- 2. September 1 City Offices Closed for Labor Day
- 3. September 27 Tree Board Park Clean-up |Bel Aire Rec Center 8-10 a.m.
- 4. October 4 Fall Curbside Clean-Up

VIII. Adjournment

Action: I	Motion to Adjourn.		
Motion	Second	Vote	

MINUTES PLANNING COMMISSION

I. Call to Order: Chairman Phillip Jordan called the meeting to order

II. Roll Call

Chairman Phillip Jordan and Commissioners Deryk Faber, Brian Mackey, Paul Matzek and Dee Roths were present. Commissioner Brian Stuart was absent.

Also present were Paula Downs, Director of Community Development and Maria Schrock, City Attorney attended via phone.

III. Pledge of Allegiance to the American Flag

Chairman Phillip Jordan led the pledge of allegiance.

IV. Consent Agenda

A. Approval of Minutes from Previous Meeting.

Vice Chairman Faber stated that his name was misspelled and needed to be correct.

Motion: Commissioner Mackey moved to approve the minutes with the corrected spelling of Commissioner Faber's name of May 8, 2025. Chairman Jordan seconded the motion. *Motion carried 5-0*.

V. Announcements: No announcements were made by staff.

Chairman Jordan asked about the recent comprehensive plan workshop. Staff confirmed that it was the final workshop to talk about various types of districts and central focus areas of the city. The workshop included mapping exercises. Commissioner Mackey attended and stated that they were taken through a long series of descriptions of types of areas for the city and where they could be located. The discussion included where specific types of districts could be identified across the city. Attendees reviewed the zoning district map and provided suggestions of how these areas should be labeled and where they appropriate should be designated. Commissioner Mackey liked the process because the districts had very descriptive names. The plan will be finalized and will come to the Planning Commission in August.

VI. Old Business/New Business

A. Consideration of Amendments to the Bylaws of the Planning Commission

Staff stated that the draft document reflects two items discussed during the May meeting. The items include language that states the Commission will review the bylaws annually to modifications as needed. The second item was to update the language that states Commissioners can miss no more than three (3) consecutive meetings and no more than five (5) meetings a year. Paula acknowledged receiving information on grammatical errors from Commissioner Roths and that those errors were updated. Paula confirmed that staff have been reviewing the document to ensure the content of the document agrees with state statute and that language across each section is not in conflict. The document includes language that includes best practices and provides clarity. Paula stated that text in black font is the original text on the 1991 Bylaws document, and the blue font text are items that have been added.

Commissioners discussed the following Bylaw items:

- 1. Article 1 Section 2- Membership- states that members would be appointed at their first regular meeting in May of each year. Staff confirmed that they were reviewing the reference to May and would appropriately be updating that to reflect when that would need to happen. Vacancies are being filled when they occur and not necessarily by the date reflected in the Bylaws. Commissioners suggested that Commissioner terms be staggered so that there isn't a time when all seven members are new. Paula confirmed that the terms are currently staggered. When members are appointed to fill a position- they resume that term to keep commissioners staggered. Commissioners serve three-year terms.
- 2. Article 1, Section 6- Item 9- Commissioners stated that the language was confusing when it listed the Wichita-Sedgwick County Metropolitan Area Planning Commission and Department. Paula stated that the language is correct, there is a Commission and a Department.
- 3. Article 3, Section 7- Compensation- It is understood that Commissioners will not be compensated, and state statute says that. Commissioners asked about out-of-pocket expenses including travel related to the activities as the Governing Body. There was discussion that this language should be updated because they aren't the Governing Body. Paula confirmed that the language would be clarified. Commission Jordan did ask if Commissioners could expense their mileage to come to council meetings, especially if they live outside the City. With long-term Commissioners this could add up over several years. Paula stated the language would be reviewed and clarified.
- 4. Article 1, Section 6, Item 5- Commissioners asked what extraterritorial jurisdiction is. Staff stated that this is the planning area outside of Bel Aire city boundaries or the planning environ around the city.
- 5. Article 1, Section 6- Item 9- Commissioners requested that Circle School District be added.
- 6. Article 1, Section 2- Membership- Commissioners suggested that prior to the end of a Commissioner's term that some kind of performance review be done to talk about if a Commissioner wants to serve another term or if they will resign. If they plan to resign then would provide more time to prepare for the next appointment. This could be helpful

Section IV, Item A.

- if someone is having difficulty attending meetings or some other issue. This tylenger meeting could provide more accountability and professionalism.
- 7. Article 1, Section 6, Item 6- Commissioners asked if they prepare and present a budget. Staff confirmed that it is allowed by statute, however, the Commission does not prepare and submit a budget document. The Secretary does have expenses related to the Commission meetings, but no formal budget is presented. Commissioners stated that If a budget is created then they should be reviewing it and if not then this section should be removed from the Bylaws.
- 8. Article 3, Section 4- Closed and Executive Sessions. Commissioners asked how could the discussion of a zoning case or special use permit not be discussed in the open meeting of the Planning Commission? Staff confirmed cases should be discussed in the open meeting but there may be some aspect of the case that could require a closed or executive session to discuss a legal aspect of the case such as mitigating liability to the city. Paula clarified that this language may be what was included in 1991 document and that this section will be reviewed and updated accordingly.
- 9. Article 3, Section 5- comma after required- grammatical error. Paula will update.
- 10. Article 3, Section 6- Quorum- Commissioners discussed that at a prior meeting in October there wasn't a quorum for the meeting and the meeting wasn't opened and an announcement made. The language in the document uses the word that in the absence of a quorum the meeting will be adjourned which indicates the meeting will be opened and then closed. That did not happen in October. Staff confirmed that if a meeting is opened no discussion on any item can occur without a quorum and the meeting would need to be adjourned immediately. There is an option that the meeting is not opened at all. Staff stated that if the meeting was opened and then adjourned there would be formal meeting minutes or notes would need to be made if the meeting wasn't opened. Commissioners questioned if a motion can be made and voted on to adjourn a meeting without a quorum. Staff will review and update accordingly.

Commissioners asked what happens if there are multiple Commissioners that must abstain from a particular agenda item, and they don't have a quorum to even discuss or decide a case. Staff will review and add language to address this type of occasion. Staff stated that the item might need to go to the City Council to decide.

Commissioners asked if someone needs to attend remote does that need to be included in the Bylaws. Staff stated that currently the Planning Commission is not streamed or recorded and have not historically recorded the meetings and have not had provisions for Commissioner or the public to attend virtually. Commissioners discussed that this idea may not be a good idea at this time because it's difficult to hear and the meetings are not the same when someone is attending online. Commission Faber stated he would not be opposed to streaming meetings at some point for transparency purposes but felt all Commissioners should attend in person. Staff advised that if Commissioners were allowed to attend remote additional language would need to be added to determine how many meetings would they be able to attend remotely. Commissioners didn't want to move forward.

Section IV, Item A.

- 11. Article IV, Section 5- Parliamentary Procedures Item 3- Commissioners asked clarification on what motions to receive and file is. Staff stated it was a type of agenda item that is presented for review or discussion but it not something that is voted on.
- 12. Section V, Item 10- Commission was reminded that any member abstaining or remaining silent on a vote shall be considered to have voted with the majority vote of those who voted, unless the member has a conflict of interest. If you remain silent then it's a vote with the majority.
- 13. Article 4, Section 5, Item 11- Commissioners asked for clarification on the language "when a member is disqualified from voting, they cannot be counted as present for the quorum". Does that relate to that item or the whole meeting? Staff confirmed that the paragraph starts with "item" but clarifying language will be added to the end of the sentence.
- 14. Article 7, Section 1- Commission pointed out the word "contravention" and staff confirmed that is should "contradiction".
- 15. Article VII, Section 1- Commission suggested that annually reviewing the bylaws could be updated to say they will review the bylaws every three years. Staff confirmed that they can update the bylaws at any time if needed. Staff will update the language.
- 16. Article 4, Section 1- Order of business- Commission asked the pledge of allegiance be included in the Order of Business. Staff will update.
- 17. Article 3, Section 1- Commissioners discussed the sentence "...however, that the Commission may vote to adopt another hour, date, or place of meeting. Any such change shall be published for the convenience of persons having business before the Commission." Commissioners asked if there was language in the statutes that provide a specific amount of notification time that you have to give when you change a meeting. Staff stated there was no statutory requirement however the Commission can include language of what you believe is a reasonable timeframe for notification. Staff confirmed that any change in meeting time, date, hour, would be timely published online for the public to be notified.
- 18. Article II Section 3- Staff stated that the following language had been updated- "The Chairperson shall preside over all meetings of the Commission. In the absence of the Chairperson, the Vice-Chairperson shall preside. In the absence of both the Chairperson and the Vice-Chairperson, the Senior Commissioner (the person serving the longest period of time on the Commission) shall act in the manner and capacity of the Chairperson." The Commission liked the succession being included in the Bylaws.

It was determined that due to the number of modifications/updates discussed, the Commission could make a motion to table the item and bring back to the next meeting.

Motion: Chairman Jordan moved to table the bylaws of the Planning Commission as presented. Commissioner Faber seconded the motion. *Motion carried 5-0*.

B. Review of Review Criteria for Planning and Zoning Cases (Golden Factors)

Staff presented the review criteria guide related to what is discussed when reviewing zoning cases. The handout provided information for each criteria on what questions to ask and the type of information to be considered. In addition, each criteria have a description of what information

Section IV, Item A.

can be used as a consideration. The handout helps clarify each of the "Golden Fact clear what the Commission is reviewing. Staff provided a brief history of how and why the Golden Factors were developed. Handout does not include the nearby zoning districts criteria since these are provided by Staff and are not discussed or debated. The remaining nine (9) criteria are listed in detail in the handout. Handouts were developed so that Commissioners could have them during their meetings. The handout was well received by Commission. Staff discussed that the zoning codes will begin being updated later this year to assist the Commission as cases are evaluated.

Commissioners discussed when cases are presented there is information or a "picture" of what will be developed, for example duplexes. Then after the development is approved the development changes. Commissioners asked if there was anything that could be done in the zoning code to address this. Staff confirmed that development can occur if it is appropriate to the zoning district or they can file a case to change the zoning district to allow for a different type of development. All zoning cases go before the Planning Commission and City Council for approval. Changes in zoning codes will come before Planning Commission for approval. Commissioners discussed potentially wanting a district that only allows single-family and another district that is only multi-family so that it is clear what will be built. Staff confirmed that all development are evaluated against the "Golden Factors" criteria.

Commissioners requested that staff bring the Golden Factors handout to each Commission meeting so that they are available.

Action: No action required; for discussion and review only.

VII. Approval of the Next Meeting Date.

MOTION: Commission Paul Matzek moved to approve the date of the next meeting: July 10, 2025, at 6:30 p.m. Commissioner Mackey seconded the motion. *Motion carried 5-0*.

VIII. Current Events

A. Upcoming Agenda Items:

- a. Board of Zoning Appeals Ordinance
- b. Board of Zoning Appeals Bylaws
- c. Review of Zoning Case Script

B. Upcoming Events:

- a. Cops & Bobbers Fishing Event @ Central Park Ponds- June 7
- b. Fireworks Detonation Timeframe: June 27 Midnight July 4
- c. City Hall closed for 4th of July

IX. Adjournment

Motion: Chairman Jordan moved to adjourn. Vice Chairman Faber seconded the motion. *Motion carried 5-0*.

City of Bel Aire

STAFF REPORT

DATE: 08/08/2025

TO: Bel Aire Planning Commission

FROM: Paula Downs

RE: Bel Aire 2035 Comprehensive Plan

STAFF COMMUNICATION

STATE COMMONICATION				
FOR MEETING OF	8/14/2025			
CITY COUNCIL				
INFORMATION ONLY				

SUMMARY: Bel Aire 2035 Comprehensive Plan

Background:

The city placed notification on the City of Bel Aire's website as required by city code. The affidavit of publication is provided. The comprehensive plan required notification of public hearing which was made on July 24, 2025.

In 2023, the City initiated a project to create a new comprehensive plan that descries a vision and framework for the community's development over the next 10 years. The document will serve as a roadmap for adopting new policies and initiatives that achieve its identified vision. The comprehensive plan will assist the City Council in making well-informed decisions regarding land use and capital improvements.

The plan will complement zoning regulations, development codes, capital improvement programs and other city processes.

Planning Process:

Phase 1: Community Assessment

The first phase included a review of previous planning documents and policies, land use conditions, demographic trends, and local development opportunities and constraints.

Phase 2: Community Engagement

Although identified as a specific phase of the planning process, community engagement was carried out throughout the entire project calendar. A series of stakeholder group events and listening sessions, pop-up community events, and City leadership engagement were prioritized to ensure the planning vision created is reflective of diverse community voices.

Phase 3: Planning

Following the community assessment and initial phases of the community engagement process, considerable time and effort were invested to establish a community vision. Once the vision was identified, the planning team worked to develop community goals, policies, and strategies through continued analysis and community dialogue.

Phase 4: Refine, Adopt, & Implement

During this phase, the final review of the plan occurred, followed by the official plan adoption process.

Plan Organization:

The Bel Aire 2035 Comprehensive Plan is organized into three sections and three appendices.

Section 1: Section explains how the Plan came to be, why it is necessary, and how it should be integrated into daily decisions. Of interest is the Community History visual.

Section 2: Describes the value statements and goals for the Plan. Value Statements are as follows:

- a. Bel Aire's Non-Residential Environment Will Enhance the Quality of Life for All Residents and Visitors Alike. Value includes seven (7) goals.
- b. Bel Aire's transportation system will be safe, enhance the aesthetic appreciation of the City, and provide efficient options for all transportation modes. Value includes nine (9) goals.
- c. Bel Aire's parks and recreation system will provide first class spaces and programming for all ages and abilities. Value includes six (6) goals.
- d. Bel Aire's built environment will communicate a distinct identity to create cohesion, increase community pride, and attract residents, businesses, and visitors. Value includes eight (8) goals.
- e. Bel Aire will concentrate on sustainable growth through smart investments and community communication. Value includes eight (8) goals.
- f. Bel Aire will be a destination of choice for people at all stages of life. Value has six (6) goals.

Section 3: Provides the Plan's recommendations related to future land use and the built environment. This section delivers recommendations to guide Bel Aire as the City works to achieve this Plan's vision.

The **Appendices** cover detailed background information that was considered comprehensively to form the Plan.

Appendix A: An in-depth assessment of the community that includes a snapshot of where now. It includes information on:

- Existing land use
- Existing Zoning
- Community facilities and services
- Parks and open space
- Transportation and mobility
- Environmental features
- Utilities
- Demographics
- Housing characteristics
- Property valuations
- Population characteristics; and
- Economic development profile.

Appendix B: Summaries of relevant plans and studies including:

- Comprehensive Development Plan Update 2014 2035
- Master Plan for Community Growth
- Parks Master Plan
- Bicycle and Pedestrian Plan
- Sewer Master Plan
- Water Master Plan
- Water and Wastewater Options Assessment- Phase 1; and
- Community Survey

Appendix C: A full recap of the community engagement events and findings

- Fall Festival Pop-Up Event (10.21.2023)
- City Leadership Work Session (05.14.2024)
- Stakeholder Session: Bel Aire Utility Advisory Committee (07.24.2024)
- Stakeholder Session: Bel Aire Tree Board (07.29.2024)
- Stakeholder Session: Bel Aire Seniors (08.16.2024)
- Stakeholder Session: Bel Aire Bike Walk (08.22.2024)
- Stakeholder Session: Bel Aire Lions Club (09.18.2024)
- Stakeholder Session: Bel Aire Chamber of Commerce (09.19.2024)
- City Leadership Work Session #2 (02.11.2025)
- City Leadership Work Session #3 (05.13.2025)

Planning Commission Review:

Planning Commission has been involved in community engagement events and provided input into the plan. Current discussion is to provide any modifications to the plan you feel is appropriate.

Staff Recommendation:

Staff recommend that the comprehensive plan be approved with any appropriate modifications identified by the Planning Commission.

(Notification Posted on the City of Bel Aire Website, the designated official City newspaper for the City of Bel Aire on July 24, 2025)

OFFICIAL NOTICE OF PUBLIC HEARING

TO WHOM IT MAY CONCERN AND TO ALL PERSONS INTERESTED:

Notice is Hereby Given that on August 14, 2025, the City of Bel Aire Planning Commission will consider the Bel Aire 2035 Comprehensive Plan in the order placed on the agenda after 6:30 p.m. in the City Council Chamber at City Hall in Bel Aire, Kansas:

Pursuant to Kansas Statute 12-747, the City of Bel Aire will hold a public hearing to discuss and receive input on the proposed Bel Aire 2035 Comprehensive Plan. This plan outlines the long-term vision for the growth and development of our community.

You may appear at this time either in person or by agent or attorney, if you so desire, and be heard on the matter. After hearing the views and wishes of all the persons interested in the case, the Planning Commission may close the hearing and consider a recommendation to the Governing Body, which, if approved under the City Zoning and Sub-Division regulations, would be effectuated by city code. The public hearing may be recessed and continued from time to time without notice.

DATED this <u>23</u> day of July 2025.

/s/ Paula L. Downs

TABLE OF CONTENTS

- 4 INTRODUCTION
- 11 VALUE STATEMENTS & GOALS
- 19 LAND USE & GROWTH FRAMEWORK
- A-1 APPENDIX A COMMUNITY ASSESSMENT
- APPENDIX B SUMMARY OF RELEVANT PLANS & STUDIES
- C-1 APPENDIX C COMMUNITY ENGAGEMENT SUMMARY

INTRODUCTION

In 2023, the City of Bel Aire embarked on the creation of a new comprehensive plan - a guiding document that describes a vision and framework for the community's development over the next 10 years. City leaders in Bel Aire recognized the importance of having a community-driven blueprint to help guide the future.

CONTEXT

The Bel Aire 2035 Comprehensive Plan is the result of considerable analysis and study of the community as it exists today, as well as significant collaboration, participation, and input from Bel Aire leaders and identified stakeholder groups throughout the planning process.

What is now the City of Bel Aire began originally as an improvement district close to Wichita, Kansas. Incorporated on November 26, 1980, Bel Aire is currently a city of the second class located in the northeastern portion of the Wichita Metropolitan Statistical Area (MSA) in Sedgwick County, Kansas. The City currently occupies approximately 6.4 square miles – or 4,091 acres – of land. Major regional roadways within proximity to Bel Aire include K-96, K-254, and I-135. The study limits for the Bel Aire 2035 Comprehensive Plan include the incorporated City limits and the land designed as the City's extraterritorial jurisdiction (ETJ), or as referenced by Sedgwick County, the "Area of Influence."

COMPREHENSIVE PLAN PURPOSE

The updated comprehensive plan will serve as the City's roadmap for adopting new policies and initiatives that achieve its identified vision. Implementing these changes will require coordinated effort between city departments, residents, and other partners engaged throughout the planning process. The Bel Aire 2035 Comprehensive Plan will assist the City Council in making well-informed decisions regarding land use and capital improvements – decisions that will have long-lasting impacts on how Bel Aire grows and develops. Equally important, the Bel Aire 2035 Comprehensive Plan can help communicate the community's aspirations and goals to private sector investors, local institutions, businesses, and residents.

From a practical standpoint, the Bel Aire 2035 plan will serve as a playbook for local officials to understand the appropriate types of development and land uses in the City, realizing that each new development or redevelopment project creates a lasting impact on the City's design, built form, economic well-being, and quality of life.

MAP 1-2 - REGIONAL CONTEXT

t is important to note that a comprehensive plan does not replace zoning regulations, development codes, capital improvement programs, or other regulatory documents. Instead, the Bel Aire 2035 Comprehensive Plan will serve as the foundation for updates to those policy documents and implementation tools.

Comprehensive plans should be reviewed and revised regularly to respond to shifts in economic or demographic conditions, changes in state and federal law, the impacts of existing policies and past decisions, and new implementation tools or resources that would benefit the desired outcomes of the plan. At least once a year, the Planning Commission should review or reconsider the plan to comply with state statute and may propose amendments or updates. Without regular evaluation and monitoring of progress, the plan will lose its effectiveness in achieving and upholding the shared vision for Bel Aire.

In summary, the Bel Aire 2035 Comprehensive Plan serves several key purposes:

FUTURE VISION

This plan represents consensus on Bel Aire's desired long-term future. It is the fundamental guiding planning document for the City Council, Planning Commission & Board of Zoning Appeals, City departments, and other partner agencies and organizations.

LAND USE & GROWTH FRAMEWORK

This plan provides a land use and growth strategy that promotes the highest and best use of land while attempting to reduce land use conflicts. It aims to increase the benefits land can provide in terms of residential and employment opportunities, transportation options, recreation, and open space. These benefits should be sustainable so that current and future generations of residents and stakeholders can thrive in Bel Aire.

PUBLIC INVESTMENT GUIDE

The Bel Aire City Council and City departments should use this plan to guide decision-making regarding capital improvements and investments in community facilities and infrastructure. Other investments may involve specific area management and enhancement efforts (high-value corridors, neighborhoods, etc.), community design and placemaking initiatives, neighborhood conservation, arts and culture, and historic preservation. The City is also encouraged to seek grant opportunities and other funding sources at the regional, state, and federal levels.

PRIVATE INVESTMENT GUIDE

Developers, industries, entrepreneurs, and others interested in investing in Bel Aire can use this plan to gain insight on land use policies and development opportunities. This type of community stakeholder will view sound long-range community planning as critical to ensuring the viability, stability, and long-term success of their projects and investments in Bel Aire.

PLANNING PROCESS

Preparing the Bel Aire 2035 Comprehensive Plan involved a multiple phase planning process starting in 2023 and ending in Month 20XX.

PHASE 1: COMMUNITY ASSESSMENT

The first phase included a review of previous planning documents and policies, land use conditions, demographic trends, and local development opportunities and constraints.

PHASE 2: COMMUNITY ENGAGEMENT

Although identified as a specific phase of the planning process, community engagement was carried out throughout the entire project calendar. A series of stakeholder group events and listening sessions, pop-up community events, and City leadership engagement were prioritized to ensure the planning vision created is reflective of diverse community voices.

PHASE 3: PLANNING

Following the community assessment and initial phases of the community engagement process, considerable time and effort were invested to establish a community vision. Once the vision was identified, the planning team worked to develop community goals, policies, and strategies through continued analysis and community dialogue.

PHASE 4: REFINE, ADOPT, & IMPLEMENT

During this phase, the final review of the plan occurred, followed by the official plan adoption process.

PLAN ORGANIZATION

The Bel Aire 2035 Comprehensive Plan is organized into three sections and three appendices. The first section explains how the Plan came to be, why it is necessary, and how it should be integrated into daily decisions. Section 2 describes the value statements and goals for the Plan.

Section 3 provides the Plan's recommendations related to future land use and the built environment. This section delivers recommendations to guide Bel Aire as the City works to achieve this Plan's vision.

Lastly, the appendices cover detailed background information that was considered comprehensively to form the Plan. The three appendices include an in-depth assessment of the community (Appendix A), summaries of existing plans and studies (Appendix B), and a full recap of the community engagement events and findings (Appendix C).

INTRODUCTION

VALUE STATEMENTS & GOALS

LAND USE & GROWTH FRAMEWORK

APPENDIX A - COMMUNITY ASSESSMENT

APPENDIX B - SUMMARY OF RELEVANT PLANS & STUDIES

APPENDIX C - COMMUNITY ENGAGEMENT SUMMARY

COMMUNITY HISTORY

September 25, 1980

Bel Aire residents petitioned Sedgwick County to make their district a third-class city. It takes a unanimous vote of the commission to grant their request. Due to an intense hearing, the county commission delayed their decision.

November 26, 1980

The County received intense lobbying from both sides. Finally, by late November, they voted to allow Bel Aire to be formally incorporated as a city and the county adopted the official order of incorporation.

February 17, 1981

Bel Aire's first election! A total of 17 candidates sought 6 seats. Winners were Bill Cox, Charles Eaton, Delbert Hinkle, Geene Postlethwaite, and Patricia Morgan. Bill Brookhouser became Bel Aire's first Mayor.

September 2, 1981

October 3, 1981

Bel Aire holds first Celebration Day marking a time of hope and expectations.

March 1982

Bel Aire residents learned the shocking news: Sedgwick County District Judge Michael Corrigan overturned the county's decision to incorporate, arguing that county offcials had not fully considered whether the decsion was really in the area's best interest.

Bel Aire leaders vowed to fight for their city!

April 13, 1982

Bel Aire residents marched on Wichita's City Hall to show a united front against Wichita's objections against Bel Aire's incorporation.

October 22, 1982

The Kansas Supreme Court handed down the final judgement after two years of controversy. Deliberations had taken over a month. WITH A VOTE OF 5-1:

BEL AIRE'S INCORPORATION WAS LEGAL! **January 8, 1983**

Growth plans that came to a standstill while the courts deliberated are moving ahead! Within the last three months, construction started on three major housing developments.

April 1983 Charles Eaton becomes mayor.

September 17, 1983

Proclaimed Bel Aire Family Affair Day by Mayor Eaton so that all citizens may once again join hands in unity and fill the streets with laughter.

April 1984

Johnston's Ye Olde Ice Cream Shoppe and golf pro shop opens on the southeast corner of 45th & Woodlawn.

October 1984

Proposed routing of K-96 is set to run through Bel Aire which would bisect Bel Aire in two places. Leaders felt this would change the identity of Bel Aire. In time, the location changed to cut to the south missing Bel Aire.

January 1985Sunrise Bible Chapel on 45th Street between Woodlawn and Oliver was completed.

February 1985
City Hall, operating out of the basement of Sedgwick County Fire District #1 along Woodlawn, gets a computer system for a bid of \$21,832.

New state law came into effect that designated a portion of the county sales tax to go directly to the county's subdivisions, including the individual cities. This new revenue source allowed Bel Aire to finance a number of needed improvements such as the establishment of a maintenance department and kicked off the search for a City Hall.

July 13, 1985

A leak in Bel Aire's main water line required Mayor Eaton to drive around town alerting residents with a bullhorn to stop using their sprinklers. Luckily the alert measure worked well but guickly spurred the need of a new process in alerting residents for the future.

December 1986

Bel Aire city offices have new home at the former Church of the Nazarene at 4551 N. Auburn.

April 1988

Arrangement made between Bel Aire and Wichita for a 20 year purchase of water from Wichita but retained the use of its own distribution and billing system.

February 1989

Catholic Diocese held a ceremony launching the construction of a massive complex called the Spiritual Life Center which includes housing for priests and facilities for various levels of senior lifestyles and care It will be found spread out on 140 acres on the corner of Woodlawn and 45th St.

November 1990

Installation begins on school crossing signals on 45th St North.

1992

1993

Developer K.C. "Buck" Alley and his wife donated over 6 acres north of 47th street to be a park. Now known as Alley Park.

Resurrection School is established.

