#### **Staff Report**

ТО:	Mayor and City Council Members
FROM:	Jeff Hart, Public Works Director
DATE:	October 1, 2019
SUBJECT:	Bond Exoneration for Bond No. K08619943, K08619906 and 113447 - K. Hovnanian Homes

#### **Background and Analysis:**

The developer, K. Hovnanian Homes, has completed street, sewer, and storm drain improvements within tracts 33096 Phase B and 33096-12. The aforementioned tracts are part of the Four Seasons specific plan residential development located in the City of Beaumont, west of Highland Springs Avenue, and south of Potrero Boulevard. Attached are the bond exoneration documents submitted by the developer (see Attachments A-G). All of the bond improvements associated with the aforementioned tracts are summarized in the table below.

KHOV Bond Exonerat	ion Summa	iry		
Bond Number	Tract Map Numbe r	Type of Improv ement	Bond Type	Mainte nance Bond Requir ed
K08619943	33096 Phase B	Sewer	Perfor mance	No
K08619906	33096 Phase B	Storm Drain	Perfor mance	No
1134474	33096- 12	Street, Sewer, & Storm Drain	Perfor mance	Yes

Other than the public sewer, all improvements in the Four Seasons development are privately maintained by the homeowner's association (HOA). The City will only maintain the sewer utility within the private development.

Staff has verified the completion of the improvements and recommends that the City Council approve and authorize the Mayor to sign the attached Notice of Completion, the Certificate of Acceptance, exonerate the aforementioned bonds, and accept maintenance bond No. LICX1166623 to replace performance bond No. 1134474 for Tract 33096-12.

#### **Fiscal Impact:**

The fiscal impact of preparing the staff report is approximately \$650.

#### **Recommendation:**

- 1. Waive the full reading and adopt by title only, "A Resolution of the City of Beaumont Authorizing the Mayor to Accept the Offers of Dedication Related to Sewer Improvements";
- Approve and authorize the Mayor to sign the following documents as well as authorize the City Manager to release and exonerate all of the following bonds 45 days after the recordation of the Notice of Completion: Notice of Completion for sewer improvements Certificate of Acceptance for sewer improvements; and
- 3. Accept maintenance bond No. LICX1166623 to replace performance bond No. 1134474 street, sewer and storm drain.

Rev. 02/25/2015 Basic Gov (Sales Force) # 16-3544 \$ 16-3529 File # AGREEMENT TO PROVIDE SECURITY FOR IMPROVEMEN FOR TRACT MAP OR PARCEL MAP OR PLOT PLAN (Tract Map/Parcel Map/Plot Plan No. 33096-12)

THIS SECURITY AGREEMENT is made by and between CITY OF BEAUMONT ("CITY") and <u>K</u> Howman's Fourseasons, a \_\_\_\_\_\_ company ("DEVELOPER"). at Beaumont, LLC

#### RECITALS

A. DEVELOPER has applied to the CITY for permission to develop certain real property, pursuant to Tract Map/Parcel Map/Plot Plan # 3306-7 ("Map"). DEVELOPER has also asked the CITY to accept the dedication of the street or streets and other proposed public rights-of-way, parks and recreation facilities, and easements as depicted on the Map and to otherwise approve the Map so that it may be recorded as required by law; and

B. The CITY requires, as a condition precedent to the acceptance and approval of the Map and the dedication of the public rights-of-way and easements depicted thereon, that such rights-of-way be improved with (for example) grading, paving, curbs, gutters, sidewalks, street lights, stormdrains, sanitary sewers and appurtenances thereto, street name signs, survey monuments, electrical and telecommunications, water pipes, water mains, fire hydrants and appurtenances thereto, and landscaping, including any warranty work for all such improvements (collectively, "Improvements"); and

C. The Improvements have not yet been constructed and completed and it is the purpose of this Security Agreement to set forth the terms and conditions by which the DEVELOPER shall guarantee that such Improvements shall be constructed and completed within the time set forth herein.

#### AGREEMENT

NOW, THEREFORE, in consideration of the acceptance of the DEVELOPER's offer of dedication and the approval of the Map for filing and recording as provided and required by law, the CITY and the DEVELOPER hereby agree as follows:

1. <u>Provision of Improvements.</u> DEVELOPER shall provide, at the DEVELOPER's sole cost and expense, all necessary labor and materials to complete the construction of the Improvements depicted on the Map and described in the conditions of approval of the Map within one (1) year of the date of this Security Agreement.

2. <u>Inspection by the CITY</u>. The CITY shall inspect, at the DEVELOPER's sole cost and expense, all of the work, labor and materials performed and provided by the DEVELOPER in connection with the Improvements.

3. <u>Compliance with Plans and Specifications.</u> The Improvements shall be constructed and installed in strict accordance with the CITY-approved plans and specifications.

4. <u>Security for Performance.</u> Concurrently with the execution of this Security Agreement by DEVELOPER, DEVELOPER shall deliver to the CITY a performance bond issued by a corporate surety in substantially the form attached hereto as **Exhibit "A"**, in an amount that is not less than 100% of the total estimated cost of the Improvements and any warranty therefor. The performance bond shall be issued by an "admitted" corporate surety insurer authorized to do business in the State of California and the surety insurer shall have an A.M. Best rating of at least "A, XV". The surety insurer shall have assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The security or bond shall also insure against any and all defects in the Improvements for a period of not less than one full year after the date of acceptance thereof by the CITY. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

5. <u>Security for Contractors, Subcontractors, Laborers and Materialmen.</u> The DEVELOPER shall also provide a payment bond issued by a corporate surety for the security of laborers and materialmen, which bond or bonds shall be in substantially the form attached hereto as **Exhibit "B"** and made a part hereof. The amount of the bond(s) shall be no less than 100% of the total estimated amount needed to secure payment to the contractor, to the subcontractors, and to the persons furnishing labor, materials, or equipment to them for the Improvements. The laborers and materialmen bond shall be provided by an "admitted" corporate surety insurer authorized to transact surety insurance in the State of California with an A.M. Best rating of "A, XV", and with assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

General Liability and Worker's Compensation Insurance. The DEVELOPER 6. shall, before commencing any work, obtain commercial general liability insurance (primary) of not less than \$2,000,000.00 per occurrence for all coverages and \$2,000,000.00 general aggregate. The CITY and its employees and agents shall be added as additional insureds. Coverage shall apply on a primary non-contributing basis in relation to any other insurance or self-insurance, primary or excess, available to the CITY or any employee or agent of the CITY. Coverage shall not be limited to the vicarious liability or supervisory role of any additional insured. Coverage shall contain no contractors' limitation endorsement. There shall be no endorsement or modification limiting the scope of coverage for liability arising from pollution, explosion, collapse, underground property damage or employment-related practices. Such insurance shall not prohibit the DEVELOPER, and its employees or agents, from waiving the right of subrogation prior to a loss. The DEVELOPER waives its right of subrogation against the CITY. Unless otherwise approved by the CITY, the DEVELOPER's insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best rating of "A, XV." Self-insurance shall not be considered to comply with these insurance specifications. The DEVELOPER agrees to require all contractors, subcontractors and other parties hired for the Improvements to purchase and maintain insurance of the types specified

herein, naming as additional insureds all of the parties to this Security Agreement. The DEVELOPER shall, before commencing any work, obtain Worker's Compensation Insurance in an amount required by law and, failing to do so, the CITY may procure such insurance at the cost of the DEVELOPER.

7. <u>Comprehensive Commercial General and Automobile Liability Insurance</u>. The DEVELOPER, before commencing any work shall, at its own expense, maintain comprehensive commercial general and automobile liability insurance issued by a California-admitted surety company with an A.M. Best rating of no less than "A, XV" for \$2,000,000 per occurrence. Coverage shall be for the entire duration of the permitted activities. Such liability insurance policy shall name, by endorsement, the City as an additional insured.

8. Indemnification. Notwithstanding the provisions of Government Code, Section 66474.9 or any other statutes of similar import, and to the full extent permitted by law, the DEVELOPER shall defend, indemnify and hold harmless the CITY, its employees, agents, officials and attorneys, from and against any liability, claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind or nature, whether actual, alleged or threatened, reasonable attorneys' fees, court costs, interest, expert witness fees and any other costs or expenses of any kind whatsoever, without restriction or limitation, incurred in relation to, as a consequence of, or arising out of or in any way attributable actually, allegedly or impliedly, in whole or in part, to the Map, the Improvements, this Agreement, or any matter related to the same; provided, however, that the indemnification to be provided by DEVELOPER to the CITY pursuant to the terms of this paragraph shall not be applicable where the aforementioned liability, claim, suit, action, etcetera, is the result of the sole negligence or sole willful misconduct of the CITY.

9. <u>Procedure for Release of Performance Bond Security</u>. The security furnished by the DEVELOPER shall be released in whole or in part in the following manner:

a. Security shall be released upon final completion and acceptance of the Improvements. If the security furnished by the DEVELOPER is a documentary evidence of security, such as a surety bond, the CITY shall release the documentary evidence and return the original to the Surety upon final completion and acceptance of the Improvements. In the event the CITY is unable to return the original documentary evidence to the Surety, the security shall be released by written notice sent by certified mail to the DEVELOPER and to the Surety within 30 days of the City's acceptance of the Improvements. The written notice shall contain a statement that the work for which security was furnished has been completed and accepted, a description of the Improvements, and the notarized signature of an authorized CITY official.

b. At such time as the DEVELOPER believes that the work for which the security was required is complete and makes payment of a partial exoneration fee of \$350 to the CITY, the DEVELOPER shall notify the CITY in writing of the completed work, including a list of work completed. Upon receipt of the written notice, the CITY shall have 45 days to review and comment or approve the completion of the Improvements. If the CITY does not agree that all work has been completed in accordance with the plans

and specifications for the Improvements, it shall supply a list of all remaining work to be completed.

٤.

c. Within 45 days of receipt of the CITY's list of remaining work, the DEVELOPER may then provide cost estimates for all remaining work for review and approval by the CITY.

d. Upon receipt of the cost estimates, the CITY shall then have 45 days to review, comment, and approve, modify or disapprove those cost estimates. The CITY shall not be required to engage in this process of partial release more than once between the start of work and the completion and acceptance of all work.

e. The DEVELOPER shall complete the works of Improvement until all remaining items are accepted by the CITY. Upon completion of the Improvements, the DEVELOPER shall be notified in writing by the CITY within 45 days and, within 45 days of the date of the CITY's notice, the release of any remaining performance security shall be made within 60 days of the recording of the Notice of Completion.

10. <u>Procedure for Release of Payment Bond Security.</u> Security securing the payment to the contractor, his or her subcontractors and persons furnishing labor, materials or equipment may, after passage of the time within which mechanic's liens and stop notices are required to be recorded and after acceptance of the Improvements, be reduced by Surety to an amount equal to the total claimed by all claimants for whom mechanic's liens and stop notices have been recorded and notice thereof given in writing to the CITY, and if no claims have been recorded, the security may be released in full.

11. <u>Security for One-Year Warranty Period</u>. The release procedures described in paragraphs 9 and 10 above shall not apply to any required guarantee and warranty period nor to the amount of the performance bond security deemed necessary by the CITY for the guarantee and warranty period nor to costs and reasonable expenses and fees, including reasonable attorneys' fees.

12. <u>Binding Effect.</u> This Security Agreement shall be binding upon and shall inure to the benefit of the parties hereto, their legal representatives and their successors and assigns.

13. <u>Authority to Execute</u>. The DEVELOPER hereby warrants and represents to the CITY that the individual signing this Security Agreement on behalf of the DEVELOPER is vested with the unconditional authority to do so pursuant to, and in accordance with, all applicable legal requirements, and has the authority bind the DEVELOPER hereto.

14. <u>No Assignment.</u> The DEVELOPER may not assign this Security Agreement, or any part thereof, to another without the prior written consent of the CITY.

15. <u>Attorneys' Fees.</u> In the event of legal action to enforce or interpret this Agreement or any of its provisions, the prevailing party shall be entitled, in addition to any other form of relief, to recover its reasonable attorneys' fees and costs of suit.

16. <u>Execution in Counterparts.</u> This Agreement may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute a single agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the dates listed below.

## PERFORMANCE BOND

WHEREAS, the City Council of the City of Beaumont, State of California, and <u>K</u> Hovnanian's Four Seasons at Beaumont, LLC (hereinafter designated as "Principal") have entered into Agreement To Provide Security For Improvements For Tract Map Or Parcel Map Or Plot Plan, dated \_\_\_\_\_\_, 20\_\_, whereby Principal agrees to install and complete certain designated public improvements itemized and described on Tract Map, Parcel Map or Plot Plan No. 33096-12, which is hereby incorporated herein and made a part hereof; and

WHEREAS, Principal is required under the terms of the said agreement to furnish a bond for the faithful performance of said agreement.

NOW, THEREFORE, we, the Principal and Lexon Insurance Company as Surety, are held and firmly bound unto the City of Beaumont (hereinafter called "City"), in the penal sum of Two Million Four Hundred Fifty Three Thousand Three Hundred United States, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, successors, executors and administrators, jointly and severally, firmly by these presents.

The condition of this obligation is such that if the Principal, his or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and provisions in the said agreement and any alteration thereof made as therein provided, on his or their part to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless the City, its officers, agents and employees as therein stipulated, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

As part of the obligation secured hereby and in addition to the face amount specified therefor, there shall be included costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing such obligation, all to be taxed as costs and included in any judgment therein rendered.

The Surety hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the agreement or to the work to be performed thereunder or the specifications accompanying the same shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the agreement or to the work or to the specifications.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on June 30th \_\_\_\_\_\_, 20 16 \_\_\_\_\_.

## Lexon Insurance Company

KNOW ALL MEN BY THESE PRESENTS, that LEXON INSURANCE COMPANY, a Texas Corporation, with its principal office in Louisville, Kentucky, does hereby constitute and appoint: Christine Marotta, Debra Kohlman, Thomas P. Pluss its true and lawful Attorney(s)-In-Fact to make, execute, seal and deliver for, and on its behalf as surety, any and all bonds, undertakings or other writings obligatory in nature of a bond.

This authority is made under and by the authority of a resolution which was passed by the Board of Directors of LEXON INSURANCE COMPANY on the 1<sup>st</sup> day of July, 2003 as follows:

Resolved, that the President of the Company is hereby authorized to appoint and empower any representative of the Company or other person or persons as Attorney-In-Fact to execute on behalf of the Company any bonds, undertakings, policies, contracts of indemnity or other writings obligatory in nature of a bond not to exceed \$3,000,000.00, Three Million dollars, which the Company might execute through its duly elected officers, and affix the seal of the Company thereto. Any said execution of such documents by an Attorney-In-Fact shall be as binding upon the Company as if they had been duly executed and acknowledged by the regularly elected officers of the Company. Any Attorney-In-Fact, so appointed, may be removed for good cause and the authority so granted may be revoked as specified in the Power of Attorney.

Resolved, that the signature of the President and the seal of the Company may be affixed by facsimile on any power of attorney granted, and the signature of the Assistant Secretary, and the seal of the Company may be affixed by facsimile to any certificate of any such power and any such power or certificate bearing such facsimile signature and seal shall be valid and binding on the Company. Any such power so executed and sealed and certificate so executed and sealed shall, with respect to any bond of undertaking to which it is attached, continue to be valid and binding on the Company.

IN WITNESS THEREOF, LEXON INSURANCE COMPANY has caused this instrument to be signed by its President, and its Corporate Seal to be affixed this 5th day of August, 2015.

WHEREAS, the City Council of the City of Beaumont, State of California, and K. Hovnanian's Four Seasons at Beaumont, LLC (hereafter designated as "the Principal") have entered into Agreement To Provide Security For Improvements For Tract Map Or Parcel Map Or Plot Plan, dated \_\_\_\_\_\_, 20\_\_\_, whereby Principal agrees to install and complete certain designated public improvements itemized and described on Tract Map, Parcel Map or Plot Plan No.33096-12, which is hereby incorporated herein and made a part hereof; and

WHEREAS, under the terms of the said agreement, the Principal is required before entering upon the performance of the work, to file a good and sufficient payment bond with the City of Beaumont to secure the claims to which reference is made in Section 8000, et seq., of the Civil Code of the State of California.

NOW, THEREFORE, the Principal and the undersigned as corporate surety, are held firmly bound unto the City of Beaumont and all contractors, subcontractors, laborers, materialmen, and other persons employed in the performance of the said agreement and referred to at Section 8000, et seq., of the Civil Code in the sum of Two Million Four Hundred Fifty Three Housand dollars (\$2,453,322.60), for materials furnished or labor thereon of any kind, or for amounts due under the Unemployment Insurance Act with respect to this work or labor, that the Surety will pay the same in an amount not exceeding the amount hereinabove set forth, and also in case suit is brought upon this bond, will pay, in addition to the face amount thereof, costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing this obligation, to be awarded and fixed by the court, and to be taxed as costs and to be included in the judgment therein rendered.

It is hereby expressly stipulated and agreed that this bond shall inure to the benefit of any and all persons, companies, and corporations entitled to file claims under Section 8000, et seq., of the Civil Code, so as to give a right of action to them or their assigns in any suit brought upon this bond.

Should the condition of this bond be fully performed, then this obligation shall become null and void, otherwise it shall be and remain in full force and effect.

The Surety hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the agreement or the specifications accompanying the same shall in any manner affect its obligations on this bond, and it does hereby waive notice of any such change, extension, alteration, or addition.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on June 30th \_\_\_\_\_\_, 20 16\_\_\_.

#### PERFORMANCE BOND

WHEREAS, the City Council of the City of Beaumont, State of California, and <u>K. Hownanian's Four Seasons at Beaumont, LLC</u> (hereinafter designated as "Principal") have entered into an agreement whereby Principal agrees to install and complete certain designated public improvements, which agreement, dated <u>April 25</u>, 2013, and identified as project TM/PM/PP/CUP 33096, is hereby referred to and made a part hereof; and Four Seasons at Beaumont – Sewer Improvements

WHEREAS, Principal is required under the terms of the said agreement to furnish a bond for the faithful performance of said agreement.

NOW, THEREFORE, we, the Principal and Westchester Fire Insurance Company as Surety, are held and firmly bound unto the City of Beaumont (hereinafter called "City"), in the penal sum of One Hundred Forty Seven Thousand Five Hundred Fibye75/100 dollars (\$147,550.75 ) lawful money of the United States, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, successors, executors and administrators, jointly and severally, firmly by these presents.

The condition of this obligation is such that if the Principal, his or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and provisions in the said agreement and any alteration thereof made as therein provided, on his or their part to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save hamless the City, its officers, agents and employees as therein stipulated, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

As part of the obligation secured hereby and in addition to the face amount specified therefor, there shall be included costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing such obligation, all to be taxed as costs and included in any judgment therein rendered.

The Surety hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the agreement or to the work to be performed thereunder or the specifications accompanying the same shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the agreement or to the work or to the specifications.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on April 25 , 20 13 .

Bond No. K08619906 Premium: Included w/ Performance Bond

#### EXHIBIT "B"

#### PAYMENT BOND

WHEREAS, the City Council of the City of Beaumont, State of California, and <u>K. Howanian's Four Seasons at Beaumont, LLC</u> (hereafter designated as "the Principal") have entered into an agreement whereby the Principal agrees to install and complete certain designed public improvements, which agreement, dated April 25 \_\_\_\_\_\_, 2013 \_\_\_\_, and identified as project TM/PM/PP/CUP 33096 \_\_\_\_\_\_\_, is hereby referred to and made a part hereof, and Four Seasons at Beaumont - Storm Drain

WHEREAS, under the terms of the said agreement, the Principal is required before entering upon the performance of the work, to file a good and sufficient payment bond with the City of Beaumont to secure the claims to which reference is made in Title 15 (commencing with Section 3082) of Part 4 of Division 3 of the Civil Code of the State of California.

NOW, THEREFORE, the Principal and the undersigned as corporate surety, are held firmly bound unto the City of Beaumont and all contractors, subcontractors, laborers, materialmen, and other persons employed in the performance of the said agreement and referred to in Title 15 (commencing with Section 3082) of Part 4 of Division 3 of the Civil Code in the sum of <u>Two Handred Three Thousand Nanety and 58400</u> dollars (\$203,000.58), for materials furnished or labor thereon of any kind, or for amounts due under the Unemployment Insurance Act with respect to this work or labor, that the Surety will pay the same in an amount not exceeding the amount hereinabove set forth, and also in case suit is brought upon this bond, will pay, in addition to the face amount thereof, costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing this obligation, to be awarded and fixed by the court, and to be taxed as costs and to be included in the judgment therein rendered.

It is hereby expressly stipulated and agreed that this bond shall inure to the benefit of any and all persons, companies, and corporations entitled to file claims under Title 15 (commencing with Section 3082) of Part 4 of Division 3 of the Civil Code, so as to give a right of action to them or their assigns in any suit brought upon this bond.

Should the condition of this bond be fully performed, then this obligation shall become null and void, otherwise it shall be and remain in full force and effect.

The Sorety hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the agreement or the specifications accompanying the same shall in any manner affect its obligations on this bond, and it does hereby waive notice of any such change, extension, alteration, or addition.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on April 25 \_\_\_\_\_\_, 20 13 \_\_\_\_\_.

# RESOLUTION NO.

# A RESOLUTION OF THE CITY OF BEAUMONT AUTHORIZING THE MAYOR TO ACCEPT THE OFFERS OF DEDICATION RELATED TO SEWER IMPROVEMENTS

WHEREAS, K. Hovnanian's Four Seasons at Beaumont, LLC had originally offered to dedicate lots "E" through "K", inclusive of Tract # 33096 filed July 12, 2013 in Book 437 of Maps at Pages 65-70 to the City of Beaumont; and

WHEREAS, City did not accept the aforementioned offers of dedication because sewer improvements were not completed by developer at the time of final map acceptance; and

WHEREAS, California Government Code Section 66477.2 allows a legislative body to accept dedications at a later date that were not originally accepted during final map acceptance by forming a resolution to accept those dedications; and

WHEREAS, City staff has determined that sewer improvements have been completed and are ready to accept; and

WHEREAS, Government Code Section 27281 provides that instruments conveying an interest in real property to the City may not be recorded without a Certificate of Acceptance from the City Council; and

WHEREAS, Government Code Section 27281 also provides that the City Council may, by a resolution, authorize one or more officers to accept instruments conveying an interest in real property by executing a Certificate of Acceptance; and

WHEREAS, the City Council desires to delegate to the Mayor the authority to accept the within described real property interests on behalf of the City.

WHEREAS, A notice of completion and certificate of acceptance for accepting the aforementioned Lots will be recorded with the Riverside County Clerk Recorder's Office once the resolution is adopted by City Council; and

**NOW, THEREFORE, BE IT RESOLVED**, that the City of Beaumont does authorize accepting easements for sewer purposes within private streets, lots "E" through "K", inclusive of Tract Number 33096 filed July 12, 2013 in Book 437 of Maps at Pages 65-70 per the following provisions:

**Provision 1**. Recordation of the aforementioned certificate of acceptance shall be executed by the Mayor and recorded with the Riverside County Clerk Recorder's Office

| SUBJECT: | Approve Lien Release for William Lyon Homes, LLC for Tract Map Numbers<br>34880 and 27971-5 within the Olivewood Specific Plan Residential<br>Development |

# **Background and Analysis:**

The City requires developers to provide security for public improvements consisting of, but not limited to, sewer improvements, street improvements, storm drain improvements, utility improvements, and monument improvements. The bonded improvements listed in Table 1 are being constructed by William Lyon Homes, LLC.

The Olivewood development is located north of State Route 60, south of Oak Valley Parkway, and west of Potrero Boulevard. The development will be maintained by a home owner's association, and the City will only be responsible for maintaining the sewer infrastructure once all improvements are complete, and after maintenance bonds have been exonerated.

The lien contract for Tract Map No. 34880 includes streets, storm drain, sewer, and water. The lien contract for Tract Map No. 27971-5 includes streets, storm drain, sewer, water, recycled water, and monumentation. The developer has previously submitted bonds for these improvements (Tract Map #27971), and staff has confirmed with the Beaumont Cherry Valley Water District that they have the required water bonds records to release these liens.

The following table includes the City's bond number, bond type, type of improvement, and Tract Map number.

Staff is recommending approval of the lien releases for William Lyon Homes, LLC. for Tract Map Numbers 34880 and 27971-5 within the Olivewood specific plan residential development.

# **Fiscal Impact:**

The fiscal impact of preparing this staff report is approximately \$1,000.

# **Recommendation:**

1. Approve the lien release for William Lyon Homes, LLC for Tract Map Numbers 34880 and 27971-5 within the Olivewood specific plan residential development.

> LIEN CONTRACT (Lien Contract as Initial Security; Gov. Code Section 66499(a)(4))

THIS LIEN CONTRACT ("Lien Contract") is entered into this <u>16</u><sup>(A)</sup> day of December, 2016, by and between the CITY OF BEAUMONT, CALIFORNIA, a general law city ("City") and RSI COMMUNITIES – HEARTLAND, a Delaware limited liability company ("Owner").

### RECITALS

A. A predecessor-in-interest of the Owner sought and obtained the City's approval of Tentative Tract Map No. 27971 (the "Map"). A copy of the Map is on file in the Office of the City Clerk and is incorporated herein by reference.

B. As a condition precedent to approval of Parcel Map No. 34880 ("Final Map"), which Final Map was filed in Book 237, Pages 67 through 76, inclusive, of Parcel Maps, in the Office of the County Recorder of Riverside, California, LV Heartland LLC, a Delaware limited liability company ("LVH"), as predecessor-in-interest of the Owner, entered into that certain Agreement to Provide Security for Improvements for Tract Map or Parcel Map or Plot Plan dated July 17, 2014 ("Original Subdivision Improvement Agreement") to complete certain tasks and construct certain improvements as required by the Final Map and other entitlements including the Specific Plan and Final Environmental Impact Report applicable to the property subject to the Final Map ("Developer Obligations"). The Original Subdivision Improvement Agreement required LVH to provide security satisfactory to the City in accordance with and the Subdivision Map Act (Gov. Code, §§ 66462 and 66499).

C. The Developer Obligations remain outstanding and unperformed.

D. Owner and City have entered into that certain replacement Agreement to Provide Security for Improvements for Tract Map or Parcel Map or Plot Plan dated as of <u>Dec. 16</u>, 2016 ("New Subdivision Improvement Agreement") to replace the Original Subdivision Improvement Agreement and provide for the Owner's posting of new security in connection therewith.

Infrastructure Water, Sewer and Storm Drain

E. City is authorized to accept the security proposed by Owner, known as a lien contract, under the provisions of Government Code Section 66499(a)(4) and, pursuant to the New Subdivision Improvement Agreement, City has agreed to accept the first lien on the terms and conditions hereof.

F. City has found and determined, pursuant to California Government Code Section 66499(a)(4) that "it would not be in the public interest to require the installation of the required improvement[s] sooner than two years after the recordation" of the Map.

NOW, THEREFORE, for good and valuable consideration, including the obligations herein and the trust herein created, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

#### 1. Owner's Performance.

a. Owner hereby grants to City, in accordance with the terms and conditions of this Lien Contract, a first lien upon the property described in <u>Attachment "A"</u> ("Property"), attached hereto, as security for the following obligations of Owner:

(1) Construction of the improvements ("Improvements") specified in the New Subdivision Improvement Agreement, in the estimated amount and for the purposes specified in <u>Attachment "B"</u> attached hereto; provided, however, that Owner's obligation hereunder shall extend to the actual cost of construction of the Improvements, notwithstanding that such costs may exceed the estimate set forth in <u>Attachment "B"</u>; and

(2) Payment of the fees or services ("Fees") required by the City in the amount required as a condition of approval of the Final Map.

(3) All of the Developer Obligations and the obligations of Owner under this Lien Contract and under the New Subdivision Improvement Agreement ("Obligations").

This lien secures said Improvements, Fees and Obligations (collectively, the "Secured Obligations").

b. For the purpose of securing payment and performance of the Secured Obligations, Owner hereby irrevocably and unconditionally grants, conveys, transfers and assigns to Fidelity National Title ("Trustee"), as trustee, in trust, WITH POWER OF SALE TOGETHER WITH THE RIGHT OF ENTRY AND POSSESSION, for the benefit and security of the City, all present and future rights, titles, interests, estates, powers and privileges that Owner now has or may hereafter acquire in or to the Property. Prior to obtaining any type of permit, including a grading or building permit, or commencing the installation and construction of any portion of the Improvements required by the New Subdivision Improvement Agreement, whichever occurs first, Owner shall deposit fees for inspections, tests and other related purposes, and shall substitute payment and performance bonds in amounts satisfactory to the City ("Suitable Future Bond") in place of this Lien Contract. Owner shall make the deposits specified herein in the amounts prescribed for such purposes at the time the deposit is due. Owner also

Infrastructure Water, Sewer and Storm Drain

agrees to provide the Suitable Future Bond in the amounts and for the purposes set forth in the New Subdivision Improvement Agreement, except that the amounts shall be calculated using the estimated cost of the Improvement as of the time of the substitution of security, as ascertained by the City.

c. Owner shall perform and complete the Improvements required by the New Subdivision Improvement Agreement, including without limitation, the requirement that, except as otherwise agreed by the CITY, Improvements that are secured by one or more payment and performance bonds shall be constructed within one (1) year after the date on which the DEVELOPER has delivered such payment and performance bonds to the CITY.

#### 2. City's Performance.

Following City's approval and receipt of the substitute forms of security submitted by Owner pursuant to Paragraph 1(c) above and receipt of applicable Fees, City shall release the Property from the provisions of this Lien Contract, and shall execute any necessary release to enable Owner or its transferee to clear the record of title of the Property so released of the lien herein imposed.

#### 3. Effect of Lien Contract.

a. From the date of recordation of this Lien Contract, a lien shall attach to the Property which shall have the priority of a judgment lien in an amount necessary to secure and discharge all obligations contained in this Lien Contract and New Subdivision Improvement Agreement, and any Fees.

b. Unless written consent of the City is obtained, the Owner shall not convey, lien or encumber any portion of or interest in the Property covered by this Lien Contract until Suitable Future Bonds or some other form of alternative security acceptable to the City has been provided and this Lien Contract has been released.

c. So long as this Lien Contract is utilized for security as described herein, offers of dedication for street purposes on the Property will not be accepted by the City.

The City shall not have an obligation to subordinate its rights hereunder to any other lender or encumbrancer unless substitute security in the form of a bond or letter of credit satisfactory to City is secured by Owner.

4. <u>Events of Default</u>. Upon the occurrence of any one of the following events, Owner shall be deemed in default hereunder:

a. Failure by Owner to deposit fees for inspections, tests and other specific purposes or to substitute Suitable Future Bonds or other forms of security satisfactory to City within the time allotted and as prescribed by this Lien Contract.

b. Commencement of any work on the Improvements by Owner, its agents or employees, prior to substitution of acceptable security, including, without limitation, Suitable Future Bonds, with the City in place of this Lien Contract.

Infrastructure Water, Sewer and Storm Drain

c. Failure by Owner to complete construction of the Improvements described in the New Subdivision Improvement Agreement within the time allotted and as prescribed in this Lien Contract, and otherwise extended pursuant to the terms of the New Subdivision Improvement Agreement.

d. The appointment, pursuant to an order of a court of competent jurisdiction, of a trustee, receiver or liquidator of the Property or any part thereof, or of Owner.

e. The filing by Owner of a petition in bankruptcy or for an arrangement or for reorganization pursuant to the Federal Bankruptcy Code or any similar law, federal or state, or the adjudication of Owner as a bankrupt or as insolvent by a decree of a court of competent jurisdiction, or the making of an assignment for the benefit of creditors, or the admission by Owner in writing of its inability to pay its debts generally as they become due, or the giving of consent by Owner to the appointment of a receiver or receivers of all or any part of its property, including the Property.

f. The filing by any of the creditors of Owner or the reorganization of Owner pursuant to the Federal Bankruptcy Code or any similar law, federal or state and the same is not discharged within ninety (90) days after the date of filing thereof.

g. Levy of any attachment or writ of execution against Owner and the Property whereby the Property is taken or occupied or attempted to be taken or occupied by someone other than Owner and such attachment or execution is not released within (60) days.

h. Sale of any lot or lots shown on the Map prior to release of the lien created by this Lien Contract, except as provided in Paragraph 3(b).

i. Failure of owner to pay the Fees described in Paragraph 1(a)(2) above, at the time required.

j. Breach by Owner of any other term or condition of this Lien Contract or the Subdivision Improvement Agreement, or Owner's failure to fully and faithfully discharge its obligations hereunder within the time specified herein.

k. Failure to pay prior to delinquency any taxes, assessments, fees or other amounts the payment of which are secured by a lien against part or all of the Property.

1. Failure of Owner to maintain liability insurance in the amount of at least \$2,000,000.00 per occurrence and in the aggregate on the Property naming City as an additional insured.

m. The occurrence of any waste, violation of an ordinance, violation of a condition of approval or nuisance on the Property which is not cured by Owner within thirty (30) days following written notice from City.

n. The breach or violation of any other subdivision improvement agreement, or lien contract between City and Owner beyond any applicable notice and cure period.

All references to Owner in this Paragraph 4 shall be deemed to include Owner's successors, assignees and transferees.

5. <u>City's Remedies</u>. Upon the occurrence of any of the events described in Paragraph 4, above, City may, at its option, declare all obligations, amounts and indebtedness secured hereby immediately due and payable without any presentment, demand, protest, or notice, and take one or more of the actions below:

a. Pursue any or all of the remedies provided in the New Subdivision Improvement Agreement;

Commence and maintain an action or actions to foreclose this lien by **b**. appropriate action in court or as provided by law for the non-judicial foreclosure of mortgages or deeds of trust under power of sale pursuant to California Civil Code Sections 2924, 2924(b) and 2924(c), and Owner agrees that the amount of said lien shall include attorneys' fees as provided in Paragraph 6(b) below. CITY will deposit with TRUSTEE this Lien Contract, the New Subdivision Improvement Agreement, and any receipts and evidence of expenditures made and secured as TRUSTEE may require. If notice of default has been given as then required by law, and after lapse of the time that may then be required by law, after recordation of the notice of default, TRUSTEE, without demand on OWNER, will, after notice of sale having been given as required by law, sell the Property at the time and place of sale fixed by it in the notice of sale, either as a whole or in separate parcels as TRUSTEE determines, and in any order that it may determine, at public auction to the highest bidder. TRUSTEE may postpone sale of all or any portion of the Property by public announcement at the time and place of sale, and from time to time after that may postpone the sale by public announcement at the time fixed by the preceding postponement, and without further notice make the sale at the time fixed by the last postponement; or TRUSTEE may, in its discretion, give a new notice of sale. CITY may rescind any notice of default at any time before TRUSTEE's sale by executing a notice of rescission and recording it. The recordation of the notice will constitute a cancellation of any prior declaration of default and demand for sale and of any acceleration of maturity of obligations affected by any prior declaration or notice of default. The exercise by CITY of the right of rescission will not constitute a waiver of any default then existing or subsequently occurring, or impair the right of CITY to execute other declarations of default and demand for sale, or notices of default and of election to cause the Property to be sold, nor otherwise affect the Lien Contract, the New Subdivision Improvement Agreement, or any of the rights, obligations, or remedies of CITY or TRUSTEE. After sale, TRUSTEE will deliver to the purchaser its deed conveying the property sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters or facts will be conclusive proof of their truthfulness. Any Person, including Owner, TRUSTEE, or CITY, may purchase at that sale. If allowed by law, CITY, if it is the purchaser, may turn in the New Subdivision Security Agreement at the amount owing on it toward payment of the purchase price (or for endorsement of the purchase price as a payment if the amount owing exceeds the purchase price). TRUSTEE, upon the sale, will make (without any covenant or warranty, express or implied), execute and, after due payment made, deliver to a purchaser and its heirs or assigns a deed or other record of interest, as the case may be, to the Property

sold, which will convey to the purchaser all the title and interest of Owner in the Property and will apply the proceeds of the sale in payment first, of the expenses of the sale together with the expenses of the trustee, including, without limitation, attorney fees, that will become due on any default made by OWNER, and also any sums that TRUSTEE or CITY have paid for procuring a search of the title to the Property subsequent to the execution of this Lien Contract; and second, of the Secured Obligations then remaining unpaid. TRUSTEE will pay the balance or surplus of the proceeds of sale, if any, to OWNER and its successors or assigns as its interests may appear;

c. Commence and maintain an action or actions in any court of competent jurisdiction to foreclose this instrument as a mortgage or to obtain specific enforcement of the covenants of Owner hereunder, and Owner agrees that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy and that for the purposes of any suit brought under this subparagraph, Owner waives the defense of latches and any applicable statute of limitations;

d. Estimate the cost of the work required to complete the Improvements which estimate shall be deemed a debt and obligation in a liquidated sum of Owner, and judicially or non-judicially foreclose said lien in said amount; and

e. Pursue any other remedy, legal or equitable including but not limited to those for the foreclosure of a lien, and Owner, its assigns, shall pay reasonable attorneys' fees as a cost in said proceedings.

6. General Provisions.

a. <u>Recordation</u>. This Lien Contract shall be recorded by City with the Recorder's Office of the County of Riverside immediately following execution of this Lien Contract by (1) all parties hereto, and (2) all parties having any record title interest in the subject real property, pursuant to Government Code Section 66436, acknowledging subordination of their interests to this Lien Contract.

b. <u>Attorneys' Fees</u>. City shall be entitled to reasonable attorneys' fees, paralegal fees, and other charges, expenses and costs incurred in enforcing its rights under this Lien Contract.

c. <u>Contingency</u>. This Lien Contract shall not take effect until it has been approved by the City and recorded.

d. <u>Entire Agreement</u>. This Lien Contract together with all attachments and other agreements expressly referred to herein, constitutes the entire agreement between the parties with respect to the subject matter contained herein. All prior or contemporaneous agreements, understandings, representations, warranties and statements, oral or written, are superseded.

e. <u>Further Assurances</u>. The parties agree to perform such further acts and to execute and deliver such additional documents and instruments as may be reasonably required in order to carry out the provisions of this Lien Contract and the intentions of the parties.

f. <u>Governing Law</u>. This Lien Contract shall be governed, interpreted, construed and enforced in accordance with the laws of the State of California.

g. <u>Headings</u>. The captions and Section headings used in this Lien Contract are inserted for convenience of reference only and are not intended to define, limit or affect the construction or interpretation of any term or provision hereof.

h. <u>Modification, Waiver</u>. No modification, waiver, amendment or discharge of this Lien Contract shall be valid unless the same is in writing and signed by all parties.

i. <u>No Other Inducement</u>. The making, execution and delivery of this Lien Contract by the parties hereto has been induced by no representations, statements, warranties or agreements other than those expressed herein.

j. <u>Severability</u>. If any term, provision, covenant or condition of this Lien Contract is held to be invalid, void or otherwise unenforceable, to any extent, by any court of competent jurisdiction, the remainder of this Lien Contract shall not be affected thereby, and each term, provision, covenant or condition of this Lien Contract shall be valid. and enforceable to the fullest extent permitted by law.

k. <u>Execution in Counterparts</u>. This Lien Contract may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute a single agreement.

If City or the Trustee is made a party to or is threatened with any litigation 1. concerning this Lien Contract or the New Subdivision Improvement Agreement the Property or any part thereof or interest therein, or the actions or omissions of Owner on the Property then Owner shall indemnify, defend and hold City and Trustee harmless for, from and against all liability by reason of said threat and/or litigation, including reasonable attorneys' fees and expenses incurred by City as a result of any such threat and/or litigation, whether or not any such threat and/or litigation is prosecuted to judgment; provided, however, that the indemnification to be provided by Owner to the City pursuant to the terms of this paragraph shall not be applicable where the aforementioned liability, claim, suit, action, et cetera, is the result of the sole negligence or sole willful misconduct of the City. City or Trustee may employ an attorney or attorneys to protect its rights hereunder, and in the event of such employment following any breach of the foregoing obligation by Owner, Owner shall pay City and Trustee reasonable attorneys' fees and expenses incurred by City or Trustee, whether or not an action is actually breach. commenced against Owner or Trustee by reason of its

OLV - SEWER LIFT STATION AGREEMENT TO PROVIDE SECURITY FOR IMPROVEMENTS FOR TRACT MAP OR PARCEL MAP OR PLOT PLAN (Tract Map/Parcel, Map/Plot Plan No. 27291)

THIS SECURITY AGREEMENT is made by and between CITY OF BEAUMONT ("CITY") and RSI COMMUNITIES-CALIFORNIA LLC, a Delaware limited liability company ("DEVELOPER").

### RECITALS

A. DEVELOPER has applied to the CITY for permission to develop certain real property, pursuant to Tract Map/Parcel Map/Plot Plan # 27971, ("Map"). DEVELOPER has also asked the CITY to accept the dedication of the street or streets and other proposed public rights-of-way, parks and recreation facilities, and easements as depicted on the Map and to otherwise approve the Map so that it may be recorded as required by law; and

B. The CITY requires, as a condition precedent to the acceptance and approval of the Map and the dedication of the public rights-of-way and easements depicted thereon, that such rights-of-way be improved with (for example) grading, paving, curbs, gutters, sidewalks, street lights, stormdrains, sanitary sewers and appurtenances thereto, street name signs, survey monuments, electrical and telecommunications, water pipes, water mains, fire hydrants and appurtenances thereto, and landscaping, including any warranty work for all such improvements (collectively, "Improvements"); and

C. The Improvements have not yet been constructed and completed and it is the purpose of this Security Agreement to set forth the terms and conditions by which the DEVELOPER shall guarantee that such Improvements shall be constructed and completed within the time set forth herein.

#### AGREEMENT

NOW, THEREFORE, in consideration of the acceptance of the DEVELOPER's offer of dedication and the approval of the Map for filing and recording as provided and required by law, the CITY and the DEVELOPER hereby agree as follows:

1. <u>Provision of Improvements.</u> DEVELOPER shall provide, at the DEVELOPER's sole cost and expense, all necessary labor and materials to complete the construction of the Improvements depicted on the Map and described in the conditions of approval of the Map within one (1) year of the date of this Security Agreement.

2. <u>Inspection by the CITY</u>. The CITY shall inspect, at the DEVELOPER's sole cost and expense, all of the work, labor and materials performed and provided by the DEVELOPER in connection with the Improvements.

3. <u>Compliance with Plans and Specifications</u>. The Improvements shall be constructed and installed in strict accordance with the CITY-approved plans and specifications.

4. <u>Security for Performance.</u> Concurrently with the execution of this Security Agreement by DEVELOPER, DEVELOPER shall deliver to the CITY a performance bond issued by a corporate surety in substantially the form attached hereto as **Exhibit "A"**, in an amount that is not less than 100% of the total estimated cost of the Improvements and any warranty therefor. The performance bond shall be issued by an "admitted" corporate surety insurer authorized to do business in the State of California and the surety insurer shall have an A.M. Best rating of at least "A, XV". The surety insurer shall have assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The security or bond shall also insure against any and all defects in the Improvements for a period of not less than one full year after the date of acceptance thereof by the CITY. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

5. <u>Security for Contractors, Subcontractors, Laborers and Materialmen.</u> The DEVELOPER shall also provide a payment bond issued by a corporate surety for the security of laborers and materialmen, which bond or bonds shall be in substantially the form attached hereto as **Exhibit "B**" and made a part hereof. The amount of the bond(s) shall be no less than 100% of the total estimated amount needed to secure payment to the contractor, to the subcontractors, and to the persons furnishing labor, materials, or equipment to them for the Improvements. The laborers and materialmen bond shall be provided by an "admitted" corporate surety insurer authorized to transact surety insurance in the State of California with an A.M. Best rating of "A, XV", and with assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

6. General Liability and Worker's Compensation Insurance. The DEVELOPER shall, before commencing any work, obtain commercial general liability insurance (primary) of not less than \$2,000,000.00 per occurrence for all coverages and \$2,000,000.00 general aggregate. The CITY and its employees and agents shall be added as additional insureds. Coverage shall apply on a primary non-contributing basis in relation to any other insurance or self-insurance, primary or excess, available to the CITY or any employee or agent of the CITY. Coverage shall not be limited to the vicarious liability or supervisory role of any additional insured. Coverage shall contain no contractors' limitation endorsement. There shall be no endorsement or modification limiting the scope of coverage for liability arising from pollution, explosion, collapse, underground property damage or employment-related practices. Such insurance shall not prohibit the DEVELOPER, and its employees or agents, from waiving the right of subrogation prior to a loss. The DEVELOPER waives its right of subrogation against the CITY. Unless otherwise approved by the CITY, the DEVELOPER's insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best rating of "A, XV." Self-insurance shall not be considered to comply with these insurance specifications. The DEVELOPER agrees to require all contractors, subcontractors and other parties hired for the Improvements to purchase and maintain insurance of the types specified

herein, naming as additional insureds all of the parties to this Security Agreement. The DEVELOPER shall, before commencing any work, obtain Worker's Compensation Insurance in an amount required by law and, failing to do so, the CITY may procure such insurance at the cost of the DEVELOPER.

.

12

7. <u>Comprehensive Commercial General and Automobile Liability Insurance</u>. The DEVELOPER, before commencing any work shall, at its own expense, maintain comprehensive commercial general and automobile liability insurance issued by a California-admitted surety company with an A.M. Best rating of no less than "A, XV" for \$2,000,000 per occurrence. Coverage shall be for the entire duration of the permitted activities. Such liability insurance policy shall name, by endorsement, the City as an additional insured.

8. <u>Indemnification</u>. Notwithstanding the provisions of Government Code, Section 66474.9 or any other statutes of similar import, and to the full extent permitted by law, the DEVELOPER shall defend, indemnify and hold harmless the CITY, its employees, agents, officials and attorneys, from and against any liability, claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind or nature, whether actual, alleged or threatened, reasonable attorneys' fees, court costs, interest, expert witness fees and any other costs or expenses of any kind whatsoever, without restriction or limitation, incurred in relation to, as a consequence of, or arising out of or in any way attributable actually, allegedly or impliedly, in whole or in part, to the Map, the Improvements, this Agreement, or any matter related to the same; provided, however, that the indemnification to be provided by DEVELOPER to the CITY pursuant to the terms of this paragraph shall not be applicable where the aforementioned liability, claim, suit, action, etcetera, is the result of the sole negligence or sole willful misconduct of the CITY.

9. <u>Procedure for Release of Performance Bond Security</u>. The security furnished by the DEVELOPER shall be released in whole or in part in the following manner:

a. Security shall be released upon final completion and acceptance of the Improvements. If the security furnished by the DEVELOPER is a documentary evidence of security, such as a surety bond, the CITY shall release the documentary evidence and return the original to the Surety upon final completion and acceptance of the Improvements. In the event the CITY is unable to return the original documentary evidence to the Surety, the security shall be released by written notice sent by certified mail to the DEVELOPER and to the Surety within 30 days of the City's acceptance of the Improvements. The written notice shall contain a statement that the work for which security was furnished has been completed and accepted, a description of the Improvements, and the notarized signature of an authorized CITY official.

b. At such time as the DEVELOPER believes that the work for which the security was required is complete and makes payment of a partial exoneration fee of \$350 to the CITY, the DEVELOPER shall notify the CITY in writing of the completed work, including a list of work completed. Upon receipt of the written notice, the CITY shall have 45 days to review and comment or approve the completion of the Improvements. If the CITY does not agree that all work has been completed in accordance with the plans

and specifications for the Improvements, it shall supply a list of all remaining work to be completed.

c. Within 45 days of receipt of the CITY's list of remaining work, the DEVELOPER may then provide cost estimates for all remaining work for review and approval by the CITY.

d. Upon receipt of the cost estimates, the CITY shall then have 45 days to review, comment, and approve, modify or disapprove those cost estimates. The CITY shall not be required to engage in this process of partial release more than once between the start of work and the completion and acceptance of all work.

e. The DEVELOPER shall complete the works of Improvement until all remaining items are accepted by the CITY. Upon completion of the Improvements, the DEVELOPER shall be notified in writing by the CITY within 45 days and, within 45 days of the date of the CITY's notice, the release of any remaining performance security shall be made within 60 days of the recording of the Notice of Completion.

10. <u>Procedure for Release of Payment Bond Security.</u> Security securing the payment to the contractor, his or her subcontractors and persons furnishing labor, materials or equipment may, after passage of the time within which mechanic's liens and stop notices are required to be recorded and after acceptance of the Improvements, be reduced by Surety to an amount equal to the total claimed by all claimants for whom mechanic's liens and stop notices have been recorded and notice thereof given in writing to the CITY, and if no claims have been recorded, the security may be released in full.

11. <u>Security for One-Year Warranty Period</u>. The release procedures described in paragraphs 9 and 10 above shall not apply to any required guarantee and warranty period nor to the amount of the performance bond security deemed necessary by the CITY for the guarantee and warranty period nor to costs and reasonable expenses and fees, including reasonable attorneys' fees.

12. <u>Binding Effect.</u> This Security Agreement shall be binding upon and shall inure to the benefit of the parties hereto, their legal representatives and their successors and assigns.

13. <u>Authority to Execute.</u> The DEVELOPER hereby warrants and represents to the CITY that the individual signing this Security Agreement on behalf of the DEVELOPER is vested with the unconditional authority to do so pursuant to, and in accordance with, all applicable legal requirements, and has the authority bind the DEVELOPER hereto.

14. <u>No Assignment.</u> The DEVELOPER may not assign this Security Agreement, or any part thereof, to another without the prior written consent of the CITY.

15. <u>Attorneys' Fees.</u> In the event of legal action to enforce or interpret this Agreement or any of its provisions, the prevailing party shall be entitled, in addition to any other form of relief, to recover its reasonable attorneys' fees and costs of suit.

16. <u>Execution in Counterparts.</u> This Agreement may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute a single agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the dates listed below.

#### **EXHIBIT "A"**

#### **PERFORMANCE BOND**

WHEREAS, Principal is required under the terms of the said agreement to furnish a bond for the faithful performance of said agreement.

NOW, THEREFORE, we, the Principal and <u>Philadelphia Indemnity Insurance Company</u>, as Surety, are held and firmly bound unto the City of Beaumont (hereinafter called "City"), in the penal sum of <u>Five Hundred Fifty Eight Thousand Nine Hundred and no/100</u> dollars (\$\_558,900.00\_) lawful money of the United States, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, successors, executors and administrators, jointly and severally, firmly by these presents.

The condition of this obligation is such that if the Principal, his or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and provisions in the said agreement and any alteration thereof made as therein provided, on his or their part to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless the City, its officers, agents and employees as therein stipulated, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

As part of the obligation secured hereby and in addition to the face amount specified therefor, there shall be included costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing such obligation, all to be taxed as costs and included in any judgment therein rendered.

The Surety hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the agreement or to the work to be performed thereunder or the specifications accompanying the same shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the agreement or to the work or to the specifications.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on \_\_\_\_\_\_\_\_, 2018 \_\_\_\_\_\_, 2018 \_\_\_\_\_\_.

#### **PAYMENT BOND**

WHEREAS, the City Council of the City of Beaumont, State of California, and RSI Communities - California LLC (hereafter designated as "the Principal") have entered into Agreement To Provide Security For Improvements For Tract Map Or Parcel Map Or Plot Plan, dated \_\_\_\_\_\_, 20\_\_, whereby Principal agrees to install and complete certain designated public improvements itemized and described on Tract Map, Parcel Map or Plot Plan No. 27971 which is hereby incorporated herein and made a part hereof; and

WHEREAS, under the terms of the said agreement, the Principal is required before entering upon the performance of the work, to file a good and sufficient payment bond with the City of Beaumont to secure the claims to which reference is made in Section 8000, et seq., of the Civil Code of the State of California.

