June 26, 2023 at 5:00 PM

Bayard City Hall

MINUTES

WORK SESSION

Budget Work session discussion was on Sonya Dixon the Librarian would like to hire a part time librarian assistant. The new City Clerk will start soon and he will be sitting down with each department head to discuss budget.

CALL TO ORDER: Mayor Chon S. Fierro

PLEDGE OF ALLEGIANCE

ROLL CALL

PRESENT

Mayor Chon Fierro
Mayor Pro-tem Raul Villanueva
Councilor Eloy Medina
Councilor Frances Gonzales
Councilor Jose Diaz.

Others in attendance were Larry Ojinaga, James Ervin, Lawrence Colman, Jade Wilson, Manuel Garcia, Laura Phelps, Sonya Dixon, Jenny Castnon, Euphemio Gonzalez, Mike Armendariz, Hector Carrillo, Marlena Valenzuela, and Tanya Ortiz.

APPROVAL OF THE AGENDA

Motion made by Councilor Diaz added Closed Ececutive Session for information only and no action to be taken, Seconded by Councilor Gonzales.

Voting Yea: Mayor Pro-tem Villanueva, Councilor Medina, Councilor Gonzales, Councilor Diaz

PUBLIC INPUT

Larry Ojinaga asked if there is any way the city can place brackets on the light poles for flags to be placed on. He stated it would be a great honor to have flags on all the poles. He met with Joe Trumm and he gave Mr. Ojinaga a tour of the wastewater treatment plant. Mr. Trumm explained why the city needed a vac-truck. He also was told by Mr. Trumm there is some concerns at the treatment plant and if they fail the city will receive a fine from the environmental department. He also mentions two employees that did excellent workers Michael Paez and Robert Terrazas.

James Ervin stated the maintenance did a good job on the benches at the park by city hall. He believes this is an accomplishment for the city. Speaking on accomplishments he believes the council should be able to say what has been accomplished every two weeks. He believes that the only way he can get that question answered if he gets placed on the agenda. He thinks maybe a document that states what has been done by the council every two weeks would be a good idea to let the residents know what has been done.

Manuel Garcia agrees with James Ervin on letting the residents know what has been done every two weeks. Mr. Garcia would like to know if the welcome to Bayard sign coming in from Hurley is going to be redone and he would like to know if it will be relocated? He is proud of the town he lives in and would like for people to know what town they are in.

CONSENT AGENDA

Motion made by Councilor Diaz, Seconded by Councilor Gonzales. Councilor Medina asked why isn't more maintenance employees going to the NM Rural Water Association Workshop? He would like to see up to 4 employees going.

Voting Yea: Mayor Pro-tem Villanueva, Councilor Medina, Councilor Gonzales, Councilor Diaz

1. Approval of the Minutes of Regular Meeting on June 12, 2023.
2. Approval of the Accounts Payable Report for June 26, 2023.
3. Approval of the Bayard Police Report for May 2023.
4. Approval of the Bayard ACO/Code Enforcement Report for May 2023.
5. Approval for Mikey Paez to attend NM Rural Water Association Workshop on July 14, 2023 in Las Cruces, NM.

OLD BUSINESS

6. Discussion/ Approval to move forward with WNM Communications for City Phones.

Motion made by Councilor Diaz he would like for the clerk to make sure there is no contracts with Century Link and anyone else that we would have a contract, Seconded by Mayor Pro-tem Villanueva.

Voting Yea: Mayor Pro-tem Villanueva, Councilor Medina, Councilor Gonzales, Councilor Diaz

7. Discussion/Approval for WWTP Project Agreement between Freeport and City of Bayard.

Councilor Diaz asked how many years is the contract for? This contract does not have a start or end date. He feels maybe 5 or 10 years down the road the contract should be renewed to have the new mayor and council look at the contract. Diaz would like to revisit this in 5 years.

Laura Phelps the community manager for Chino mine stated this agreement would only be to give Chino the right of first refusal. If and when Chino would like to sell the effluent water that when terms would be in place. This is just to give an opportunity before you sell. Item number 4 puts a time frame of 3 years. Mrs. Phelps would like guidance on what time frame they would like.

Councilor Gonzales asked about the mile stones item number 6.

Mrs. Phelps stated the mile stones they will actively participate closely in the regional water project. Right now, Bayard's project is wastewater only once that is complete then Bayard will move on to regional water project.

NEW BUSINESS

8. Approval of recommendation to award Southwest Disposal for Solid Waste services.

Clerk-Treasure Valenzuela stated two proposals came in Southwest Disposal and Universal Waste. Universal Waste's proposal was higher than Southwest Disposal. Valenzuela is recommending Southwest Disposal. Commercial would have gone up in price by around \$30 and residential would have gone up around \$6. Southwest Disposal will be in a big container two times a year for a community clean up and in July they will be replacing everyone's bin with a new one.