Bel Aire approaches Wichita about annexing more territory due to growth. Wichita states water contract from 1987 does not allow Bel Aire to serve outside city boundaries.

October 7, 1994

Bel Aire Recreation Center opens and offers activities for both youth and seniors.

Clarence Johnson begins airing city council meetings on cable channel 7. He would continue to air the meetings for the next 15 years.

April 13, 1996

Arbor Day celebration ensues with a planting in honor of the city's first police chief Milton Mills.

1997

Park City invited city leaders of Bel Aire, Kechi, and Valley Center to attend a special council meeting to discuss working together to develop a regional drinking water supply. There was no interest at that time and nothing developed.

April 1997

Bel Aire installed its latest council include Sharla Perry Gary O'Neal, Mary Dicke, and Harold Smith.

March 1998

Harold Smith and Jim Dunning resigned from their positions. City Council president Lyle Ackerman assumed the role of mayor for the second time. The City decided to pursue the hiring of a full time city administrator, Tim Johnson, who was a resident of Bel Aire.

1998

The city experienced one of its biggest growth spurts, going from just over 1,800 in 1990 to over 5,500 by 1998.

City dedicated Brookhouser Park in Willow Creek in honor of the city's first mayor.

April 1999

Gary O'Neal won mayoral race. Council members were Sharla Perry, Mary Dicke, Greg Mittman, Maurice Terrebonne, and Carolyn Marlier.

1980 - 1983

1984 - 1990

1991 - 1999

2000

Richard Gale became the second full-time city administrator of Bel Aire.

2000

Bel Aire became the first city in Sedgwick County to provide curbside recycling.

2001

Chisholm Creek Utility Authority (CCUA) was born to provide municipal services to Park City and Bel Aire. This allowed Bel Aire to service outside city limits.

In pursuit to purchase a small parcel of land to construct a new water tower to the north, city leaders saw an opportunity to purchase land northeast of town for future development and to prevent the land from being taken by another entity such as Kechi or Wichita. The city decided to acquire 389 from the Tjaden family, from 53rd Street down to 45th Street west of Rock thus kicking off a scramble for land in Sedqwick County.

2002

The creation of Chisholm Creek Utility Development Authority, LLC by city and two private developers was made in order to quickly acquire land. It was later renamed Bel Aire Development Authority in 2004. With these efforts, Bel Aire was able to annex a total of 2,200 acres which tripled the City's land area and extended the city's boundairies to the far north and east of the original developments of the old improvement district.

June 2003

City develops 320 acre tract called Central Park containing 500 residential lots and several commercial tracts.

May 2004

City Hall at its new location in Central Park is complete.

March 2005

The City and Tree Board celebrated Arbor Day with planting 100 trees west of the bridge on Central Park Ave to Woodlawn

April 2005

New leaders emerged from elections. Brian Withrow became Mayor.

Richard Gale stepped down from city administrator. Barb Crouse filled his position until Alan Morris came in 2006.

April 2005

An emu was running loose at 45th & Rock Rd. With the assistance of Bel Aire Police Sunrise staff was able to get it safely back in the pen. Although, it was later determined that the emu didn't belong to Sunrise and it was returned to the owne Not only did it catch local attention but also the attention of national news media.

November 2005

Bel Aire became the first city in Sedgwick County to be smoke-free.

February 2006

First edition of the Bel Aire newspaper was released! Name still to be determined. By the next edition it was titled the Bel Aire Breeze.

February 2006

Bel Aire Development Authority LLC was dissolved by the City Council.

December 2006

Wickham industries opens their doors at their new home in Bel Aire sitting on 10.3 acres on the corner of 45th Street and Webb Rd.

March 2006

The water and sewer department was created.

Summer 2006

Bel Aire Central Park Community Pool opens.

2007

Harold Smith won mayoral race. Ty Lasher was hired as full-time city administrator.

September 2007

USD 259 district officials shared interest to build both a high school and elementary school in Bel Aire. There is some disagreement between USD 259 and USD 375 on altering school boundary lines.

May 2008

Catholic Care Center started a \$2.5 million renovation to turn two wings into a 32-bed special Alzheimer's care unit. This wing would expand the Alzheimer care unit to a total of 72 beds.

July 2008

The Bel Aire Recreation Department has reached record numbers of baseball and softball teams with most of the credit due to the new youth field constructed in March.

July 28, 2008

School boundary dispute ends after year long dispute between Wichita and Circle school districts. The Circle school board denied Wichita's request to a boundary change and negotiations proved unsuccesful. The Wichita district did not want to take the matter to the state school board and create potential for a highly politicized decision.

August 2008

Bel Aire Area Chamber of Commerce is formed

Linking Community & Busine

A 1% sales tax was put on the November 4th ballot that would allow a projected \$140,000 per year to be used on new streets or reconstruction of new streets for a period of 10 years. It did not pass.

November 2008

Bel Aire gets a new website. The site features surveys and information about what is happening around Bel Aire.

January 2009

Leatherman's Dental opens at 3837 N Woodlawn. The first medical office in the city.

Se

February 2009

Senior Patrol volunteer program begins. Larry Anderson and Ed Bole serve as first two senior patrol officers.

March 2009

Bel Aire selected a new city logo.

November 2009

After months of negotiations, Bel Aire City Council accepted a contract from USD 259 for the purchase of 140 acres at two locations along 53rd Street for \$1.781 million.

March 2010

Ty Lasher, current City Administrator, shifted to City Manager which focused more of the day to day responsibilities of the city management from the mayor to Lasher.

September 2010

KaBoom! recognizes the city's efforts to encourage residents to play and is selected as a 2010 Playful City USA community. The City continued to receive this recognition each year until the program ended in 2017.

N V

October 2010

New schools break ground in Bel Aire. USD 259's new K-8 school will be constructed on the southeast corner of 53rd Street and Woodlawn and the high school will be on the north east corner of 53rd and Rock Rd.

Utility bills can now be e-mailed to residents if desired

2011

Due to state budget cuts on education, USD 259 school boundaries changed; schools would no longer be new institutions but new homes to current schools relocated to the new locations. The high school will be the new home to Northeast Magnet High School and the K-8 school will serve Bel Aire students in kindergarten through 5th grade as well as students from Isely Traditional Magnet Elementary.

November 2011

August 2012

Construction on schools completed and new school year begins for all schools in Bel Aire including Isely Elementary and Northeast Magnet High School.

November 5, 2012

Sunflower Commerce Park breaks ground! It would become the home to Century Manufacturing (2013), Buzzi Unicem USA (2015), Fed Ex (2015), Wichita Hoops (2014), Nordic Stone LLC (2016), SCKEDD (2016), Epic Sports (2017), and Empire Wall (2019).

2000 - 2005

2006 - 2008

2009 - 2012

February 2013

Century Manufacturing started operating in its new 36,000 square-foot facility in the Sunflower Commerce Park. It's the first tenant at the new commerce park.

April 2013

David Austin gets elected as Bel Aire's new mayor. Council includes Guy MacDonald, Peggy Sue O'Donnell, Ramona Becker and Betty Martine.

August 12, 2013

First Hot Dawgs Pool Party was hosted at the Central Park Community Pool. It was a success and continues to remain an annual event.

November 2013

Bel Aire received funding from the Kansas Department of Transportation for rail siding in the Sunflower Commerce Park. The rail siding, built off the main Union Pacific line running through the 800-acre park, will increase the shipping capabilities for manufacturing businesses.

April 11, 2014

Rock Ridge Family Medicine, at 53rd and Rock Rd, held a ribbon cutting ceremony at its new home in Bel Aire.

February 2015

New entry signs are to be installed at various locations throughout the City. The first one will be located at 37th and Woodlawn.

April 2015

City leaders toured the newly opened Broadstone Apartments complex in the 5600 block of North Lycee. The apartments include 48 units.

September 2015

The Adopt-A-Hydrant program, which allows homeowners the ability to get creative painting fire hydrants while also assuming the maintenance, gained momentum. A minion, dalmation, Batman, and WuShock popped up around town.

August 2016

IThe city is named one of the fastest-growing cities in Sedgwick County

November 2017

Elections bring about big changes to city council with four new members taking office in January. Incoming Council members are Jeff Elshoff, Jeff Hawes, Justin January 2018

Smith, and Jim Benage.

New hours are established for City Hall in order to better serve customers.

ter serve customers.

April 16, 2019

City Council voted 4-1 in favor of a three-lane expansion of Woodlawn from the railroad tracks on Woodlawn to 45th with a signalized intersection at 45th St.

November 2019

Election once again brought changes. Jim Benage was elected as Mayor which created an open vacancy to be filled in 2020. Joel Schroeder and Diane Wynn were elected alongside side current council members Justin Smith and Jeff Elshoff.

January 2020

Bel Aire kicks of 40th Anniversary with a celebration sharing a past to present exhibit, and presentation from Jay M. Price, author of "A City of the Future - The Story of Bel Aire, Kasnsas."

March 2020

The City adapts city services to make safety a priority as COVID-19 hits. The Spring Festival was canceled but Bel Aire Police Officers find a way to connect and spread cheer by delivering eggs door to door.

October 2020

A secure ballot drop box was installed by Sedgwick County at Bel Aire City Hall next to the city's utility drop off box. This is an additional way for voters to return their advance mail ballots.

November 17, 2020

City Manager Ty Lasher was presented the Buford Watson Jr. Award. This is the state's highest honor in the city and ccounty management professions..

Febuary 2021

Clinic in a Can is moving to Bel Aire! Clinic in a Can transforms ordinary shipping containers into fully functioning medical facilities that can be transported and set up anywhere in the world.

222

July 2022

Catholic Care Center is expanding by adding a Senior Behavioral Health Hospital on its campus. The hospital is part of a \$13 project which also includes renovations of the center's long-term care residence.

August 20, 2022

Ribbon cutting for new disc golf park in Alley Park was held.

November 9, 2022

A groundbreaking ceremony was held for a new senior housing complex located at the southeast corner of 53rd North and Oliver. Homestead Senior Living is constructing nine quad-plex buildings for a total of 36 units.

February 2023

Integra Technologies announced their plans to build a 1 million square foot building at the southeast corner of K254 and Rock Rd..

April 2023

Bel Aire recieves \$4.7 million BASE 2.0 grant for infrastructure improvements to serve Sunflower Commerce Park.

2013 - 2019

2020 - 2023

VALUE STATEMENTS & GOALS

Section 2 describes the value statements and goals that set the tone for the City over the next 10 years.

VALUE STATEMENTS & GOALS

ection 2 of this plan serves to summarize Bel Aire's standards and ethics - it represents the overarching ideals of the City. The following value statements were a result of the Community Engagement process, meaning they came from the stakeholders of Bel Aire themselves, and have been infused with planning expertise and key findings from the Community Assessment phase. They guide the goals this plan recommends. Using this framework allows this document to serve as a modern best-practice guidebook for Bel Aire, grounded in its own values.

As shown in Appendix C, this plan had extensive community engagement, interacting with stakeholders from Bel Aire at ten different events. While this provides a breadth of information, it does not address every individual opinion and does not claim to be all encompassing. This was taken into consideration when drafting the plan. While not without its shortcomings, the value statements and goals in this plan have been developed with and for the citizens of Bel Aire.

VALUE STATEMENTS express a common belief or principle found in Bel Aire. These ideas were often discussed at multiple different events and with gusto. They should be guiding principles that can aid future decisions in all aspects of the City. Bel Aire 2035 expresses six value statements for the City.

GOALS are target points that support each value statement. They are guard rails that can serve to orient action from the City. Goals in this plan are a mix of being intentionally broad to allow for creativity and flexibility while Bel Aire develops towards its values, and concrete and actionable steps Bel Aire can take to uphold its values.

ECONOMIC DEVELOPMENT

VALUE STATEMENT _____

BEL AIRE'S NON-RESIDENTIAL ENVIRONMENT WILL ENHANCE THE QUALITY OF LIFE FOR ALL RESIDENTS AND VISITORS ALIKE.

Currently, Bel Aire's population must leave the city limits to access most commercial amenities, be they practical things like groceries and clothing or entertainment and restaurants. Due to this situation, Bel Aire is not a common destination for residents of the larger Wichita metropolitan area. By adding in more local commercial options, residents will have opportunities to dine and shop close to home, and visitors will have a draw to come spend money in Bel Aire. This can also add to the character of the town, as well as stabilize the tax base by increasing the city's income in sales tax.

- 1. Review internal regulatory processes with the goal of streamlining operations, i.e. applications, application processing, fees, internal reviews, etc., to ensure high levels of service for those wishing to do business in Bel Aire.
- 2. Review and amend adopted regulations to identify inconsistencies, improvements, and revisions. The focus of review should be on the incorporation of modern best practices for non-residential regulation tailored specifically to assist with the implementation of this Plan.
- Support small/local business development.
- 4. Strengthen relationships and communication with regional development entities.
- 5. Explore a public-facing GIS portal providing access to accurate and relevant zoning and land use information.
- 6. Review and market economic development incentive policies and processes.
- 7. Continue to monitor and refine process coordination with the Metropolitan Area Building and Construction Department.

TRANSPORTATION

VALUE STATEMENT _____

BEL AIRE'S TRANSPORTATION SYSTEM WILL BE SAFE, ENHANCE THE AESTHETIC APPRECIATION OF THE CITY, AND PROVIDE EFFICIENT OPTIONS FOR ALL TRANSPORTATION MODES.

Bel Aire's street infrastructure is focused on vehicles, often leaving citizens without the option to ride a bike or walk to a destination. However, many of Bel Aire's streets are still two-lanes with ditches on either side. This is positive, as the city can intentionally plan for all mobility types as upgrades are made. Improving the ability to bicycle or walk in Bel Aire will improve the quality of life for all residents, especially children and those who are retired.

- 1. Develop a transportation system master plan identifying key corridors, future vehicular and pedestrian connections, recommended regulation revisions, typical street sections, etc.
- 2. Consider the development and adoption of a Complete Streets Policy and related design guidelines.
- Review and amend adopted regulations and standards related to sidewalk requirements both within neighborhoods and connecting neighborhoods.
- 4. Explore a multi-use pathway connection into regionally significant trail systems.
- 5. Explore public transportation options between Bel Aire and the surrounding communities.
- 6. Continue to implement existing pavement maintenance program, establish a regular interval of condition reassessment, and add sidewalks and pathways into the system.
- 7. Consider crash reduction, prevention, and mitigation in all transportation system projects both vehicular and pedestrian.
- 8. Assess additional funding/revenue sources for transportation system improvements and maintenance.
- Ensure that the City's desired land use goals are coordinated with transportation system improvements.

PARKS & RECREATION

VALUE STATEMENT ____

BEL AIRE'S PARKS AND RECREATION SYSTEM WILL PROVIDE FIRST CLASS SPACES AND PROGRAMMING FOR ALL AGES AND ABILITIES.

Throughout the engagement phase of this plan, Parks & Recreation was a top priority for many citizens. Bel Aire's current parks are well kept and serve the community but could be expanded. The recreation programming is very appreciated, especially amongst young families. A focus should be put towards maintaining and expanding the parks & recreation system, especially to include options for citizens of all physical abilities. Ideas for this include wheelchair accessible swings at the playground and including universal design principles into parks and playgrounds.

- 1. Establish a Park, Recreation, and Trails Advisory Board.
- 2. Consider developing performance measures to assess parks and recreation levels of service, and plan improvements/additions accordingly.
- 3. Assess public dedication policies and regulations during development proposals related to parks, recreation, and open space.
- 4. Assess additional funding/revenue sources for parks and recreation system improvements and maintenance.
- 5. Monitor operation and maintenance budgets and staffing levels as parks and recreation assets/programs are added and/or improved.
- 6. Continue to audit existing spaces, facilities, equipment, and programs to ensure adequate accessibility for all ability levels.

COMMUNITY IDENTITY & CHARACTER

VALUE STATEMENT _____

BEL AIRE'S BUILT ENVIRONMENT WILL COMMUNICATE A DISTINCT IDENTITY TO CREATE COHESION, INCREASE COMMUNITY PRIDE, AND ATTRACT RESIDENTS, BUSINESSES, AND VISITORS.

An often-discussed topic during the engagement phase of the plan was Bel Aire's lack of a recognizable identity. Part of this conundrum can be solved through better aesthetic planning of city streets and streetscaping. This could include considering installing smaller, more ornamental streetlights or adding benches and trees along sidewalks. Small changes to the environment can make big differences in how people perceive the environment. The goal is for residents to know they are home when they cross the Bel Aire city limits, and for visitors to recognize they are no longer in Wichita.

- 1. Evaluate public placemaking initiatives for projects of all scales.
- 2. Encourage placemaking projects during private development projects.
- 3. Encourage unique and differentiating right-of-way treatments along key corridors to enhance Bel Aire's sense of place.
- 4. Continue to develop and enhance signature events.
- 5. Encourage civic participation with community clean up days, community walks, etc.
- 6. Assess the City's marketing strategy and assets to ensure they align with the City's identity and goals.
- 7. Consider overlay districts and/or design guidelines within key corridors.
- 8. Consider cohesive enhancements at identified major gateways into the City.

GROWTH & INVESTMENT

VALUE STATEMENT _____

BEL AIRE WILL CONCENTRATE ON SUSTAINABLE GROWTH THROUGH SMART INVESTMENTS AND COMMUNITY COMMUNICATION.

The entire Wichita Metro Area will likely continue to grow over the next 15 years. Bel Aire will want to be a part of that growth in an efficient and sustainable way. The City can position itself to offer high quality experiences for developers and residents alike, but must be intentional in order to do so. Bel Aire can use planning best practices to ensure the City's money is being well-spent on maintenance and upgrades, as well as new development. Prioritizing public communication and transparency will aide in this process for both developers and citizens, building trust and excitement between the local government and its constituents.

- 1. Develop and maintain a structured Capital Improvement Program, including a public-facing utility for the public to monitor progress.
- 2. Explore a public-facing GIS portal providing accurate utility and transportation information.
- 3. Review and plan for improvements set forth in the utility master plans adopted by the City.
- 4. Review smart growth principles, including a "return on investment" perspective, when considering infrastructure and utility improvements/ extensions and land use decisions.
- 5. Continue to assess and participate in regional issues related to water supply/treatment and sanitary sewer treatment.
- 6. Consider regulations and establish coordination with regional entities aimed at protection of Colonel James Jabara Airport.
- 7. Enhance efforts to ensure citizens are aware of public decision-making processes.
- 8. Foster relationships with USD 259 and USD 375 in order to enhance local educational opportunities.

HOUSING

VALUE STATEMENT _____

BEL AIRE WILL BE A DESTINATION OF CHOICE FOR PEOPLE AT ALL STAGES OF LIFE.

Retaining residents in Bel Aire over the next 15 years will largely hinge on housing. If a resident is able to rent or purchase a starter home in town, move into a larger home as their family expands, and then downsize during retirement, Bel Aire will have served them well. The City can proactively take steps to ensure that missing pieces of housing stock are incentivized and eventually built to keep residents in Bel Aire. Exploring multiple density options, including the "missing middle" is typically a net positive for resident retention, and can improve housing affordability without compromising quality.

- 1. Review internal regulatory processes with the goal of streamlining operations, i.e. applications, application processing, fees, internal reviews, etc., to ensure high levels of service for those wishing to do develop housing in Bel Aire.
- Review and amend adopted regulations to identify inconsistencies, improvements, and revisions. The focus of review should be on the incorporation of modern best practices for housing regulation tailored specifically to assist with the implementation of this Plan.
- 3. Promote multiple housing types and densities of housing to ensure residents at all stages of life can remain in Bel Aire.
- Support and encourage the maintenance and redevelopment of underutilized and/or deteriorating existing neighborhoods.
- 5. Foster the creation of a local and incremental development community that is responsive to local housing needs, i.e. accessory dwelling unit policies, renovation programs, regulation reform, public education, permitting process, etc.
- 6. Explore amending or redoing the zoning code, especially as it pertains to residential development, to ensure best practices are in place for the City, the developer, and the citizens.

LAND USE & GROWTH FRAMEWORK

The Future Land Use Map is a critical component of every comprehensive plan. This section outlines the framework that builds Bel Aire's future land use plan, using a place-based approach.

PLACED BASED APPROACH

ommunities are more than just a location or spot on a map. Communities are a unique collection of qualities and characteristics – visual, cultural, natural, and social – that provide meaning, purpose, and identity. This sense of "place" is what makes our physical environment valuable. Places have a strong identity and character that is felt by residents and visitors. A focus on place creation is a way to shape the future of communities by focusing on the look and feel of the built environment as opposed to focusing only on land uses.

This Plan's approach to future built environment planning utilizes a "place-based approach" for land use and development patterns. The emphasis for this approach is that future physical development will be based on character of the built environment and site design rather than exclusively relying on general or specific use of land. A traditional land use map that separates uses does not consider the complex fabric of a community. A traditional land use map can result in less flexibility restricting a community's ability to adapt as local trends shift and new local patterns emerge and evolve over time, which can lead to inefficient and undesirable community development patterns. Utilizing this place-based approach allows development to occur in conformance with the community's vision over time as opposed to a particular moment in time.

Three levels of analysis are utilized in our place-based approach:

CHARACTER CONTEXT ZONES

The overarching principle behind Character Context Zones is that development should differ depending on the surrounding context. For example, in a more rural setting, there is more natural open space. In a suburban setting, there are similar amounts of open space, built space, and transportation infrastructure. Lastly, in an urban setting, built space is the predominant experience. The figure below illustrates this concept. Character Context Zones are used as our initial tool for the place-based approach to future growth and development within a community. These zones identify the general development character for large areas of the City. The three Character Context Zones that are utilized during the development process for the Future Land Use Map are Rural, Suburban, and Urban and are depicted on Map 3-1.

RURAL

The **RURAL** context zone has mostly **open space** with limited amounts of **built space** and **driving space**

The **SUBURBAN** context zone has an even amount of **open space**, **built space**, and **driving space**

The **URBAN** context zone has mostly **built space** with limited amounts of **driving space**and **open space**

In the Rural Context Zone there is not a significant amount of development. Primarily, supported land uses include farming and agricultural land, natural open space, and low-density development. It is not anticipated that infrastructure such as potable water and sanitary sewer are currently available or will be extended in the future. These areas are likely served by rural roadway cross sections (ditch drainage, no sidewalks, etc.).

Rural road section providing two lanes and ditch drainage.

The Rural Context Zone has low density development and agricultural uses.

Rural homes have plenty of open space.

Rural areas may contain Parks and Recreation space in the form of trails or natural preservation areas.

The Suburban Context Zone reflects a built environment that consists of residential neighborhoods of various density, supportive non-residential centers, and areas supporting light industrial and employment services. Areas throughout the community identified as suburban are typically segmented in specific and separate land uses and focus on transitions between development types. Nonetheless, the Suburban Context Zone should look to promote quality of life elements such as walkability and placemaking efforts like the Urban Context Zone just at different scales and intensities.

A typical suburban road section should provide adequate space for pedestrians, cyclists, and vehicles with some level of streetscaping.

A suburban context zone has connected streets and a mix of uses.

Suburban context zones have diverse housing.

Parks and Recreation assets in the Suburban Context Zone can be programmed pools, parks, or open grespace.

The Urban Context Zone focuses on areas of the community that can support higher density development patterns. The Urban Context Zone aims to create balance when combining land uses within an area, a specific development site, or building. Additionally, the Urban Context Zone promotes quality of life elements such as walkability and placemaking efforts by putting people at the center of the design.

An Urban street section provides narrow driving lanes, protected pedestrian and cycling infrastructure, on street parking, and more intense streetscaping and amenity design.

The Urban Context Zone includes higher density, connected street networks, and keeps major transportation corridors on the edge of the district.

Mixed use is common in both Suburban and Urban context zones, however more so in the Urban Context Zone where buildings are generally taller.

Urban Parks and Recreation assets are often located near city centers or important civic landmarks.

38

ELEMENTS OF PLACE

Whether our focus is rural, suburban, or urban, our goal is the creation of places. For places to be created, certain elements must exist. The elements may be utilized in different scales and intensities but are nonetheless present in each Context Character Zone. We utilize four major elements of place: Green Spaces, Corridors, Complete Neighborhoods, and Centers. With few exceptions, each element will be represented in each context zone and will contain multiple place types.

coops.

REENrishACES

(7)

OENIGERS

Green spaces are undeveloped land preserved for environmental and/ or recreational benefit. Green spaces may have conditions making them unsuitable for development or they may be undeveloped due to intentional preservation. These may include areas of elevated flood risk, those containing natural monuments, or areas of ecological significance. Depending on context, green spaces can be completely undeveloped (preserved) or can be developed as park and recreation assets.

Centers are a critical mass of activity

ranging in scale and intensity based on the surrounding context. These can include urban city centers, employment or educational campuses, and even rural

Corridors provide for the movement of people and goods within and outside of the city, including streets, roads, highways, rail lines, and trails. They connect areas and destinations within a community. Corridors are represented at various scales and can reflect varying forms of development based on the surrounding context. These can be oriented towards cars, freight, pedestrians or cyclists, but the most successful corridors are designed for multiple travel types.

COMPLETE NEIGHBORHOODS

A complete neighborhood is a residentially focused area with safe and convenient access to daily needs. Complete neighborhoods are connected internally and externally and can include various scales and forms of residential development. Community, recreation, and green spaces are embedded in the neighborhood.

PLACE TYPES

The third and final level of analysis in the place-based approach utilizes 'place types'. Place types describe and illustrate the desired character to guide future growth and development. Place types organize future patterns for a community, set a desired community fabric, promote a competitive environment, and encourage greater land use diversity. The place type framework builds on the idea of establishing unique and desirable places that are essential to a complete community that is harmonious, inviting, and resilient. Place types are not necessarily concerned with the specific use of each parcel in a community, but rather focus on collective uses for areas with the overall ambition to establish places.

This Plan's approach identifies and describes 10 place types within the community that, together, accommodate a full range of land use types. Each place type includes the following attributes:

- Land Uses are a list of land uses appropriate within the place type. This list is representative only, and the community may determine that additional land uses, similar in nature, may be compatible with the place type designation.
- Existing Bel Aire Zoning Districts identifies Bel Aire's existing zoning districts that may support some or all of the identified land uses.
- **Development Considerations** are intended to guide development in a manner that is consistent with the character of the place type.

PLACE TYPES

PARKS & RECREATION ASSET.

Parks & Recreation Assets represent land dedicated to parkland, including neighborhood, community, and regional facilities, as well as cemeteries, passive open space, and land utilized for sports, active play, and recreational uses. Supportive uses, such as small-scale commercial, may be compatible depending on the context.