NOW, THEREFORE, the Principal and the undersigned as corporate surety, are held firmly bound unto the City of Beaumont and all contractors, subcontractors, laborers, materialmen, and other per sons employed in the performance of the said agreement and referred to at Section 8000, et seq., of the Civil Code in the sum of Five Hundred Flfty Eight Thousand Nine Hundred and no/100 dollars (\$558,900.00), for materials furnished or labor thereon of any kind, or for amounts due under the Unemployment Insuran ce Act with respect to this work or labor, that the Surety will pay the same in an amount not exceeding the amount hereinabove set forth, and also in case suit is brought upon this bond, will pay, in addition to the face amount thereof, costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing this obligation, to be awarded and fixed by the court, and to be taxed as costs and to be included in the judgment therein rendered.

It is hereby expressly stipulated and agreed that this bond shall inure to the benefit of any and all persons, companies, and corporations entitled to file claims under Section 8000, et seq., of the Civil Code, so as to give a right of action to them or their assigns in any suit brought upon this bond.

Should the condition of this bond be fully performed, then this obligation shall become null and void, otherwise it shall be and remain in full force and effect.

The Surety hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the agreement or the specifications accompanying the same shall in any manner affect its obligations on this bond, and it does hereby waive notice of any such change, extension, alteration, or addition.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on \_\_\_\_\_\_\_, 20 18\_\_\_\_.

### PERFORMANCE BOND

WHEREAS, the City Council of the City of Beaumont, State of California, and RSI Communities Heartland LLC, a Delaware limited liability (hereinafter designated as "Principal") have entered into Agreement To Provide Security For Improvements For Tract Map Or Parcel Map Or Plot Plan, , 2017, whereby Principal agrees to install and complete certain designated dated August public improvements itemized and described on Tract Map, Parcel Map or Plot Plan No. 27971 , which is hereby incorporated herein and made a part hereof; and

WHEREAS, Principal is required under the terms of the said agreement to furnish a bond for the faithful performance of said agreement.

NOW, THEREFORE, we, the Principal and American Contractors Indemnity Company as Surety, are held and firmly bound unto the City of Beaumont (hereinafter called "City"), in the penal sum of Two hundred twenty thousand one hundred ninety six dollars and twenty five cents (\$220,196.25) lawful money of the United States, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, successors, executors and administrators, jointly and severally, firmly by these presents.

The condition of this obligation is such that if the Principal, his or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and provisions in the said agreement and any alteration thereof made as therein provided, on his or their part to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless the City, its officers, agents and employees as therein stipulated, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

As part of the obligation secured hereby and in addition to the face amount specified therefor, there shall be included costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing such obligation, all to be taxed as costs and included in any judgment therein rendered.

The Surety hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the agreement or to the work to be performed thereunder or the specifications accompanying the same shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the agreement or to the work or to the specifications.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on August 11th 20 17 .

Bond No.: 1001053559 Premium included with the Performance Bond

## EXHIBIT "B"

### PAYMENT BOND

WHEREAS, the City Council of the City of Beaumont, State of California, and RSI Communities - Heartland LLC, a Delaware limited liability company (hereafter designated as "the Principal") have entered into Agreement To Provide Security For Improvements For Tract Map Or Parcel Map Or Plot Plan, dated <u>August</u>, 2017, whereby Principal agrees to install and complete certain designated public improvements itemized and described on Tract Map, Parcel Map or Plot Plan No. <u>27971</u>, which is hereby incorporated herein and made a part hereof; and

WHEREAS, under the terms of the said agreement, the Principal is required before entering upon the performance of the work, to file a good and sufficient payment bond with the City of Beaumont to secure the claims to which reference is made in Section 8000, et seq., of the Civil Code of the State of California.

NOW, THEREFORE, the Principal and the undersigned as corporate surety, are held firmly bound unto the City of Beaumont and all contractors, subcontractors, laborers, materialmen, and other persons employed in the performance of the said agreement and referred to at Section 8000, et seq., of the Civil Code in the sum of Two busided twenty thousand one bundred timely six and twenty five cents (\$220,196.25), for materials furnished or labor thereon of any kind, or for amounts due under the Unemployment Insurance Act with respect to this work or labor, that the Surety will pay the same in an amount not exceeding the amount hereinabove set forth, and also in case suit is brought upon this bond, will pay, in addition to the face amount thereof, costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing this obligation, to be awarded and fixed by the court, and to be taxed as costs and to be included in the judgment therein rendered.

It is hereby expressly stipulated and agreed that this bond shall inure to the benefit of any and all persons, companies, and corporations entitled to file claims under Section 8000, et seq., of the Civil Code, so as to give a right of action to them or their assigns in any suit brought upon this bond.

Should the condition of this bond be fully performed, then this obligation shall become null and void, otherwise it shall be and remain in full force and effect.

The Surety hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the agreement or the specifications accompanying the same shall in any manner affect its obligations on this bond, and it does hereby waive notice of any such change, extension, alteration, or addition.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on August 11th \_\_\_\_\_, 20 <u>17</u>.

## AGREEMENT TO PROVIDE SECURITY FOR IMPROVEMENTS FOR TRACT MAP OR PARCEL MAP OR PLOT PLAN (Tract Map/Parcel Map/Plot Plan No. 27971\_)

THIS SECURITY AGREEMENT is made by and between CITY OF BEAUMONT ("CITY") and <u>RSI Communities - Heartland LLC</u>, <u>a Delaware limited liability</u> company ("DEVELOPER").

#### RECITALS

A. DEVELOPER has applied to the CITY for permission to develop certain real property, pursuant to Tract Map/Parcel Map/Plot Plan # <u>27971</u>, ("Map"). DEVELOPER has also asked the CITY to accept the dedication of the street or streets and other proposed public rightsof-way, parks and recreation facilities, and easements as depicted on the Map and to otherwise approve the Map so that it may be recorded as required by law; and

B. The CITY requires, as a condition precedent to the acceptance and approval of the Map and the dedication of the public rights-of-way and easements depicted thereon, that such rights-of-way be improved with (for example) grading, paving, curbs, gutters, sidewalks, street lights, stormdrains, sanitary sewers and appurtenances thereto, street name signs, survey monuments, electrical and telecommunications, water pipes, water mains, fire hydrants and appurtenances thereto, and landscaping, including any warranty work for all such improvements (collectively, "Improvements"); and

C. The Improvements have not yet been constructed and completed and it is the purpose of this Security Agreement to set forth the terms and conditions by which the DEVELOPER shall guarantee that such Improvements shall be constructed and completed within the time set forth herein.

#### AGREEMENT

NOW, THEREFORE, in consideration of the acceptance of the DEVELOPER's offer of dedication and the approval of the Map for filing and recording as provided and required by law, the CITY and the DEVELOPER hereby agree as follows:

1. <u>Provision of Improvements.</u> DEVELOPER shall provide, at the DEVELOPER's sole cost and expense, all necessary labor and materials to complete the construction of the Improvements depicted on the Map and described in the conditions of approval of the Map within one (1) year of the date of this Security Agreement.

2. <u>Inspection by the CITY</u>. The CITY shall inspect, at the DEVELOPER's sole cost and expense, all of the work, labor and materials performed and provided by the DEVELOPER in connection with the Improvements.

3. <u>Compliance with Plans and Specifications.</u> The Improvements shall be constructed and installed in strict accordance with the CITY-approved plans and specifications.

4. <u>Security for Performance.</u> Concurrently with the execution of this Security Agreement by DEVELOPER, DEVELOPER shall deliver to the CITY a performance bond issued by a corporate surety in substantially the form attached hereto as **Exhibit "A"**, in an amount that is not less than 100% of the total estimated cost of the Improvements and any warranty therefor. The performance bond shall be issued by an "admitted" corporate surety insurer authorized to do business in the State of California and the surety insurer shall have an A.M. Best rating of at least "A, XV". The surety insurer shall have assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The security or bond shall also insure against any and all defects in the Improvements for a period of not less than one full year after the date of acceptance thereof by the CITY. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

5. <u>Security for Contractors, Subcontractors, Laborers and Materialmen.</u> The DEVELOPER shall also provide a payment bond issued by a corporate surety for the security of laborers and materialmen, which bond or bonds shall be in substantially the form attached hereto as **Exhibit "B"** and made a part hereof. The amount of the bond(s) shall be no less than 100% of the total estimated amount needed to secure payment to the contractor, to the subcontractors, and to the persons furnishing labor, materials, or equipment to them for the Improvements. The laborers and materialmen bond shall be provided by an "admitted" corporate surety insurer authorized to transact surety insurance in the State of California with an A.M. Best rating of "A, XV", and with assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

£

General Liability and Worker's Compensation Insurance. The DEVELOPER 6. shall, before commencing any work, obtain commercial general liability insurance (primary) of not less than \$2,000,000.00 per occurrence for all coverages and \$2,000,000.00 general aggregate. The CITY and its employees and agents shall be added as additional insureds. Coverage shall apply on a primary non-contributing basis in relation to any other insurance or self-insurance, primary or excess, available to the CITY or any employee or agent of the CITY. Coverage shall not be limited to the vicarious liability or supervisory role of any additional insured. Coverage shall contain no contractors' limitation endorsement. There shall be no endorsement or modification limiting the scope of coverage for liability arising from pollution, explosion, collapse, underground property damage or employment-related practices. Such insurance shall not prohibit the DEVELOPER, and its employees or agents, from waiving the right of subrogation prior to a loss. The DEVELOPER waives its right of subrogation against the CITY. Unless otherwise approved by the CITY, the DEVELOPER's insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best rating of "A, XV." Self-insurance shall not be considered to comply with these insurance specifications. The DEVELOPER agrees to require all contractors, subcontractors and other parties hired for the Improvements to purchase and maintain insurance of the types specified

herein, naming as additional insureds all of the parties to this Security Agreement. The DEVELOPER shall, before commencing any work, obtain Worker's Compensation Insurance in an amount required by law and, failing to do so, the CITY may procure such insurance at the cost of the DEVELOPER.

7. <u>Comprehensive Commercial General and Automobile Liability Insurance</u>. The DEVELOPER, before commencing any work shall, at its own expense, maintain comprehensive commercial general and automobile liability insurance issued by a California-admitted surety company with an A.M. Best rating of no less than "A, XV" for \$2,000,000 per occurrence. Coverage shall be for the entire duration of the permitted activities. Such liability insurance policy shall name, by endorsement, the City as an additional insured.

8. <u>Indemnification</u>. Notwithstanding the provisions of Government Code, Section 66474.9 or any other statutes of similar import, and to the full extent permitted by law, the DEVELOPER shall defend, indemnify and hold harmless the CITY, its employees, agents, officials and attorneys, from and against any liability, claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind or nature, whether actual, alleged or threatened, reasonable attorneys' fees, court costs, interest, expert witness fees and any other costs or expenses of any kind whatsoever, without restriction or limitation, incurred in relation to, as a consequence of, or arising out of or in any way attributable actually, allegedly or impliedly, in whole or in part, to the Map, the Improvements, this Agreement, or any matter related to the same; provided, however, that the indemnification to be provided by DEVELOPER to the CITY pursuant to the terms of this paragraph shall not be applicable where the aforementioned liability, claim, suit, action, etcetera, is the result of the sole negligence or sole willful misconduct of the CITY.

9. <u>Procedure for Release of Performance Bond Security</u>. The security furnished by the DEVELOPER shall be released in whole or in part in the following manner:

a. Security shall be released upon final completion and acceptance of the Improvements. If the security furnished by the DEVELOPER is a documentary evidence of security, such as a surety bond, the CITY shall release the documentary evidence and return the original to the Surety upon final completion and acceptance of the Improvements. In the event the CITY is unable to return the original documentary evidence to the Surety, the security shall be released by written notice sent by certified mail to the DEVELOPER and to the Surety within 30 days of the City's acceptance of the Improvements. The written notice shall contain a statement that the work for which security was furnished has been completed and accepted, a description of the Improvements, and the notarized signature of an authorized CITY official.

b. At such time as the DEVELOPER believes that the work for which the security was required is complete and makes payment of a partial exoneration fee of \$350 to the CITY, the DEVELOPER shall notify the CITY in writing of the completed work, including a list of work completed. Upon receipt of the written notice, the CITY shall have 45 days to review and comment or approve the completion of the Improvements. If the CITY does not agree that all work has been completed in accordance with the plans

and specifications for the Improvements, it shall supply a list of all remaining work to be completed.

c. Within 45 days of receipt of the CITY's list of remaining work, the DEVELOPER may then provide cost estimates for all remaining work for review and approval by the CITY.

d. Upon receipt of the cost estimates, the CITY shall then have 45 days to review, comment, and approve, modify or disapprove those cost estimates. The CITY shall not be required to engage in this process of partial release more than once between the start of work and the completion and acceptance of all work.

e. The DEVELOPER shall complete the works of Improvement until all remaining items are accepted by the CITY. Upon completion of the Improvements, the DEVELOPER shall be notified in writing by the CITY within 45 days and, within 45 days of the date of the CITY's notice, the release of any remaining performance security shall be made within 60 days of the recording of the Notice of Completion.

10. <u>Procedure for Release of Payment Bond Security</u>. Security securing the payment to the contractor, his or her subcontractors and persons furnishing labor, materials or equipment may, after passage of the time within which mechanic's liens and stop notices are required to be recorded and after acceptance of the Improvements, be reduced by Surety to an amount equal to the total claimed by all claimants for whom mechanic's liens and stop notices have been recorded and notice thereof given in writing to the CITY, and if no claims have been recorded, the security may be released in full.

11. <u>Security for One-Year Warranty Period</u>. The release procedures described in paragraphs 9 and 10 above shall not apply to any required guarantee and warranty period nor to the amount of the performance bond security deemed necessary by the CITY for the guarantee and warranty period nor to costs and reasonable expenses and fees, including reasonable attorneys' fees.

12. <u>Binding Effect.</u> This Security Agreement shall be binding upon and shall inure to the benefit of the parties hereto, their legal representatives and their successors and assigns.

13. <u>Authority to Execute</u>. The DEVELOPER hereby warrants and represents to the CITY that the individual signing this Security Agreement on behalf of the DEVELOPER is vested with the unconditional authority to do so pursuant to, and in accordance with, all applicable legal requirements, and has the authority bind the DEVELOPER hereto.

14. <u>No Assignment</u>. The DEVELOPER may not assign this Security Agreement, or any part thereof, to another without the prior written consent of the CITY.

15. <u>Attorneys' Fees.</u> In the event of legal action to enforce or interpret this Agreement or any of its provisions, the prevailing party shall be entitled, in addition to any other form of relief, to recover its reasonable attorneys' fees and costs of suit.

Execution in Counterparts. This Agreement may be executed in counterparts, 16. each of which shall be deemed an original, but which together shall constitute a single agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the dates listed below.

#### EXHIBIT "A"

#### PERFORMANCE BOND

WHEREAS, the City Council of the City of Beaumont, State of California, and <u>RSI Communities</u> Heartland LLC, a Delaware limited liability (hereinafter designated as "Principal") have entered into Agreement To Provide Security For Improvements For Tract Map Or Parcel Map Or Plot Plan, dated <u>August</u>, 2017, whereby Principal agrees to install and complete certain designated public improvements itemized and described on Tract Map, Parcel Map or Plot Plan No. <u>27971</u>, which is hereby incorporated herein and made a part hereof; and

WHEREAS, Principal is required under the terms of the said agreement to furnish a bond for the faithful performance of said agreement.

NOW, THEREFORE, we, the Principal and American Contractors Indemnity Company as Surety, are held and firmly bound unto the City of Beaumont (hereinafter called "City"), in the penal sum of Two hundred sixty eight thousand two hundred thirty dollars and sixty cents (\$268,230.60) lawful money of the United States, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, successors, executors and administrators, jointly and severally, firmly by these presents.

The condition of this obligation is such that if the Principal, his or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and provisions in the said agreement and any alteration thereof made as therein provided, on his or their part to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless the City, its officers, agents and employees as therein stipulated, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

As part of the obligation secured hereby and in addition to the face amount specified therefor, there shall be included costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing such obligation, all to be taxed as costs and included in any judgment therein rendered.

The Surety hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the agreement or to the work to be performed thereunder or the specifications accompanying the same shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the agreement or to the work or to the specifications.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on August 11th \_\_\_\_\_\_, 20 17 \_.

## AGREEMENT TO PROVIDE SECURITY FOR IMPROVEMENTS FOR TRACT MAP OR PARCEL MAP OR PLOT PLAN (Tract Map/Parcel Map/Plot Plan No. 27971\_)

THIS SECURITY AGREEMENT is made by and between CITY OF BEAUMONT ("CITY") and <u>RSI Communities - Heartland LLC</u>, <u>a Delaware limited liability</u> company ("DEVELOPER").

#### RECITALS

A. DEVELOPER has applied to the CITY for permission to develop certain real property, pursuant to Tract Map/Parcel Map/Plot Plan # <u>27971</u>, ("Map"). DEVELOPER has also asked the CITY to accept the dedication of the street or streets and other proposed public rights-of-way, parks and recreation facilities, and easements as depicted on the Map and to otherwise approve the Map so that it may be recorded as required by law; and

B. The CITY requires, as a condition precedent to the acceptance and approval of the Map and the dedication of the public rights-of-way and easements depicted thereon, that such rights-of-way be improved with (for example) grading, paving, curbs, gutters, sidewalks, street lights, stormdrains, sanitary sewers and appurtenances thereto, street name signs, survey monuments, electrical and telecommunications, water pipes, water mains, fire hydrants and appurtenances thereto, and landscaping, including any warranty work for all such improvements (collectively, "Improvements"); and

C. The Improvements have not yet been constructed and completed and it is the purpose of this Security Agreement to set forth the terms and conditions by which the DEVELOPER shall guarantee that such Improvements shall be constructed and completed within the time set forth herein.

## AGREEMENT

NOW, THEREFORE, in consideration of the acceptance of the DEVELOPER's offer of dedication and the approval of the Map for filing and recording as provided and required by law, the CITY and the DEVELOPER hereby agree as follows:

1. <u>Provision of Improvements.</u> DEVELOPER shall provide, at the DEVELOPER's sole cost and expense, all necessary labor and materials to complete the construction of the Improvements depicted on the Map and described in the conditions of approval of the Map within one (1) year of the date of this Security Agreement.

2. <u>Inspection by the CITY</u>. The CITY shall inspect, at the DEVELOPER's sole cost and expense, all of the work, labor and materials performed and provided by the DEVELOPER in connection with the Improvements.

3. <u>Compliance with Plans and Specifications</u>. The Improvements shall be constructed and installed in strict accordance with the CITY-approved plans and specifications.

4. <u>Security for Performance.</u> Concurrently with the execution of this Security Agreement by DEVELOPER, DEVELOPER shall deliver to the CITY a performance bond issued by a corporate surety in substantially the form attached hereto as Exhibit "A", in an amount that is not less than 100% of the total estimated cost of the Improvements and any warranty therefor. The performance bond shall be issued by an "admitted" corporate surety insurer authorized to do business in the State of California and the surety insurer shall have an A.M. Best rating of at least "A, XV". The surety insurer shall have assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The security or bond shall also insure against any and all defects in the Improvements for a period of not less than one full year after the date of acceptance thereof by the CITY. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

5. <u>Security for Contractors, Subcontractors, Laborers and Materialmen.</u> The DEVELOPER shall also provide a payment bond issued by a corporate surety for the security of laborers and materialmen, which bond or bonds shall be in substantially the form attached hereto as **Exhibit "B"** and made a part hereof. The amount of the bond(s) shall be no less than 100% of the total estimated amount needed to secure payment to the contractor, to the subcontractors, and to the persons furnishing labor, materials, or equipment to them for the Improvements. The laborers and materialmen bond shall be provided by an "admitted" corporate surety insurer authorized to transact surety insurance in the State of California with an A.M. Best rating of "A, XV", and with assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

General Liability and Worker's Compensation Insurance. The DEVELOPER 6. shall, before commencing any work, obtain commercial general liability insurance (primary) of not less than \$2,000,000.00 per occurrence for all coverages and \$2,000,000.00 general aggregate. The CITY and its employees and agents shall be added as additional insureds. Coverage shall apply on a primary non-contributing basis in relation to any other insurance or self-insurance, primary or excess, available to the CITY or any employee or agent of the CITY. Coverage shall not be limited to the vicarious liability or supervisory role of any additional insured. Coverage shall contain no contractors' limitation endorsement. There shall be no endorsement or modification limiting the scope of coverage for liability arising from pollution, explosion, collapse, underground property damage or employment-related practices. Such insurance shall not prohibit the DEVELOPER, and its employees or agents, from waiving the right of subrogation prior to a loss. The DEVELOPER waives its right of subrogation against the CITY. Unless otherwise approved by the CITY, the DEVELOPER's insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best rating of "A, XV." Self-insurance shall not be considered to comply with these insurance specifications. The DEVELOPER agrees to require all contractors, subcontractors and other parties hired for the Improvements to purchase and maintain insurance of the types specified

herein, naming as additional insureds all of the parties to this Security Agreement. The DEVELOPER shall, before commencing any work, obtain Worker's Compensation Insurance in an amount required by law and, failing to do so, the CITY may procure such insurance at the cost of the DEVELOPER.

7. <u>Comprehensive Commercial General and Automobile Liability Insurance</u>. The DEVELOPER, before commencing any work shall, at its own expense, maintain comprehensive commercial general and automobile liability insurance issued by a California-admitted surety company with an A.M. Best rating of no less than "A, XV" for \$2,000,000 per occurrence. Coverage shall be for the entire duration of the permitted activities. Such liability insurance policy shall name, by endorsement, the City as an additional insured.

8. Indemnification. Notwithstanding the provisions of Government Code, Section 66474.9 or any other statutes of similar import, and to the full extent permitted by law, the DEVELOPER shall defend, indemnify and hold harmless the CITY, its employees, agents, officials and attorneys, from and against any liability, claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind or nature, whether actual, alleged or threatened, reasonable attorneys' fees, court costs, interest, expert witness fees and any other costs or expenses of any kind whatsoever, without restriction or limitation, incurred in relation to, as a consequence of, or arising out of or in any way attributable actually, allegedly or impliedly, in whole or in part, to the Map, the Improvements, this Agreement, or any matter related to the same; provided, however, that the indemnification to be provided by DEVELOPER to the CITY pursuant to the terms of this paragraph shall not be applicable where the aforementioned liability, claim, suit, action, etcetera, is the result of the sole negligence or sole willful misconduct of the CITY.

9. <u>Procedure for Release of Performance Bond Security</u>. The security furnished by the DEVELOPER shall be released in whole or in part in the following manner:

a. Security shall be released upon final completion and acceptance of the Improvements. If the security furnished by the DEVELOPER is a documentary evidence of security, such as a surety bond, the CITY shall release the documentary evidence and return the original to the Surety upon final completion and acceptance of the Improvements. In the event the CITY is unable to return the original documentary evidence to the Surety, the security shall be released by written notice sent by certified mail to the DEVELOPER and to the Surety within 30 days of the City's acceptance of the Improvements. The written notice shall contain a statement that the work for which security was furnished has been completed and accepted, a description of the Improvements, and the notarized signature of an authorized CITY official.

b. At such time as the DEVELOPER believes that the work for which the security was required is complete and makes payment of a partial exoneration fee of \$350 to the CITY, the DEVELOPER shall notify the CITY in writing of the completed work, including a list of work completed. Upon receipt of the written notice, the CITY shall have 45 days to review and comment or approve the completion of the Improvements. If the CITY does not agree that all work has been completed in accordance with the plans

and specifications for the Improvements, it shall supply a list of all remaining work to be completed.

c. Within 45 days of receipt of the CITY's list of remaining work, the DEVELOPER may then provide cost estimates for all remaining work for review and approval by the CITY.

d. Upon receipt of the cost estimates, the CITY shall then have 45 days to review, comment, and approve, modify or disapprove those cost estimates. The CITY shall not be required to engage in this process of partial release more than once between the start of work and the completion and acceptance of all work.

e. The DEVELOPER shall complete the works of Improvement until all remaining items are accepted by the CITY. Upon completion of the Improvements, the DEVELOPER shall be notified in writing by the CITY within 45 days and, within 45 days of the date of the CITY's notice, the release of any remaining performance security shall be made within 60 days of the recording of the Notice of Completion.

10. <u>Procedure for Release of Payment Bond Security.</u> Security securing the payment to the contractor, his or her subcontractors and persons furnishing labor, materials or equipment may, after passage of the time within which mechanic's liens and stop notices are required to be recorded and after acceptance of the Improvements, be reduced by Surety to an amount equal to the total claimed by all claimants for whom mechanic's liens and stop notices have been recorded and notice thereof given in writing to the CITY, and if no claims have been recorded, the security may be released in full.

11. <u>Security for One-Year Warranty Period</u>. The release procedures described in paragraphs 9 and 10 above shall not apply to any required guarantee and warranty period nor to the amount of the performance bond security deemed necessary by the CITY for the guarantee and warranty period nor to costs and reasonable expenses and fees, including reasonable attorneys' fees.

12. <u>Binding Effect.</u> This Security Agreement shall be binding upon and shall inure to the benefit of the parties hereto, their legal representatives and their successors and assigns.

13. <u>Authority to Execute</u>. The DEVELOPER hereby warrants and represents to the CITY that the individual signing this Security Agreement on behalf of the DEVELOPER is vested with the unconditional authority to do so pursuant to, and in accordance with, all applicable legal requirements, and has the authority bind the DEVELOPER hereto.

14. <u>No Assignment.</u> The DEVELOPER may not assign this Security Agreement, or any part thereof, to another without the prior written consent of the CITY.

15. <u>Attorneys' Fees.</u> In the event of legal action to enforce or interpret this Agreement or any of its provisions, the prevailing party shall be entitled, in addition to any other form of relief, to recover its reasonable attorneys' fees and costs of suit.

Execution in Counterparts. This Agreement may be executed in counterparts, 16. each of which shall be deemed an original, but which together shall constitute a single agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the dates listed below.

> > LIEN CONTRACT (Lien Contract as Initial Security; Gov. Code Section 66499(a)(4))

THIS LIEN CONTRACT ("Lien Contract") is entered into this for day of December, 2016, by and between the CITY OF BEAUMONT, CALIFORNIA, a general law city ("City") and RSI COMMUNITIES – HEARTLAND, a Delaware limited liability company ("Owner").

## RECITALS

A. A predecessor-in-interest of the Owner sought and obtained the City's approval of Tentative Tract Map No. 27971 (the "Map"). A copy of the Map is on file in the Office of the City Clerk and is incorporated herein by reference.

B. As a condition precedent to approval of Parcel Map No. 34880 ("Final Map"), which Final Map was filed in Book 237, Pages 67 through 76, inclusive, of Parcel Maps, in the Office of the County Recorder of Riverside, California, LV Heartland LLC, a Delaware limited liability company ("LVH"), as predecessor-in-interest of the Owner, entered into that certain Agreement to Provide Security for Improvements for Tract Map or Parcel Map or Plot Plan dated July 17, 2014 ("Original Subdivision Improvement Agreement") to complete certain tasks and construct certain improvements as required by the Final Map and other entitlements including the Specific Plan and Final Environmental Impact Report applicable to the property subject to the Final Map ("Developer Obligations"). The Original Subdivision Improvement Agreement required LVH to provide security satisfactory to the City in accordance with and the Subdivision Map Act (Gov. Code, §§ 66462 and 66499).

C. The Developer Obligations remain outstanding and unperformed.

D. Owner and City have entered into that certain replacement Agreement to Provide Security for Improvements for Tract Map or Parcel Map or Plot Plan dated as of <u>Dec. 10</u>, 2016 ("New Subdivision Improvement Agreement") to replace the Original Subdivision Improvement Agreement and provide for the Owner's posting of new security in connection therewith.

Page 2 of 17

E. City is authorized to accept the security proposed by Owner, known as a lien contract, under the provisions of Government Code Section 66499(a)(4) and, pursuant to the New Subdivision Improvement Agreement, City has agreed to accept the first lien on the terms and conditions hereof.

F. City has found and determined, pursuant to California Government Code Section 66499(a)(4) that "it would not be in the public interest to require the installation of the required improvement[s] sooner than two years after the recordation" of the Map.

NOW, THEREFORE, for good and valuable consideration, including the obligations herein and the trust herein created, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

### 1. Owner's Performance.

1.1

ند ۲۰۰

a. Owner hereby grants to City, in accordance with the terms and conditions of this Lien Contract, a first lien upon the property described in <u>Attachment "A"</u> ("Property"), attached hereto, as security for the following obligations of Owner:

(1) Construction of the improvements ("Improvements") specified in the New Subdivision Improvement Agreement, in the estimated amount and for the purposes specified in <u>Attachment "B"</u> attached hereto; provided, however, that Owner's obligation hereunder shall extend to the actual cost of construction of the Improvements, notwithstanding that such costs may exceed the estimate set forth in <u>Attachment "B"</u>; and

(2) Payment of the fees or services ("Fees") required by the City in the amount required as a condition of approval of the Final Map.

(3) All of the Developer Obligations and the obligations of Owner under this Lien Contract and under the New Subdivision Improvement Agreement ("Obligations").

This lien secures said Improvements, Fees and Obligations (collectively, the "Secured Obligations").

b. For the purpose of securing payment and performance of the Secured Obligations, Owner hereby irrevocably and unconditionally grants, conveys, transfers and assigns to Fidelity National Title ("Trustee"), as trustee, in trust, WITH POWER OF SALE TOGETHER WITH THE RIGHT OF ENTRY AND POSSESSION, for the benefit and security of the City, all present and future rights, titles, interests, estates, powers and privileges that Owner now has or may hereafter acquire in or to the Property. Prior to obtaining any type of permit, including a grading or building permit, or commencing the installation and construction of any portion of the Improvements required by the New Subdivision Improvement Agreement, whichever occurs first, Owner shall deposit fees for inspections, tests and other related purposes, and shall substitute payment and performance bonds in amounts satisfactory to the City ("Suitable Future Bond") in place of this Lien Contract. Owner shall make the deposits specified herein in the amounts prescribed for such purposes at the time the deposit is due. Owner also

agrees to provide the Suitable Future Bond in the amounts and for the purposes set forth in the New Subdivision Improvement Agreement, except that the amounts shall be calculated using the estimated cost of the Improvement as of the time of the substitution of security, as ascertained by the City.

c. Owner shall perform and complete the Improvements required by the New Subdivision Improvement Agreement, including without limitation, the requirement that, except as otherwise agreed by the CITY, Improvements that are secured by one or more payment and performance bonds shall be constructed within one (1) year after the date on which the DEVELOPER has delivered such payment and performance bonds to the CITY.

### 2. City's Performance.

tori ni

Following City's approval and receipt of the substitute forms of security submitted by Owner pursuant to Paragraph 1(c) above and receipt of applicable Fees, City shall release the Property from the provisions of this Lien Contract, and shall execute any necessary release to enable Owner or its transferee to clear the record of title of the Property so released of the lien herein imposed.

### 3. Effect of Lien Contract.

a. From the date of recordation of this Lien Contract, a lien shall attach to the Property which shall have the priority of a judgment lien in an amount necessary to secure and discharge all obligations contained in this Lien Contract and New Subdivision Improvement Agreement, and any Fees.

b. Unless written consent of the City is obtained, the Owner shall not convey, lien or encumber any portion of or interest in the Property covered by this Lien Contract until Suitable Future Bonds or some other form of alternative security acceptable to the City has been provided and this Lien Contract has been released.

c. So long as this Lien Contract is utilized for security as described herein, offers of dedication for street purposes on the Property will not be accepted by the City.

The City shall not have an obligation to subordinate its rights hereunder to any other lender or encumbrancer unless substitute security in the form of a bond or letter of credit satisfactory to City is secured by Owner.

4. <u>Events of Default</u>. Upon the occurrence of any one of the following events, Owner shall be deemed in default hereunder:

a. Failure by Owner to deposit fees for inspections, tests and other specific purposes or to substitute Suitable Future Bonds or other forms of security satisfactory to City within the time allotted and as prescribed by this Lien Contract.

b. Commencement of any work on the Improvements by Owner, its agents or employees, prior to substitution of acceptable security, including, without limitation, Suitable Future Bonds, with the City in place of this Lien Contract.

**Infrastructure Streets** 

c. Failure by Owner to complete construction of the Improvements described in the New Subdivision Improvement Agreement within the time allotted and as prescribed in this Lien Contract, and otherwise extended pursuant to the terms of the New Subdivision Improvement Agreement.

d. The appointment, pursuant to an order of a court of competent jurisdiction, of a trustee, receiver or liquidator of the Property or any part thereof, or of Owner.

e. The filing by Owner of a petition in bankruptcy or for an arrangement or for reorganization pursuant to the Federal Bankruptcy Code or any similar law, federal or state, or the adjudication of Owner as a bankrupt or as insolvent by a decree of a court of competent jurisdiction, or the making of an assignment for the benefit of creditors, or the admission by Owner in writing of its inability to pay its debts generally as they become due, or the giving of consent by Owner to the appointment of a receiver or receivers of all or any part of its property, including the Property.

f. The filing by any of the creditors of Owner or the reorganization of Owner pursuant to the Federal Bankruptcy Code or any similar law, federal or state and the same is not discharged within ninety (90) days after the date of filing thereof.

g. Levy of any attachment or writ of execution against Owner and the Property whereby the Property is taken or occupied or attempted to be taken or occupied by someone other than Owner and such attachment or execution is not released within (60) days.

h. Sale of any lot or lots shown on the Map prior to release of the lien created by this Lien Contract, except as provided in Paragraph 3(b).

i. Failure of owner to pay the Fees described in Paragraph 1(a)(2) above, at the time required.

j. Breach by Owner of any other term or condition of this Lien Contract or the Subdivision Improvement Agreement, or Owner's failure to fully and faithfully discharge its obligations hereunder within the time specified herein.

k. Failure to pay prior to delinquency any taxes, assessments, fees or other amounts the payment of which are secured by a lien against part or all of the Property.

1. Failure of Owner to maintain liability insurance in the amount of at least \$2,000,000.00 per occurrence and in the aggregate on the Property naming City as an additional insured.

m. The occurrence of any waste, violation of an ordinance, violation of a condition of a approval or nuisance on the Property which is not cured by Owner within thirty (30) days following written notice from City.

n. The breach or violation of any other subdivision improvement agreement, or lien contract between City and Owner beyond any applicable notice and cure period.

All references to Owner in this Paragraph 4 shall be deemed to include Owner's successors, assignees and transferees.

5. <u>City's Remedies</u>. Upon the occurrence of any of the events described in Paragraph 4, above, City may, at its option, declare all obligations, amounts and indebtedness secured hereby immediately due and payable without any presentment, demand, protest, or notice, and take one or more of the actions below:

a. Pursue any or all of the remedies provided in the New Subdivision Improvement Agreement;

**b**. Commence and maintain an action or actions to foreclose this lien by appropriate action in court or as provided by law for the non-judicial foreclosure of mortgages or deeds of trust under power of sale pursuant to California Civil Code Sections 2924, 2924(b) and 2924(c), and Owner agrees that the amount of said lien shall include attorneys' fees as provided in Paragraph 6(b) below. CITY will deposit with TRUSTEE this Lien Contract, the New Subdivision Improvement Agreement, and any receipts and evidence of expenditures made and secured as TRUSTEE may require. If notice of default has been given as then required by law, and after lapse of the time that may then be required by law, after recordation of the notice of default, TRUSTEE, without demand on OWNER, will, after notice of sale having been given as required by law, sell the Property at the time and place of sale fixed by it in the notice of sale, either as a whole or in separate parcels as TRUSTEE determines, and in any order that it may determine, at public auction to the highest bidder. TRUSTEE may postpone sale of all or any portion of the Property by public announcement at the time and place of sale, and from time to time after that may postpone the sale by public announcement at the time fixed by the preceding postponement, and without further notice make the sale at the time fixed by the last postponement; or TRUSTEE may, in its discretion, give a new notice of sale. CITY may rescind any notice of default at any time before TRUSTEE's sale by executing a notice of rescission and recording it. The recordation of the notice will constitute a cancellation of any prior declaration of default and demand for sale and of any acceleration of maturity of obligations affected by any prior declaration or notice of default. The exercise by CITY of the right of rescission will not constitute a waiver of any default then existing or subsequently occurring, or impair the right of CITY to execute other declarations of default and demand for sale, or notices of default and of election to cause the Property to be sold, nor otherwise affect the Lien Contract, the New Subdivision Improvement Agreement, or any of the rights, obligations, or remedies of CITY or TRUSTEE. After sale, TRUSTEE will deliver to the purchaser its deed conveying the property sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters or facts will be conclusive proof of their truthfulness. Any Person, including Owner, TRUSTEE, or CITY, may purchase at that sale. If allowed by law, CITY, if it is the purchaser, may turn in the New Subdivision Security Agreement at the amount owing on it toward payment of the purchase price (or for endorsement of the purchase price as a payment if the amount owing exceeds the purchase price). TRUSTEE, upon the sale, will make (without any covenant or warranty, express or implied), execute and, after due payment made, deliver to a purchaser and its heirs or assigns a deed or other record of interest, as the case may be, to the Property

sold, which will convey to the purchaser all the title and interest of Owner in the Property and will apply the proceeds of the sale in payment first, of the expenses of the sale together with the expenses of the trustee, including, without limitation, attorney fees, that will become due on any default made by OWNER, and also any sums that TRUSTEE or CITY have paid for procuring a search of the title to the Property subsequent to the execution of this Lien Contract; and second, of the Secured Obligations then remaining unpaid. TRUSTEE will pay the balance or surplus of the proceeds of sale, if any, to OWNER and its successors or assigns as its interests may appear;

c. Commence and maintain an action or actions in any court of competent jurisdiction to foreclose this instrument as a mortgage or to obtain specific enforcement of the covenants of Owner hereunder, and Owner agrees that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy and that for the purposes of any suit brought under this subparagraph, Owner waives the defense of latches and any applicable statute of limitations;

d. Estimate the cost of the work required to complete the Improvements which estimate shall be deemed a debt and obligation in a liquidated sum of Owner, and judicially or non-judicially foreclose said lien in said amount; and

e. Pursue any other remedy, legal or equitable including but not limited to those for the foreclosure of a lien, and Owner, its assigns, shall pay reasonable attorneys' fees as a cost in said proceedings.

6. <u>General Provisions</u>.

2 N.

a. <u>Recordation</u>. This Lien Contract shall be recorded by City with the Recorder's Office of the County of Riverside immediately following execution of this Lien Contract by (1) all parties hereto, and (2) all parties having any record title interest in the subject real property, pursuant to Government Code Section 66436, acknowledging subordination of their interests to this Lien Contract.

b. <u>Attorneys' Fees</u>. City shall be entitled to reasonable attorneys' fees, paralegal fees, and other charges, expenses and costs incurred in enforcing its rights under this Lien Contract.

c. <u>Contingency</u>. This Lien Contract shall not take effect until it has been approved by the City and recorded.

d. <u>Entire Agreement</u>. This Lien Contract together with all attachments and other agreements expressly referred to herein, constitutes the entire agreement between the parties with respect to the subject matter contained herein. All prior or contemporaneous agreements, understandings, representations, warranties and statements, oral or written, are superseded.

e. <u>Further Assurances</u>. The parties agree to perform such further acts and to execute and deliver such additional documents and instruments as may be reasonably required in order to carry out the provisions of this Lien Contract and the intentions of the parties.

**Infrastructure Streets** 

f. <u>Governing Law</u>. This Lien Contract shall be governed, interpreted, construed and enforced in accordance with the laws of the State of California.

g. <u>Headings</u>. The captions and Section headings used in this Lien Contract are inserted for convenience of reference only and are not intended to define, limit or affect the construction or interpretation of any term or provision hereof.

h. <u>Modification, Waiver</u>. No modification, waiver, amendment or discharge of this Lien Contract shall be valid unless the same is in writing and signed by all parties.

i. <u>No Other Inducement</u>. The making, execution and delivery of this Lien Contract by the parties hereto has been induced by no representations, statements, warranties or agreements other than those expressed herein.

j. <u>Severability</u>. If any term, provision, covenant or condition of this Lien Contract is held to be invalid, void or otherwise unenforceable, to any extent, by any court of competent jurisdiction, the remainder of this Lien Contract shall not be affected thereby, and each term, provision, covenant or condition of this Lien Contract shall be valid. and enforceable to the fullest extent permitted by law.

k. <u>Execution in Counterparts</u>. This Lien Contract may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute a single agreement.

If City or the Trustee is made a party to or is threatened with any litigation 1 concerning this Lien Contract or the New Subdivision Improvement Agreement the Property or any part thereof or interest therein, or the actions or omissions of Owner on the Property then Owner shall indemnify, defend and hold City and Trustee harmless for, from and against all liability by reason of said threat and/or litigation, including reasonable attorneys' fees and expenses incurred by City as a result of any such threat and/or litigation, whether or not any such threat and/or litigation is prosecuted to judgment; provided, however, that the indemnification to be provided by Owner to the City pursuant to the terms of this paragraph shall not be applicable where the aforementioned liability, claim, suit, action, et cetera, is the result of the sole negligence or sole willful misconduct of the City. City or Trustee may employ an attorney or attorneys to protect its rights hereunder, and in the event of such employment following any breach of the foregoing obligation by Owner, Owner shall pay City and Trustee reasonable attorneys' fees and expenses incurred by City or Trustee, whether or not an action is actually breach. commenced against Owner or Trustee by reason of its

Bond No.: 1001054050 Premium: \$105,813.00/2 yrs.

### PERFORMANCE BOND

WHEREAS, the City Council of the City of Beaumont, State of California, and RSI Communities -<u>California LLC, a Delaware limited liability company</u> (hereinafter designated as "Principal") have entered into Agreement To Provide Security For Improvements For Tract Map Or Parcel Map Or Plot Plan, dated <u>September</u>, 20<u>17</u>, whereby Principal agrees to install and complete certain designated public improvements itemized and described on Tract Map, Parcel Map or Plot Plan No. <u>27971</u>, which is hereby incorporated herein and made a part hereof; and

WHEREAS, Principal is required under the terms of the said agreement to furnish a bond for the faithful performance of said agreement.

NOW, THEREFORE, we, the Principal and American Contractors Indemnity Company as Surety, are held and firmly bound unto the City of Beaumont (hereinafter called "City"), in the penal sum of Seven million fifty four thousand two hundred eleven dollars and twenty six cents (\$7,054,211.26) lawful money of the United States, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, successors, executors and administrators, jointly and severally, firmly by these presents.

The condition of this obligation is such that if the Principal, his or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and provisions in the said agreement and any alteration thereof made as therein provided, on his or their part to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless the City, its officers, agents and employees as therein stipulated, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

As part of the obligation secured hereby and in addition to the face amount specified therefor, there shall be included costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing such obligation, all to be taxed as costs and included in any judgment therein rendered.

The Surety hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the agreement or to the work to be performed thereunder or the specifications accompanying the same shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the agreement or to the work or to the specifications.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on September 13th \_\_\_\_\_, 20 17 .

### EXHIBIT "B"

Bond No.: 1001054050 Premium included with the Performance Bond

### PAYMENT BOND

WHEREAS, the City Council of the City of Beaumont, State of California, and RSI Communities - California LLC, a Delaware limited liability company (hereafter designated as "the Principal") have entered into Agreement To Provide Security For Improvements For Tract Map Or Parcel Map Or Plot Plan, dated <u>September</u>, 2017, whereby Principal agrees to install and complete certain designated public improvements itemized and described on Tract Map, Parcel Map or Plot Plan No. <u>27971</u>, which is hereby incorporated herein and made a part hereof; and

WHEREAS, under the terms of the said agreement, the Principal is required before entering upon the performance of the work, to file a good and sufficient payment bond with the City of Beaumont to secure the claims to which reference is made in Section 8000, et seq., of the Civil Code of the State of California. (\$7,054,211.26)

NOW, THEREFORE, the Principal and the undersigned as corporate surety, are held firmly bound unto the City of Beaumont and all contractors, subcontractors, laborers, materialmen, and other persons employed in the performance of the said agreement and referred to at Section 8000, et seq., of the Civil Code in the sum of Seven million filly four thousand two hundred etven dollars and twenty six cents (\$7,054,211.26) for materials furnished or labor thereon of any kind, or for amounts due under the Unemployment Insurance Act with respect to this work or labor, that the Surety will pay the same in an amount not exceeding the amount hereinabove set forth, and also in case suit is brought upon this bond, will pay, in addition to the face amount thereof, costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing this obligation, to be awarded and fixed by the court, and to be taxed as costs and to be included in the judgment therein rendered.

It is hereby expressly stipulated and agreed that this bond shall inure to the benefit of any and all persons, companies, and corporations entitled to file claims under Section 8000, et seq., of the Civil Code, so as to give a right of action to them or their assigns in any suit brought upon this bond.

Should the condition of this bond be fully performed, then this obligation shall become null and void, otherwise it shall be and remain in full force and effect.

The Surety hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the agreement or the specifications accompanying the same shall in any manner affect its obligations on this bond, and it does hereby waive notice of any such change, extension, alteration, or addition.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on September 13th \_\_\_\_\_, 20 17 \_\_\_\_.

### AGREEMENT TO PROVIDE SECURITY FOR IMPROVEMENTS FOR TRACT MAP OR PARCEL MAP OR PLOT PLAN (Tract Map/Parcel Map/Plot Plan No. 27971\_)

THIS SECURITY AGREEMENT is made by and between CITY OF BEAUMONT ("CITY") and <u>RSI Communities - California LLC</u>, <u>a Delaware limited liability</u> company ("DEVELOPER").

### RECITALS

A. DEVELOPER has applied to the CITY for permission to develop certain real property, pursuant to Tract Map/Parcel Map/Plot Plan # <u>27971</u>, ("Map"). DEVELOPER has also asked the CITY to accept the dedication of the street or streets and other proposed public rights-of-way, parks and recreation facilities, and easements as depicted on the Map and to otherwise approve the Map so that it may be recorded as required by law; and

B. The CITY requires, as a condition precedent to the acceptance and approval of the Map and the dedication of the public rights-of-way and easements depicted thereon, that such rights-of-way be improved with (for example) grading, paving, curbs, gutters, sidewalks, street lights, stormdrains, sanitary sewers and appurtenances thereto, street name signs, survey monuments, electrical and telecommunications, water pipes, water mains, fire hydrants and appurtenances thereto, and landscaping, including any warranty work for all such improvements (collectively, "Improvements"); and

C. The Improvements have not yet been constructed and completed and it is the purpose of this Security Agreement to set forth the terms and conditions by which the DEVELOPER shall guarantee that such Improvements shall be constructed and completed within the time set forth herein.

### AGREEMENT

NOW, THEREFORE, in consideration of the acceptance of the DEVELOPER's offer of dedication and the approval of the Map for filing and recording as provided and required by law, the CITY and the DEVELOPER hereby agree as follows:

1. <u>Provision of Improvements.</u> DEVELOPER shall provide, at the DEVELOPER's sole cost and expense, all necessary labor and materials to complete the construction of the Improvements depicted on the Map and described in the conditions of approval of the Map within one (1) year of the date of this Security Agreement.

2. <u>Inspection by the CITY</u>. The CITY shall inspect, at the DEVELOPER's sole cost and expense, all of the work, labor and materials performed and provided by the DEVELOPER in connection with the Improvements. 3. <u>Compliance with Plans and Specifications.</u> The Improvements shall be constructed and installed in strict accordance with the CITY-approved plans and specifications.

4. <u>Security for Performance.</u> Concurrently with the execution of this Security Agreement by DEVELOPER, DEVELOPER shall deliver to the CITY a performance bond issued by a corporate surety in substantially the form attached hereto as **Exhibit "A"**, in an amount that is not less than 100% of the total estimated cost of the Improvements and any warranty therefor. The performance bond shall be issued by an "admitted" corporate surety insurer authorized to do business in the State of California and the surety insurer shall have an A.M. Best rating of at least "A, XV". The surety insurer shall have assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The security or bond shall also insure against any and all defects in the Improvements for a period of not less than one full year after the date of acceptance thereof by the CITY. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

5. <u>Security for Contractors, Subcontractors, Laborers and Materialmen.</u> The DEVELOPER shall also provide a payment bond issued by a corporate surety for the security of laborers and materialmen, which bond or bonds shall be in substantially the form attached hereto as **Exhibit "B"** and made a part hereof. The amount of the bond(s) shall be no less than 100% of the total estimated amount needed to secure payment to the contractor, to the subcontractors, and to the persons furnishing labor, materials, or equipment to them for the Improvements. The laborers and materialmen bond shall be provided by an "admitted" corporate surety insurer authorized to transact surety insurance in the State of California with an A.M. Best rating of "A, XV", and with assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

General Liability and Worker's Compensation Insurance. The DEVELOPER 6. shall, before commencing any work, obtain commercial general liability insurance (primary) of not less than \$2,000,000.00 per occurrence for all coverages and \$2,000,000.00 general aggregate. The CITY and its employees and agents shall be added as additional insureds. Coverage shall apply on a primary non-contributing basis in relation to any other insurance or self-insurance, primary or excess, available to the CITY or any employee or agent of the CITY. Coverage shall not be limited to the vicarious liability or supervisory role of any additional insured. Coverage shall contain no contractors' limitation endorsement. There shall be no endorsement or modification limiting the scope of coverage for liability arising from pollution, explosion, collapse, underground property damage or employment-related practices. Such insurance shall not prohibit the DEVELOPER, and its employees or agents, from waiving the right of subrogation prior to a loss. The DEVELOPER waives its right of subrogation against the CITY. Unless otherwise approved by the CITY, the DEVELOPER's insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best rating of "A, XV." Self-insurance shall not be considered to comply with these insurance specifications. The DEVELOPER agrees to require all contractors, subcontractors and other parties hired for the Improvements to purchase and maintain insurance of the types specified herein, naming as additional insureds all of the parties to this Security Agreement. The DEVELOPER shall, before commencing any work, obtain Worker's Compensation Insurance in an amount required by law and, failing to do so, the CITY may procure such insurance at the cost of the DEVELOPER.

7. <u>Comprehensive Commercial General and Automobile Liability Insurance</u>. The DEVELOPER, before commencing any work shall, at its own expense, maintain comprehensive commercial general and automobile liability insurance issued by a California-admitted surety company with an A.M. Best rating of no less than "A, XV" for \$2,000,000 per occurrence. Coverage shall be for the entire duration of the permitted activities. Such liability insurance policy shall name, by endorsement, the City as an additional insured.

8. Indemnification. Notwithstanding the provisions of Government Code, Section 66474.9 or any other statutes of similar import, and to the full extent permitted by law, the DEVELOPER shall defend, indemnify and hold harmless the CITY, its employees, agents, officials and attorneys, from and against any liability, claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind or nature, whether actual, alleged or threatened, reasonable attorneys' fees, court costs, interest, expert witness fees and any other costs or expenses of any kind whatsoever, without restriction or limitation, incurred in relation to, as a consequence of, or arising out of or in any way attributable actually, allegedly or impliedly, in whole or in part, to the Map, the Improvements, this Agreement, or any matter related to the same; provided, however, that the indemnification to be provided by DEVELOPER to the CITY pursuant to the terms of this paragraph shall not be applicable where the aforementioned liability, claim, suit, action, etcetera, is the result of the sole negligence or sole willful misconduct of the CITY.

9. <u>Procedure for Release of Performance Bond Security.</u> The security furnished by the DEVELOPER shall be released in whole or in part in the following manner:

a. Security shall be released upon final completion and acceptance of the Improvements. If the security furnished by the DEVELOPER is a documentary evidence of security, such as a surety bond, the CITY shall release the documentary evidence and return the original to the Surety upon final completion and acceptance of the Improvements. In the event the CITY is unable to return the original documentary evidence to the Surety, the security shall be released by written notice sent by certified mail to the DEVELOPER and to the Surety within 30 days of the City's acceptance of the Improvements. The written notice shall contain a statement that the work for which security was furnished has been completed and accepted, a description of the Improvements, and the notarized signature of an authorized CITY official.

b. At such time as the DEVELOPER believes that the work for which the security was required is complete and makes payment of a partial exoneration fee of \$350 to the CITY, the DEVELOPER shall notify the CITY in writing of the completed work, including a list of work completed. Upon receipt of the written notice, the CITY shall have 45 days to review and comment or approve the completion of the Improvements. If the CITY does not agree that all work has been completed in accordance with the plans

and specifications for the Improvements, it shall supply a list of all remaining work to be completed.

c. Within 45 days of receipt of the CITY's list of remaining work, the DEVELOPER may then provide cost estimates for all remaining work for review and approval by the CITY.

d. Upon receipt of the cost estimates, the CITY shall then have 45 days to review, comment, and approve, modify or disapprove those cost estimates. The CITY shall not be required to engage in this process of partial release more than once between the start of work and the completion and acceptance of all work.

e. The DEVELOPER shall complete the works of Improvement until all remaining items are accepted by the CITY. Upon completion of the Improvements, the DEVELOPER shall be notified in writing by the CITY within 45 days and, within 45 days of the date of the CITY's notice, the release of any remaining performance security shall be made within 60 days of the recording of the Notice of Completion.