Motion made by Mayor Pro-tem Villanueva, Seconded by Councilor Gonzales.
Voting Yea: Mayor Pro-tem Villanueva, Councilor Medina, Councilor Gonzales, Councilor Diaz

ACTION FOR PERSONNEL

9. Discussion/Approval to remove Stephen Estrada from probation status with a 5% increase.

Motion made by Councilor Gonzales, Seconded by Mayor Pro-tem Villanueva.

Councilor Diaz asked what his pay is now? Valenzuela stated 15.75. This will be a 78-cent increase.

Councilor Diaz stated he would like increase after probation to be up to a 5 percent.

Mayor Pro-tem stated the department head did recommend the 5% increase with that he believes Stephen had a good evaluation.

Voting Yea: Mayor Pro-tem Villanueva, Councilor Medina, Councilor Gonzales, Councilor Diaz

10. Hiring of Christopher Palomarez for Mechanic at the hourly rate of \$20.00 upon successful completion of all pre-employment exams and background reviews.

Councilor Gonzales stated she sat on the interviews and both candidates were good. Mr. Palomarez has his AAS degree, associates in applied science, and other certification. He also is willing to help out with maintenance when they need his help and is not working on vehicles. He has a lot of mechanic experience and he also is a welder this is the reason the interview committee is asking to start him at \$20 an hour.

Councilor Diaz stated this position is budgeted at \$18.50 an hour what is a 9% increase and in 6 months they will be looking at another 5% increase. With these increases we will be being him in higher than anyone else. If he starts at \$18.50 with the %5 he will be at the \$20 an hour.

Councilor Gonzales disagrees with this because they have brought people in a higher rate. He could possibly get an 3% raise. He believes this this fair with all the experience and his degrees. She does not want to lose this person.

Mayor Fierro stated the city has vehicles and equipment that are gasoline and diesel, he does not want to get someone that only knows how to work on gasoline and then have to contract diesel out. This guy knows both. Another reason people do not apply is because of the pay.

Motion made by Mayor Pro-tem Villanueva, Seconded by Councilor Medina.
Voting Yea: Mayor Pro-tem Villanueva, Councilor Medina, Councilor Gonzales, Councilor Diaz

11. Hiring of David Salgado for Maintenance at the hourly rate of \$14.50 upon successful completion of all pre-employment exams and background reviews.

Motion made by Councilor Diaz, Seconded by Mayor Pro-tem Villanueva.
Voting Yea: Mayor Pro-tem Villanueva, Councilor Medina, Councilor Gonzales, Councilor Diaz

12. Closed Session pursuant to 10-15-1 (H-2) NMSA 1978 for limited personnel matters.

Motion made by Councilor Medina to enter closed session, Seconded by Mayor Pro-tem Villanueva.

Voting Yea: Mayor Pro-tem Villanueva, Councilor Medina, Councilor Gonzales, Councilor Diaz

Motion made by Councilor Diaz to enter open session, Seconded by Councilor Medina.

Voting Yea: Councilor Medina, Councilor Diaz.

Mayor Fierro stated there was no action taken.

DEPARTEMENT HEAD REPORTS

Police Chief Carrillo stated in his eyes the department is doing a good job and is making a difference. He appreciates his staff. He presented a letter of recognition his secretary Judy Diaz, Animal/Code Enforcement Officer Louis Frank Gomez Jr,

Lieutenant Manuel Galaz. Two officers not in attendance were Police Caption Anthony Macias, and Patrolman Valerie Barboa.

Police Chief Carrillo stated he will get with the maintenance supervisor about the speed bump on N. East Street. He also spoke with the neighbors, there is one neighbor against it and the rest feel like a stop sign would be more beneficial. The stop sign is all easier for the police to enforce then a speed bump. He did speak with Mr. Guerrero and he was okay with a stop sign. Carrillo also took care of another complaint from Mr. Wilguess, he wants the business registration renewal processed for the Bayard M&M Auto under a different name, same location and same business. Carrillo spoke with Mr. Wilguess and let him know to turn in the registration to city hall for it to be processed. Chief Carrillo instructed his code enforcer to start issuing citations. He did start on Friday. Chief Carrillo has been very lenient and now they will be issuing citations.

Councilor Diaz asked if he has complied with everything that was asked? He needs to get with four agencies before we can approve the registration. He wants to work with him and get every going for him to be back in business.

Clerk-Treasure Valenzuela stated the first Planning and Zoning Meeting will be held Thursday. On Wednesday there will be a meeting to discuss the new ordinance for abandoned buildings. Shella from Santa Clara will be attending for any questions that anyone will have. On 103 Canyon Street a gentleman purchased the property and would like to move in a double wide. The survey he brought in all the set back are good but when the Code Enforcer and herself when out to measure it it does not. Valenzuela stated maybe the council can give him a variance. The mobile home will fit on the existing cement slab but it will not meet the back set backs. She would like for the Mayor and Council to go out and take a look at it. Diaz asked if the tailor has been purchased? Valenzuela stated yes. Councilor Diaz asked where will they park? Valenzuela stated they have there own parking space on there property. Councilor Diaz stated we will give the property owner the variance but the city of Bayard will not assume any liability if something were to happens like there house or someone else house catches fire. Valenzuela will call the neighbors and see if they are okay with the tailor moving in.

