Main Street Manager Report

AGENDA ITEM SUBMITTED BY:

Candice Butts, Main Street Manager

UPDATES:

Please find the monthly Main Street Manager updates below:

Main Street Businesses: During the month of October, Howdy Ya'll Tattoo (1018 Main Street) and Ringel and Brymer PLLC (1305 Pine Street) received Certificate of Occupancies.

Mardi Gras: The City of Bastrop is planning the first Mardi Gras event on February 2-3. We would like to encourage our downtown businesses to partner with the weekend festivities by booking Cajun-style music and/or having specials for that weekend. The City has partnered with Evangeline Parish, Louisiana to help create an authentic Mardi Gras celebration. There will be a ball at the Convention Center, a parade, music, and more.

Main Street Social: The next social event will be the week of January 15th. We will be bringing Molly Alexander. She runs some very successful businesses in Elgin, and she will discuss how she's made events successful for her business and give pointers. After her presentation, I would like to break up attendees into round tables and have some discussion on needs in the district. I would like at least 1 board member per group to take notes and facilitate the discussion. I will have topic/question prompts available to help facilitate the discussion.

Main Street Advisory Board Retreat: I'm working on scheduling a Board retreat for the second week of February 2024. This year we will stay in Bastrop to make it easier for our board members to attend. I will send more information about the location by the end of the month. Please complete the meeting day preference survey here: <https://tinyurl.com/mr3ywyux>

I will be bringing in speakers from Texas Main Street Program and a facilitator for the meeting to walk us through a review of our mission and vision statements, bylaws, and board member duties. It's been a while since those items were updated, so I think we need to make sure those items still align with our Main Street's goals. We'll also get an updated group photo and take updated headshots.

COMMUNITY SELF-ASSESSMENT TOOL

For over 40 years, Main Street programs across the country have used the Main Street Approach™ to support revitalization and catalyze positive transformation of their downtowns and neighborhood commercial corridors. Through grassroots leadership, partnership building, community engagement, and a commitment to holistic preservation-based economic development, thousands of Affiliate and Accredited Main Street programs have created lasting impact for their local economies and communities as a whole.

AN EMPOWERING MODEL FOR REVITALIZATION

The new Main Street America Evaluation Framework, developed by Main Street America (MSA) in close partnership with Main Street Coordinating Programs, outlines what it means to be a highly successful Main Street program and sets a path for growth and development for newer programs. Depending on achievement, score, and maturity, programs will either be designated as Affiliate or Accredited.

Annual program assessments are an important opportunity for local Main Street leaders, volunteers, partners, and Coordinating Programs to come together to reflect on the progress of a program's efforts and identify opportunities to build and grow.

The following Self-Assessment has been developed as a tool to help Main Street leaders recognize how their program's efforts already align with the new standards and identify areas for deeper focus and prioritization. The tool will also serve as a basis for local leaders to work with their Coordinating Program on identifying areas for capacity building, program development, and training needs. This process will also inform Main Street America on our network's strengths, greatest needs and opportunities.

We encourage you to look at this tool as a working model – one that will adapt and grow as we test it in the field before full implementation at the end of 2023. We invite you to be in close communication with Main Street America staff and your Coordinating Program to explore how these new standards and measures are working for your organization, what might be missing or unclear, and how Main Street America can support your efforts.

WHO SHOULD USE THIS TOOL

- Currently and previously Accredited programs.
- Affiliate-level programs wanting to become Accredited in the future.
- New communities seeking guidance in establishing a strong foundation for their revitalization programs with the vision of being designated as Affiliate or Accredited in the future.

WHEN TO USE THIS TOOL

- Get started now! There's a lot of content to dig in to, but by reviewing this tool regularly you will have plenty of time to familiarize yourself with these new Standards and Indicators before we move to full integration by the end of 2023.
- Consider dedicating time at each of your board and committees' meetings to become more familiar with the new Standards (we'll be providing discussion guides to help frame these conversations).

HOW GRADING WORKS

Within each Standard in the new Self-Assessment Tool, score yourself on the Indicators listed based on a scale of 1-5. Each number represents the following:

1	2	3	4	5
Not being addressed.	Minimal work but needs more effort.	Evidence of satisfactory progress.	Has achieved success within this indicator	Outstanding achievement. One that other programs could replicate.

For each Indicator, we encourage communities to explore areas of strength and opportunities for growth by discussing:

- What actions and next steps can you take to strengthen your efforts?
- How can you build upon your work or take it to the next level?

The Self-Assessment Tool provides examples of how Main Street programs can meet each Standard. These example activities are not an exhaustive or prescriptive list, rather are included to provide guidance and inspiration. Programs are invited to count these and other related activities towards each Indicator.

After you complete you Community Self-Assessment, your Coordinator will review and provide their own score and feedback. **Communities will need to average at least three (3) points per Standard to achieve Accreditation.** Please use [this Community Assessment Worksheet](#) to evaluate your program's progress.

BASELINE REQUIREMENTS

As detailed within the tool, some indicators are required as important baseline (starting point) for a program to qualify for Accreditation. **The current Baseline Requirements are:**

- A Board of Directors formed by a representative base of the district stakeholders and community members, dedicated to leading the district's Main Street program.
- Communities over 5,000 in population must employ a FTE program director. Communities under 5,000 in population must employ a 20-hour minimum per week program director.
- Identified Transformation Strategy to direct the work of the program, based on community input and market understanding.
- Detailed work plans aligned with the selected Transformation Strategy that outline programming across the Main Street Four Points. Work plans include: the project, expected (measurable) outcomes, specific tasks needed to accomplish the project, assignments of those tasks showing volunteer and staff responsibilities, timelines, and budgets.
- A dedicated budget for the district's revitalization programming and the Main Street program's operations.
- Demonstrated support from municipality for the Main Street program. This can include leadership participation, funding, in-kind donations, and philosophical support.
- Reinvestment statistics reported as required by Coordinating Program (monthly, quarterly, or annually).
- Be a member in good standing with Main Street America and use the Main Street America logo on its webpage and/or social media as well as the Coordinating Program logo.

Local Programs that do not meet these baseline requirements are not eligible for Accreditation from Main Street America, though they may qualify for designation at the Affiliate level.

COMMUNITY ASSESSMENT WORKSHEET

Evaluation Worksheet for Local Programs, Coordinating Programs, and Main Street America*

The Main Street America Evaluation Framework outlines what it means to be a highly successful Main Street program and sets a path for growth and development for newer programs. Depending on achievement, score, and maturity, programs will either be designated as Affiliate or Accredited.

After reviewing the [Community Self-Assessment Tool document](#), use this worksheet to score community progress and determine the designation status of a community. All scores will be averaged and populated at the end.

BASELINE REQUIREMENTS

As detailed within the tool, some indicators are required as important baseline (starting point) for a program to qualify for Accreditation. Please indicate whether communities meet the baseline requirements by selecting **Yes** or **No**.

ACCREDITATION ELIGIBILITY

Next, to determine where a community is on the path to Accreditation, use the next part of the worksheet to score the community on the Indicators listed for each of the six Standards based on a scale of 1-5. Each number represents the following:

1	2	3	4	5
Not being addressed.	Minimal work but needs more effort.	Evidence of satisfactory progress.	Has achieved success within this indicator.	Outstanding achievement. One that other programs could replicate.

Communities must meet the Baseline Requirements and average at least three (3) points per Standard to achieve Accreditation. Some Indicators will require documentation. At a minimum, this will include providing your program's annual budget and workplan.
