X. CITIZEN CONCERNS

Gary O'Neal, 4967 N Hillcrest, spoke about the fireworks policy. The City Code used to require fireworks vendors to be associated with a local non-profit organization. In recent years, that requirement was removed. Also, this year Wichita allowed aerial fireworks, causing the fireworks provider for the Lion's Club to relocate their tent to Wichita and remove their support for Lion's Club at the last minute. Without proceeds from fireworks, the Lion's Club cannot provide many types of support to the Bel Aire community that it has provided in the past. He asked that the Council discuss the policy for next year.