MAYOR AND COUNCILORS REPORTS

Councilor Diaz stated at the last council meeting Judge Sandoval stepped down as Judge and he will be taking over as the alternate judge until this next election. There will not be any trainings any time soon. If someone from the community is appointed, they would not be able to hear any cases. He will be holding court every Tuesday from 5:00 pm to 9:00 pm starting on July 11. Judge Sandoval would say the court is not a money maker but there is court cost that could be collected and the court should be able to sistine it self. A different report will be giving for July on.

Mayor Fierro thanked all the department for there hard work. He visited the wastewater treatment plant and he was speaking with Mr. Terrazas and there is a problem there. The cost will be around \$20,000 the part alone will be \$17,000. He will go back tomorrow for the paper work on what needs to be done.

NEXT MEETING DATE:

Regular Meeting – July 24, 2023

6-13-2023: Hauled 2 loads of sludge to the Silver City landfill and continue cutting weeds around plant and check N Hurley lift station

6-14-2023: Collect water samples and take to Silver UPS and scrub clarifiers and rebuild # one UV chamber

6-15-2023: Turned the #1, #2 drying beds and Hauled 2 loads of sludge to the Silver City landfill. Check N Hurley lift station

6-20-2023: Turned all three drying beds and Hauled 2 loads of sludge to the Silver City landfill. Check N Hurley lift station and turned stock pile of sludge

6-21-2023: Collect water samples and take to Silver UPS and scrub clarifiers and pullout sludge from # 1 drying bed and cleanup shop.

6-22-2023: Turned #1 and #3 drying beds and haul 2 loads of sludge to silver land fill and fill up chlorine tank in wash water pump room.

6-26-2023: Dump # 1 digester to # 1 drying bed and help Grant County Maintenance dig up north hurley lift station mainline with backhoe And clean Lap

6-27-2023: Turned all three drying beds and Hauled 2 loads of sludge to the Silver City landfill. Check N Hurley lift station and turned stock pile of sludge and dewater # 1 digester

6-28-2023: Scrub clarifiers and pullout sludge out of #2 drying bed And weld chain to main gate.

6-29-2023: Turned #1 and #3 drying beds and haul 2 loads of sludge to silver land fill and check N Hurley lift station and clean up Lab

May 2023 Library Report

1. The Library held an End of Life Seminar on May 12th from Dr.'s Sparks and Dey. Over 30 people attended and some people were turned away.
2. The Library made flyers and press releases for the upcoming Foam event and SRP. Flyers were distributed amongst the tri-city area and to all businesses.
3. Sonya asked for and received a donation from W & N Enterprises for ice cream and bananas for the SRP ice cream social to be held on June 16th.
4. We have finalized the performer list for the SRP and will have a Foam party, Falconer, Drummer and miniature horses for the SRP.
5. We placed an order for STEM activity kits for SRP using STEM donation funds from Dave Chandler. We received this award for doing a large number of STEM activities during a past program that was well received.

June 2023 Library Report

1. The Library hosted A Foam Party event for a summer kick off. The event was very well attended and everyone had a great time.
2. SRP was led by Alison Bjerke from June 5th through June 16th and was attended by 142 children of various ages. We had special guest performers and daily STEM events took place. W & N Enterprises donated ice cream for the last day and Ann McLean brought ponies.
3. Stantech Engineering employees came for a community park day on Thursday June 22nd and did a tremendous job pulling weeds and getting holes dug for future planting.
4. The Library is hosting Nature Discovery Camp for the Watershed Keepers June 26-30. The kids base out of the library then go on field trips throughout the day. Sonya will be opening the library early that week so they can get started early in the morn.
5. Sonya and Jenny are actively seeking a professional landscaper so that we can complete the park using Capital Outlay grant funding. Bids are coming in and will be sent up for pre approval. We are hoping the work can be started by early August and open the park by September or early October.
6. Imagination Library donated \$450.00 for a children's picnic table or bench with a plaque to be added to the park.
7. The Youth Mural Project is nearly complete and a dedication will be forthcoming.

CITY OF BAYARD WASTEWATER TREATMENT PLANT PROJECT AGREEMENT

This Agreement ("Agreement") is entered into this 10th day of July, 2023, by and between **Freeport-McMoRan Chino Mines, Inc.**, a Delaware corporation ("Chino"), and the City of Bayard, a municipal corporation organized under the laws of the State of New Mexico ("Bayard") (each a "Party" and collectively the "Parties").

