Public Works Department

Monthly Report

**Streets Division
Stormwater Division
Water/Sewer Division
Terrell Community Garden**
June 2026

INTRODUCTION

The Public Works Departmental Monthly Report is an essential document that serves multiple important functions for the city.

1. Transparency:

Public Trust: It shows citizens how public funds and resources are being used by the different Division within the department (Streets, Stormwater and Water/Sewer Divisions).

2. Accountability:

Government Oversight: Helps our elected officials, and the mayor to monitor the performance of the Public Works Department.

This report ensures that the infrastructure and services provided by the Public Works Department are maintained and developed in a way that supports the community's needs now and in the future.

Streets Division

The Streets Division of the Public Works Department plays a critical role in the functionality, safety, and efficiency of the city's infrastructure. Below is a recap of the Streets Division performance from May 22, 2026, through June 22, 2026.