- Agritainment

- Manufactured Home Park (MHP)
- Planned Unit Development Residential (R-PUD)
- Neighborhood Commercial, Office and Retail (C-1)
- Planned Unit Development -Commercial Office and Retail (C-2)

PARKS & RECREATION ASSETS IN BEL AIRE

DEVELOPMENT CONSIDERATIONS

Parks and Recreation assets are easily accessible and streets leading to these places will encourage safe access for all users, especially those walking and biking. It is important that adjacent residential developments and educational facilities have deliberate connections to Parks and Recreation Assets. Depending on the scale and intensity of the Park and Recreation Asset, access needs may vary between arterial, collector, or local street. Parking needs will also vary depending on the scale of use and the site's traffic levels. Typical buildings in this place type includes recreation facilities, shelters, restroom and locker room facilities, maintenance buildings, and small-scale accessory commercial such as concession stands. Active uses and structures are located to provide minimal impact to sensitive environmental features.

PRECEDENT IMAGERY

RURAL NEIGHBORHOOD.

Rural Neighborhoods contains low-density residential land with large lot sizes, sometimes spread between agricultural land uses. There are vast open spaces with various geographical assets, including prairie, creeks, rivers and forest land. There is limited infrastructure utility infrastructure. Connectivity to the City exists on arterial roads, with few collector and local roads.

- Agriculture
- Agritainment
- Open Space/Conservation

ZONING DISTRICTS -

- Agricultural
- Rural Residential
- Estate Residential (R-1)
- Manufactured Home Park (MHP)

RURAL NEIGHBORHOODS IN BEL AIRE

DEVELOPMENT CONSIDERATIONS

Development is not typically significant within the Rural Neighborhood place type and open space is substantial. It is not anticipated that infrastructure such as potable water and sanitary sewer are currently available or will be extended in the future, so uses are generally served by on-site water and sewer. These areas are likely served by rural roadway cross sections with open ditches and limited pedestrian infrastructure.

PRECEDENT IMAGERY

TRADITIONAL NEIGHBORHOOD,

This place type is generally where most people live, and provides local access to goods and services, reducing lengthy commute times, and promoting walkability. It consists predominantly of residential dwellings. All types of dwelling units exist, including the single-family, the occasional townhouse, two-family, accessory dwelling unit, and small multi-family structures. Neighborhood parks, schools, commercial uses, and churches are dispersed throughout to serve nearby residents. These neighborhoods can follow a gridded block pattern or curvilinear streets and are well connected internally with sidewalks and trails.

- Open Space/Conservation
- Neighborhood/Community Gardens
- Single-Family Residential (Detached)
- Single-Family Residential (Attached)
- Multi-Family Residential (Low-Rise)
- Vertical or Horizontal Mixed-Use
- Neighborhood Commercial
- Small-Scale/Start-Up Commercial
- Primary Education
- Higher Education
- Religious Assemblies
- Community/Recreation Centers
- Civic/Cultural Facilities
- Pocket/Neighborhood Parks

ZONING DISTRICTS ____

- Single Family Residential (R-2, R-3, R-4)
- Garden and Patio Homes, Townhouses, and Condominiums (R-5)
- Single Family/Zero Lot Line Residential (R-5b/ZLL)
- Multi-Family District (R-6)
- Manufactured Home Park (MHP)
- Planned Unit Development Residential (R-PUD)
- Neighborhood Commercial, Office, and Retail (C-1)
- Planned Unit Development Commercial Office and Retail (C-2)

TRADITIONAL NEIGHBORHOODS IN BEL AIRE.

DEVELOPMENT CONSIDERATIONS

Community character and the compatibility of adjacent land uses are important considerations in the Traditional Neighborhood place type. Many of the individual neighborhoods in this place type have unifying characteristics. Higher intensity commercial or industrial uses should be buffered from Traditional Neighborhoods whenever possible. In this place type, detached single-family dwellings have relatively uniform setbacks. Front yards and tree-lined sidewalks are found between residences and the street, and individual back yards are commonly found for each residence. As such, private yards are typical open spaces in this place type, but small parks and recreation facilities are also important features. Single-family detached dwelling units are of various forms, i.e. alley-loaded, detached garages, etc. Accessory dwelling units are allowable. Attached single-family dwelling types in Traditional Neighborhoods are architecturally consistent with the surrounding neighborhood and are generally located along busier streets. It is not uncommon for neighborhood design to include on-street parking and/or small common parking lots throughout to mitigate off-street parking requirements. The typical building height for all structures is two stories or less. Traditional Neighborhoods have a well-connected local street network that provides safe access for all users. Routes to parks, schools, and other community amenities are prioritized, especially for pedestrians and cyclists.

CITY NEIGHBORHOOD.

City Neighborhoods are typically characterized by a diverse range of residential housing types and supportive commercial uses. The place type includes single-family, multi-family, and mixed-use dwelling types (i.e. buildings with ground floor non-residential uses and residential uses on subsequent floors). Neighborhood retail and office uses are integrated into the neighborhood fabric. Most of these neighborhoods will follow a gridded block pattern with alleys, tree-lined streets, and a well-connected sidewalk network that allows residents to walk to neighborhood amenities.

- Open Space/Conservation
- Neighborhood/Community Gardens
- Single-Family Residential (Detached)
- Single-Family Residential (Attached)
- Multi-Family Residential (Low-Rise)
- Multi-Family Residential (Mid-Rise)
- Vertical or Horizontal Mixed-Use
- Neighborhood Commercial
- Small-Scale/Start-Up Commercial
- Primary Education
- Higher Education
- Religious Assemblies
- Community/Recreation Centers
- Civic/Cultural Facilities
- Pocket/Neighborhood Parks
- Public Safety

ZONING DISTRICTS _____

- Single-Family Residential (R-4)
- Garden and Patio Homes, Townhouses, and Condominiums (R-5)
- Single Family/Zero Lot Line Residential (R-5b/ZLL)
- Multi-Family District (R-6)
- Manufactured Home Park (MHP)
- Planned Unit Development Residential (R-PUD)
- Neighborhood Commercial, Office and Retail (C-1)

City Neighborhoods typically serve as a transition between lower density development and higher intensity commercial or mixed-use centers. The street network is well-connected and designed to support multiple modes of travel. Shade trees and wider sidewalks make walking in City Neighborhoods attractive and enjoyable. Buildings typically have smaller setbacks than in the Traditional Neighborhood, and are typically less than two stories, though some three- to five-story buildings may exist. Taller multifamily buildings are located along busier streets, with shorter residential buildings on local streets. Private front and back yards are provided for detached single-family or two-family dwellings. Multi-family dwellings are served by common open space provided for individual developments. Public open spaces such as parks and recreation facilities and natural open space are important features in City Neighborhoods. On-street parking is oftentimes appropriate and encouraged to minimize surface parking lots. When off-street parking is deemed necessary, surface parking lots should be screened from the street by being located behind buildings.

NEIGHBORHOOD CORRIDOR .

Generally, this place type has a linear configuration as it is located along major streets. Businesses along Neighborhood Corridors tend to have similar uses as found in Neighborhood Centers but have different access and connectivity concerns. The mixture of uses includes local-serving small-scale commercial, small-scale mixed-use, single-family residential, and low-rise multi-family residential. Neighborhood Corridors should aim to be walkable in nature by providing safe and comfortable pedestrian and bicycle connectivity. Amenities such as sidewalks, benches, pedestrian-scale lighting, and landscaping should be emphasized to accommodate non-vehicular traffic within the corridor. Restaurants, small shops, and local services are commonplace in this place type. Office uses are compatible within this place type as well.

Neighborhood Corridors are typically smaller in overall size, and scale compared with City Corridors and oftentimes extend short distances from street intersections. Neighborhood Corridors often serve as buffers between land uses of varying intensities.

- Open Space/Conservation
- Neighborhood/Community Gardens
- Single-Family Residential (Detached)
- Single-Family Residential (Attached)
- Multi-Family Residential (Low-Rise)
- Vertical or Horizontal Mixed-Use

ZONING DISTRICTS _____

- Single Family Residential (R-2, R-3, R-4)
- Garden and Patio Homes, Townhouses, and Condominiums (R-5)
- Single Family/ Zero Lot Line Residential (R-5b, ZLL)
- Planned Unit Development Residential (R-PUD)
- Neighborhood Commercial, Office and Retail (C-1)

NEIGHBORHOOD CORRIDORS IN BEL AIRE

DEVELOPMENT CONSIDERATIONS

Often serving as a transition to other place types, an important element of this place type is a walkable, landscaped right-of-way that balances vehicular, bicycle, and pedestrian design elements. While uses and sites are generally automobile-oriented, streets are designed to calm traffic in order to accommodate safe and comfortable travel by all modes of transportation. Sidewalks on both sides of the street with landscape buffers are common, as well as mid-block crossings. Neighborhood Corridors typically include low-rise structures oriented to the street, arranged in short two- to four-block spans amongst single-family residential (detached and attached) and low-rise multi-family residential. The typical building height is two or fewer stories. Some sites may include accessory drive through facilities and gas pumps. Landscaping along Neighborhood Corridors provides an attractive public realm by softening street edges. Off-street parking is recommended to be screened from the street by being located behind buildings.

CITY CORRIDOR

City Corridors are generally found along a community's busiest streets and provide for a range of activities. City Corridors look to leverage the economic potential of traffic (all modes) and help to minimize land use incompatibilities by containing a variety of uses in manageable areas. Amenities such as sidewalks, benches, pedestrian-scale lighting, and landscaping should be emphasized to accommodate non-vehicular traffic within the corridor.

City Corridors accommodate a wide range of commercial and mixed-uses, such as retail, restaurants, mixed-use, service, employment, and multi-family residential uses. Commercial uses of varying types and intensities, including uses that serve and draw users from a larger region are appropriate. Smaller commercial businesses can also be located within a City Corridor. Mixed-use development, both vertical and horizontal, and institutional uses can be suitable in this place type as well.

CITY CORRIDORS IN BEL AIRE

DEVELOPMENT CONSIDERATIONS

City Corridors should focus on infill development and redevelopment that promotes the City as a destination as they often shape the first impression of the City. Special attention should be given to consistent streetscaping, signage, and development standards. Commercial buildings are located toward the front of properties along City Corridors, when possible, to showcase community character and business vitality, instead of parking lots. Structures and lot sizes are typically larger than those in a Neighborhood Corridor. Buildings may be up to five stories but are largely dependent on compatibility with adjacent land uses and step down when near lower density residential uses. Where possible, ground floor, street-facing facades have storefront doors and windows that provide interest for pedestrians, and parking lots are screened from the street with trees and landscaping buffers. Drive-through facilities (e.g., fast food, banks, etc.) are often located along City Corridors, but special attention should be given to design that mitigates nuisances to surrounding property owners, including vehicle stacking/idling, speakers/noise, headlights, on-site circulation, and ingress and egress. Open space within a City Corridor is typically provided by common public areas or institutional uses. Existing curb cuts along the primary street are consolidated to alleviate traffic congestion and reduce conflicts with pedestrians. Whenever possible, cross-access easements, and shared parking should be utilized to make it easy to travel from business to business along a City Corridor without needing to use the actual street network. While City Corridors are auto oriented in nature, such major arterial streets should be equitable in that they also provide opportunities for safe walking and cycling to jobs and nearby destinations. Sidewalks are wide, to promote pedestrian activity, and leave adequate space for lighting and street trees. Crosswalks are located at all major intersections although mid-block crossings are appropriate in

54

NEIGHBORHOOD CENTER.

Typically found at intersections of two or more streets, Neighborhood Centers provide places that have a pedestrian-friendly focal point of neighborhood activity where nearby residents can access most of their daily needs within a relatively comfortable distance. Businesses capable of attracting visitors from a larger region are better suited in other place types, such as the City Center, as they can generate undesired traffic. This place type is characterized by low-rise commercial, residential, civic/institutional, and mixed-use structures in a pedestrian-oriented environment.

Neighborhood Centers may also include community institutions such as schools, community centers, and other civic/cultural facilities. These centers provide opportunities for smaller-scale, mixed-use buildings that include retail and service uses on the ground floor with residential or office uses on the upper floor(s). Retail centers are limited within the place type. Neighborhood Center uses should be compatible with the adjacent residential areas and contribute to neighborhood character, viability, and attractiveness.

- Neighborhood Commercial, Office and Retail (C-1)
- Planned Unit Development Commercial, Office and Retail (C-2)

NEIGHBORHOOD CENTERS IN BEL AIRE

DEVELOPMENT CONSIDERATIONS

Careful attention should be given to potential land use conflicts with adjacent areas as Neighborhood Centers are oftentimes nestled within residential uses. Because of the mix of uses within a Neighborhood Center, buffering and screening should be considered when desired uses are deemed in conflict with existing adjacent uses. Neighborhood Centers should be easily and directly accessible from nearby neighborhoods to encourage non-vehicular transportation and to support the concept of a complete neighborhood. The street network should be designed to encourage slow speeds and provide ample pedestrian facilities. Street trees and other pedestrian focused amenities should be prioritized, i.e. pedestrian scale lighting, furnishings, etc. Buildings should emphasize transparency at the ground level in order to support a vibrant pedestrian environment. This place type will oftentimes include improved open spaces such as plazas, patios, and courtyards that offering welcoming effects. It is also encouraged to brand Neighborhood Centers uniquely to further emphasize a sense of place.

CITY CENTER.

City Centers are designated along key corridors, seeking to leverage transportation systems and economic development potential. They oftentimes draw users from multiple neighborhoods and surrounding areas – becoming a regional destination. This place type provides a concentration of primarily commercial activity in a well-connected, walkable environment to provide access to goods, services, dining, entertainment, and residential variety. Some multi-family and office space may be appropriate in this place type. Most commonly, City Centers include larger-scale tenants, restaurants, commercial retailers, mixed-use developments, and office uses. Adjacent uses could include various scales of mixed-use buildings and denser residential uses with appropriate pedestrian connectivity.

This place type is often centered around a community anchor, such as a large employer and/or community or regional shopping center. This is a diverse place type where a higher mixture of uses exists. Housing may be found in this place type, likely as a complementary use for area employers.

- Single-Family Residential (Detached/Attached)

- Multi-family (R-6)
- Planned Unit Development Residential (R-PUD)
- Planned Unit Development Commercial Office and Retail (C-2)

CITY CENTERS IN BEL AIRE

DEVELOPMENT CONSIDERATIONS

City Centers are busy areas, and where they abut more traditional residential uses, buffering should be implemented to help protect the city's neighborhoods. City Centers are typically located at or near key intersections or on major arterials with easy access and direct connections to nearby residential neighborhoods. With a well-connected street network with small blocks and walkable connections between destinations, this place type fosters a "park once" environment. As such, shared parking arrangements, on-street parking, and structured parking are desirable to ensure that surface parking lots do not dominate the environment. Further, strategic siting of transit mobility assets should be prioritized. These strategies can reduce overall vehicle trips and vehicle trip lengths. The typical structure in Bel Aire's City Center is less than five stories, and buildings are designed with an active ground floor to support a vibrant pedestrian environment. Ground floors have a high degree of transparency provided by large windows and glass doors on storefronts. Special attention to activating the first "16 Feet" should be prioritized – 16 feet out from a building facade and 16 feet from the ground up. Public open space is a key feature of City Centers- plazas, patios, centrally located parks, parklets, and natural open spaces are common. Private open space is minimal in City Centers. Regular street trees and pedestrian improvements such as benches and patio seating are commonplace. Street design should place pedestrian experience and safety above vehicular speed, street capacity, and driver delay.

INDUSTRY & LOGISTICS CENTER.

These centers contribute to the local and regional economy by accommodating places of employment for a range of uses related to logistics, production, research, distribution, and manufacturing. They oftentimes have direct connections to regional transportation assets making it easier to draw employees and distribute products. This place type is usually characterized by large-scale, single-story buildings. Parcels are generally large with buildings located on the interior of the site, surrounded by service areas, parking, and buffers to provide transitions to adjacent uses.

- Open Space/Conservation
- Community/Lifestyle Commercial
- Medical Campus/Hospital
- Light Industrial
- Heavy Industrial/Manufacturing
- Public Safety

ZONING DISTRICTS _____

- Planned Unit Development Industrial District (M-1)
- Neighborhood Commercial, Office and Retail (C-1)
- Planned Unit Development Commercial Office and Retail (C-2)

INDUSTRY & LOGISTICS CENTERS IN BEL AIRE .

DEVELOPMENT CONSIDERATIONS

This place type can host an intense mixture of land uses. Where Industry & Logistics Centers are adjacent to more traditional residential uses, separation should be maximized, and buffering emphasized. The typical structure is a high-bay, single-story building although they can range widely in size and scale depending on their use. Long, continuous buildings are often found in this place type as opposed to other place types. Street design should accommodate large trucks, but accommodation for non-vehicular street users should be provided. Where feasible, freight/truck routes should be separated from other transportation users. If transit service is available, mobility hubs should be provided to accommodate pick-up and drop-off areas, bike parking, and rideshare options.

PRECEDENT IMAGERY

INSTITUTIONAL & EMPLOYMENT CENTER _

Institutional & Employment Centers contribute to a community's economic vitality by providing mixed-use places that oftentimes include offices, business parks, educational facilities, and complementary retail and dining uses. Light manufacturing, offices, studios, medical facilities, research facilities, and restaurants are examples of appropriate uses. Given the variety of uses in the place type, buildings and uses must be carefully integrated.

These centers can attract a significant number of employees and visitors from outside of the community. They oftentimes have direct connections to regional transportation assets making it easier to draw employees and visitors from throughout the greater area. While access to main transportation assets is needed by large employers, portions of roadway frontage along these areas may be utilized by smaller retailers or service providers. Green space may be limited within this center but should be incorporated as a softening effect to enhance the overall attractiveness and vitality of an area.

- Community/Lifestyle Commercial
- Medical Campus/Hospital

- Neighborhood Commercial, Office and Retail (C-1)
- Planned Unit Development Commercial, Office, and Retail (C-2)
- Planned Unit Development Industrial (M-1)

INSTITUTIONAL & EMPLOYMENT CENTERS IN BEL AIRE

DEVELOPMENT CONSIDERATIONS

Like the Industry & Logistics Center, Institutional & Employment Centers can host an intense mixture of land use. Therefore, consideration should be given to the land use compatibility with adjacent areas. Where Institutional & Employment Centers abut residential uses, buffering should be implemented to help protect the city's neighborhoods. Buildings range widely in size and scale depending on their context and use. The typical building is not more than two stories, though some taller buildings may be present. Parking lot screening and on-site landscaping are important in establishing the high-quality and attractive character of the area. Special attention should be given to design that promotes the unique character of the center. The street network within this place type is well-connected to serve all travel modes, while accommodating large trucks on busier streets and direct access to commercial sites. Transit accommodation should be provided. Commercial traffic traveling through Institutional & Employment Centers should utilize routes that do not impact adjacent neighborhoods. Because of this place type's ability to draw visitors regionally, surface parking should be carefully designed as to not dominate the built environment; for example, structured parking and/or shared parking should be encouraged. Open space within this place type is typically provided by common public areas or institutional uses. Improved open spaces are typically recreational facilities, picnic areas, walking trails, patios, and courtyards provided on individual sites. Natural buffers are often used to separate large sites and buffer uses deemed to be in conflict.

APPENDIX A - COMMUNITY ASSESSMENT

Understanding where a community is now is a critical first step in developing a road map for where it wants to go. Every community has its share of strengths, weaknesses, challenges, and opportunities. This section is vital to help Bel Aire become a "city of the future with respect for its past."

INTRODUCTION

his section of the Bel Aire 2035
Comprehensive Plan provides an inventory and assessment of the existing conditions at the time of this plan's development. The information contained within this appendix is intended to function as a snapshot of where the City is now. The data collected and analysis done in developing this information also serve as a foundation for the goals and strategies recommended throughout.

The data provided in this appendix is primarily derived from the U.S. Census Bureau. The U.S. Census Bureau primarily collects data through two programs: decennial surveys conducted at the start of each decade, and the American Community Survey (ACS) which is conducted annually. ACS information is provided in 1-year and rolling 5-year estimates. Information from the decennial census is generally considered to be more robust while ACS information fills the gaps in between. Some information is only obtainable in one or the other program, as the data collected through the two varies. Additional information was also collected through ESRI Business Analyst.

To the right is a brief snapshot of the City of Bel Aire followed by detailed analysis on the following pages.

The median owner-occupied home value is \$187,350.77% of Bel Aire's housing units are owner-occupied, 21.8% are renter-occupied, and 1.3% are vacant.

EXISTING LAND USE

Bel Aire occupies approximately 6.4 square miles – or 4,091 acres – of land. The major north-south streets are Oliver Street, Woodlawn Boulevard, Rock Road, Webb Road, and Greenwich Road. The major east-west streets are 37th Street, 45th Street, and 53rd Street. K-96 is just south of the existing City limits, and the City's northern and western limits are within proximity of K-254.

As graphically depicted in Map A-1 and in table form below, the dominant land use in Bel Aire is vacant, open space, and/or agriculture. Translated, this communicates that 61.4% of all property in the City remains undeveloped. The areas that are largely developed are concentrated north of 37th Street, one-half mile south of 53rd Street, and between Oliver Street and Woodlawn Boulevard.

Bel Aire has a relatively small percentage (o.8%) of land developed for commercial use. Most commercial uses are concentrated on the northeast corner of the 37th Street and Woodlawn Boulevard intersection. A small number of industrial and manufacturing uses are also located at the intersection, though the majority are in the northeast area of the City near the intersection of 53rd Street and Webb Road. Residential uses are dominantly single and two-family uses, with a small allocation of multi-family uses.

LAND USE	TOTAL ACREAGE	%
Vacant/Open Space/Agriculture	2510.5	61.4%
Single Family Residential	951.9	23.3%
Educational	171.4	4.2%
Industrial & Manufacturing	124.8	3.1%
Religious	90.7	2.2%
Two Family Residential	77.8	1.9%
Multi Family Residential	57.4	1.4%
Parks & Recreation	47.0	1.1%
Commercial	33.3	0.8%
Other	17.8	0.4%
Office	9.0	0.2%

Key Findings

All communities are unique, so there are no recognized standards to determine what precise mix of land uses in a community are considered healthy. However, land use data can provide useful insights into community behaviors and market trends. The low percentage of land within the City in commercial use is indicative of a population that is finding their shopping, dining, medical, commercial services, and office needs in other communities. Furthermore, this percentage can also indicate that the critical mass of residential uses has not been met to satisfy the private sector selection criteria for non-residential development within the City. **Approximately** 61.4% of land being undeveloped is significantly higher than other similar communities. Although many factors may explain why each tract of land is not currently developed and whether these tracts of land can ultimately be developed, this result would initially indicate that the existing City limits has sufficient availability for new development. The lack of any substantial industrial and manufacturing uses further demonstrates that the City is primarily a place to live, with residents commuting to other communities for their daily needs.

MAP A-1 - EXISTING LAND USE

EXISTING ZONING

Zoning is the primary tool used by communities to regulate development. Zoning codes typically address what can be built, where it can be built, and how. The standards in a community's zoning code are one of, if not the, central elements that determine the composition of the built environment in any given community. As such, a well-organized and thought-out zoning code is a crucial component to the look and feel of a community.

Each property within the city limits has a zoning district classification, which determines what types of uses are permitted, the process (if any) required to permit them, and the general layout of how the property must be developed. The entirety of the City of Bel Aire is zoned as one of the "base districts" found within the regulations. There are currently fourteen districts described in the Zoning Regulations, though only eleven are in active use at this time. The table below depicts the current districts by acreage and percent of the land area they apply to.

ZONING DISTRICT	TOTAL ACREAGE	%
M-1 Planned Unit Development – Industrial	1811.9	28.6%
R-4 Single-Family Residential	1747.9	27.6%
R-5 Garden & Patio Homes, Townhouses, and Condominiums	568.3	9.0%
AG Agricultural	520.9	8.2%
R-3 Single-Family Residential	492.7	7.8%
R-1 Estate Residential	377.9	6.0%
C-1 Neighborhood Commercial, Office, and Retail	311.8	4.9%
R-6 Multi-Family	230.8	3.6%
C-2 Planned Unit Development – Commercial Office and Retail	195.7	3.1%
R-5B Single-Family / Zero Lot Line Residential	43.1	0.7%
R-2 Single-Family Residential	26.8	0.4%
Rural Residential	0	0%
Manufactured Home Park	0	0%
Planned Unit Development - Residential	0	0%

The following is a summary of the Articles that comprise the current Zoning Ordinance:

Article 1. General Provisions

This article lays out the purpose of the Zoning Regulations and states the role that zoning plays in relation to other chapters of the city code and adopted plans and policies.

Article 2. Interpretation, Construction & Definitions

Provides the rules for interpretation of standards and terminology contained within the Zoning Regulations. Clarifies how to handle conflicting provisions, use of tenses, vesting rights, and other details. Contains a list of terms found within the Zoning Regulations along with a brief description/definition for each.

Article 3. Administration and Enforcement

Establishes and outlines the powers and duties of the Zoning Administrator, Planning Commission, and Board of Zoning Appeals. Provides the framework for identifying and addressing violations to the standards found within the Zoning Regulations.

Article 4. Permits and Certificates of Occupancy

This Article establishes the relationship between the standards, processes, and provisions of the Zoning and Subdivision Regulations with Building Code standards, processes, and provisions.

Article 5. Amendment Process, Conditional Use, Special Use, Appeals to BZA, Variances

States the review and approval standards for: zoning code amendments, zoning map amendments, conditional uses, special uses, appeals of administrative decisions, and variances.

Article 6. Zoning Districts – General Regulations, Accessory Use, Setbacks, Height Restrictions

Lays out the zoning districts included in the Code, how they apply to the zoning map for the city, how the Zoning Regulations apply to newly annexed land, and general requirements broadly applicable to zoning across the city. Also contains overall provisions for: accessory uses, accessory structures, setbacks, height restrictions, and performance standards.

Article 7. Zoning Districts

Lists and provides standards for the fourteen zoning districts currently contained within the Zoning Regulations. This article differentiates what uses are permitted in each district, if conditional or special use considerations are required for certain uses with that district, density and dimensional standards for development in each district, and references to other Articles relevant to the district.

Article 8. Home Occupations, Non-Conforming Uses, Temporary Zoning and Planned Unit Development

Provides standards pertaining to the classification, review process, and approval criteria for the indicated subjects.

Article 9. Parking and Loading

Covers topics such as: location, design, maintenance, surfacing materials, calculation standards, and required amount of parking spaces. Parking is primarily assessed based on the zoning code classification for the use associated with a development.

Article 10. Landscaping and Screening

Describes the application and review criteria for landscaped areas associated with development activity. Provides standards related to review processes and application requirements, street trees, perimeter landscaping, planting standards and material requirements, interior landscaping within parking areas, building facade/foundation landscaping, maintenance requirements, screening requirements, and exceptions.

Article 11. Floodplain Zoning

Provides standards and restrictions pertaining to the review and approval of development activity proposed for areas encumbered by FEMA mapped regulatory floodplain and floodway areas.