RECITALS

A. Bayard intends to obtain federal, state or other grant funding ("Grant") to assist with the construction of certain infrastructure improvements to the Bayard Regional Wastewater Treatment Plant ("WWTP") for purposes of increasing its capacity and assuring its ability to meet applicable regulatory and permit requirements ("Project").

B. The Grant is expected to require a cash match ("Match"), the cost of which would likely be absorbed by WWTP customers, including residents in Bayard, Santa Clara and Hurley.

C. The WWTP produces treated effluent which is currently transported to Chino's tailings facility for disposal ("Reclaimed Water").

D. The Project may enable the WWTP to produce additional and/or higher-quality Reclaimed Water able to be utilized in certain applications under applicable regulations. Chino is interested in acquiring the right to purchase all Reclaimed Water that may be produced by the WWTP after completion of the Project.

E. Chino is willing to provide funds up to one million dollars (\$1,000,000) to meet the Match requirement to facilitate the completion of the Project in exchange for a right of first refusal for the Reclaimed Water, conditioned on Bayard meeting certain progress milestones towards completion of the Project ("Milestones").

NOW, THEREFORE, for good and valuable consideration, the sufficiency of which is hereby acknowledged, the Parties mutually agree as follows:

1. Recitals. The foregoing Recitals are hereby made a part of this Agreement.
2. Grant Funding. Bayard will be responsible for all aspects of securing Grant funding, administering the Grant(s), and all aspects of Project design, engineering, permitting, completion, and maintenance.

3. Milestones. The Parties will meet annually for Bayard to provide Chino an update on the progress of the Project, and to set progress Milestones for the upcoming year. A reasonable cure period will be allowed in the event Bayard fails to meet a Project Milestone, but is making reasonable progress, in Chino's reasonable discretion.

4. Chino Matching Funds. Chino will provide funds up to a total of one million dollars (\$1,000,000), to meet Match requirements of Grant(s) Bayard secures for the Project within three (3) years from the date of execution of this Agreement, provided Bayard meets the Milestones, to be disbursed as follows:

(a) Three hundred thousand dollars (\$300,000) upon the award of Grant funds to Bayard for the Project ("Initial Payment").

(b) Three hundred thousand dollars (\$300,000) on the first (1st) anniversary of the Initial Payment.

(c) Four hundred thousand dollars (\$400,000) on the second (2nd) anniversary of the Initial Payment.

(d) If the total amount of Match required by the Grant(s) is less than one million dollars (\$1,000,000), the total amount of Chino Matching Funds will be reduced to equal the total amount of Match funds required, and the above payment schedule will be adjusted accordingly.

5. Grant Requirement. Bayard shall proceed in compliance with all aspects of the Grant requirements to develop the Project and shall meet any milestones and requirements of the Grant, which will be incorporated as additional Milestones to be timely achieved in compliance with this Agreement.

6. Termination. If Bayard is unable to meet a Milestone, and any cure period has lapsed, Chino may elect to terminate this Agreement.

7. Right of First Refusal. In the event the Project is completed and the WWTP produces and makes available for sale Reclaimed Water, Chino shall have a right of first refusal ("ROFR") for all such available quantities of Reclaimed Water produced by the WWTP that Chino may elect to purchase, in its sole discretion. Bayard shall provide Chino a written notice of its ability to sell Reclaimed Water, and the class of Reclaimed Water under applicable regulations, at least ninety (90) days before Reclaimed Water first becomes available ("Availability Notice"). If Bayard has received a bona fide, written offer or offers from an unrelated third-party ("Offer") to purchase Reclaimed Water from the WWTP, Bayard shall provide Chino a copy of the Offer(s) with the Availability Notice. If no Offer(s) has been received, Bayard shall propose a purchase price for the Reclaimed Water in the Availability Notice reflecting fair market value.

If Chino elects to exercise the ROFR, Chino shall notify Bayard within thirty (30) days of receipt of the Availability Notice ("Chino Notice"), and the Parties shall negotiate a written contract for the purchase and sale of the Reclaimed Water ("Contract") in good faith with the objective of executing the Contract prior to the Reclaimed Water being available. The price for the Reclaimed Water shall be the highest price proposed in any Offer provided with the Availability Notice, or, if no Offer has been provided, the price shall be the Purchase Price proposed by Bayard reflecting the fair market value of the Reclaimed Water ("Purchase Price"). However, Chino may dispute the Purchase Price by providing written notice to Bayard in the Chino Notice, in which event the Parties shall negotiate in good faith to agree upon the Purchase Price. If the Parties cannot reach agreement on the Purchase Price, the Parties shall by mutual agreement, select one independent valuation individual or firm qualified to value Reclaimed Water in New Mexico ("Appraiser"), and the Appraiser shall determine the fair market value of the Reclaimed Water, which value shall be used as the Purchase Price. Chino shall bear the costs of the valuation if the valuation is equal to or greater than one hundred percent (100%) of the purchase price proposed by Bayard; otherwise, Bayard shall bear the costs of the valuation. The ROFR will expire twenty (20) years from the date of the signature of this agreement.