10. <u>Procedure for Release of Payment Bond Security.</u> Security securing the payment to the contractor, his or her subcontractors and persons furnishing labor, materials or equipment may, after passage of the time within which mechanic's liens and stop notices are required to be recorded and after acceptance of the Improvements, be reduced by Surety to an amount equal to the total claimed by all claimants for whom mechanic's liens and stop notices have been recorded and notice thereof given in writing to the CITY, and if no claims have been recorded, the security may be released in full.

11. <u>Security for One-Year Warranty Period</u>. The release procedures described in paragraphs 9 and 10 above shall not apply to any required guarantee and warranty period nor to the amount of the performance bond security deemed necessary by the CITY for the guarantee and warranty period nor to costs and reasonable expenses and fees, including reasonable attorneys' fees.

12. <u>Binding Effect.</u> This Security Agreement shall be binding upon and shall inure to the benefit of the parties hereto, their legal representatives and their successors and assigns.

13. <u>Authority to Execute</u>. The DEVELOPER hereby warrants and represents to the CITY that the individual signing this Security Agreement on behalf of the DEVELOPER is vested with the unconditional authority to do so pursuant to, and in accordance with, all applicable legal requirements, and has the authority bind the DEVELOPER hereto.

14. <u>No Assignment.</u> The DEVELOPER may not assign this Security Agreement, or any part thereof, to another without the prior written consent of the CITY.

15. <u>Attorneys' Fees.</u> In the event of legal action to enforce or interpret this Agreement or any of its provisions, the prevailing party shall be entitled, in addition to any other form of relief, to recover its reasonable attorneys' fees and costs of suit.

16. <u>Execution in Counterparts.</u> This Agreement may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute a single agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the dates listed below.

> LIEN CONTRACT (Lien Contract as Initial Security; Gov. Code Section 66499(a)(4))

THIS LIEN CONTRACT ("Lien Contract") is entered into this 16<sup>44</sup> day of December, 2016, by and between the CITY OF BEAUMONT, CALIFORNIA, a general law city ("City") and RSI COMMUNITIES – HEARTLAND, a Delaware limited liability company ("Owner").

### RECITALS

A. A predecessor-in-interest of the Owner sought and obtained the City's approval of Tentative Tract Map No. 27971 (the "Map"). A copy of the Map is on file in the Office of the City Clerk and is incorporated herein by reference.

B. As a condition precedent to approval of Tract Map 27971-5 ("Final Map"), which Final Map was filed in Book 448, Pages 58 through 63, inclusive, of Maps, in the Office of the County Recorder of Riverside, California, LV Heartland LLC, a Delaware limited liability company ("LVH"), as predecessor-in-interest of the Owner, entered into that certain Agreement to Provide Security for Improvements for Tract Map or Parcel Map or Plot Plan dated July 17, 2014 ("Original Subdivision Improvement Agreement") to complete certain tasks and construct certain improvements as required by the Final Map and other entitlements including the Specific Plan and Final Environmental Impact Report applicable to the property subject to the Final Map ("Developer Obligations"). The Original Subdivision Improvement Agreement required LVH to provide security satisfactory to the City in accordance with and the Subdivision Map Act (Gov. Code, §§ 66462 and 66499).

C. The Developer Obligations remain outstanding and unperformed.

D. Owner and City have entered into that certain replacement Agreement to Provide Security for Improvements for Tract Map or Parcel Map or Plot Plan dated as of Dec. (C, 2016 ("New Subdivision Improvement Agreement") to replace the Original Subdivision Improvement Agreement and provide for the Owner's posting of new security in connection therewith.

٤.

E. City is authorized to accept the security proposed by Owner, known as a lien contract, under the provisions of Government Code Section 66499(a)(4) and, pursuant to the New Subdivision Improvement Agreement, City has agreed to accept the first lien on the term: and conditions hereof.

F. City has found and determined, pursuant to California Government Code Section 66499(a)(4) that "it would not be in the public interest to require the installation of the required improvement[s] sooner than two years after the recordation" of the Map.

NOW, THEREFORE, for good and valuable consideration, including the obligations herein and the trust herein created, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

### 1. Owner's Performance.

a. Owner hereby grants to City, in accordance with the terms and conditions of this Lien Contract, a first lien upon the property described in <u>Attachment "A"</u> ("Property"), attached hereto, as security for the following obligations of Owner:

(1) Construction of the improvements ("Improvements") specified in the New Subdivision Improvement Agreement, in the estimated amount and for the purposes specified in <u>Attachment "B"</u> attached hereto; provided, however, that Owner's obligation hereunder shall extend to the actual cost of construction of the Improvements, notwithstanding that such costs may exceed the estimate set forth in <u>Attachment "B"</u>; and

(2) Payment of the fees or services ("Fees") required by the City in the amount required as a condition of approval of the Final Map.

(3) All of the Developer Obligations and the obligations of Owner under this Lien Contract and under the New Subdivision Improvement Agreement ("Obligations").

This lien secures said Improvements, Fees and Obligations (collectively, the "Secured Obligations").

b. For the purpose of securing payment and performance of the Secured Obligations, Owner hereby irrevocably and unconditionally grants, conveys, transfers and assigns to Fidelity National Title ("Trustee"), as trustee, in trust, WITH POWER OF SALE TOGETHER WITH THE RIGHT OF ENTRY AND POSSESSION, for the benefit and security of the City, all present and future rights, titles, interests, estates, powers and privileges that Owner now has or may hereafter acquire in or to the Property. Prior to obtaining any type of permit, including a grading or building permit, or commencing the installation and construction of any portion of the Improvements required by the New Subdivision Improvement Agreement, whichever occurs first, Owner shall deposit fees for inspections, tests and other related purposes, and shall substitute payment and performance bonds in amounts satisfactory to the City ("Suitable Future Bond") in place of this Lien Contract. Owner shall make the deposit specified herein in the amounts prescribed for such purposes at the time the deposit is due. Owner also

1

agrees to provide the Suitable Future Bond in the amounts and for the purposes set forth in the New Subdivision Improvement Agreement, except that the amounts shall be calculated using the estimated cost of the Improvement as of the time of the substitution of security, as ascertained by the City.

c. Owner shall perform and complete the Improvements required by the New Subdivision Improvement Agreement, including without limitation, the requirement that, except as otherwise agreed by the CITY, Improvements that are secured by one or more payment and performance bonds shall be constructed within one (1) year after the date on which the DEVELOPER has delivered such payment and performance bonds to the CITY.

### 2. City's Performance.

Following City's approval and receipt of the substitute forms of security submitted by Owner pursuant to Paragraph 1(c) above and receipt of applicable Fees, City shall release the Property from the provisions of this Lien Contract, and shall execute any necessary release to enable Owner or its transferee to clear the record of title of the Property so released of the lien herein imposed.

3. Effect of Lien Contract.

a. From the date of recordation of this Lien Contract, a lien shall attach to the Property which shall have the priority of a judgment lien in an amount necessary to secure and discharge all obligations contained in this Lien Contract and New Subdivision Improvement Agreement, and any Fees.

b. Unless written consent of the City is obtained, the Owner shall not convey, lien or encumber any portion of or interest in the Property covered by this Lien Contract until Suitable Future Bonds or some other form of alternative security acceptable to the City has been provided and this Lien Contract has been released.

c. So long as this Lien Contract is utilized for security as described herein, offers of dedication for street purposes on the Property will not be accepted by the City.

The City shall not have an obligation to subordinate its rights hereunder to any other lender or encumbrancer unless substitute security in the form of a bond or letter of credit satisfactory to City is secured by Owner.

4. <u>Events of Default</u>. Upon the occurrence of any one of the following events, Owner shall be deemed in default hercunder:

a. Failure by Owner to deposit fees for inspections, tests and other specific purposes or to substitute Suitable Future Bonds or other forms of security satisfactory to City within the time allotted and as prescribed by this Lien Contract.

b. Commencement of any work on the Improvements by Owner, its agents or employees, prior to substitution of acceptable security, including, without limitation, Suitable Future Bonds, with the City in place of this Lien Contract.

•

c. Failure by Owner to complete construction of the Improvements described in the New Subdivision Improvement Agreement within the time allotted and as prescribed in this Lien Contract, and otherwise extended pursuant to the terms of the New Subdivision Improvement Agreement.

d. The appointment, pursuant to an order of a court of competent jurisdiction, of a trustee, receiver or liquidator of the Property or any part thereof, or of Owner.

e. The filing by Owner of a petition in bankruptcy or for an arrangement or for reorganization pursuant to the Federal Bankruptcy Code or any similar law, federal or state, or the adjudication of Owner as a bankrupt or as insolvent by a decree of a court of competent jurisdiction, or the making of an assignment for the benefit of creditors, or the admission by Owner in writing of its inability to pay its debts generally as they become due, or the giving of consent by Owner to the appointment of a receiver or receivers of all or any part of its property, including the Property.

f. The filing by any of the creditors of Owner or the reorganization of Owner pursuant to the Federal Bankruptcy Code or any similar law, federal or state and the same is not discharged within ninety (90) days after the date of filing thereof.

g. Levy of any attachment or writ of execution against Owner and the Property whereby the Property is taken or occupied or attempted to be taken or occupied by someone other than Owner and such attachment or execution is not released within (60) days.

h. Sale of any lot or lots shown on the Map prior to release of the lien created by this Lien Contract, except as provided in Paragraph 3(b).

i. Failure of owner to pay the Fees described in Paragraph 1(a)(2) above, at the time required.

j. Breach by Owner of any other term or condition of this Lien Contract or the Subdivision Improvement Agreement, or Owner's failure to fully and faithfully discharge its obligations hereunder within the time specified herein.

k. Failure to pay prior to delinquency any taxes, assessments, fees or other amounts the payment of which are secured by a lien against part or all of the Property.

1. Failure of Owner to maintain liability insurance in the amount of at least \$2,000,000.00 per occurrence and in the aggregate on the Property naming City as an additional insured.

m. The occurrence of any waste, violation of an ordinance, violation of a condition of approval or nuisance on the Property which is not cured by Owner within thirty (30) days following written notice from City.

n. The breach or violation of any other subdivision improvement agreement, or lien contract between City and Owner beyond any applicable notice and cure period.

•

3

All references to Owner in this Paragraph 4 shall be deemed to include Owner's successors, assignees and transferees.

5. <u>City's Remedics</u>. Upon the occurrence of any of the events described in Paragraph 4, above, City may, at its option, declare all obligations, amounts and indebtedness secured hereby immediately due and payable without any presentment, demand, protest, or notice, and take one or more of the actions below:

a. Pursue any or all of the remedies provided in the New Subdivision Improvement Agreement;

Commence and maintain an action or actions to foreclose this lien by **b**. appropriate action in court or as provided by law for the non-judicial foreclosure of mortgages or deeds of trust under power of sale pursuant to California Civil Code Sections 2924, 2924(b) and 2924(c), and Owner agrees that the amount of said lien shall include attorneys' fees as provided in Paragraph 6(b) below. CITY will deposit with TRUSTEE this Lien Contract, the New Subdivision Improvement Agreement, and any receipts and evidence of expenditures made and secured as TRUSTEE may require. If notice of default has been given as then required by law, and after lapse of the time that may then be required by law, after recordation of the notice of default, TRUSTEE, without demand on OWNER, will, after notice of sale having been given as required by law, sell the Property at the time and place of sale fixed by it in the notice of sale, either as a whole or in separate parcels as TRUSTEE determines, and in any order that it may determine, at public auction to the highest bidder. TRUSTEE may postpone sale of all or any portion of the Property by public announcement at the time and place of sale, and from time to time after that may postpone the sale by public announcement at the time fixed by the preceding postponement, and without further notice make the sale at the time fixed by the last postponement; or TRUSTEE may, in its discretion, give a new notice of sale. CITY may rescind any notice of default at any time before TRUSTEE's sale by executing a notice of rescission and recording it. The recordation of the notice will constitute a cancellation of any prior declaration of default and demand for sale and of any acceleration of maturity of obligations affected by any prior declaration or notice of default. The exercise by CITY of the right of rescission will not constitute a waiver of any default then existing or subsequently occurring, or impair the right of CITY to execute other declarations of default and demand for sale, or notices of default and of election to cause the Property to be sold, nor otherwise affect the Lien Contract, the New Subdivision Improvement Agreement, or any of the rights, obligations, or remedies of CITY or TRUSTEE. After sale, TRUSTEE will deliver to the purchaser its deed conveying the property sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters or facts will be conclusive proof of their truthfulness. Any Person, including Owner, TRUSTEE, or CITY, may purchase at that sale. If allowed by law, CITY, if it is the purchaser, may turn in the New Subdivision Security Agreement at the amount owing on it toward payment of the purchase price (or for endorsement of the purchase price as a payment if the amount owing exceeds the purchase price). TRUSTEE, upon the sale, will make (without any covenant or warranty, express or implied), execute and, after due payment made, deliver to a purchaser and its heirs or assigns a deed or other record of interest, as the case may be, to the Property sold, which will convey to the purchaser all the title and interest of Owner in the Property and will apply the proceeds of the sale in payment first, of the expenses of the sale together with the expenses of the trustee, including, without limitation, attorney fees, that will become due on any default made by OWNER, and also any sums that TRUSTEE or CITY have paid for procuring a search of the title to the Property subsequent to the execution of this Lien Contract; and second, of the Secured Obligations then remaining unpaid. TRUSTEE will pay the balance or surplus of the proceeds of sale, if any, to OWNER and its successors or assigns as its interests may appear;

c. Commence and maintain an action or actions in any court of competent jurisdiction to foreclose this instrument as a mortgage or to obtain specific enforcement of the covenants of Owner hereunder, and Owner agrees that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy and that for the purposes of any suit brought under this subparagraph, Owner waives the defense of latches and any applicable statute of limitations;

d. Estimate the cost of the work required to complete the Improvements which estimate shall be deemed a debt and obligation in a liquidated sum of Owner, and judicially or non-judicially foreclose said lien in said amount; and

c. Pursue any other remedy, legal or equitable including but not limited to those for the foreclosure of a lien, and Owner, its assigns, shall pay reasonable attorneys' fees as a cost in said proceedings.

6. General Provisions.

a. <u>Recordation</u>. This Lien Contract shall be recorded by City with the Recorder's Office of the County of Riverside immediately following execution of this Lien Contract by (1) all parties hereto, and (2) all parties having any record title interest in the subject real property, pursuant to Government Code Section 66436, acknowledging subordination of their interests to this Lien Contract.

b. <u>Attorneys' Fees</u>. City shall be entitled to reasonable attorneys' fees, paralegal fees, and other charges, expenses and costs incurred in enforcing its rights under this Lien Contract.

c. <u>Contingency</u>. This Lien Contract shall not take effect until it has been approved by the City and recorded.

d. <u>Entire Agreement</u>. This Lien Contract together with all attachments and other agreements expressly referred to herein, constitutes the entire agreement between the parties with respect to the subject matter contained herein. All prior or contemporaneous agreements, understandings, representations, warranties and statements, oral or written, are superseded.

e. <u>Further Assurances</u>. The parties agree to perform such further acts and to execute and deliver such additional documents and instruments as may be reasonably required in order to carry out the provisions of this Lien Contract and the intentions of the parties. ÷

f. <u>Governing Law</u>. This Lien Contract shall be governed, interpreted, construed and enforced in accordance with the laws of the State of California.

g. <u>Headings</u>. The captions and Section headings used in this Lien Contract are inserted for convenience of reference only and are not intended to define, limit or affect the construction or interpretation of any term or provision hereof.

h. <u>Modification, Waiver</u>. No modification, waiver, amendment or discharge of this Lien Contract shall be valid unless the same is in writing and signed by all parties.

i. <u>No Other Inducement</u>. The making, execution and delivery of this Lien Contract by the parties hereto has been induced by no representations, statements, warranties or agreements other than those expressed herein.

j. <u>Severability</u>. If any term, provision, covenant or condition of this Lien Contract is held to be invalid, void or otherwise unenforceable, to any extent, by any court of competent jurisdiction, the remainder of this Lien Contract shall not be affected thereby, and each term, provision, covenant or condition of this Lien Contract shall be valid. and enforceable to the fullest extent permitted by law.

k. <u>Execution in Counterparts</u>. This Lien Contract may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute a single agreement.

If City or the Trustee is made a party to or is threatened with any litigation L concerning this Lien Contract or the New Subdivision Improvement Agreement the Property or any part thereof or interest therein, or the actions or omissions of Owner on the Property then Owner shall indemnify, defend and hold City and Trustee harmless for, from and against all liability by reason of said threat and/or litigation, including reasonable attorneys' fees and expenses incurred by City as a result of any such threat and/or litigation, whether or not any such threat and/or litigation is prosecuted to judgment; provided, however, that the indemnification to be provided by Owner to the City pursuant to the terms of this paragraph shall not be applicable where the aforementioned liability, claim, suit, action, et cetera, is the result of the sole negligence or sole willful misconduct of the City. City or Trustee may employ an attorney or attorneys to protect its rights hereunder, and in the event of such employment following any breach of the foregoing obligation by Owner, Owner shall pay City and Trustee reasonable attorneys' fees and expenses incurred by City or Trustee, whether or not an action is actually breach. reason of its Trustee by commenced against Owner or

## AGREEMENT TO PROVIDE SECURITY FOR IMPROVEMENTS FOR TRACT MAP OR PARCEL MAP OR PLOT PLAN (Tract Map/Parcel Map/Plot Plan No. 27971-5)

12

THIS SECURITY AGREEMENT is made by and between CITY OF BEAUMONT ("CITY") and <u>RSI Communities-California LLC</u>, a <u>Delaware limited liability</u> company ("DEVELOPER").

### RECITALS

A. DEVELOPER has applied to the CITY for permission to develop certain real property, pursuant to Tract Map/Parcel Map/Plot Plan # <u>27971-5</u>, ("Map"). DEVELOPER has also asked the CITY to accept the dedication of the street or streets and other proposed public rights-of-way, parks and recreation facilities, and easements as depicted on the Map and to otherwise approve the Map so that it may be recorded as required by law; and

B. The CITY requires, as a condition precedent to the acceptance and approval of the Map and the dedication of the public rights-of-way and easements depicted thereon, that such rights-of-way be improved with (for example) grading, paving, curbs, gutters, sidewalks, street lights, stormdrains, sanitary sewers and appurtenances thereto, street name signs, survey monuments, electrical and telecommunications, water pipes, water mains, fire hydrants and appurtenances thereto, and landscaping, including any warranty work for all such improvements (collectively, "Improvements"); and

C. The Improvements have not yet been constructed and completed and it is the purpose of this Security Agreement to set forth the terms and conditions by which the DEVELOPER shall guarantee that such Improvements shall be constructed and completed within the time set forth herein.

### AGREEMENT

NOW, THEREFORE, in consideration of the acceptance of the DEVELOPER's offer of dedication and the approval of the Map for filing and recording as provided and required by law, the CITY and the DEVELOPER hereby agree as follows:

1. <u>Provision of Improvements.</u> DEVELOPER shall provide, at the DEVELOPER's sole cost and expense, all necessary labor and materials to complete the construction of the Improvements depicted on the Map and described in the conditions of approval of the Map within one (1) year of the date of this Security Agreement.

2. <u>Inspection by the CITY</u>. The CITY shall inspect, at the DEVELOPER's sole cost and expense, all of the work, labor and materials performed and provided by the DEVELOPER in connection with the Improvements.

3. <u>Compliance with Plans and Specifications.</u> The Improvements shall be constructed and installed in strict accordance with the CITY-approved plans and specifications.

r<sup>a</sup>

4. <u>Security for Performance.</u> Concurrently with the execution of this Security Agreement by DEVELOPER, DEVELOPER shall deliver to the CITY a performance bond issued by a corporate surety in substantially the form attached hereto as **Exhibit "A"**, in an amount that is not less than 100% of the total estimated cost of the Improvements and any warranty therefor. The performance bond shall be issued by an "admitted" corporate surety insurer authorized to do business in the State of California and the surety insurer shall have an A.M. Best rating of at least "A, XV". The surety insurer shall have assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The security or bond shall also insure against any and all defects in the Improvements for a period of not less than one full year after the date of acceptance thereof by the CITY. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

5. <u>Security for Contractors, Subcontractors, Laborers and Materialmen.</u> The DEVELOPER shall also provide a payment bond issued by a corporate surety for the security of laborers and materialmen, which bond or bonds shall be in substantially the form attached hereto as **Exhibit "B"** and made a part hereof. The amount of the bond(s) shall be no less than 100% of the total estimated amount needed to secure payment to the contractor, to the subcontractors, and to the persons furnishing labor, materials, or equipment to them for the Improvements. The laborers and materialmen bond shall be provided by an "admitted" corporate surety insurer authorized to transact surety insurance in the State of California with an A.M. Best rating of "A, XV", and with assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

General Liability and Worker's Compensation Insurance. The DEVELOPER 6. shall, before commencing any work, obtain commercial general liability insurance (primary) of not less than \$2,000,000.00 per occurrence for all coverages and \$2,000,000.00 general aggregate. The CITY and its employees and agents shall be added as additional insureds. Coverage shall apply on a primary non-contributing basis in relation to any other insurance or self-insurance, primary or excess, available to the CITY or any employee or agent of the CITY. Coverage shall not be limited to the vicarious liability or supervisory role of any additional insured. Coverage shall contain no contractors' limitation endorsement. There shall be no endorsement or modification limiting the scope of coverage for liability arising from pollution, explosion, collapse, underground property damage or employment-related practices. Such insurance shall not prohibit the DEVELOPER, and its employees or agents, from waiving the right of subrogation prior to a loss. The DEVELOPER waives its right of subrogation against the CITY. Unless otherwise approved by the CITY, the DEVELOPER's insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best rating of "A, XV." Self-insurance shall not be considered to comply with these insurance specifications. The DEVELOPER agrees to require all contractors, subcontractors and other parties hired for the Improvements to purchase and maintain insurance of the types specified herein, naming as additional insureds all of the parties to this Security Agreement. The DEVELOPER shall, before commencing any work, obtain Worker's Compensation Insurance in an amount required by law and, failing to do so, the CITY may procure such insurance at the cost of the DEVELOPER.

£

7. <u>Comprehensive Commercial General and Automobile Liability Insurance</u>. The DEVELOPER, before commencing any work shall, at its own expense, maintain comprehensive commercial general and automobile liability insurance issued by a California-admitted surety company with an A.M. Best rating of no less than "A, XV" for \$2,000,000 per occurrence. Coverage shall be for the entire duration of the permitted activities. Such liability insurance policy shall name, by endorsement, the City as an additional insured.

8. Indemnification. Notwithstanding the provisions of Government Code, Section 66474.9 or any other statutes of similar import, and to the full extent permitted by law, the DEVELOPER shall defend, indemnify and hold harmless the CITY, its employees, agents, officials and attorneys, from and against any liability, claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind or nature, whether actual, alleged or threatened, reasonable attorneys' fees, court costs, interest, expert witness fees and any other costs or expenses of any kind whatsoever, without restriction or limitation, incurred in relation to, as a consequence of, or arising out of or in any way attributable actually, allegedly or impliedly, in whole or in part, to the Map, the Improvements, this Agreement, or any matter related to the same; provided, however, that the indemnification to be provided by DEVELOPER to the CITY pursuant to the terms of this paragraph shall not be applicable where the aforementioned liability, claim, suit, action, etcetera, is the result of the sole negligence or sole willful misconduct of the CITY.

9. <u>Procedure for Release of Performance Bond Security.</u> The security furnished by the DEVELOPER shall be released in whole or in part in the following manner:

a. Security shall be released upon final completion and acceptance of the Improvements. If the security furnished by the DEVELOPER is a documentary evidence of security, such as a surety bond, the CITY shall release the documentary evidence and return the original to the Surety upon final completion and acceptance of the Improvements. In the event the CITY is unable to return the original documentary evidence to the Surety, the security shall be released by written notice sent by certified mail to the DEVELOPER and to the Surety within 30 days of the City's acceptance of the Improvements. The written notice shall contain a statement that the work for which security was furnished has been completed and accepted, a description of the Improvements, and the notarized signature of an authorized CITY official.

b. At such time as the DEVELOPER believes that the work for which the security was required is complete and makes payment of a partial exoneration fee of \$350 to the CITY, the DEVELOPER shall notify the CITY in writing of the completed work, including a list of work completed. Upon receipt of the written notice, the CITY shall have 45 days to review and comment or approve the completion of the Improvements. If the CITY does not agree that all work has been completed in accordance with the plans

and specifications for the Improvements, it shall supply a list of all remaining work to be completed.

c. Within 45 days of receipt of the CITY's list of remaining work, the DEVELOPER may then provide cost estimates for all remaining work for review and approval by the CITY.

d. Upon receipt of the cost estimates, the CITY shall then have 45 days to review, comment, and approve, modify or disapprove those cost estimates. The CITY shall not be required to engage in this process of partial release more than once between the start of work and the completion and acceptance of all work.

e. The DEVELOPER shall complete the works of Improvement until all remaining items are accepted by the CITY. Upon completion of the Improvements, the DEVELOPER shall be notified in writing by the CITY within 45 days and, within 45 days of the date of the CITY's notice, the release of any remaining performance security shall be made within 60 days of the recording of the Notice of Completion.

10. <u>Procedure for Release of Payment Bond Security</u>. Security securing the payment to the contractor, his or her subcontractors and persons furnishing labor, materials or equipment may, after passage of the time within which mechanic's liens and stop notices are required to be recorded and after acceptance of the Improvements, be reduced by Surety to an amount equal to the total claimed by all claimants for whom mechanic's liens and stop notices have been recorded and notice thereof given in writing to the CITY, and if no claims have been recorded, the security may be released in full.

11. <u>Security for One-Year Warranty Period</u>. The release procedures described in paragraphs 9 and 10 above shall not apply to any required guarantee and warranty period nor to the amount of the performance bond security deemed necessary by the CITY for the guarantee and warranty period nor to costs and reasonable expenses and fees, including reasonable attorneys' fees.

12. <u>Binding Effect.</u> This Security Agreement shall be binding upon and shall inure to the benefit of the parties hereto, their legal representatives and their successors and assigns.

13. <u>Authority to Execute</u>. The DEVELOPER hereby warrants and represents to the CITY that the individual signing this Security Agreement on behalf of the DEVELOPER is vested with the unconditional authority to do so pursuant to, and in accordance with, all applicable legal requirements, and has the authority bind the DEVELOPER hereto.

14. <u>No Assignment.</u> The DEVELOPER may not assign this Security Agreement, or any part thereof, to another without the prior written consent of the CITY.

15. <u>Attorneys' Fees.</u> In the event of legal action to enforce or interpret this Agreement or any of its provisions, the prevailing party shall be entitled, in addition to any other form of relief, to recover its reasonable attorneys' fees and costs of suit.

EXHIBIT "A"

#### PERFORMANCE BOND

WHEREAS, the City Council of the City of Beaumont, State of California, and **RSI Communities - California LLC, a Delaware limited liability company** (hereinafter designated as "Principal") have entered into Agreement To Provide Security For Improvements For Tract Map, #27971-5 dated\_\_\_\_\_\_, 20 , whereby Principal agrees to install and complete certain designated public improvements itemized and described on Tract Map, No.<u>27971-5</u>, which is hereby incorporated herein and made a part hereof; and Final Monumentation.

WHEREAS, Principal is required under the terms of the said agreement to furnish a bond for the faithful performance of said agreement.

NOW, THEREFORE, we, the Principal and Lexon Insurance Company, as Surety, are held and firmly bound unto the City of Beaumont (hereinafter called "City"), in the penal sum of Forty-Nine Thousand Four Hundred & N0/100ths (\$49,400.00) lawful money of the United States, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, successors, executors and administrators, jointly and severally, firmly by these presents.

The condition of this obligation is such that if the Principal, his or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and provisions in the said agreement and any alteration thereof made as therein provided, on his or their part to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless the City, its officers, agents and employees as therein stipulated, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

As part of the obligation secured hereby and in addition to the face amount specified therefor, there shall be included costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing such obligation, all to be taxed as costs and included in any judgment therein rendered.

The Surety hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the agreement or to the work to be performed thereunder or the specifications accompanying the same shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the agreement or to the work or to the specifications.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on <u>March 1st</u>, <u>20 18</u>.

WHEREAS, the City Council of the City of Beaumont, State of California, and RSI Communities - California LLC, a Delaware limited liability company (hereafter designated as "the Principal") have entered into Agreement To Provide Security For Improvements For Tract Map #27971-5, dated\_\_\_\_\_\_, 20, whereby Principal agrees to install and complete certain designated public improvements itemized and described on Tract Map, No. 27971-5, which is hereby incorporated herein and made a part hereof; and Final Monumentation.

WHEREAS, under the terms of the said agreement, the Principal is required before entering upon the performance of the work, to file a good and sufficient payment bond with the City of Beaumont to secure the claims to which reference is made in Section 8000, et seq., of the Civil Code of the State of California.

NOW, THEREFORE, the Principal and the undersigned as corporate surety, are held firmly bound unto the City of Beaumont and all contractors, subcontractors, laborers, materialmen, and other persons employed in the performance of the said agreement and referred to at Section 8000, et seq., of the Civil Code in the sum of Forty-Nine Thousand Four Hundred & N0/100ths (\$49,400.00), for materials furnished or labor thereon of any kind, or for amounts due under the Unemployment Insurance Act with respect to this work or labor, that the Surety will pay the same in an amount not exceeding the amount hereinabove set forth, and also in case suit is brought upon this bond, will pay, in addition to the face amount thereof, costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing this obligation, to be awarded and fixed by the court, and to be taxed as costs and to be included in the judgment therein rendered.

It is hereby expressly stipulated and agreed that this bond shall inure to the benefit of any and all persons, companies, and corporations entitled to file claims under Section 8000, et seq., of the Civil Code, so as to give a right of action to them or their assigns in any suit brought upon this bond.

Should the condition of this bond be fully performed, then this obligation shall become null and void, otherwise it shall be and remain in full force and effect.

The Surety hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the agreement or the specifications accompanying the same shall in any manner affect its obligations on this bond, and it does hereby waive notice of any such change, extension, alteration, or addition.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on March 1st , 2018

## PERFORMANCE BOND

WHEREAS, the City Council of the City of Beaumont, State of California, and RSI Communities - California LLC, a Delaware limited liability company (hereinafter designated as "Principal") have entered into Agreement To Provide Security For Improvements For Tract Map, #27971-5 dated\_\_\_\_\_, 20 , whereby Principal agrees to install and complete certain designated public improvements itemized and described on Tract Map, No.27971-5, which is hereby incorporated herein and made a part hereof; and Final Monumentation.

WHEREAS, Principal is required under the terms of the said agreement to furnish a bond for the faithful performance of said agreement.

NOW, THEREFORE, we, the Principal and Lexon Insurance Company, as Surety, are held and firmly bound unto the City of Beaumont (hereinafter called "City"), in the penal sum of Forty-Nine Thousand Four Hundred & N0/100ths (\$49,400.00) lawful money of the United States, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, successors, executors and administrators, jointly and severally, firmly by these presents.

The condition of this obligation is such that if the Principal, his or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and provisions in the said agreement and any alteration thereof made as therein provided, on his or their part to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless the City, its officers, agents and employees as therein stipulated, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

As part of the obligation secured hereby and in addition to the face amount specified therefor, there shall be included costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing such obligation, all to be taxed as costs and included in any judgment therein rendered.

The Surety hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the agreement or to the work to be performed thereunder or the specifications accompanying the same shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the agreement or to the work or to the specifications.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on <u>March 1st</u>, <u>2018</u>.

WHEREAS, the City Council of the City of Beaumont, State of California, and RSI Communities - California LLC, a Delaware limited liability company (hereafter designated as "the Principal") have entered into Agreement To Provide Security For Improvements For Tract Map #27971-5, dated\_\_\_\_\_\_, 20, whereby Principal agrees to install and complete certain designated public improvements itemized and described on Tract Map, No. <u>27971-5</u>, which is hereby incorporated herein and made a part hereof; and Final Monumentation.

WHEREAS, under the terms of the said agreement, the Principal is required before entering upon the performance of the work, to file a good and sufficient payment bond with the City of Beaumont to secure the claims to which reference is made in Section 8000, et seq., of the Civil Code of the State of California.

NOW, THEREFORE, the Principal and the undersigned as corporate surety, are held firmly bound unto the City of Beaumont and all contractors, subcontractors, laborers, materialmen, and other persons employed in the performance of the said agreement and referred to at Section 8000, et seq., of the Civil Code in the sum of Forty-Nine Thousand Four Hundred & N0/100ths (\$49,400.00), for materials furnished or labor thereon of any kind, or for amounts due under the Unemployment Insurance Act with respect to this work or labor, that the Surety will pay the same in an amount not exceeding the amount hereinabove set forth, and also in case suit is brought upon this bond, will pay, in addition to the face amount thereof, costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing this obligation, to be awarded and fixed by the court, and to be taxed as costs and to be included in the judgment therein rendered.

It is hereby expressly stipulated and agreed that this bond shall inure to the benefit of any and all persons, companies, and corporations entitled to file claims under Section 8000, et seq., of the Civil Code, so as to give a right of action to them or their assigns in any suit brought upon this bond.

Should the condition of this bond be fully performed, then this obligation shall become null and void, otherwise it shall be and remain in full force and effect.

The Surety hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the agreement or the specifications accompanying the same shall in any manner affect its obligations on this bond, and it does hereby waive notice of any such change, extension, alteration, or addition.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on March 1st ,2018

## AGREEMENT TO PROVIDE SECURITY FOR IMPROVEMENTS FOR TRACT MAP OR PARCEL MAP OR PLOT PLAN (Tract Map/Parcel Map/Plot Plan No. 27971-5)

~

THIS SECURITY AGREEMENT is made by and between CITY OF BEAUMONT ("CITY") and <u>RSI Communities - California LLC</u>, <u>a Delaware limited liability</u> company ("DEVELOPER").

#### RECITALS

A. DEVELOPER has applied to the CITY for permission to develop certain real property, pursuant to Tract Map/Parcel Map/Plot Plan # 27971-5("Map"). DEVELOPER has also asked the CITY to accept the dedication of the street or streets and other proposed public rights-of-way, parks and recreation facilities, and easements as depicted on the Map and to otherwise approve the Map so that it may be recorded as required by law; and

B. The CITY requires, as a condition precedent to the acceptance and approval of the Map and the dedication of the public rights-of-way and easements depicted thereon, that such rights-of-way be improved with (for example) grading, paving, curbs, gutters, sidewalks, street lights, stormdrains, sanitary sewers and appurtenances thereto, street name signs, survey monuments, electrical and telecommunications, water pipes, water mains, fire hydrants and appurtenances thereto, and landscaping, including any warranty work for all such improvements (collectively, "Improvements"); and

C. The Improvements have not yet been constructed and completed and it is the purpose of this Security Agreement to set forth the terms and conditions by which the DEVELOPER shall guarantee that such Improvements shall be constructed and completed within the time set forth herein.

#### AGREEMENT

NOW, THEREFORE, in consideration of the acceptance of the DEVELOPER's offer of dedication and the approval of the Map for filing and recording as provided and required by law, the CITY and the DEVELOPER hereby agree as follows:

1. <u>Provision of Improvements.</u> DEVELOPER shall provide, at the DEVELOPER's sole cost and expense, all necessary labor and materials to complete the construction of the Improvements depicted on the Map and described in the conditions of approval of the Map within one (1) year of the date of this Security Agreement.

2. <u>Inspection by the CITY</u>. The CITY shall inspect, at the DEVELOPER's sole cost and expense, all of the work, labor and materials performed and provided by the DEVELOPER in connection with the Improvements. 3. <u>Compliance with Plans and Specifications.</u> The Improvements shall be constructed and installed in strict accordance with the CITY-approved plans and specifications.

. 3

5

5

4. <u>Security for Performance.</u> Concurrently with the execution of this Security Agreement by DEVELOPER, DEVELOPER shall deliver to the CITY a performance bond issued by a corporate surety in substantially the form attached hereto as Exhibit "A", in an amount that is not less than 100% of the total estimated cost of the Improvements and any warranty therefor. The performance bond shall be issued by an "admitted" corporate surety insurer authorized to do business in the State of California and the surety insurer shall have an A.M. Best rating of at least "A, XV". The surety insurer shall have assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The security or bond shall also insure against any and all defects in the Improvements for a period of not less than one full year after the date of acceptance thereof by the CITY. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

5. <u>Security for Contractors, Subcontractors, Laborers and Materialmen.</u> The DEVELOPER shall also provide a payment bond issued by a corporate surety for the security of laborers and materialmen, which bond or bonds shall be in substantially the form attached hereto as **Exhibit "B"** and made a part hereof. The amount of the bond(s) shall be no less than 100% of the total estimated amount needed to secure payment to the contractor, to the subcontractors, and to the persons furnishing labor, materials, or equipment to them for the Improvements. The laborers and materialmen bond shall be provided by an "admitted" corporate surety insurer authorized to transact surety insurance in the State of California with an A.M. Best rating of "A, XV", and with assets exceeding its liabilities in the amount equal to or in excess of the amount of the bond, and the bond shall not be in excess of 10% of the surety insurer's assets. The bond shall be duly executed and shall meet all the requirements of Section 995.660 of the California Code of Civil Procedure.

General Liability and Worker's Compensation Insurance. The DEVELOPER 6. shall, before commencing any work, obtain commercial general liability insurance (primary) of not less than \$2,000,000.00 per occurrence for all coverages and \$2,000,000.00 general aggregate. The CITY and its employees and agents shall be added as additional insureds. Coverage shall apply on a primary non-contributing basis in relation to any other insurance or self-insurance, primary or excess, available to the CITY or any employee or agent of the CITY. Coverage shall not be limited to the vicarious liability or supervisory role of any additional insured. Coverage shall contain no contractors' limitation endorsement. There shall be no endorsement or modification limiting the scope of coverage for liability arising from pollution, explosion, collapse, underground property damage or employment-related practices. Such insurance shall not prohibit the DEVELOPER, and its employees or agents, from waiving the right of subrogation prior to a loss. The DEVELOPER waives its right of subrogation against the CITY. Unless otherwise approved by the CITY, the DEVELOPER's insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best rating of "A, XV." Self-insurance shall not be considered to comply with these insurance specifications. The DEVELOPER agrees to require all contractors, subcontractors and other parties hired for the Improvements to purchase and maintain insurance of the types specified

herein, naming as additional insureds all of the parties to this Security Agreement. The DEVELOPER shall, before commencing any work, obtain Worker's Compensation Insurance in an amount required by law and, failing to do so, the CITY may procure such insurance at the cost of the DEVELOPER.

=

7. <u>Comprehensive Commercial General and Automobile Liability Insurance</u>. The DEVELOPER, before commencing any work shall, at its own expense, maintain comprehensive commercial general and automobile liability insurance issued by a California-admitted surety company with an A.M. Best rating of no less than "A, XV" for \$2,000,000 per occurrence. Coverage shall be for the entire duration of the permitted activities. Such liability insurance policy shall name, by endorsement, the City as an additional insured.

8. <u>Indemnification</u>. Notwithstanding the provisions of Government Code, Section 66474.9 or any other statutes of similar import, and to the full extent permitted by law, the DEVELOPER shall defend, indemnify and hold harmless the CITY, its employees, agents, officials and attorneys, from and against any liability, claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind or nature, whether actual, alleged or threatened, reasonable attorneys' fees, court costs, interest, expert witness fees and any other costs or expenses of any kind whatsoever, without restriction or limitation, incurred in relation to, as a consequence of, or arising out of or in any way attributable actually, allegedly or impliedly, in whole or in part, to the Map, the Improvements, this Agreement, or any matter related to the same; provided, however, that the indemnification to be provided by DEVELOPER to the CITY pursuant to the terms of this paragraph shall not be applicable where the aforementioned liability, claim, suit, action, etcetera, is the result of the sole negligence or sole willful misconduct of the CITY.

9. <u>Procedure for Release of Performance Bond Security.</u> The security furnished by the DEVELOPER shall be released in whole or in part in the following manner:

a. Security shall be released upon final completion and acceptance of the Improvements. If the security furnished by the DEVELOPER is a documentary evidence of security, such as a surety bond, the CITY shall release the documentary evidence and return the original to the Surety upon final completion and acceptance of the Improvements. In the event the CITY is unable to return the original documentary evidence to the Surety, the security shall be released by written notice sent by certified mail to the DEVELOPER and to the Surety within 30 days of the City's acceptance of the Improvements. The written notice shall contain a statement that the work for which security was furnished has been completed and accepted, a description of the Improvements, and the notarized signature of an authorized CITY official.

b. At such time as the DEVELOPER believes that the work for which the security was required is complete and makes payment of a partial exoneration fee of \$350 to the CITY, the DEVELOPER shall notify the CITY in writing of the completed work, including a list of work completed. Upon receipt of the written notice, the CITY shall have 45 days to review and comment or approve the completion of the Improvements. If the CITY does not agree that all work has been completed in accordance with the plans

and specifications for the Improvements, it shall supply a list of all remaining work to be completed.

c. Within 45 days of receipt of the CITY's list of remaining work, the DEVELOPER may then provide cost estimates for all remaining work for review and approval by the CITY.

d. Upon receipt of the cost estimates, the CITY shall then have 45 days to review, comment, and approve, modify or disapprove those cost estimates. The CITY shall not be required to engage in this process of partial release more than once between the start of work and the completion and acceptance of all work.

e. The DEVELOPER shall complete the works of Improvement until all remaining items are accepted by the CITY. Upon completion of the Improvements, the DEVELOPER shall be notified in writing by the CITY within 45 days and, within 45 days of the date of the CITY's notice, the release of any remaining performance security shall be made within 60 days of the recording of the Notice of Completion.

10. <u>Procedure for Release of Payment Bond Security.</u> Security securing the payment to the contractor, his or her subcontractors and persons furnishing labor, materials or equipment may, after passage of the time within which mechanic's liens and stop notices are required to be recorded and after acceptance of the Improvements, be reduced by Surety to an amount equal to the total claimed by all claimants for whom mechanic's liens and stop notices have been recorded and notice thereof given in writing to the CITY, and if no claims have been recorded, the security may be released in full.

11. <u>Security for One-Year Warranty Period</u>. The release procedures described in paragraphs 9 and 10 above shall not apply to any required guarantee and warranty period nor to the amount of the performance bond security deemed necessary by the CITY for the guarantee and warranty period nor to costs and reasonable expenses and fees, including reasonable attorneys' fees.

12. <u>Binding Effect.</u> This Security Agreement shall be binding upon and shall inure to the benefit of the parties hereto, their legal representatives and their successors and assigns.

13. <u>Authority to Execute.</u> The DEVELOPER hereby warrants and represents to the CITY that the individual signing this Security Agreement on behalf of the DEVELOPER is vested with the unconditional authority to do so pursuant to, and in accordance with, all applicable legal requirements, and has the authority bind the DEVELOPER hereto.

14. <u>No Assignment.</u> The DEVELOPER may not assign this Security Agreement, or any part thereof, to another without the prior written consent of the CITY.

15. <u>Attorneys' Fees.</u> In the event of legal action to enforce or interpret this Agreement or any of its provisions, the prevailing party shall be entitled, in addition to any other form of relief, to recover its reasonable attorneys' fees and costs of suit.

16. <u>Execution in Counterparts.</u> This Agreement may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute a single agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the dates listed below.

## EXHIBIT "A"

Bond Number: PB03010405608 Premium: \$1,729.00

#### PERFORMANCE BOND

WHEREAS, the City Council of the City of Beaumont, State of California, and <u>RSI Communities-California LLC, a Delaware limited liability company</u> (hereinafter designated as "Principal") have entered into Agreement To Provide Security For Improvements For Tract 27971-5, dated \_\_\_\_\_\_, 20\_\_\_, whereby Principal agrees to install and complete certain designated public improvements itemized and described on Tract Map, Parcel Map or Plot Plan No. 27971-5, which is hereby incorporated herein and made a part hereof; and Sewer Improvements.

WHEREAS, Principal is required under the terms of the said agreement to furnish a bond for the faithful performance of said agreement.

NOW, THEREFORE, we, the Principal and <u>Philadelphia Indemnity Insurance Company</u>, as Surety, are held and firmly bound unto the City of Beaumont (hereinafter called "City"), in the penal sum of Four Hundred Thirty Two Thousand Two Hundred Ninety Seven and 65/100 dollars (<u>\$ 432,297.65</u>) lawful money of the United States, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, successors, executors and administrators, jointly and severally, firmly by these presents.

The condition of this obligation is such that if the Principal, his or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and provisions in the said agreement and any alteration thereof made as therein provided, on his or their part to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless the City, its officers, agents and employees as therein stipulated, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

As part of the obligation secured hereby and in addition to the face amount specified therefor, there shall be included costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing such obligation, all to be taxed as costs and included in any judgment therein rendered.

The Surety hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the agreement or to the work to be performed thereunder or the specifications accompanying the same shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the agreement or to the work or to the specifications.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on November 6 , 20 18 .

#### **EXHIBIT "B"**

#### **PAYMENT BOND**

WHEREAS, the City Council of the City of Beaumont, State of California, and RSI Communities - California LLC (hereafter designated as "the Principal") have entered into Agreement To Provide Security For Improvements For Tract Map Or Parcel Map Or Plot Plan, dated \_\_\_\_\_\_, 20\_\_, whereby Principal agrees to install and complete certain designated public improvements itemized and described on Tract Map, Parcel Map or Plot Plan No.27971-5\_, which is hereby incorporated herein and made a part hereof; and

WHEREAS, under the terms of the said agreement, the Principal is required before entering upon the performance of the work, to file a good and sufficient payment bond with the City of Beaumont to secure the claims to which reference is made in Section 8000, et seq., of the Civil Code of the State of California.

NOW, THEREFORE, the Principal and the undersigned as corporate surety, are held firmly bound unto the City of Beaumont and all contractors, subcontractors, laborers, materialmen, and other persons employed in the performance of the said agreement and referred to at Section 8000, et seq., of the Civil Code in the sum of Four Hundred Thirty Two Thousand Two Hundred Minety Seven 65/1@collars (\$432,297.65), for materials furnished or labor thereon of any kind, or for amounts due under the Unemployment Insurance Act with respect to this work or labor, that the Surety will pay the same in an amount not exceeding the amount hereinabove set forth, and also in case suit is brought upon this bond, will pay, in addition to the face amount thereof, costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the City in successfully enforcing this obligation, to be awarded and fixed by the court, and to be taxed as costs and to be included in the judgment therein rendered.

It is hereby expressly stipulated and agreed that this bond shall inure to the benefit of any and all persons, companies, and corporations entitled to file claims under Section 8000, et seq., of the Civil Code, so as to give a right of action to them or their assigns in any suit brought upon this bond.

Should the condition of this bond be fully performed, then this obligation shall become null and void, otherwise it shall be and remain in full force and effect.

The Surety hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the agreement or the specifications accompanying the same shall in any manner affect its obligations on this bond, and it does hereby waive notice of any such change, extension, alteration, or addition.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named, on <u>November 6</u>, 20 <u>18</u>.

| SUBJECT: | Approval of the Pretreatment Facilities Agreement with Perricone Juices |

# **Background and Analysis:**

As part of the City's Wastewater Treatment Plant Salt Mitigation Upgrade, the City initiated a collaborative effort with local significant wastewater dischargers to improve water quality at the source with the goal of minimizing impacts and resulting costs at the City's Wastewater Treatment Plant (WWTP). In addition to minimizing impacts at the WWTP, revised water quality limits, monitoring and enforcement actions are necessary to meet the stringent discharge requirements for the brine line owned and operated by the Santa Ana Watershed Protection Agency. This connection is vital to the success of the City's Salt Mitigation Upgrade which relies on this pipeline to dispose of salt from the watershed.

Since 1995, Perricone Farms has operated a juice processing plant in the City of Beaumont as a significant wastewater discharger. The City began discussions with Perricone Farms in 2018 and have negotiated the Pretreatment Facilities Agreement (Exhibit A). The Agreement authorizes the City to utilize an interim wastewater rate in return for Perricone investing approximately \$3 million in onsite wastewater treatment equipment resulting in an improved effluent water quality. The interim rate reflects an overall annual revenue increase of 20% over the estimated revenue from Perricone Farms in the City's Sewer Rate Study (June 2018). This agreement provides adequate time and rate stabilization for Perricone Farms to implement the necessary equipment to equalize and treat wastewater flows onsite which benefits operations at the City's WWTP. The agreement includes provisions requiring Perricone to meet schedule milestones, performance requirements and minimum investment thresholds or face financial penalties.

# **Fiscal Impact:**

Staff cost to prepare this report and agreement is approximately \$600.00.

# PRETREATMENT FACILITIES AGREEMENT

THIS PRETREATMENT FACILITIES AGREEMENT (the "Agreement"), dated as of September \_\_\_\_\_, 2019, is by and among the CITY OF BEAUMONT, a general law city (the "City"), and Beaumont Juice, Inc., a California corporation, dba PERRICONE JUICES (the "Owner").

# RECITALS

A. Owner owns and operates the citrus juice processing plant located at 550 B Street, Beaumont, CA 92223 ("Project"), the legal description of which is attached as **Exhibit** "A", and made a part hereof by this reference.

B. Owner holds a discharge permit to discharge to the City' Public Owned Treatment Works ("POTW") pursuant to Sections 13.08.300 et seq. of the Beaumont Municipal Code, as such permit may hereafter be modified or changed in accordance with applicable law ("Discharge Permit").

C. City regulates discharges into its sanitary sewer system under the Discharge Permit, Beaumont Municipal Code Chapter 13.04, 13.08, 13.09, 13.20 and Government Code Section 54725 et. seq. and is required to comply with wastewater discharge requirements imposed by the California Regional Water Quality Control Board, Santa Ana Region, Orange County Sanitation District and applicable State and Federal laws including the Clean Water Act (33 U.S.C. 1251 et seq.) the General Pretreatment Regulations (40 CFR 403 et. seq.) (collectively "Discharge Regulations").

D. The City has the authority under Section 13.20.250 and 13.20.255 of the Municipal Code to require the installation of control technology (pretreatment equipment and monitoring facilities).

E. Prior to the execution of this Agreement, the City issued letters of noncompliance to Owner regarding violations of the City's Wastewater Regulations, Beaumont Municipal Code Chapter 13.20. Without limitation violations include improper *ph*, excessive TDS and BOD, slug loading, failure to monitor and report, failure to maintain systems.

F. Owner has determined that certain improvements to the Owner's waste water pretreatment facilities ("Facilities"), as described in the letter from Owner's engineering firm, Gannett Fleming, dated March 25, 2019 ("Gannett Letter") attached hereto and made a part hereof by this reference as **Exhibit "B**", will allow the Project to comply with applicable law.

G. Owner is required to pay certain monthly sewer service charges under Beaumont Municipal Code Chapter 13.08.180 et. seq. and implementing resolutions.