Chapter 19 – Subdivision Regulations

Incorporated by reference to the Zoning Regulations. Governs the applicability, application requirements, review standards, and overall process related to land divisions within the City of Bel Aire.

What is the difference between zoning and land use?

Zoning districts specifically define and regulate what kinds of uses are allowed on specific parcels and outline the City's development requirements.

Land uses reflect the current or desired development pattern in each area.

Key Findings

55.1% of the City is currently zoned

residential, 8.0% commercial, 28.6% industrial, and 8.2% agricultural. Commercially zoned nodes are located near 37th Street and Woodlawn Boulevard, adjacent to Rock Road near 45th Street and 53rd Street, and 45th Street and Webb Road. The most intense zoning (industrial) is dominant north of 45th Street and east of Webb Road, with additional property zoned for industrial uses abutting K-254 between Rock Road and Webb Road. Single-family residential is dominant west of Woodlawn Boulevard. Of the approximately 3,487 acres of the City in residential zoning, approximately 77.1% are single-family only, 6.6% are multi-family only, and 16.3% are R-5 which permits various residential uses. The only substantial multi-family residential zoning is at the northeast corner of 45th Street and Woodlawn Boulevard, which is accounted for by the Catholic Care Center. South and east of Northeast Magnet High School is the dominant area for R-5, which permits townhouses, garden/patio homes, and condominiums. It should also be noted that the City does not have a specific zoning designation for parks or recreational uses. Parks are currently either located in areas zoned AG Agricultural or within another base zoning district. Three existing zoning districts are not currently evident anywhere in the City: 1) Rural Residential District, 2) Manufactured Home Park, and 3) Planned Unit Development – Residential.

MAP A-2- EXISTING ZONING

EXISTING COMMUNITY FACILITIES AND SERVICES

SCHOOLS

Bel Aire does not have a unified school district that exclusively serves its residents. The City is served by two school districts: Wichita Unified School District 259 and Circle Unified School District 375. Sunrise Christian Academy and Resurrection Catholic School are also located in Bel Aire. Isely Traditional Magnet Elementary School and Northeast Magnet High School, both USD 259 facilities, are located within the Bel Aire City limits. USD 259's Stucky Middle School is also located near Bel Aire at 45th Street and Oliver Street. The nearest USD 375 school is Circle Greenwich Elementary which is located near 29th Street and Greenwich Road.

PUBLIC FACILITIES

Bel Aire City Hall is located at 7651 E. Central Park Avenue and houses many City departments, including the Bel Aire Police Department. Bel Aire does not operate a fire department but is served by Sedgwick County Fire Station 37 located south of 45th Street along Woodlawn Boulevard. Hospital and health services exist near Bel Aire north of K-96 along Webb Road. Sedgwick County EMS Post 15 is located at 3575 N. Webb Road and provides emergency medical services to Bel Aire in addition to Fire Station 37.

Key Findings

With exception to the Bel Aire Police Department, fire protection and rescue, health and medical services, and education available to Bel Aire residents are all provided by other municipal and private entities. The lack of a unified school district specific to Bel Aire may be a disadvantage when compared with other suburban communities within the Wichita Metropolitan Statistical Area. Although detailed analysis of level of service provided by each of these community facilities transcends the scope of this plan, generally, leaders at the city, county, and school district levels should remain diligent in continuously assessing their ability to maintain services levels as the population, geography, and demographics of the community change.

MAP A-3 - COMMUNITY FACILITIES & SERVICES

EXISTING PARKS & OPEN SPACE

Parks, open space, and recreational areas are a primary contributor to the quality of life for citizens of any community. This section provides an inventory of the existing parks within the City of Bel Aire and categorizes them based on size and the amenities they provide. This section draws from currently available data and maps, as well as the City's Parks Master Plan.

There are seven officially designated public parks in Bel Aire, listed in the table below. This report does not provide an inventory or assessment of private parks, such as those that may be owned, operated, and/or maintained by a homeowner's association or a part of a larger development complex. 61 acres of parks within the City of Bel Aire were identified and classified based on the system outlined below. The parameters outlined here are best used as a general reference – for example, a Neighborhood Park is not strictly limited to 10 acres or less and some may be slightly larger.

NAME	ACRES	AMENITIES	CLASSIFICATION	
Denise Park	0.7	Playground, gazebo	Pocket	
Bel Aire Park	1.3	Covered picnic area, playground, tennis court, basketball court, walking paths, benches	Neighborhood	
Eagle Lake Park	13.0	Sand volleyball, playground, covered picnic area, trails, pond, green/ open space	Community	
Bel Aire Recreation Center Park	19.9	Recreation center, ballfields, soccer/football fields, playground, green/ open space	Community	
Alley Park	5.9	Disk golf course, pond, green/open space	Neighborhood	
Central Park Avenue Park	19.7	City pool, playground, pond, trails, benches, green/open space	Community	
Brookhouser Park	0.5	Playground, covered picnic area, walking path	Pocket	

Pocket Parks

- Up to 1 acre
- One amenity (playground, tennis court, passive recreation, etc.)
- No or limited green space
- No dedicated parking
- Intended to serve a single purpose or accessory to primary land use

Neighborhood Parks

- 1 to 10 acres
- One or more amenities
- Some amount of green space
- Limited dedicated parking
- Intended to serve the surrounding neighborhood

Community Parks

- 10 to 50 acres
- Multiple amenities
- Notable amount of green space
- Dedicated parking
- Intended to serve the community at large either through scale or specialty

Regional Parks

- 50+ acres
- Many amenities or a regionally significant amount of one or more amenities
- Substantial green space
- Intended to draw from outside of the community

Key Findings

The City of Bel Aire provides approximately 61 acres of public park to its residents and visitors. Park offerings include walking space, open green space, sport courts, a disc golf course, and playgrounds. According to ParkServe, the areas of very high priority for additional parks are south of 53rd Street and east of Oliver Street, and near the northeast corner of Oliver Street and 37th Street.

All the officially recognized parks are located west of Rock Road. According to ParkServe, the Trust for Public Land's park access mapping tool, 67% of Bel Aire residents live within a 10-minute walk of a park. See Map A-4 Existing Park Needs for ParkServe's recommended priority areas for new parks.

MAP A-4 - EXISTING PARK NEEDS

TRANSPORTATION & MOBILITY

STREETS

The City's roadway network largely represents a modern hierarchical system, inclusive of roadways clearly identified with functional classifications of arterial, collector, and local. Arterials and major collector roadways are located at section lines, no minor collectors were identified, and local roadways provide direct access from the arterials and major collectors to individual properties. Local roadways generally represent a modern organization characterized by curvilinear circulation patterns and cul-de-sacs, as opposed to the more traditional organization of local roadways which are grid-based in organization. The modern curvilinear organization of local roadways funnels vehicular and non-vehicular traffic to higher classification roadways, such as arterials and major collectors. This creates commuting patterns that limit route choice, which induces higher vehicular traffic volumes on arterials and major collectors. It can also have the effect of limiting non-vehicular movement within a city by creating an environment that attempts to mix high-speed vehicular traffic with pedestrians.

Two primary regional east-west access roadways in proximity to Bel Aire include K-254 (north of Bel Aire) and K-96 (south of Bel Aire). For regional north-south commuting, convenient access to I-135, located just west of Bel Aire, is also provided.

Traffic volumes, depicted in Map A-6 using Annual Average Daily Traffic (AADT) provided by the Wichita Area Metropolitan Planning Organization (WAMPO), represents minor volumes for much of the City. By a significant margin, the roadway segment with the highest volume is the portion of Woodlawn Boulevard from 37th Street to 45th Street: 13,845 AADT near 37th Street and 10,896 near 45th Street. No other segment within or directly abutting the City exceeds 6,025 AADT. Traffic volumes adjacent to Bel Aire on K-254 are approximately 12,900 AADT, and south of Bel Aire along K-96 are approximately 59,300 AADT.

CRASHES

Traffic crash data from 2013-2023 provided by the Kansas Department of Transportation was analyzed. As Bel Aire's roadway network organization represents a modern hierarchical design, one may expect higher crash incidence along primary roadways, such as arterials and collectors based

on traffic volumes. As depicted in Map A-7 Traffic Crashes (2013-2023) this expectation is realized, with the highest rate of crash incidence at the intersections of 45th Street and Woodlawn Boulevard, 45th Street and Oliver Street, 53rd Street and Rock Road, and 37th Street and Oliver Street. The roadway segment with the highest crash incidence rate is along Woodlawn Boulevard between 37th Street and 45th Street.

Between 2013 and 2023, 666 traffic crashes occurred within Bel Aire. Although detailed analysis of the circumstance of these crashes transcends the scope of this plan, a cursory presentation of this data is as follows:

2013 2014 2015 2016 2017 2018 2019 2020 2021 2022 2023

CRASH SEVERITY	#
Property Damage Only	494
Injury	172
Fatal	0

SIDEWALKS & TRAILS

According to existing data provided by the Wichita Area Metropolitan Planning Organization (WAMPO), there is approximately 30.83 miles of sidewalk in the City. The majority of these are in the developed areas west of Rock Road. Sidewalks are typically located within the street right-of-way. According to data available currently, the total length of road miles for all Arterial, Collector, and Local streets (does not include highways) is 138.26 miles. Based on these measurements, the total length of sidewalks is approximately 22.3% of the length of roadway miles.

The only known officially recognized trails within Bel Aire are: Central Avenue Park Trail, Retirement Community Trail, and Eagle Lake Park Trail. The trails in these areas combined have a total length of 3.87 miles. This measurement is based on existing, publicly available data and may not account for informal trail systems or others that may not have been accounted for in previous assessments.

Key Findings

The hierarchical organization of the City's roadway network, with characteristic curvilinear local streets and cul-de-sacs is a common built environment experience in modern suburban communities. This contrasts with communities that depict a more conventional grid pattern of roadway organization. The roadway organization evident in Bel Aire is prone to encourage vehicular traffic over other mode types **primarily pedestrian and bicycle.** With arterials and collector roadways representing the few available through movement options, these roadway classifications tend to focus on providing maximum capacity at higher speeds, which makes the creation of desirable places as a community development objective difficult. With the current traffic volumes, and even if substantial growth in volumes is realized, very few roadway expansion projects are expected. Investments in the roadway network should focus on Complete Street improvements, stroad identification/conversion, and rehabilitation/maintenance. Further analysis of the requirements set forth in City policy should be conducted to ensure that the City's requirements are reflective of long-range transportation and mobility objectives.

What is the difference between a street and a road? What is a Stroad?

Roads are efficient connections between two places. They focus on higher speeds with limited access.

Streets are instrumental in the creation of places. A properly designed street will have slower speeds, dedicated space for non-vehicular users, and embrace the complexity that all desirable places exhibit.

Stroads are street/road hybrids. Stroads do not move vehicles efficiently, and they do not participate in the creation of desirable places.

STREET

ROAD

STROAD

Street	Road
Slow Traffic	Limit Access
Prioritize people over vehicle throughput	Prioritize vehicle throughput over access
Vital in the creation of productive places	Connects productive places
Embraces complexity	Embraces simplicity

MAP A-5 - TRANSPORTATION & MOBILITY

MAP A-6 - TRAFFIC VOLUME

MAP A-7 - TRAFFIC CRASHES (2013-2023)

EXISTING ENVIRONMENTAL FEATURES

The natural environment is a critical consideration for future community planning efforts for multiple reasons, including its impact on potential development areas, natural hazard risk mitigation, the efficiency of ecological services, and more. This subsection of the plan briefly describes the environmental features of Bel Aire and the existing risks and opportunities associated with the natural landscape of the area. The existing natural features within the City are illustrated in Map A-8. There are several natural water features and associated flood risks throughout the area.

FLOODWAYS & FLOODPLAINS

Flood risk has been mapped throughout the City by the Federal Emergency Management Agency's (FEMA) National Flood Insurance Program (NFIP). FEMA typically identifies flood-prone areas through detailed hydrologic and hydraulic modeling and occasionally through approximate methods to assist with planning, management, and risk assessment within watersheds. A floodplain is comprised of two parts: the Regulatory Floodway and Floodplain Fringe. Regulatory floodways are defined by the NFIP as the channel of a watercourse that must be reserved to discharge the determined base flood without cumulatively increasing the water surface elevation more than a designated height. The floodway fringe is the remaining portion of the floodplain. FEMA and State of Kansas regulations allow communities to allow development in the floodway fringe when certain requirements are met.

Based on FEMA's assessments, floodplains with identified floodways are present within the City. Areas of increased flood risk predominantly are arranged north-south and are present regularly east-west. The identified flood hazard zones are predominantly encumbered by the 1% Annual Chance Flood Hazard Zone, although a relatively small amount of property is within the 0.5% Annual Chance Flood Hazard Zone. Areas near Rock Road and 45th Street, as well as northeast corners of Bel Aire are in the 1% Annual Chance Flood Hazard Zone. The 1% and 0.5% annual flood zones are often referred to as "100 year" and "500 year" flood zones. This is misleading - the 0.1% flood zone indicates that each year, there is a 1% chance for a flood of that magnitude, as opposed to a flood only happening once in 100 years. Theoretically, a "100 year flood" can happen in back to back years.

Key Findings

The floodplain evident within the City undoubtedly impacts development, redevelopment, and overall land uses in the future. These waterbodies and their surrounding properties can act as neighborhood attractions and amenities in addition to serving drainage, biodiversity, and ecological uses. The City needs to continue to ensure that local development policies are reflective of the desired long-term impacts on these areas. In addition to their impacts on land uses, consideration of these natural features should also be reflected when planning for future transportation improvements.

MAP A-8 - ENVIRONMENTAL FEATURES

EXISTING UTILITIES

The City of Bel Aire owns and operates its municipal waterworks utility and sanitary sewer utility systems, including treatment facilities owned and operated through the Chisholm Creek Utility Authority, under an Interlocal Cooperation Agreement with the City of Park City, Kansas. As a contracting member of the Authority, the City of Bel Aire receives certain water and sewer services from the Authority. Water is also obtained through a contract with the City of Wichita. The City completed master plans for both water and sanitary sewer utilities in 2023. Further information from both master plans is available in Appendix C: Summary of Relevant Plans & Studies.

The City of Bel Aire holds a Municipal Separate Storm Sewer System (MS4) Permit issued by the State of Kansas for the Environmental Protection Agency (EPA). The City maintains a Stormwater Management Plan that outlines the measures the City will take to reduce the discharge of pollutants, protect water quality, and satisfy the appropriate water quality requirements and goals of the Clean Water Act and the City's National Pollutant Discharge Elimination System (NPDES) Permit.

Natural gas, electric, and telecommunications services are provided by private utility companies operating under local franchise agreements. Evergy supplies electricity within the City. Kansas Gas Service is the local natural gas provider. AT&T and Cox Communications provide local internet, telephone, and cable services.

Key Findings

Detailed analysis of the waterworks utility and sanitary sewer utility systems were completed in 2023. Further information from both master plans, as applicable to the scope of this Plan, is contained in Appendix C: Summary of Relevant Plans & Studies. Generally, the City should continue assessing the level of operational service of its sanitary sewer collection, wastewater treatment, potable water production and distribution, and stormwater/drainage management facilities.

MAP A-9 - INFRASTRUCTURE & UTILITIES

DEMOGRAPHICS

HISTORIC & CURRENT POPULATION

The tables below show the raw population numbers for Bel Aire and the other Wichita Metropolitan Statistical Area communities, and the rates of population change over time based on U.S. Census Bureau data. Generally, population growth for all the nearby surrounding communities consistently outpaces growth rates found at the national, state, and county levels. In addition to consistently greater growth in general, many communities have had one or more ten year periods in which the population has more than doubled.

According to the 2020 Decennial Census, the City of Bel Aire had a population of 8,262. The most recent U.S. Census Bureau population for the City (2022) is 8,341. Comparing the 2022 estimate to the 2010 Decennial Census, the City has grown an estimated 23.2%, representing 1,572 additional residents.

Comparing the data presented in the tables below, it seems evident that Bel Aire exists in a geographic context that, for any number of reasons, exhibits a consistently robust and extremely resilient population growth rate for a century or more.

YEAR	BEL AIRE	ANDOVER	DERBY	GODDARD	HAYSVILLE	KECHI	MAIZE	PARK CITY	VALLEY CENTER	WICHITA
1990	3,695	4,204	14,691	1,804	8,364	517	1,520	5,054	3,624	304,017

POPULATION FORECAST

Understanding the population growth potential of Bel Aire is a key factor in planning for the City's future. Five different projection methodologies were used to forecast the future population totals for the City, including The Wichita Area Metropolitan Planning Organization's (WAMPO) population forecast.

- 1. The Linear Regression methodology is a trend extrapolation technique that projects future values as a straight-line trend using raw population growth in the City since 2010.
- 2. The Bel Aire Annual Growth Rate methodology averages the annual growth rates year over year (since 2010) for the City and applies that average each year into the future. Since 2010, the average annual growth rate for Bel Aire was 2.0%.
- 3. The Sedgwick County Annual Growth Rate methodology uses the annual growth rates year over year (since 2010) for the entire County and applies that average to future years. Since 2010, the average annual growth rate for Sedgwick County was 0.6%.
- 4. The Sedgwick County Decennial Growth Rate methodology uses the 10-year growth rates (since 1920) from the entire County and applies that average to future years. Since 1920, the average decennial growth rate for Sedgwick County was 21.2%.
- 5. WAMPO's projection uses a standard population age-cohort survival model including net migration trends, building permits, & economic growth. It is bounded by a regional total-population constraint.

These results return a forecasted 2050 population **between 9,881 and 14,696.** The average result is **13,165,** which is an increase of **59.3**% from the population reflected during the 2020 Census (2.0% annually). If realized, this represents an annual population growth of approximately **165 people.**

While these figures are useful in projecting a possible future population for the community, **they come with certain caveats.** Many factors impact population changes, including but not limited to economic trends, development projects, migration rates, and birth/death rates.

AGE & SEX

Compared with the City's 2010 population of 6,583, Bel Aire has experienced a population increase of 1,758 or 26.7%. Change by age group is presented in the following table. In terms of total count, the population increase is most represented by age groups 5 years or younger, 25-29, and 15-19. These three age cohorts represent 65.9% of the total population increase from 2010-2022.

POPULATION FORECASTS

METHOD	2010	2015	2020	2025	2030	2035	2040	2045	2050
Linear Regression	6,769	7,059	8,262	8,746	9,523	10,300	11,076	11,853	12,630
Bel Aire Annual Growth Rate	6,769	7,059	8,262	8,850	9,769	10,783	11,903	13,139	14,503
Sedgwick County Annual Growth Rate	6,769	7,059	8,262	8,494	8,755	9,024	9,301	9,586	9,881
Sedgwick County Decennial Growth Rate	6,769	-	8,262	-	10,011	-	12,129	-	14,696
WAMPO	-	-	8,262	8,995	9,822	10,787	11,788	12,951	14,118

AGE GROUP	2010 POPULATION	2022 POPULATION	CHANGE (#)	CHANGE (%)
Under 5 years	454	875	421	92.6%
5 to 9 years	750	449	-301	-40.2%
10 to 14 years	540	529	-11	-2.0%
15 to 19 years	323	671	348	108.0%
20 to 24 years	309	581	272	87.8%
25 to 29 years	290	679	389	134.4%
30 to 34 years	533	408	-125	-23.5%
35 to 39 years	500	700	200	39.9%
40 to 44 years	487	376	-111	-22.8%
45 to 49 years	362	405	43	11.9%
50 to 54 years	434	440	6	1.3%
55 to 59 years	500	703	203	40.5%
60 to 64 years	323	392	69	21.5%
65 to 69 years	112	311	199	177.9%
70 to 74 years	191	320	129	67.6%
75 to 79 years	165	263	98	59.8%
80 to 84 years	171	121	-50	-29.3%
85 +	138	118	-20	-14.6%
TOTAL	6,583	8,341	1,758	26.7%
MEDIAN AGE	35.8	34.7	-1.1	-3.1%

Approximately 50.7% of the population of Bel Aire is female and 49.3% is male. Half of the population is under the age of 35 (50.3%) and three-quarters is under the age of 55 (73.3%). In general, the age and sex distribution within the City of Bel Aire is very similar to the average of the comparison cities (where 49.3% of the total population is under the age of 35 and 73.7% is under the age of 55).

As shown in the population pyramids on the following page, certain age groups make up a noticeably larger share of the population than others.

These include males under 5 years old, between 15 and 19 years old, between 35 to 39, and between 55 to 59 years old; and females between 25 to 29 years old, 35 to 39 years old, and 55 to 59 years old.

RACE & ETHNICITY

The majority of Bel Aire's population identifies as one race (90.4%), and white alone (73.4%). When compared to the average racial and ethnic composition of the Wichita MSA, Bel Aire has notable differences in several categories.

There is a noticeably higher proportion of Bel Aire residents that identify as Black or African American alone, Asian alone, and two or more races than in the Wichita MSA. There is also a noticeably lower proportion of the population identifying as White alone, and some other race alone.

In terms of ethnic diversity, Bel Aire has a similar yet slightly higher rate of Hispanic or Latino citizens than found throughout the Wichita MSA. Generally, the same findings are evident when comparing Bel Aire to the State of Kansas.

RACE (2022)	BEL AIRE	WICHITA MSA	KANSAS
White Alone	73.4%	83.5%	79.8%
Black or African American Alone	10.1%	3.4%	5.6%
Native Indian & Alaska Native Alone	0.0%	0.5%	0.7%
Asian Alone	5.9%	2.7%	3.0%
Native Hawaiian & Other Pacific Islander Alone	0.0%	0.3%	0.1%
Some Other Race	1.0%	2.8%	3.5%
Two or More Races	9.6%	6.8%	7.3%
ETHNICITY	BEL AIRE	WICHITA MSA	KANSAS
Hispanic or Latino	12.6%	10.3%	12.6%
Not Hispanic or Latino	87.4%	89.7%	87.4%

2022 BEL AIRE vs. WICHITA POPULATION

HOUSEHOLD INCOME

The median income for households in Bel Aire for 2022 was \$91,979, which is higher than the median for the Wichita MSA (\$82,268) and the State of Kansas (\$69,747).

CATEGORY	2022 BEL AIRE	2022 WICHITA MSA	2022 KANSAS
Household Income	\$91,979	\$82,268	\$69,747
Family Income	\$109,438	\$93,817	\$89,535
Married-couple Family Income	\$114,450	\$103,769	\$102,812
Nonfamily Households	\$41,908	\$49,512	\$40,520

EDUCATIONAL ATTAINMENT

The figures provided in the table show the educational attainment of Bel Aire residents aged 25 and older. Bel Aire outperforms the Wichita MSA average for high school graduates and higher, in particular for residents with a bachelor's degree or higher. Nearly all of Bel Aire's residents have a high school diploma, and more than half have a bachelor's degree or higher.

LEVEL	2022 BEL AIRE	2022 WICHITA MSA	2022 KANSAS
Less than 9 th Grade	2.6%	2.3%	3.5%
9 th to 12 th grade, no diploma	0.3%	3.6%	4.7%
High school graduate (includes equivalency)	10.7%	25.3%	25.7%
Some college, no degree	22.9%	23.5%	22.5%
Associate degree	10.2%	9.6%	8.9%
Bachelor's degree	35.7%	22.1%	21.7%
Graduate or professional degree	17.7%	13.6%	13.0%
High school graduate or higher	97.1%	94.1%	91.8%
Bachelor's degree or higher	53.3%	35.7%	34.7%

Key Findings

Since 1990, the City of Bel Aire has experienced a **population growth of approximately 3.2% each year.** Excluding Wichita, this ranks 5th out of 9 comparison communities located within the Wichita MSA. Since 2010, the annual growth rate has slowed to approximately 2.0%. After averaging the results of multiple forecasting methodologies, this Plan will utilize an **expected 2050 population of 12,927**, which represents an increase of 56.5% from the 2020 Decennial Census population. This translates to an expected annual growth rate of approximately 1.9%.

Regarding racial composition, although most Bel Aire residents identify as White Alone, the City exhibits a greater representation of other groups when compared with other Wichita MSA communities and the State of Kansas. Regarding ethnic composition, Bel Aire has more residents that identify as Hispanic or Latino than neighboring communities and correlates closely with statewide data.

Household incomes compare favorably to neighboring communities and to the State of Kansas. This correlates with Bel Aire residents' educational attainment which also outpaces the same comparison geographies.

HOUSING CHARACTERISTICS

OCCUPANCY

Bel Aire added **648 total housing units between 2010 and 2022,** which represents an annual average of 54. Of this increase, 190 units are owner-occupied and 450 are renter-occupied units. Bel Aire boasts a very low **vacancy rate for housing units at 1.3**%, noticeably outperforming the Wichita MSA average. Of the cities included in the comparison, only Kechi and Maize exhibit lower rates of vacancy. Even with the growth of renter-occupied units, Bel Aire continues to exhibit **a higher proportion of owner occupied housing units than found on average in the surrounding area.**

HOUSING UNITS	2022 COUNT	2022 % OF TOTAL	CHANGE SINCE 2010	WICHITA MSA % OF TOTAL
Occupied Units	2,911	98.7%	+28.2%	95.0%
Owner Occupied Units	2,269	77.0%	+9.1%	68.0%
Renter Occupied Units	642	21.8%	+234.4%	27.0%
Vacant Units	37	1.3%	+26.7%	5.0%

HOUSING COSTS

The data provided in the table below, outside of the Median Contract Rent figures, pertains to owner-occupied units with a mortgage. The U.S. Census Bureau collects this financial data based on housing with and without a mortgage. There are approximately half as many housing units categorized as owner-occupied without a mortgage than with a mortgage.

The median housing value of owner-occupied units with a mortgage is slightly lower than the average of the Wichita MSA, but median household income is greater and monthly median housing costs are nearly identical. This results in lower housing costs relative to income when compared to the Wichita MSA average. It is also worth noting that none of the comparison cities outperformed Bel Aire in this measure.

Median contract rent is somewhat higher in Bel Aire than in the Wichita MSA. Of these communities, the contract rent ranges from \$671 at the low end (Valley Center) to \$1,368 at the high end (Kechi).

Compared with 2010 data, median housing values in Bel Aire have increased 25.2% compared with 49.0% in the Wichita MSA. This contrasts with the same comparison for median household income. Bel Aire incomes have increased 49.0% compared to Wichita MSA incomes that have decreased 7.8%. Median monthly housing costs have increased in Bel Aire and the Wichita MSA, but the increase is less in Bel Aire (+15.8%) than what is exhibited throughout the Wichita MSA (+24.9%). Taken together, these culminate in a 4.4% decrease in household income dedicated to housing costs for Bel Aire residents (19.9% in 2010 to 15.5% in 2022), which exceeds the evident statewide decrease of 2.1%.

