

Bastrop Parks and Recreation / Public Tree Advisory Board Agenda

Bastrop City Hall City Council Chambers
1311 Chestnut Street
Bastrop, TX 78602
(512) 332-8800

February 06, 2025

Agenda - Parks and Recreation / Public Tree Advisory Board at 5:30 PM

Bastrop Parks and Public Tree Advisory Board meetings are available to all persons regardless of disability. If you require special assistance, please contact the City Secretary at (512) 332-8800 or write 1311 Chestnut Street, 78602, or by calling through a T.D.D. (Telecommunication Device for the Deaf) to Relay Texas at 1-800-735-2989 at least 48 hours in advance of the meeting.

1. **CALL TO ORDER**

2. **CITIZEN COMMENTS**

At this time, three (3) minute comments will be taken from the audience on any topic. Anyone in attendance wishing to address the Board/Commission must complete a citizen comment form and give the completed form to the Board/Commission Secretary prior to the start of the Board/Commission meeting. In accordance with the Texas Open Meetings Act, if a citizen discusses any item not on the agenda, the Board/Commission cannot discuss issues raised or make any decision at this time. Instead, the Board/Commission is limited to making a statement of specific factual information or a recitation of existing policy in response to the inquiry. Issues may be referred to City Manager for research and possible future action.

It is not the intention of the City of Bastrop to provide a public forum for the embarrassment or demeaning of any individual or group. Neither is it the intention of the Board/Commission to allow a member of the public to slur the performance, honesty and/or integrity of the Board/Commission, as a body, or any member or members of the Board/Commission individually or collectively, or members of the City's staff. Accordingly, profane, insulting or threatening language directed toward the Board/Commission and/or any person in the Board/Commission's presence will not be tolerated.

Directors Report
February 6, 2025

These are general updates on items that were discussed at previous meetings or were not included in the operations report.

- In partnership with Main Street Program, we are taking a proactive approach to address the contamination issue with the recycling bins on Main Street. By replacing half of the cans with trash-only containers and covering the word "recycle," we are testing whether this will encourage the public to use the recycling portions properly. We will be monitoring the situation for six weeks to get valuable data on whether this change helps reduce contamination and make the recycling process more efficient. This trial period will give us a clearer picture of how the public interacts with the waste management system and whether additional changes or educational efforts are necessary. We are also considering other strategies, like increasing public awareness through signage or social media campaigns to remind people about proper recycling habits.
- New Kerr Community Park benches/tables/trashcans have been installed.
- Benches have been installed at Jewell Park.
- The department has received a report that we have been awarded the LCRA Steps Forward Grant. Employees from LCRA will repaint the BBP Pavilion and install two new trash cans around the playground. Along with the labor, the grant includes \$1000 to go towards supplies. Work is scheduled for April 10-11.
- Met with the interim director at the Bastrop Historical Museum about assisting us with the information and design of signs at each park. The signs will share the historic value of the parks and the areas around them. As we get the information, we will continue to update the website and share the information with the public through social media channels.
- Bastrop County Master Naturalists have received a grant for a project to restore the wildflower field in Bob Bryant Park. On 2/12, I will meet with the planning group to discuss strategy and timeline. This is going to be a fantastic project!
- Received the appraisal on the Bob Bryant Property. And I reached out to the Texas Parks & Wildlife Dept. TPWD is currently reviewing the appraisal for acceptance.
- Bastrop Ball fields are now on the asset list for rentals on our RecDesk software. All reservations will go through our department.
- Planning staff presented the Tree Protection Ordinance to P&Z on 1/30/25. The commission was very receptive to the Parks & Recreation Board suggestions. There were motions of support for all the items except for the fee and penalty portion. The commission was in support of the need for these penalties but sent the language to legal for review. It will come back to P&Z on 2/17. There is a possibility it could go to the council on 2/25 or 3/11.