# ARTICLE I CONSTRUCTION OF FACILITIES

Section 1.1 Facilities Construction. Owner agrees to construct the improvements and facilities described in the letter from Owner's engineering firm, Gannett Fleming, dated March 25, 2019 ("Gannett Letter") entitled "Interim Solution for Expedited Compliance" and "Permanent Solution" in a good and workman-like manner according to the Implementation Schedule therein (Table 10). Owner represents that the Interim Solution for Expedited Compliance will attain a

minimum level of compliance as specified in Table 5 Gannett Letter. Owner represents that the Permanent Solution will attain a minimum level of compliance as specified in Table 8 of the Gannett Letter and in accordance with the Discharge Permit issued by the City. The Interim Solution for Expedited Compliance and the Permanent Solution are hereinafter defined as the "**Facilities**". The Project is within the Service Area of the City's wastewater treatment and disposal system, and the City and the Owner will benefit from a coordinated plan of design, engineering and construction of the Facilities. The Facilities shall be commenced on the date specified in Gannett Letter and the facilities including and Discrete Components shall be completed on or before the applicable completion date or completion dates ("Completion Date") identified in Gannett Letter. The Owner shall provide for the design, engineering and construction of the Facilities is also identified in the Gannett Letter. The Owner shall provide for the design, engineering and construction of the Facilities at its sole cost and expense as provided hereinafter.

Progressive Compliance. Owner and City have determined that it is in the Section 1.2 best interests of the City to implement a progressive enforcement response procedure under this Agreement and under the City's Enforcement Response Plan ("ERP"). This Agreement shall be deemed a Compliance Order with Compliance Time Schedule ("CTS") under the ERP. The Facilities include a new pre-treatment system that will replace Owner's existing pretreatment system. Completion of the Facilities is intended as a means of attaining progressive compliance with the Discharge Regulations under BMC 13.20.400. Owner has represented to City that the Facilities once fully completed will bring the Project into compliance with the current applicable Discharge Regulations for the Project as attached hereto as Exhibit "C" ("Specific Discharge Requirements"). However, City has not made a determination that and makes no representation to Owner that the Facilities will result in compliance with the Specific Discharge Requirements in effect at any given point in time and the same is at the sole risk and cost of the Owner. Owner is aware that the Discharge Regulations including the Specific Discharge Requirements will change and likely increase in the future and that there is no guaranty that the Facilities will attain compliance with the Discharge Regulations and Specific Discharge Requirements as they may apply in the future. Actual levels of pre-treatment to be obtained by construction of the Facilities may depend on a variety of factors including, but not limited to, the operation and maintenance of the Facilities, the design of the Facilities by Owner's engineers and other factors which are the sole responsibility of the Owner and for which the City shall have no responsibility whatsoever. The City does not waive any of its power or authority under the Discharge Regulations by entering into this Agreement except that City agrees to allow progressive compliance with the Specific Discharge Requirements over the term of this Agreement as specifically provided herein. During the term of this Agreement Owner agrees to take all actions imposed by the City under the Discharge Regulations in addition to those provided for in the Gannett Letter. In the event that any other regulatory body, including but not limited to the California Regional Water Quality Control Board, Santa Ana Region, Orange County Sanitation District, imposes fines, penalties, damages, regulations, orders or requirements applicable to the Project that conflict with the terms of this Agreement, such additional regulations, orders or requirements shall control and will be the sole responsibility of the Owner.

**Section 1.3 Maintenance and Operations**. Owner shall provide necessary wastewater treatment as required to comply with the Discharge Regulations and shall achieve compliance with all applicable, promulgated categorical standards of the Discharge Regulations within the time limitations specified herein. Any facilities required to pretreat wastewater to meet applicable discharge limits shall be constructed, operated, and maintained in proper operating condition at the Owner's expense at all times. If the City determines at any time that Owner is not acting diligently to achieve timely compliance with the Discharge Regulations, City reserves the right to take such enforcement or other

legal actions as it deems prudent to assure compliance with the Discharge Regulations. If the Facilities are completed and City determines that the Project is not in compliance with the Specific Discharge Requirements and/or the Discharge Regulations, City reserves the right to require compliance with such Discharge Regulations, as they may be amended, supplemented or changed from time to time and as they may apply to the operations of Owner as such operations may change from time to time. City reserves the right to terminate this Agreement if Owner falsifies information submitted to the City.

**Section 1.4 Plans and Specifications**. The Owner shall cause plans and specifications to be prepared for the Facilities no later than the date provided in the Gannett Letter. The Owner shall obtain the City's written approval of the plans and specifications, monitoring facilities (BMC 13.20.255) and proposed operating procedures in accordance with applicable ordinances and regulations of the City. Copies of all plans and specifications shall be provided by the Owner to the City upon request therefor. Owner shall be responsible to pay directly or reimburse the City for all plan check and approval costs of City for its staff time and outside consultants related to the Project upon receipt of a written invoice for the same.

Section 1.5 Duty of Owner to Construct. The Facilities and discrete components "Discrete Components") thereof shall be constructed at the direction of the Owner in accordance with the approved plans and specifications following the solicitation of bids as provided in Section 1.4 hereof. "Discrete Components" are separate elements of the Facilities that actually serve a wastewater pretreatment function independently of the entirety of the Facilities as determined by the City.

The Owner shall be obligated: (i) to cause the construction of the Facilities and Discrete Components in accordance with the Implementation Schedule, Table 10 of the Gannett Letter and to use its own funds to pay all costs thereof. The Owner shall not be relieved of its obligation to cause the construction of the Facilities and Discrete Components thereof in accordance with the terms of this Agreement (i) because the actual cost exceeds the estimated cost or the amount of the credit under **Section 2.4** below. The obligation of the Owner to construct such Facilities, and pay the costs thereof is not conditioned on the issuance of credits under this Agreement. The issuance of the credit is a separate and independent obligation from the Owner's obligation to construct the Facilities as provided herein. Further, it is understood and agreed that Owner, has an independent legal obligation to construct the Facilities even in the absence of this Agreement, unless Owner makes arrangements not to discharge into the City's system which are in compliance with all applicable laws.

**Section 1.6 Competitive Bidding**. This Agreement is not intended to be a public works contract. The Facilities shall be constructed on the Property of Owner and shall be the property of Owner subject to the jurisdiction of the City. Notwithstanding the foregoing, the Owner shall competitively bid and award all contracts for construction of the Facilities, Discrete Components and materials, subject to the Credit Request, related thereto by means of a competitive bid process. The Owner shall endeavor to obtain at least three bids for such Facilities or Discrete Component thereof by means of a bidding process. The Owner shall award each bid to the lowest responsible responsive bidder or best value for alternative delivery procurement. For construction subject to the Credit Request process, Owner shall require each contractor to provide for the payment of prevailing wages and maintain records with respect to such payment in accordance with Labor Code Section 1770 et. seq. and related regulations.

From time to time at the request of the City, the Owner shall meet and confer with City staff, consultants and contractors regarding matters arising hereunder with respect to the Facilities, Discrete Components and the progress in constructing and acquiring the same, and as to any other matter related

to the Facilities or this Agreement. At the request of the City, the Owner shall advise the City of scheduled coordination and scheduling meetings to be held with contractors relating to the Facilities, in the ordinary course of performance of an individual contract. The City or the City's designated representative shall have the right to be present at such meetings.

Section 1.7 Independent Contractor. In performing this Agreement, the Owner is an independent contractor and not the agent or employee of the City. The City shall not be responsible for making any payments to any contractor, subcontractor, agent, consultant, employee or supplier of the Owner.

**Section 1.8 Contracts and Change Orders**. The Owner shall be responsible for entering into all contracts and any supplemental agreements (commonly referred to as "change orders") required for the construction of the Facilities and retaining the same for inspection by City if requested by the City.

**Section 1.9** Time for Completion. The Owner agrees that this Agreement is for the benefit of the City and the Owner and, therefore, the Owner represents that it shall complete the Facilities as provided in the Gannett Letter - Table 10 ("Implementation Schedule").

# **ARTICLE II**

# **INSPECTION AND CREDIT**

**Section 2.1 Inspection**. No credit hereunder shall be made by the City to the Owner for the Facilities or Discrete Component thereof until the Facilities or Discrete Component thereof has been inspected and found to be completed in accordance with the approved plans and specifications by the City or other applicable public entity or utility. The City may make or cause to be made periodic site inspections of the Facilities or Discrete Components hereunder; provided that in no event shall the City incur any liability for any delay in the inspection of any Facilities or Discrete Components. The Owner agrees to pay all inspection, permit and other similar fees of the City applicable to construction of the Facilities.

Section 2.2 Credit Requests. In order to receive a credit for a completed Facilities or Discrete Component, inspection thereof under Section 2.1 shall have been made and the Owner shall deliver to the City: (i) a Credit Request in the form of Exhibit "D" hereto for such Facilities or Discrete Component, together with all attachments and exhibits required and this Section 2.2 to be included therewith, and (ii) if Credit is requested for the completed Facilities, a copy of the recorded notice of completion of such Facilities.

Section 2.3 Processing Credit Requests. Upon receipt of a Credit Request (and all accompanying documentation requested by the City including copies of applicable invoices, receipts, cancelled checks and lien releases ), the City shall conduct a review in order to confirm that such request is complete, that such Discrete Component or Facilities identified therein was constructed in accordance with the plans and specifications therefor, and to verify and approve the actual cost of such Discrete Component or Facilities specified in such Credit Request. The City shall also conduct such review as is required in his discretion to confirm the matters certified in the Credit Request. The Owner agrees to cooperate with the City in conducting each such review and to provide the City with such additional information and documentation as is reasonably necessary for the City to conclude each such review. Within thirty (30) days of receipt of any Credit Request, the City expects to review the request for completeness and notify the Owner whether such Credit Request is complete, and, if not,

what additional documentation must be provided. If such Credit Request is complete, the City expects to provide a written approval or denial (specifying the reason for any denial) of the request within thirty (30) calendar days of its submittal. If a Credit Request is denied, the City shall state whether the Credit Request is nevertheless approved and complete for any one or more Discrete Components and such Facilities or Discrete Components shall be processed for credit under **Section 2.4** notwithstanding such partial denial.

Credit. Owner shall be subject to the sewer rates contained in the Interim Rate Section 2.4 Schedule, Table 11 to the Gannett Letter until December 31, 2022 subject to the other terms of this Agreement. The Interim Rate Schedule provides for a reduced rate for Owner's sewer services that is intended to equal the estimated cost of the Facilities. Notwithstanding anything to the contrary in this Agreement, the amount of credits under this Agreement shall not exceed the sum of \$2,300,000.00. The rates provided for in the Interim Rate Schedule shall apply subject to the following conditions: (1) completion of the Facilities by the Owner, (2) Owner acquiring approval from the City on Credit Requests totaling at least the estimated cost of the Facilities as provided in Table 4 and Table 6 of the Gannett Letter ("Minimum Investment"). Should the Owner not meet either obligation within the time frames contained in the Implementation Schedule, the Owner shall be required to pay the full wastewater services costs as would have been otherwise required under the City's ordinances, notwithstanding anything to the contrary in this Agreement, less the amount already paid during the course of this Agreement and approved Credit Requests. Within 30 calendar days following completion by the Owner of these two (2) actions, City shall provide a Credit Completion Letter which documents satisfactory completion of the Facilities and Minimum Investment and transition to discharging within the requirements of a revised Discharge Permit. The Credit Completion Letter is not intended to certify that the Owner is in compliance with the Discharge Regulations which shall apply in full after the issuance of the Credit Completion Letter.

Section 2.5 Restrictions on Credits. Notwithstanding any other provisions of this Agreement, the following restrictions shall apply to any credits provided to the Owner under Section 2.4 hereof:

(a) <u>Withholding Credits</u>. The City shall be entitled, but shall not be required, to withhold any credit hereunder for a Discrete Component or the Facilities if the Owner or any affiliate is delinquent in complying with its obligations under this Agreement, in the payment of ad valorem real property taxes, special assessments, special taxes or sewer service charges related to the Property.

The City shall be entitled to withhold any credit hereunder for the Project or a Discrete Component that is the subject of a Credit Request until it is satisfied that any and all claims for labor and materials have been paid by the Owner for the Project or Discrete Component that is the subject of a Credit Request, or conditional lien releases (as well as unconditional lien releases for amounts paid) have been provided by the Owner for such Discrete Component or the Project. The City, in its discretion, may waive this limitation upon the provision by the Owner of sureties, undertakings, securities and/or bonds of the Owner or appropriate contractors or subcontractors and deemed satisfactory by the City to assure payment of such claims.

(b) <u>Frequency</u>. No more than one Credit Request shall be submitted by the Owner in any calendar month.

(c) <u>Defective or Nonconforming Work</u>. If any of the work done or materials furnished for the Facilities or Discrete Component are found by the City to be defective or not in

accordance with the applicable plans and specifications: (i) and such finding is made prior to receipt of the Credit for the Facilities or a Discrete Component hereunder, the City may withhold the Credit until such defect or nonconformance is corrected to the satisfaction of the City, or (ii) if such finding is made after issuance of the Credit for such Facilities or Discrete Component, the City may withhold further credits until the defect is cured to the satisfaction of the City.

# **ARTICLE III**

### **REPRESENTATIONS, WARRANTIES AND COVENANTS**

Section 3.1 Representations, Covenants and Warranties of the Owner. The Owner represents and warrants for the benefit of the City, as follows:

(a) <u>Organization</u>. Owner is a California corporation and is validly doing business and in good standing in the State of California, is in compliance with all applicable laws of the State, and has the power and authority to own its properties and assets and to carry on its business as now being conducted and as now contemplated.

(b) <u>Authority</u>. The Owner has the power and authority to enter into this Agreement, and has taken all action necessary to cause this Agreement to be executed and delivered, and this Agreement has been duly and validly executed and delivered by and authorized representative of the Owner.

(c) <u>Binding Obligation</u>. This Agreement is a legal, valid and binding obligation of the Owner, enforceable against the Owner in accordance with its terms, subject to bankruptcy and other equitable principles.

(d) <u>Compliance with Laws</u>. The Owner shall not with knowledge commit, suffer or permit any act to be done in, upon or to the lands of the Owner in violation of any law, ordinance, rule, regulation or order of any governmental authority (including Chapter 13.20 of the Beaumont Municipal Code) or any covenant, condition or restriction now or hereafter affecting the Project or the Facilities.

(e) <u>Requests for Credit</u>. The Owner represents and warrants that (i) it will not request Credit from the City for any improvements that are not part of the Facilities, and (ii) it will diligently follow all procedures set forth in this Agreement with respect to the Credit Requests.

(f) <u>Financial Records</u>. Until the final acceptance of the Facilities, the Owner covenants to maintain proper books of record and account for the construction of the Facilities and all costs related thereto. Which accounting books shall be maintained in accordance with generally accepted accounting principles, and shall be available for inspection by the City or its agent at any reasonable time during regular business hours on 72 hour notice.

(g) <u>Prevailing Wages</u>. The Owner shall comply with all applicable laws and regulations relating to prevailing wages. Wage rates for the Facilities shall be in accordance with the "General Wage Determination Made By the City of Industrial Relations Pursuant To California Labor Code, Part 7, Chapter 1, Article 2, Sections 1770, 1773 and 1773.1", for Riverside County.

(h) <u>Plans and Specifications</u>. The Owner represents that it has obtained or will obtain approval of the plans and specifications for the Facilities hereunder from all appropriate departments of the City and from any other public entity or public utility from which such approval must be obtained. The Owner further agrees that the Facilities hereunder have been or will be constructed in full compliance with such approved plans and specifications and any supplemental agreements (change orders) thereto, as approved in the same manner.

(i) <u>Land Owners</u>. The Owner agrees that in the event that it sells any land owned by it within the Property, the Owner will (i) notify the purchaser in writing prior to the closing of any such sale of the existence of this Agreement and the Owner's rights and obligations hereunder with respect to the construction of and credits for the Facilities.

Indemnification and Hold Harmless. The Owner shall assume the defense Section 3.2 of, indemnify and save harmless the City, members of the City Council, their officers, officials, employees and agents and each of them, from and against all actions, damages, claims, losses or expense of every type and description to which they may be subjected or put, by reason of, or resulting from entering into this Agreement including, but not limited to, legal challenges to extending the credits to Owner for sewer fees, the breach of any provision of this Agreement by the Owner, the Owner's or any other entity's negligent design, engineering and/or construction of any of the Facilities hereunder, the Owner's non-payment under contracts between the Owner and its consultants, engineer's, advisors, contractors, subcontractors and suppliers in the provision of the Facilities or any claims of persons employed by the Owner or its agents to construct the Facilities. Notwithstanding the foregoing, no indemnification is given hereunder for any action, damage, claim, loss or expense solely and directly attributable to the intentional acts or gross negligence of the City, or its officers, directors, employees or agents hereunder. No provision of this Agreement shall in any way limit the Owner's responsibility for payment of damages resulting from the operations of the Owner, its agents, employees or its contractors.

**Section 4.3**. Legal Compliance. At all times during the term of this Agreement Owner shall comply with all laws and regulations concerning the discharge of wastewater referred to in this agreement. During the term of this Agreement, Owner shall bring the Project into compliance with such laws and regulations as provided herein. Upon the expiration of this Agreement such laws and regulations shall apply in full force and effect.

Reserved Governmental Authority. Except as otherwise expressly provided Section 4.4. in Section 1.2 of this Agreement with regards to the progressive implementation of the Specific Discharge Requirements, nothing in this Agreement shall exempt or immunize Owner from compliance with any applicable city, county, state, or federal ordinance, regulation, statute, or other law, including but expressly not limited to, the Discharge Regulations and any applicable city, county, state or federal agency, court decision or other regulatory body which requires City to enforce against the Owner or the Project to protect the health, safety or welfare of the public. Nothing contained in this Agreement shall preclude City from seeking and obtaining any civil or criminal court order for violation of any such city, county, state, or federal ordinance, regulation, statute, or other law with respect to the Project and/or the construction of the Facilities, if such action is required to protect the health, safety or welfare of the public or is required to comply with applicable county, state or federal law, court order or the order of any city, county, state or federal agency or public agency. For the sake of clarity and not by way of limitation, the Discharge Regulation shall continue to apply to Owner and the Project at all times except to the extent of the phasing in of the Specific Discharge Requirements under Section 1.2.

**Section 4.5** Good Faith Compliance. Each party hereby pledges to implement and carry out their obligations under this Agreement in good faith, and to take all steps necessary to effectuate the terms and conditions of this Agreement.

# **ARTICLE IV**

### TERMINATION

**Section 4.1 Mutual Consent**. This Agreement may be terminated by the mutual, written consent of the City and the Owner.

**Section 4.2** City Election to Terminate for Cause. The following events shall constitute grounds for the City, at its option and in its sole discretion, to terminate this Agreement, without the consent of the Owner:

(a) The Owner shall voluntarily file for reorganization or other relief under any Federal or State bankruptcy or insolvency law.

(b) The Owner shall have any involuntary bankruptcy or insolvency action filed against it, or shall suffer a trustee in bankruptcy or insolvency or receiver to take possession of the assets of Owner, or shall suffer an attachment or levy of execution to be made against the Property unless, in any of such cases, such circumstance shall have been terminated or released within ninety (90) days thereafter.

(c) The Owner shall abandon construction of the Facilities. Failure for a period of one month to undertake substantial work related to the construction of Facilities that are required to be constructed at that time pursuant to the Gannett Letter, Table 10, other than for a reason specified in **Section 5.3** hereof, shall constitute a non-inclusive example of such abandonment.

(d) The Owner shall breach any material covenant or default in the performance of any material obligation hereunder.

(e) The Owner shall transfer any of its rights or obligations under this Agreement without the prior written consent of the City or as otherwise permitted hereunder.

(f) The Owner transfers title to the Property, without first requiring the transferee to assume all of the obligations under this Agreement and providing the executed assignment to the City in form and substance acceptable to the City.

(g) Notwithstanding, the forgoing if Owner is found by City to be in violation of any of the Discharge Regulations City shall have the right to terminate this Agreement, recover any amount of sewer user fees that would have been due had this Agreement not been entered into by City and Owner and/or exercise any other rights or remedies of City under this Agreement, the Discharge Regulations or any other law or regulation.

(h) Upon the issuance of the Credit Completion Letter provided that the issuance of the Credit Completion Letter shall not terminate any unused credits otherwise available under the Interim Rate Schedule.

If any such event occurs, the City shall give written notice of its knowledge thereof to the Owner, and the Owner agrees to meet and confer with the City and appropriate City staff and consultants as to options available to assure timely completion of the Facilities. Such options may include, but not be limited to the termination of this Agreement by the City. If the City elects to terminate this Agreement, the City shall first notify the Owner of the grounds for such termination and allow the Owner a reasonable period (minimum of thirty (30) days) to eliminate or mitigate to the satisfaction of the City, if the Owner, to the satisfaction of the City, is proceeding with diligence to eliminate or mitigate such grounds for termination. If at the end of such period (and any extension thereof, as determined solely by the City), the Owner has not eliminated or completely mitigated such grounds, to the satisfaction of the City, the City may then terminate this Agreement.

Notwithstanding the foregoing, so long as any event listed in any of clauses (a) through and including (f) above has occurred, notice of which has been given by the City to the Owner, and such event has not been cured or otherwise eliminated by the Owner, the City may in its sole discretion cease issuing credits under **Section 2.4**. Further, in the event that City terminates this Agreement and the Facilities are not fully operable at the time of the termination, City may recover the amount of any credits previously provided to Owner under **Section 2.4** and the same shall be due and payable immediately and may be collected in the same manner and at the same time as the sewer service charges of the City.

**Section 4.3** Force Majeure. Whenever performance is required of a party hereunder, that party shall use all due diligence and take all necessary measures in good faith to perform, but if completion of performance is delayed by reasons of floods, earthquakes, inclement weather or other acts of God, war, civil commotion, riots, strikes, acts of terrorism, picketing, other labor disputes, damage to work in progress by casualty, government shutdowns, moratoria or other restrictive laws or regulations, or the acts, omissions or breach of agreement by the other party to this Agreement or its agents, contractors or subcontractors, or by other cause beyond the reasonable control of the party (financial inability excepted), then the specified time for performance shall be extended by the amount of the delay actually so caused.

# ARTICLE V

# **MISCELLANEOUS**

**Section 5.1** Limited Liability of City. The Owner agrees that any and all obligations of the City arising out of or related to this Agreement are special and limited obligations of the City and the City's liability hereunder is limited solely to the issuance of credits under Section 2.4. No member of the City Council, or City staff member, employee or agent shall incur any liability hereunder to the Owner or any other party in their individual capacities by reason of their actions hereunder or execution hereof.

**Section 5.2** Review of Records. The City and/or the Finance Manager or other officer of the City shall have the right, during normal business hours and upon the giving of two (2) business days prior written notice to the Owner, to review all books and records of the Owner pertaining to the actual cost incurred by the Owner in to the Facilities, and any bids taken or received for the construction thereof or materials therefor.

**Section 5.3** Attorney's Fees. In the event that any action or suit is instituted by either party against the other arising out of this Agreement, the party in whose favor final judgment shall be entered shall be entitled to recover from the other party all costs and expenses of suit, including reasonable attorneys' fees.

Section 5.4 Notices. Any notice, payment or instrument required or permitted by this Agreement to be given or delivered to either party shall be deemed to have been received when personally delivered, or transmitted by telecopy or facsimile transmission (which shall be immediately confirmed by telephone and shall be followed by overnight delivery an original of the same within twenty-four hours after such transmission), addressed as follows:

Each party may change its address or addresses for delivery of notice by delivering written notice of such change of address to the other party.

**Section 5.5** Severability. If any part of this Agreement is held to be illegal or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall be given effect to the fullest extent possible.

**Section 5.6** Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the successors and assigns of the parties hereto. This Agreement shall not be assigned by the Owner, except in whole to an Affiliate holding title to the Property, or to any other entity of which the Owner and/or its members or partners will be managing members or general partners and which holds title to the Property, with the prior written consent of the City, which consent shall not be unreasonably withheld or delayed. In connection with any required consent of the City, the City may condition its consent upon the acceptability of the financial condition of the proposed assignee, the assignee's express assumption of all obligations of the Owner hereunder, and/or upon any other factor which the City deems relevant in the circumstances. In any event, any such assignment shall be in writing, shall clearly identify the scope of the rights and/or obligations assigned, and shall not be effective until approved by the City. Without the City's consent, no assignment shall release the Owner from its obligations and liabilities under this Agreement. This Section shall survive the termination of this Agreement.

Section 5.7 Other Agreements. Nothing herein shall be construed as affecting the City's or the Owner's rights, or duties to perform their respective obligations, under other agreements, if any, use regulations relating to the Project or the Property. This Agreement shall not confer any additional rights, or waive any rights given, by either party hereto under any other agreement to which they are a party.

**Section 5.8** Waiver. Failure by a party to insist upon the strict performance of any of the provisions of this Agreement by the other party, or the failure by a party to exercise its rights upon the default of the other party, shall not constitute a waiver of such party's right to insist and demand strict compliance by the other party with the terms of this Agreement thereafter. Nothing in this Agreement shall be construed as a waiver by the City of the provisions of Chapter 13.20 of the Beaumont Municipal Code and such provisions shall remaining full force and effect as to Owner at all times.

**Section 5.9** Merger. No other agreement, statement or promise made by any party or any employee, officer or agent of any party with respect to any matters covered hereby that is not in writing and signed by all the parties to this Agreement shall be binding.

Section 5.10 Parties in Interest. Nothing in this Agreement, expressed or implied, is intended to or shall be construed to confer upon or to give to any person or entity other than the City and the Owner any rights, remedies or claims under or by reason of this Agreement or any covenants, conditions or stipulations hereof; and all covenants, conditions, promises, and agreements in this Agreement contained by or on behalf of the City or the Owner shall be for the sole and exclusive benefit of the City and the Owner.

**Section 5.11** Amendment. This Agreement may be amended, from time to time, only by written amendment hereto, executed by the City and the Owner.

Section 5.12 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original.

**Section 5.13** Recitals. The recitals to this Agreement are accurate and correct and are incorporated herein by reference and made a part hereof.

**Section 5.14** Interpretation. The Terms in this Agreement that are not specifically defined shall have the meanings ascribed to them in the Discharge Regulations. To the extent of a conflict between this Agreement and the Gannett Letter, this Agreement shall control.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first-above written.

# Subject: Perricone Interim Agreement - Version 2

# Project 064644

Dear Ms. Day:

The City of Beaumont (City) passed updated sewer rates which went into effect on July 1, 2018. As discussed at our meeting on October 18, 2018, the updated rates would result in significant increases in business operation to Perricone Juice (Perricone). As discussed at this meeting, Perricone is willing to make the investments necessary to deliver a higher quality effluent to the City and ultimately lower rates. However, the design process and implementation will take several years. As requested, this letter presents our approach to delivering an interim and permanent treatment system and the requested interim rate for this period.

The approach outlined in this letter serves multiple benefits for the City. These are summarized as follows:

- 1. Lower Operating Costs at WWTP. Installing treatment at Perricone and subsequently increasing effluent water quality will lower operating costs for the City.
- 2. **Support Local Business**. A "ramp up" period for Perricone allows for a more reasonable increase in business expenses over time allowing for stable and continued operations at the facility.
- 3. **Exceed Planned Revenue**. The requested Interim Rates results in more revenue to the City from Perricone than anticipated in the City's Rate Study.
- 4. Less Risk During Construction. By providing an expedited treatment system Perricone will deliver higher quality water while the City is undergoing improvements at the WWTP. The City will have less risk at the WWTP during construction when systems are shut down for improvement.
- 5. **Support Brine Line Connection**. The City is currently pursuing a connection to the Inland Empire Brine Line which is a key component of the City's Salt Mitigation Upgrade Project. Improving Perricone effluent water quality will assist the City in meeting the strict requirements of Orange County Sanitation District.

# **SECTION 1 - RESULTS OF SAMPLING**

On October 25, 2018, Perricone staff initiated a sampling plan based on parameters provided by Gannett Fleming on the same day. The sampling plan included requests for composite sampling for process areas and corresponding flow measurements. The following section describes the results of these efforts.

# **Sampling Results**

Five (5) 24-hour composite samples were taken for three main process areas (Fruit Wash/Extraction, Interior Holding Tank, and Bottling) and the combined effluent. Sampling was completed by BABCOCK Laboratories on 10/26, 10/30, 10/31, 11/1 and 11/2. The results of the sampling efforts are summarized in **Table 1**.

(a) This value was noted by BABCOCK Laboratories to be due to margin of error multiplied by the dilution factor.

(b) No composite sampling for combined effluent was taken by Perricone on this day. The City had notified Perricone that sampling would be conducted by City staff. Perricone stopped sampling on effluent to avoid conflicts or duplicative testing. The City's effluent sampling was conducted on 11/6/2018 and resulted in a TDS and BOD measurement of 2,400 and 1,800 mg/L, respectively (BABCOCK Laboratories, Work Order Number B8K0662).

Flow Data

For the months August 2018 through November 2018, Perricone has submitted to the City historical flow data for the facility. A summary of this data is provided in **Table 2**.

TABLE 2 FLOW DATA SUMMARY

# SECTION 2 – TREATMENT DESIGN CONCEPT

Due to the need to expedite reduction of BOD and TDS, as noted in the City's NOV (10-31-18), the treatment design will include both an interim and permanent solution.

# Interim Solution for Expedited Compliance

After detailed reviews of the recent and historical sampling results, flow measurements, and suitable technologies to reduce BOD and TDS considering other relevant constituents (e.g. TSS, O&G, pH), and recognizing that in the short time available without the benefit of bench or field treatability testing, an adaptive and flexible approach to the interim treatment design is required for designing and installing the permanent wastewater pretreatment system (WWTS). This is critical in that the Interim Solution and accompanying data collection and treatability testing will be used as a basis for a permanent solution.

In all cases an Equalization (EQ) Tank System with integration of pH control to attenuate flow and loads to the interim treatment system is required. For the interim period, several goals are to be achieved prior to implementation of design and installation of the permanent solution; these goals include the following:

- **pH Discharge Compliance.** Installation of the first part of the Interim Solution must address the pHrelated NOVs and proposed pH increase to 6 as required for the City's planned brine discharge connection. This immediate phase must include an expanded equalization system including minimum 30,000 gallon tankage having adequate mixing, chemical feed for pH control, pH monitoring, and operate in conjunction with the existing pH control/monitoring system.
- **BOD Reduction.** Installation of a temporary simplified biological treatment system that will reduce BOD by at least 2,200 lbs. BOD/day, the majority of which will be soluble BOD (SBOD). This removal is based upon a design basis influent BOD target of 4,800 mg/L (attenuated through equalization) and an effluent target of <3,500 mg/L assuming a flow of 125,000 GPD (average). The influent BOD target value of 4,800 mg/L is based on a 15 percent increase over the maximum measured (4,200 mg/L) in **Table 1** for combined effluent.
- **TDS Reduction.** Based upon the soluble portion of the BOD to be approximately 70 to 80 percent of the total BOD, and a coincident reduction of TDS through SBOD reduction is expected. As such, with an anticipated reduction of at least 2,200 lbs. BOD/day, the resulting TDS reduction is anticipated to be approximately 1,500 lbs. TDS/day. This removal is based upon a design basis influent TDS target of 5,100 mg/L (attenuated through equalization) which is based on the maximum measured TDS for combined effluent in Table 1. A contingency was not added (similar to BOD) since TDS is an ancillary treatment for the Interim System and not the focus of the treatment.

Proposed Interim Solution elements to achieve the required reductions as well as testing programs that allow Perricone to strategically position for an optimal permanent solution are summarized below:

- 1. *Sizing of Interim Solution.* To moderate costs of the temporary system, approximately one half of the flow will be treated at an estimated overall 80 percent BOD reduction. The temporary WWTS will be designed and operated to reduce the BOD concentration from 4,800 mg/L to approximately 720 mg/L at 65,000 GPD. This will result in an estimated reduction of 2,200 lbs. BOD/day. This will include an anticipated TSS reduction of 90 percent through proposed solids separation.
- Equalization Storage. Equalization consisting of two (2) temporary 15,000 to 20,000-gallon Equalization (EQ) Tanks operated in series (with an option for parallel operation), aerated/mixed with varying liquid level in the second tank to attenuate hydraulic variations. EQ Tank contents will be pumped to the temporary activated sludge (AS) system.
- 3. *pH Control*. Provisions for pH monitoring and control will be provided in the first EQ Tank to augment the existing pH control system.
- 4. Activated Sludge System. The temporary aeration tanks of the AS system will require approximately 80,000 gallons of volume (e.g. four 20,000 gallon aerated/mixed tanks) to provide a hydraulic retention time of approximately 30 hours, with a BOD loading rate of approximately 225 lbs. BOD/1,000 ft<sup>3</sup>/day using a relatively high mixed liquor suspended solids (MLSS) and a MLVSS of 10,000 mg/L (F/M = 0.33). This high MLSS allows for the smaller size aeration tanks, but requires a positive solids capture technology, such as a dissolved-air flotation (DAF) unit. As previously noted, TDS is estimated to be removed at 70 percent of BOD removed, such that for every 100 lbs./day BOD removal results in 70 lbs./day TDS removal.
- **5.** Nutrient Addition. A nutrient addition system (e.g. urea for nitrogen and/or phosphate) may be required based upon initial testing during start-up. Drums or totes equipped with chemical feed pumps will be used to inject needed chemicals upstream of the AS system.
- 6. DAF System. The aeration tank will be followed by a single DAF clarifier sized based upon a solids loading rate to handle the high MLSS from the aeration tanks. It is anticipated that a 3% solids RAS @15,000 GPD will be achieved, so the total flow through the DAF will be approximately 80,000 GPD (56 GPM), handling a MLSS of 12,000 mg/L. With a DAF unit having 100 ft<sup>2</sup> of effective surface area, the solids loading rate (SLR) will be 3.6 lbs. /ft<sup>2</sup>/hr. and the hydraulic loading rate (HLR) will be 0.56 GPM/ft<sup>2</sup>.
- 7. *Sludge Handling.* Two (2) 7,500-gallon sludge tanks with provisions for decanting clear liquid will be installed for storage of the DAF float, which will be periodically hauled by a state licensed hauler having appropriate permits for managing/disposing of the waste sludge. It is expected that the sludge can be decanted to 5 to 6 percent solids and, assuming a waste sludge yield of 0.5 lbs. TSS/lb. BOD, yield approximately 5,000 GPD of sludge disposal.
- 8. *Pilot Systems.* In parallel with the primary temporary AS WWTS, two skid mounted pilot systems will be run during a portion of the Interim Period to confirm optimal selection of the permanent WWTS. These pilot units are anticipated to include the following:
  - Fixed Film Biological Treatment. An approximately 1,600 GPD fixed film biological treatment system consisting of two small media towers running in parallel atop a 500-gallon recirculation tanks. This pilot system, estimated to remove 42 lbs. BOD/day, will run in parallel with the primary system to determine potential operational requirements. This design provides for significantly lower operating costs (e.g. lower sludge production and power requirements) compared to the traditional AS system. We will also explore options for treating only the Interior Tank flows, which has a higher BOD and TDS concentrations, lower TSS and higher soluble fraction of BOD.
  - *Membrane Treatment.* An approximately 10 to 12 GPM Electrodialysis Reversal (EDR) membrane process that will treat the DAF effluent from the primary Interim Solution WWTS to determine feasibility and

metrics associated with further reduction of BOD and TDS, with one possible byproduct being a water reuse option. Selection of one or more process input streams (e.g. Interior Holding Tank Area) may be tested separately to determine the feasibility of limiting the ultimate treatment to a higher strength, lower flow scenario to optimize treatment and reduce costs. In these scenarios, a separate screening system would need to be employed to remove large solids and other TSS as currently done on the existing system.

A conceptual level estimate of interim treatment costs was prepared based on the proposed system and is provided as **Table 4**.

(a) TDS is estimated to be removed at 70 percent of BOD removed, such that for every 100 lbs./day BOD removed results in 70 lbs./day TDS removed. This relationship will be confirmed during operation.

# **Permanent Solution**

The permanent WWTS will achieve moderate BOD and TSS removal utilizing physical-chemical and/or combination biological treatment technologies, dependent upon the outcome of the pilot testing and results of temporary AS system performance. For illustration purposes, below is a summary of a conceptual permanent solution:

- Limit treatment to the high strength flows from the Interior Tank and Fruit Wash/Extraction areas. These high strength flows are estimated to be approximately 75,000 gpd.
- Reduce facility effluent by 20 percent. This will be achieved through a combination of water conservation and recycling water for plant processes such as bottling and fruit wash.
- Source control capture of ultra-high strength CIP pulp rinse cycle from all affected site holding tanks. Captured waste to be tested and hauled for disposal, possibly to digesters to promote biogas production.
- Design Criteria:
  - BOD concentration of 7,000 mg/L (~90% soluble), resulting in approximately 4,000 to 5,000 lbs. BOD/day. This value is based on a 10 percent increase over average BOD for Interior Tank Holding area per Table 1. This concentration will be achieved by removing low strength flows the Interior Tank Holding area and adding high strength flows from the Fruit Wash/Extraction area.
  - TDS concentration of 8,900 mg/L, resulting in 5,000 to 6,000 lbs. TDS/day. This value is based on average TDS for Interior Tank Holding area per Table 1, plus a 10 percent increase over average TDS.
  - TSS concentration of 500 to 1,000 mg/L. This value is based on average TSS for Interior Tank Holding area per Table 1.

A conceptual level estimate of cost for the permanent solution is provided in **Table 6**.

 CONCEPTUAL LEVEL ESTIMATE OF PERMANENT COSTS

The permanent system can reuse several components from the Interim Solution, including the following:

- 1. Sludge Storage Tanks
- 2. DAF (reduced cost due to lease to purchase option)
- 3. Blowers
- 4. Chemical Feed Systems

## Anticipated Future Water Quality

The goal of the permanent treatment system will be to separate high concentration flows and focus treatment. As demonstrated in Section 1, this area is understood to be the Interior Holding Tank area. With the permanent treatment system focused on this stream, **Table 8** was prepared to estimate the anticipated effluent water quality following installation of the permanent solution.

Notes:

a) This value is based on a 10 percent increase over average BOD for Interior Tank Holding area per Table 1. This concentration will be achieved by removing low strength flows from the Interior Tank Holding area and adding high strength flows from the Fruit Wash/Extraction area.

b) Reflects the Bottling area and low strength areas of Interior Holding Tanks and Extraction/Fruit Wash areas. Concentration is calculated based on balance remaining once high strength is removed.

# **SECTION 3 – RATE ANALYSIS**

The City of Beaumont Sewer Rate Study (June 2018) includes the following information:

- 1. Cost of Service Allocation for Perricone (*reference Figure 6, page 7 of City Rate Study*) which separates cost of service into the Flow, BOD and TSS components.
- 2. Proposed Sewer Rates for FY 2018/19 to FY 2022/23 (*reference Figure 9, page 10 of City Rate Study*).

Using the information above and the anticipated water quality following installation of permanent treatment at Perricone provided in **Table 8**, a rate analysis was conducted. The resulting rates and total costs are summarized in **Table 9**.

Notes:

a) Water Quality for Year 18/19 per averages in Table 1, Year 19/20 and 20/21 based on Table 5, and Year 21/22 and 22/23 based on Table 8.

b) Rate Increase calculated per Figure 9 of the Rate Study. Costs for Flow, TSS, and BOD based on Perricone percent of Total WWTP Loading (i.e. 3.4 MGD for Flow, 3,765,410 lbs. BOD, and 2,613,430 lbs. TSS) applied to corresponding expense (See Figure 6 of Rate Study).

- c) TDS cost is calculated based on \$0.12/lb. TDS over baseline of 500 mg/L. Due to the unique organic component of Perricone TDS, a factor of 50 percent is assigned to the TDS loading as this is the estimated component of organic TDS. This cost is kept constant regardless of treatment, as we are assuming to be only removing organic components of TDS. The inorganic components presumably remain and should be subject to the surcharge.
- d) Rate is calculated based on **Flow Cost only** for Interim Period. The rate for post-Interim Period is calculated based on all costs.

The requested interim rate is based on the flow component only. This results in a rate increase to Perricone of approximately 40 percent over the previous year (\$114,341 in 2017). Conversely, the total reduction from potential City revenue to City revenue based on the requested interim rate is calculated at approximately \$2.26M for the four-year period. The costs that will be incurred by Perricone during this period are estimated as follows:

- Interim (capital only) \$758,000
- Permanent \$2,019,000
- Total \$2.78M (not including labor, power and chemical increases)

March 25, 2019 Page **11** of **12** 

As noted above, the additional expenses by Perricone during the Interim Period will exceed the reduction in revenue from the City. In addition, the revenue received during the Interim Period will exceed the revenue originally anticipated to be collected by the City from Perricone. As noted in Table 21 of the Rate Study, a total of \$133,747 was expected to be collected from Perricone for FY 18/19. The requested interim rate will result in a **20** *percent increase over the anticipated amount.* 

# SECTION 4 – IMPLEMENTATION SCHEDULE

Based on the recommended interim and permanent solutions provided in the previous sections, an implementation schedule has been prepared and is provided as **Table 10**.

| ACTION                                      | MILESTONE                   |

| Design and Procurement of Interim Treatment | January 2019 to August 2019 |
| Equalization Tanks Online (pH control)      | February 2020               |
| Full Interim Treatment System Online        | February 2020               |
| Testing and Data Collection (3 mo.)         | March 2020 to May 2020      |
| Design of Permanent Solution (6 mo.)        | May 2020 to October 2020    |
| Construction of Permanent System (7 mo.)    | November 2020 to May 2021   |
| Startup and Optimization (6 mo.)            | June 2021 to November 2021  |
| End of Interim Rate Agreement               | December 31, 2022           |

# TABLE 10 IMPLEMENTATION SCHEDULE

# SECTION 5 – SUGGESTED TERMS FOR INTERIM AGREEMENT

- 1. Duration July 1, 2018 to December 31, 2022
- 2. Interim Rate

(a) Values provided are based on estimates (10 percent contingency over values in Table 5) and will need to be confirmed during startup of the Interim System.

- 5. **Investment** Perricone will spend at minimum the difference between calculated revenue between the existing rate and anticipated future rate, which totals to **\$2.26M**.
  - a. Perricone to provide evidence of expenditures.
  - b. Capital costs due to the City each quarter.
  - c. Capital costs includes associated soft costs (design, administration, permitting, etc.).
  - d. Costs reflect the entire duration of the agreement (ending December 31, 2022).

# SPECIFIC DISCHARGE REQUIREMENTS

# SIGNIFICANT INDUSTRIAL USER (SIU) DISCHARGE PERMIT

Date: January 2, 2019

Name:Beaumont Juices, DBA Perricone JuicesAddress:550 B StreetBeaumont, CA 92224

Attention: Bob Rovzar, CEO/Owner 550 B Street Beaumont, CA 92224 Telephone: (949) 732-3978

Reference: Significant Industrial User Discharge Permit Issued to Beaumont Juices, dba Perricone Juices

#### **PERMIT NO. SIU-1016-1.1**

NAISC NO:

<u>311411</u>

### Dear Mr. Rovzar:

The enclosed permit issues pollutant limitations for industrial wastewater from **Beaumont Juices, DBA Perricone Juices (hereinafter referred to as Perricone Juices and/or Permittee)** to the City of Beaumont (City) sewer system. All discharges of wastewater generated at this location, and actions reports relating thereto, shall be in accordance with the terms and conditions of this permit and City's Municipal Code. The Annual Permit Fee will be billed to Perricone Juices in accordance with the City's adopted rate schedule.

If you wish to appeal or challenge any discharge limitation, pretreatment requirement, or condition imposed in this permit, a petition shall be filed for modification or reissuance of this permit within 10 working days of the date of issuance.

"It is hereby certified that this permit was prepared based on information provided by a combination of one or more of the following sources: the user's permit application, facts obtained during field inspections of the user's wastewater generating activities, and additional information obtained from the user."

In accordance with the provisions of the City of Beaumont's (City's) Municipal Code Chapter 13.20, Pretreatment and Regulation of Wastes, the above listed facility (permittee) is hereby authorized to discharge wastewater from 550 B Street Beaumont, CA 92224 to the City sewer system. Discharge limitations, monitoring requirements, and other conditions are set forth in this permit. Compliance with this permit does not relieve the permittee of its obligation to comply with all pretreatment regulations, standards or requirements under local, State and Federal laws, including any such laws, regulations, standards, or requirements that may become effective during the term of this permit.

Noncompliance with the terms and conditions of this permit shall constitute a violation of the City's Municipal Code Chapter 13 and shall subject the permittee to applicable enforcement actions.

## This permit shall become effective on: January 12, 2019

## and shall expire at midnight on: August 15, 2020

The permittee shall not discharge any industrial wastewater after the date of expiration unless an application is filed for reissuance in accordance with the City's Municipal Code Chapter 13.20.320, a minimum of 90-days prior to the expiration of this permit.

By: Nr **Kristine A. Day** 

Assistant City Manager

### **PART 1 - DISCHARGE REQUIREMENTS:**

A. Permit Duration and Designated Discharge Limits: During the period of January 12, 2019 to midnight of August 15, 2020, the Permittee is authorized to discharge the industrial wastewater specified in Part 1-B, through the sample location(s), listed below to the City's sewer system.

#### 1. <u>SAMPLE LOCATION</u> <u>DESCRIPTION</u>

001

**Monitoring station.** Sample location 001 is subject to local wastewater limitations specified in this permit and any general or specific federal limitations as specified in 40 CFR 403. (See Part 2 C. for location photos)

- **B. Permit Classification:** Perricone Juices is classified as a Class I Non-Categorical Significant Industrial User (SIU). This decision is based on a flow volume exceeding twenty-five thousand (25,000) gallons per day and the evaluation of waste strength and pollutant characteristics in the discharge.
- **C. Notification of Process Changes**: Perricone Juices is required to notify the City, in writing, at least 30 days in advance, of any new connections or changes to existing dischargers or other modifications which will alter the amount of or pollutant strength of any wastewater, which is discharged to City's Sewer System.
- **D. Discharge Limitations:** The Discharge Limitation Tables on Pages 4 contain local wastewater discharge limitations.

- a) Maximum Limit without surcharge. Higher values will be assessed a special billing rate as adopted by the City up to a maximum allowable loading value based upon headwork's loading calculations. Upon determination of said surcharge rates, a contract will be developed between the permittee and the City that identifies additional sewer fees to treat the high strength waste. Said contract will be included as an attachment to this permit.
- b) Based on the average composite value in a 24-hour composite sample except for pH which is an instantaneous limit.

#### **PART 2 - MONITORING REQUIREMENTS:**

**A.** There are no self-monitoring requirements. The City will routinely conduct monitoring of the permittee's wastewater discharge from the approved monitoring location identified in Part 1. A. 1 of the Permit. The City will conduct an initial monitoring for all pollutants identified in the Local Wastewater Discharge Limitations Table on the previous page. The Table listed below includes continuous monitoring requirements by the permittee. Said records from the pH, EC, and flow monitoring equipment shall be available for inspection and may be required to be submitted monthly or at a frequency deemed acceptable by the City to ensure continuous compliance with those requirements.

| POLLUTANT           | SAMPLING<br>FREQUENCY | SAMPLE TYPE |  |  |
|---------------------|-----------------------|-------------|--|--|
| Flow                | Continuous            | Flow Meter  |  |  |
| рН                  | Continuous            | pH Meter    |  |  |
| Electroconductivity | Continuous            | E/C Meter   |  |  |

**B.** While there are no permit requirements for self-monitoring by the permittee please note that any monitoring performed by the permittee at the approved sample location and in accordance with standard methods using a certified wastewater laboratory must be reported to the City within 10 days of the receipt of said results.

# **PART 2 - MONITORING REQUIREMENTS (Continued):**

- **C.** Any sampling conducted by the permittee including sample collection, handling, and preservation of samples and laboratory analyses of samples shall be performed in accordance with **40 CFR**, **Part 136**, and amendments thereto unless specified otherwise in the monitoring conditions of this permit.
- **D.** Any sampling of the industrial wastewater by the Permittee at the approved Sample Point as shown below must be reported to the City in accordance with Part 2 B of the permit.:

<sup>1</sup> Sample manhole (SP001) is the approved sample location and contains all wastewater flows from the facility.

# **PART 3 - REPORTING REQUIREMENTS:**

- **A.** <u>Permittee's Self-Monitoring Reports</u>: Permittee shall submit copies of pH monitoring; flow monitoring, and EC monitoring monthly, no later than the 10<sup>th</sup> day of each subsequent month. Said reports shall be reviewed by the permittee prior to submittal to ensure compliance with permitted limitations.
- **B.** <u>Non-Compliance</u>: The Permittee may be required to perform follow-up sampling upon notification by the City of a discharge violation. In the event of non-compliance monitoring by the Permittee, said Permittee shall ensure all sampling and handling is performed in accordance with **40 CFR, Part 136**, and amendments thereto unless specified otherwise in the monitoring conditions of this permit.
- **C.** <u>Surcharge Constituents</u>: Flow, BOD, and TSS parameters are used to determine compliance with the permit but are also used to verify surcharge billing values. The City will use data collected by the City at the approved sample location combined with flow monitoring data supplied by the Permittee on a monthly basis to facilitate accurate billing of the Permittee.
- **D.** <u>Surcharge Billing Contract</u>: The City may develop a contract with the Permittee that will become an attachment to the Permit that details the billing rate and how the monthly sewer fees were calculated.
- **E.** Any report required by the permit shall include a signed certification statement (See Part 5 Standard Conditions Section D.4. Signatory Requirements of the Permit for a sample.
- **F.** <u>Automatic Resampling</u>: If the results of the permittee's wastewater analysis indicate a violation of this permit has occurred, the permittee may be required to:
  - **1.** Sample for the constituent(s) that were noted as violations by the City. The results of this repeat analysis shall be submitted to the City within 10 days of the notification of non-compliance by the City.
- **G.** Accidental Discharge Report: The permittee shall notify the City immediately upon the occurrence of any accidental discharge of substances prohibited by City's Pretreatment Ordinance or any upsets, bypass, slug loads or spills that occur at the facility identified in this permit and may enter the public sewer. **During normal business hours,** the **permittee shall notify the City at (951) 769-8520.** After **hours, contact the City at (951) 892-3295 or (951) 858-1542.**

A notice shall be permanently posted on the Permittee's bulletin board or other prominent place advising employees who to call in the event of a discharge covered this section. The permittee shall ensure that all employees, who may cause such a

to occur, are advised of the emergency notification procedure.

The notification shall include location of the discharge, date and time of the discharge, type of waste, including concentration, volume and corrective actions taken. The permittee's notification of accidental discharges in accordance with this section does not relieve the permittee of other reporting requirements that arise under local, State, or Federal laws.

Within five days following an accidental discharge, the permittee shall submit to the City a detailed written report. The report shall specify:

- **1.** Description and cause of the accidental discharge and the impact of the incident on the permittee's compliance status. The description should also include location of discharge, type, concentration and volume of waste.
- **2.** Duration of noncompliance, including exact dates and times of noncompliance and the time when compliance is expected to be achieved.
- **3.** All steps taken or to be taken to reduce, eliminate, and/or prevent recurrence of such conditions of slug load, accidental discharge or other noncompliance events.
- **H.** The permittee shall maintain copies of Safety Data Sheets (SDS) for all chemicals used at the facility. If the permittee generates substances listed as toxic under **Section 307 (a)(1)** of the **Clean Water Act**, the permittee must follow Federal regulatory guidelines for the handling and disposal of those substances. Secure storage with secondary containment must be provided with no possible access to the sewer. Storage of the wastes shall not exceed ninety (90) days. Transportation offsite shall be by a licensed carrier to a licensed disposal facility. Copies of all shipping manifests and disposal receipts for hazardous materials shall be available for review during an inspection or upon request by the City.
- I. All reports required by this permit shall be submitted to the:

#### **PART 4- SPECIAL CONDITIONS:**

### **SECTION A - Re-opener Clause**

- **1.** This permit may be reopened and modified to incorporate any new or amended requirement contained in a national categorical pretreatment standard promulgated for the industrial category covered by this permit.
- **2.** This permit may be reopened and modified to incorporate any new or amended requirements resulting from the City re-evaluation of its local limits.
- **3.** This permit may be reopened and modified to incorporate any new or amended requirements developed by the City as are necessary to ensure POTW compliance with applicable biomass management requirements promulgated by Federal Regulations in **40 CFR Part 503**.