	2010 BEL AIRE	2022 BEL AIRE	2022 WICHITA MSA	2022 KANSAS
Median Housing Value	\$150,900	\$188,900	\$200,600	\$212,300
Median Household Income	\$82,526	\$122,942	\$102,167	\$103,083
Median Monthly Housing Costs	\$1,370	\$1,586	\$1,596	\$1,580
% Housing Cost of Income	19.9%	15.5%	18.9%	18.4%
Median Contract Rent	\$1,009	\$1,16 7	\$997	\$767

HOUSEHOLD COMPOSITION & SIZE

Family households comprise a much higher proportion of total households than non-family households in Bel Aire. Notably, the City experienced a 3.1% increase in non-family households between 2010 and 2022. Even with this growth in non-family households, Bel Aire still exhibits family household proportions that exceed the Wichita MSA and State of Kansas.

	2010 BEL AIRE	2022 BEL AIRE	2022 WICHITA MSA	2022 KANSAS
Total Households	2,271	2,911	187,238	1,148,635
Average Size	2.86	2.85	2.75	2.48
Family Households	1,775	2,185	116,662	732,890
Average Size	3.31	3.31	3.22	3.10
% of Total	78.2%	75.1%	73.1%	63.8%
Non-Family Households	496	726	70,576	415,745
Average Size	1.16	1.36	1.22	1.24
% of Total	21.8%	24.9%	27.0%	36.2%

Key Findings

Total housing units in Bel Aire increased by 648 (+25.2%) between 2010 and 2022. Of these additional 648 units, 450 (69.4%) are renter-occupied. Even with this growth of renter-occupied units, the proportion of owner-occupied still exceeds the proportions exhibited throughout the Wichita MSA and State of Kansas. Notably, the amount of vacant housing units in Bel Aire (1.3%) compares favorably to the rate of vacant housing in the surrounding communities (5.0%).

Both median housing value and median household incomes have increased since 2010, which is also evident at both the state and national levels. Increasing housing values without commensurate increases to incomes can present housing affordability concerns as a higher percentage of a household's income must to dedicated to housing costs. For Bel Aire, a 4.4% decrease in the percent of income dedicated to housing was evident from 2010 to 2022. This is a positive trend.

Of the 640 new households in Bel Aire, 410 are family households, and 230 are non-family households. As of 2022, approximately 24.9% of all households in Bel Aire are classified as non-family compared with 21.8% in 2010. For 2022, 27.0% of all Wichita MSA households are non-family, and 36.2% of all Kansas households are non-family. Bel Aire has a greater share of family households than the surrounding area and State of Kansas.

PROPERTY VALUATIONS

To assess property valuations in Bel Aire, this Plan utilities a "Taxable Value-Per-Acre" measure. Traditional assessments of property valuations will typically only factor in one measure: the total taxable valuation of a property as determined by an appraisers' office. The value-per-acre approach uses two metrics: the total taxable valuation of a property and the size of the property. Metaphorically, this approach is analogous to assessing a vehicle's fuel efficiency using miles per gallon as opposed to miles per tank. Instead of assessing a vehicle's fuel efficiency, we are attempting to assess the financial productivity of each acre within the City.

The central idea of this approach is that property forms the critical commodity in any community, and infrastructure like roads and utilities are linear expenditures. By looking at a taxable value-per-acre analysis, we can better understand the economic costs and rewards of a community's built environment. For example, we can compare two existing Bel Aire neighborhoods.

Each individual property depicted on Map A-10 Taxable Value Per Acre is associated with a vertical bar representing its individual taxable value per acre. The light blue indicates a taxable value per acre between \$100,001 and \$200,000, and the dark blue indicates a taxable value per acre less than \$50,000. Assuming a similar amount of waterlines, sanitary sewer collection mains, pavement, and drainage facilities are required to serve each neighborhood, we can assume the City's cost to maintain these services for both neighborhoods is similar. Where the neighborhoods begin to differentiate is the revenue generated to fund the operation and maintenance of these services. With a significantly higher taxable value per acre in the Willow Point and Eagle Lake Additions, we might conclude that

the property tax revenue generated in this neighborhood (approximately \$480,000 annually) has a higher probability of meeting the City's costs in providing public services. With such a low taxable value per acre in the Aurora Park Addition, we might conclude that there is a high probability that the tax revenue generated (approximately \$115,000) is insufficient to cover the City's costs, which means that public services in this neighborhood are being subsidized by property tax revenue from elsewhere in the community, or by non-property tax revenue all together. Although every community is unique in the public services they provide, and the revenue sources that fund these services, this preliminary assessment aims to simply introduce the concept of economic productivity and how this measure can be greatly impacted by the decisions communities make regarding their built environment.

	# OF PROPERTIES*	TOTAL VALUATION	AVERAGE VALUATION	TOTAL ANNUAL PROPERTY TAX**	AVERAGE ANNUAL PROPERTY TAX
Willow Point & Eagle Lake	425	\$97,121,760	\$228,522	\$480,267	\$1,130
Aurora Park	125	\$23,225,640	\$185,805	\$114,851	\$919

4867 N. Prestwick Ave.	Residential	\$439,900	0.16514	7,194	\$305,710

Key Findings

Approximately 431 acres of property within Bel Aire currently generates no property tax revenue, which represents approximately 25.4% of all property in the City. Another 506 acres (29.8%) have a taxable value per acre of less than \$50,000. Together, of the approximately 1,700 acres of property within the current City limits, approximately 55.1% have a taxable value per acre between \$0 - \$50,000. Generally, the lower the taxable value per acre within a community, the higher property tax rates need to be to fund public services. Conversely, other revenue sources such as public utility rates, sales taxes, and impact fees on new development can be important revenue sources to consider, ensuring the City has sufficient revenue to meet the level of service expected by residents.

This type of analysis also provides the opportunity for the City to strategically target project funding to areas of the City that are its most productive, or in other words, areas of the City that create the most community wealth. The areas of the City that currently produce the most community wealth are along the Woodlawn corridor between 37th Street and 45th Street and the neighborhoods near Isely Traditional Magnet Elementary School and Northeast Magnet High School. The

most unproductive areas of the City are represented by undeveloped properties that have public services currently available. Assuming operations and maintenance services are being funded in these areas currently, the City should prioritize getting these properties into a productive land use to ensure sufficient revenue generation to continue funding services without subsidizing from other areas of the City, increasing property tax rates, and/or exploring alternate funding sources. Lastly, development proposals for currently undeveloped properties should be assessed using the taxable value per acre measure to assess whether the proposed development generates sufficient revenue to account for life-cycle operations and maintenance costs associated with the required public services. Building this capacity to assess development proposals from a "Return on Investment" perspective should be developed.

MAP A-10 - TAXABLE VALUE PER ACRE

MAP A-11 - TAXABLE VALUE PER ACRE COMPARISON

PSYCHOGRAPHICS

Psychographics are a way to categorize and describe groups of people based on a blending of factors that contribute to their lifestyle characteristics, especially as they relate to their spending tendencies. This type of categorization considers factors such as spending power, values, interests, social class, geographic location, age, educational attainment, and more. This system provides a way to describe groups of people in ways that consider more than just Census derived demographic, income, and housing data.

The categories, descriptions, and traits indicated in this section are taken from the ESRI developed Tapestry Segmentation system. The top 3 segments for Bel Aire are provided below.

WORKDAY DRIVE	IN STYLE	COMFORTABLE EMPTY NESTERS	
51.2% of households	36.0% of households	12.2% of households	
Workday Drive is an affluent, family-oriented market with a country flavor. Residents are partial to new housing away from the bustle of the city but close enough to commute to professional job centers. Life in this suburban wilderness offsets the hectic pace of two working parents with growing children. They favor time-saving devices, like banking online or housekeeping services, and family -oriented pursuits.	In Style denizens embrace an urban lifestyle that includes support of the arts, travel, and extensive reading. They are connected and make full use of the advantages of mobile devices. Professional couples or single households without children, they have the time to focus on their homes and their interests. The population is slightly older and already planning for their retirement.	Residents in this large, growing segment are older, with nearly half of all householders aged 55 or older; many still live in the suburbs where they grew up. Most are professionals working in government, health care, or manufacturing. These Baby Boomers are earning a comfortable living and benefiting from years of prudent investing and saving. Their net worth is well above average. Many are enjoying the transition from child rearing to retirement. They value their health and financial well-being.	
 Education: 40.5% college graduates; more than 72% with some college education. High labor force participation rate at 71%; two out of three households include two plus workers. Connected, with a host of wireless devices – anything than enables convenience, like banking, paying bills, or even shopping online. Well insured and invested in a range of funds, from savings accounts or bonds to stocks. Carry a higher level of debt, including first and second mortgages and auto loans. 	 College educated: 48% are graduates; 77% with some college education. Higher labor force participating rate is at 67% with proportionately more two-worker households. Median household income of \$73,000 reveals an affluent market with income supplemented by investments and a substantial net worth. Connected and knowledgeable, they carry smartphones and use many of the features. Attentive to price, they use coupons, especially mobile coupons. 	 Education: 36% college graduates; nearly 68% with some college education. Average labor force participation at 61%. Most households' income from wages or salaries, but a third also draw income from investments and retirement. Comfortable Empty Nesters residents physically and financially active. Prefer eating at home instead of dining out. Home maintenance a priority among these homeowners.

WHO ARE WE?

Workday Drive is an affluent, family-oriented market with a country flavor. Residents are partial to new housing away from the bustle of the city but close enough to commute to professional job centers. Life in this suburban wilderness offsets the hectic pace of two working parents with growing children. They favor time-saving devices, like banking online or housekeeping services, and family-oriented pursuits.

OUR NEIGHBORHOOD

- Workday Drive residents prefer the suburban periphery of metropolitan areas.
- Predominantly single family, homes are in newer neighborhoods, 34% built in the 1990s (Index 236), 31% built since 2000.
- Owner-occupied homes have high rate of mortgages at 68% (Index 164) and low rate vacancy at 4%.
- Median home value is \$257,400.
- Most households are married couples with children; average household size is 2.97.
- Most households have two or three vehicles; long travel time to work including a disproportionate number commuting from a different county (Index 132).

SOCIOECONOMIC TRAITS

- Education: 40.5% college graduates; more than 72% with some college education.
- High labor force participation rate at 71%; two out of three households include two plus workers (Index 124).
- Connected, with a host of wireless devices
 —anything that enables convenience,
 like banking, paying bills, or even
 shopping online.
- Well insured and invested in a range of funds, from savings accounts or bonds to stocks.
- Carry a higher level of debt, including first (Index 149) and second mortgages (Index 154) and auto loans (Index 149).

Note: The Index represents the ratio of the segment rate to the US rate multiplied by 100. Consumer preferences are estimated from data by MRI-Simmons.

AGE BY SEX (Esri data)

RACE AND ETHNICITY (Esti data)

The Diversity Index summarizes racial and ethnic diversity. The index shows the likelihood that two persons, chosen at random from the same area, belong to different race or ethnic groups. The index ranges from 0 (no diversity) to 100 (complete diversity).

INCOME AND NET WORTH

Net worth measures total household assets (homes, vehicles, investments, etc.) less any debts, secured (e.g., mortgages) or unsecured (credit cards). Household income and net worth are estimated by Esri.

Median Household Income

Median Net Worth

AVERAGE HOUSEHOLD BUDGET INDEX

The index compares the average amount spent in this market's household budgets for housing, food, apparel, etc., to the average amount spent by all US households. An index of 100 is average. An index of 120 shows that average spending by consumers in this market is 20 percent above the national average. Consumer expenditures are estimated by Esri.

OCCUPATION BY EARNINGS

The five occupations with the highest number of workers in the market are displayed by median earnings. Data from the Census Bureau's American Community Survey.

MARKET PROFILE (Consumer preferences are estimated from data by MRI-Simmons.)

- · Most households own at least two vehicles; the most popular types are minivans and SUVs.
- Family-oriented purchases and activities dominate, like four plus televisions (Index 154), movie purchases or rentals, children's apparel and toys, and visits to theme parks or zoos.
- Outdoor activities and sports are characteristic of life in the suburban periphery. They
 attend sporting events, as well as participate in them like bicycling, jogging,
 golfing, and boating.
- Home maintenance services are frequently contracted, but these families also like their gardens and own the tools for minor upkeep, like lawn mowers, trimmers, and blowers.

HOUSING

Median home value is displayed for markets that are primarily owner occupied; average rent is shown for renter-occupied markets. Tenure and home value are estimated by Esri. Housing type and average rent are from the Census Bureau's American Community Survey.

Typical Housing: Single Family

Median Value: \$257,400

US Median: \$207,300

POPULATION CHARACTERISTICS

Total population, average annual population change since Census 2010, and average density (population per square mile) are displayed for the market relative to the size and change among all Tapestry markets. Data estimated by Esri.

MARKET PROFILE (Consumer preferences are estimated from data by MRI-Simmons.)

- Partial to late model SUVs: compact SUVs are gaining popularity.
- Homes integral part of their style; invest in home remodeling/maintenance, DIY or contractors; housekeeping hired.
- · Prefer organic foods, including growing their own vegetables.
- Financially active, own a variety of investments often managed by a financial planner.
- · Meticulous planners, both well insured and well invested in retirement savings.
- · Generous with support of various charities and causes.
- Actively support the arts, theater, concerts, and museums.

HOUSING

Median home value is displayed for markets that are primarily owner occupied; average rent is shown for renter-occupied markets. Tenure and home value are estimated by Esri. Housing type and average rent are from the Census Bureau's American Community Survey.

Typical Housing: Single Family

Median Value: \$243,900

US Median: \$207,300

POPULATION CHARACTERISTICS

Total population, average annual population change since Census 2010, and average density (population per square mile) are displayed for the market relative to the size and change among all Tapestry markets. Data estimated by Esri.

ESRI INDEXES

Esri developed three indexes to display average household wealth, socioeconomic status, and housing affordability for the market relative to US standards.

ECONOMIC DEVELOPMENT PROFILE

EMPLOYMENT BY INDUSTRY

Bel Aire residents over the age of 16 and employed are primarily represented in the **educational services**, **health care**, **and social assistance industries** – approximately 23.6%. Other primary employment industries include manufacturing, professional, scientific, and management. Compared to the Wichita Metropolitan Statistical Area, a greater share of the Bel Aire population are employed in the professional, scientific, and management industries. While a substantially smaller share of the population are employed in the construction industry.

RETAIL DEMAND BY INDUSTRY

The Spending Potential Index (SPI) compares average local expenditures to U.S. levels. The SPI value for the U.S. is 100. If, for example, the SPI value for a geographic area is 70, this implies that average spending by consumers in the geographic area is likely to be 30 percent less than the U.S. average.

The SPI for the City of Bel Aire for retail trade is 104 and 105 for food services and drinking places. Translated, this means Bel Aire households are expected to spend 4% more that the average U.S. household on retail trade and 5% more on food services and drinking places.

Bel Aire households are expected to spend \$24,290 annually in the retail trade sector and \$4,197 annually on food services and drinking places. Wichita Metropolitan Statistical Area households are expected to spend approximately \$5,636 less annually in the retail trade sector than Bel Aire households, and \$1,036 less on food services and drinking places.

The graphic on the following page breaks retail trade and food services/drinking places into subsectors for more granular analysis.

COMMUTE TIME

The percentage of commute times less than 20 minutes is similar to the average Wichita Metropolitan Statistical Area commuter. Approximately 53.5% of all commutes in Bel Aire are less than 20 minutes compared with 53.4% of the Wichita MSA.

COMMUTE TYPE

Bel Aire residents that commute to work **predominantly choose to drive alone (80.6%).** Compared to the Wichita Metropolitan Statistical Area, **more Bel Aire commuters work at home, and less choose active transportation options such as walking and biking.**

COMMUTES LESS THAN 20 MINUTES

TYPE	BEL AIRE	WICHITA MSA
Drive Alone	80.6%	82.2%
Carpooled	7.9%	8.7%
Work at Home	9.2%	5.6%
Walk	0.9%	1.5%
Other	1.2%	0.9%
Public Transportation	0.0%	0.5%
Bus	0.0%	0.4%
Motorcycle	0.0%	0.2%
Taxicab	0.0%	0.1%
Bicycle	0.2%	0.3%

Key Findings

Over half of Bel Aire residents are employed in education, health care, social assistance, manufacturing, and professional sectors. The notable deviations from the Wichita MSA include more representation in the professional, finance, and real estate sectors. Conversely, less Bel Aire residents are employed in the construction and transportation sectors.

Not surprisingly, based on a comparison of median household incomes between the City, Wichita MSA, and State of Kansas, the expected annual household spending within the retail trade sector is notably higher in Bel Aire. The largest deviation by index between the City and the Wichita MSA is in the Building Material, Garden Equipment, Furniture and Home Furnishings, Sporting Goods, Hobby, Musical Instruments, and Book Store industries.

53.5% of Bel Aire's commuters experience a commute less than 20 minutes, which is comparable to the Wichita MSA as a whole. Although the average commute time is comparable, the City does exhibit less commutes happening by non-vehicular means such as walking and biking. Approximately 9.2% of Bel Aire residents avoid a commute altogether by working at home compared with 5.6% of all Wichita MSA residents.

APPENDIX B -SUMMARY OF RELEVANT PLANS & STUDIES

This plan builds off of several key documents already established for the City of Bel Aire. Using this information to inform the work herein helps springboard Bel Aire to continue on an informed and congruent path. The following pages summarize several key past plans.

BEL AIRE COMPREHENSIVE DEVELOPMENT PLAN UPDATE 2014-2034

The 2014 Plan established the following vision statement:

"The City of Bel Aire is a safe, family oriented, engaged community with a focus on economics and growth to ensure an independent future for generations to come."

LAND USE GOAL

Land should be developed within the corporate boundaries which continue the high quality of life for the citizens of Bel Aire and to produce efficient and effective delivery of public services to the growing community.

- 1. Encourage congruent land uses that are compatible and developed in a lowest-impact method to adjacent properties.
- 2. Establish easy access for all citizens to public services and amenities.
- 3. Continue to plan and develop greenways and pedestrian systems for creating community connections.
- 4. Diversify development to broaden the City's tax base with commercial, industrial, and residential development.

CHARACTER DEVELOPMENT & QUALITY OF LIFE GOAL

The City of Bel Aire shall strive to establish its own identity by ensuring a high quality of life for its residents.

- 1. Develop a visually pleasing community character.
- 2. Promote community identification and development.
- Develop open space and parks.
- 4. Safety/activity in community.

INFRASTRUCTURE & UTILITIES GOAL

The City of Bel Aire must plan for and maintain infrastructure to ensure continued quality growth and preservation of existing resources.

- 1. Provide convenient access for citizens within the community along the perimeter of Bel Aire to reach other destinations.
- 2. Maintain a quiet neighborhood community.
- 3. Use infrastructure design to connect the community.

- 4. Balance architectural design and aesthetics to a central theme.
- 5. Ensure long-term planning, construction, and maintenance of utilities and related infrastructure.

ECONOMIC DEVELOPMENT & DIVERSIFICATION GOAL

The City of Bel Aire must support economic development and diversification to ensure a stable and healthy financial growing community.

- 1. Increase the tax base through development.
- 2. Maximize revenue generated from developments which will provide the most return for the investment and land use.
- 3. Move from a solely residential community to a full service community with diverse city services.

ZONING CODE & PLANNING PROCESS GOAL

The City of Bel Aire must strive to require excellence in architectural design of facilities with curb appeal from commercial businesses, then ensure a well-maintained, healthy community with quality development through proper zoning, housing, and building codes.

- 1. Establish appropriate administrative processes and legal procedures to address deteriorating property conditions.
- 2. Engage citizens in the effort of improving the property conditions in the community by creating a citizen's organization to assist with community education and improvement efforts.
- Recognize the role of the judicial process for code violations and ensure the intent and goal of improved property conditions is clear to all entities involved in the legal process.
- 4. Revise the zoning and subdivision codes.

MAP B-1 - 2014 COMPREHENSIVE PLAN FUTURE LAND USE MAP

PROGRESS WITH PRINCIPLES: A MASTER PLAN FOR COMMUNITY GROWTH

This 2018 plan aimed to develop a long-term plan for growth and development through 2035. The plan set forth several strategies:

- 1. Maximize compatibility between land uses to preserve community character as development occurs.
- 2. Encourage new development on currently undeveloped, agricultural, and large lot/estate residential properties.
- 3. Establish situational and locational criteria to guide decision-making when flexibility is needed during the development process.
- 4. Amend the Bel Aire Zoning Ordinance to encourage mixed-use/local commercial developments.
- 5. Maintain strict standards for general commercial uses that mitigate negative impacts to lower intensity uses.
- 6. Review sign regulations and revise as appropriate.
- 7. Adopt policies and programs that encourage local commercial development in the short-term.
- 8. Provide for the development of sufficient parks and recreation facilities to meet community needs as Bel Aire grows.
- 9. Pursue unilateral annexation of properties in Bel Aire's north growth and along K-254 east of existing City boundaries.

MAP B-2 - 2018 MASTER GROWTH PLAN FUTURE LAND USE MAP

Section 3: Existing & Planned Land Uses

Figure 3.4: Preferred Balanced Growth Scenario Map

PROGRESS

Principles a master plan for community growth

14

3 PARKS MASTER PLAN

Adopted in 2023, this plan was focused on planning for three key community parks: 1) Bel Aire Park, 2) Bel Aire Recreation Complex, and 3) Central Park. The plan was tasked with determining if new or additional amenities might better serve users while providing for "unique and spectacular experiences."

Central Park is approximately 5 acres and is located near Central Park Avenue between Woodlawn Boulevard and Rock Road. Recommended improvements for Central Park include an estimated \$2,535,000 investment.

Bel Aire Park, known as Fire Station Park, is approximately 1.5 acres and is located on Woodlawn Boulevard between 37th Street and 45th Street. Recommended improvements for Bel Aire Park include an estimated \$950,000 investment.

The Bel Aire Recreation Complex is approximately 18 acres and is located on 48th Street between Oliver Street and Edgemoor Drive. Recommended improvements for the Bel Aire Recreation Complex include an estimated \$3,762,000 investment.

This concept for Bel Aire Park is designed to enhance the experience of area residents. The current park includes a playground, shelter, sand playground, tennis court, and a basketball court. Due to the current conditions and maintenance issues the sand play and the tennis court have been removed in this concept. A new playground with amenities for older children has been added in place of the tennis court. A restroom is included in this concept to better the chances of people spending more time at the park. Parking is also added to this park in order to advance the parks accessibility and safety.

2

Bel Aire Park plan from the 3 Parks Master Plan.

This concept is what the Bel Aire Recreation Complex could be in order to keep up with the needs of the community. The Recreation Building is in need of a remodel, expansion, or both. The playground closest to the building has been expanded for the daycare children. A Multi-Sport Court with tennis and pickleball has been proposed to replace the tennis court that currently exists at Bel Aire Park. A stage and playground are proposed around the existing shelter a to activate this area. The Little League Fields have been converted into a wheel shape to maximize the usability and accessibility of the space.

This concept is designed to activate Central Park without it feeling overcrowded. Currently Central Park offers a nice walking trail with views of the neighborhood and the pond. In order to enhance the experience at Central Park pickleball, shelters, fishing docks, added play elements, a restroom, and additional parking have all been added, making this a park visitors can spend a full day at. This concept also makes this park a source of revenue as the shelters could be rented out or one could be used as a stage for live music. This concept is quite active but still leaves enough flexibility to host different events or do something on your own away from the crowd in the open lawn spaces.

29

Bel Aire Recreation Complex plan from the 3 Parks Master Plan.

31

Central Park plan from the 3 Parks Master Plan.

BEL AIRE BICYCLE AND PEDESTRIAN PLAN

In 2018, Bel Aire developed this plan as a response to the 2014 Comprehensive Plan. The plan found that 67% of Bel Aire's streets had no sidewalks. The vision created from this plan was that "Bel Aire will be a community for all ages that promotes equitable and active living opportunities for its residents by providing an enhanced, safe, and connected bicycle and pedestrian network."

Top priority projects identified were Woodlawn Boulevard from 37th Street to 45th Street and Rock Road from Central Park Avenue to Old Mill Street. The plan also developed several high-priority and lower-priority actions. Some of the high-priority actions were:

- Program local funds for, and construct, short-term capital projects.
- Seek outside funding sources to supplement local funds for near-term capital projects.
- Require the provision of pedestrian and bicycle connections between adjacent neighborhoods and from neighborhoods to the bicycle and pedestrian network during the land development process.
- As development and redevelopment occurs, require the construction of bicycle and pedestrian projects, or portions thereof, consistent with this plan, or require fee-in-lieu of construction.
- When appropriate and feasible, incorporate pathway projects with other City projects, such as street and intersection improvements.

The map on Page B-69 shows the existing (2017) bicycle and pedestrian infrastructure in Bel Aire. The map on Page B-70 shows the future projects identified by the Bicycle and Pedestrian Plan, including near-term, long-term, and projects to be completed along with new development.

MAP B-3 - EXISTING BICYCLE & PEDESTRIAN FACILITIES (2017)

MAP B-4 - BICYCLE & PEDESTRIAN FUTURE PROJECTS

SEWER MASTER PLAN

This 2023 plan developed a working computer model of the City's sanitary sewer collection system and performed a detailed capacity analysis. The primary objective of this plan was to determine sanitary sewer system improvements needed to address current system deficiencies and anticipated future conditions. Average daily flow is 0.59 million gallons per day (MGD), and with a maximum day flow of 1.44 MGD. The plan used three scenarios to project future demand. Average daily flows ranged from 1.18 to 4.77 MGD, with peak hour flows ranging from 3.55 MGD to 11.78 MGD.

The plan presented three options on how to serve the City in the future.

- 1. Improvements to direct all sanitary sewer flows to the Chisholm Creek Utility Authority (CCUA). This would require new gravity lines and improvements to existing lift stations. CCUA would also need to be expanded to accommodate the increased flows. Conceptual projects costs for this option are \$42,093,900.
- Construct a new treatment plant with an approximate capacity of 2.1 million gallons per day. The existing flows would continue to go to CCUA, but most future growth areas would be directed to the new treatment plant. Conceptual projects costs for this option are \$38,196,200.
- 3. Split future development flows between CCUA and a new connection with the City of Wichita's sanitary sewer system. Instead of upgrading CCUA or building a new treatment plant, this option would direct new demand into the City of Wichita's collection and treatment system. The City of Wichita would need to verify its ability and willingness to partner on this option. Conceptual project costs for this option are \$37,824,500.

WATER MASTER PLAN

This 2023 plan was aimed at determining what water distribution system improvements the City needed to address existing deficiencies and plan for future growth. At the time of the analysis, average daily demand was 0.80 million gallons per day (MGD). The plan used three scenarios to project future demand. Average daily demand ranged from 1.52 to 6.25 MGD.

