

City of Bel Aire Utility Advisory Committee Minutes

Wednesday, April 17, 2024

1. Called to order at 3:00 pm
2. In attendance: Dan Broyles, Terry Ercolani, Antonio Kitt, Bill Moss.
Also in attendance: Mayor Benage
3. Approval of agenda. Antonio motion, Bill second, approved
4. Approval of March 13 meeting minutes: Dan motion, Bill second, approved
5. New business
 - a. Bel Aire's Spring Festival was held on March 23 from 1pm to 3pm this year. UAC members (Antonio, Dan and Terry) shared a booth with the city's Utility Dept. Providing an opportunity to discuss, display, possibly explain and provide information to home owners about multiple concerns. Such as backflow prevention, led/copper pipe initiative, and water conservation. A few residents visited.

Backflow prevention

- Backflow was available

Lead/Copper Pipe Initiative

- Sample of pipes were available
- Deb and Tristin had flyers and a poster present

Water Conservation

- Nothing Significant to Report (NSTR)
 - b. 2023 UAC annual report: Terry will get with Art about the conservation plan and the annual report
 - c. CCUA updates: Mayor stated cost of service agreement is in work (admin order \$75K abated)
 - d. Agreement made-Keechi tree limb and brush waste disposal: 2nd Sat of the month 8am-Noon
 - e. Month of May: Did You Know (DYK) Terry will forward
6. Roundtable discussion
 - a. A former UAC member passed?
 7. Next meeting: UAC meeting May 8, 2024, 3-5 pm at City Hall Senior Center.
 8. Old, continuing, future business.
 - a. 2024 UAC field trip discussed. Maybe Wichita's new NWTP.
 9. KOMA training to take place in the near future

10. Adjournment of meeting: Antonio motion, Dan second. All approved. Meeting adjourned at approximately 4:05 pm.