8. Governing Law. The Parties' respective rights and obligations hereunder shall be governed by and construed in accordance with laws of the State of New Mexico without regard to conflicts of laws principles.

9. Regional Water Project. The conditions of this Agreement are contingent upon the completion of the Grant County Regional Water Project initiated by the local governments.

10. Cooperation. Each Party will act in good faith in implementing this Agreement and shall provide such cooperation required to obtain any permits or approvals required, and to comply with relevant laws, rules, or regulations.

11. Disputes. The Parties shall first attempt to resolve any disputes under this Agreement by informal negotiation before initiating litigation.

12. Amendment. This Agreement may only be amended via a written document signed by both Parties.

[Signature page follows]

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed the day and year first above written.

Subject: Updated WWTP Project Agreement
Attachments: Bayard WWTP Project Agreement FINAL-rev.pdf

Mayor Fierro and Marlena,

Please see below for our responses based on the feedback from the council regarding the WWTP agreement with Freeport.

- As to the request for clarification of the cure period, the existing language in Item 3 specifies that a “reasonable cure period” will be provided when Bayard “is making reasonable progress” to meet Milestones. I was able to talk with Councilwoman Gonzales and that language addresses her concern, so no changes were needed on that matter.
- Given Freeport’s significant investment in the WWTP, the right of first refusal would be in effect for twenty (20) years from the date of the signature of this agreement. Language to that effect has been added as the last sentence in Item 7.

An updated agreement is attached. Please let me know if you need anything further from me.

Stantec Project # 181710918, 181711060, and 2042623001

Dear Ms. Valenzuela and Council,

Bids were received on June 29, 2023 at 11:00 a.m. at the City of Bayard, City Hall, 800 Central Avenue, Bayard, New Mexico 88023, and shortly thereafter opened and read aloud. A total of two bids were received. Bid reports and documents for the referenced project are attached.

The two bids, for Bid Lots #1 and #2, were received from Deming Excavation, Inc. of Deming, NM in the amount of \$1,228,490.25 plus gross receipts tax (7.6250%); for a total bid of \$1,322,162.63 and Southwest Concrete & Paving, Inc. of Silver City, NM in the amount of \$1,242,008.00 plus gross receipts tax (7.6250%); for a total bid of \$1,322,162.63.

As per the Transportation Project Fund Grant Agreement – Construction for the referenced project, the total available construction funding is approximately \$645,945.00.

We recommend that the bids received be rejected and the City of Bayard rebid the project.

Sincerely,

Hall, Wesley

June 23, 2023

To whom it may concern:

I am writing on behalf of Community Partnership for Children (CPC), a nonprofit organization that focuses on improving childcare in Grant County. We request your support to obtain a venue in the mining district for a fundraiser event scheduled for September 16, 2023, from 10:00 AM to 3:00 PM.

The event is a Color Run called "September Spectac-Color Fun Run! – This will support CPC's work in servicing Grant County families & young children." We want to work with the local entities to ensure a safe, fun, and collaborative experience for all those in the community.

The event will require a venue that can allow for a "loop course" with various "color stations" where participants can absorb "color" on their white shirt with nontoxic and environmentally safe FDA-approved corn starch tinted powder. We will need access to water and electricity for vendors as well as adequate restrooms and volunteers to assist with clean up. We are thinking this may be a larger event as it will be open for all of Grant County, so a larger venue would be ideal. We would love your input if you have ideas for an alternative venue that will meet the needs of the event. We would like it to also be accessible for all participants so everyone can attend.

The powder does wash away fairly easily and we have already taken steps to advise our attendees to wear glasses (which will be provided) and possibly bandanas if they feel it is necessary. Color runs have become more popular over the years and we think this would be a great event that will not only raise funds to support our Coalition, but may also attract attendees from the surrounding areas which contributes to economic growth. We would love your help in obtaining a venue and assistance in helping to make our event a success.

We would be grateful for your consideration of our request. We believe that our fundraiser event would be a valuable addition to the community, and we are confident that it would be a success. For more information please visit our website www.grantcountycpc.com

Thank you for your time and consideration.