The plan recommended:

- 1. Construction of looped waterlines in the north and east portions of the distribution system at an estimated cost of \$20,393,880.
- 2. Adding 2.0 million gallons of elevated storage at an estimated cost of \$15,966,000.
- 3. Adding a new 3.2 MGD water supply connection from the City of Wichita at an estimated cost of \$222,300.

WATER AND WASTEWATER OPTIONS ASSESSMENT - PHASE 1

In February of 2024, PEC completed Phase 1 of a water and wastewater assessment for the City of Bel Aire. The study scope focused on supply and treatment of potable water and treatment of wastewater, and was largely precipitated by a potential major industrial user. This study identified several preliminary options across three scenarios for Bel Aire to meet its future needs. Scenario 1 focused projections without the potential new industrial user. Scenario 2 includes the first phase of the potential industrial user, and Scenario 3 includes development areas noted in the 2018 Master Growth Plan as well as both phases of the potential new industrial user. The study found only some options were practical given the anticipated timelines of the potential new industrial development. Phase 2 of this study will be conducted once the potential new industrial user gets further along in the development process, as the project is still awaiting federal funding as of this writing.

PEC recommended Bel Aire further consider connecting its existing potable water distribution system to the Northwest Wichita Water Treatment Plant, the construction of a new Wastewater Treatment Plant, and a new connection to Wichita's wastewater treatment collection system.

Table 3-1 Projected Bel Aire Water Demands

Scenario	Timeframe	Cumulative ADD (MGD)	Cumulative MDD (MGD)	Cumulative PHD (MGD)
1	2023-2025	1.52	3.04	4.55
2	2026-2031	3.43 - 9.43	5.67 – 11.67	7.88 – 13.88
2	2020-2031	(2.23)	(4.47)	(6.68)
3	2032-2043	6.25 – 18.25	10.12 - 22.12	13.95 – 25.95
3	2032-2043	(3.85)	(7.72)	(11.55)

Table 3-2 Projected Bel Aire Wastewater Generation

Scenario	Timeframe	Cumulative ADD (MGD)	Cumulative MDD (MGD)	Cumulative PHD (MGD)
1	2023-2025	1.18	2.55	3.55
2	2026-2031	2.53 - 5.70	4.71 - 7.88	6.32 - 9.49
2	2020-2031	(1.89)	(4.07)	(5.68)
3	2032-2043	4.77 – 11.12	8.80 – 15.15	11.78 – 18.13
3	2032-2043	(3.50)	(7.53)	(10.51)

Table 7-2 Wastewater Treatment Options Review

Masteriate Treatment		n Timeframe rements	Flow Requirements (With Suppliers)			
Wastewater Treatment Options(1)	Meets Scenario 2?	Meets Scenario 3?	Meets Scenario 2 (7.37 MGD)?	Meets Scenario 3 (14.67 MGD)?	Estimated Flow	
Existing Wichita Sewer Connection	Yes	Yes	No	No	1.25 MGD ⁽²⁾	
Wichita 24-inch Sewer Connection	Yes	Yes	No	No	1.92 MGD ⁽²⁾	
CCUA WWTP (with expansion)	No	Yes	No	No	2.1 MGD	
Bel Aire WWTP	No	Yes	Yes	Yes	15+ MGD	

- (1) The high end of the maximum day flow projections was used to determine if an option meets each scenario
- (2) Requires confirmation from Wichita

Table 7-1 Water Supply Options Review

		n Timeframe rements	Demand	Demand Requirements (With Suppliers)				
Water Supply Options ⁽¹⁾	Meets Scenario 2?	Meets Scenario 3?	Meets Scenario 2 (9.19 MGD)?	Meets Scenario 3 (12.01 MGD)?	Estimated Water Supply			
Wichita Distribution System Connection	Yes	Yes	No	No	5.6-7.1 MGD ⁽²⁾			
Wichita NWWTP Connection	No	Yes	Yes	Yes	25+ MGD ⁽³⁾			
El Dorado WTP Connection	No	Yes	No	No	6 MGD ⁽⁴⁾			
CCUA WTP (Existing)	N/A	N/A	No	No	1.75 MGD ⁽⁵⁾			
Reuse	N/A	N/A	N/A	N/A	N/A			

- (1) Excludes a new Bel Aire WTP due to lack of raw water supply options. The high end of the MDD was used to determine if an option meets each scenario
- (2) Based on preliminary conversations with Wichita, requires confirmation.
- (3) Requires confirmation that Wichita is willing to supply this amount based on their projected growth.
- (4) Assumes expansion of the WTP; 3MGD could be provided without significant WTP improvements, reducing the construction timeframe
- (5) Does not include possibility of expanding WTP if water rights can be recovered from previous conversion process

COMMUNITY SURVEY

Wichita State University's Hugo Wall School of Public Affairs Public Policy and Management Center prepared a community survey in 2017. The results of this survey included input from approximately 650 Bel Aire residents to "infuse public investment decisions with the will of the community framed by the public interest and community wellbeing."

COMMUNITY SUPPORT FOR PLANNED/CURRENT INVESTMENTS

- Support for improvements at the 45th Street and Woodlawn Boulevard (87%), 45th Street and Oliver Street (70%), and 45th Street and Oliver Street (62%) intersections.
- 2. Approximately 84% approve of improving Woodlawn Boulevard to three-lanes between 37th Street and 45th Street.

COMMUNITY SUPPORT FOR INVESTMENTS IN THE FUTURE

- 87% approve of investments that include aggressively improving neighborhood streets before conditions begin deteriorating.
- 2. 91% approve of investments that include aggressively improving roads before traffic congestion becomes a problem.
- 92% approve of infrastructure investment including replacing aging water and sewer lines before disruptions occur.
- 84% approve of efforts to systematically improve the drainage system to reduce potential flooding damage.

APPROVAL OF HOUSING RELATED INVESTMENT

- 1. 24% approve of housing policies that encourage investment in apartments and duplexes.
- 2. 63% approve of housing policies that encourage housing for seniors.

PARK & RECREATION INVESTMENTS

- 35% approve of investing in the development of a dog park.
- 48% approve of investments in small neighborhood parks.
- 66% support the development of walking and bicycle paths that connect Bel Aire parks
- 60% support the development of walking and bicycle paths that connect to Wichita walking and bicycle paths.

CREATION OF TOWN CENTER

1. 64% feel that Bel Aire should not develop a downtown but should encourage the development of pockets of commercial/retail activity at selected intersections in the community.

APPENDIX C COMMUNITY ENGAGEMENT SUMMARY

The foundation of comprehensive planning is community engagement. Throughout the creation of this plan, the planning team has sought feedback from Bel Aire citizens and community groups using a variety of engagement tools and activities. Comments and conversations from these sessions directly impacted the recommendations seen within this plan. This section discusses the quantitative and qualitative results from the community engagement phase.

OVERVIEW

The PEC planning team collaborated with the general public, community stakeholders, City staff members, and City Leadership to hold public engagement events. Over the course of this plan's development, multiple community engagement activities were held, including a City leadership work session, stakeholder meetings, and a pop-up event, leading to contacts with over seventy (70) citizens.

COMMUNITY ENGAGEMENT EVENTS

- Fall Festival Pop-Up Event (10.21.2023)
- City Leadership Work Session (05.14.2024)
- Stakeholder Session: Bel Aire Utility Advisory Committee (07.24.2024)
- Stakeholder Session: Bel Aire Tree Board (07.29.2024)
- Stakeholder Session: Bel Aire Seniors (08.16.2024)
- Stakeholder Session: Bel Aire Bike Walk (08.22.2024)
- Stakeholder Session: Bel Aire Lions Club (09.18.2024)
- Stakeholder Session: Bel Aire Chamber of Commerce (09.19.2024)
- City Leadership Work Session #2 (02.11.2025)
- City Leadership Work Session #3 (05.13.2025)

BUSINESS DIVERSIFICATION

With housing as the primary land use in Bel Aire, an increase in and diversification of commerce is needed for the City to increase its tax base. This will also provide highly desired amenities to the community. One group noted that the City's slogan, "Life's Better on the Edge!" is indicative of the lack of shopping, dining, and entertainment businesses in Bel Aire. With growing senior and child populations, opportunities for entertainment, grocery shopping, and dining in town are of increasing importance. Continued development will be difficult to spur without bringing in more commercial options.

MOBILITY & CONNECTIVITY

A commonly discussed topic was that citizens desire an increase in Bel Aire's transportation infrastructure. Most roads in Bel Aire are two-lane rural sections (open ditches) with little to no pedestrian facilities. Improving roadway capacity and efficiency as development occurs is important, as well as providing multi-use paths for pedestrians and cyclists. Pedestrian connectivity is needed between neighborhoods in town and nearby towns and trails. Citizens are concerned with traffic speeds, especially in neighborhoods. Multi-modal transportation is of increasing importance because there is no public transportation available in Bel Aire currently. It is important to develop incrementally to maintain infrastructure expansion and keep the town cohesive.

PARKS & RECREATION

The recreation programs available in Bel Aire are a strength in the community, providing activities for all ages. Bel Aire's parks are enjoyed by many community members, and continued maintenance and expansion of parks should be prioritized. Additional parks on the east half of town are needed. Creating amenities and programming within parks, such as lighting, shaded benches, disc golf, etc., should continue. The addition of a dog park is highly favored, as well as an outdoor music venue or other outdoor amenities within the parks. Focusing on improving parks to be accessible for those in wheelchairs and the elderly should be a priority as well.

INFRASTRUCTURE

Bel Aire's water, sewer, and street infrastructure should be prioritized for maintenance and improvements. Citizens want to see improvements in all areas of infrastructure, but most notably in water supply.

AMENITIES

Bel Aire should increase amenities that provide for the town's character and decrease the need for citizens to travel to Wichita. This will increase Bel Aire's attractiveness for new businesses, visitors, and residents alike. These could include, but are not limited to, a library, outdoor venue, dog park, farmer's market, and indoor pool.

IDENTITY & CHARACTER

Bel Aire was identified as safe, friendly, and a great community at every engagement event. This is a strength that should be amplified and marketed. There was consistent back and forth on the desire for Bel Aire to remain a bedroom community, or to grow and become a recognizable city. The "small town feel" was identified as both a strength and a challenge. However, the overwhelming desire for an increase in retail business leads to the conclusion that most citizens are willing to welcome new businesses. The "small town feel" can still be maintained with proper planning and street design.

HOUSING

There is a split between the desirability of duplexes, however most agreed that high rises would not be appropriate in Bel Aire. While new development continues, it was stressed that older sections of Bel Aire cannot be forgotten when the City plans for maintenance and upgrades. Some groups recognized that the market and the economy are prompting the development of multi-family housing, however others are against it. The challenge will be to encourage the continued development of housing that is welcoming, diverse, and responsive to market demands, while maintaining the preferred physical character of the City.

COMMUNICATION & TRANSPARENCY

Citizens discussed the importance of communication from the City regarding development projects and other events. Community engagement is appreciated and citizens desire to have their voices put to action. Clear

expectations and project plans can be provided to the citizens, who are ready to be engaged and participate in their community. It was noted that better communication between Bel Aire, the City of Wichita, and USD 259 was also of utmost important improving connectivity.

Additionally, each engagement session attendees were given a response card and individually asked the following questions:

The compilation of all responses can be found in the word clouds below. The larger the word the more frequently it was mentioned. Individual word clouds reflective of only the responses received during individual sessions are included on the following pages.

What are three things that make you proud of Bel Aire?

What are three challenges we face in Bel Aire?

FALL FESTIVAL POP-UP EVENT

On October 21, 2023, PEC hosted a pop-up event at the Fall Festival. Attendees were presented with four paper boards, each with a prompt. They were asked to write in answers to the following prompts:

- What word or phrase would you use to describe Bel Aire today?
- What are Bel Aire's opportunities?
- What are Bel Aire's challenges?
- What word or phrase would you hope to use to describe Bel Aire in 20 years?

RESULTS

In general, the community saw Bel Aire today as friendly, safe, a "picket fence community", but also as a place growing without direction.

For opportunities, citizens suggested creating more amenities such as green spaces, crosswalks, and neighborhood pools.

Bel Aire's challenges were lack of input from the citizens and lack of transparency, the need to grow in more efficient and sustainable ways for better connectivity, and the need for additional amenities such as a dog park and coffee shop.

Finally, in 20 years, citizens want to be able to describe Bel Aire as having plenty to do, walkable, bikeable, and accessible to nature, and "be on the leading edge rather than just lying on the edge!".

What word or phrase would you use to describe Bel Aire today?

What are Bel Aire's challenges?

CITY LEADERSHIP WORK SESSION #1

The City Leadership Work Session #1 was held on May 14th, 2024, at Bel Aire City Hall. City leadership consisted of the full City Council and Planning Commission in addition to several City staff members. The session consisted of a presentation and three exercises: Priorities, ACE, and Response Cards.

PRIORITIES

In the first exercise, attendees were asked to envision the 10-year future of Bel Aire. Six community priorities were presented on boards throughout the room and attendees were given three sticky notes of three different colors, each color representing a different priority rank. Using those sticky notes, attendees were to select their top three priorities for the community. The six community priorities are:

- Housing: Strong communities feature quality housing, a robust housing market, and provide a diversity of housing types to accommodate buyers and renters at all stages of life.
- Mobility: Strong communities provide a transportation system that supports all residents' ability to navigate freely and safely regardless of age, physical ability, and income.
- Community Image, Character & Identity: Strong communities embrace what makes them unique, and use these differentiators to create, maintain and progress a cohesive identity.
- Community Connections: Strong communities are places where residents feel safe and welcomed, and where neighbors know each other.
- Parks & Recreation: Strong communities provide opportunities for all ages to be active, to encourage physical and emotional well-being.
- Business, Services, and Economic Development: Strong communities have a business economy that provides essential goods and services for residents and visitors and is an important aspect of the local, regional, and state economy.

Priority	1st	2nd	3rd	Total
Housing	0	1	1	2
Mobility	0	2	2	4
Community Image, Character, & Identity	2	3	2	7
Community Connections	3	3	3	9
Parks & Recreation	2	2	2	6
Business, Services, & Economic Development	2	2	6	10

Three top priorities were identified:

- Business, Services, and Economic Development Bel Aire should prioritize businesses, services, and economic development.
 Attendees want Bel Aire to be a strong community with a business economy that prioritizes essential goods and services for residents and visitors.
- 2. Community Connections Bel Aire should prioritize creating a community where residents feel safe and welcomed and neighbors know each other. Residents should feel connected to the community through events and activities.
- 3. Community Image, Character, and Identity Bel Aire should foster a strong sense of community where residents feel welcomed.

ACE

In the second activity, attendees were divided into three groups and asked to identify what aspects of the community need to be Amplified (A), Created (C), and Eliminated (E). These answers did not need to correspond to the prioritization exercise responses above.

Amplified: actions that Bel Aire is already doing and should keep doing. Responses were:

- The balance of housing types and increase the diversity of lot sizes within developments
- Infrastructure investment, community events, parks and recreation
- Safety, open spaces and parks, retail businesses

Created: actions that Bel Aire is not doing but should. Responses were:

- Require all developments to install and maintain native grass plantings and green space as a part of all projects
- Emphasize a retail-focused "main street" area
- East side amenities, bike path, restaurants

Eliminated: actions that Bel Aire is currently doing but should stop. Responses were:

- Plantings and green space that requires excessive fertilization and irrigation
- Limit property tax-exempt development
- Strategically assess two-family and multi-family residential development

RESPONSE CARDS

Finally, attendees were given a comment card and individually asked the following questions:

- 1. What are three things that make you proud of Bel Aire?
- 2. What are three challenges we face in Bel Aire?

Attendee responses can be found in the word clouds below. The larger the word, the more frequently is was mentioned.

What are three things that make you proud of Bel Aire?

What are three challenges we face in Bel Aire?

BEL AIRE UTILITY ADVISORY COMMITTEE STAKEHOLDER SESSION

On July 24th, 2023, the Bel Aire Utility Advisory Committee met with PEC staff for a Stakeholder Session. This session consisted of three exercises: Priorities, ACE, and Response Cards.

PRIORITIES

In the first exercise, attendees were asked to envision the 10-year future of Bel Aire. Six community priorities were presented on boards throughout the room and attendees were given three sticky notes of three different colors, each color representing a different priority rank. Using those sticky notes, attendees were to select their top three priorities for the community. The six community priorities are the same as were used in the City Leadership Work Session #1, and are described on page C-89. This session's priorities are listed in the following table:

Priority	ıst	2nd	3rd	Total
Housing	1	1	2	4
Mobility	3	0	0	3
Community Image, Character & Identity	0	2	0	2
Community Connections	0	0	1	1
Parks & Recreation	0	1	1	2
Business, Services, & Economic Development	0	0	0	0

Four top priorities were identified:

- **1. Housing:** Bel Aire should feature quality, diverse housing types that accommodate buyers and renters at all stages of life.
- 2. **Mobility:** Bel Aire should provide a transportation system that supports all residents' ability to navigate freely and safely regardless of age, physical ability and income.
- Community Image, Character & Identity: Bel Aire should foster a strong sense of community where residents feel welcomed.
- Parks and Recreation: Bel Aire should provide opportunities for all ages to be active to encourage physical and emotional wellbeing.

ACE

In the second activity, attendees were divided into three groups and asked to identify what aspects of the community need to be Amplified (A), Created (C), and Eliminated (E). These answers did not need to correspond to the prioritization exercise responses above.

Amplified: actions that Bel Aire is already doing and should keep doing. Responses were:

- Continue providing excellent parks and recreation services
- Sidewalks should continue to be placed throughout Bel Aire
- Preserve the small-town community feel
- Keep future plans at the forefront of all development

Created: actions that Bel Aire is not doing but should. Responses were:

- Create a mobility program that allows all ages to move around
- Be adaptable to changing community needs
- Be transparent regarding City development

Eliminated: actions that Bel Aire is currently doing but should stop. Responses were:

- Focus on keeping the small-town community feel
- Resolve issues surrounding sewer and water
- Reduce high water costs

RESPONSE CARDS

Finally, attendees were given a comment card and asked the following questions:

- 1. What are three things that make you proud of Bel Aire?
- 2. What are three challenges we face in Bel Aire?

Attendee responses can be found in the word clouds on the right. The larger the word, the more frequently is was mentioned.

What are three things that make you proud of Bel Aire?

What are three challenges we face in Bel Aire?

BEL AIRE TREE BOARD STAKEHOLDER SESSION

On July 29th, 2024, the Bel Aire Tree Board met with PEC staff for a Stakeholder Session. This session consisted of three exercises: Priorities, ACE, and Response Cards.

PRIORITIES

In the first exercise, attendees were asked to envision the 10-year future of Bel Aire. Six community priorities were presented on boards throughout the room and attendees were given three sticky notes of three different colors, each color representing a different priority rank. Using those sticky notes, attendees were to select their top three priorities for the community. The six community priorities are the same as were used in the City Leadership Work Session #1, and are described on page C-89. This session's priorities are listed in the following table:

Priority	1st	2nd	3rd	Total
Housing	0	1	0	1
Mobility	3	2	0	5
Community Image, Character & Identity	1	0	1	2
Community Connections	1	0	2	3
Parks & Recreation	1	2	1	4
Business, Services, & Economic Development	0	1	2	3

Four top priorities were identified:

- 1. **Mobility:** Bel Aire should provide a transportation system that supports all residents' ability to navigate freely and safely regardless of age, physical ability and income.
- 2. Parks and Recreation: Bel Aire should provide opportunities for all ages to be active to encourage physical and emotional wellbeing.
- 3. Community Connections: Bel Aire should strive to be a place where residents feel safe and welcome, and where neighbors know each other.
- **4. Business, Services & Economic Development:** Bel Aire should attempt to have a business economy that provides essential goods and services for residents and visitors and is an important aspect of the local, regional, and state economy.

ACE

In the second activity, attendees were divided into three groups and asked to identify what aspects of the community need to be Amplified (A), Created (C), and Eliminated (E). These answers did not need to correspond to the prioritization exercise responses above.

Amplified: actions that Bel Aire is already doing and should keep doing. Responses were:

- Increase transparency between public and private entities
- Outdoor amenities surrounding recreation
- Current Bel Aire recreation center
- Trees and natural habitat

Created: actions that Bel Aire is not doing but should. Responses were:

Library

- Indoor pool
- Farmers Market
- Public transportation
- Regulation of chemical sprays

Eliminated: actions that Bel Aire is currently doing but should stop. Responses were:

- Disconnectedness of neighborhoods
- Invasive species
- Cutting corners on road construction

RESPONSE CARDS

Finally, attendees were given a comment card and asked the following questions:

- 1. What are three things that make you proud of Bel Aire?
- 2. What are three challenges we face in Bel Aire?

Attendee responses can be found in the word clouds to the right. The larger the word, the more frequently is was mentioned.

What are three things that make you proud of Bel Aire?

What are three challenges we face in Bel Aire?

BEL AIRE SENIORS STAKEHOLDER SESSION

On August 16, 2024, the Bel Aire Seniors group met with PEC staff for a Stakeholder Session. This session consisted of three exercises: Priorities, ACE, and Response Cards.

PRIORITIES

In the first exercise, attendees were asked to envision the 10-year future of Bel Aire. Six community priorities were presented on boards throughout the room and attendees were given three sticky notes of three different colors, each color representing a different priority rank. Using those sticky notes, attendees were to select their top three priorities for the community. The six community priorities are the same as were used in the City Leadership Work Session #1 engagement session, and are described on page C-89. This session's priorities are listed in the following table:

Priority	1st	2nd	3rd	Total
Housing	0	0	1	1
Mobility	0	2	1	3
Community Image, Character & Identity	0	0	0	0
Community Connections	0	2	1	3
Parks & Recreation	3	0	0	3
Business, Services, & Economic Development	2	1	2	5

Four top priorities were identified:

- Business, Services & Economic Development: Bel Aire should attempt to have a business economy that provides essential goods and services for residents and visitors and is an important aspect of the local, regional, and state economy.
- 2. Mobility: Bel Aire should provide a transportation system that supports all residents' ability to navigate freely and safely regardless of age, physical ability and income.
- **3. Community Connections:** Bel Aire should strive to be a place where residents feel safe and welcome, and where neighbors know each other.
- 4. Parks and Recreation: Bel Aire should provide opportunities for all ages to be active to encourage physical and emotional wellbeing.

ACE

In the second activity, attendees were divided into three groups and asked to identify what aspects of the community need to be Amplified (A), Created (C), and Eliminated (E). These answers did not need to correspond to the prioritization exercise responses above.

Amplified: actions that Bel Aire is already doing and should keep doing. Responses were:

- Creating amenities in the parks (like lighting, disc golf, benches, etc.)
- Traffic control, especially near the Recreation Center in the mornings
- Innovation in the Police Department. Citizens wish they would have used the Flock Cameras
- More City Council members being active and talking with the community
- Communication from the City to the people on projects
- Walk/bike community & expand sidewalks in town
- Diversity in types of businesses

- Continue putting 'boring' land uses out of main parts of town, like storage units
- Continue adding housing options without high rises

Created: actions that Bel Aire is not doing but should. Responses were:

- Transparency from local government
- Follow through after community engagement
- Things for people to do in the City who cannot drive (kids and seniors)
- Restaurant to sit down with your family in Bel Aire
- Something other than houses
- Street design compatibility with land uses

Eliminated: actions that Bel Aire is currently doing but should stop. Responses were:

- City asking for feedback on project ideas and then not listening to citizens
- Roundabouts
- City selling land that was planned for a park
- Lack of action from the City
- "Life's Better on the Edge!" slogan it implies Bel Aire has nothing to offer

RESPONSE CARDS

Finally, attendees were given a comment card and asked the following questions, to be answered with 3 single words:

- 1. What are three things that make you proud of Bel Aire?
- 2. What are three challenges we face in Bel Aire?

Attendee responses can be found in the word clouds below. The larger the word, the more frequently is was mentioned.

BEL AIRE BIKE WALK GROUP STAKEHOLDER SESSION

On August 22, 2024, the Bel Aire Bike Walk group met with PEC staff for a Stakeholder Session. This session consisted of three exercises: Priorities, ACE, and Response Cards.

PRIORITIES

In the first exercise, attendees were asked to envision the 10-year future of Bel Aire. Six community priorities were presented on boards throughout the room and attendees were given three sticky notes of three different colors, each color representing a different priority rank. Using those sticky notes, attendees were to select their top three priorities for the community. The six community priorities are the same as were used in the City Leadership Work Session #1 engagement session, and are described on page C-89. This session's priorities are listed in the following table:

Priority	1st	2nd	3rd	Total
Housing	0	0	0	0
Mobility	7	4	0	11
Community Image, Character & Identity	1	1	1	3
Community Connections	1	0	5	6
Parks & Recreation	0	6	4	10
Business, Services, & Economic Development	2	0	1	3

Three top priorities were identified:

- Mobility: Bel Aire should provide a transportation system that supports all residents' ability to navigate freely and safely regardless of age, physical ability and income.
- Parks and Recreation: Bel Aire should provide opportunities for all ages to be active to encourage physical and emotional wellbeing.
- 3. Community Connections: Bel Aire should strive to be a place where residents feel safe and welcome, and where neighbors know each other.

ACE

In the second activity, attendees were divided into three groups and asked to identify what aspects of the community need to be Amplified (A), Created (C), and Eliminated (E). These answers did not need to correspond to the prioritization exercise responses above.

Amplified: actions that Bel Aire is already doing and should keep doing. Responses were:

- Walking and biking paths
- Awareness of how to navigate walk/bike paths throughout town
- Lighting, especially in older areas of Bel Aire
- Communication in general, and communication between the City of Wichita and USD 259 in Bel Aire
- Multi-use bike/walk paths, including one that connects to Kechi

Created: actions that Bel Aire is not doing but should. Responses were:

- 254 Interchange
- Traffic garden for kids to learn rules of the road on their bikes

- Bike path between Woodlawn and Rock (under electrical easement)
- Adding shade & green spaces where new benches are being put in
- Research grant writing capabilities to access more funding
- Provide public transportation options
- Dog park
- Park with amphitheater music for entertainment

Eliminated: actions that Bel Aire is currently doing but should stop. Responses were:

- The City playing real estate developer
- Sidewalks to nowhere / broken sidewalks
- Excessive car speeds
- Developments, new and old, without connected sidewalks
- Unsafe streets to walk on
- Leaving community input out of decisions such as developments, parks, streets, sidewalks, water

RESPONSE CARDS

Finally, attendees were given a comment card and asked the following questions, to be answered with 3 single words:

- 1. What are three things that make you proud of Bel Aire?
- 2. What are three challenges we face in Bel Aire?

Attendee responses can be found in the word clouds to the right. The larger the word, the more frequently is was mentioned.

What are three things that make you proud of Bel Aire?

What are three challenges we face in Bel Aire?

