# **Public Works Department**

## *Monthly Report*

**Streets Division  
Stormwater Division  
Water/Sewer Division  
Terrell Community Garden**  
December 2025

# INTRODUCTION

The Public Works Departmental Monthly Report is an essential document that serves multiple important functions for the city.

## **1. Transparency:**

Public Trust: It shows citizens how public funds and resources are being used by the different Division within the department (Streets, Stormwater and Water/Sewer Divisions).

## **2. Accountability:**

Government Oversight: Helps our elected officials, and the mayor to monitor the performance of the Public Works Department.

This report ensures that the infrastructure and services provided by the Public Works Department are maintained and developed in a way that supports the community's needs now and in the future.

## Streets Division

The Streets Division of the Public Works Department plays a critical role in the functionality, safety, and efficiency of the city's infrastructure. Below is a recap of the Streets Division performance from November 25, 2025, through December 14, 2025.

Description of Service Work Provided	Total
Sweeper Swept (Miles)	45.07
Grass Cut (Miles)	0
Litter (Bags)	81

Limbs (Truck Loads)	11

Note: The team picked up 22 (30 yd. dumpster) loads of household trash (e.g., furniture, small appliances, other) throughout the city during the bi-annual cleanup in November.

## Stormwater Division

The Stormwater Division within the Public Works Department plays a critical role protecting public health, safety, infrastructure, and the environment. Specifically, flood prevention and control access of stormwater run-off are two key responsibilities of the division. Below is a recap of flood prevention and controls for the Stormwater Division from November 25, 2025, through December 14, 2025.

Description of Service Work Provided	Total Completed

Cleanup and Repair of Storm Ditches throughout the City	Misc. Maintenance- 1. Westside Road 2. Humphries Hill Road

## Water/ Sewer Division

The Water and Sewer Division of the Public Works Department is essential to the health, safety, and daily functioning of our community. It ensures that clean water is delivered reliably to the residents and that wastewater is safely removed from our community. Below is a recap of the different services provided by the Water and Sewer Division from November 25, 2025, through December 14, 2025.

Description of Service Work Provided	Total Completed
Repair to Broken Water Main	1
New Construction- Water and Sewer Taps	0