Sincerely, Kalah Carrasco
Executive Director

CITY OF BAYARD, GRANT COUNTY, NEW MEXICO

ORDINANCE No. 1-2023

Phone 575 - 537-3327
Fax 575 - 537-5271
cityofbayard@cityofbayardnm.com

**AN ORDINANCE CONCERNING THE REGISTRATION AND MAINTENANCE OF
NEGLECTED VACANT RESIDENTIAL AND COMMERCIAL STRUCTURES WITHIN THE
CORPORATE LIMITS OF THE CITY OF BAYARD,**

WHEREAS the City of Bayard requested the City Council to enact an ordinance pursuant to their statutory authority under N.M.S.A. 1978, Section 3-17-1, which ordinance would require the registration and payment of an annual fee where a vacant residential or commercial structure is certified in writing by the City Police Chief or Fire Chief to be neglected;

WHEREAS the Clerk of the City of Bayard published timely notice in the Silver City Daily Press, a newspaper of general circulation in Grant County, and gave timely notice to interested parties in accordance with the provisions of N.M.S.A. 1978, Section 3-17-3; and

WHEREAS the City Council conducted public meetings on June 28, 2023, July 3, 2023, and July 7, 2023, and duly considered all statements presented as well as written commentary provided.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BAYARD, GRANT COUNTY, NEW MEXICO, THAT:

SECTION 1. PURPOSE. The purpose of this ordinance is to help protect the health and safety of the residents of the City of Bayard so that vacant structures do not constitute a public nuisance, by ensuring appropriate maintenance of vacant residential and commercial structures to prevent the development of insanitary conditions, unsafe deterioration of the structure, and unauthorized entry. This ordinance will help promote the City's public welfare by preventing blight and protecting property values and neighborhood integrity and safety.

SECTION 2. DECLARATION OF PUBLIC NUISANCE. It is declared a public nuisance for any owner to cause, permit, or fail to maintain any vacant residential or commercial structure in a manner contrary to the provisions of this ordinance.

SECTION 3. APPLICABILITY. The provisions of this ordinance shall apply to all vacant residential and commercial structures within the corporate boundaries of the City of Bayard, as those boundaries may be altered from time to time by annexation.

CITY OF BAYARD No. _____
_____, 2023
PAGE 1 OF 6

SECTION 4. DEFINITIONS. For purposes of this ordinance, the following terms are defined as follows.

LOT	A measured parcel of land having fixed boundaries designated on a survey under one ownership as shown on the last assessor's roll of Grant County or the records of the City, whichever is the most recent.
NEGLECTED VACANT STRUCTURE	A structure which is vacant and is not maintained in accordance with the provisions of this ordinance and certified in writing to be neglected by the City Police Chief or Fire Chief.
OCCUPANCY	The act of residing in the structure with full utilities service or conducting a legal business, properly registered, from the structure with full utilities service.
OWNER:	The owner of record based on the public records of the Grant County clerk and office of the Grant County assessor and any person with legal, financial, or equitable interest in the structure, land, or premises at the time of the determination that the vacant structure is a neglected structure under the provisions of this ordinance.
REGISTRATION	The process of providing name, present address, and other contact information of the owner of a vacant structure for protection of the subject premises and the owner's investment.
STRUCTURE:	A combination of any materials fixed to the ground and having a roof, enclosed within exterior walls, and constructed as a dwelling for the shelter of persons, including a building for the conduct of a legal business. A structure shall include any mobile home or manufactured home, as those homes are defined in NMSA. 1978, Section 3-21A-2(A) and -(B) (2001), whether used for residential or commercial purposes.
VACANT STRUCTURE:	<ol style="list-style-type: none"> (1) A residential or commercial structure that has remained unoccupied for a period of more than thirty (30) days. (2) A structure is not deemed to be vacant for purposes of this ordinance if any of the following circumstances exist: <ol style="list-style-type: none"> a. Any unit or portion of the structure is occupied by authorized persons; b. Any other structure on the same lot is occupied by authorized persons; or c. Construction or alteration of the structure is in progress, and where a state permit is required such unexpired permit must be posted. If a required state permit is not posted or

has expired, then the structure shall be considered a vacant structure and subject to the requirements of this ordinance.

SECTION 5. REGISTRATION OF NEGLECTED VACANT STRUCTURE.

- A. Notification of Determination of Neglect and Required Registration. When a vacant structure is determined to be neglected, and certified in writing, the City Clerk shall notify the owner by certified mail, return receipt requested, of the neglect determination and the requirement to register the neglected vacant structure with the City. Said notice shall contain a registration form.
 - (1) The owner must register the neglected vacant structure within thirty (30) calendar days of receipt of the notice.
 - (2) The owner must pay the neglected vacant structure fee with the registration.
- B. Registration Information. Registration shall be on a form available from the City Clerk, which includes but is not limited to the following information:
 - (1) Name, address (physical and mailing), and contact telephone number of the owner;
 - (2) Name, address (physical and mailing), and contact telephone numbers of the local agent or representative for the structure /property, if other than the owner.
- C. Keep Registration Information Current. Upon any change in the facts provided in the initial registration, the owner shall file up-dated information within ten (10) business days of such change.
- D. Neglected Vacant Structure Fee. Upon notification of the neglected vacant structure determination, the owner must pay a prorated fee as established below, and continue to pay an annual fee on or before July 1 of each calendar year the vacant structure continues to be classified as a neglected vacant structure.
 - (1) Initial fee shall be prorated from the month following the receipt of notice of the neglected vacant structure determination, which shall be based on a first year annual fee of \$300.00 (\$25.00/month).
 - (2) First full calendar year annual fee, where the structure is still designated as a neglected vacant structure, shall be \$300 (three hundred dollars).
 - (3) For each additional full calendar year the premises remains designated as a neglected vacant structure, the fee shall increase an additional \$100.00 (one hundred dollars) per year up to a maximum of \$500.00 (five hundred dollars) per year.
- E. Owner Not Exempt from Complying with Standards Upon Payment of Fee. Payment of the neglected vacant structure fee does not exempt the owner from complying with this ordinance and other applicable laws. Upon a showing that the vacant structure and lot are in full compliance with this ordinance, the City will