BEL AIRE LIONS CLUB STAKEHOLDER SESSION

On September 18, 2024, the Bel Aire Lions Club met with PEC staff for a Stakeholder Session. This session consisted of three exercises: Priorities, ACE, and Response Cards.

PRIORITIES

In the first exercise, attendees were asked to envision the 10-year future of Bel Aire. Six community priorities were presented on boards throughout the room and attendees were given three sticky notes of three different colors, each color representing a different priority rank. Using those sticky notes, attendees were to select their top three priorities for the community. The six community priorities are the same as were used in the City Leadership Work Session #1 engagement session, and are described on page C-89. This session's priorities are listed in the following table:

Priority	1st	2nd	3rd	Total
Housing	0	4	1	5
Mobility	0	0	1	1
Community Image, Character & Identity	1	0	0	1
Community Connections	2	1	1	4
Parks & Recreation	1	2	2	5
Business, Services, & Economic Development	4	1	3	8

Three top priorities were identified:

- Business, Services & Economic Development: Bel Aire should attempt to have a business economy that provides essential goods and services for residents and visitors and is an important aspect of the local, regional, and state economy.
- Parks and Recreation: Bel Aire should provide opportunities for all ages to be active to encourage physical and emotional wellbeing.
- **3. Housing:** Bel Aire should feature quality, diverse housing types that accommodate buyers and renters at all stages of life.

ACE

In the second activity, attendees were divided into three groups and asked to identify what aspects of the community need to be Amplified (A), Created (C), and Eliminated (E). These answers did not need to correspond to the prioritization exercise responses above.

Amplified: actions that Bel Aire is already doing and should keep doing. Responses were:

- Attract more retail restaurants
- More civic & community involvement from residents
- More community events like National Night Out and Fall Fest
- More sidewalks, and more attractive sidewalks
- Pickleball
- Bel Aire is a young community with little past, can be focused on building a future
- Parks and Recreation amenities

Created: actions that Bel Aire is not doing but should. Responses were:

• Involvement from and opportunities to meet new residents

- Reinstate the Special Events Committee to put on parades and other community events
- Accessible, handicap friendly parks and playgrounds
- Local businesses in Bel Aire
- Sports Bar
- Main street
- Sports complex
- Parking
- Gathering place / iconic space to be in Bel Aire
- Community meeting rooms available to reserve and host meetings
- Awareness of Bel Aire as an individual town- hard to tell where it starts and stops
- STAR Bond project or something similar
- Walking path in the disc golf course park

Eliminated: actions that Bel Aire is currently doing but should stop. Responses were:

- Bike lanes
- Decision making at higher levels without proper public education
- Seeing Bel Aire as a bedroom community
- More multi-family developments

RESPONSE CARDS

Finally, attendees were given a comment card and asked the following questions, to be answered with 3 single words:

- 1. What are three things that make you proud of Bel Aire?
- 2. What are three challenges we face in Bel Aire?

Attendee responses can be found in the word clouds below. The larger the word, the more frequently is was mentioned.

What are three things that make you proud of Bel Aire?

STREET PARKS COMMERCIAL RESTAURANTS FUNDING ROADS MAIN GROWTH WATER

BEL AIRE CHAMBER OF COMMERCE STAKEHOLDER SESSION

On September 19, 2024, the Bel Aire Chamber of Commerce met with PEC staff for a Stakeholder Session. Staff from the Parks & Recreation Department and the Mayor were also present. This session consisted of three exercises: Priorities, ACE, and Response Cards.

PRIORITIES

In the first exercise, attendees were asked to envision the 10-year future of Bel Aire. Six community priorities were presented on boards throughout the room and attendees were given three sticky notes of three different colors, each color representing a different priority rank. Using those sticky notes, attendees were to select their top three priorities for the community. The six community priorities are the same as were used in the City Leadership Work Session #1 engagement session, and are described on page C-89. This session's priorities are listed in the following table:

Priority	1st	2nd	3rd	Total
Housing	0	1	0	1
Mobility	0	2	2	4
Community Image, Character & Identity	0	0	0	0
Community Connections	1	2	1	4
Parks & Recreation	2	1	3	6
Business, Services, & Economic Development	4	1	1	6

Four top priorities were identified:

- Business, Services & Economic Development: Bel Aire should attempt to have a business economy that provides essential goods and services for residents and visitors and is an important aspect of the local, regional, and state economy.
- 2. Parks and Recreation: Bel Aire should provide opportunities for all ages to be active to encourage physical and emotional wellbeing.
- 3. **Mobility:** Bel Aire should provide a transportation system that supports all residents' ability to navigate freely and safely regardless of age, physical ability and income.
- **4. Community Connections:** Bel Aire should strive to be a place where residents feel safe and welcome, and where neighbors know each other.

ACE

In the second activity, attendees were divided into three groups and asked to identify what aspects of the community need to be Amplified (A), Created (C), and Eliminated (E). These answers did not need to correspond to the prioritization exercise responses above.

Amplified: actions that Bel Aire is already doing and should keep doing. Responses were:

- Creation of diverse housing market
- Apartment options to attract young workers to work in Bel Aire
- Civic engagement: The Tree Board does monthly walks and some group clean ups that are great and there could be more of them
- Mobility improvements like bike lanes and new sidewalks
- Street improvements
- More parks in Bel Aire, especially on east side of town

• Continue to revisit the Comprehensive Plan in the coming decade

Created: actions that Bel Aire is not doing but should. Responses were:

- Target percentages for how much new housing needs to be multi family vs. single family
- Target percentages for how much more property tax-exempt land use the city can support
- Meeting center to hold community meetings
- Handicap accessible equipment in the parks
- Requirement for park space in every new development
- A way to know you're in Bel Aire the big rocks aren't enough (flags, flowers, etc.)
- Shift of perception at government level from extraneous costs to investments in the town
- Retail options
- Way to get word out to developers that Bel Aire can support retail
- Ideas to grow if large-scale industrial development doesn't occur

Eliminated: actions that Bel Aire is currently doing but should stop. Responses were:

• There were no elimination comments from this session

RESPONSE CARDS

Finally, attendees were given a comment card and asked the following questions, to be answered with 3 single words:

- 1. What are three things that make you proud of Bel Aire?
- 2. What are three challenges we face in Bel Aire?

Attendee responses can be found in the word clouds to the right. The larger the word, the more frequently is was mentioned.

What are three things that make you proud of Bel Aire?

What are three challenges we face in Bel Aire?

CITY LEADERSHIP WORK SESSION #2

The City Leadership Work Session #2 was held on February 11th, 2025, at Bel Aire City Hall. City leadership consisted of the full City Council and Planning Commission in addition to several City staff members. The session consisted of a presentation and two exercises: Value Statements & Goals, and Development Boards.

VALUE STATEMENTS & GOALS

In the first exercise, attendees received a list of draft Value Statements & Goals for the City of Bel Aire. In groups of four-six, they reviewed each line and noted approval or disapproval next to each.

ECONOMIC DEVELOPMENT BEL AIRE'S NON-RESIDENTIAL ENVIRONMENT WILL ENHANCE THE QUALITY OF LIFE FOR ALL RESIDENTS AND VISITORS ALIKE. **** Review internal regulatory processes to ensure high levels of service for those wishing to do business in Bel Aire. Review and amend adopted regulations to identify inconsistencies, improvements, and revisions. The focus of review should be on the incorporation of modern best practices for non-residential regulation tailored specifically to assist with the implementation of this Plan. Support small/local business development. Strengthen relationships and communication with regional development entities. Explore the development of a unique tourism attraction to encourage visitation. Explore a public-facing GIS portal providing access to accurate and relevant zoning and land use information. Review and market economic development incentive policies and processes. Continue to monitor and refine process coordination with the Metropolitan Area Building and Construction Department.

TRANSPORTATION

BEL AIRE'S TRANSPORTATION SYSTEM WILL BE SAFE, ENHANCE THE AESTHETIC APPRECIATION OF THE CITY, AND PROVIDE EFFICIENT OPTIONS FOR ALL TRANSPORTATION MODES.

Compile transportation system information into a master plan.	***
Consider the development and adoption of a Complete Streets Policy and related design guidelines.	***
Explore a multi-use pathway connection into the Redbud Trail and other regionally significant trail systems.	**
Explore public transportation options between Bel Aire and the surrounding communities.	**
Develop a continual physical and operational assessment process for the existing transportation system inclusive of non-vehicular assets.	**
Consider crash reduction and mitigation in all transportation system projects – both vehicular and pedestrian.	***
Assess additional funding/revenue sources for transportation system improvements and maintenance.	***
Ensure that the City's desired land use goals are coordinated with transportation system improvements.	***

PARKS & RECREATION

BEL AIRE'S PARKS & RECREATION SYSTEM WILL PROVIDE FIRST CLASS SPACES AND PROGRAMMING FOR ALL AGES AND ABILITIES.

Establish a Park, Recreation, and Trails Advisory Board.	***	
Consider Developing a performance measure to assess public park availability for each resident, and plan improvements/additions based on the assessment.	***	
Assess public dedication policies and regulations during development proposals related to parks, recreation, and open space.	***	
Assess additional funding/revenue sources for parks and recreation system improvements and maintenance.	***	
Monitor operation and maintenance budgets and staffing levels as parks and recreation assets/programs are added and/or improved.	***	
Audit existing spaces, facilities, equipment, and programs to ensure adequate accessibility for all ability levels	**	

COMMUNITY IDENTITY & CHARACTER

BEL AIRE'S BUILT ENVIRONMENT WILL COMMUNICATE A DISTINCT IDENTITY TO CREATE COHESION, INCREASE COMMUNITY PRIDE, AND ATTRACT RESIDENTS, BUSINESSES, AND VISITORS.

ATTIACT HESIDENTS, BOSINESSES, AND VIOLICIO.		
Evaluate placemaking initiatives for projects of all scales.	*	
Encourage unique and differentiating right-of-way treatments along key corridors to enhance Bel Aire's sense of place.	**	(2)
Continue to develop and enhance signature events.	***	
Encourage civic participation with community clean up days, community walks, etc.	***	
Assess the City's marketing strategy and assets to ensure they align with the City's identity and goals.	***	
Consider overlay districts and/or design guidelines within key corridors.	***	©
Consider cohesive enhancements at identified major gateways into the City.	*	③

GROWTH & INVESTMENT BEL AIRE WILL CONCENTRATE ON SUSTAINABLE GROWTH THROUGH SMART INVESTMENTS AND COMMUNITY COMMUNICATION. Develop and maintain a structured Capital Improvement Program, including a public-facing utility for the public to monitor progress. Explore a public-facing GIS portal providing accurate utility and transportation information. Review and plan for improvements set forth in the utility master plans adopted by the City. Review smart growth principles, including a "return on investment" perspective, when considering infrastructure improvements/extensions and land use decisions. Continue to assess and participate in regional issues related to water supply/ treatment and sanitary sewer treatment. Enhance efforts to ensure citizens are aware of public decision-making processes. Explore recurring community surveys to measure and track community sentiment and assess level of service experiences. Foster relationships with USD 259 and USD 375 with the goal of considering Bel Aire for additional school sites.

HOUSING BEL AIRE WILL BE A DESTINATION OF CHOICE FOR PEOPLE AT ALL STAGES OF LIFE.					
Assess and overhaul internal regulatory processes to ensure high levels of service for those wishing to do develop housing in Bel Aire.	***				
Review and amend adopted regulations to identify inconsistencies, improvements, and revisions. The focus of review should be on the incorporation of modern best practices for housing regulation tailored specifically to assist with the implementation of this Plan.	***				
Promote multiple housing types and densities of housing to ensure residents at all stages of life can remain in Bel Aire.	***				
Support the maintenance and redevelopment of underutilized and/or deteriorating existing neighborhoods.	***				
Foster the creation of a local and incremental development community that is responsive to local housing needs.	*				

GET TO KNOW THE GROUP

Attendees were asked to place orange dots near their place of residence and green dots near their place of work.

LAND USE & DEVELOPMENT - BOARD 1

Attendees were asked to place blue dots in areas Bel Aire should grow, and pink dots where Bel Aire should not grow.

LAND USE & DEVELOPMENT - BOARD 2

Attendees were asked which types of developments they wanted to see in Bel Aire and told to place colored dots in the applicable location.

LAND USE & DEVELOPMENT - BOARD #3

For the final land use board, attendees were asked to indicate where infill vs. greenfield development should take place.

CITY LEADERSHIP WORK SESSION #3

The City Council, Planning Commission, and Staff were invited for a final engagement evening during a regular City Council work session on Tuesday, May 13th, 2025 at Bel Aire City Hall. The meeting was recorded and lived streamed on the city's YouTube page and Facebook.

The City Council was all in attendance, however only one planning commissioner was present as well as two staff members. In this meeting, participants were presented with hard copies of the proposed future land use map and were given the chance to provide feedback. That feedback is shown on the map on the following page.

City of Bel Aire

STAFF REPORT

DATE: 08/08/2025

TO: Bel Aire Planning Commission

FROM: Paula Downs

RE: Planning Commission Bylaws

STAFF COMMUNICATION

FOR MEETING OF	8/14/2025			
CITY COUNCIL				
INFORMATION ONLY				

SUMMARY: Planning Commission Bylaws

Background:

May 8, 2025- Planning Commission Meeting

The Planning Commission was provided with the draft Planning Commission Bylaws for review and feedback. Discussion included:

Staff provided an overview of the draft Bylaws document. The current document was developed and approved in 1991. The document was updated by staff to update and modernize the language. Paula stated that the black font text was the original text contained in the 1991 document. Blue font text is updated language to reflect current information and added language.

Staff also reviewed surrounding area Planning Commission Bylaws to identify language that might be useful.

Commissioners talked about the importance of attendance. Discussion around the total number of meetings to miss in a calendar year was considered. It was suggested that six missed meetings were too many and that once a quarter might be better. It was further discussed that five (5) meetings missed in a calendar year are acceptable.

There was additional discussion around the number of consecutive meetings that could be missed. The draft document stated more than three, Commissioners requested removing the "more than" and leaving it that absences for three consecutive regular meetings could result in removal.

Commissioners also suggested adding language to review the Bylaws annually to allow for updates to be made. Staff suggested an annual discussion in the fall.

One modification was pointed out in Section 1- should remove "City of Derby" and replace it with City of Bel Aire. Commissioners requested time to review the document and provide suggestions via direct email to Paula. Paula will put together language to finalize and approve at the June 12 Planning Commission meeting.

June 12, 2025- Planning Commission Meeting

The Planning Commission reviewed recommended Planning Commission Bylaws for approval. The Planning Commission tabled the Bylaws as presented for additional time to review and make updates.

Planning Commission discussed the document and provided several modifications. The detailed updates are included in the June 12, 2025, meeting minutes.

Staff noted updates and clarifications that needed to be made in the document.

Current Discussion:

Bylaw Overview:

The Bylaws contain the following Articles:

- ARTICLE 1 CREATION, MEMBERSHIP, AUTHORITY AND DUTIES
- ARTICLE II OFFICERS, ELECTIONS AND DUTIES
- ARTICLE III MEETINGS
- ARTICLE IV CONDUCT OF MEETINGS
- ARTICLE V HEARING PROCEDURES
- ARTICLE VI COMMITTEES
- ARTICLE VII AMENDMENTS TO BYLAWS

Each article has been updated to include all modifications requested by the Planning Commission and staff updates. Staff reviewed the document in detail to ensure there was no conflicting language, that all Kansas statutes referenced were accurate and that the language was clear and accurate.

The Planning Commission will review the Bylaws every three years; however, the Bylaws can be updated at any time should additional needs arise.

Planning Commission Review:

Planning Commission has been involved in reviewing the Bylaws and has provided modifications to be included. Current discussion is to provide any final modifications to the plan you feel is appropriate.

Staff Recommendation:

Staff recommend that the Planning Commission Bylaws be approved with any appropriate modifications identified by the Planning Commission.

21	remove members from the Planning Commission and Board of Zoning Appeals which was
22	passed and approved and became effective on January 15, 2002.
23	
24	SECTION 2. MEMBERSHIP. The Commission consists of seven members serving
25	staggered three-year terms of whom five shall be residents of the City of Bel Aire, Kansas
26	and two such members shall reside outside of the City, but within three miles of the
27	corporate limits of the City. Members are appointed by the Mayor with the consent of the
28	City Council. After the appointment, members will take office at the next regular meeting of the Commission.
29 30	of the Commission.
31	In the event of a vacancy on the Planning Commission the Mayor shall select an individua
32	to fill such vacancy for the remainder of the term in accordance with the same procedures
33	used to select the original Commissioner.
34	used to select the original commissioner.
35	A Commissioner may be removed by the Mayor. Such removal and selection of a new
36	Commissioner shall be in accordance with the same procedures used to select the origina
37	Commissioner.
38	
39	In the event a Commissioner resigns a successor shall be selected in the same manner used
40	to select the original Commissioner.
41	
42	
43	
44	

SECTION 3. ATTENDANCE. Regular attendance is an important responsibility for membership. Maintaining a quorum for voting purposes is especially important. Any member that absences themselves for three consecutive regular meetings or misses a total of five meetings during a calendar year, the Secretary will provide written notice to the City Manager, and the Mayor who may elect to remove the member.

SECTION 4. CONFLICT OF INTEREST. Members of the Commission shall be aware at all times of their responsibility to the citizenry of the City of Bel Aire and to the residents of the surrounding Planning Area and shall refrain from any recommendation or action that would benefit individuals or special interest groups rather than serve the best interest of the entire community. In furtherance of this responsibility, members shall refrain from recommending or acting on any matter before the Commission in which they have, either directly or indirectly, any financial interest or use their influence or position to show favoritism that could lead to the development of a clientele at a later date.

If a member is asked if they have a conflict of interest on a matter before the Commission, that member shall publicly announce the conflict and excuse themselves from the meeting room until the matter has been addressed by the remaining Commission members. If there is a question or a real or perceived conflict of interest, the affected member should contact the Secretary and City Attorney for an interpretation of the situation prior to the meeting.

A member is automatically disqualified when they or their spouse own property in the notification area of a zoning application.

SECTION 5. AUTHORITY. The Commission is vested with the duties and responsibilities prescribed in Kansas Statutes Annotated K.S.A. 12-741, et seq., as amended, and 12-736.

SECTION 6. DUTIES. As provided for by the statutes referred to in Section 5, the duties of Commission shall be:

 1. Make or cause to be made, adopt and maintain an official Comprehensive Development Plan for the City and any unincorporated territory lying outside the City but within Sedgwick County which in the Commission's opinion forms the total community of which the City is part, subject to the approval of the Governing Body by ordinance (K.S.A. 12-747);

2. Annually review or reconsider the Comprehensive Plan at least once a year at the November meeting to determine if the Plan or any portion thereof has become obsolete and to report such status to the Governing Body or propose remedial amendments, extensions or additions to the plan (K.S.A. 12-747[d]);

3. Determine the conformance to the Comprehensive Plan of public improvements, facilities or utilities of a type embraced within the recommendations of the Plan which are proposed for construction or authorization and to report upon such conformance or nonconformance within 60 days to the Governing Body unless conformance is

- otherwise determined by reviewing the City's capital improvement program (K.S.A. 12-748).
 - 4. Prepare, adopt and maintain Zoning Regulations for the City to recommend the approval of such regulations to the Governing Body; and to hold hearings and make recommendations on all amendments thereto and zoning applications including zoning cases in the Metropolitan Area Planning Commission (MAPC) Urban Area of Influence (K.S.A. 12-753 through 12-759 and 12-763).
 - 5. Prepare, adopt and maintain Subdivision Regulations for the City and extraterritorial jurisdiction; to recommend the approval of such regulations by the Governing Body; and to process and approve plats and to transmit them to the Governing Body for the acceptance of dedications thereon (K.S.A. 12-749, 751(a), 752 and 764).
 - 6. Prepare and approve plans for neighborhoods and special project areas;
 - 7. Maintain planning reference files of plans, reports, maps ordinances, regulations and policies accessible to officials, developers and citizens;
 - 8. Maintain cooperation and coordination with the trustees of the surrounding township(s), U.S.D. #259, USD #375, the Wichita-Sedgwick County Metropolitan Area Planning Commission and Department and with such other county, regional and state planning entities as may be deemed appropriate; and
 - 9. Make recommendations to the Wichita-Sedgwick County Metropolitan Area Planning commission on all plats proposed in the Bel Aire planning area outside the City and on all zoning items proposed for hearings within the MAPC Zoning Area of Influence as well as for any proposed revisions to County rules or regulations which might affect the development of the planning area; and
 - 10. Hold hearings, provide plans for and/or make recommendations on such other matters as may be periodically assigned to the Commission by the Governing Body.
 - 11. Ensure productive meetings by requiring members to read all pre-circulated materials and be ready to participate actively in discussions related to agenda items. Failure to do so may impact participating in discussions or voting on matters requiring informed consent.

SECTION 7. COMPENSATION. Members of the Commission shall serve without compensation for their services; however, the members may request reimbursement for their out-of-pocket expenses including travel when related to attendance at external conferences and/or meetings subject to approval of the Governing Body.

ARTICLE II -- OFFICERS, ELECTIONS AND DUTIES

SECTION 1. OFFICERS. The officers of the Commission shall consist of a Chairperson, Vice-Chairperson and Secretary. The Chairperson and Vice Chairperson shall be members of the Commissions. The Secretary shall be the City of Bel Aire Zoning Administrator and shall provide duties in support of the Planning Commission (K.S.A. 12-745).

SECTION 2. ELECTIONS. At the regular Commission meeting in October of each year, the officers shall be nominated and those persons receiving the highest number of votes shall be deemed elected. Officers shall take office at the next regular scheduled meeting of the Commission and serve for one year. Officers may serve for more than one term.

SECTION 3. DUTIES. The duties of the officers shall be:

- 1. The Chairperson shall preside over all meetings of the Commission. In the absence of the Chairperson, the Vice-Chairperson shall preside. In the absence of both the Chairperson and the Vice-Chairperson, the Senior Commissioner (the person serving the longest period of time on the Commission) shall act in the manner and capacity of the Chairperson. The Chairperson shall sign all minutes and other official papers and documents to indicate that they have been approved by the Commission. The Chairperson shall represent the Commission at all meetings with other groups unless another member is designated to perform that function.
- 2. The Vice-Chairperson shall act in the manner and capacity as the Chairperson in the absence of the Chairperson.

3. The Secretary, or their designee, shall perform the following duties:

a. Prepare the minutes of each Commission meeting and submit them to the Commission for approval. Commission meetings are recorded and once the Commission has approved the minutes the recording is deleted. When the Secretary attests to the approved minutes the Secretary is attesting that the votes of the members are accurate from that specific meeting.

b. Maintain the official minutes as approved and signed by the Chairperson and the Secretary or their designees and post minutes to the City of Bel Aire website or such other repository as may be established from time to time;

c. Attest to resolutions and certificates adopting the Comprehensive Plan and amendments thereto and to maintain the official Comprehensive Plan documents and accompanying adoption materials and ordinances;

d. Distribute to each Commission member all current materials relating to the Comprehensive Plan, Zoning and Subdivision Regulations and Zoning Map and maintain official copies of the same pursuant to City Code and state law; and

e. Prepare and distribute agendas for each Commission meeting in coordination with the Chairperson. (See Article III, Section 7 on Agendas).

ARTICLE III – MEETINGS

SECTION 1. REGULAR MEETINGS. Regular meetings of the Commission will be on the second Thursday of every month, unless changed by the Commission. All meetings shall be held in the Council Room of City Hall beginning at 6:30 p.m.; provided, however, that the Commission may vote to adopt another hour, date, or place of meeting. Any such change shall be published for the convenience of persons having business before the Commission.

SECTION 2. SPECIAL MEETINGS. Special meetings may be called by the Chairperson or in the Chairperson's absence by the Vice-Chairperson or Senior Commissioner upon written request of any three members of the Commission. When a special meeting is called, reasonable notice as to date, time, place, manner and purpose for the meeting shall be given by the Chairperson at least 24 hours before the meeting by mail, hand delivery or telephone. The announcement of a special meeting at a regular meeting shall constitute notice to those persons present. Commission members and the Governing Body shall be notified by the Chairperson including all persons designated to receive agendas on a regular basis. (See Article III, Section 7 on Agendas.). No items other than those identified in the notice shall be considered at a special meeting.

SECTION 3. ADJOURNED MEETINGS. If the business before the Commission is not completed, the Commission by motion may adjourn the meeting or a specific agenda item to a specified date, time and place until the matters on the original agenda or the specified item are acted upon. When such a motion is made known to those persons in attendance, no further notice need be given.

SECTION 4. OPEN MEETINGS AND CLOSED SESSIONS. Pursuant to the Kansas Open Meetings Act, all meetings of the Commission except for executive sessions are open to the public. Closed sessions, if deemed necessary, may be held in accordance with the provisions of the Kansas Open Meeting Act. The motion to recess for a closed/executive session shall be placed in the minutes and include (a) a statement describing the subjects to be discussed; (b) the statutory justification for closing the meeting; and (c) the time and place at which the open meeting will resume, all in accordance with the Kansas Open Meetings Act, K.S.A. 75-4317 *et seq*. In such closed sessions, no binding vote or action may be taken.

SECTION 5. WORKSHOP SESSIONS. The Commission may meet at a regular or special meeting in a workshop session for a general discussion on one or more topics or for a training session; however, the Kansas Open Meetings Act applies, and no binding action may be taken. While regular minutes are not required, a record of attendance and a summary of the subject(s) discussed should be made.

SECTION 6. QUORUM. A quorum for the conduct of business shall be four members. In the absence of a quorum at any meeting the presiding officer after consultation with the members present may announce the meeting will not take place. The presiding officer will wait ten (10) minutes and then make the announcement. The Secretary will note which Commissioner's were present and note that no action was taken on any of the agenda items. In addition, the Secretary will note anyone present at the meeting and specifically what agenda item(s) they were present for.

If there is a loss of a quorum during a meeting, the presiding officer after consultation with those members present, may adjourn the meeting to a specified date, time and place or similarly table any unheard an agenda item. When such information is made known to those persons in attendance, no further notice needs to be given. The Secretary will note which Commissioner's left the meeting and note that no action was taken on any of the

agenda items yet to be heard. In addition, the Secretary will note anyone present at the meeting and specifically what agenda item(s) they were present for.

Members abstaining from voting may be counted when determining whether a quorum is present; however, members having a conflict of interest or who are disqualified from voting may not be counted as part of the quorum for the item where they have a conflict of interest or are otherwise disqualified from voting.

If a majority of Commissioners have a conflict of interest on a specific agenda item, they will request that the Governing Body hear the item in a public hearing format. The agenda item will require renotification to all required individuals.