#### **PART 5 - STANDARD CONDITIONS:**

# SECTION A. General Conditions and Definitions

- **1.** <u>Severability</u>: The provisions of this permit are severable, and if any provision of this permit, or the application of any provision of this permit to any circumstance, is held invalid, the application of such provision to other circumstances, and the remainder of this permit, shall not be affected thereby.
- 2. <u>Duty to comply</u>: The Permittee must comply with all conditions of this permit. Failure to comply with the requirements of this permit may be grounds for administrative action, or enforcement proceedings including civil or criminal penalties, injunctive relief, and summary abatements.
- **3.** <u>Duty to Mitigate</u>: The Permittee shall take all reasonable steps to minimize or correct any adverse impact to the public treatment plant or the environment resulting from noncompliance with this permit.
- **4.** <u>Permit Modification</u>: This permit may be modified for good cause including, but not limited to the following:

**a.** To incorporate any new or Amended Federal, State or local pretreatment standards or requirements, including but not limited to changes in City Ordinances or the City's Municipal Code.

# **PART 5 - STANDARD CONDITIONS (Continued):**

- **b.** Material or substantial alterations or additions to the discharger's operation processes, or discharge volume or character which were not considered in drafting the effective permit.
- **c.** A change in any condition in either the Permittee or the POTW that requires either a temporary or permanent reduction or elimination of the authorized discharge.
- **d.** Information indicating that the permitted discharge poses a threat to the City's collection and treatment systems, POTW personnel or the receiving waters.
- e. To correct typographical or other errors in the permit.
- **f.** Upon request of the Permittee, provided such request does not create a violation of any applicable requirements, standards, laws or rules and regulations.

The filing of a request by the Permittee for a permit modification, revocation, and reissuance or termination, or a notification of planned changes or anticipated noncompliance, does not stay any permit condition.

- 5. <u>Permit Termination</u>: This permit may be terminated for the following reasons:
  - **a.** Falsifying self-monitoring reports.
  - **b.** Violate a cease and desist order.
  - **c.** Failure to accurately report the wastewater sample results.
  - d. Refusing to allow timely access to the facility premises and records.
  - e. Failure to meet discharge limitations.
  - f. Violation of any terms or conditions of this permit.
  - **g.** Failure to pay fines or permit fees.
  - **h.** Failure to pay sewer charges.
- 6. <u>Permit Appeals</u>: The Permittee may petition to appeal the terms of this permit within ten (10) working days of issue date.

The petition must be in writing, sent certified mail, return receipt requested. Failure to submit a petition for review shall be deemed to be a waiver of that appeal. If an appeal is submitted, the Permittee must indicate in the appeal, the permit provisions objected to, the reasons for the objection(s), and the alternative

condition(s), if any, the Permittee seeks to be placed in the permit.

13

# **PART 5 - STANDARD CONDITIONS (Continued):**

If the City Council of the City consents to consider an appeal by the Permittee, the effectiveness of this permit shall not be stayed during the appeal process. Appeals to the City Council shall be in accordance with the City's Municipal Code Section 13.20.427. If after considering the petition and any arguments put forth by the City Manager, the Council determines that reconsideration of this permit is proper; the Council shall remand the permit back to the City Manager for reissuance. Those permit provisions being reconsidered by the City Manager at the direction of the Council shall be stayed pending reissuance of the permit.

A decision by the City Council that refuses to reconsider an issued permit shall be considered final administrative action for purposes of judicial review. The permittee seeking judicial review of a final action by the Council must do so by filing a complaint in the Superior Court of the County of Riverside within thirty (30) days.

- 7. <u>Property Rights</u>: The issuance of this permit does not convey any property rights of any sort, or any exclusive privileges, nor does it authorize any injury to private property or any invasion of personal rights, nor any violation of Federal, State, or local laws or regulations.
- 8. <u>Permit Transfers</u>: Permits may not be reassigned or transferred to a new owner or operator. Upon transfer of ownership, written notice to the City must be provided, and a new permit application submitted by the new owner to the City at least 60 days prior to transfer of ownership.
- **9.** <u>Continuation of Expired Permits</u>: An expired permit will continue to be effective and enforceable until a new permit is issued if:
  - **a.** The Permittee has submitted a complete permit application at least ninety (90) days prior to the expiration date of the existing permit.
  - **b.** The failure to reissue the permit, prior to the expiration of the previous permit, is not due to any act or failure to act on the part of the Permittee.
- **10.** <u>Dilution</u>: The Permittee shall not increase the use of potable or process water or, in anyway, attempt to dilute an effluent as a partial or complete substitute for adequate treatment to achieve compliance with the limitations contained in this permit.

#### **PART 5 - STANDARD CONDITIONS (Continued):**

#### **11.** <u>Definitions</u>:

- a. <u>Daily Maximum</u> The maximum allowable discharge of a constituent during a calendar day where daily limits are expressed in units of mass, the daily discharge is the total mass discharged over the course of the day. Where daily maximum limitations are expressed in terms of a concentration, the daily discharge is the arithmetic average measurement of the constituent concentration derived from all measurements taken during that day.
- **b.** <u>Composite Sample</u> A sample that is collected over time formed by either continuous sampling or by mixing discreet samples. The samples can either be a time composite or a flow proportional composite sample.
- **c.** <u>Grab Sample</u> An individual sample collected in less than 15 minutes, without regard for flow or time.
- **d.** <u>Instantaneous Maximum Concentration</u> The maximum concentration allowed in any single grab sample.
- <u>Cooling Water</u> 1) Uncontaminated: Water used for cooling purposes only which has no direct contact with any raw material, intermediate, or final product and which does not contain a level of contaminants detectably higher than that of the intake water; and 2) Contaminated: Water used for cooling purposes only which may become contaminated either through the addition of water treatment chemicals used for corrosion inhibitors or biocides, or by direct contact with process materials and/or wastewater.
- f. <u>Monthly Average</u> The arithmetic mean of the values for effluent samples collected during a calendar month or specified 30-day period (as opposed to a rolling 30-day Window).
- **g.** <u>Weekly Average</u>- The arithmetic mean of the values for effluent samples collected over a period of seven consecutive days.
- h. Bi-Weekly Once every other week.
- i. <u>Bi-Monthly</u> Once every other month.
- j. <u>Bi-Annually</u> Once every other year.
- **k.** <u>Semi- Annually</u> Once every six months.
- **I.** <u>Bypass</u> means the intentional diversion of wastes from any portion of a treatment facility.
- **m.** <u>Upset</u>: Means an exceptional incident in which there is unintentional and temporary noncompliance with categorical Pretreatment standards because
  - of factors beyond the reasonable control of the Industrial User.

- **12.** <u>General Prohibitive Standards</u>: The Permittee shall comply with all the general prohibitive discharge standards in Federal regulations **40 CFR Part 403.5 (a)** namely a user may not introduce into a POTW any pollutant(s) which cause pass-through or interference.
- **13**. <u>Specific Prohibitions</u>: The Permittee shall not discharge wastewater to the sewer system:
  - **a.** Pollutants which create a fire or explosion hazard in the POTW, including, but not limited to, waste streams with a closed cup flashpoint of less than 140 degrees Fahrenheit or 60 degrees Centigrade using the test methods specified in 40 CFR 261.21;
  - **b.** Pollutants which will cause corrosive structural damage to the POTW, but in no case Discharges with pH lower than 5.0, unless the works is specifically designed to accommodate such Discharges;
  - **c.** Solid or viscous pollutants in amounts which will cause obstruction to the flow in the POTW resulting in Interference;
  - **d.** Any pollutant, including oxygen demanding pollutants (BOD, etc.) released in a Discharge at a flow rate and/or pollutant concentration which will cause Interference with the POTW.
  - **e.** Heat in amounts which will inhibit biological activity in the POTW resulting in Interference, but in no case heat in such quantities that the temperature at the POTW Treatment Plant exceeds 40 °C (104 °F) unless the Approval Authority, upon request of the POTW, approves alternate temperature limits.
  - **f.** Petroleum oil, nonbiodegradable cutting oil, or products of mineral oil origin in amounts that will cause interference or pass through;
  - **g.** Pollutants which result in the presence of toxic gases, vapors, or fumes within the POTW in a quantity that may cause acute worker health and safety problems;
  - **h.** Any trucked or hauled pollutants, except at discharge points designated by the POTW.

#### PART 5 - STANDARD CONDITIONS (Continued):

# **SECTION B – Operations and Maintenance of Pollution Controls**

- **1.** <u>Proper Operation and Maintenance</u>: The Permittee shall at all times properly operate and maintain all facilities and systems of treatment and control (and related appurtenances) which are installed or used by the Permittee to achieve compliance with the conditions of this permit. Proper operation and maintenance includes but is not limited to: effective performance, adequate funding, adequate operator staffing and training, and adequate laboratory and process controls, including appropriate QA procedures.
- 2. <u>Duty to halt or Reduce Activity</u>: Upon reduction of efficiency of operation, or loss or failure of all or part of the treatment facility, the Permittee shall, to the extent necessary to maintain compliance with this permit, control its production or discharges (or both) until operation of the treatment facility is restored or an alternative method of treatment is provided. It shall not be a defense for a Permittee in an enforcement action that it would have been necessary to halt or reduce the permitted activity, to maintain compliance with the conditions of this permit.
- **3.** <u>Removed Substances</u>: Solids, sludges, filter backwash, or other substances removed during treatment or control of wastewaters shall not be disposed of in the sewer. They shall be disposed of in accordance with **Section 405 of the Clean Water Act**, Subtitles C and D of the Resource Conservation and Recovery Act.

#### **SECTION C – Monitoring and Records**

1. <u>Representative Sampling</u>: Samples and measurements taken as required herein shall be representative of the volume and nature of the monitored discharge. All samples shall be taken at the monitoring points specified in this permit and, unless otherwise specified before the effluent joins or is diluted by any other waste stream, body of water or substance. All equipment used for sampling and analysis must be routinely calibrated, inspected and maintained to ensure the accuracy of that equipment. Monitoring points shall not be changed without notification to and the approval of the City.

# **PART 5 - STANDARD CONDITIONS (Continued):**

- 2. <u>Flow Measurements</u>: Flow measurement is required by this Permit, the appropriate flow measurement devices and methods consistent with approved scientific practices shall be selected and used to ensure the accuracy and reliability of measurements of volume of monitored discharges. The devices shall be installed, calibrated and maintained to ensure that the accuracy of the measurement is consistent with the accepted capability of that type of device. Devices selected shall be capable of measuring flows with a maximum deviation of less than 10 percent from true discharge rates throughout the range of expected discharge volumes.
- **3.** <u>Analytical Methods</u>: All sampling and analysis required by this permit shall be performed in accordance with **40 CFR Part 136** and amendments thereto, unless otherwise approved by EPA, or as specified in this permit.
- **4.** <u>Additional Monitoring</u>: If the Permittee monitors any constituent more frequently than required by this permit, using test procedures identified above in section C 3, the results of this monitoring shall be included in the Permittee's self monitoring reports.
- **5.** <u>Inspection and Entry</u>: The Permittee shall allow the City, or an authorized representative, upon request, reasonable access to:
  - **a.** Enter upon the Permittee's premises where a regulated facility or activity is located or conducted or where records must be kept under the conditions of this permit;
  - **b.** Have access to and copy, at reasonable times, any records that must be kept under the conditions of this permit;
  - **c.** Inspect, at reasonable times any facilities, equipment (including monitoring and control equipment), practices or operations regulated or required by this permit;
  - **d.** Sample or monitor, for assuring permit compliance, any substances or parameters at any location.
- 6. <u>Retention of Records</u>: The Permittee shall retain records of all monitoring information, including copies of all reports required by this permit. Records of all data including strip chart recordings and all information used to complete the application for this permit, for a period of at least three years from the date of the sample, measurement, report or application. This period may be extended by request of the City at anytime.

# PART 5 - STANDARD CONDITIONS (Continued):

- **a.** All records that pertain to matters that are the subject of special orders or any other enforcement, or litigation activities brought by the City, shall be retained and preserved by the Permittee until all enforcement activities have concluded, and all periods of limitation with respect to any and all appeals have expired.
- 7. <u>Record Contents</u>: Records of sampling and analysis shall include:
  - **a.** The date, exact place, time, and methods of sampling or measurements, and sample preservation techniques or procedures;
  - b. Name of person or persons who performed the sampling or measurements;
  - **c.** The date(s) analyses were performed;
  - d. Name of analytical laboratory and person who performed the analyses;
  - e. The analytical methods used; and
  - f. Copies of the results (lab reports) of the analyses.
- 8. <u>Falsifying Information</u>: Knowingly making any false statement on any report or other document required by this permit or knowingly rendering any monitoring device or method inaccurate is a crime and may result in the imposition of criminal sanctions and/or civil penalties.

# **SECTION D - Additional Reporting Requirements**

- **1.** <u>Anticipated Noncompliance:</u> The Permittee shall give advance notice to the City of any planned changes in the permitted facility or activity, which may result in noncompliance with permit requirements.
- 2. <u>Automatic Resampling</u>: If the results of the Permittee's wastewater analysis indicate a violation has occurred, the Permittee must notify the City within 24-hours of becoming aware of the violation and repeat the sampling and analysis and submit, in writing, the results of this repeat analysis within 30 days after becoming aware of the original violation.

# PART 5 - STANDARD CONDITIONS (Continued)

- **3.** <u>Duty to provide Information</u>: The Permittee shall furnish to the City, within three (3) working days any information which the City may request to determine whether cause exists for modifying, revoking and reissuing, or terminating, or determining compliance with this permit. The Permittee shall also, upon request, furnish to City within three (3) working days' copies of any records required to be kept by this permit.
- **4.** <u>Signatory Requirements</u>: All applications, reports, or information submitted to the City must contain the following certification statement, and be signed as required in subsections (a), (b), or (c) of this section;

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person (s) who manages the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations".

- **a.** By a responsible corporate officer, if the Permittee submitting the report is a corporation. For the purpose of this paragraph, a responsible corporate officer means:
  - **1.** A president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any person who performs similar policy or decision-making functions for the corporation, or
  - **2.** The manager if authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures.
- **b.** By a general partner or proprietor if the Permittee submitting the reports is a partnership or sole proprietorship respectively.
- **c.** By a duly authorized representative if;
  - **1.** the authorization is made in writing by the individual described in paragraph (a) or (b);

#### **PART 5 - STANDARD CONDITIONS (Continued)**

- **2.** The authorization specifies either an individual or a position having responsibility for the overall operation of the facility from which the discharge originates, or having overall responsibility for environmental matters for the discharger; and
- **3.** The written authorization is submitted to the City.
- **d.** If an authorization under paragraph (a), (b), or (c) of this section is no longer accurate because a different individual or position has responsibility for the overall operation of the facility, or overall responsibility for environmental matters for the Permittee, a new authorization satisfying the requirements of paragraph (c) of this section must be submitted to the City prior to or together with any reports to be signed by an authorized representative.
- **5.** <u>Annual Publication</u>: At least once each year, a list of all commercial or industrial dischargers, which were subject to enforcement proceedings during the previous twelve months that qualified as Significant Non-Compliance, shall be published annually by the City in a newspaper of general circulation that provides meaningful public notice within the jurisdictions served by the City in which the Industrial User is located. Accordingly, the Permittee is apprised that noncompliance with this permit may lead to an enforcement action and may result in publication of its name in an appropriate newspaper in accordance with this section.
- 6. <u>Recovery of Costs Incurred</u>: The City's Municipal Code provides that in addition to civil and criminal liability, the Permittee who violates any provision of this permit resulting in damage to or otherwise inhibiting the City's wastewater disposal system, shall be liable to the City for any expense, loss, or damage caused by the violation or discharge. The Permittee shall pay for the costs incurred by the City for any cleaning, repair, or replacement work caused by the non-compliance.

The reimbursement shall also include any fines or penalties levied against the City resulting from the violation or discharge. Refusal to pay the assessed costs shall constitute a separate violation of the City's Municipal Code.

#### **SECTION E – ENFORCEMENT:**

**1.** <u>Notice of Violation:</u> Any Permittee found to be in violation of any permit condition, discharge requirement, reporting requirement, or any provision of the City's Municipal

a.

#### **SECTION E – ENFORCEMENT (Continued):**

Code may be issued a written Notice of Violation. The Notice shall state the nature of the violation and the penalties for continued non-compliance. If required by the notice, the violator shall submit to the City, within a prescribed period specified in the notice, a plan of return to full compliance pursuant to City's Industrial Pretreatment Program.

- 2. <u>Administrative Complaint:</u> The City's Municipal Code provides that the Manager may issue an Administrative Complaint to any user who violates any permit condition or requirement, a Notice of Violation or any section of the City's Industrial Pretreatment Program.
  - **a.** The Administrative Complaint shall allege the act or failure to act that constitutes the violation, the provisions of law authorizing the imposition of Civil Liability, and the Civil Penalty proposed.
  - **b.** The Administrative Complaint shall be served by personal delivery or certified mail and shall give notice to the recipient of a hearing to be conducted within sixty (60) days from the date of service.
- **3.** <u>Administrative Hearing:</u> The Hearing shall be before a hearing officer designated by the City Manager.
  - **a.** The defendant of an Administrative Complaint may waive the right to a hearing, in which case no hearing shall be held.
  - **b.** A defendant in an Administrative Hearing wishing to appeal a decision of the Hearing Officer may do so to the City Council of the City within thirty (30) days of notice of the Hearing Officer's decision.
  - **c.** If after a hearing or appeal, if any, it is found in fact there has been a violation of reporting requirements, discharge requirements, the Hearing Officer or the City Council may assess a Civil Penalty against the defendant.
  - **d.** In determining the amount of a Civil Penalty, the Hearing Officer or City Council may consider all relevant circumstances including, but not limited to, the extent of harm caused by the violation, the economic benefit derived through any non-compliance, the nature and persistence of the violation, and the corrective actions, if any, attempted or taken by the discharger.

# **PART 6 - ENFORCEMENT (Continued):**

- 4. <u>Administrative Civil Penalties:</u>
  - a. Fines not to exceed \$2,000.00 for each day of failure or refusal to furnish technical or self-monitoring reports, [Government Code, Section 54740.5(d)(1)];
  - Fines not exceeding \$3,000.00 for each day for failure or refusal to timely comply with any compliance schedule established by the City, [Government Code, Section 54740.5(d)(2)];
  - c. Fines not to exceed \$5,000.00 per violation for each day for discharges in violation of any discharge limitation, permit condition, or requirement issued, reissued or adopted by the City, [Government Code, Section 54740.5(d)(3)];
  - d. Fines not exceeding \$10.00 per gallon for discharges in violation of any suspension, cease and desist order, other orders or prohibitions issued, reissued or adopted by the City, [Government Code, Section 54740.5(d)(4)].
  - e. Unless appealed, orders setting administrative Civil Penalties shall become effective and final upon issuance thereof, and payment shall be made within thirty (30) days. Copies of the orders shall be served by personal service or by registered mail upon the parties served with the Administrative Complaint and to other persons who appeared at the hearing and requested a copy.
  - **f.** All monies collected under these penalties shall be deposited in a special account of the City and shall be made available for the monitoring, treatment and control of harmful discharges into the POTW or for other mitigation measures.
  - **g.** The amount of any Civil Fines imposed as a result of the Administrative Hearing process, which remain delinquent for a period of sixty (60) days shall constitute a lien against the real property of the of the defendant discharger. That lien shall be recorded with the County Recorder and when recorded shall have the force, effect and priority of a judgment lien and continue for ten (10) years from the time of recording unless sooner released, and shall be renewable in accordance with the provisions of Sections 683.110 to 683.220, inclusive, of the Code of Civil Procedure.

#### **PART 6 - ENFORCEMENT (Continued):**

- 5. <u>Judicial Review:</u> Any party aggrieved by a final order issued by the City Council, may obtain review of the Order of the City Council in the Superior Court by filing in the Court a petition for writ of mandate within 30 days following the service of a copy of a decision and order issued by the City Council. If no aggrieved party petitions for a writ of mandate within the time allowed, an order of the City Council or hearing officer shall not be subject to review by any court or agency. The evidence before the Court shall consist of the record before the City Council, including the hearing officer's record, and any other relevant evidence which, in the judgement of the Court, should be considered to effectuate and implement policies of the City's Municipal Code. In every such case, the Court shall exercise its independent judgement of the evidence. Except, as otherwise provided in Subsection 9.02.j., subdivisions (e) and (f) of Section 1094.5 of the Code of Civil Procedure.
- **6.** <u>Civil Liability for Violation:</u> Any person who violates any order issued by the Director of Public Works or any provision of the City's Municipal Code, shall be liable civilly in a sum not to exceed one thousand dollars for each day in which such violation occurs. The City Attorney, upon request of the City Council, shall petition the Superior Court to impose, assess, and recover such sums.
- 7. <u>Emergency Termination of Service:</u> The City may terminate or cause to be terminated wastewater treatment or wastewater service to any premises if a violation of any provision of this chapter pertaining to control of wastewater is found to exist or if a discharge of wastewater causes or threatens to cause a condition of contamination, pollution, or nuisance, as defined in this chapter.
- 8. <u>Remedies Non-exclusive:</u> The remedies provided for in this section are not exclusive. The City may take any, all, or any combination of these actions against the non-compliant user. Enforcement of industrial waste discharge limit violations, other permit conditions, sampling requirements or self-monitoring reporting, will generally be in accordance with the City's Enforcement Response Plan. However, the City may take other action against any user when the circumstances warrant. Further, the City is empowered to take more than one enforcement action against any non-compliant user.

#### **PART 6 - ENFORCEMENT (Continued):**

- **10.** <u>Criminal Penalties:</u> Any person who violates any provision of this Chapter, any standard, any standard adopted by this chapter, or any permit or permit condition issued under this chapter, is guilty of a misdemeanor, and shall be punished by a fine not exceeding one thousand dollars or six months in the Riverside County jail, or both, for each day on which a violation occurs. (Code 1965, § 31A-26.)
  - **a.** Payment of any penalty required in this section shall not relieve a user from responsibility for correcting the violation and reimbursing the City for all costs and expenses associated with all corrections including any fines and/or penalties incurred by the City as a result of the violation.

SUBJECT: June 2019 Preliminary Financial Reports and July Financial Reports

# **Background and Analysis:**

The June 2019 and July 2019 Monthly Financial Reports are attached for review, as follows:

- 1. General Fund (summary level) Actual versus Budget, current month and year to date
- 2. General Fund (summary level) Current versus Prior Year, current month and year to date
- 3. Waste Water Fund (summary level) Actual versus Budget, current month and year to date
- 4. Waste Water Fund (summary level) Current versus Prior Year, current month and year to date
- 5. Treasurer's Report Cash Account Reconciled Balance allocations by Fund

The June financials should result in 0% of the budget remaining, however, please note that these are preliminary June financials and year end accruals and adjustments still need to be made. The July financials should result in 91.67% of the budget remaining. Because the budget to actual variances can be deceiving, please note the following:

| Revenues | Actual greater than Budget | Positive Overall Effect |
|----------|----------------------------|-------------------------|
|          | Actual less than Budget    | Negative Overall Effect |
| Expenses | Actual greater than Budget | Negative Overall Effect |
|          | Actual less than Budget    | Positive Overall Effect |

July is an unusual month for variances due to the reversal of June year end accruals. Bank reconciliations are completed as follows:

| Pooled Cash (Citibank) | thru 08/21/19 |
|------------------------|---------------|
| Bank of Hemet:         |               |

| SUBJECT: | Purchase of Three 2020 Ford Explorer Police Interceptors and Lease Two<br>2020 Ford Explorer Police Interceptors for the Police Department |

#### **Background and Analysis:**

The Police Department requests the purchase of three new police vehicles and the lease of two additional vehicles. The acquisition of these vehicles were approved by Council in the FY 19/20 budget.

The Beaumont Police Department requested three quotes from dealers who sell the Police Interceptor; National Auto Fleet Group, Fairview Ford and Sunrise Ford, to purchase the three 2020 Ford Explorer Police Interceptors and lease two more.

Ford Credit's Municipal Lease Purchase financing program is an ideal program to acquire vehicles while operating within limited budget confines without major cash outlays or long-term debt obligations. The lease option allows us to spread the costs of the two vehicles over several years rather than all at once. With the immediate need to replace two vehicles due to their condition, the lease option is an appropriate method for this acquisition. Ford Motor Company has a very competitive lease program that allows the City to purchase the vehicles at the end of the lease for \$1.00.

Beaumont Police Department would like to utilize National Auto Fleet Group for the purchase of the new vehicles even though the quote is higher than Fairview Ford. National Auto Fleet Group specializes in police vehicles by preparing them with wiring and spotlights prior to being outfitted with emergency equipment. They also give fleet rates for government agencies and deliver the vehicles to the designated place. Beaumont Police Department also has a good working partnership with the staff from prior purchases.

The installation of all emergency and necessary equipment will cost an additional \$15,908.59 per vehicle for a total of \$79,542.95.

The removal of emergency equipment from both vehicles is estimated at \$870.00. Staff is proposing to auction the 2008 Chevy Tahoe and the 2007 Chevy Tahoe through an auction

service utilized by the police department for retired vehicles. Retired vehicles are commonly auctioned off in an as-is condition with the City bearing no responsibility when sold. All emergency equipment and graphics are removed prior to auction.

#### **Fiscal Impact:**

The fiscal impact to purchase three new Ford Police Interceptors is \$117,068.61.

The fiscal impact to lease two new Ford Police Interceptors is \$78,045.74.

The approximate initial fiscal impact to remove all emergency equipment from the retired Chevy Tahoes is \$870.00.

Purchase and installation of all emergency equipment and necessary equipment for all five police vehicles is estimated at \$79,542.95.

#### **Recommendation:**

- 1. Authorize staff to retire and auction the listed vehicles from the Police Department fleet at a cost of \$870.00;
- 2. Authorize staff to purchase three and lease two Police Vehicles in the total amount of \$195,114.35 from National Auto Fleet Group; and
- 3. Authorize staff to purchase emergency equipment and installation for all vehicles, in the amount not to exceed \$81,000.00 from West Coast Lights and Siren.

#### **Background and Analysis:**

The City is in the process of completing the General Plan Update. As part of this process, goals and policies are being revised, a zoning consistency analysis and update is also being prepared. Additionally, City Council has recently adopted the Economic Development Strategic Plan which lays out certain goals for the City's economic growth.

Some of the City's current General Plan goals and policies are:

- Goal 3 (Community Development). The City of Beaumont will maintain and, where appropriate, expand the City's commercial base.
- Goal 4 (Community Development). The City of Beaumont will promote the expansion of industrial and other employment generating land uses.
  - Community Development Element Policy 15. The City of Beaumont will continue to promote the maintenance and preservation of industrial activities and business that contribute to the City's economic and employment base.
  - Community Development Element Policy 16. The City of Beaumont will encourage the continued expansion of the City's industrial districts to accommodate economic development and growth.
  - Community Development Element Policy 17. The City of Beaumont will promote the development of modern and attractive business activities that will enhance the City's economic well-being.

The City's Economic Development Strategic Plan goals include:

- Develop an economically balanced community.
- Recruit new business, while retaining and expanding local business, that promote growth of primary jobs and/or sales tax revenue.

- Develop an online Economic Development presence to provide business owners and site selectors resources they need.
- Leverage the City's strengths to maximize business opportunities.

Through the General Plan update and zoning analysis, staff has determined there are some uses that are not the intent of the current goals and policies and may conflict with potential land use changes being proposed as part of the update process. The uses identified are:

| Use            | CG | CC | Μ | СМ |

| Building Materials<br>with Outdoor<br>Storage | С                  | Ν   | Ν                        |

In addition to what the code identifies, there are contractor storage yards, truck parking facilities and recreational vehicle storage yards that are typically classified into one of these categories or requested as an ancillary use to an existing use.

There are 16 active City business licenses for either storage or vehicle (truck) parking: 6 trucking related businesses and 10 storage related businesses. Additionally, the Planning Department has one recreational vehicle storage facility pending entitlement but on-hold at the applicant's request and 2 recently entitled storage facilities in the plan check and construction process.

In an effort to maintain consistency with the current and future goals, policies and land uses, staff would like time to evaluate this group of uses to ensure that future development will be cited appropriately and developed with appropriate standards in place.

#### **Fiscal Impact:**

Staff time to prepare this report and legal counsel consultation is approximately \$500.

#### **Recommendation:**

1. Provide direction to staff on establishing a moratorium prohibiting self-storage, recreational vehicle storage, vehicle parking facilities and similar uses.

| SUBJECT: | Provide Direction to Staff on the Sign Ordinance as it Pertains to Billboards and Digital Display Conversions |

#### **Background and Analysis:**

The current Billboard Policy adopted as part of the Beaumont Municipal Code Chapter 17.07.030.G reads as follows:

Billboard Policy. The City Council finds that the City already has a sufficient number of billboards to satisfy the community's needs for offsite commercial messages, and that any new or additional billboards, which by their very nature cause serious aesthetic harm, would negatively impact the appearance of the City. For these reasons, the City completely prohibits the construction, erection or use of any billboards, other than those which legally exist in the City, or for which a valid permit has been issued and has not expired, as of the date on which this provision is first adopted. This prohibition shall also apply to alterations, enlargements or conversions to digital displays (including changeable image displays that use light emitting diodes or functionally equivalent technologies) of legally existing billboards. The City adopts this policy pursuant to California Government Code section 65850, and California Business and Professions Code sections 5354(a) and 5408.3 (both effective January 1, 2003). No permit shall be issued for any billboard which violates this policy, and the City will take immediate abatement action against any billboard constructed, maintained, altered, enlarged or converted in violation of this policy. The City Council affirmatively declares that it would have adopted this billboard policy even if it were the only provision in this Chapter. The City Council intends for this billboard policy to be severable and separately enforceable even if other provision(s) of this Chapter may be declared, by a court of competent jurisdiction, to be unconstitutional, invalid or unenforceable. This provision does not prohibit agreements to relocate presently existing, legal billboards, as encouraged by California Business and Professions Code section 5412. (Ord. 967, 4.20.10)

The City has record of 18 billboards owned by Lamar Advertising Company within the City of Beaumont. In addition to those 18, there are several other billboards with a variety of

ownership, including the "Welcome to Beaumont" billboard and others throughout the City's major corridors.

Recently, staff has experienced an increase in interest regarding modifications to existing billboards primarily related to digital conversion. Staff is looking for direction from Council regarding our current billboard policy as it pertains to billboards and allowing for conversion of existing billboards to digital displays.

#### **Fiscal Impact:**

Staff time to prepare this staff report is approximately \$295.

#### **Recommendation:**

1. Provide direction to staff on the sign ordinance as it pertains to billboards and digital display conversions.

#### **Background and Analysis:**

As an approved project in the Fiscal Years 2019-20 through 2023-24 Capital Improvement Projects Budget for the allocation of PEG funds, staff has begun the renovation process of renovation plans for the Council Chambers and its overflow areas. The goal of the renovation is to upgrade outdated and failing equipment to a quality system that will enable the City to broadcast its meetings on a government cable channel.

Proposals were solicited in accordance with the City's informal bid process on August 13, 2019. Twenty nine (29) proposal invitations were distributed; twenty five (25) to general contractors and four (4) to audio video service providers.

The scope of work includes a replacement of audio and video equipment, lighting and live feed to the overflow areas within City Hall. Construction renovations will include wheelchair accessibility to the dais, an audio and video control room, and cosmetic updates to the paint, ceiling, window coverings and carpet as well as a replacement of furniture.

After a review of the proposals, staff is recommending an award of contract to GV Construction, Inc., in the amount of \$87,501.77 for the construction portion of the renovations, and \$44,520.00 for the design and build of Council Chamber furniture. Also recommended is an award of contract to Enko Systems, Inc., in the amount of \$125,927.25 for the design and installation of an audio and video enhancement to Council Chambers and overflow areas.

#### **Fiscal Impact:**

Funding for this project will be paid out of Capital Improvement Project Account 2019-006A and are within budget.

#### **Recommendation:**

- 1. Approve the award of contract for design and installation of audio and video enhancement to Council Chambers and overflow areas to Enko Systems, Inc., in the amount of \$125,927.25, with the authorization for the City Manager to approve any change orders up to \$5,000.00;
- 2. Approve the award of contract for Council Chamber renovation construction to GV Construction Inc., in the amount of \$87,501.77, with the authorization for the City Manager to approve any change orders up to \$5,000.00; and
- 3. Approve the award of contract for design and build of Council Chamber furniture to GV Construction, Inc., in the amount of \$44,520.00 with the authorization for the City Manager to approve any change orders up to \$5,000.00;

#### CITY OF BEAUMONT PUBLIC WORKS AGREEMENT (GV Construction Inc.)

This PUBLIC WORKS AGREEMENT ("Agreement") is made and effective October 1, 2019 by and between the City of Beaumont, a municipal corporation ("CITY"), and GV Construction, Inc., a California corporation ("CONTRACTOR"). In consideration of the mutual covenants and conditions set forth herein, the parties agree as follows:

#### I. <u>SCOPE OF WORK</u>

The CONTRACTOR shall perform within the time set forth in Article 2 of this Agreement and shall furnish all labor, materials, equipment, tools, utility services, and transportation and perform and complete all work required in connection with the Design and Build of Council Chamber Furniture Project (hereinafter "Project"). CITY's Invitation for Bids ("Invitation") for the Project, dated August 13, 2019, and CONTRACTOR's Bid in response to the Invitation, dated September 3, 2019, are attached hereto as Exhibits :A" and "B", respectively and incorporated herein by this reference. The Scope of Work for the Project is set forth in the Invitation. In the event that any terms of the Bid are different from the Invitation for Bids, the Invitation for Bids shall control. Any additional terms in the Bid that purport to bind the City to any additional terms not contained in this Agreement and related attachments shall not be binding on the City.

By entering into this Agreement, CONTRACTOR acknowledges that there may be other contractors on the site whose work will be coordinated with that of its own. CONTRACTOR expressly warrants and agrees that it will cooperate with other contractors and will do nothing to delay, hinder, or interfere with the work of other separate contractors, the CITY, the Construction Manager, the Engineer, or utilities. CONTRACTOR also expressly agrees that, in the event its work is hindered, delayed, interfered with, or otherwise affected by a separate contractor, its sole remedy will be a direct action against the separate contractor. To the extent allowed by law, the CONTRACTOR will have no remedy, and hereby expressly waives any remedy against the CITY, the Construction Manager (if any), and the Engineer on account of delay, hindrance, interference or other events.

#### II. <u>TIME FOR PROJECT COMPLETION</u>

All of CONTRACTOR's work on the Project shall be completed within durations established for the individual activities as set forth in the Project Construction Schedule, attached hereto as Exhibit "C" and incorporated herein by this reference. All work shall commence fifteen (15) calendar days after receiving a written Notice of Award from the CITY or Construction Manager, if a Construction Manager is employed by CITY on the Project. CONTRACTOR shall refer to the invitations for bids, and Project Plans and Specifications, all of which, as set forth below, are incorporated herein by reference, for contractual obligations regarding individual activity durations.

#### III. <u>THE CONTRACT SUM</u>

The CITY shall pay to the CONTRACTOR for the performance of this Agreement, subject to any additions and deductions provided in the Project documents, the lump sum of Fourty Four Thousand Five Hundred Twenty Dollars \$44,520.00("Contract Sum"). Except for change orders approved by City as provided in this Agreement, Contractor shall complete the Project for an amount not to exceed the Contract Sum.

#### IV. <u>PROGRESS PAYMENTS</u>

Based upon Applications for Payment submitted to the Engineer by the CONTRACTOR and Certificates for Payment issued by the Engineer, the CITY shall make progress payments on account of the Contract Sum to the CONTRACTOR as provided in the General Conditions, which are fully incorporated into this Agreement by this reference.

This Agreement is subject to the provisions of Article 1.7 (commencing at Section 20104.50) of Division 2, Part 3 of the Public Contract Code regarding prompt payment of contractors by local governments. Article 1.7 mandates certain procedures for the payment of undisputed and properly submitted payment requests within 30 days after receipt, for the review of payment requests, for notice to Contractor of improper payment requests, and provides for the payment of interest on progress payment requests which are not timely made in accordance with that Article. This Agreement hereby incorporates the provisions of Article 1.7 as though fully set forth herein.

#### V. INDEMNITY, DEFENSE AND HOLD HARMLESS AGREEMENT

CONTRACTOR shall indemnify, defend with legal counsel approved by CITY, and hold harmless CITY, its officers, officials, employees and volunteers from and against all liability, loss, damage, expense, cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with CONTRACTOR's negligence, recklessness or willful misconduct in the performance of work hereunder or its failure to comply with any of its obligations contained in this Agreement, except such loss or damage which is caused by the sole or active negligence or willful misconduct of the CITY. Should conflict of interest principles preclude a single legal counsel from representing both CITY and CONTRACTOR, or should CITY otherwise find CONTRACTOR's legal counsel unacceptable, then CONTRACTOR shall reimburse the CITY its costs of defense, including without limitation reasonable legal counsels fees, expert fees and all other costs and fees of litigation. The CONTRACTOR shall promptly pay any final judgment rendered against the CITY (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the CONTRACTOR's negligent, reckless or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

CONTRACTOR obligations under this section apply regardless of whether or not such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by an Indemnitee. However, without affecting the rights of CITY under any provision of this agreement, CONTRACTOR shall not be required to indemnify and hold harmless CITY for liability attributable to the active negligence of CITY, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where CITY is shown to have been actively negligent and where CITY active negligence accounts for only a percentage of the liability involved, the obligation of CONTRACTOR will be for that entire portion or percentage of liability not attributable to the active negligence of CITY.

#### VI. <u>PREVAILING WAGES</u>

- A. Contractor shall comply with all applicable laws and regulations relating to prevailing wages. Wage rates for this Project shall be in accordance with the "General Wage Determination Made By the Director of Industrial Relations Pursuant To California Labor Code, Part 7, Chapter 1, Article 2, Sections 1770, 1773 and 1773.1", for Riverside County. Wage rates shall conform with those posted at Beaumont City Hall and the Project site.
- B. The following Labor Code sections are hereby referenced and made a part of this Agreement:
  - 1. Section 1775 Penalty for Failure to Comply with Prevailing Wage Rates.
  - 2. Section 1777.4 Apprenticeship Requirements.
  - 3. Section 1777.5 Apprenticeship Requirements.
  - 4. Section 1813 Penalty for Failure to Pay Overtime.
  - 5. Sections 1810 and 1811 Working Hour Restrictions.
  - 6. Section 1775 Payroll Records.
  - 7. Section 1773.8 Travel and Subsistence Pay.

#### VII. <u>RECORD AUDIT</u>

In accordance with Government Code, Section 8546.7, records of both the CITY and the CONTRACTOR shall be subject to examination and audit by the Auditor General for a period of three (3) years after final payment.

#### VIII. FINAL PAYMENT

Final payment, constituting the entire unpaid balance of the Agreement Sum, shall be paid by the CITY to the CONTRACTOR no sooner than thirty-five (35) days after a Notice of Completion has been recorded, unless otherwise stipulated in the Notice of Completion, provided the work has then been completed, the Agreement fully performed, and a final Certificate for Payment has been issued by the Engineer.

#### IX. <u>CONTRACTOR'S FAILURE TO PROCURE COMPLETION OF PROJECT</u>

In the event CONTRACTOR fails to furnish tools, equipment, or labor in the necessary quantity or quality, or fails to prosecute the work or any part thereof contemplated by this Agreement in a diligent and workmanlike manner, and if the CONTRACTOR for a period of three (3) calendar days after receipt of written demand from CITY or its designated representative to do so, fails to furnish tools, equipment, or labor in the necessary quantity or quality, and to prosecute its work and all parts thereof in a diligent and workmanlike manner, or after commencing to do so within said three (3) calendar days, fails to continue to do so; then the CITY may exclude the CONTRACTOR from the premises, or any portion thereof, and take possession of said premises or any portion thereof, together with all material and equipment thereon, and may complete the work contemplated by this Agreement or any portion of said work, either by furnishing the tools, equipment, labor or material necessary, or by letting the unfinished portion of said work, or the portion taken over by the CITY to another contractor or by a combination of such methods. In any event, the procuring of the completion of said work, or the portion thereof taken over by the CITY, shall be a charge against the CONTRACTOR, and may be deducted from any money due or becoming due to CONTRACTOR from the CITY, or the CONTRACTOR shall pay the CITY the amount of said charge, or the portion thereof unsatisfied. The sureties, provided for under this Agreement shall become liable for payment should CONTRACTOR fail to pay in full any said cost incurred by the CITY.

#### X. <u>INSURANCE</u>

Prior to the beginning of and throughout the duration of the Project, CONTRACTOR and its subcontractors shall maintain insurance in conformance with the requirements set forth below. CONTRACTOR will use existing coverage to comply with these requirements. If that existing coverage does not meet the requirements set forth herein, CONTRACTOR agrees to amend, supplement or endorse the existing coverage to do so.

CONTRACTOR acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amount of coverage required. Any insurance proceeds available to CONTRACTOR or its subcontractors in excess of the limits and coverage identified in this Agreement and which is applicable to a given loss, claim or demand, will be equally available to CITY.

#### A. Types of Insurance

Without limiting CONTRACTOR's indemnification of CITY, and prior to commencement of Work, CONTRACTOR shall obtain, provide and maintain at its own expense during the term of this Agreement, policies of insurance of the type and amounts described below and in a form satisfactory to CITY:

- 1. General liability insurance. CONTRACTOR shall maintain commercial general liability insurance with coverage at least as broad as Insurance Services Office form CG 00 01, in an amount not less than \$1,000,000 per occurrence, \$2,000,000 general aggregate, for bodily injury, personal injury, and property damage, and a \$2,000,000 completed operations aggregate. The policy must include contractual liability that has not been amended. Any endorsement restricting standard ISO "insured contract" language will not be accepted.
- 2. Automobile liability insurance. CONTRACTOR shall maintain automobile insurance at least as broad as Insurance Services Office form CA 00 01 covering bodily injury and property damage for all activities of the CONTRACTOR arising out of or in connection with Work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles, in an amount not less than \$1,000,000 combined single limit for each accident.
- **3.** Umbrella or excess liability insurance. If CONTRACTOR is using umbrella coverage to meet part of its liability insurance requirements under Paragraph 1 of this Section, CONTRACTOR shall obtain and maintain an umbrella or excess liability insurance that will provide bodily injury, personal injury, completed operations and property damage liability coverage at least as broad as the primary coverages set forth above, including commercial general liability and employer's liability. Such policy or policies shall include the following terms and conditions:
  - A drop down feature requiring the policy to respond in the event that any primary insurance that would otherwise have applied proves to be uncollectable in whole or in part for any reason;
  - Pay on behalf of wording as opposed to reimbursement;
  - Concurrency of effective dates with primary policies;
  - Policies shall "follow form" to the underlying primary policies; and
  - Insureds under primary policies shall also be insureds under the umbrella or excess policies.
- **4. Workers' compensation insurance.** CONTRACTOR shall maintain Workers' Compensation Insurance (Statutory Limits) and Employer's Liability Insurance (with limits of at least \$1,000,000) for CONTRACTOR's employees in accordance with the laws of the State of California, Section 3700 of the Labor Code. In addition, CONTRACTOR shall require each subcontractor to similarly maintain Workers' Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California, Section 3700 for all of the subcontractor's employees.

CONTRACTOR shall submit to CITY, along with the certificate of insurance, a Waiver of Subrogation endorsement in favor of CITY, its officers, agents, employees and volunteers.

**5. Pollution liability insurance.** Environmental Impairment Liability Insurance shall be written on a CONTRACTOR's Pollution Liability form or other form acceptable to CITY providing coverage for liability arising out of sudden, accidental and gradual pollution and remediation. The policy limit shall be no less than \$1,000,000 dollars per claim and in the aggregate. All activities contemplated in this Agreement shall be specifically scheduled on the policy as "covered operations." The policy shall provide coverage for the hauling of waste from the project site to the final disposal location, including non-owned disposal sites.

Products/completed operations coverage shall extend a minimum of three (3) years after project completion. Coverage shall be included on behalf of the insured for covered claims arising out of the actions of independent contractors. If the insured is using subcontractors, the Policy must include work performed "by or on behalf" of the insured. Policy shall contain no language that would invalidate or remove the insurer's duty to defend or indemnify for claims or suits expressly excluded from coverage. Policy shall specifically provide for a duty to defend on the part of the insurer. The CITY, its officials, officers, agents, and employees, shall be included as insureds under the policy.

6. Builder's risk insurance. Upon commencement of construction and with approval of CITY, CONTRACTOR shall obtain and maintain builder's risk insurance for the entire duration of the Project until only the CITY has an insurable interest. The Builder's Risk coverage shall include the coverages as specified below.

The named insureds shall be CONTRACTOR and CITY, including its officers, officials, employees, and agents. All Subcontractors (excluding those solely responsible for design Work) of any tier and suppliers shall be included as additional insureds as their interests may appear. CONTRACTOR shall not be required to maintain property insurance for any portion of the Project following transfer of control thereof to CITY. The policy shall contain a provision that all proceeds from the builder's risk policy shall be made payable to the CITY. The CITY will act as a fiduciary for all other interests in the Project.

Policy shall be provided for replacement value on an "all risk" basis for the completed value of the project. There shall be no coinsurance penalty or provisional limit provision in any such policy. Policy must include: (1) coverage for any ensuing loss from faulty workmanship, Nonconforming Work, omission or deficiency in design or specifications; (2) coverage against machinery accidents and operational testing; (3) coverage for removal of debris, and insuring the buildings, structures, machinery, equipment,

materials, facilities, fixtures and all other properties constituting a part of the Project; (4) Ordinance or law coverage for contingent rebuilding, demolition, and increased costs of construction; (5) transit coverage (unless insured by the supplier or receiving contractor), with sub-limits sufficient to insure the full replacement value of any key equipment item; (6) Ocean marine cargo coverage insuring any Project materials or supplies, if applicable; (7) coverage with sub-limits sufficient to insure the full replacement value of any property or equipment stored either on or off the Site or any staging area. Such insurance shall be on a form acceptable to CITY to ensure adequacy of terms and sublimits and shall be submitted to the CITY prior to commencement of construction.

#### **B.** Other provisions or requirements

- 1. **Proof of insurance.** CONTRACTOR shall provide certificates of insurance to CITY as evidence of the insurance coverage required herein, along with a waiver of subrogation endorsement for workers' compensation. Insurance certificates and endorsements must be approved by CITY's risk manager prior to commencement of performance. Current certification of insurance shall be kept on file with CITY at all times during the term of this contract. CITY reserves the right to require complete, certified copies of all required insurance policies, at any time.
- 2. Duration of coverage. CONTRACTOR shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the Work hereunder by CONTRACTOR, his agents, representatives, employees or subcontractors. CONTRACTOR must maintain general liability and umbrella or excess liability insurance for as long as there is a statutory exposure to completed operations claims. CITY and its officers, officials, employees, and agents shall continue as additional insureds under such policies.
- **3. Primary/noncontributing.** Coverage provided by CONTRACTOR shall be primary and any insurance or self-insurance procured or maintained by CITY shall not be required to contribute with it. The limits of insurance required herein may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of CITY before the CITY's own insurance or self-insurance shall be called upon to protect it as a named insured.
- 4. CITY's rights of enforcement. In the event any policy of insurance required under this Agreement does not comply with these requirements or is canceled and not replaced, CITY has the right but not the duty to obtain the insurance it deems necessary and any premium paid by CITY will be promptly reimbursed

by CONTRACTOR or CITY will withhold amounts sufficient to pay premium from CONTRACTOR payments. In the alternative, CITY may cancel this Agreement.

- **5.** Acceptable insurers. All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commissioner to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' Rating of A- (or higher) and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the CITY's risk manager.
- 6. Waiver of subrogation. All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against CITY, its elected or appointed officers, agents, officials, employees and volunteers or shall specifically allow CONTRACTOR or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. CONTRACTOR hereby waives its own right of recovery against CITY, and shall require similar written express waivers and insurance clauses from each of its subconsultants.
- **7. Enforcement of contract provisions (non estoppel).** CONTRACTOR acknowledges and agrees that any actual or alleged failure on the part of the CITY to inform CONTRACTOR of non-compliance with any requirement imposes no additional obligations on the CITY nor does it waive any rights hereunder.
- 8. Requirements not limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the CONTRACTOR maintains higher limits than the minimums shown above, the CITY requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the CITY.
- **9.** Notice of cancellation. CONTRACTOR agrees to oblige its insurance agent or broker and insurers to provide to CITY with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.
- **10. Additional insured status.** General liability policies shall provide or be endorsed to provide that CITY and its officers, officials, employees, agents,

and volunteers shall be additional insureds under such policies. This provision shall also apply to any excess/umbrella liability policies.

- **11. Prohibition of undisclosed coverage limitations.** None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to CITY and approved of in writing.
- **12. Separation of insureds.** A severability of interests provision must apply for all additional insureds ensuring that CONTRACTOR's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer's limits of liability. The policy(ies) shall not contain any cross-liability exclusions.
- **13. Pass through clause.** CONTRACTOR agrees to ensure that its subconsultants, subcontractors, and any other party involved with the project who is brought onto or involved in the project by CONTRACTOR, provide the same minimum insurance coverage and endorsements required of CONTRACTOR. CONTRACTOR agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. CONTRACTOR agrees that upon request, all agreements with consultants, subcontractors, and others engaged in the project will be submitted to CITY for review.
- 14. CITY's right to revise requirements. The CITY reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the CONTRACTOR a ninety (90) day advance written notice of such change. If such change results in substantial additional cost to the CONTRACTOR, the CITY and CONTRACTOR may renegotiate CONTRACTOR's compensation.
- **15. Self-insured retentions.** Any self-insured retentions must be declared to and approved by CITY. CITY reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible. Self-insurance will not be considered to comply with these specifications unless approved by CITY.
- **16. Timely notice of claims.** CONTRACTOR shall give CITY prompt and timely notice of claims made or suits instituted that arise out of or result from CONTRACTOR's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.
- **17. Additional insurance**. CONTRACTOR shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the Work.

#### XI. <u>CONTRACTOR'S LICENSE</u>

CONTRACTOR must possess at the time of commencing work and throughout the Project duration, a Contractor's License, issued by the State of California, which is current and in good standing. CONTRACTOR shall ensure that any subcontractor working on the Project possesses at the time of commencing work and throughout the Project duration, a Contractor's License, issued by the State of California, which is current and in good standing.

#### XII. <u>REGISTRATION REQUIREMENTS</u>

A. Pursuant to Section 1771.1(a) of the Labor Code:

"A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded."

B. CONTRACTOR must be registered with the Department of Industrial Relations (DIR) of the State of California in order to be eligible to work on public works projects. CONTRACTOR must ensure registration with the DIR that is active and in good standing.

C. No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

No contractor or subcontractor may be awarded a contract for public work on a public works project (awarded on or after April 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

D. The CONTRACTOR is not subject to public works requirements (including registration with the DIR) if the public works project is under \$1,000, unless the CITY knows that the same CONTRACTOR will be awarded total project costs in excess of \$1,000 for a given year.

#### XIII. CORPORATION IN GOOD STANDING

If CONTRACTOR is a corporation, the undersigned hereby represents and warrants that the corporation is duly incorporated and in good standing in the State of California, and that <u>(Insert Name)</u> whose title is <u>(Insert Title)</u> is authorized to act for and bind the corporation.

#### XIV. PROVISIONS REQUIRED BY LAW

Each and every provision of law and clause required by law to be inserted in this Agreement shall be deemed to be inserted herein and the Agreement shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not currently inserted, then upon application of either party the Agreement shall forthwith be physically amended to make such insertion or correction.

