the County for Services performed prior to the effective date of termination; provided, however, that payments otherwise due to the County may be applied by the Department against amounts due or claimed to be due to the Department. If the County fails to comply with the provisions of this Agreement, the Department may terminate this Agreement for cause and without notice. If termination is for cause, payments may be withheld by the Department on account of the Services being deemed deficient and not remedied by the County prior to the

effective date of termination. The County shall be liable to the Department for any additional cost incurred by the Department as a result of deficiencies in the Services to be provided hereunder.

8. Prison Rape Elimination Act. The County agrees that it will adopt and comply with 28 C.F.R. 115, entitled the Prison Rape Elimination Act ("PREA"). As required in 28 C.F.R. 155.12, The County further agrees to cooperate with the Department in any audit, inspection, or investigation by the Department or other entity relating to the County's compliance with PREA. The Department shall monitor the County's compliance with PREA and shall have the right to inspect any documents or records relating to such audit, inspection or investigation, and the County will provide such documents or records at the Department's request. The County acknowledges that any violation of PREA is a material breach of this Agreement, is cause for termination of this Agreement and may lead to administrative and criminal sanctions. The County shall acknowledge in writing that the Department has advised the County of these matters.

9. Notices. Any notice under this Agreement, other than those referenced in Paragraph 3, "Notification of Medical Treatment," shall be deemed duly given if delivered by hand (against receipt) or if sent by registered or certified mail, return receipt requested, to a Party hereto at the address set forth below or to such other address as the Parties may designate by notice from time to time in accordance with this Agreement.

- a. The Department agrees to reimburse the County for certain costs of medical services required for medical conditions which: (1) pose an immediate threat to life or limb, and (2) occur under circumstances in which the State Offender cannot reasonably be placed in a state institution for the receipt of this care ("Emergency Medical Services"). The Department's obligation to reimburse County for the cost of any medical services, to include Emergency Medical Services, arises only when the cost per State Offender per incident exceeds One Thousand Dollars (\$1,000.00), and Department shall only be liable for the amount in excess of One Thousand Dollars (\$1,000.00), subject to the limitations of this paragraph and other applicable laws and regulations.

 - c. The Department is not liable to the County for any late fees or charges imposed by the hospital, hospital authority (collectively, "Late Fees"), or other service provider, for late or nonpayment by the County. The County agrees to exclude Late Fees from its invoices to the Department.
 - d. If the Department reasonably determines that there is a difference between the actual cost incurred by the County and the invoice sent to the Department, the Department may assess an administrative fee of one-half (1/2) of the difference to cover the administrative costs incurred by the Department. The Department shall send the County written notice of any administrative fees, and the County shall have Thirty (30) days to make payment or to dispute the fee in writing. If the County does not make payment of undisputed administrative fees by the due date, the Department is entitled to a setoff of the same amount against future payments owing to the County.
 - e. Pursuant to O.C.G.A. § 42-5-2(c), the Department shall reimburse the County no more than the applicable Georgia Medicaid Rate for Emergency Medical Services provided to a State Offender by a hospital, hospital authority, or other service provider. The Department shall not be liable to the County for any amount paid by the County to a hospital, hospital authority, or other service provider, in excess of the Medicaid Rate for emergency services provided to a State Offender.
11. Entire Agreement. This Agreement constitutes the entire agreement and understanding between the parties hereto and replaces, cancels and supersedes any

prior agreements and understandings relating to the subject matter hereof, and all prior representations, agreements, understandings and undertakings between the parties hereto with respect to the subject matter hereof are merged herein.

12. Sole Benefit. The Department and the County enter into this Agreement for their sole benefit. The Department and the County do not intend to give any rights pursuant to this Agreement to any other parties.

13. Choice of Law and Venue. The Contract shall be governed in all respects by the laws of the State of Georgia. Any lawsuit or other action brought against the Department and the State based upon or arising from this Agreement shall be brought in the Superior Court of Fulton County, Georgia.

14. Amendment. The Parties recognize and agree that it may be necessary or convenient for the Parties to amend this Agreement and the Parties agree to cooperate fully in connection with such amendments if and as necessary. However, no change, modification or amendment to this Agreement shall be effective unless the same is reduced to writing and signed by the Parties.

15. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be an original but all of which shall constitute one agreement. No Party shall be bound by this Agreement until all Parties have executed it.

IN WITNESS WHEREOF, the parties have caused the authorized representatives of each to execute this Agreement on the day and year first above written.