CITY OF BAYARD NO. _____, 2023
PAGE 3 OF 6

vacate the neglected vacant structure fee. No further fee will be due provided the vacant structure and lot continue to be in compliance with this ordinance.

SECTION 6. REQUIREMENTS AND STANDARDS.

- A. Maintenance in Accordance with all Applicable Laws. The owner of a vacant structure shall maintain it and its lot(s) in accordance with all applicable local ordinances and the state sanitary codes, building codes, and fire codes pertaining to the lot and the external (visible) parts of the structure.
- B. Security Standards. The owner shall maintain the vacant structure in a way that secures the structure from any unauthorized entry and shall comply with the following minimum security standards:
 - (1) Promptly cover, secure, or repair all broken windows, doors, other openings, and any unsafe conditions at a vacant structure. Boards or coverings must be fitted and sized to the exterior opening.
 - (2) There shall be at least one operable door into each vacant structure, secured with a suitable lock.
 - (3) The lot(s) upon which a vacant residential or commercial structure is located shall be appropriately secured based on the conditions and surroundings, and maintained in a manner that eliminates any public safety hazard. Said lot(s) must be free of all combustible materials.
- C. Appearance Standards. The owner of a vacant structure shall comply with the following minimum appearance standards:
 - (1) All vacant structures must be maintained in a manner that minimizes the appearance of neglect and deters unauthorized occupation. Owners shall promptly remove graffiti from the vacant structure and any fencing and immediately repair damage from attempted or actual intrusions into the vacant structure.
 - (2) All exterior surfaces, including any boarded windows or doors, shall be applied with sufficient paint, siding, stucco, or other finishes in the same color or similar color to blend with the structure's existing exterior color scheme. All exterior surfaces, including roofs, shall be of sufficient construction to weatherproof the vacant structure.
 - (3) The lot(s) upon which the vacant structure is situated, including all landscaping, shall be kept in such condition as not to create the appearance of an unsecured, unoccupied structure. Said lot(s) shall be free of litter, which includes debris and garbage.

SECTION 7. PARTIAL OR COMPLETE DESTRUCTION OF STRUCTURE. An owner of a structure rendered vacant as a result of catastrophic fire or act of

CITY OF BAYARD No. _____
 _____, 2023
 PAGE 4 OF 6

nature shall: (i) immediately secure the premises with appropriate fencing and no trespass signs, (ii) within two calendar weeks from the catastrophic event clear the premises of all litter and debris; and (iii) within four calendar weeks from the catastrophic event demolish any remaining parts of the structure and clear the site or show proof to the Code Enforcement Officer of completed and filed application for appropriate state permits for rebuilding the partially destroyed structure.

SECTION 8. **PENALTIES.**

- A. **Penalties:** It is unlawful for any person who owns controls, or is the responsible agent of a vacant structure to fail to register and pay the requisite fee as provided in this ordinance, and to maintain, or cause or permit the maintenance of the vacant structure in a condition defined as a “neglected vacant structure” in this ordinance. Violations of this ordinance are in addition to any other violation established by law.
- B. **Penalties.** The court may impose fine of not more than \$500 (five hundred dollars) or imprisonment of more than ninety days or both upon finding any person in violation of any provision of this ordinance.
- C. **Remedies Not Exclusive.** This ordinance shall not be interpreted as limiting the penalties, actions, or summary abatement procedures that may be taken by the City under existing laws, ordinances, or rules, including perfecting a lien upon the premises and foreclosure thereof.

SECTION 9. **REPEALER.** All ordinances or parts of ordinances in conflict with this ordinance are repealed.

SECTION 10. **SEVERABILITY.** Should any provision of this ordinance be rendered invalid by a court of law, the remaining provisions shall continue in force and effect until amended or repealed by action of the City Council.