#### XV. <u>SUBSURFACE HAZARDOUS MATERIALS</u>

- A. In the event trenches or other excavations extend deeper than four (4) feet below the surface, the CONTRACTOR shall promptly, and before the following conditions are disturbed, notify the CITY in writing of any:
  - 1. Material that the CONTRACTOR believes may be material that is hazardous waste, as defined in Section 25117 of the Health and Safety Code that is required to be removed to a Class I, Class II or Class III disposal site in accordance with the provisions of existing law.
  - 2. Subsurface or latent physical conditions at the site differing from those indicated.
  - 3. Unknown physical conditions at the site of any unusual nature, different materially from those ordinarily encountered and generally recognized as inherent in the Work or the character provided for in the CONTRACT.
- B. Upon receipt of said notification the CITY will investigate the conditions, and if it finds that the conditions do materially so differ, or do involve hazardous waste, and cause a decrease or increase in the CONTRACTOR's cost of or the time required for performance of any part of the work, the CITY will issue a change order under the procedures described in the General Conditions.
- C. In the event that a dispute arises between the CITY and the CONTRACTOR whether the conditions materially differ, or involve hazardous waste or cause a decrease or increase in the CONTRACTOR's cost of or time required for performance of any part of the work, the CONTRACTOR shall not be excused from any scheduled completion date provided for by the Agreement, but shall proceed with all work to be performed under the Agreement. The CONTRACTOR shall retain any and all rights provided either by Agreement or

by law which pertain to the resolution of disputes and protests between the contracting parties.

#### XVI. <u>COMPONENT PARTS OF THE CONTRACT</u>

This Agreement entered into consists of the following CONTRACT DOCUMENTS, all of which are component parts of the Agreement as if herein set out in full or attached hereto:

Schedule walk-through via email NicoleW@BeaumontCa.gov

> Contact: Nicole Wheelwright Deputy City Clerk NicoleW@beaumontca.gov

#### INTRODUCTION

The City of Beaumont ("City") requests written proposals for selection of a qualified firm to provide design and build services for a replacement of furniture within the City's Council Chambers.

This project will encompass a complete re-design and build of all furniture to include a dais, staff desks, public podium and an audio/video control room in the Council Chambers.

Firms submitting proposals must be prepared to enter into a contract for work to be provided and must obtain a city business license. Proposals will be accepted until the close of business at **5:00 pm on Monday**, **September 2, 2019**. Please address as follows:

Nicole Wheelwright Deputy City Clerk City of Beaumont 550 E 6<sup>th</sup> Street Beaumont, Ca 92223 **Bid Enclosed** 

#### PURPOSE AND SCOPE

The current City Council Chambers is in need of new furniture for desk spaces and an enhancement of design to better suit the needs of the meetings conducted in the Council Chambers. All demolition and removal of current furniture will not be part of the scope for this project and will be conducted prior to start of this project.

Design and construction to include:

- Dais with seating for five (5); estimated to be a 16' x 30" stand alone countertop with a 6" privacy backsplash. For cost options, at least two material options must be provided. (wood, laminate, stone finish ect.)
- Two (2) separate staff desk areas with seating for four (4) each; estimated to be 11'.5" x 30" stand alone countertops with a 6" privacy backsplash. For cost options, at least two material options must be provided to match the dais.
- One staff desk area with seating for two (2); estimated to be an 8' x 30" stand alone countertop with a 6" privacy backsplash. For cost options, at least two material options must be provided to match the other staff desk spaces.
- One (1) public podium. For cost options, at least two material options must be provided.
- Audio/Video Control Room desk wall mount countertop; estimated to be 8' x 30"
   For cost options, at least two material options must be provided.
- All countertops must have inset power supply outlets in coordination with the Audio and Video contractors.

All desk spaces and podium must meet ADA accommodations.

In concurrence with this project, the Council Chambers will also be undergoing renovations of its audio and video equipment as well as construction of wheelchair access ramps and an audio/video control room. The firm selected for the design and build of Council Chambers furniture will be required to work in coordination with the firms selected for the other components of the Council Chambers Renovation Project for logistics and planning of installation. Coordination with the selected audio and video firm of the Chamber's renovation includes but is not limited to identifying the needs of the desk space for electrical wiring, computers, monitors, and microphones. Coordination with the selected general contractor includes but is not limited to identifying the identifying the footprint of space available once an audio/video control room and wheelchair ramp has been designed for construction.

#### <u>Design</u>

For purpose of cost options, it is requested that at least two design options be presented for the configuration of dais, staff desk space and public podium.

#### Materials and Finish

For purpose of cost options, it is requested that at least two material and finish options be provided for the dais, staff desk space, public podium and audio/video control room. One material and finish option must be wood or wood-like appearance.

#### MANDATORY PRE-BID WALK-THROUGH

A mandatory walk-through of the Council Chambers is required prior to submission of bid please schedule via email: <u>NicoleW@BeaumontCa.gov</u>. This walk-through will give the opportunity to evaluate and take measurements as needed.

#### **PROPOSAL REQUIREMENTS**

The proposal shall clearly address all of the information requested herein. To achieve a uniform review process and obtain the maximum degree of comparability, it is required that proposals be organized and contain all information as specified below.

A. **Cover Letter:** Executive Summary which shall include an understanding of the scope of services. The cover letter must be signed by an official authorized to bind the consultant contractually and shall also provide the name, title, address, and telephone number of individuals with the authority to negotiate and contractually bind the consultant. The cover letter constitutes certification by the consultant, under penalty of perjury, that the consultant complies with nondiscrimination requirements of the State and Federal Government. An unsigned proposal or one signed by an individual unauthorized to bind the consultant may be rejected.

- B. Introduction/Information: Provide a description of the firm, including number of professional personnel, years in business, office location(s), organizational structure (e.g., corporation, partnership, sole practitioner, etc.), areas of particular expertise, etc. Description of the consulting firm's past and current experience with cities, counties, governmental regions, special districts, agencies, or similar entities; and/or major residential, economic, commercial, entertainment or historic development centers.
  - 1) Describe the consultant team and identify the specific personnel that will be assigned to the project and their roles, qualifications and relevant experience on projects within the past two (2) years.
  - 2) Identify the supervisory and management staff.
  - Identify and describe the roles of any sub-contractors and provide relevant qualifications and experience for projects within the past two (2) years. Indicate how the quality of staff over the term of the agreement will be assured.
- C. References: Provide at least three (3) previous design work of similar capacities.
- D. **Scope of Services:** Provide a description of the tasks, sub-tasks, and deliverables that will be provided. The Scope of Work should be presented in a logical format that can be easily attached to the final Agreement.
  - i) Project Schedule: Provide a comprehensive schedule describing the nature and estimated time line of proposed work objectives and milestones. Due to time constraints of this project, it is required that work **shall** commence no later than 30 days of award of contract. City Council is scheduled to award contracts on September 17, 2019.
- E. Cost Proposal: Provide detailed cost of services overview to include:
  - 1) Fixed prices for all costs associated within the scope of this proposal
  - 2) Detailed hourly rates of all members of the project
  - 3) Additional billable costs for non-specified tasks
  - 4) Total fees and expenses for the entire scope of the project
  - 5) Any area which proposers believe should be included in the scope of work in this proposal, but which is not stipulated in this RFP, and identifies the costs associated with the services rendered
- F. The firm will be required to have professional liability insurance including liability at a minimum of one million per occurrence, worker's compensation, and vehicle coverage including comprehensive and collision insurance naming the City of Beaumont as additional insured. The proposal shall state whether such insurances will be in force at time of contract execution.

Any language purported to render confidential all or portions of the proposals will be regarded as non-effective and will be disregarded.

#### AMENDMENTS TO REQUEST FOR PROPOSALS

The City reserves the right to amend the RFP by addendum prior to the final proposal submittal date.

#### CONFLICT OF INTEREST

The Consultant shall disclose any personal or professional financial, business, or other relationships with the City that may have an impact on the outcome of this contract or any resulting project. The consultant shall also list current clients who may have a financial interest in the outcome of this contract.

#### CITY OF BEAUMONT RIGHTS AND OPTIONS

This RFP does not commit the City of Beaumont to award a contract, to pay any cost incurred with the preparation of a proposal or contract for services described herein. The City may, in its sole discretion and without any obligation to act reasonably, reject any and all proposals, waive informalities and minor irregularities in any proposal reviewed, negotiate with any qualified source submitting a proposal, extend deadlines, and/or request additional information. Subsequent to negotiations, prospective consultants may be required to submit revisions to their proposals. The City may reject any proposal that does not conform to the instructions provided in this RFP.

Additionally, the City reserves the right to negotiate all final terms and conditions of any proposal received before entering into final contract.

The City reserves the right to postpone selection for its own convenience, to withdraw this RFP at any time, and to reject any and all proposals without indicating any reason for such rejection. As a function of the RFP process, the City of Beaumont reserves the right to remedy technical errors in response to the RFP and to modify the published scope of services and scope of work. The City of Beaumont will reserve the right to request that specific personnel with specific expertise be added to the team if the City determines that specific expertise is lacking in the project team. Proposals submitted in response to the RFP will not be returned.

#### CITY OF BEAUMONT PUBLIC WORKS AGREEMENT (NAME OF CONTRACTOR)

# I. <u>SCOPE OF WORK</u>

The CONTRACTOR shall perform within the time set forth in Article 2 of this Agreement and shall furnish all labor, materials, equipment, tools, utility services, and transportation and perform and complete all work required in connection with the <u>(DESCRIPTION OF PROJECT</u>) Project (hereinafter "Project"). CITY's Invitation for Bids ("Invitation") for the Project, dated <u>\_\_\_\_\_</u>, 2017, and CONTRACTOR's Bid in response to the Invitation, dated <u>\_\_\_\_\_</u>, 2017, are attached hereto as Exhibits :A" and "B", respectively and incorporated herein by this reference. The Scope of Work for the Project is set forth in the Invitation.

By entering into this Agreement, CONTRACTOR acknowledges that there may be other contractors on the site whose work will be coordinated with that of its own. CONTRACTOR expressly warrants and agrees that it will cooperate with other contractors and will do nothing to delay, hinder, or interfere with the work of other separate contractors, the CITY, the Construction Manager, the Engineer, or utilities. CONTRACTOR also expressly agrees that, in the event its work is hindered, delayed, interfered with, or otherwise affected by a separate contractor, its sole remedy will be a direct action against the separate contractor. To the extent allowed by law, the CONTRACTOR will have no remedy, and hereby expressly waives any remedy against the CITY, the Construction Manager (if any), and the Engineer on account of delay, hindrance, interference or other events.

# II. <u>TIME FOR PROJECT COMPLETION</u>

All of CONTRACTOR's work on the Project shall be completed within durations established for the individual activities as set forth in the Project Construction Schedule, attached hereto as Exhibit "C" and incorporated herein by this reference. All work shall commence ten (10) calendar days after receiving a written Notice of Award from the CITY or Construction Manager, if a Construction Manager is employed by CITY on the Project. CONTRACTOR shall refer to the invitations for bids, and Project Plans and Specifications, all of which, as set forth below, are incorporated herein by reference, for contractual obligations regarding individual activity durations.

#### III. <u>THE CONTRACT SUM</u>

The CITY shall pay to the CONTRACTOR for the performance of this Agreement, subject to any additions and deductions provided in the Project documents, the sum of \$\_\_\_\_\_.

#### IV. <u>PROGRESS PAYMENTS</u>

Based upon Applications for Payment submitted to the Engineer by the CONTRACTOR and Certificates for Payment issued by the Engineer, the CITY shall make progress payments on account of the Contract Sum to the CONTRACTOR as provided in the General Conditions, which are fully incorporated into this Agreement by this reference.

This Agreement is subject to the provisions of Article 1.7 (commencing at Section 20104.50) of Division 2, Part 3 of the Public Contract Code regarding prompt payment of contractors by local governments. Article 1.7 mandates certain procedures for the payment of undisputed and properly submitted payment requests within 30 days after receipt, for the review of payment requests, for notice to Contractor of improper payment requests, and provides for the payment of interest on progress payment requests which are not timely made in accordance with that Article. This Agreement hereby incorporates the provisions of Article 1.7 as though fully set forth herein.

### V. INDEMNITY, DEFENSE AND HOLD HARMLESS AGREEMENT

CONTRACTOR shall indemnify, defend with legal counsel approved by CITY, and hold harmless CITY, its officers, officials, employees and volunteers from and against all liability, loss, damage, expense, cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with CONTRACTOR's negligence, recklessness or willful misconduct in the performance of work hereunder or its failure to comply with any of its obligations contained in this Agreement, except such loss or damage which is caused by the sole or active negligence or willful misconduct of the CITY. Should conflict of interest principles preclude a single legal counsel from representing both CITY and CONTRACTOR, or should CITY otherwise find CONTRACTOR's legal counsel unacceptable, then CONTRACTOR shall reimburse the CITY its costs of defense, including without limitation reasonable legal counsels fees, expert fees and all other costs and fees of litigation. The CONTRACTOR shall promptly pay any final judgment rendered against the CITY (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the CONTRACTOR's negligent, reckless or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

CONTRACTOR obligations under this section apply regardless of whether or not such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by an Indemnitee. However, without affecting the rights of CITY under any provision of this agreement, CONTRACTOR shall not be required to indemnify and hold harmless CITY for liability attributable to the active negligence of CITY, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where CITY is shown to have been actively negligent and where CITY active negligence accounts for only a percentage of the liability involved, the obligation of CONTRACTOR will be for that entire portion or percentage of liability not attributable to the active negligence of CITY.

# VI. <u>PREVAILING WAGES</u>

- A. Contractor shall comply with all applicable laws and regulations relating to prevailing wages. Wage rates for this Project shall be in accordance with the "General Wage Determination Made By the Director of Industrial Relations Pursuant To California Labor Code, Part 7, Chapter 1, Article 2, Sections 1770, 1773 and 1773.1", for Riverside County. Wage rates shall conform with those posted at Beaumont City Hall and the Project site.
- B. The following Labor Code sections are hereby referenced and made a part of this Agreement:
  - 1. Section 1775 Penalty for Failure to Comply with Prevailing Wage Rates.
  - 2. Section 1777.4 Apprenticeship Requirements.
  - 3. Section 1777.5 Apprenticeship Requirements.
  - 4. Section 1813 Penalty for Failure to Pay Overtime.
  - 5. Sections 1810 and 1811 Working Hour Restrictions.
  - 6. Section 1775 Payroll Records.
  - 7. Section 1773.8 Travel and Subsistence Pay.

# VII. <u>RECORD AUDIT</u>

In accordance with Government Code, Section 8546.7, records of both the CITY and the CONTRACTOR shall be subject to examination and audit by the Auditor General for a period of three (3) years after final payment.

# VIII. FINAL PAYMENT

Final payment, constituting the entire unpaid balance of the Agreement Sum, shall be paid by the CITY to the CONTRACTOR no sooner than thirty-five (35) days after a Notice of Completion has been recorded, unless otherwise stipulated in the Notice of Completion, provided the work has then been completed, the Agreement fully performed, and a final Certificate for Payment has been issued by the Engineer.

#### IX. <u>CONTRACTOR'S FAILURE TO PROCURE COMPLETION OF PROJECT</u>

In the event CONTRACTOR fails to furnish tools, equipment, or labor in the necessary quantity or quality, or fails to prosecute the work or any part thereof contemplated by this Agreement in a diligent and workmanlike manner, and if the CONTRACTOR for a period of three (3) calendar days after receipt of written demand from CITY or its designated representative to do so, fails to furnish tools, equipment, or labor in the necessary quantity or quality, and to prosecute its work and all parts thereof in a diligent and workmanlike manner, or after commencing to do so within said three (3) calendar days, fails to continue to do so; then the CITY may exclude the CONTRACTOR from the premises, or any portion thereof, and take possession of said premises or any portion thereof, together with all material and equipment thereon, and may complete the work contemplated by this Agreement or any portion of said work, either by furnishing the tools, equipment, labor or material necessary, or by letting the unfinished portion of said work, or the portion taken over by the CITY to another contractor or by a combination of such methods. In any event, the procuring of the completion of said work, or the portion thereof taken over by the CITY, shall be a charge against the CONTRACTOR, and may be deducted from any money due or becoming due to CONTRACTOR from the CITY, or the CONTRACTOR shall pay the CITY the amount of said charge, or the portion thereof unsatisfied. The sureties, provided for under this Agreement shall become liable for payment should CONTRACTOR fail to pay in full any said cost incurred by the CITY.

#### X. INSURANCE

Prior to the beginning of and throughout the duration of the Project, CONTRACTOR and its subcontractors shall maintain insurance in conformance with the requirements set forth below. CONTRACTOR will use existing coverage to comply with these requirements. If that existing coverage does not meet the requirements set forth herein, CONTRACTOR agrees to amend, supplement or endorse the existing coverage to do so.

CONTRACTOR acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amount of coverage required. Any insurance proceeds available to CONTRACTOR or its subcontractors in excess of the limits and coverage identified in this Agreement and which is applicable to a given loss, claim or demand, will be equally available to CITY.

#### A. Types of Insurance

Without limiting CONTRACTOR's indemnification of CITY, and prior to commencement of Work, CONTRACTOR shall obtain, provide and maintain at its own expense during the term of this Agreement, policies of insurance of the type and amounts described below and in a form satisfactory to CITY:

**1. General liability insurance.** CONTRACTOR shall maintain commercial general liability insurance with coverage at least as broad as Insurance Services Office form CG 00 01, in an amount not less than \$1,000,000 per occurrence,

\$2,000,000 general aggregate, for bodily injury, personal injury, and property damage, and a \$2,000,000 completed operations aggregate. The policy must include contractual liability that has not been amended. Any endorsement restricting standard ISO "insured contract" language will not be accepted.

- 2. Automobile liability insurance. CONTRACTOR shall maintain automobile insurance at least as broad as Insurance Services Office form CA 00 01 covering bodily injury and property damage for all activities of the CONTRACTOR arising out of or in connection with Work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles, in an amount not less than \$1,000,000 combined single limit for each accident.
- **3.** Umbrella or excess liability insurance. If CONTRACTOR is using umbrella coverage to meet part of its liability insurance requirements under Paragraph 1 of this Section, CONTRACTOR shall obtain and maintain an umbrella or excess liability insurance that will provide bodily injury, personal injury, completed operations and property damage liability coverage at least as broad as the primary coverages set forth above, including commercial general liability and employer's liability. Such policy or policies shall include the following terms and conditions:
  - A drop down feature requiring the policy to respond in the event that any primary insurance that would otherwise have applied proves to be uncollectable in whole or in part for any reason;
  - Pay on behalf of wording as opposed to reimbursement;
  - Concurrency of effective dates with primary policies;
  - Policies shall "follow form" to the underlying primary policies; and
  - Insureds under primary policies shall also be insureds under the umbrella or excess policies.
- 4. Workers' compensation insurance. CONTRACTOR shall maintain Workers' Compensation Insurance (Statutory Limits) and Employer's Liability Insurance (with limits of at least \$1,000,000) for CONTRACTOR's employees in accordance with the laws of the State of California, Section 3700 of the Labor Code. In addition, CONTRACTOR shall require each subcontractor to similarly maintain Workers' Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California, Section 3700 for all of the subcontractor's employees.

CONTRACTOR shall submit to CITY, along with the certificate of insurance, a Waiver of Subrogation endorsement in favor of CITY, its officers, agents, employees and volunteers.

**5. Pollution liability insurance.** Environmental Impairment Liability Insurance shall be written on a CONTRACTOR's Pollution Liability form or other form

acceptable to CITY providing coverage for liability arising out of sudden, accidental and gradual pollution and remediation. The policy limit shall be no less than \$1,000,000 dollars per claim and in the aggregate. All activities contemplated in this Agreement shall be specifically scheduled on the policy as "covered operations." The policy shall provide coverage for the hauling of waste from the project site to the final disposal location, including non-owned disposal sites.

Products/completed operations coverage shall extend a minimum of three (3) years after project completion. Coverage shall be included on behalf of the insured for covered claims arising out of the actions of independent contractors. If the insured is using subcontractors, the Policy must include work performed "by or on behalf" of the insured. Policy shall contain no language that would invalidate or remove the insurer's duty to defend or indemnify for claims or suits expressly excluded from coverage. Policy shall specifically provide for a duty to defend on the part of the insurer. The CITY, its officials, officers, agents, and employees, shall be included as insureds under the policy.

6. Builder's risk insurance. Upon commencement of construction and with approval of CITY, CONTRACTOR shall obtain and maintain builder's risk insurance for the entire duration of the Project until only the CITY has an insurable interest. The Builder's Risk coverage shall include the coverages as specified below.

The named insureds shall be CONTRACTOR and CITY, including its officers, officials, employees, and agents. All Subcontractors (excluding those solely responsible for design Work) of any tier and suppliers shall be included as additional insureds as their interests may appear. CONTRACTOR shall not be required to maintain property insurance for any portion of the Project following transfer of control thereof to CITY. The policy shall contain a provision that all proceeds from the builder's risk policy shall be made payable to the CITY. The CITY will act as a fiduciary for all other interests in the Project.

Policy shall be provided for replacement value on an "all risk" basis for the completed value of the project. There shall be no coinsurance penalty or provisional limit provision in any such policy. Policy must include: (1) coverage for any ensuing loss from faulty workmanship, Nonconforming Work, omission or deficiency in design or specifications; (2) coverage against machinery accidents and operational testing; (3) coverage for removal of debris, and insuring the buildings, structures, machinery, equipment, materials, facilities, fixtures and all other properties constituting a part of the Project; (4) Ordinance or law coverage for contingent rebuilding, demolition, and increased costs of construction; (5) transit coverage (unless insured by the supplier or receiving contractor), with sub-limits sufficient to insure the full replacement value of any key equipment item; (6) Ocean marine cargo coverage insuring any Project materials or supplies, if applicable; (7) coverage with sub-limits sufficient to insure the full replacement value of any property or equipment

stored either on or off the Site or any staging area. Such insurance shall be on a form acceptable to CITY to ensure adequacy of terms and sublimits and shall be submitted to the CITY prior to commencement of construction.

#### **B.** Other provisions or requirements

- 1. **Proof of insurance.** CONTRACTOR shall provide certificates of insurance to CITY as evidence of the insurance coverage required herein, along with a waiver of subrogation endorsement for workers' compensation. Insurance certificates and endorsements must be approved by CITY's risk manager prior to commencement of performance. Current certification of insurance shall be kept on file with CITY at all times during the term of this contract. CITY reserves the right to require complete, certified copies of all required insurance policies, at any time.
- 2. Duration of coverage. CONTRACTOR shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the Work hereunder by CONTRACTOR, his agents, representatives, employees or subcontractors. CONTRACTOR must maintain general liability and umbrella or excess liability insurance for as long as there is a statutory exposure to completed operations claims. CITY and its officers, officials, employees, and agents shall continue as additional insureds under such policies.
- **3. Primary/noncontributing.** Coverage provided by CONTRACTOR shall be primary and any insurance or self-insurance procured or maintained by CITY shall not be required to contribute with it. The limits of insurance required herein may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of CITY before the CITY's own insurance or self-insurance shall be called upon to protect it as a named insured.
- 4. CITY's rights of enforcement. In the event any policy of insurance required under this Agreement does not comply with these requirements or is canceled and not replaced, CITY has the right but not the duty to obtain the insurance it deems necessary and any premium paid by CITY will be promptly reimbursed by CONTRACTOR or CITY will withhold amounts sufficient to pay premium from CONTRACTOR payments. In the alternative, CITY may cancel this Agreement.
- **5.** Acceptable insurers. All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commissioner to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' Rating of A- (or higher)

and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the CITY's risk manager.

- 6. Waiver of subrogation. All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against CITY, its elected or appointed officers, agents, officials, employees and volunteers or shall specifically allow CONTRACTOR or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. CONTRACTOR hereby waives its own right of recovery against CITY, and shall require similar written express waivers and insurance clauses from each of its subconsultants.
- **7. Enforcement of contract provisions (non estoppel).** CONTRACTOR acknowledges and agrees that any actual or alleged failure on the part of the CITY to inform CONTRACTOR of non-compliance with any requirement imposes no additional obligations on the CITY nor does it waive any rights hereunder.
- 8. Requirements not limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the CONTRACTOR maintains higher limits than the minimums shown above, the CITY requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the CITY.
- **9.** Notice of cancellation. CONTRACTOR agrees to oblige its insurance agent or broker and insurers to provide to CITY with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.
- **10. Additional insured status**. General liability policies shall provide or be endorsed to provide that CITY and its officers, officials, employees, agents, and volunteers shall be additional insureds under such policies. This provision shall also apply to any excess/umbrella liability policies.
- **11. Prohibition of undisclosed coverage limitations.** None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to CITY and approved of in writing.

- **12. Separation of insureds.** A severability of interests provision must apply for all additional insureds ensuring that CONTRACTOR's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer's limits of liability. The policy(ies) shall not contain any cross-liability exclusions.
- **13. Pass through clause.** CONTRACTOR agrees to ensure that its subconsultants, subcontractors, and any other party involved with the project who is brought onto or involved in the project by CONTRACTOR, provide the same minimum insurance coverage and endorsements required of CONTRACTOR. CONTRACTOR agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. CONTRACTOR agrees that upon request, all agreements with consultants, subcontractors, and others engaged in the project will be submitted to CITY for review.
- 14. CITY's right to revise requirements. The CITY reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the CONTRACTOR a ninety (90) day advance written notice of such change. If such change results in substantial additional cost to the CONTRACTOR, the CITY and CONTRACTOR may renegotiate CONTRACTOR's compensation.
- **15. Self-insured retentions.** Any self-insured retentions must be declared to and approved by CITY. CITY reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible. Self-insurance will not be considered to comply with these specifications unless approved by CITY.
- **16. Timely notice of claims.** CONTRACTOR shall give CITY prompt and timely notice of claims made or suits instituted that arise out of or result from CONTRACTOR's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.
- **17. Additional insurance**. CONTRACTOR shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the Work.

# XI. <u>CONTRACTOR'S LICENSE</u>

CONTRACTOR must possess at the time of commencing work and throughout the Project duration, a Contractor's License, issued by the State of California, which is current and in good standing. CONTRACTOR shall ensure that any subcontractor working on the Project possesses at the time of commencing work and throughout the Project duration, a Contractor's License, issued by the State of California, which is current and in good standing.

#### XII. <u>REGISTRATION REQUIREMENTS</u>

A. Pursuant to Section 1771.1(a) of the Labor Code:

"A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded."

B. CONTRACTOR must be registered with the Department of Industrial Relations (DIR) of the State of California in order to be eligible to work on public works projects. CONTRACTOR must ensure registration with the DIR that is active and in good standing.

C. No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

No contractor or subcontractor may be awarded a contract for public work on a public works project (awarded on or after April 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

D. The CONTRACTOR is not subject to public works requirements (including registration with the DIR) if the public works project is under \$1,000, unless the CITY knows that the same CONTRACTOR will be awarded total project costs in excess of \$1,000 for a given year.

#### XIII. CORPORATION IN GOOD STANDING

If CONTRACTOR is a corporation, the undersigned hereby represents and warrants that the corporation is duly incorporated and in good standing in the State of California, and that <u>(Insert Name)</u> whose title is <u>(Insert Title)</u> is authorized to act for and bind the corporation.

#### XIV. PROVISIONS REQUIRED BY LAW

Each and every provision of law and clause required by law to be inserted in this Agreement shall be deemed to be inserted herein and the Agreement shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not currently inserted, then upon application of either party the Agreement shall forthwith be physically amended to make such insertion or correction.

#### XV. <u>SUBSURFACE HAZARDOUS MATERIALS</u>

- A. In the event trenches or other excavations extend deeper than four (4) feet below the surface, the CONTRACTOR shall promptly, and before the following conditions are disturbed, notify the CITY in writing of any:
  - 1. Material that the CONTRACTOR believes may be material that is hazardous waste, as defined in Section 25117 of the Health and Safety Code that is required to be removed to a Class I, Class II or Class III disposal site in accordance with the provisions of existing law.
  - 2. Subsurface or latent physical conditions at the site differing from those indicated.
  - 3. Unknown physical conditions at the site of any unusual nature, different materially from those ordinarily encountered and generally recognized as inherent in the Work or the character provided for in the CONTRACT.
- B. Upon receipt of said notification the CITY will investigate the conditions, and if it finds that the conditions do materially so differ, or do involve hazardous waste, and cause a decrease or increase in the CONTRACTOR's cost of or the time required for performance of any part of the work, the CITY will issue a change order under the procedures described in the General Conditions.
- C. In the event that a dispute arises between the CITY and the CONTRACTOR whether the conditions materially differ, or involve hazardous waste or cause a decrease or increase in the CONTRACTOR's cost of or time required for performance of any part of the work, the CONTRACTOR shall not be excused from any scheduled completion date provided for by the Agreement, but shall proceed with all work to be performed under the Agreement. The CONTRACTOR shall retain any and all rights provided either by Agreement or by law which pertain to the resolution of disputes and protests between the contracting parties.

# XVI. <u>COMPONENT PARTS OF THE CONTRACT</u>

This Agreement entered into consists of the following CONTRACT DOCUMENTS, all of which are component parts of the Agreement as if herein set out in full or attached hereto:

#### CITY OF BEAUMONT PUBLIC WORKS AGREEMENT (Enko Systems Inc.)

This PUBLIC WORKS AGREEMENT ("Agreement") is made and effective October 1, 2019 by and between the City of Beaumont, a municipal corporation ("CITY"), and Enko Systems, Inc., a California Corporation ("CONTRACTOR"). In consideration of the mutual covenants and conditions set forth herein, the parties agree as follows:

# I. <u>SCOPE OF WORK</u>

The CONTRACTOR shall perform within the time set forth in Article 2 of this Agreement and shall furnish all labor, materials, equipment, tools, utility services, and transportation and perform and complete all work required in connection with the Design and Installation of Audio and Video Enhancement in Council Chambers and Overflow Project (hereinafter "Project"). CITY's Invitation for Bids ("Invitation") for the Project, dated August 13, 2019, and CONTRACTOR's Bid in response to the Invitation, dated September 3, 2019, are attached hereto as Exhibits :A" and "B", respectively and incorporated herein by this reference. The Scope of Work for the Project is set forth in the Invitation for Bids shall control. Any additional terms in the Bid that purport to bind the City to any additional terms not contained in this Agreement and related attachments shall not be binding on the City.

By entering into this Agreement, CONTRACTOR acknowledges that there may be other contractors on the site whose work will be coordinated with that of its own. CONTRACTOR expressly warrants and agrees that it will cooperate with other contractors and will do nothing to delay, hinder, or interfere with the work of other separate contractors, the CITY, the Construction Manager, the Engineer, or utilities. CONTRACTOR also expressly agrees that, in the event its work is hindered, delayed, interfered with, or otherwise affected by a separate contractor, its sole remedy will be a direct action against the separate contractor. To the extent allowed by law, the CONTRACTOR will have no remedy, and hereby expressly waives any remedy against the CITY, the Construction Manager (if any), and the Engineer on account of delay, hindrance, interference or other events.

# II. <u>TIME FOR PROJECT COMPLETION</u>

All of CONTRACTOR's work on the Project shall be completed within durations established for the individual activities as set forth in the Project Construction Schedule, attached hereto as Exhibit "C" and incorporated herein by this reference. All work shall commence ten (10) calendar days after receiving a written Notice of Award from the CITY or Construction Manager, if a Construction Manager is employed by CITY on the Project. CONTRACTOR shall refer to the invitations for bids, and Project Plans and Specifications, all of which, as set forth below, are incorporated herein by reference, for contractual obligations regarding individual activity durations.

# III. <u>THE CONTRACT SUM</u>

The CITY shall pay to the CONTRACTOR for the performance of this Agreement, subject to any additions and deductions provided in the Project documents, the lump sum of \$ 125,927.25 ("Contract Sum"). Except for change orders approved by City as provided in this Agreement, Contractor shall complete the Project for an amount not to exceed the Contract Sum.

# IV. <u>PROGRESS PAYMENTS</u>

Based upon Applications for Payment submitted to the Engineer by the CONTRACTOR and Certificates for Payment issued by the Engineer, the CITY shall make progress payments on account of the Contract Sum to the CONTRACTOR as provided in the General Conditions, which are fully incorporated into this Agreement by this reference.

This Agreement is subject to the provisions of Article 1.7 (commencing at Section 20104.50) of Division 2, Part 3 of the Public Contract Code regarding prompt payment of contractors by local governments. Article 1.7 mandates certain procedures for the payment of undisputed and properly submitted payment requests within 30 days after receipt, for the review of payment requests, for notice to Contractor of improper payment requests, and provides for the payment of interest on progress payment requests which are not timely made in accordance with that Article. This Agreement hereby incorporates the provisions of Article 1.7 as though fully set forth herein.

#### V. INDEMNITY, DEFENSE AND HOLD HARMLESS AGREEMENT

CONTRACTOR shall indemnify, defend with legal counsel approved by CITY, and hold harmless CITY, its officers, officials, employees and volunteers from and against all liability, loss, damage, expense, cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with CONTRACTOR's negligence, recklessness or willful misconduct in the performance of work hereunder or its failure to comply with any of its obligations contained in this Agreement, except such loss or damage which is caused by the sole or active negligence or willful misconduct of the CITY. Should conflict of interest principles preclude a single legal counsel from representing both CITY and CONTRACTOR, or should CITY otherwise find CONTRACTOR's legal counsel unacceptable, then CONTRACTOR shall reimburse the CITY its costs of defense, including without limitation reasonable legal counsels fees, expert fees and all other costs and fees of litigation. The CONTRACTOR shall promptly pay any final judgment rendered against the CITY (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the CONTRACTOR's negligent, reckless or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

CONTRACTOR obligations under this section apply regardless of whether or not such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by an Indemnitee. However, without affecting the rights of CITY under any provision of this agreement, CONTRACTOR shall not be required to indemnify and hold harmless CITY for liability attributable to the active negligence of CITY, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where CITY is shown to have been actively negligent and where CITY active negligence accounts for only a percentage of the liability involved, the obligation of CONTRACTOR will be for that entire portion or percentage of liability not attributable to the active negligence of CITY.

# VI. <u>PREVAILING WAGES</u>

- A. Contractor shall comply with all applicable laws and regulations relating to prevailing wages. Wage rates for this Project shall be in accordance with the "General Wage Determination Made By the Director of Industrial Relations Pursuant To California Labor Code, Part 7, Chapter 1, Article 2, Sections 1770, 1773 and 1773.1", for Riverside County. Wage rates shall conform with those posted at Beaumont City Hall and the Project site.
- B. The following Labor Code sections are hereby referenced and made a part of this Agreement:
  - 1. Section 1775 Penalty for Failure to Comply with Prevailing Wage Rates.
  - 2. Section 1777.4 Apprenticeship Requirements.
  - 3. Section 1777.5 Apprenticeship Requirements.
  - 4. Section 1813 Penalty for Failure to Pay Overtime.
  - 5. Sections 1810 and 1811 Working Hour Restrictions.
  - 6. Section 1775 Payroll Records.
  - 7. Section 1773.8 Travel and Subsistence Pay.

# VII. <u>RECORD AUDIT</u>

In accordance with Government Code, Section 8546.7, records of both the CITY and the CONTRACTOR shall be subject to examination and audit by the Auditor General for a period of three (3) years after final payment.

# VIII. FINAL PAYMENT

Final payment, constituting the entire unpaid balance of the Agreement Sum, shall be paid by the CITY to the CONTRACTOR no sooner than thirty-five (35) days after a Notice of Completion has been recorded, unless otherwise stipulated in the Notice of Completion, provided the work has then been completed, the Agreement fully performed, and a final Certificate for Payment has been issued by the Engineer.

### IX. <u>CONTRACTOR'S FAILURE TO PROCURE COMPLETION OF PROJECT</u>

In the event CONTRACTOR fails to furnish tools, equipment, or labor in the necessary quantity or quality, or fails to prosecute the work or any part thereof contemplated by this Agreement in a diligent and workmanlike manner, and if the CONTRACTOR for a period of three (3) calendar days after receipt of written demand from CITY or its designated representative to do so, fails to furnish tools, equipment, or labor in the necessary quantity or quality, and to prosecute its work and all parts thereof in a diligent and workmanlike manner, or after commencing to do so within said three (3) calendar days, fails to continue to do so; then the CITY may exclude the CONTRACTOR from the premises, or any portion thereof, and take possession of said premises or any portion thereof, together with all material and equipment thereon, and may complete the work contemplated by this Agreement or any portion of said work, either by furnishing the tools, equipment, labor or material necessary, or by letting the unfinished portion of said work, or the portion taken over by the CITY to another contractor or by a combination of such methods. In any event, the procuring of the completion of said work, or the portion thereof taken over by the CITY, shall be a charge against the CONTRACTOR, and may be deducted from any money due or becoming due to CONTRACTOR from the CITY, or the CONTRACTOR shall pay the CITY the amount of said charge, or the portion thereof unsatisfied. The sureties, provided for under this Agreement shall become liable for payment should CONTRACTOR fail to pay in full any said cost incurred by the CITY.

# X. <u>INSURANCE</u>

Prior to the beginning of and throughout the duration of the Project, CONTRACTOR and its subcontractors shall maintain insurance in conformance with the requirements set forth below. CONTRACTOR will use existing coverage to comply with these requirements. If that existing coverage does not meet the requirements set forth herein, CONTRACTOR agrees to amend, supplement or endorse the existing coverage to do so.

CONTRACTOR acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amount of coverage required. Any insurance proceeds available to CONTRACTOR or its subcontractors in excess of the limits and coverage identified in this Agreement and which is applicable to a given loss, claim or demand, will be equally available to CITY.

# A. Types of Insurance

Without limiting CONTRACTOR's indemnification of CITY, and prior to commencement of Work, CONTRACTOR shall obtain, provide and maintain at its own expense during the term of this Agreement, policies of insurance of the type and amounts described below and in a form satisfactory to CITY:

**1. General liability insurance.** CONTRACTOR shall maintain commercial general liability insurance with coverage at least as broad as Insurance Services Office form CG 00 01, in an amount not less than \$1,000,000 per

occurrence, \$2,000,000 general aggregate, for bodily injury, personal injury, and property damage, and a \$2,000,000 completed operations aggregate. The policy must include contractual liability that has not been amended. Any endorsement restricting standard ISO "insured contract" language will not be accepted.

- 2. Automobile liability insurance. CONTRACTOR shall maintain automobile insurance at least as broad as Insurance Services Office form CA 00 01 covering bodily injury and property damage for all activities of the CONTRACTOR arising out of or in connection with Work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles, in an amount not less than \$1,000,000 combined single limit for each accident.
- **3.** Umbrella or excess liability insurance. If CONTRACTOR is using umbrella coverage to meet part of its liability insurance requirements under Paragraph 1 of this Section, CONTRACTOR shall obtain and maintain an umbrella or excess liability insurance that will provide bodily injury, personal injury, completed operations and property damage liability coverage at least as broad as the primary coverages set forth above, including commercial general liability and employer's liability. Such policy or policies shall include the following terms and conditions:
  - A drop down feature requiring the policy to respond in the event that any primary insurance that would otherwise have applied proves to be uncollectable in whole or in part for any reason;
  - Pay on behalf of wording as opposed to reimbursement;
  - Concurrency of effective dates with primary policies;
  - Policies shall "follow form" to the underlying primary policies; and
  - Insureds under primary policies shall also be insureds under the umbrella or excess policies.
- **4. Workers' compensation insurance.** CONTRACTOR shall maintain Workers' Compensation Insurance (Statutory Limits) and Employer's Liability Insurance (with limits of at least \$1,000,000) for CONTRACTOR's employees in accordance with the laws of the State of California, Section 3700 of the Labor Code. In addition, CONTRACTOR shall require each subcontractor to similarly maintain Workers' Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California, Section 3700 for all of the subcontractor's employees.

CONTRACTOR shall submit to CITY, along with the certificate of insurance, a Waiver of Subrogation endorsement in favor of CITY, its officers, agents, employees and volunteers.

**5. Pollution liability insurance.** Environmental Impairment Liability Insurance shall be written on a CONTRACTOR's Pollution Liability form or other form acceptable to CITY providing coverage for liability arising out of sudden, accidental and gradual pollution and remediation. The policy limit shall be no less than \$1,000,000 dollars per claim and in the aggregate. All activities contemplated in this Agreement shall be specifically scheduled on the policy as "covered operations." The policy shall provide coverage for the hauling of waste from the project site to the final disposal location, including non-owned disposal sites.

Products/completed operations coverage shall extend a minimum of three (3) years after project completion. Coverage shall be included on behalf of the insured for covered claims arising out of the actions of independent contractors. If the insured is using subcontractors, the Policy must include work performed "by or on behalf" of the insured. Policy shall contain no language that would invalidate or remove the insurer's duty to defend or indemnify for claims or suits expressly excluded from coverage. Policy shall specifically provide for a duty to defend on the part of the insurer. The CITY, its officials, officers, agents, and employees, shall be included as insureds under the policy.

6. Builder's risk insurance. Upon commencement of construction and with approval of CITY, CONTRACTOR shall obtain and maintain builder's risk insurance for the entire duration of the Project until only the CITY has an insurable interest. The Builder's Risk coverage shall include the coverages as specified below.

The named insureds shall be CONTRACTOR and CITY, including its officers, officials, employees, and agents. All Subcontractors (excluding those solely responsible for design Work) of any tier and suppliers shall be included as additional insureds as their interests may appear. CONTRACTOR shall not be required to maintain property insurance for any portion of the Project following transfer of control thereof to CITY. The policy shall contain a provision that all proceeds from the builder's risk policy shall be made payable to the CITY. The CITY will act as a fiduciary for all other interests in the Project.

Policy shall be provided for replacement value on an "all risk" basis for the completed value of the project. There shall be no coinsurance penalty or provisional limit provision in any such policy. Policy must include: (1) coverage for any ensuing loss from faulty workmanship, Nonconforming Work, omission or deficiency in design or specifications; (2) coverage against machinery accidents and operational testing; (3) coverage for removal of debris, and insuring the buildings, structures, machinery, equipment, materials, facilities, fixtures and all other properties constituting a part of the Project; (4) Ordinance or law coverage for contingent rebuilding, demolition, and increased costs of construction; (5) transit coverage (unless insured by the supplier or receiving contractor), with sub-limits sufficient to insure the full

replacement value of any key equipment item; (6) Ocean marine cargo coverage insuring any Project materials or supplies, if applicable; (7) coverage with sub-limits sufficient to insure the full replacement value of any property or equipment stored either on or off the Site or any staging area. Such insurance shall be on a form acceptable to CITY to ensure adequacy of terms and sublimits and shall be submitted to the CITY prior to commencement of construction.

## **B.** Other provisions or requirements

- 1. **Proof of insurance.** CONTRACTOR shall provide certificates of insurance to CITY as evidence of the insurance coverage required herein, along with a waiver of subrogation endorsement for workers' compensation. Insurance certificates and endorsements must be approved by CITY's risk manager prior to commencement of performance. Current certification of insurance shall be kept on file with CITY at all times during the term of this contract. CITY reserves the right to require complete, certified copies of all required insurance policies, at any time.
- 2. Duration of coverage. CONTRACTOR shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the Work hereunder by CONTRACTOR, his agents, representatives, employees or subcontractors. CONTRACTOR must maintain general liability and umbrella or excess liability insurance for as long as there is a statutory exposure to completed operations claims. CITY and its officers, officials, employees, and agents shall continue as additional insureds under such policies.
- **3. Primary/noncontributing.** Coverage provided by CONTRACTOR shall be primary and any insurance or self-insurance procured or maintained by CITY shall not be required to contribute with it. The limits of insurance required herein may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of CITY before the CITY's own insurance or self-insurance shall be called upon to protect it as a named insured.
- 4. CITY's rights of enforcement. In the event any policy of insurance required under this Agreement does not comply with these requirements or is canceled and not replaced, CITY has the right but not the duty to obtain the insurance it deems necessary and any premium paid by CITY will be promptly reimbursed by CONTRACTOR or CITY will withhold amounts sufficient to pay premium from CONTRACTOR payments. In the alternative, CITY may cancel this Agreement.

- **5.** Acceptable insurers. All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commissioner to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' Rating of A- (or higher) and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the CITY's risk manager.
- 6. Waiver of subrogation. All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against CITY, its elected or appointed officers, agents, officials, employees and volunteers or shall specifically allow CONTRACTOR or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. CONTRACTOR hereby waives its own right of recovery against CITY, and shall require similar written express waivers and insurance clauses from each of its subconsultants.
- **7. Enforcement of contract provisions (non estoppel).** CONTRACTOR acknowledges and agrees that any actual or alleged failure on the part of the CITY to inform CONTRACTOR of non-compliance with any requirement imposes no additional obligations on the CITY nor does it waive any rights hereunder.
- 8. Requirements not limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the CONTRACTOR maintains higher limits than the minimums shown above, the CITY requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the CITY.
- **9.** Notice of cancellation. CONTRACTOR agrees to oblige its insurance agent or broker and insurers to provide to CITY with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.
- **10. Additional insured status.** General liability policies shall provide or be endorsed to provide that CITY and its officers, officials, employees, agents, and volunteers shall be additional insureds under such policies. This provision shall also apply to any excess/umbrella liability policies.

- **11. Prohibition of undisclosed coverage limitations.** None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to CITY and approved of in writing.
- **12. Separation of insureds.** A severability of interests provision must apply for all additional insureds ensuring that CONTRACTOR's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer's limits of liability. The policy(ies) shall not contain any cross-liability exclusions.
- **13. Pass through clause.** CONTRACTOR agrees to ensure that its subconsultants, subcontractors, and any other party involved with the project who is brought onto or involved in the project by CONTRACTOR, provide the same minimum insurance coverage and endorsements required of CONTRACTOR. CONTRACTOR agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. CONTRACTOR agrees that upon request, all agreements with consultants, subcontractors, and others engaged in the project will be submitted to CITY for review.
- 14. CITY's right to revise requirements. The CITY reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the CONTRACTOR a ninety (90) day advance written notice of such change. If such change results in substantial additional cost to the CONTRACTOR, the CITY and CONTRACTOR may renegotiate CONTRACTOR's compensation.
- **15. Self-insured retentions.** Any self-insured retentions must be declared to and approved by CITY. CITY reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible. Self-insurance will not be considered to comply with these specifications unless approved by CITY.
- **16. Timely notice of claims.** CONTRACTOR shall give CITY prompt and timely notice of claims made or suits instituted that arise out of or result from CONTRACTOR's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.
- **17. Additional insurance**. CONTRACTOR shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the Work.

## XI. <u>CONTRACTOR'S LICENSE</u>

CONTRACTOR must possess at the time of commencing work and throughout the Project duration, a Contractor's License, issued by the State of California, which is current and in good standing. CONTRACTOR shall ensure that any subcontractor working on the Project possesses at the time of commencing work and throughout the Project duration, a Contractor's License, issued by the State of California, which is current and in good standing.

#### XII. <u>REGISTRATION REQUIREMENTS</u>

A. Pursuant to Section 1771.1(a) of the Labor Code:

"A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded."

B. CONTRACTOR must be registered with the Department of Industrial Relations (DIR) of the State of California in order to be eligible to work on public works projects. CONTRACTOR must ensure registration with the DIR that is active and in good standing.

C. No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

No contractor or subcontractor may be awarded a contract for public work on a public works project (awarded on or after April 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

D. The CONTRACTOR is not subject to public works requirements (including registration with the DIR) if the public works project is under \$1,000, unless the CITY knows that the same CONTRACTOR will be awarded total project costs in excess of \$1,000 for a given year.

## XIII. CORPORATION IN GOOD STANDING

If CONTRACTOR is a corporation, the undersigned hereby represents and warrants that the corporation is duly incorporated and in good standing in the State of California, and that <u>(Insert Name)</u> whose title is <u>(Insert Title)</u> is authorized to act for and bind the corporation.

#### XIV. PROVISIONS REQUIRED BY LAW

Each and every provision of law and clause required by law to be inserted in this Agreement shall be deemed to be inserted herein and the Agreement shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not currently inserted, then upon application of either party the Agreement shall forthwith be physically amended to make such insertion or correction.

#### XV. <u>SUBSURFACE HAZARDOUS MATERIALS</u>

- A. In the event trenches or other excavations extend deeper than four (4) feet below the surface, the CONTRACTOR shall promptly, and before the following conditions are disturbed, notify the CITY in writing of any:
  - 1. Material that the CONTRACTOR believes may be material that is hazardous waste, as defined in Section 25117 of the Health and Safety Code that is required to be removed to a Class I, Class II or Class III disposal site in accordance with the provisions of existing law.
  - 2. Subsurface or latent physical conditions at the site differing from those indicated.
  - 3. Unknown physical conditions at the site of any unusual nature, different materially from those ordinarily encountered and generally recognized as inherent in the Work or the character provided for in the CONTRACT.
- B. Upon receipt of said notification the CITY will investigate the conditions, and if it finds that the conditions do materially so differ, or do involve hazardous waste, and cause a decrease or increase in the CONTRACTOR's cost of or the time required for performance of any part of the work, the CITY will issue a change order under the procedures described in the General Conditions.
- C. In the event that a dispute arises between the CITY and the CONTRACTOR whether the conditions materially differ, or involve hazardous waste or cause a decrease or increase in the CONTRACTOR's cost of or time required for performance of any part of the work, the CONTRACTOR shall not be excused from any scheduled completion date provided for by the Agreement, but shall proceed with all work to be performed under the Agreement. The CONTRACTOR shall retain any and all rights provided either by Agreement or

by law which pertain to the resolution of disputes and protests between the contracting parties.

#### XVI. <u>COMPONENT PARTS OF THE CONTRACT</u>

This Agreement entered into consists of the following CONTRACT DOCUMENTS, all of which are component parts of the Agreement as if herein set out in full or attached hereto:

| Notice Inviting Bids                | Information Required of Bidder     |

#### INTRODUCTION

The City of Beaumont ("City") requests written proposals for selection of a firm that specializes in audio and video design and installation for use of upgrading the City's Council Chambers and related areas for streaming public meetings to a government access channel.

This project will establish the equipment needed to initiate the City's first streamed meeting to a public access channel. A complete upgrade of audio and visual equipment will be needed for quality streaming.

These upgrades are also needed to enhance the meeting audio quality for the inhouse attendees. Upgrades and enhancement to equipment will encompass the City Council Chambers, "overflow room", and Civic Center hallways.

Firms submitting proposals must be prepared to enter into a contract for work to be provided and must obtain a city business license. Proposals will be accepted until the close of business at **5:00pm on Monday**, **September 2**, **2019**. Please address as follows:

Nicole Wheelwright Deputy City Clerk City of Beaumont 550 E 6<sup>th</sup> Street Beaumont, Ca 92223 **Bid Enclosed** 

#### BACKGROUND

The City of Beaumont Civic Center was originally built in the 1930's as a school building. The building has since been converted from classrooms to offices and now houses City administration offices, Council Chambers, and a large event hall.

The City of Beaumont is establishing the broadcast of a government channel. Upgrades to the current audio and video equipment is needed to be able to provide quality broadcasting.

#### PURPOSE AND SCOPE

The project includes the following locations within the Civic Center building:

- City Council Chambers
- Overflow Room (Room 2)
- Event Hall (Gymnasium)

The purpose for the audio and video upgrades will establish the equipment needed for

quality video to begin the City's first government access channel streaming. Channels have been established with Frontier, a cable company, and will be a major enhancement to the communication of information to the City's residents. The vision for the Civic Center audio and video enhancements will create a more welcoming space for the public to view meetings in person as well as the availability of streaming the government access channel with in the high traffic hallway of the Civic Center building.

This project will encompass two phases to ensure continuity of City meetings. The specific details of both phases are as follows:

#### <u>PHASE 1</u>

Establishing a mobile "kit" for use of audio and video recording of a meeting outside of the Council Chambers. This "kit" will be utilized immediately to conduct and record meetings in an alternate room while renovations take place in the Council Chambers. Current equipment may be utilized for this kit if possible. Phase 1 <u>must</u> be completed by October 31, 2019.

