PRESENTATION

2021 Audit Presentation

The 2021 Audit Report was presented by Rick Gratz, Partner with Kerber, Eck & Braeckel LLP. The financial statements received an unmodified opinion with no material weaknesses or material noncompliance noted. No new accounting policies were adopted during the year, and no misstatements were detected as a result of audit procedures.

A series of charts were presented which reflected various ratios for the City in each of the past five years. The level of fund balance that is unassigned in the general fund as a percentage of expenditures is 73%, with 20% usually considered desirable. Capital asset condition is 28%. Over the past four years, the City's depreciable capital assets have had approximately a third of their useful lives remaining indicating a continual investment by the City that is keeping pace with depreciation. The pension plan funding ratio is 110%. Plans with a funding ratio of 80% or more are generally considered healthy plans. The current ratio is a measure of the City's ability to pay its short-term obligations. The City's ratio is 8.9%; a current ratio of 2.00 or higher indicates good current liquidity and an ability to meet the short-term obligations.

Mayor Pogue asked if the pension plan includes both the police department and other City staff combined; the response was yes.

LEGISLATION

BILL 4123 - AN ORDINANCE GRANTING A SPECIAL USE EXCEPTION TO ALTON M. KLEIN D/B/A KIDS EMPIRE FOR AN INDOOR ENTERTAINMENT FACILITY AT 14880 MANCHESTER ROAD, SUITE B.

A motion was made by Alderman Bullington and seconded by Alderman Fleming for a first reading of Bill 4123, title only. A voice vote was taken with unanimous affirmative result and the motion passed. Bill 4123 was read for the first time.

Discussion:

Alderman Roach asked if there were any concerns. Mayor Pogue stated that the only concern was addressed. The petitioner acknowledged there would be no alcohol sales or alcohol allowed on the premises. The petitioner was in agreement to add this as a condition of the SUE, so it has been added as #12 of Exhibit 1 to not allow sales or consumption of alcohol on the premises.

7:00 PM 1 GOVERNMENT CTR. BALLWIN, MO 63011

A motion was made by Alderman Bullington and seconded by Alderman Fleming for a second reading of Bill 4123, title only. A voice vote was taken with unanimous affirmative result and the motion passed. Bill 4123 was read for the second time.

A roll call vote was taken for passage and approval of Bill 4123 with the following results:

Ayes – Aldermen Utt, Finley, Roach, Stallmann, Fleming, Bullington, Siegel

Nays --

Bill No. 4123 was approved and became Ordinance No. 22-10.

CONSENT ITEMS

Administration – Personnel Manual Changes

Staff recommends approval of the proposed changes to the personnel manual.

Discussion:

Alderman Roach thanked staff for keeping a close eye on these things.

A motion was made by Alderman Stallmann and seconded by Alderman Bullington to accept staff's recommendation. A voice vote was taken with unanimous affirmative result and the motion passed.

MAYOR'S REPORT

Mayor Pogue requested a motion to adopt the summer schedule. For the months of June, July and August, only the second meeting of the month (fourth Monday) will be held. A motion was made by Alderman Stallmann and seconded by Alderman Utt. A voice vote was taken with unanimous affirmative result and the motion passed.

Mayor Pogue stated that in April 2020 the Board approved a state of emergency to include an emergency operations plan with regard to the Covid pandemic. He called an end to the state of emergency and it's operating plan.

Mayor Pogue appointed Alderman Stallmann to the Planning and Zoning Commission Board. A motion was made by Alderman Roach and seconded by Alderman Finley to approve the appointment. A voice vote was taken with unanimous affirmative result and the motion passed.