Findings:

- 1. The presence of unmaintained vacant residential and commercial structures creates a negative impression and has been shown to have an adverse economic impact on neighboring properties and businesses by depressing property values;
- 2. It is the property owner’s responsibility to maintain a vacant structure to minimize the appearance of neglect and to secure the vacant structure from unauthorized entry, and such responsibility should not be a burden placed upon the entire community;

CITY OF BAYARD NO. _____
 _____, 2023
 PAGE 5 OF 6

3. Trespassers find vacant structures to be attractive places to conduct criminal activities, and unauthorized access can lead to vandalism and even fires that put the structure and surrounding area at risk;
4. Neglected vacant and unsecured residential and commercial structures can become an attractive but dangerous play area for children and can harbor wild animals, pests, and vermin;
5. Vacant structures that have deteriorated or been neglected are a threat to public safety, health, and welfare of the community.
6. The City of Bayard has an interest in identifying and registering property owners of neglected and unsecured vacant residential and commercial structures located within the corporate limits of the City of Bayard; and
7. To provide for the safety, preserve the health, promote the prosperity and improve the morals, order, comfort and convenience of the City of Bayard and its inhabitants, it is necessary to establish a process whereby the City can identify neglected vacant structures and impose a fee upon the owners thereof in order to monitor compliance with applicable laws.

PASSED, ADOPTED, AND APPROVED by vote of the City Council of the Bayard, Grant County, New Mexico, this 10th day of July 2023.

RESOLUTION 8-2023

AUTHORIZING AND APPROVING SUBMISSION OF A COMPLETED APPLICATION FOR FINANCIAL ASSISTANCE AND PROJECT APPROVAL TO THE NEW MEXICO FINANCE AUTHORITY.

WHEREAS, the City of Bayard ("Governmental Unit") is a qualified entity under the New Mexico Finance Authority Act, Sections 6-21-1 through 6-21-31, NMSA 1978 ("Act"), and the City of Bayard ("Governing Body") is authorized to borrow funds and/or issue bonds for financing of public projects for benefit of the Governmental Unit; and

WHEREAS, the New Mexico Finance Authority ("Authority") has instituted a program for financing of projects from the public project revolving fund created under the Act and has developed an application procedure whereby the Governing Body may submit an application ("Application") for financial assistance from the Authority for public projects; and

WHEREAS, the Governing Body intends to undertake acquisition, construction and improvement of Bayard Public Safety Units ("Project") for the benefit of the Governmental unit and its citizens; and

WHEREAS, the application prescribed by the Authority has been completed and submitted to the Governing Body and this resolution approving submission of the completed Application to the Authority for its consideration and review is required as part of the Application.

NOW THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE
CITY OF BAYARD

Section 1. That all action (not consistent with the provision hereof) heretofore taken by the Governing body and the officers and employees thereof directed toward the Application and the Project, be and the same is hereby ratified, approved and confirmed.

Section 2. That the completed Application submitted to the Governing Body, be and the same is hereby approved and confirmed.

Section 3. That the officers and employees of the Governing Body are hereby directed and requested to submit the completed Application to the Authority for its review, and are further authorized to take such other action as may be requested by the Authority in its consideration and review of the Application and to further proceed with arrangements for financing the Project.

Section 4. All acts and resolutions in conflict with this resolution are hereby rescinded, annulled and repealed.

Section 5. This resolution shall take effect immediately upon its adoption.

PASSES APPROVED AND ADOPTED this 10TH day of July, 2023.

Tanya Ortiz

July 3, 2023

Honorable Mayor Chon Fierro, Council members Diaz, Medina and Gonzales

Please accept this letter as my formal resignation from the Bayard City Council. My last day will be Friday July 31, 2023. I have purchased a home in Silver City and will be relocating there soon. It is of great sadness that I will unfortunately have to step down from the council. It has been a real honor working with you all and the constituents of Bayard. I wish you all the best in the future and If there is anything I may be able to help you with please let me know.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Raul D. Villanueva", written in a cursive style.

Raul D. Villanueva

City of Bayard Council

800 Central Avenue

Bayard, NM 88023

Dear Council Members,

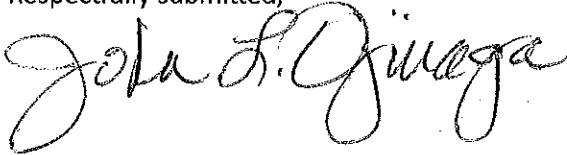

I, John L. (Larry) Ojinaga, would like to express my interest in the open vacancy of Councilor for the City of Bayard. If chosen for this opportunity, I could assist fellow council members in making the City of Bayard a better place to live, work, and visit. I have a deep understanding of Bayard to include its strengths and challenges.

I am retired and will have ample time to assist the city with any issues and concerns that arise from our citizens. I have been a resident of Bayard since 1967. I served the City of Bayard as a Volunteer Firefighter for over thirty years. In addition to my previous service as Volunteer Firefighter I have also previously served in many various community and professional roles to include:

- Previous President and Executive Board Member of Local Machinist Union Lodge 1563
- Copper Little League Coach and Manager
- Hurley LULAC

I appreciate your consideration in my interest in this open position with the City of Bayard Council. If you have any questions, please feel free to contact me at 505-538-8442 or at larry.ojinaga@gmail.com

Respectfully submitted,

A handwritten signature in black ink that reads "John L. Ojinaga". The signature is written in a cursive, flowing style.