#### Tasks

Design and establish a mobile kit to utilize in the gymnasium for public meetings during renovation and any future largely attended meetings. Kit to include but not limited to:

Cameras (use of current cameras may be possible) Tripods Audio Equipment and compatible microphones 1 Projector for use in Room 2 1 High Lumen Projector for use in Gymnasium

# PHASE 2:

For purpose of conveying the project as a whole, the renovations to the Council Chambers, Overflow Room, and hallway of Civic Center will involve construction of an A/V monitoring room that will house server equipment and tech(s) for streaming of the meetings, a raising and replacement of the existing T-bar style ceiling and replacement of all current furniture. These tasks will be performed by an outside contractor but are noted here for purpose of clarity and logistical planning.

#### Tasks

Design and install a functional Audio/Video system to encompass all equipment needed for the dais and adjacent staff desks for purpose of conducting meetings, streaming audio and video to the Overflow Room and Civic Center hallway and cable broadcast. Dais and adjacent staff desks consist of 5 dais seats, 9 staff seats, and 1 public podium. Functions of this system shall include:

- 14 mounted gooseneck microphones with a mute/unmute switch capability at the base, as well as mute/unmute control from the A/V tech room. Installation of required wiring for such in coordination with the general contractor.
- 13 touch screen convertible laptops (may use 10 current Dell Inspirion 15 5000

series).

- 1 mounted monitor for display and presentation control feed in addition to a touch screen desktop computer at the Deputy City Clerk's desk space.
- 1 touch screen convertible laptop or touch screen monitor for use at the podium for key speakers with presentations.
- 4 Cameras with tilt, zoom and pan capabilities to capture the dais, staff, and speaker podium.
- Speakers for Council Chambers, Overflow Room and Hallway.
- Large monitor for in-house attendees to view agenda and presentations in the Council Chambers.
- Monitor for the use of Council to view agenda and presentation. (existing tv's may be used).
- Monitor for the use of live stream for in-house attendees to view meeting in the hallway and for constant streaming of government access channel during the day.
- Live feed to connect to an existing tv cart in Overflow Room.
- Option of replacement of all laptops for touch screen monitors with multiple input capability.

#### MANDATORY PRE-BID WALK-THROUGH

A mandatory walk-through of the Council Chambers is required prior to submission of bid and is scheduled for **Monday**, **August 19**, **2019 with two time options**, **11:00 a.m. and 4:00 p.m.** This walk-through will give the opportunity to evaluate the current equipment and configuration of the Council Chambers and take measurements as needed.

#### PROPOSAL REQUIREMENTS

The proposal shall clearly address all of the information requested herein. To achieve a uniform review process and obtain the maximum degree of comparability, it is required that proposals be organized and contain all information as specified below.

- A. **Cover Letter:** Executive Summary which shall include an understanding of the scope of services. The cover letter must be signed by an official authorized to bind the consultant contractually and shall also provide the name, title, address, and telephone number of individuals with the authority to negotiate and contractually bind the consultant. The cover letter constitutes certification by the consultant, under penalty of perjury, that the consultant complies with nondiscrimination requirements of the State and Federal Government. An unsigned proposal or one signed by an individual unauthorized to bind the consultant may be rejected.
- B. Introduction/Information: Provide a description of the firm, including number of professional personnel, years in business, office location(s), organizational structure (e.g., corporation, partnership, sole practitioner, etc.), areas of particular expertise, etc. Description of the consulting firm's past and current experience with cities and counties; governmental regions, special districts, agencies, or similar entities; and/or major residential, economic, commercial, entertainment or historic development centers.
  - 1) Describe the consultant team and identify the specific personnel that will be assigned to the project and their roles, qualifications and relevant experience on projects within the past two (2) years.
  - 2) Identify the supervisory and management staff.
  - 3) Identify and describe the roles of any sub-contractors and provide relevant qualifications and experience for projects within the past two (2) years. Indicate how the quality of staff over the term of the agreement will be assured.
- C. **References:** Provide at least three (3) previous audio/visual design work of similar capacities.
- D. **Scope of Services:** Provide a description of the tasks, sub-tasks, and deliverables that will be provided. The Scope of Work should be presented in a logical format that can be easily attached to the final Agreement.
  - i) Project Schedule: Provide a comprehensive schedule describing the nature and estimated time line of proposed work objectives and milestones. Due to time constraints of this project, it is required that work **shall** commence no later than 30 days of award of contract. City Council is scheduled to award contracts on September 17, 2019.
- E. Cost Proposal: Provide detailed cost of services overview to include:
  - 1) Fixed prices for all costs associated within the scope of this proposal
  - 2) Detailed hourly rates of all members of the project
  - 3) Additional billable costs for non-specified tasks
  - 4) Total fees and expenses for the entire scope of the project
  - 5) Any area which proposers believe should be included in the scope of work in this proposal, but which is not stipulated in this RFP, and identifies the costs associated with the services rendered

F. The firm will be required to have professional liability insurance including liability at a minimum of one million per occurrence, worker's compensation, and vehicle coverage including comprehensive and collision insurance naming the City of Beaumont as additional insured. The proposal shall state whether such insurances will be in force at time of contract execution.

The City reserves the right to amend the RFP by addendum prior to the final proposal submittal date.

#### CONFLICT OF INTEREST

The Consultant shall disclose any personal or professional financial, business, or other relationships with the City that may have an impact on the outcome of this contract or any resulting project. The consultant shall also list current clients who may have a financial interest in the outcome of this contract.

#### **CITY OF BEAUMONT RIGHTS AND OPTIONS**

This RFP does not commit the City of Beaumont to award a contract, to pay any cost incurred with the preparation of a proposal or contract for services described herein. The City may, in its sole discretion and without any obligation to act reasonably, reject any and all proposals, waive informalities and minor irregularities in any proposal reviewed, negotiate with any qualified source submitting a proposal, extend deadlines, and/or request additional information. Subsequent to negotiations, prospective consultants may be required to submit revisions to their proposals. The City may reject any proposal that does not conform to the instructions provided in this RFP.

Additionally, the City reserves the right to negotiate all final terms and conditions of any proposal received before entering into final contract.

The City reserves the right to postpone selection for its own convenience, to withdraw this RFP at any time, and to reject any and all proposals without indicating any reason for such rejection. As a function of the RFP process, the City of Beaumont reserves the

right to remedy technical errors in response to the RFP and to modify the published scope of services and scope of work. The City of Beaumont will reserve the right to request that specific personnel with specific expertise be added to the team if the City determines that specific expertise is lacking in the project team. Proposals submitted in response to the RFP will not be returned.

#### CITY OF BEAUMONT PUBLIC WORKS AGREEMENT (NAME OF CONTRACTOR)

# I. <u>SCOPE OF WORK</u>

The CONTRACTOR shall perform within the time set forth in Article 2 of this Agreement and shall furnish all labor, materials, equipment, tools, utility services, and transportation and perform and complete all work required in connection with the <u>(DESCRIPTION OF PROJECT</u>) Project (hereinafter "Project"). CITY's Invitation for Bids ("Invitation") for the Project, dated <u>, 2017</u>, and CONTRACTOR's Bid in response to the Invitation, dated <u>, 2017</u>, are attached hereto as Exhibits :A" and "B", respectively and incorporated herein by this reference. The Scope of Work for the Project is set forth in the Invitation.

By entering into this Agreement, CONTRACTOR acknowledges that there may be other contractors on the site whose work will be coordinated with that of its own. CONTRACTOR expressly warrants and agrees that it will cooperate with other contractors and will do nothing to delay, hinder, or interfere with the work of other separate contractors, the CITY, the Construction Manager, the Engineer, or utilities. CONTRACTOR also expressly agrees that, in the event its work is hindered, delayed, interfered with, or otherwise affected by a separate contractor, its sole remedy will be a direct action against the separate contractor. To the extent allowed by law, the CONTRACTOR will have no remedy, and hereby expressly waives any remedy against the CITY, the Construction Manager (if any), and the Engineer on account of delay, hindrance, interference or other events.

# II. <u>TIME FOR PROJECT COMPLETION</u>

All of CONTRACTOR's work on the Project shall be completed within durations established for the individual activities as set forth in the Project Construction Schedule, attached hereto as Exhibit "C" and incorporated herein by this reference. All work shall commence ten (10) calendar days after receiving a written Notice of Award from the CITY or Construction Manager, if a Construction Manager is employed by CITY on the Project. CONTRACTOR shall refer to the invitations for bids, and Project Plans and Specifications, all of which, as set forth below, are incorporated herein by reference, for contractual obligations regarding individual activity durations.

#### III. <u>THE CONTRACT SUM</u>

The CITY shall pay to the CONTRACTOR for the performance of this Agreement, subject to any additions and deductions provided in the Project documents, the sum of \$\_\_\_\_\_.

#### IV. <u>PROGRESS PAYMENTS</u>

Based upon Applications for Payment submitted to the Engineer by the CONTRACTOR and Certificates for Payment issued by the Engineer, the CITY shall make progress payments on account of the Contract Sum to the CONTRACTOR as provided in the General Conditions, which are fully incorporated into this Agreement by this reference.

This Agreement is subject to the provisions of Article 1.7 (commencing at Section 20104.50) of Division 2, Part 3 of the Public Contract Code regarding prompt payment of contractors by local governments. Article 1.7 mandates certain procedures for the payment of undisputed and properly submitted payment requests within 30 days after receipt, for the review of payment requests, for notice to Contractor of improper payment requests, and provides for the payment of interest on progress payment requests which are not timely made in accordance with that Article. This Agreement hereby incorporates the provisions of Article 1.7 as though fully set forth herein.

### V. INDEMNITY, DEFENSE AND HOLD HARMLESS AGREEMENT

CONTRACTOR shall indemnify, defend with legal counsel approved by CITY, and hold harmless CITY, its officers, officials, employees and volunteers from and against all liability, loss, damage, expense, cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with CONTRACTOR's negligence, recklessness or willful misconduct in the performance of work hereunder or its failure to comply with any of its obligations contained in this Agreement, except such loss or damage which is caused by the sole or active negligence or willful misconduct of the CITY. Should conflict of interest principles preclude a single legal counsel from representing both CITY and CONTRACTOR, or should CITY otherwise find CONTRACTOR's legal counsel unacceptable, then CONTRACTOR shall reimburse the CITY its costs of defense, including without limitation reasonable legal counsels fees, expert fees and all other costs and fees of litigation. The CONTRACTOR shall promptly pay any final judgment rendered against the CITY (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the CONTRACTOR's negligent, reckless or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

CONTRACTOR obligations under this section apply regardless of whether or not such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by an Indemnitee. However, without affecting the rights of CITY under any provision of this agreement, CONTRACTOR shall not be required to indemnify and hold harmless CITY for liability attributable to the active negligence of CITY, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where CITY is shown to have been actively negligent and where CITY active negligence accounts for only a percentage of the liability involved, the obligation of CONTRACTOR will be for that entire portion or percentage of liability not attributable to the active negligence of CITY.

# VI. <u>PREVAILING WAGES</u>

- A. Contractor shall comply with all applicable laws and regulations relating to prevailing wages. Wage rates for this Project shall be in accordance with the "General Wage Determination Made By the Director of Industrial Relations Pursuant To California Labor Code, Part 7, Chapter 1, Article 2, Sections 1770, 1773 and 1773.1", for Riverside County. Wage rates shall conform with those posted at Beaumont City Hall and the Project site.
- B. The following Labor Code sections are hereby referenced and made a part of this Agreement:
  - 1. Section 1775 Penalty for Failure to Comply with Prevailing Wage Rates.
  - 2. Section 1777.4 Apprenticeship Requirements.
  - 3. Section 1777.5 Apprenticeship Requirements.
  - 4. Section 1813 Penalty for Failure to Pay Overtime.
  - 5. Sections 1810 and 1811 Working Hour Restrictions.
  - 6. Section 1775 Payroll Records.
  - 7. Section 1773.8 Travel and Subsistence Pay.

# VII. <u>RECORD AUDIT</u>

In accordance with Government Code, Section 8546.7, records of both the CITY and the CONTRACTOR shall be subject to examination and audit by the Auditor General for a period of three (3) years after final payment.

# VIII. FINAL PAYMENT

Final payment, constituting the entire unpaid balance of the Agreement Sum, shall be paid by the CITY to the CONTRACTOR no sooner than thirty-five (35) days after a Notice of Completion has been recorded, unless otherwise stipulated in the Notice of Completion, provided the work has then been completed, the Agreement fully performed, and a final Certificate for Payment has been issued by the Engineer.

#### IX. <u>CONTRACTOR'S FAILURE TO PROCURE COMPLETION OF PROJECT</u>

In the event CONTRACTOR fails to furnish tools, equipment, or labor in the necessary quantity or quality, or fails to prosecute the work or any part thereof contemplated by this Agreement in a diligent and workmanlike manner, and if the CONTRACTOR for a period of three (3) calendar days after receipt of written demand from CITY or its designated representative to do so, fails to furnish tools, equipment, or labor in the necessary quantity or quality, and to prosecute its work and all parts thereof in a diligent and workmanlike manner, or after commencing to do so within said three (3) calendar days, fails to continue to do so; then the CITY may exclude the CONTRACTOR from the premises, or any portion thereof, and take possession of said premises or any portion thereof, together with all material and equipment thereon, and may complete the work contemplated by this Agreement or any portion of said work, either by furnishing the tools, equipment, labor or material necessary, or by letting the unfinished portion of said work, or the portion taken over by the CITY to another contractor or by a combination of such methods. In any event, the procuring of the completion of said work, or the portion thereof taken over by the CITY, shall be a charge against the CONTRACTOR, and may be deducted from any money due or becoming due to CONTRACTOR from the CITY, or the CONTRACTOR shall pay the CITY the amount of said charge, or the portion thereof unsatisfied. The sureties, provided for under this Agreement shall become liable for payment should CONTRACTOR fail to pay in full any said cost incurred by the CITY.

#### X. INSURANCE

Prior to the beginning of and throughout the duration of the Project, CONTRACTOR and its subcontractors shall maintain insurance in conformance with the requirements set forth below. CONTRACTOR will use existing coverage to comply with these requirements. If that existing coverage does not meet the requirements set forth herein, CONTRACTOR agrees to amend, supplement or endorse the existing coverage to do so.

CONTRACTOR acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amount of coverage required. Any insurance proceeds available to CONTRACTOR or its subcontractors in excess of the limits and coverage identified in this Agreement and which is applicable to a given loss, claim or demand, will be equally available to CITY.

#### A. Types of Insurance

Without limiting CONTRACTOR's indemnification of CITY, and prior to commencement of Work, CONTRACTOR shall obtain, provide and maintain at its own expense during the term of this Agreement, policies of insurance of the type and amounts described below and in a form satisfactory to CITY:

**1. General liability insurance.** CONTRACTOR shall maintain commercial general liability insurance with coverage at least as broad as Insurance Services Office form CG 00 01, in an amount not less than \$1,000,000 per occurrence,

\$2,000,000 general aggregate, for bodily injury, personal injury, and property damage, and a \$2,000,000 completed operations aggregate. The policy must include contractual liability that has not been amended. Any endorsement restricting standard ISO "insured contract" language will not be accepted.

- 2. Automobile liability insurance. CONTRACTOR shall maintain automobile insurance at least as broad as Insurance Services Office form CA 00 01 covering bodily injury and property damage for all activities of the CONTRACTOR arising out of or in connection with Work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles, in an amount not less than \$1,000,000 combined single limit for each accident.
- **3.** Umbrella or excess liability insurance. If CONTRACTOR is using umbrella coverage to meet part of its liability insurance requirements under Paragraph 1 of this Section, CONTRACTOR shall obtain and maintain an umbrella or excess liability insurance that will provide bodily injury, personal injury, completed operations and property damage liability coverage at least as broad as the primary coverages set forth above, including commercial general liability and employer's liability. Such policy or policies shall include the following terms and conditions:
  - A drop down feature requiring the policy to respond in the event that any primary insurance that would otherwise have applied proves to be uncollectable in whole or in part for any reason;
  - Pay on behalf of wording as opposed to reimbursement;
  - Concurrency of effective dates with primary policies;
  - Policies shall "follow form" to the underlying primary policies; and
  - Insureds under primary policies shall also be insureds under the umbrella or excess policies.
- 4. Workers' compensation insurance. CONTRACTOR shall maintain Workers' Compensation Insurance (Statutory Limits) and Employer's Liability Insurance (with limits of at least \$1,000,000) for CONTRACTOR's employees in accordance with the laws of the State of California, Section 3700 of the Labor Code. In addition, CONTRACTOR shall require each subcontractor to similarly maintain Workers' Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California, Section 3700 for all of the subcontractor's employees.

CONTRACTOR shall submit to CITY, along with the certificate of insurance, a Waiver of Subrogation endorsement in favor of CITY, its officers, agents, employees and volunteers.

**5. Pollution liability insurance.** Environmental Impairment Liability Insurance shall be written on a CONTRACTOR's Pollution Liability form or other form

acceptable to CITY providing coverage for liability arising out of sudden, accidental and gradual pollution and remediation. The policy limit shall be no less than \$1,000,000 dollars per claim and in the aggregate. All activities contemplated in this Agreement shall be specifically scheduled on the policy as "covered operations." The policy shall provide coverage for the hauling of waste from the project site to the final disposal location, including non-owned disposal sites.

Products/completed operations coverage shall extend a minimum of three (3) years after project completion. Coverage shall be included on behalf of the insured for covered claims arising out of the actions of independent contractors. If the insured is using subcontractors, the Policy must include work performed "by or on behalf" of the insured. Policy shall contain no language that would invalidate or remove the insurer's duty to defend or indemnify for claims or suits expressly excluded from coverage. Policy shall specifically provide for a duty to defend on the part of the insurer. The CITY, its officials, officers, agents, and employees, shall be included as insureds under the policy.

6. Builder's risk insurance. Upon commencement of construction and with approval of CITY, CONTRACTOR shall obtain and maintain builder's risk insurance for the entire duration of the Project until only the CITY has an insurable interest. The Builder's Risk coverage shall include the coverages as specified below.

The named insureds shall be CONTRACTOR and CITY, including its officers, officials, employees, and agents. All Subcontractors (excluding those solely responsible for design Work) of any tier and suppliers shall be included as additional insureds as their interests may appear. CONTRACTOR shall not be required to maintain property insurance for any portion of the Project following transfer of control thereof to CITY. The policy shall contain a provision that all proceeds from the builder's risk policy shall be made payable to the CITY. The CITY will act as a fiduciary for all other interests in the Project.

Policy shall be provided for replacement value on an "all risk" basis for the completed value of the project. There shall be no coinsurance penalty or provisional limit provision in any such policy. Policy must include: (1) coverage for any ensuing loss from faulty workmanship, Nonconforming Work, omission or deficiency in design or specifications; (2) coverage against machinery accidents and operational testing; (3) coverage for removal of debris, and insuring the buildings, structures, machinery, equipment, materials, facilities, fixtures and all other properties constituting a part of the Project; (4) Ordinance or law coverage for contingent rebuilding, demolition, and increased costs of construction; (5) transit coverage (unless insured by the supplier or receiving contractor), with sub-limits sufficient to insure the full replacement value of any key equipment item; (6) Ocean marine cargo coverage insuring any Project materials or supplies, if applicable; (7) coverage with sub-limits sufficient to insure the full replacement value of any property or equipment

stored either on or off the Site or any staging area. Such insurance shall be on a form acceptable to CITY to ensure adequacy of terms and sublimits and shall be submitted to the CITY prior to commencement of construction.

#### **B.** Other provisions or requirements

- 1. **Proof of insurance.** CONTRACTOR shall provide certificates of insurance to CITY as evidence of the insurance coverage required herein, along with a waiver of subrogation endorsement for workers' compensation. Insurance certificates and endorsements must be approved by CITY's risk manager prior to commencement of performance. Current certification of insurance shall be kept on file with CITY at all times during the term of this contract. CITY reserves the right to require complete, certified copies of all required insurance policies, at any time.
- 2. Duration of coverage. CONTRACTOR shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the Work hereunder by CONTRACTOR, his agents, representatives, employees or subcontractors. CONTRACTOR must maintain general liability and umbrella or excess liability insurance for as long as there is a statutory exposure to completed operations claims. CITY and its officers, officials, employees, and agents shall continue as additional insureds under such policies.
- **3. Primary/noncontributing.** Coverage provided by CONTRACTOR shall be primary and any insurance or self-insurance procured or maintained by CITY shall not be required to contribute with it. The limits of insurance required herein may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of CITY before the CITY's own insurance or self-insurance shall be called upon to protect it as a named insured.
- 4. CITY's rights of enforcement. In the event any policy of insurance required under this Agreement does not comply with these requirements or is canceled and not replaced, CITY has the right but not the duty to obtain the insurance it deems necessary and any premium paid by CITY will be promptly reimbursed by CONTRACTOR or CITY will withhold amounts sufficient to pay premium from CONTRACTOR payments. In the alternative, CITY may cancel this Agreement.
- **5.** Acceptable insurers. All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commissioner to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' Rating of A- (or higher)

and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the CITY's risk manager.

- 6. Waiver of subrogation. All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against CITY, its elected or appointed officers, agents, officials, employees and volunteers or shall specifically allow CONTRACTOR or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. CONTRACTOR hereby waives its own right of recovery against CITY, and shall require similar written express waivers and insurance clauses from each of its subconsultants.
- **7. Enforcement of contract provisions (non estoppel).** CONTRACTOR acknowledges and agrees that any actual or alleged failure on the part of the CITY to inform CONTRACTOR of non-compliance with any requirement imposes no additional obligations on the CITY nor does it waive any rights hereunder.
- 8. Requirements not limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the CONTRACTOR maintains higher limits than the minimums shown above, the CITY requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the CITY.
- **9.** Notice of cancellation. CONTRACTOR agrees to oblige its insurance agent or broker and insurers to provide to CITY with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.
- **10. Additional insured status**. General liability policies shall provide or be endorsed to provide that CITY and its officers, officials, employees, agents, and volunteers shall be additional insureds under such policies. This provision shall also apply to any excess/umbrella liability policies.
- **11. Prohibition of undisclosed coverage limitations.** None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to CITY and approved of in writing.

- **12. Separation of insureds.** A severability of interests provision must apply for all additional insureds ensuring that CONTRACTOR's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer's limits of liability. The policy(ies) shall not contain any cross-liability exclusions.
- **13. Pass through clause.** CONTRACTOR agrees to ensure that its subconsultants, subcontractors, and any other party involved with the project who is brought onto or involved in the project by CONTRACTOR, provide the same minimum insurance coverage and endorsements required of CONTRACTOR. CONTRACTOR agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. CONTRACTOR agrees that upon request, all agreements with consultants, subcontractors, and others engaged in the project will be submitted to CITY for review.
- 14. CITY's right to revise requirements. The CITY reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the CONTRACTOR a ninety (90) day advance written notice of such change. If such change results in substantial additional cost to the CONTRACTOR, the CITY and CONTRACTOR may renegotiate CONTRACTOR's compensation.
- **15. Self-insured retentions.** Any self-insured retentions must be declared to and approved by CITY. CITY reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible. Self-insurance will not be considered to comply with these specifications unless approved by CITY.
- **16. Timely notice of claims.** CONTRACTOR shall give CITY prompt and timely notice of claims made or suits instituted that arise out of or result from CONTRACTOR's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.
- **17. Additional insurance**. CONTRACTOR shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the Work.

# XI. <u>CONTRACTOR'S LICENSE</u>

CONTRACTOR must possess at the time of commencing work and throughout the Project duration, a Contractor's License, issued by the State of California, which is current and in good standing. CONTRACTOR shall ensure that any subcontractor working on the Project possesses at the time of commencing work and throughout the Project duration, a Contractor's License, issued by the State of California, which is current and in good standing.

#### XII. <u>REGISTRATION REQUIREMENTS</u>

A. Pursuant to Section 1771.1(a) of the Labor Code:

"A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded."

B. CONTRACTOR must be registered with the Department of Industrial Relations (DIR) of the State of California in order to be eligible to work on public works projects. CONTRACTOR must ensure registration with the DIR that is active and in good standing.

C. No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

No contractor or subcontractor may be awarded a contract for public work on a public works project (awarded on or after April 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

D. The CONTRACTOR is not subject to public works requirements (including registration with the DIR) if the public works project is under \$1,000, unless the CITY knows that the same CONTRACTOR will be awarded total project costs in excess of \$1,000 for a given year.

#### XIII. CORPORATION IN GOOD STANDING

If CONTRACTOR is a corporation, the undersigned hereby represents and warrants that the corporation is duly incorporated and in good standing in the State of California, and that <u>(Insert Name)</u> whose title is <u>(Insert Title)</u> is authorized to act for and bind the corporation.

#### XIV. PROVISIONS REQUIRED BY LAW

Each and every provision of law and clause required by law to be inserted in this Agreement shall be deemed to be inserted herein and the Agreement shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not currently inserted, then upon application of either party the Agreement shall forthwith be physically amended to make such insertion or correction.

#### XV. <u>SUBSURFACE HAZARDOUS MATERIALS</u>

- A. In the event trenches or other excavations extend deeper than four (4) feet below the surface, the CONTRACTOR shall promptly, and before the following conditions are disturbed, notify the CITY in writing of any:
  - 1. Material that the CONTRACTOR believes may be material that is hazardous waste, as defined in Section 25117 of the Health and Safety Code that is required to be removed to a Class I, Class II or Class III disposal site in accordance with the provisions of existing law.
  - 2. Subsurface or latent physical conditions at the site differing from those indicated.
  - 3. Unknown physical conditions at the site of any unusual nature, different materially from those ordinarily encountered and generally recognized as inherent in the Work or the character provided for in the CONTRACT.
- B. Upon receipt of said notification the CITY will investigate the conditions, and if it finds that the conditions do materially so differ, or do involve hazardous waste, and cause a decrease or increase in the CONTRACTOR's cost of or the time required for performance of any part of the work, the CITY will issue a change order under the procedures described in the General Conditions.
- C. In the event that a dispute arises between the CITY and the CONTRACTOR whether the conditions materially differ, or involve hazardous waste or cause a decrease or increase in the CONTRACTOR's cost of or time required for performance of any part of the work, the CONTRACTOR shall not be excused from any scheduled completion date provided for by the Agreement, but shall proceed with all work to be performed under the Agreement. The CONTRACTOR shall retain any and all rights provided either by Agreement or by law which pertain to the resolution of disputes and protests between the contracting parties.

## XVI. <u>COMPONENT PARTS OF THE CONTRACT</u>

### COVER LETTER

Hi Nicole and City of Beaumont,

It was great to meet you! Thank you for the opportunity to submit this proposal for your Request to Upgrade the Civic Center Audio Visual Systems. After seeing your site, I have come up with a design that will provide you with the means to operate, record, and live stream your council meetings with the utmost ease and professionalism. In the following pages, you shall find our Proposed Scope of Work along with a few options for changes to allow some flexibility on budgeting, if need be. Listed below is a brief overview of the understanding of the scope of work.

#### PHASE I

We understand that minimizing downtime is a high priority so we would like to provide a mobile system capable of holding, recording, and streaming council meetings that can be utilized throughout the building in a "mobile fashion". We also propose to have on site technicians available for you during 8 council meetings to ensure your meetings run flawlessly during construction.

#### BOARDROOM

We want to provide you with a professional system in which the audio, video, and control system can work together in order to allow for an operator to effortlessly provide end users with the ability to display presentations form various sources for council review. We also submit to provide you with a 5-zone audio system to allow for the utmost clarity in vocals both for audience members and overflow members to receive messaging.

#### ROOM 2/HALLWAY/GYMNASIUM

Working as an overflow room as well as a stand alone room, we offer to provide a system in which audio and video can be routed from the main boardroom to these overflow rooms in order to provide the most flexibility and maximize your purchasing power. Integrating all rooms together enables us to design a system in which you would not be required to purchase "multiple independent systems", thus ultimately keeping the budget lower.

#### SUMMARY

We trust that this proposal answers all your needs. We understand that AV systems can be made of complex dials and knobs and plugs... and...and...(dot dot dot) - We strive to provide our customers with a high tech system integrated so that you may easily utilize your spaces on a daily basis. Please let us know if there are any questions I can answer, or if you would like to make a time together to go over this proposal in more detail. We can make adjustments to the features, design, and components until it meets your needs.

Regards,

Enko Systems, Inc 1001 S Arrowhead Ave San Bernardino, CA 92408 (909) 885-7771

## About Us

For over 35 years Enko Systems has provided Audio/Video, Fire Alarm, Data, Security, Access Control, Theatrical Lighting and Control Systems to clients throughout the Inland Empire and Surrounding Cities. As a true integration firm, we have prided ourselves on making your systems work FOR you.

## Our History

Enko Systems was founded in 1981 through a love of electronics. Originally, Enko Systems primarily focused on voice and POTS solutions and quickly transitioned into Fire alarm systems. After operating for a few years within the realm of Fire Alarms, Enko Systems decided to make the jump into being a fullfledged low voltage systems contractor.

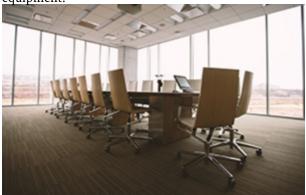

## **Our Services**

We aim to be a one-stop-shop for all your Low Voltage and Integration needs, from Fire Alarm, Data, Security, Access Control, Audio/Video, Theatrical Lighting and Integration. We have a full design team, as well as fabrication shops to keep your project inhouse from paper to commissioning. We also have a full service and testing team to make sure your systems continue to run at peak performance.

## Our Team

With over 45 employees across 6 different divisions of Low Voltage, our team consists of some of the most versatile technicians in the industry. With multiple certifications in all facets of the Low Voltage trade, our company is constantly staying up-to-date with the most recent knowledge bases available to us via our relationship with over 200 manufacturers of equipment.

## Our Goal

Enko Systems strives to build personal relationships with each one of its customers. Sometimes, the corporate world can be a struggle to work with and every decision may seem like it would require many hoops to jump through. Enko systems has always had the philosophy of "Small But Mighty". We work hard to make sure you get to know Enko Systems as an extension of your "business family".

## Agenda Item No. 11. Enko Systems, Inc

For over 35 years Enko Systems, Inc has provided Audio, Video, Theatrical Lighting and Control Systems to clients throughout the Inland Empire and Surrounding Areas. With countless system designs and installations like the ones below, you know you can count on us to bring your project to life.

Let us help you create a technical experience that your clients will remember for years to come.

#### Riverside County Emergency Operations Center

Indio, CA

Dubbed the East County Emergency Operations Center, this site serves as a command center for Riverside County. Boasting a 16-panel matrix video wall, the site is fully automated and controlled via Crestron to enable simple control of more than 32 news sources to display to the EOC team. Our team was interviewed and featured in Sound and Communication Magazine, April 2019 for the installation of this project.

SBCUSD Professional Development Center

San Bernardino, CA

Built with flexibility in mind, this training facility utilizes 3 large meeting rooms, each complete with 5 displays as well as projector lifts and motorized screens, to allow for multiple room configurations. Sensors and programming allow for the AV system to work whether the rooms are separated or combined. Each room also has a PTZ camera that feeds to a Master Control room to allow an operator to independently monitor and control each room's Audio and Video system.

#### Inland Regional Center, Boardroom

San Bernardino, CA

Tailoring to our client's request for minimized distraction and maximized efficiency during council meetings, Enko Systems provided IRC with an AV System capable of mic muting, Request to Speak, timer expiration muting, and master control via Crestron touchpanels and processing to allow for clear and structured council meetings. The room also consisted of 12 microphones and 3 speaker zones to allow for clarity and comprehension in all audience areas.

#### **SBCUSD Board of Education (In Progress)**

San Bernardino, CA

Featuring the largest Council Room AV System Enko Systems has had the pleasure of building, the SBCUSD BoE Building will contain a Dais with seating for 25, all with independent microphones, control touchpanels, video inputs and outputs, as well as a Master Control system to manage all AV material. Complete with 4 PTZ cameras and recorders/streaming devices, the SBCUSD will be able to record and stream a multicamera production to its local viewers within the building as well as its remote viewers via streaming services. This facility features 4 LED TV's and 1 Projection screen along with cameras and control systems for easy operation. Complete Audio and Video Upgrade for the City of Beaumont Civic Center and Council Chambers.

The scope of this proposal is to provide the following system capabilities including all necessary equipment, installation, wiring, terminations, testing, programming, configuring/tuning, and training. All systems and scopes specified shall be complete with new equipment unless otherwise specifically stated within the scope of service. All work shall commence no later than 30 days after contract award. Phase I "Mobile Flypack" shall be complete and operational no later than October 29th, 2019. Phase II shall be complete no later than 60 days after completion of all millwork, framing, and finish work that shall be provided by others.

#### Mobile Kit

-Provide a mobile operating broadcast solution ("Flypack") to allow for recording and broadcasting of a board meeting or similar function utilizing (2) Owner Furnished Blackmagic Pocket Cinema Cameras, (1) Owner Furnished Blackmagic ATEM Studio Switcher, and all necessary equipment and accessories provided by Enko Systems. Flypack to provide ability of a two-camera, two microphone video shoot with recording to a Black Magic Recorder. The Flypack shall include the ability to livestream to a network service, as well as record via SD card and uploaded to customer provided broadcast service platform at a later time. Live Video from Flypack shall have the ability to be sent to local room displays (Room 2 and Gymnasium). Enko Systems shall provide an 8000-lumens projector in Gymnasium with video capability to accept Flypack video feed as well as Boardroom video feeds once Phase II construction is completed.

-Provide on-site technician for up to eight (8) board meetings (max 3 hour session) to assist with setup/operation/strike/configuration of any temporary AV equipment necessary for council meeting recording and streaming during the construction phase.

#### Audio

-Provide a microphone package complete with 16 microphones, 15 of which to be used for the Dais, Staff Members, and Lectern positions, and 1 of which to be a wireless "roving" microphone for general use.

-Provide a Head End Audio/Control System with a control processors and equipment to control (5) Zones of Audio (Dais Seating Area, Audio Booth, Hallway Overflow, and "Room 2" Overflow). Control System shall allow for ease of use for an operator to control mic mutes and volumes, speaker zone mutes and levels, and request to speak controls. Enko Systems shall provide all equipment necessary to provide an assistive listening system as required by the American Disabilities Act within the State of California.

#### Video

-Provide a Video System with the ability for users to connect an HDMI capable source at (7) locations - three (3) of which to be at the Dais/Staff seating area, one (1) of which to be at the Deputy Clerk seating location, one (1) of which to be at the lectern, one (1) of which to be in "Room 2" and one (1) of which to be in the Gymnasium. Video System shall include HDMI video outputs at eight (8) locations - four of which to be located at the four (4) Boardroom Displays (1 output at each display), one (1) location at the Gymnasium projector, one (1) located in "Room 2" for use with overflow displays/mobile cart, one (1) to be located at the Hallway Display location, one (1) to be located at the Deputy Clerk monitor location (Monitor provided by Enko Systems), and one (1) to be located at the Deputy Clerk seat location to display on an Enko Systems provided monitor.

-Move four (4) existing Boardroom displays to and provide necessary hardware to mount in locations according to Bidset floorplans. Final location to be determined and coordinated with other trades and construction restrictions and shall be agreed upon by City and Enko Systems prior to installation.

-Provide one (1) 55" Display in the Hallway, with necessary mounting hardware to mount to ceiling, to allow for viewing of Boardroom video content.

-As stated above, provide one (1) 8000-lumens projector in Gymnasium, mounted to building ceiling/support structure. Projector shall have ability to display any of the following sources: local Gymnasium wall input (Flypack or laptop input), any of the Dais/Staff/Lectern laptop inputs, or the Master output of the production switcher.

-Provide four (4) PTZ cameras in the Boardroom, in locations sufficient to provide adequate coverage of all presentation/focal point locations including all Dais/Staff seating areas, lectern area, and whiteboard areas. These four cameras shall have PTZ controls from a single joystick/control surface in the Control Booth for ease of use.

-Provide a multiformat presentation switcher and recorder capable of live switching and recording the four above mentioned PTZ cameras and the various presentation inputs such as Powerpoints and video material generated form a customer supplied/user laptop. City shall have ability to record to SD card for post production use or upload to City servers and service platforms.

-Provide (4) Dell Inspiron 15 5000 convertible laptops - three (3) of which to be located at Dais/Staff seating area and one (1) of which to be located at lectern. Devices shall be provided in a flat "out of the box" configuration and will require City configurations of security and network processes and protocols

-Closed captioning capabilities, hardware, and software shall be excluded from the scope and shall be provided by others. Enko Systems recommends the use of YouTube's automatic speech to text captioning abilities for LiveStream caption options as well as YouTube's ability for SRT file uploads given the City's mention of using YouTube as a streaming platform.

#### Lighting

-Provide a lighting system that provides adequate general room lighting utilizing dimmable LED par cans. Lighting system shall consist of three zones (1 for the Dais/Staff seating area, 1 for the audience areas in the boardroom, and 1 for the Audio/Control Room).

-Provide an installed broadcast quality lighting package that provides a lighting tone and coloring consistent with small-medium size broadcast industry standards. Lighting tone and color control shall allow for flexibility in white balance tones and color temperature correction. This lighting package shall consist of ceiling mounted wash fixtures in the Dais/Staff seating area focused on the Board/Staff members.

Devices shall be provided in a flat "out of the box" configuration and will require City configurations of security and network processes and protocols

-Closed captioning capabilities, hardware, and software shall be excluded from the scope and shall be provided by others. Enko Systems recommends the use of YouTube's automatic speech to text captioning abilities for LiveStream caption options as well as YouTube's ability for SRT file uploads given the City's mention of using YouTube as a streaming platform.

#### Lighting

-Provide a lighting system that provides adequate general room lighting utilizing dimmable LED par cans. Lighting system shall consist of three zones (1 for the Dais/Staff seating area, 1 for the audience areas in the boardroom, and 1 for the Audio/Control Room).

## **SCOPE OF WORK - OPTIONS**

### TERMS

I accept this proposal and hereby authorize Enko Systems, Inc to proceed with the installation of the included systems at the facilities constructing at 550 E. 6th Street Beaumont, CA 92223 as described in the totality of this document. I understand that the listed Project Total excludes any DSA approval, permits, installation or coordination of conduit, backboxes, rings, floor boxes, flanges, trimplates, and cable tray unless otherwise specifically stated within the contents of this document. I further understand that any 110VAC, drywall, paint, and demolition is excluded from this contract unless otherwise noted within this document. If Payment Bonds are required, I understand a 3% fee will be applied to the Total Amount as listed above. I further authorize Enko Systems, Inc to be granted the facility access that will be required to complete this project in a workmanlike and timely manner and for payment to be made to Enko Systems, Inc. In keeping with the Terms of Payment listed above. It has been made clear to me that there exist no understandings regarding this project with any relevant party unless and until City of Beaumont and Enko Systems, Inc agree to such additional or alternate understandings in writing. Project cost and pricing are dependent upon a continual flow of work without interruption or delays imposed by City of Beaumont or their staff, construction, other building trades or any other party, and additional costs may be incurred by City of Beaumont from Enko Systems, Inc. If such delays result in additional costs that are not covered by the pricing in this proposal. I agree that any additions to and/or deletions from the materials and labor to be provided by my acceptance of this proposal and any resulting change(s) in cost of this project shall only be by way of written change order(s) and shall be valid only after being signed by City of Beaumont and Enko Systems, Inc. This proposal is valid only if accepted in writing by City of Beaumont and deposit payment received no later than Septembe

#### CITY OF BEAUMONT PUBLIC WORKS AGREEMENT (Enko Systems, Inc.)

## EXHIBIT "C"

Project Construction Schedule

(Insert behind this page.)

#### CITY OF BEAUMONT PUBLIC WORKS AGREEMENT (GV Construction Inc.)

This PUBLIC WORKS AGREEMENT ("Agreement") is made and effective October 1, 2019 by and between the City of Beaumont, a municipal corporation ("CITY"), and GV Construction, Inc., a California corporation ("CONTRACTOR"). In consideration of the mutual covenants and conditions set forth herein, the parties agree as follows:

#### I. <u>SCOPE OF WORK</u>

The CONTRACTOR shall perform within the time set forth in Article 2 of this Agreement and shall furnish all labor, materials, equipment, tools, utility services, and transportation and perform and complete all work required in connection with the Council Chamber Renovation Construction Project (hereinafter "Project"). CITY's Invitation for Bids ("Invitation") for the Project, dated August 13, 2019, and CONTRACTOR's Bid in response to the Invitation, dated September 3, 2019, are attached hereto as Exhibits :A" and "B", respectively and incorporated herein by this reference. The Scope of Work for the Project is set forth in the Invitation. In the event that any terms of the Bid are different from the Invitation for Bids, the Invitation for Bids shall control. Any additional terms in the Bid that purport to bind the City to any additional terms not contained in this Agreement and related attachments shall not be binding on the City.

By entering into this Agreement, CONTRACTOR acknowledges that there may be other contractors on the site whose work will be coordinated with that of its own. CONTRACTOR expressly warrants and agrees that it will cooperate with other contractors and will do nothing to delay, hinder, or interfere with the work of other separate contractors, the CITY, the Construction Manager, the Engineer, or utilities. CONTRACTOR also expressly agrees that, in the event its work is hindered, delayed, interfered with, or otherwise affected by a separate contractor, its sole remedy will be a direct action against the separate contractor. To the extent allowed by law, the CONTRACTOR will have no remedy, and hereby expressly waives any remedy against the CITY, the Construction Manager (if any), and the Engineer on account of delay, hindrance, interference or other events.

#### II. <u>TIME FOR PROJECT COMPLETION</u>

All of CONTRACTOR's work on the Project shall be completed within durations established for the individual activities as set forth in the Project Construction Schedule, attached hereto as Exhibit "C" and incorporated herein by this reference. All work shall commence fifteen (15) calendar days after receiving a written Notice of Award from the CITY or Construction Manager, if a Construction Manager is employed by CITY on the Project. CONTRACTOR shall refer to the invitations for bids, and Project Plans and Specifications, all of which, as set forth below, are incorporated herein by reference, for contractual obligations regarding individual activity durations.

#### III. <u>THE CONTRACT SUM</u>

The CITY shall pay to the CONTRACTOR for the performance of this Agreement, subject to any additions and deductions provided in the Project documents, the lump sum of Eighty Seven Thousand Five Hundred One Dollars and fifty seven cents \$87,501.77("Contract Sum"). Except for change orders approved by City as provided in this Agreement, Contractor shall complete the Project for an amount not to exceed the Contract Sum.

#### IV. <u>PROGRESS PAYMENTS</u>

Based upon Applications for Payment submitted to the Engineer by the CONTRACTOR and Certificates for Payment issued by the Engineer, the CITY shall make progress payments on account of the Contract Sum to the CONTRACTOR as provided in the General Conditions, which are fully incorporated into this Agreement by this reference.

This Agreement is subject to the provisions of Article 1.7 (commencing at Section 20104.50) of Division 2, Part 3 of the Public Contract Code regarding prompt payment of contractors by local governments. Article 1.7 mandates certain procedures for the payment of undisputed and properly submitted payment requests within 30 days after receipt, for the review of payment requests, for notice to Contractor of improper payment requests, and provides for the payment of interest on progress payment requests which are not timely made in accordance with that Article. This Agreement hereby incorporates the provisions of Article 1.7 as though fully set forth herein.

#### V. INDEMNITY, DEFENSE AND HOLD HARMLESS AGREEMENT

CONTRACTOR shall indemnify, defend with legal counsel approved by CITY, and hold harmless CITY, its officers, officials, employees and volunteers from and against all liability, loss, damage, expense, cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with CONTRACTOR's negligence, recklessness or willful misconduct in the performance of work hereunder or its failure to comply with any of its obligations contained in this Agreement, except such loss or damage which is caused by the sole or active negligence or willful misconduct of the CITY. Should conflict of interest principles preclude a single legal counsel from representing both CITY and CONTRACTOR, or should CITY otherwise find CONTRACTOR's legal counsel unacceptable, then CONTRACTOR shall reimburse the CITY its costs of defense, including without limitation reasonable legal counsels fees, expert fees and all other costs and fees of litigation. The CONTRACTOR shall promptly pay any final judgment rendered against the CITY (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the CONTRACTOR's negligent, reckless or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

CONTRACTOR obligations under this section apply regardless of whether or not such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by an Indemnitee. However, without affecting the rights of CITY under any provision of this agreement, CONTRACTOR shall not be required to indemnify and hold harmless CITY for liability attributable to the active negligence of CITY, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where CITY is shown to have been actively negligent and where CITY active negligence accounts for only a percentage of the liability involved, the obligation of CONTRACTOR will be for that entire portion or percentage of liability not attributable to the active negligence of CITY.

#### VI. <u>PREVAILING WAGES</u>

- A. Contractor shall comply with all applicable laws and regulations relating to prevailing wages. Wage rates for this Project shall be in accordance with the "General Wage Determination Made By the Director of Industrial Relations Pursuant To California Labor Code, Part 7, Chapter 1, Article 2, Sections 1770, 1773 and 1773.1", for Riverside County. Wage rates shall conform with those posted at Beaumont City Hall and the Project site.
- B. The following Labor Code sections are hereby referenced and made a part of this Agreement:
  - 1. Section 1775 Penalty for Failure to Comply with Prevailing Wage Rates.
  - 2. Section 1777.4 Apprenticeship Requirements.
  - 3. Section 1777.5 Apprenticeship Requirements.
  - 4. Section 1813 Penalty for Failure to Pay Overtime.
  - 5. Sections 1810 and 1811 Working Hour Restrictions.
  - 6. Section 1775 Payroll Records.
  - 7. Section 1773.8 Travel and Subsistence Pay.

#### VII. <u>RECORD AUDIT</u>

In accordance with Government Code, Section 8546.7, records of both the CITY and the CONTRACTOR shall be subject to examination and audit by the Auditor General for a period of three (3) years after final payment.

#### VIII. FINAL PAYMENT

Final payment, constituting the entire unpaid balance of the Agreement Sum, shall be paid by the CITY to the CONTRACTOR no sooner than thirty-five (35) days after a Notice of Completion has been recorded, unless otherwise stipulated in the Notice of Completion, provided the work has then been completed, the Agreement fully performed, and a final Certificate for Payment has been issued by the Engineer.

#### IX. <u>CONTRACTOR'S FAILURE TO PROCURE COMPLETION OF PROJECT</u>

In the event CONTRACTOR fails to furnish tools, equipment, or labor in the necessary quantity or quality, or fails to prosecute the work or any part thereof contemplated by this Agreement in a diligent and workmanlike manner, and if the CONTRACTOR for a period of three (3) calendar days after receipt of written demand from CITY or its designated representative to do so, fails to furnish tools, equipment, or labor in the necessary quantity or quality, and to prosecute its work and all parts thereof in a diligent and workmanlike manner, or after commencing to do so within said three (3) calendar days, fails to continue to do so; then the CITY may exclude the CONTRACTOR from the premises, or any portion thereof, and take possession of said premises or any portion thereof, together with all material and equipment thereon, and may complete the work contemplated by this Agreement or any portion of said work, either by furnishing the tools, equipment, labor or material necessary, or by letting the unfinished portion of said work, or the portion taken over by the CITY to another contractor or by a combination of such methods. In any event, the procuring of the completion of said work, or the portion thereof taken over by the CITY, shall be a charge against the CONTRACTOR, and may be deducted from any money due or becoming due to CONTRACTOR from the CITY, or the CONTRACTOR shall pay the CITY the amount of said charge, or the portion thereof unsatisfied. The sureties, provided for under this Agreement shall become liable for payment should CONTRACTOR fail to pay in full any said cost incurred by the CITY.

#### X. <u>INSURANCE</u>

Prior to the beginning of and throughout the duration of the Project, CONTRACTOR and its subcontractors shall maintain insurance in conformance with the requirements set forth below. CONTRACTOR will use existing coverage to comply with these requirements. If that existing coverage does not meet the requirements set forth herein, CONTRACTOR agrees to amend, supplement or endorse the existing coverage to do so.

CONTRACTOR acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amount of coverage required. Any insurance proceeds available to CONTRACTOR or its subcontractors in excess of the limits and coverage identified in this Agreement and which is applicable to a given loss, claim or demand, will be equally available to CITY.

#### A. Types of Insurance

Without limiting CONTRACTOR's indemnification of CITY, and prior to commencement of Work, CONTRACTOR shall obtain, provide and maintain at its own expense during the term of this Agreement, policies of insurance of the type and amounts described below and in a form satisfactory to CITY:

- 1. General liability insurance. CONTRACTOR shall maintain commercial general liability insurance with coverage at least as broad as Insurance Services Office form CG 00 01, in an amount not less than \$1,000,000 per occurrence, \$2,000,000 general aggregate, for bodily injury, personal injury, and property damage, and a \$2,000,000 completed operations aggregate. The policy must include contractual liability that has not been amended. Any endorsement restricting standard ISO "insured contract" language will not be accepted.
- 2. Automobile liability insurance. CONTRACTOR shall maintain automobile insurance at least as broad as Insurance Services Office form CA 00 01 covering bodily injury and property damage for all activities of the CONTRACTOR arising out of or in connection with Work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles, in an amount not less than \$1,000,000 combined single limit for each accident.
- **3.** Umbrella or excess liability insurance. If CONTRACTOR is using umbrella coverage to meet part of its liability insurance requirements under Paragraph 1 of this Section, CONTRACTOR shall obtain and maintain an umbrella or excess liability insurance that will provide bodily injury, personal injury, completed operations and property damage liability coverage at least as broad as the primary coverages set forth above, including commercial general liability and employer's liability. Such policy or policies shall include the following terms and conditions:
  - A drop down feature requiring the policy to respond in the event that any primary insurance that would otherwise have applied proves to be uncollectable in whole or in part for any reason;
  - Pay on behalf of wording as opposed to reimbursement;
  - Concurrency of effective dates with primary policies;
  - Policies shall "follow form" to the underlying primary policies; and
  - Insureds under primary policies shall also be insureds under the umbrella or excess policies.
- **4. Workers' compensation insurance.** CONTRACTOR shall maintain Workers' Compensation Insurance (Statutory Limits) and Employer's Liability Insurance (with limits of at least \$1,000,000) for CONTRACTOR's employees in accordance with the laws of the State of California, Section 3700 of the Labor Code. In addition, CONTRACTOR shall require each subcontractor to similarly maintain Workers' Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California, Section 3700 for all of the subcontractor's employees.

CONTRACTOR shall submit to CITY, along with the certificate of insurance, a Waiver of Subrogation endorsement in favor of CITY, its officers, agents, employees and volunteers.

**5. Pollution liability insurance.** Environmental Impairment Liability Insurance shall be written on a CONTRACTOR's Pollution Liability form or other form acceptable to CITY providing coverage for liability arising out of sudden, accidental and gradual pollution and remediation. The policy limit shall be no less than \$1,000,000 dollars per claim and in the aggregate. All activities contemplated in this Agreement shall be specifically scheduled on the policy as "covered operations." The policy shall provide coverage for the hauling of waste from the project site to the final disposal location, including non-owned disposal sites.

Products/completed operations coverage shall extend a minimum of three (3) years after project completion. Coverage shall be included on behalf of the insured for covered claims arising out of the actions of independent contractors. If the insured is using subcontractors, the Policy must include work performed "by or on behalf" of the insured. Policy shall contain no language that would invalidate or remove the insurer's duty to defend or indemnify for claims or suits expressly excluded from coverage. Policy shall specifically provide for a duty to defend on the part of the insurer. The CITY, its officials, officers, agents, and employees, shall be included as insureds under the policy.

6. Builder's risk insurance. Upon commencement of construction and with approval of CITY, CONTRACTOR shall obtain and maintain builder's risk insurance for the entire duration of the Project until only the CITY has an insurable interest. The Builder's Risk coverage shall include the coverages as specified below.

The named insureds shall be CONTRACTOR and CITY, including its officers, officials, employees, and agents. All Subcontractors (excluding those solely responsible for design Work) of any tier and suppliers shall be included as additional insureds as their interests may appear. CONTRACTOR shall not be required to maintain property insurance for any portion of the Project following transfer of control thereof to CITY. The policy shall contain a provision that all proceeds from the builder's risk policy shall be made payable to the CITY. The CITY will act as a fiduciary for all other interests in the Project.