STAFF REPORT

Public Works – Mosquito Spraying

Public Works Director Jim Link stated we are recommending to contract with St. Louis County for mosquito spraying for the 2022 season due to low staffing in Public Works. Ballwin currently has a contract in place with the County for adulticiding (truck mounted fogging), while Ballwin does routine spraying. Mr. Link explained the process that the County follows to determine when fogging takes place. Mayor Pogue stated that, when we used County before, there were many complaints. Alderman Finley shared information on research he's done and stated, with his take on the research, the County seems to be doing what they should be doing. He also talked about "bacterial dunks" that involves putting bacteria in pools of standing water which would then kill the larvae; he believes Ellisville does this. City Administrator Sterman stated he talked with Ellisville; they use the County as they have stopped doing adulticiding. Ellisville focuses more on larviciding and they will use the tablets in areas of standing water. Alderman Finley also stated he feels that there should be some citizen input on the subject and possibly we should wait to vote on this for the next meeting to give citizens the opportunity. Alderman Siegel

asked if Ballwin currently has anyone licensed; Mr. Link replied we have one employee so we can start anytime. Alderman Fleming stated it seems this is an all or nothing thing and he can see going with the County; if it doesn't work, we can reconsider and go with our crews. Mr. Link stated his crew is ready to start on Monday. Alderman Bullington asked if the traps from the County are in place and if the traps are monitored regardless; Mr. Link replied yes to both questions. Mayor Pogue stated it would be good to put out an educational piece on social media to remind residents to get rid of any standing water on their property.

A motion was made by Alderman Fleming and seconded by Alderman Finley to accept the staff recommendation. A roll call vote was conducted with the following results:

- Ayes: Aldermen Fleming, Finley
- Nays: Aldermen Siegel, Stallmann, Bullington, Utt and Roach.

The motion did not pass.

ALDERMANIC COMMENTS

None

A motion was made by Alderman Fleming and seconded by Alderman Finley to adjourn. The motion was passed by unanimous affirmative voice vote and the meeting adjourned at 7:37 p.m.

RE: Furniture for New Police Station

Department/Program: Police

Explanation: Several months ago, City staff along with Navigate reviewed the credentials of several possible furniture vendors for the new police station that is now under construction. After that review, staff visited and interviewed two vendors, MBI and ColorArt. Upon conclusion of the site visits and interview, it was determined that MBI was the best fit and most qualified to handle the project. Per MBI, the Omnia Partners, Cooperative Purchasing Program will be used. It is worth noting that MBI is also the furniture vendor for the Government Center as well.

In the subsequent months since the selection of MBI, staff met with MBI to review different furniture options and make selections. The furniture included with this contract includes items such as desks/workstations, desk chairs, and conference room tables and chairs. This contract does not include items such as duty lockers, built in shelving, or evidence lockers. Those items have been procured under separate contracts.

After giving us an initial bid for the selected furniture, MBI informed us that they anticipate pricing to go up significantly between now and next year when the station will be completed. As such, we've worked out an arrangement with MBI where the City will order the furniture now under current pricing, and MBI will store it on our behalf until the station is ready next year. While this does incur a small storage fee, we believe it will save the City considerable money as opposed to waiting until later this year or early next to place the order.

The City has budgeted \$335,794 for furniture as a part of the budget for the new police station. This contract as proposed is under budget, coming in at \$323,324.

Recommendation:

Award the contract for furniture for the new police station to Modern Business Interiors (MBI).

Staff Report

Subject: Vlasis Park Master Plan

Department/Program: Parks and Recreation

Explanation:

In 2021 Parks staff solicited bids for professional services for the development of the Vlasis Park Master Plan. The Lawrence Group was selected out of the process. The Lawrence Group completed a full site analysis of the park was done along with a full topographical survey. Factors taken into consideration included existing conditions, age of equipment, site constraints, and facilities within the park. Public input was gathered through a stakeholder meeting, online survey, public outreach at Ballwin Days, and a public meeting held at the Ballwin Golf Course Events Center. Through this process, The Lawrence Group developed a conceptual plan to assist the city in the future planning and development of Vlasis Park. This plan was presented to the Board on April 11. With feedback from the Board, the plan was updated and broadcast to the public on social media and via the City's web site. Staff received little feedback and none that required any changes to the plan.

Recommendation: Adopt the Vlasis Park Master Plan.