Policy shall be provided for replacement value on an "all risk" basis for the completed value of the project. There shall be no coinsurance penalty or provisional limit provision in any such policy. Policy must include: (1) coverage for any ensuing loss from faulty workmanship, Nonconforming Work, omission or deficiency in design or specifications; (2) coverage against machinery accidents and operational testing; (3) coverage for removal of debris, and insuring the buildings, structures, machinery, equipment,

materials, facilities, fixtures and all other properties constituting a part of the Project; (4) Ordinance or law coverage for contingent rebuilding, demolition, and increased costs of construction; (5) transit coverage (unless insured by the supplier or receiving contractor), with sub-limits sufficient to insure the full replacement value of any key equipment item; (6) Ocean marine cargo coverage insuring any Project materials or supplies, if applicable; (7) coverage with sub-limits sufficient to insure the full replacement value of any property or equipment stored either on or off the Site or any staging area. Such insurance shall be on a form acceptable to CITY to ensure adequacy of terms and sublimits and shall be submitted to the CITY prior to commencement of construction.

#### **B.** Other provisions or requirements

- 1. **Proof of insurance.** CONTRACTOR shall provide certificates of insurance to CITY as evidence of the insurance coverage required herein, along with a waiver of subrogation endorsement for workers' compensation. Insurance certificates and endorsements must be approved by CITY's risk manager prior to commencement of performance. Current certification of insurance shall be kept on file with CITY at all times during the term of this contract. CITY reserves the right to require complete, certified copies of all required insurance policies, at any time.
- 2. Duration of coverage. CONTRACTOR shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the Work hereunder by CONTRACTOR, his agents, representatives, employees or subcontractors. CONTRACTOR must maintain general liability and umbrella or excess liability insurance for as long as there is a statutory exposure to completed operations claims. CITY and its officers, officials, employees, and agents shall continue as additional insureds under such policies.
- **3. Primary/noncontributing.** Coverage provided by CONTRACTOR shall be primary and any insurance or self-insurance procured or maintained by CITY shall not be required to contribute with it. The limits of insurance required herein may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of CITY before the CITY's own insurance or self-insurance shall be called upon to protect it as a named insured.
- 4. CITY's rights of enforcement. In the event any policy of insurance required under this Agreement does not comply with these requirements or is canceled and not replaced, CITY has the right but not the duty to obtain the insurance it deems necessary and any premium paid by CITY will be promptly reimbursed

by CONTRACTOR or CITY will withhold amounts sufficient to pay premium from CONTRACTOR payments. In the alternative, CITY may cancel this Agreement.

- **5.** Acceptable insurers. All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commissioner to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' Rating of A- (or higher) and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the CITY's risk manager.
- 6. Waiver of subrogation. All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against CITY, its elected or appointed officers, agents, officials, employees and volunteers or shall specifically allow CONTRACTOR or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. CONTRACTOR hereby waives its own right of recovery against CITY, and shall require similar written express waivers and insurance clauses from each of its subconsultants.
- **7. Enforcement of contract provisions (non estoppel).** CONTRACTOR acknowledges and agrees that any actual or alleged failure on the part of the CITY to inform CONTRACTOR of non-compliance with any requirement imposes no additional obligations on the CITY nor does it waive any rights hereunder.
- 8. Requirements not limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the CONTRACTOR maintains higher limits than the minimums shown above, the CITY requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the CITY.
- **9.** Notice of cancellation. CONTRACTOR agrees to oblige its insurance agent or broker and insurers to provide to CITY with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.
- **10. Additional insured status**. General liability policies shall provide or be endorsed to provide that CITY and its officers, officials, employees, agents,

and volunteers shall be additional insureds under such policies. This provision shall also apply to any excess/umbrella liability policies.

- **11. Prohibition of undisclosed coverage limitations.** None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to CITY and approved of in writing.
- **12. Separation of insureds.** A severability of interests provision must apply for all additional insureds ensuring that CONTRACTOR's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer's limits of liability. The policy(ies) shall not contain any cross-liability exclusions.
- **13. Pass through clause.** CONTRACTOR agrees to ensure that its subconsultants, subcontractors, and any other party involved with the project who is brought onto or involved in the project by CONTRACTOR, provide the same minimum insurance coverage and endorsements required of CONTRACTOR. CONTRACTOR agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. CONTRACTOR agrees that upon request, all agreements with consultants, subcontractors, and others engaged in the project will be submitted to CITY for review.
- 14. CITY's right to revise requirements. The CITY reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the CONTRACTOR a ninety (90) day advance written notice of such change. If such change results in substantial additional cost to the CONTRACTOR, the CITY and CONTRACTOR may renegotiate CONTRACTOR's compensation.
- **15. Self-insured retentions.** Any self-insured retentions must be declared to and approved by CITY. CITY reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible. Self-insurance will not be considered to comply with these specifications unless approved by CITY.
- **16. Timely notice of claims.** CONTRACTOR shall give CITY prompt and timely notice of claims made or suits instituted that arise out of or result from CONTRACTOR's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.
- **17. Additional insurance**. CONTRACTOR shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the Work.

#### XI. <u>CONTRACTOR'S LICENSE</u>

CONTRACTOR must possess at the time of commencing work and throughout the Project duration, a Contractor's License, issued by the State of California, which is current and in good standing. CONTRACTOR shall ensure that any subcontractor working on the Project possesses at the time of commencing work and throughout the Project duration, a Contractor's License, issued by the State of California, which is current and in good standing.

#### XII. <u>REGISTRATION REQUIREMENTS</u>

A. Pursuant to Section 1771.1(a) of the Labor Code:

"A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded."

B. CONTRACTOR must be registered with the Department of Industrial Relations (DIR) of the State of California in order to be eligible to work on public works projects. CONTRACTOR must ensure registration with the DIR that is active and in good standing.

C. No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

No contractor or subcontractor may be awarded a contract for public work on a public works project (awarded on or after April 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

D. The CONTRACTOR is not subject to public works requirements (including registration with the DIR) if the public works project is under \$1,000, unless the CITY knows that the same CONTRACTOR will be awarded total project costs in excess of \$1,000 for a given year.

#### XIII. CORPORATION IN GOOD STANDING

If CONTRACTOR is a corporation, the undersigned hereby represents and warrants that the corporation is duly incorporated and in good standing in the State of California, and that <u>(Insert Name)</u> whose title is <u>(Insert Title)</u> is authorized to act for and bind the corporation.

#### XIV. PROVISIONS REQUIRED BY LAW

Each and every provision of law and clause required by law to be inserted in this Agreement shall be deemed to be inserted herein and the Agreement shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not currently inserted, then upon application of either party the Agreement shall forthwith be physically amended to make such insertion or correction.

#### XV. <u>SUBSURFACE HAZARDOUS MATERIALS</u>

- A. In the event trenches or other excavations extend deeper than four (4) feet below the surface, the CONTRACTOR shall promptly, and before the following conditions are disturbed, notify the CITY in writing of any:
  - 1. Material that the CONTRACTOR believes may be material that is hazardous waste, as defined in Section 25117 of the Health and Safety Code that is required to be removed to a Class I, Class II or Class III disposal site in accordance with the provisions of existing law.
  - 2. Subsurface or latent physical conditions at the site differing from those indicated.
  - 3. Unknown physical conditions at the site of any unusual nature, different materially from those ordinarily encountered and generally recognized as inherent in the Work or the character provided for in the CONTRACT.
- B. Upon receipt of said notification the CITY will investigate the conditions, and if it finds that the conditions do materially so differ, or do involve hazardous waste, and cause a decrease or increase in the CONTRACTOR's cost of or the time required for performance of any part of the work, the CITY will issue a change order under the procedures described in the General Conditions.
- C. In the event that a dispute arises between the CITY and the CONTRACTOR whether the conditions materially differ, or involve hazardous waste or cause a decrease or increase in the CONTRACTOR's cost of or time required for performance of any part of the work, the CONTRACTOR shall not be excused from any scheduled completion date provided for by the Agreement, but shall proceed with all work to be performed under the Agreement. The CONTRACTOR shall retain any and all rights provided either by Agreement or

by law which pertain to the resolution of disputes and protests between the contracting parties.

#### XVI. <u>COMPONENT PARTS OF THE CONTRACT</u>

This Agreement entered into consists of the following CONTRACT DOCUMENTS, all of which are component parts of the Agreement as if herein set out in full or attached hereto:

| Notice Inviting Bids                | Information Required of Bidder     |

#### INTRODUCTION

The City of Beaumont ("City") requests written proposals for selection of a qualified firm that possesses a current general construction license for the purpose of renovation the City's current City Council Chambers.

This project is a component of the City's Council Chambers Renovation Project that encompasses upgrades of its audio and video equipment, furniture and configuration design.

Construction to the Council Chambers is needed to enhance the level of accommodation, provide adequate space and accessibility of audio and video equipment and to freshen the appearance of the room.

Firms submitting proposals must be prepared to enter into a contract for work to be provided and must obtain a city business license. Proposals will be accepted until the close of business at **5:00pm on Monday**, **September 2**, **2019**. Please address as follows:

Nicole Wheelwright Deputy City Clerk City of Beaumont 550 E 6<sup>th</sup> Street Beaumont, Ca 92223 **Bid Enclosed** 

#### BACKGROUND

The City of Beaumont Civic Center was originally built in the 1930's as a school building. The building has since been converted from classrooms to offices and now houses City administration offices, Council Chambers, and a large event hall. The City's Council Chambers is utilized for public meetings and is in need of enhancement and restoration.

Currently the Council Chambers lacks wheelchair accessibility to the dais which sits on an elevated platform. The Council Chambers also lacks a secured space to conduct the audio and video controls for the purpose of recording and streaming the meetings conducted.

#### PURPOSE AND SCOPE

The project includes the following locations within the Civic Center building:

• City Council Chambers

The purpose and goal for the construction renovations are to provide wheelchair access, construct a control room within the Council Chambers for audio and video

equipment and technicians and to freshen the appearance of the Council Chambers.

#### Council Chambers:

The scope of construction and renovation within the Council Chambers is as follows:

- Demo of existing dais platform and reconstructed to the height required for an adjacent wheelchair accessible ramp.
- Construction of a half wall to enclose the dais platform and allow for installation of a wheelchair ramp railing.
- Installation of electrical, microphone, HDMI, and ethernet floor outlets in the dais platform. Placement of such to be coordinated with the furniture contractor and the audio/video contractor. Estimated to be at least five (5) outlets of each.
- Installation of a dedicated outlet on the dais platform for a 110v mini refrigerator.
- Design and construction of ADA compliant wheelchair accessibility ramp to the raised platform.
- Installation of electrical, microphone, HDMI, and ethernet floor outlets in the staff desk areas adjacent to the platform as well as the west wall.
- Demo of existing closet configuration to construct a 13' x 6'6" audio/video control room.
- Relocation or deletion of current vent ducting and piping in the existing closet.
- Installation of electrical outlets in the audio/video control room in coordination with the audio and video contractor.
- A cap of two (2) existing gas stubs to be flush with the wall.
- Relocation and conversion of existing electrical wall outlets to floor outlets.
- Construct an HVAC split to provide a separate and controlled temperature for the server equipment to be stored within the control room.
- Installation of coffered style T-bar ceiling panels, or sheetrock (hard lid) finish with soffits for ducting and utilities and three (3) access panels. Please provide both cost options.
- Raising of current vent ducting above ceiling.
- Replacement of vent ducting screens.
- Addition of floor intake vents for the HVAC unit.
- Installation of conduit for electrical and communication wiring above ceiling in coordination with the Audio and Video contractor.
- Possible dry wall repair after removal of three (3) large whiteboards adhered to the south wall.
- Installation of carpet with Mohawk Distinctive Appeal #979 Sensory Touch.
- Addition of windowsills to match other windowsill styles within the building.
- 5 foot tall wainscoting on the east and west walls.
- 3 foot tall wainscoting on the north and south walls.
- Painting of all interior walls and accent trim within Council Chambers.

In concurrence with the Council Chambers construction renovation, the Council Chambers will also be undergoing audio and video upgrades as well and furniture design and construction. The firm selected will be required to work in coordination with the firms selected for the other components of the Council Chambers Renovation Project for the logistics and planning of construction. Coordination with the selected audio and video firm of the Chamber's renovation includes but is not limited to the access to the electrical wiring for replacement and enhancement thereof above the ceiling and installation of cameras on the ceiling.

#### MANDATORY PRE-BID WALK-THROUGH

A mandatory walk-through of the Council Chambers is required prior to submission of bid please schedule via email: <u>NicoleW@BeaumontCa.gov</u>. This walk-through will give the opportunity to evaluate and take measurements as needed.

#### PROPOSAL REQUIREMENTS

The proposal shall clearly address all of the information requested herein. To achieve a uniform review process and obtain the maximum degree of comparability, it is required that proposals be organized and contain all information as specified below.

- A. **Cover Letter:** Executive Summary which shall include an understanding of the scope of services. The cover letter must be signed by an official authorized to bind the consultant contractually and shall also provide the name, title, address, and telephone number of individuals with the authority to negotiate and contractually bind the consultant. The cover letter constitutes certification by the consultant, under penalty of perjury, that the consultant complies with nondiscrimination requirements of the State and Federal Government. An unsigned proposal or one signed by an individual unauthorized to bind the consultant may be rejected.
- B. Introduction/Information: Provide a description of the firm, including number of professional personnel, years in business, office location(s), organizational structure (e.g., corporation, partnership, sole practitioner, etc.), areas of particular expertise, etc. Description of the consulting firm's past and current experience with cities, counties, governmental regions, special districts, agencies, or similar entities; and/or major residential, economic, commercial, entertainment or historic development centers.
  - 1) Describe the consultant team and identify the specific personnel that will be assigned to the project and their roles, qualifications and relevant experience on projects within the past two (2) years.
  - 2) Identify the supervisory and management staff.
  - 3) Identify and describe the roles of any sub-contractors and provide relevant qualifications and experience for projects within the past two (2) years. Indicate how the quality of staff over the term of the agreement will be assured.
- C. **References:** Provide at least three (3) previous projects with work of similar capacities.
- D. Scope of Services: Provide a description of the tasks, sub-tasks, and deliverables

that will be provided. The Scope of Work should be presented in a logical format that can be easily attached to the final Agreement.

- i) Project Schedule: Provide a comprehensive schedule describing the nature and estimated time line of proposed work objectives and milestones. Due to time constraints of this project, it is required that work **shall** commence no later than 30 days of award of contract. City Council is scheduled to award contracts on September 17, 2019.
- E. Cost Proposal: Provide detailed cost of services overview to include:
  - 1) Fixed prices for all costs associated within the scope of this proposal
  - 2) Detailed hourly rates of all members of the project
  - 3) Additional billable costs for non-specified tasks
  - 4) Total fees and expenses for the entire scope of the project
  - 5) Any area which proposers believe should be included in the scope of work in this proposal, but which is not stipulated in this RFP, and identifies the costs associated with the services rendered
- F. The firm will be required to have professional liability insurance including liability at a minimum of one million per occurrence, worker's compensation, and vehicle coverage including comprehensive and collision insurance naming the City of Beaumont as additional insured. The proposal shall state whether such insurances will be in force at time of contract execution.

#### PROPOSAL SCHEDULE

#### SUBMITTAL

Please provide proposal responses to items A - F no later than Monday, September 2, 2019 at 5:00 p.m.

Any proposal received after this deadline may be returned to the proposer as unacceptable. All proposals are to be clearly marked as described in the Introduction section.

Please review the entire proposal request before submitting your proposal. Incomplete submissions may be rejected as non-responsive. All questions must be submitted via

email to the RFP contact listed on the front cover page of this RFP. Once submitted, proposals cannot be altered without prior written consent of the City. All costs associated with preparation of any proposal shall be the sole responsibility of the proposer. Each proposal shall be limited to a maximum of 15 pages, using minimum 12-point font size.

# PROPOSAL EVALUATION/SELECTION

The City intends to engage the most qualified consultant available that demonstrates a thorough understanding of the City's needs. City staff will use the following criteria to evaluate the proposals:

- 1) Understanding the scope of services
- 2) Demonstrated professional skill and credentials
- 3) Related experience
- 4) Timeline and start date availability
- 5) Proposed Fee

Total Points Available = 100

The City reserves the right to reject any and all proposals.

# CONFIDENTIALITY

Prior to the proposal submittal deadline, all proposals will be designated confidential to the extent permitted by the California Public Records Act. After the proposal submittal deadline, all responses will be regarded as public record and will be subject to review by the public. Any language purported to render confidential all or portions of the proposals will be regarded as non-effective and will be disregarded.

# AMENDMENTS TO REQUEST FOR PROPOSALS

The City reserves the right to amend the RFP by addendum prior to the final proposal submittal date.

# CONFLICT OF INTEREST

The Consultant shall disclose any personal or professional financial, business, or other relationships with the City that may have an impact on the outcome of this contract or any resulting project. # CITY OF BEAUMONT RIGHTS AND OPTIONS

This RFP does not commit the City of Beaumont to award a contract, to pay any cost incurred with the preparation of a proposal or contract for services described herein. The City may, in its sole discretion and without any obligation to act reasonably, reject any and all proposals, waive informalities and minor irregularities in any proposal reviewed, negotiate with any qualified source submitting a proposal, extend deadlines, and/or request additional information. Subsequent to negotiations, prospective consultants may be required to submit revisions to their proposals. The City may reject any proposal that does not conform to the instructions provided in this RFP.

Additionally, the City reserves the right to negotiate all final terms and conditions of any proposal received before entering into final contract.

The City reserves the right to postpone selection for its own convenience, to withdraw this RFP at any time, and to reject any and all proposals without indicating any reason for such rejection. As a function of the RFP process, the City of Beaumont reserves the right to remedy technical errors in response to the RFP and to modify the published scope of services and scope of work. The City of Beaumont will reserve the right to request that specific personnel with specific expertise be added to the team if the City determines that specific expertise is lacking in the project team. Proposals submitted in response to the RFP will not be returned.

#### CITY OF BEAUMONT PUBLIC WORKS AGREEMENT (NAME OF CONTRACTOR)

#### I. <u>SCOPE OF WORK</u>

The CONTRACTOR shall perform within the time set forth in Article 2 of this Agreement and shall furnish all labor, materials, equipment, tools, utility services, and transportation and perform and complete all work required in connection with the \_\_\_\_\_\_(DESCRIPTION OF PROJECT) Project (hereinafter "Project"). CITY's Invitation for Bids ("Invitation") for the Project, dated \_\_\_\_, 2017, and CONTRACTOR's Bid in response to the Invitation, dated \_\_\_\_, 2017, are attached hereto as Exhibits :A" and "B", respectively and incorporated herein by this reference. The Scope of Work for the Project is set forth in the Invitation.

By entering into this Agreement, CONTRACTOR acknowledges that there may be other contractors on the site whose work will be coordinated with that of its own. CONTRACTOR expressly warrants and agrees that it will cooperate with other contractors and will do nothing to delay, hinder, or interfere with the work of other separate contractors, the CITY, the Construction Manager, the Engineer, or utilities. CONTRACTOR also expressly agrees that, in the event its work is hindered, delayed, interfered with, or otherwise affected by a separate contractor, its sole remedy will be a direct action against the separate contractor. To the extent allowed by law, the CONTRACTOR will have no remedy, and hereby expressly waives any remedy against the CITY, the Construction Manager (if any), and the Engineer on account of delay, hindrance, interference or other events.

#### II. <u>TIME FOR PROJECT COMPLETION</u>

All of CONTRACTOR's work on the Project shall be completed within durations established for the individual activities as set forth in the Project Construction Schedule, attached hereto as Exhibit "C" and incorporated herein by this reference. All work shall commence ten (10) calendar days after receiving a written Notice of Award from the CITY or Construction Manager, if a Construction Manager is employed by CITY on the Project. CONTRACTOR shall refer to the invitations for bids, and Project Plans and Specifications, all of which, as set forth below, are incorporated herein by reference, for contractual obligations regarding individual activity durations.

#### III. THE CONTRACT SUM

The CITY shall pay to the CONTRACTOR for the performance of this Agreement, subject to any additions and deductions provided in the Project documents, the sum of \_\_\_\_\_.

#### IV. PROGRESS PAYMENTS

Based upon Applications for Payment submitted to the Engineer by the CONTRACTOR and Certificates for Payment issued by the Engineer, the CITY shall make progress payments on account of the Contract Sum to the CONTRACTOR as provided in the General Conditions, which are fully incorporated into this Agreement by this reference.

This Agreement is subject to the provisions of Article 1.7 (commencing at Section 20104.50) of Division 2, Part 3 of the Public Contract Code regarding prompt payment of contractors by local governments. Article 1.7 mandates certain procedures for the payment of undisputed and properly submitted payment requests within 30 days after receipt, for the review of payment requests, for notice to Contractor of improper payment requests, and provides for the payment of interest on progress payment requests which are not timely made in accordance with that Article. This Agreement hereby incorporates the provisions of Article 1.7 as though fully set forth herein.

#### V. INDEMNITY, DEFENSE AND HOLD HARMLESS AGREEMENT

CONTRACTOR shall indemnify, defend with legal counsel approved by CITY, and hold harmless CITY, its officers, officials, employees and volunteers from and against all liability, loss, damage, expense, cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with CONTRACTOR's negligence, recklessness or willful misconduct in the performance of work hereunder or its failure to comply with any of its obligations contained in this Agreement, except such loss or damage which is caused by the sole or active negligence or willful misconduct of the CITY. Should conflict of interest principles preclude a single legal counsel from representing both CITY and CONTRACTOR, or should CITY otherwise find CONTRACTOR's legal counsel unacceptable, then CONTRACTOR shall reimburse the CITY its costs of defense, including without limitation reasonable legal counsels fees, expert fees and all other costs and fees of litigation. The CONTRACTOR shall promptly pay any final judgment rendered against the CITY (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the CONTRACTOR's negligent, reckless or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

CONTRACTOR obligations under this section apply regardless of whether or not such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by an Indemnitee. However, without affecting the rights of CITY under any provision of this agreement, CONTRACTOR shall not be required to indemnify and hold harmless CITY for liability attributable to the active negligence of CITY, provided such active negligence

is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where CITY is shown to have been actively negligent and where CITY active negligence accounts for only a percentage of the liability involved, the obligation of CONTRACTOR will be for that entire portion or percentage of liability not attributable to the active negligence of CITY.

#### VI. <u>PREVAILING WAGES</u>

- A. Contractor shall comply with all applicable laws and regulations relating to prevailing wages. Wage rates for this Project shall be in accordance with the "General Wage Determination Made By the Director of Industrial Relations Pursuant To California Labor Code, Part 7, Chapter 1, Article 2, Sections 1770, 1773 and 1773.1", for Riverside County. Wage rates shall conform with those posted at Beaumont City Hall and the Project site.
- B. The following Labor Code sections are hereby referenced and made a part of this Agreement:
  - 1. Section 1775 Penalty for Failure to Comply with Prevailing Wage Rates.
  - 2. Section 1777.4 Apprenticeship Requirements.
  - 3. Section 1777.5 Apprenticeship Requirements.
  - 4. Section 1813 Penalty for Failure to Pay Overtime.
  - 5. Sections 1810 and 1811 Working Hour Restrictions.
  - 6. Section 1775 Payroll Records.
  - 7. Section 1773.8 Travel and Subsistence Pay.

#### VII. <u>RECORD AUDIT</u>

In accordance with Government Code, Section 8546.7, records of both the CITY and the CONTRACTOR shall be subject to examination and audit by the Auditor General for a period of three (3) years after final payment.

#### VIII. FINAL PAYMENT

Final payment, constituting the entire unpaid balance of the Agreement Sum, shall be paid by the CITY to the CONTRACTOR no sooner than thirty-five (35) days after a Notice of Completion has been recorded, unless otherwise stipulated in the Notice of Completion, provided the work has then been completed, the Agreement fully performed, and a final Certificate for Payment has been issued by the Engineer.

### IX. CONTRACTOR'S FAILURE TO PROCURE COMPLETION OF PROJECT

In the event CONTRACTOR fails to furnish tools, equipment, or labor in the necessary quantity or quality, or fails to prosecute the work or any part thereof contemplated by this Agreement in a diligent and workmanlike manner, and if the CONTRACTOR for a period of three (3) calendar days after receipt of written demand from CITY or its designated representative to do so, fails to furnish tools, equipment, or labor in the necessary quantity or quality, and to prosecute its work and all parts thereof in a diligent and workmanlike manner, or after commencing to do so within said three (3) calendar days, fails to continue to do so; then the CITY may exclude the CONTRACTOR from the premises, or any portion thereof, and take possession of said premises or any portion thereof, together with all material and equipment thereon, and may complete the work contemplated by this Agreement or any portion of said work, either by furnishing the tools, equipment, labor or material necessary, or by letting the unfinished portion of said work, or the portion taken over by the CITY to another contractor or by a combination of such methods. In any event, the procuring of the completion of said work, or the portion thereof taken over by the CITY, shall be a charge against the CONTRACTOR, and may be deducted from any money due or becoming due to CONTRACTOR from the CITY, or the CONTRACTOR shall pay the CITY the amount of said charge, or the portion thereof unsatisfied. The sureties, provided for under this Agreement shall become liable for payment should CONTRACTOR fail to pay in full any said cost incurred by the CITY.

### X. INSURANCE

Prior to the beginning of and throughout the duration of the Project, CONTRACTOR and its subcontractors shall maintain insurance in conformance with the requirements set forth below. CONTRACTOR will use existing coverage to comply with these requirements. If that existing coverage does not meet the requirements set forth herein, CONTRACTOR agrees to amend, supplement or endorse the existing coverage to do so.

CONTRACTOR acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amount of coverage required. Any insurance proceeds available to CONTRACTOR or its subcontractors in excess of the limits and coverage identified in this Agreement and which is applicable to a given loss, claim or demand, will be equally available to CITY.

#### A. Types of Insurance

Without limiting CONTRACTOR's indemnification of CITY, and prior to commencement of Work, CONTRACTOR shall obtain, provide and maintain at its own expense during the term of this Agreement, policies of insurance of the type and amounts described below and in a form satisfactory to CITY:

**1. General liability insurance.** CONTRACTOR shall maintain commercial general liability insurance with coverage at least as broad as Insurance Services Office form CG 00 01, in an amount not less than \$1,000,000 per occurrence, \$2,000,000 general aggregate, for bodily injury, personal injury, and property damage, and a \$2,000,000 completed operations aggregate. The policy must

include contractual liability that has not been amended. Any endorsement restricting standard ISO "insured contract" language will not be accepted.

- 2. Automobile liability insurance. CONTRACTOR shall maintain automobile insurance at least as broad as Insurance Services Office form CA 00 01 covering bodily injury and property damage for all activities of the CONTRACTOR arising out of or in connection with Work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles, in an amount not less than \$1,000,000 combined single limit for each accident.
- **3.** Umbrella or excess liability insurance. If CONTRACTOR is using umbrella coverage to meet part of its liability insurance requirements under Paragraph 1 of this Section, CONTRACTOR shall obtain and maintain an umbrella or excess liability insurance that will provide bodily injury, personal injury, completed operations and property damage liability coverage at least as broad as the primary coverages set forth above, including commercial general liability and employer's liability. Such policy or policies shall include the following terms and conditions:
  - A drop down feature requiring the policy to respond in the event that any primary insurance that would otherwise have applied proves to be uncollectable in whole or in part for any reason;
  - Pay on behalf of wording as opposed to reimbursement;
  - Concurrency of effective dates with primary policies;
  - Policies shall "follow form" to the underlying primary policies; and
  - Insureds under primary policies shall also be insureds under the umbrella or excess policies.
- 4. Workers' compensation insurance. CONTRACTOR shall maintain Workers' Compensation Insurance (Statutory Limits) and Employer's Liability Insurance (with limits of at least \$1,000,000) for CONTRACTOR's employees in accordance with the laws of the State of California, Section 3700 of the Labor Code. In addition, CONTRACTOR shall require each subcontractor to similarly maintain Workers' Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California, Section 3700 for all of the subcontractor's employees.

CONTRACTOR shall submit to CITY, along with the certificate of insurance, a Waiver of Subrogation endorsement in favor of CITY, its officers, agents, employees and volunteers.

**5. Pollution liability insurance.** Environmental Impairment Liability Insurance shall be written on a CONTRACTOR's Pollution Liability form or other form acceptable to CITY providing coverage for liability arising out of sudden, accidental and gradual pollution and remediation. The policy limit shall be no

less than \$1,000,000 dollars per claim and in the aggregate. All activities contemplated in this Agreement shall be specifically scheduled on the policy as "covered operations." The policy shall provide coverage for the hauling of waste from the project site to the final disposal location, including non-owned disposal sites.

Products/completed operations coverage shall extend a minimum of three (3) years after project completion. Coverage shall be included on behalf of the insured for covered claims arising out of the actions of independent contractors. If the insured is using subcontractors, the Policy must include work performed "by or on behalf" of the insured. Policy shall contain no language that would invalidate or remove the insurer's duty to defend or indemnify for claims or suits expressly excluded from coverage. Policy shall specifically provide for a duty to defend on the part of the insurer. The CITY, its officials, officers, agents, and employees, shall be included as insureds under the policy.

**6. Builder's risk insurance**. Upon commencement of construction and with approval of CITY, CONTRACTOR shall obtain and maintain builder's risk insurance for the entire duration of the Project until only the CITY has an insurable interest. The Builder's Risk coverage shall include the coverages as specified below.

The named insureds shall be CONTRACTOR and CITY, including its officers, officials, employees, and agents. All Subcontractors (excluding those solely responsible for design Work) of any tier and suppliers shall be included as additional insureds as their interests may appear. CONTRACTOR shall not be required to maintain property insurance for any portion of the Project following transfer of control thereof to CITY. The policy shall contain a provision that all proceeds from the builder's risk policy shall be made payable to the CITY. The CITY will act as a fiduciary for all other interests in the Project.

Policy shall be provided for replacement value on an "all risk" basis for the completed value of the project. There shall be no coinsurance penalty or provisional limit provision in any such policy. Policy must include: (1) coverage for any ensuing loss from faulty workmanship, Nonconforming Work, omission or deficiency in design or specifications; (2) coverage against machinery accidents and operational testing; (3) coverage for removal of debris, and insuring the buildings, structures, machinery, equipment, materials, facilities, fixtures and all other properties constituting a part of the Project; (4) Ordinance or law coverage for contingent rebuilding, demolition, and increased costs of construction; (5) transit coverage (unless insured by the supplier or receiving contractor), with sub-limits sufficient to insure the full replacement value of any key equipment item; (6) Ocean marine cargo coverage insuring any Project materials or supplies, if applicable; (7) coverage with sub-limits sufficient to insure the full replacement value of any property or equipment stored either on or off the Site or any staging area. Such insurance shall be on a form acceptable to CITY to ensure adequacy of terms and sublimits and shall be submitted to the CITY prior to commencement of construction.

## B. Other provisions or requirements

- 1. **Proof of insurance.** CONTRACTOR shall provide certificates of insurance to CITY as evidence of the insurance coverage required herein, along with a waiver of subrogation endorsement for workers' compensation. Insurance certificates and endorsements must be approved by CITY's risk manager prior to commencement of performance. Current certification of insurance shall be kept on file with CITY at all times during the term of this contract. CITY reserves the right to require complete, certified copies of all required insurance policies, at any time.
- 2. Duration of coverage. CONTRACTOR shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the Work hereunder by CONTRACTOR, his agents, representatives, employees or subcontractors. CONTRACTOR must maintain general liability and umbrella or excess liability insurance for as long as there is a statutory exposure to completed operations claims. CITY and its officers, officials, employees, and agents shall continue as additional insureds under such policies.
- **3. Primary/noncontributing.** Coverage provided by CONTRACTOR shall be primary and any insurance or self-insurance procured or maintained by CITY shall not be required to contribute with it. The limits of insurance required herein may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of CITY before the CITY's own insurance or self-insurance shall be called upon to protect it as a named insured.
- 4. CITY's rights of enforcement. In the event any policy of insurance required under this Agreement does not comply with these requirements or is canceled and not replaced, CITY has the right but not the duty to obtain the insurance it deems necessary and any premium paid by CITY will be promptly reimbursed by CONTRACTOR or CITY will withhold amounts sufficient to pay premium from CONTRACTOR payments. In the alternative, CITY may cancel this Agreement.
- **5.** Acceptable insurers. All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commissioner to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' Rating of A- (or higher) and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the CITY's risk manager.

- 6. Waiver of subrogation. All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against CITY, its elected or appointed officers, agents, officials, employees and volunteers or shall specifically allow CONTRACTOR or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. CONTRACTOR hereby waives its own right of recovery against CITY, and shall require similar written express waivers and insurance clauses from each of its subconsultants.
- **7. Enforcement of contract provisions (non estoppel).** CONTRACTOR acknowledges and agrees that any actual or alleged failure on the part of the CITY to inform CONTRACTOR of non-compliance with any requirement imposes no additional obligations on the CITY nor does it waive any rights hereunder.
- 8. Requirements not limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the CONTRACTOR maintains higher limits than the minimums shown above, the CITY requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the CITY.
- **9.** Notice of cancellation. CONTRACTOR agrees to oblige its insurance agent or broker and insurers to provide to CITY with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.
- **10. Additional insured status**. General liability policies shall provide or be endorsed to provide that CITY and its officers, officials, employees, agents, and volunteers shall be additional insureds under such policies. This provision shall also apply to any excess/umbrella liability policies.
- **11. Prohibition of undisclosed coverage limitations.** None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to CITY and approved of in writing.
- **12. Separation of insureds.** A severability of interests provision must apply for all additional insureds ensuring that CONTRACTOR's insurance shall apply separately to each insured against whom claim is made or suit is brought, except

with respect to the insurer's limits of liability. The policy(ies) shall not contain any cross-liability exclusions.

- **13. Pass through clause.** CONTRACTOR agrees to ensure that its subconsultants, subcontractors, and any other party involved with the project who is brought onto or involved in the project by CONTRACTOR, provide the same minimum insurance coverage and endorsements required of CONTRACTOR. CONTRACTOR agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. CONTRACTOR agrees that upon request, all agreements with consultants, subcontractors, and others engaged in the project will be submitted to CITY for review.
- 14. CITY's right to revise requirements. The CITY reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the CONTRACTOR a ninety (90) day advance written notice of such change. If such change results in substantial additional cost to the CONTRACTOR, the CITY and CONTRACTOR may renegotiate CONTRACTOR's compensation.
- **15. Self-insured retentions.** Any self-insured retentions must be declared to and approved by CITY. CITY reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible. Self-insurance will not be considered to comply with these specifications unless approved by CITY.
- **16. Timely notice of claims.** CONTRACTOR shall give CITY prompt and timely notice of claims made or suits instituted that arise out of or result from CONTRACTOR's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.
- **17. Additional insurance**. CONTRACTOR shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the Work.

### XI. CONTRACTOR'S LICENSE

CONTRACTOR must possess at the time of commencing work and throughout the Project duration, a Contractor's License, issued by the State of California, which is current and in good standing. CONTRACTOR shall ensure that any subcontractor working on the Project possesses at the time of commencing work and throughout the Project duration, a Contractor's License, issued by the State of California, which is current and in good standing.

#### XII. <u>REGISTRATION REQUIREMENTS</u>

A. Pursuant to Section 1771.1(a) of the Labor Code:

"A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded."

B. CONTRACTOR must be registered with the Department of Industrial Relations (DIR) of the State of California in order to be eligible to work on public works projects. CONTRACTOR must ensure registration with the DIR that is active and in good standing.

C. No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

No contractor or subcontractor may be awarded a contract for public work on a public works project (awarded on or after April 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

D. The CONTRACTOR is not subject to public works requirements (including registration with the DIR) if the public works project is under \$1,000, unless the CITY knows that the same CONTRACTOR will be awarded total project costs in excess of \$1,000 for a given year.

#### XIII. CORPORATION IN GOOD STANDING

If CONTRACTOR is a corporation, the undersigned hereby represents and warrants that the corporation is duly incorporated and in good standing in the State of California, and that <u>(Insert Name)</u> whose title is <u>(Insert Title)</u> is authorized to act for and bind the corporation.

#### XIV. PROVISIONS REQUIRED BY LAW

Each and every provision of law and clause required by law to be inserted in this Agreement shall be deemed to be inserted herein and the Agreement shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not currently inserted, then upon application of either party the Agreement shall forthwith be physically amended to make such insertion or correction.

#### XV. SUBSURFACE HAZARDOUS MATERIALS

- A. In the event trenches or other excavations extend deeper than four (4) feet below the surface, the CONTRACTOR shall promptly, and before the following conditions are disturbed, notify the CITY in writing of any:
  - 1. Material that the CONTRACTOR believes may be material that is hazardous waste, as defined in Section 25117 of the Health and Safety Code that is required to be removed to a Class I, Class II or Class III disposal site in accordance with the provisions of existing law.
  - 2. Subsurface or latent physical conditions at the site differing from those indicated.
  - 3. Unknown physical conditions at the site of any unusual nature, different materially from those ordinarily encountered and generally recognized as inherent in the Work or the character provided for in the CONTRACT.
- B. Upon receipt of said notification the CITY will investigate the conditions, and if it finds that the conditions do materially so differ, or do involve hazardous waste, and cause a decrease or increase in the CONTRACTOR's cost of or the time required for performance of any part of the work, the CITY will issue a change order under the procedures described in the General Conditions.
- C. In the event that a dispute arises between the CITY and the CONTRACTOR whether the conditions materially differ, or involve hazardous waste or cause a decrease or increase in the CONTRACTOR's cost of or time required for performance of any part of the work, the CONTRACTOR shall not be excused from any scheduled completion date provided for by the Agreement, but shall proceed with all work to be performed under the Agreement. The CONTRACTOR shall retain any and all rights provided either by Agreement or by law which pertain to the resolution of disputes and protests between the contracting parties.

| SUBJECT: | City Council Approval of Change Order No. 10 for the Wastewater<br>Treatment Plant Upgrade/Expansion in the Amount Not to Exceed<br>\$596,031.05 |

#### **Background and Analysis:**

#### Wastewater Treatment Plant Change Order No. 10:

Preliminary design of the wastewater treatment plant (Plant) began in November 2016 and was completed in May 2017. Final design of the Plant began in May 2017, and construction began in October 2018. During the design and up until March 2019, the Plant was operated by Utility Partners under contract to the City. The Utility Partners' operations team had no experience operating an MBR and/or reverse osmosis system and offered no meaningful feedback to the City or design team during the planning and design of the Plant upgrades. In October 2018, the City hired a new chief plant operator (CPO). The new CPO began attending construction meetings, reviewing the plans for the Plant, and hiring the Plant operations staff during the first quarter of 2019. The City took over operations of the Plant on March 1, 2019.

The City's new operations staff has considerable experience operating a membrane/RO plant and have provided significant feedback to the design team and City management regarding the operations, maintenance, and upgrades to the Plant. The feedback has led to potential changes in the design that will improve operator flexibility, reduce long-term operations costs, and attempt to minimize potential risks. The majority of the potential change is described below.

#### Item #1 - MBR Chemical Area Changes & Other Misc. Changes:

#### MBR Building Bulk Chemical Storage

The MBR building, as designed, included the following:

- 1. 4,400 gallon bulk storage tank for sodium hypochlorite along with the associated feed equipment for disinfection through the RO system.
- 2. Aqueous ammonia storage and feed system inside the MBR Building for disinfection through the RO system.
- 3. Citric acid tote storage and feed system inside the MBR Building for membrane cleaning.
- 4. Anti-scalant tote and feed system inside the MBR Building to reduce scaling in the RO effluent.
- 5. Open space for the future addition of sulfuric acid tote and feed system for pH adjustment (if necessary).

Based upon the CPO and operation's staff experience, they are recommending the following changes be made:

- 1. Relocate the sodium hypochlorite storage and feed system, as designed, across the road and combine all the bulk storage together into one facility.
- 2. Switch from aqueous ammonia to liquid ammonium sulfate (LAS). The benefits of LAS include that it is safer to handle for the operators, can be stored outside, and removes the requirement to install fire sprinklers in the MBR Building. A 1,000 gallon storage tank within a concrete containment area is proposed to be added. The addition of fire sprinklers in the MBR Building was specifically excluded from the contractor's bids due to unknowns about what was going to be required by the Fire Marshall. The separate storage room for the aqueous ammonia system would be removed along with the associated delivery system. The addition of the fire sprinklers was going to be handled via change order. Switching to LAS avoids a change order estimated at \$50,000 \$75,000.
- 3. Add bulk storage and feed system for sulfuric acid to lower the pH prior to the RO system. The normal pH range of the wastewater is within the specified operating range for the RO system but, in the experience of the CPO and staff, being able to lower the pH is a critical operating parameter when optimizing the RO system performance. A 1,000 gallon storage tank within a concrete containment area is proposed to be added.

The change to bulk chemical storage has other benefits to the City. 1) Purchasing bulk chemicals are far less expensive than buying them in smaller volume totes. This will reduce the City's long-term operating budget. 2) Bulk chemicals are delivered directly from a tanker truck into the storage tank and eliminates the manpower associated with changing out storage totes and also minimizes the potential hazards to the operators during tote change outs.

The estimated cost associated with these changes is \$390,457 and includes credits for changing the aqueous ammonia system to the LAS system but does not include credit for the avoided additional costs for fire sprinklers in the MBR Building. During the previous presentation to City Council, it was estimated that this item would cost up to \$350,000. In addition to Items #1-3 above, there were other enhancements made during the final design including:

- 1. A re-circulation system was added to the hypochlorite system. This includes two pumps, piping between the tank farm and the MBR Building, and associated electrical systems. This is crucial for future maintenance due to sodium hypochlorite crystalizing if not recirculating.
- 2. Spare chemical feed pipes under the new road for future use.
- 3. Enhanced level control radar system and control features for chemical storage tanks.

#### Above Ground Chemical Piping

The chemical piping, as designed, included the following:

- 1. Shorter piping lengths because the chemical pumping skids were inside the building.
- 2. All underground piping between the pump skids and the injection points.

Based upon the CPO, operation's staff, and City Staff experience, they are recommended the following changes be made:

- 1. Change under-slab chemical piping to above ground piping. The above ground piping will be mounted on the walls and on pipe supports.
- 2. The above ground piping required the installation of precast vaults to transition from below ground piping outside the building to above ground piping inside the building. Another precast vault is required for the leak detection system to be installed.

The benefits of these improvements is in future maintenance and operability. If the chemical piping was under the slab, it would be extremely difficult to access in the case of breakages and/or replacements. These improvements were not included with the previously presented owner initiated changes.

The cost for this work is \$79,766.00.

#### MBR Building Modifications

The MBR Building original design included one male bathroom and locker room and one female bathroom and locker room. Each restroom included one toilet and the men's restroom included a urinal. The lab area did not include a vent hood.

Based upon the CPO and operation's staff recommendations, the following changes were made:

1. Modified the men's restroom to include two toilets and no urinal. This will become a unisex facility.

- 2. Modified the women's restroom to include two toilets. This will become a unisex facility.
- 3. Add a vent hood in the lab and modify of the cabinets to accommodate the vent hood.
- 4. There was also a reconfiguration of the reverse osmosis (RO) skids, piping, electrical, and floor drain system to accommodate moving the RO skids to make more room for access in the building.

These changes will make the facility more for the operations staff and will maximize the available area in the MBR Building. These modifications were not included in the previously presented owner initiated changes.

The cost for this work is \$52,780.00. The MBR Chemical Area Changes plus the changes described above will necessitate a 30 day time extension to the project timeline.

#### Item #2 - Inclement Weather Impact Nov-18 to May-19

The project has also experienced inclement weather impacts from November 2018 through May 2019. This had been verified and thoroughly reviewed. The Phase 1 time extension is 51 calendar days and a Phase 2 / Project Completion time extension is 47 calendar days.

#### Summary of Change Order No. 10 Costs:

The costs associated for this change order is in the amount not to exceed \$596,031.05 and will have a time impact of 77 calendar days. The costs for the change order are as summarized below:

| Item                                                      | Cost         |

The Contractor agrees to furnish all labor, equipment and materials and to perform all other necessary work, inclusive of the directly or indirectly related work, within the approved time extension required to complete the above Change Order items. The undersigned Contractor approves the foregoing Change Order as to the changes, if any, in the Contract Price specified for each item including any and all supervision costs and other miscellaneous costs relating to the change in Work, and as to the extension of time allowed, if any, for the completion of the entire Work on account of said Change Order. The City and the Contractor hereby agree that this Change Order constitutes full mutual accord and satisfaction for all time, all costs, and all impacts related directly or indirectly to this Change Order. The Contractor hereby agrees that this Change Order. The Contractor hereby agrees that this Change Order represents the full equitable adjustment owed under the Contract, and further agrees on behalf of himself and all subcontractors to waive all right to file any further claims or request for equitable adjustment arising out of or as a result of this Change Order or the cumulative effect of this Change Order on the performance of the overall Work under the Contract. This document will become a supplement of the contract and all provisions will apply hereto. It is understood that the Change Order shall be effective when approved by the City.

#### Change Order 22 Description - WWTP

Preliminary design of the wastewater treatment plant (Plant) began in November 2016 and was completed in May 2017. Final design of the Plant began in May 2017 and construction began in October 2018. During the design and up until March 2019, the Plant was operated by Utility Partners under contract to the City. The Utility Partners' operations team had no experience operating an MBR and/or reverse osmosis system and offered no meaningful feedback to the City or design team during the planning and design of the Plant Upgrades. In October 2018, the City hired a new Chief Plant Operator (CPO). The new CPO began attending construction meetings, reviewing the plans for the Plant, and hiring the Plant operations staff during the first quarter of 2019. The City took over operations of the Plant on March 1, 2019.

The City's new operations staff has considerable experience operating a membrane/RO plant and have provided significant feedback to the design team and City Management regarding the operations, maintenance, and upgrades to the Plant. The feedback has led to potential changes in the design that will improve operator flexibility, reduce long-term operations costs, and attempt to minimize potential risks. The majority of the potential changes involve chemical storage and usage at the Plant. Each potential change is described below.

#### MBR Building Bulk Chemical Storage

The MBR Building, as designed, included the following:

- 1. 4,400 gallon bulk storage tank for sodium hypochlorite along with the associated feed equipment for disinfection through the RO system
- 2. Aqueous ammonia storage and feed system inside the MBR Building for disinfection through the RO system
- 3. Citric acid tote storage and feed system inside the MBR Building for membrane cleaning
- 4. Anti-scalant tote and feed system inside the MBR Building to reduce scaling in the RO effluent
- 5. Open space for the future addition of sulfuric acid tote and feed system for pH adjustment (if necessary)

Based upon the CPO and operation's staff experience, they are recommending the following changes be made:

- 1. Keep the sodium hypochlorite storage and feed system, as designed, but move it across the road and combine all the bulk storage together into one facility.
- 2. Switch from aqueous ammonia to liquid ammonium sulfate (LAS). The benefits of LAS include that it is safer to handle for the operators, can be stored outside, and removes the requirement to install fire sprinklers in the MBR Building. A 1,000 gallon storage tank within a concrete containment area is proposed to be added. The addition of fire sprinklers in the MBR Building was specifically excluded from the contractor's bids due to unknowns about what was going to be required by the Fire Marshall. The separate storage room for the aqueous ammonia system would be removed along with the associated delivery system. The addition of the fire sprinklers was going to be handled via change order. Switching to LAS avoids a change order estimated at \$50,000 \$75,000.
- 3. Add bulk storage and feed system for sulfuric acid to lower the pH prior to the RO system. The normal pH range of the wastewater is within the specified operating range for the RO system but, in the experience of the CPO and staff, being able to lower the pH is a critical operating parameter when optimizing the RO system performance. A 1,000 gallon storage tank within a concrete containment area is proposed to be added.

The change to bulk chemical storage has other benefits to the City. 1) Purchasing bulk chemicals are far less expensive than buying them in smaller volume totes. This will reduce the City's long-term operating budget.

2) Bulk chemicals are delivered directly from a tanker truck into the storage tank and eliminates the manpower associated with changing out storage totes and also minimizes the potential hazards to the operators during tote change outs.

The estimated cost associated with these changes is \$390,457 and includes credits for changing the aqueous ammonia system to the LAS system but does not include credit for the avoided additional costs for fire sprinklers in the MBR Building. During the previous presentation to City Council, it was estimated that this item out cost up to \$350,000. In addition to Items #1-3 above, there were other enhancements made during the final design including:

- A. A recirculation system was added to the hypochlorite system was added. This includes two pumps, piping between the tank farm and the MBR Building, and associated electrical systems.
- B. Spare chemical feed pipes under the new road for future use.
- C. Enhanced level control radar system and control features for chemical storage tanks

#### Above Ground Chemical Piping

The chemical piping, as designed, included the following:

- 1. Shorter piping lengths because the chemical pumping skids were inside the building.
- 2. All underground piping between the pump skids and the injection points

Based upon the CPO, operation's staff, and City Staff experience, they are recommended the following changes be made:

- A. Change under-slab chemical piping to above ground piping. The above ground piping will be mounted on the walls and on pipe supports.
- B. The above ground piping required the installation of precast vaults to transition from below ground piping outside the building to above ground piping inside the building. Another precast vault is required for the leak detection system to be installed.

The benefits of these improvements is in future maintenance and operability. If the chemical piping was under the slab, it would be extremely difficult to access in the case of breakages and/or replacements. These improvements were not included with the previously presented Owner initiated changes. The total cost for these enhancements is \$79,766.

#### **MBR Building Modifications**

The MBR Building original design included one male bathroom and locker room and one female bathroom and locker room. Each restroom included one toilet and the men's restroom included a urinal. The lab area did not include a vent hood.

Based upon the CPO and operation's staff recommendations, the following changes were made:

- 1. Modified the men's restroom to include two toilets and no urinal. This will become a unisex facility.
- 2. Modified the women's restroom to include two toilets. This will become a unisex facility.
- 3. Addition of a vent hood in the lab and modification of the cabinets to accommodate the vent hood.
- 4. There was also a reconfiguration of the Reverse Osmosis (RO) skids, piping, electrical, and floor drain system to accommodate moving the RO skids to make more room for access in the building.

These changes will make the facility more usable of the operations staff and will maximize the available area in the MBR Building. These modifications were not included in the previously presented Owner initiated changes. The cost associated with these changes is \$52,780.

From (Contractor): W.M. Lyles Co. Attention: Juan C. Ahumada Phone: 951-972-2056 Email: jahumada@wmlylesco.com

PCO/DCM No.: DCM No. 8 and 10

Subject: MBR Chemical area changes and other misc. changes

Reference Documents: Clarification no. 12, 12.1 and 13

DESCRIPTION

Please review the attached change order associated with changes included in clarifications no. 12, 12.1 and 13.

This change order addresses the changes in the MBR chemical feed area. These cover the removal of the Aqueous Ammonia room and associated equipment, modifications in the layout of chemical skids and piping, and addition of sulfuric acid chemical skid and ammonia sulfate chemical skid. In addition, miscellaneous changes associated with the addition of a lab-hood and modifications of the restroom layouts are included. In addition, additional piping associated with the location of the RO skids issued in Clarification #11.

This change order also includes changes in the MBR chemical feed area and the addition of chemical storage tank farm (Chemical Storage Area #1). Included are the removal of buried chemical distribution piping inside of the MBR building and addition of a chemical storage tank farm with three single wall chemical tanks for Sodium Hypochlorite, Liquid Ammonium Sulfate and Sulfuric Acid.

The change order also include grading and yard piping changes associated with the chemical distribution piping from the chemical storage area to the MBR building. Electrical and instrumentation for all above referenced work is also included.

Notes/Exclusions:

- Concrete coating
- Chemically resistant anchors or hardware inside the MBR building.
- Pulsafeeder EH05 is being proposed in lieu of model EH25 for the chemical gear pumps.
- Fire hydrant installations per BCVWD plate 1 is not included
- Interior MBR building plastic chemical pipe coating is not included