SECTION 7. AGENDAS. The Secretary shall oversee the preparation of an agenda of all matters to come before the meeting and to have it posted on the City of Bel Aire website with the link shared, via email, to the Commission members in advance of the meeting. Copies of the agenda shall be posted to the City of Bel Aire website, or such other repository as may be established from time to time and be furnished to each party having an item on the agenda and to any person requesting an agenda or a notice of the date, time and place of a regular or special meeting of the Commission under the Kansas Open Meetings Act. K.S.A. 75-4318 (b) and(d). Any member of the Commission may place items on the agenda by advising the Secretary, or their designee, no later than noon on the seventh day preceding the next regular meeting. If the number of applications received for zoning or platting creates an unduly long Commission meeting, the Secretary may carry over such items on a first-come, first-served basis to the next Commission meeting unless already advertised for public hearing.

SECTION 8 RECORDING OF MEETINGS. The Secretary or their designee shall keep complete records of all proceedings of the Commission. The Secretary or their designee shall prepare and maintain permanent minutes to be available for public view. Minutes shall be posted on the City of Bel Aire website or may be furnished to all persons or bodies making such a request to the Secretary or City Clerk. The Secretary or City Clerk may make such charges as are necessary to recover the cost of making such copies.

ARTICLE IV - CONDUCT OF MEETINGS

SECTION 1. ORDER OF BUSINESS. The general order of business shall be as follows unless otherwise decided by the Commission:

- a. Call to Order
 - b. Roll call
 - c. Pledge of Allegiance to the American Flag
- d. Consent Agenda
 - e. Approval of the Agenda
- f. Approval of the minutes
 - g. Announcements
 - h. Old and New Business

- i. Staff reports
 - j. Public hearings
 - k. Approval of Next Meeting Date
 - 1. Current Events- Upcoming Agenda Items and Events
 - m. Adjournment.

Off-agenda items may be added to the agenda and scheduled items may be removed from the agenda at the beginning of a regular meeting by motion approved by a majority of the Commission members present and voting. No items may be added to the agenda of the special meeting.

SECTION 2. APPEARANCE BEFORE THE COMMISSION. When a public forum or public hearing is held, applicants and petitioners or their representatives and members of the community at large or individuals or their representative who feel that they will be affected by any action of the Commission may appear to present views and statements either for or against agenda items. Personal appearance before the Commission is recommended; however, written communication may be submitted to the Commission. The commission may at their discretion to table postpone items coming before the Commission if the applicant or petitioner is not present and has not submitted written communication.

SECTION 3. ACTIONS. In all formal matters, the Commission shall act by motion unless an ordinance or resolution is required by law or governmental regulations. All notices required by law to be given by publication including those for public hearings shall be published in the officially designated city newspaper. Substantive motions before the Commission shall be restated by the presiding officer before a vote is taken. Every motion on a substantive matter shall set forth reasons based on the discussion. Action shall be taken on each agenda item presented at the conclusion of discussion of that item.

SECTION 4. VOTING. Unless otherwise provided by state law or by ordinance of the City, the Commission shall act by a majority vote of the members present and voting. A record of all proceedings of the Commission shall be kept. Voting shall be by individual voice "Aye" or "Nay" ballot, written ballot or show of hands; shall be tallied and the results determined by the presiding officer. In the event of a tie or a divided vote, see Article IV, Section 5 paragraph 8 and 9.

- **SECTION 5. PARLIAMENTARY PROCEDURE**. All meetings of the Commission shall be conducted in accordance with the current edition of Robert's Rules of Order-except insofar as modified by these Bylaws and procedures adopted by the Commission, unless otherwise required by state law:
- 1. A second shall be required for all motions.
- 2. The presiding officer shall have the right to make motions and to second motions without vacating the chair.
- 3. Substitute motions may be made for prime motions provided that substitute motions are voted on before the prime motion. Substitute motions shall be made only once and

- shall be debatable only if the prime motions were debatable. A substitute motion may be made without the consent of the maker of the prime motion.
 - 4. Motions to reconsider any items shall be made by one of the members voting in favor of the item to be reconsidered. Motions to reconsider shall only be considered at the same meeting at which the item was decided.
 - 5. The Commission may suspend the rules provided that: (a) the motion to suspend the rules takes precedence over other prime motions; (b) the motion shall state the specific purpose and rule to be suspended; (c) no such motion shall be considered approved unless the length of time such suspension will be in effect has been specified; (d) the motion shall be approved by a majority of the quorum; and no suspension of the rules shall be considered permanent.
 - 6. If participation from the floor (audience) is repetitious; or when the course of business due to the number of matters to be considered and/or number of people requesting to be heard will not reasonably permit further participation, the presiding officer may reduce their speaking time to five minutes or something less. Those persons speaking on a given item from the floor should first be recognized and then address their remarks to the presiding officer. Each member of the Commission may speak to an issue as many times as may be desired.
 - 7. The presiding officer shall have the right to vote. If the officer chooses not to vote, he or she shall automatically be considered to have abstained from voting.
 - 8. When a divided vote occurs, the presiding officer shall call for a roll-call vote. The Secretary shall enter into the minutes the result by name of all roll-call votes.
 - 9. Any member abstaining or remaining silent on a vote shall be considered to have voted with the majority vote of those who voted; provided that, such member does not have a conflict of interest or bias in the matter that would otherwise disqualify them from voting. In the event of an equally divided vote, the vote of a member abstaining or remaining silent is not to be counted. Members who do abstain or remain silent on a vote are still counted as present in determining a quorum.
 - 10. Members shall automatically be disqualified from voting when they or their spouse own property in the area of notification for a zoning application. Such abstention shall not prevent them from signing a protest petition or appearing before the Commission to speak on the zoning application. When a member is disqualified from voting, they cannot be counted as present for the quorum for that item.
 - 11. Subject to these provisions, the presiding officer shall decide all points of order and procedure, unless it is overruled by a majority vote of the entire membership of the Commission.

ARTICLE V – HEARING PROCEDURES

SECTION 1. INTENT AND PURPOSE. It is the intent of the Commission to hold fair and impartial hearings on all matters requiring a public hearing at which adequate legal notice has been given to all concerned parties. The purpose of such hearings is to make it clear that decisions are based on the relevant evidence presented and that well organized hearings and procedures will lead to legally defensible decisions which are not arbitrary, discriminatory or unreasonable. To ensure fairness, the hearing room should be able to accommodate all persons wishing to attend and to enable them to properly hear the proceeding.

Ex parte contacts, i.e., those contacts in the forms of verbal or written communications outside of a hearing are discouraged. Commission members should (a) come to a hearing favoring neither side; (b) have no personal interest in the outcome other than that shared by the community-at-large; (c) treat both sides fairly and impartially; and (d) base their decision solely on the facts presented as evidence before the Commission. Any facts determined by personal investigation should be reported to the Commission at the hearing as *ex parte* information.

SECTION 2. ORDER OF PROCEEDINGS FOR PUBLIC HEARINGS. Proceedings requiring public hearings are considered quasi-judicial proceedings. The latter includes the procedural due process elements of notice and opportunity to be heard in a fair, open and impartial manner. According to <u>K.S.A. 12-757</u>, the planning commission must create an accurate written summary of the proceedings during public hearings on proposed zoning amendments. This summary should include the evidence presented, findings of fact, and the factors considered in reaching a decision to recommend approval or denial of a zoning change. Additionally, the minutes should reflect the planning commission's recommendations and the reasons for those recommendations, which are then submitted to the governing body for further action <u>K.S.A. 12-757</u>, <u>K.S.A. 12-756</u>. The following order of proceedings shall be used for all such public hearings:

- 1. Determination that a quorum is present.
- 2. Determination that proper notice has been given.
- 3. Report of *ex parte* contacts with Commission members.
- 4. Introduction of application by staff.
- 5. Presentation by applicant shall be limited to five minutes unless such time is extended by the commission.
- 6. Commission and staff question applicant.
- 7. Public comments on proposed application. Each presenter shall speak no more than once per issue and shall be limited to five minutes unless such time is extended by the commission.
- 8. Receipt of written communications or petitions.
- 9. Applicant presents closing comments, which shall be limited to five minutes unless such time is extended by the commission
- 10. Staff presents closing comments.

- 392 11. Public portion of the hearing closed by the presiding officer.
 - 12. Planning Commission deliberations.

- 13. Review findings and factors on which recommendation is based.
- 14. Motion to recommend to the Governing Body the approval, disapproval or modification of the application or to table the agenda item to a specific date, time and place.

While no further public comments will be received after the hearing is closed, the Commission may question any participant at any time during the proceedings.

SECTION 3. LEGISLATIVE HEARINGS. Hearings for the adoption of comprehensive plans and zoning and subdivision regulations and amendments thereto are considered legislative in nature. The order of proceedings for public hearings in Article V, Section 2 above may be modified for a legislative hearing as to the role of the applicant and the findings and factors on which a decision is based. In any event, the Commission's recommendation to the Governing Body shall be in writing accompanied by a written summary of the hearing thereon.

ARTICLE VI – COMMITTEES

SECTION 1. COMMITTEES AND LIAISON REPRESENTATIVES. The Chairperson, with the consent of the Commission, may appoint standing and ad hoc committees and liaison representatives as may be needed to assist in the business of the Commission. The membership of such committee(s) and liaison representatives may consist of all Commission members or part Commission members or by all noncommission members. All such committees and representatives shall be provided with a formal charge and shall report to the Commission their findings and recommendations, unless otherwise directed.

All standing committees and liaison representatives shall be appointed at the next regular Commission meeting following the election of officers. They shall take office following the meeting of their appointment and serve for one year or until their successor has been appointed. Such committees may elect officers unless otherwise designated by the Chairperson and establish such rules of procedure as they deem desirable.

ARTICLE VII – AMENDMENTS TO BYLAWS

SECTION 1. AMENDMENTS. The Commission may, by a majority vote of the entire membership thereof, and upon approval by the Governing Body of the City, amend these Bylaws or any provisions or sections thereof, at any time when the same is not in conflict or in contradiction of any of the laws of the State of Kansas or ordinances of the City of Bel Aire, Kansas. The Commission shall review the Bylaws, no less than every three (3) years to ensure timely and appropriate updates are made if necessary.

Notices of the proposed amendments shall be furnished by the Secretary to all members of the Planning Commission and the Governing Body not less than seven calendar days prior

to the meeting at which such amendments are to be considered. A current copy of the Bylaws of the Commission and such amendments thereto as may from time to time be adopted, shall be maintained by the Secretary and filed with the City Clerk **SECTION 2. ADOPTED.** The above and foregoing Bylaws are hereby adopted as the Bylaws of the City of Bel Aire City Planning Commission and recommended for approval of the Governing Body of the City of Bel Aire, Kansas. **SECTION 3. SEVERABILITY.** In the event that any portion or section of this ordinance is determined to be invalid, illegal or unconstitutional by a court of competent jurisdiction, such decision shall in no manner affect the remaining portions or sections of this ordinance which shall remain in full force and effect. **SECTION 4. EFFECTIVE DATE** This ordinance shall take effect and be in force from and after its publication in the official city newspaper. **SECTION 5. REPEALER** All other ordinances or parts of other ordinances in conflict herewith are repealed. However, any section of an existing ordinance not in conflict herewith is not repealed and remains in full force and effect. [Remainder of this page intentionally left blank]

STAFF REPORT

DATE: 08/08/2025

TO: Bel Aire Planning Commission

FROM: Paula Downs

RE: ZON-25-01- Lycee Addition

STAFF COMMUNICATION

FOR MEETING OF	8/14/2025
CITY COUNCIL	
INFORMATION ONLY	

SUMMARY:

ZON-25-01 Proposed re-zoning of Lots 1, 2, 3, 4 Block B, Lycee Addition from Neighborhood Commercial, Office and Retail District "C-1" to a Planned Unit Development Residential District "R-PUD" to create the Lycee Addition Planned Unit Development R-PUD.

Legal Description:

Lots 1, 2, 3, and 4, Block B, Lycee Addition, Bel Aire, Sedgwick County, Kansas.

General Location:

East side of Rock Road and ¼ mile North of 53rd Street North, Bel Aire, Sedgwick County, Kansas

Background:

The city placed notification on the City of Bel Aire website as required by the city code on July 24, 2025. The affidavit of publication is in the packet. Notification by certified mail was provided to surrounding property owners on July 24, 2025.

Case History:

1. August 12, 2021- Planning Commission Meeting

Planning Commission was presented with a sketch plan for Lycee Addition. Commission provided comments to the applicant, and no binding action was taken.

Sketch Plan included twelve (12) two-unit duplexes and a single living unit on Lots 1, 2, and 3 Block B. No sketch plan was provided or reviewed for Lot 4, Block B.

2. September 16, 2021- Planning Commission Meeting

SD-21-01- Proposed Lycee Addition, platting approximately 13.15 acres of the C-1 Zoning District (down-zone hearing process not included)

Application reflected that current zoning was C-1 and Applicant requested R-6 zoning for a portion of Lycee Addition. Review notes of the case stated that the "plat would require a zoning hearing and possible PUD overlay based on information relayed. R-6 Multi-Family, C-1 by right as the current zoning district, C-2 would require a PUD".

Staff recommended conditionally approved the plat "if the rezoning matches the uses intended for the lot development. The uses of a multi-family with 800 s.f. per unit and 12 units per acres is R-6. It was noted that the hearing did not include the zoning district process.

The Preliminary Plat was approved 3-0

3. September 22, 2021 - Planning Commission Meeting

Special Meeting to review and ratify all action taken at the September 16 Planning Commission meeting due to lack of quorum to act.

The Planning Commission ratified action taken on the item at the September 16, 2021, meeting.

4. February 10, 2022- Planning Commission Meeting

SD-21-07- PUD and Proposed Final Platting of approximately 4.4 acres (Lycee)

Application packet included an application to change zoning districts from C-1 to C-1, C-2 and R-6 with a PUD.

PUD Agreement defined the zoning districts with permitted uses and minimum building setbacks. The site would contain 13 buildings with each living unit having 1,000 to 1,500 s.f. of livable space. Maximum building height was set at a maximum of three stories. All other development elements would be in accordance with city code regulations. The application included conceptual elevations and floorplans.

Applicant presented and no others requested to speak. SD-21-07 was unanimously approved by the Planning Commission.

5. April 5, 2022- City Council Meeting

The Final Plat, PUD Agreement and Development Agreement appeared on the April 5, 2022, meeting agenda. The agreements were approved and signed.

The Zoning change was not formally approved via Ordinance.

The PUD agreement listed the zoning districts and set approved uses, setbacks and maximum building height. A zoning case was not heard.

PUD Agreement:

This agreement was signed by the Council President on April 5, 2022, and the developer on September 7, 2022. It was filed with the Register of Deeds on January 18, 2023. The agreement references the Lycee PUD and includes zoning information including permitted uses, setbacks and other bulk regulations. In addition, the agreement provides the traditional language related to drainage, lighting, sanitary sewer, etc. The PUD agreement included the conceptual site landscape plan prepared on February 2, 2022, conceptual elevation and floorplan and the conceptual elevation picture.

Developer's Agreement:

The agreement was signed by the Council President on April 5, 2022, and the developer on September 7, 2022. It was filed with the Register of Deeds on January 27, 2023. The agreement references the Lycee PUD and includes zoning information including permitted uses, setbacks and other bulk regulations. In addition, the agreement provides the traditional language for infrastructure developing and funding of public infrastructure.

The City Council approved the PUD and Development Agreement.

Current Discussion:

ZON-25-01- Sets out the following requests as referenced in the R-PUD Preliminary Plat text:

- 1. Parcel 1- Lot 4, Block B
 - a. Permitted Uses: Small-scale retail businesses, retail activities conducted wholly indoors, office, restaurant with alcohol sales, food venues to include patio dining, drive-throughs, and temporary structures as approved by the Zoning Administrator.
 - Restaurant and food venue uses are only permitted through the PUD process.
- 2. Parcel 2- Lots 1, 2, 3, Block B
 - a. Permitted Uses: Duplexes, multi-family, adult day-care, leasing office, playgrounds or community spaces, and accessory structure as approved by the Zoning Administrator.
 - i. Playgrounds and community spaces are generally permitted as a conditional use in the R-6 District.
 - ii. Day-care facilities are permitted only in the R-1 and R-4 districts.
 - b. Not all residential district in Bel Aire specifies a maximum lot coverage. As currently drafted, the applicant has set forth a 30% maximum. Based on review of the proposed PUD, staff has provided comments to the applicant that a revised request is expected based on the coverage currently depicted.
 - c. Analysis of requested setbacks is not available at this time. Staff has requested the applicant to indicate the rear and side setbacks proposed.

- Further, the proposed plan depicts parking and paving improvements within required setbacks. Applicant will need to add language adding parking and paving as allowable encroachments into required yards if desired.
- d. The application requests no variances in the landscape and parking requirements within the current zoning regulations. Staff have provided comment to the applicant to ensure that the proposed development is able to meet these requirements. If not, a revised PUD will be required to specify the variances requested.

Review Considerations:

1. Character of the neighborhood

Building heights, density, setbacks, building materials, and paved surfaces are generally in conformance with existing improvements in the general area. Noise and general activity levels are expected to be similar to adjacent developments. Directly abutting the subject property to the west is Rock Road (arterial classification), with high traffic volume projected in the future.

2. Zoning and uses of nearby properties

North: M-1 Planned Unit Development – Industrial District

• Current Use: Undeveloped

East: C-1 Neighborhood Commercial, Office, and Retail District

Current Use: Multi-Family (Apartment Buildings)

South: C-1 Neighborhood Commercial, Office, and Retail District

• Current Use: Undeveloped

West: Sedgwick County Jurisdiction

Current Use: Undeveloped

3. Suitability of the subject property for the uses to which it has been restricted

The property is suitable for its current R-6 zoning.

4. Extent to which removal of the restrictions will detrimentally affect nearby property

No detrimental impacts on nearby property are expected.

5. Length of time the property has been vacant as zoned

The property has remained undeveloped since originally zoned in 2021-2022.

6. Relative gain to the public health, safety, and welfare as compared to the loss in value or the hardship imposed upon the applicant

If the application is recommended for denial, no relative gain to the public is expected.

7. Conformance of the requested change to the adopted or recognized master plan being utilized by the city

The Master Growth Plan (2018) depicts the subject property as "Mixed Use/Local Commercial" which is in conformance with the applicant's request for both residential and commercial uses.

8. Impact of the proposed development on community facilities

Existing sanitary sewer service is available to all lots within the PUD. Public water is available at the southeast corner of the PUD. Although a 60' access opening to Rock Road is currently platted, no access is depicted. No detrimental impact on utility or transportation systems is anticipated.

9. Opposition or support of neighborhood residents (one factor to be considered and by itself is not sufficient reason to approve or deny a request)

Property Owners as of July 24, 2025, have been notified. City staff received a call from one property owner who wanted clarification on why they received a notification. Property owner did not express any concerns at that time. No other inquiries or feedback have been received from notified residents for the August 14, 2025, hearing.

10. Recommendations of permanent staff

Key review criteria elements: 2, 5, 7, and 8.

Staff recommend approval of the application pending the outcome of Planning Commission review and public hearing.

(Notification Posted on the City of Bel Aire Website, the designated official City newspaper for the City of Bel Aire on July 24, 2025)

OFFICIAL NOTICE OF ZONING HEARING

TO WHOM IT MAY CONCERN AND TO ALL PERSONS INTERESTED:

Notice is Hereby Given that on August 14, 2025, the City of Bel Aire Planning Commission will consider the following Zoning process in the order placed on the agenda after 6:30 p.m. in the City Council Chamber at City Hall in Bel Aire, Kansas:

ZON-25-01. Proposed rezoning from C-1, C-2, R-6 to R-PUD Lycee Addition and R-PUD Preliminary Plat

Legal Description: Lots 1 -4, Block B- Lycee Addition, Bel Aire, Sedgwick County, Kansas.

General Location: Northeast corner of Lycee St. and N. Rock Road

You may appear at this time either in person or by agent or attorney, if you so desire, and be heard on the matter. After hearing the views and wishes of all the persons interested in the case, the Planning Commission may close the hearing and consider a recommendation to the Governing Body, which, if approved under the City Zoning and Sub-Division regulations, would be effectuated by city code. The public hearing may be recessed and continued from time to time without notice.

DATED this 23 day of July 2025.

/s/ Paula L. Downs
Bel Aire Planning Commission Secretary

AFFIDAVIT OF PUBLICATION

State of Kansas, Sedgwick County, ss:

Melissa Krehbiel, City Clerk

Being first duly sworn, deposes and says:

That I, Melissa Krehbiel, City Clerk of the City of Bel Aire, Kansas, has published the attached notice on the City of Bel Aire website, www.belaireks.gov, which website is designated as the official City newspaper for the City of Bel Aire, Kansas by Charter Ordinance No. 25, effective August 6, 2024.

That the attached Notice of Zoning Hearing- ZON-25-01- Lycee Addition Proposed Re-Zoning from C-1, C-2, R-6 to R-PUD and Preliminary R-PUD platting is a true copy thereof and was published on such website beginning on the 244 day of July, 2025.

Zoning hearing 2025.08.14

ZONING CHANGE APPLICATION CITY OF BEL AIRE, KANSAS

An application to change a land use of a property falls under the City of Bel Aire zoning regulations titled "Zoning District Change". A site plan is required as part of every zoning change application submitted to the City. This document will be used for meetings and public hearings regarding your request and should be neat, legible, well labeled, and drawn to scale. Submit the site plan to:

City Hall 7651 E Central Park Ave Bel Aire, Kansas 67226 Attention: City Administrator

The site plan must contain the following elements:

- 1. Sheet Size: The site plan should be no larger than 11" x 17" and no smaller than 8 $\frac{1}{2}$ " x 11". Site plans for larger projects (greater than 6 acres), may be larger, with the approval of City Staff.
- 2. Title: A brief description of the zoning change.
- 3. Applicant Name: Name of the applicant and the agent who prepared the drawing, if applicable.
- 4. North Arrow: Indicate the north direction with respect to the project, Lot, or structure.
- 5. Scale: The scale should be adequate to portray the project, Lot, or structure on the sheet size required. For example, a Lot that is 70 feet by 100 feet can adequately by portrayed at a scale of 1" 20' (in inch equals 20 feet) on an $11" \times 17"$ sheet of paper. The scale should not be smaller than 1" = 20' and 1" = 50' for larger properties.
- 6. Dimensions: In addition to adequate scale representation, all key features (lot, buildings, driveways, etc.) on the site plan shall have dimensions in feet noted for all sides.
- 7. Legal Description: Legal description of Lot(s) or parcels requiring a zoning change. This description can be in the form of Lots and Blocks.
- 8. Existing Conditions: Indicate all structures and features as they exist on the property. These should be drawn to scale, as described above, and shall include, but not be limited to:
 - All structures and buildings
 - Parking Spaces
 - Fences
 - Significant trees or stands of trees
 - Other landscaping

- Floodplains
- Water area or features
- Significant topographical features
- · Utilities, above and below ground
- Drainage patterns
- 9. All required zoning setbacks and easements: Using a dashed line, indicate all required zoning setbacks and utility, drainage, or other easements relative to the project, Lot(s), or structure.
- 10. All roads/streets adjacent to the property and access points off of those roads: Indicate all roads/streets, including the rights-of-way that surround or intersect the property, including alleys. Indicate all points of access (driveways) from the streets to the project, Lot (s), or structure. Indicate how each road/street is developed, e.g. paved, dirt, undeveloped.
- 11. Surrounding structures and uses if appropriate: Indicate surrounding uses and zoning as they apply to the request.
- 12. Modifications by the zoning change: Indicate any modifications to the existing structures or features that will result if the zoning change request is approved. If these modifications or additions are extensive, a second site drawing might be necessary to clarify the changes. These modifications or new features may include, but are not limited to:
 - Buildings
 - Structures
 - Parking areas
 - Vehicular drives
 - Pedestrian walks
 - Location and height of light fixtures
 - Location of trash receptacles and loading areas
 - Landscaped areas
- 13. An application shall be accompanied by a current abstractor's certificate containing a legal description of the area in the application as well as the name and address of the owner, and shall include the names and mailing addresses (with zip codes) of all property owners within the prescribed distance measured from the perimeter of the application area.
- 14. An application for zoning change shall be accompanied by the appropriate filing fee, (\$500.00 plus publication) and is payable to the City of Bel Aire.

APPLICATION

This form MUST be completed and filed at City Hall, Bel Aire, Kansas, 6751 E Central Park, Bel Aire, Kansas 67226. AN INCOMPLETE APPLICATION CANNOT BE ACCEPTED. Check the appropriate box below for type of application being submitted. A separate application and filing fee is required for each application. A preapplication conference with City Staff is recommended before filing this application.

PROJECT DESCRIPTION:

The Planned Unit Development allows a certain level of flexibility with site development regulations under a specific zoning district The intent of this PUD is to allow a moderate density residential development in addition to the modified C-2 zoning district.

- This Agreement establishes the terms and conditions for a Planned Unit Development zoning district. The requirements contained in this PUD are in lieu of any requirements contained in the zoning and subdivision regulations of the City and compliance with the terms and conditions of this PUD Agreement shall be deemed in compliance with the zoning and subdivision regulations of the City.
- Installation of all improvements shall be in compliance with the requirements of all applicable federal, state and local legislation, including the Americans with Disabilities Act. All infrastructure improvements shall be detailed on a Planned Unit Development Site Plan, which delineates building locations, at the time each individual lot is developed. Said Planned Unit Development Site Plan (herein the "PUD Site Plan") shall be approved by Developer and by the City Engineer, attached hereto and made a part hereof, at the time each individual lot
- All easements recorded on the face of the final plat of Lycee Addition to Bel Aire, Kansas shall remain in effect pursuant to this Planned Unit Development Agreement. The surface of such easements may be used by the owner(s) for driveways, parking and landscaping, as delineated on the PUD Site Plan at the time each individual lot is developed.
- A. Parcel 1 shall be limited to the following uses: small scale retail businesses, retail activities conducted wholly indoors, office, C-2 uses that include restaurant with alcohol sales; food venues to include patio dining, drive—thrus, and temporary structures as approved by the zoning administrator. Accessory structures as approved by the zoning administrator on all C-1 uses permitted in Chapter 7 of the zoning code.
 - B. Parcel 2 shall be limited to R-6 uses that include the following: duplexes, multi-family, adult day-care, leasing office, playgrounds or community spaces, and accessory structures as approved by the zoning administrator.
- Signage shall be based on the standards of the "C-2" Commercial zoning district, except an individual sign may be permitted up to 150 square feet in area. No LED, billboard, or off-site signs shall be permitted.
- All outdoor lighting sources shall employ cutoff luminaries to minimize light trespass and along, and shall be aimed or shielded away from neighboring properties. Lighting sources shall be limited to sixteen (16) feet in height, including poles and base. The height of lighting may be increased to twenty-four (24) feet if a photometric plan is submitted and approved by the zoning administrator.
- Screenina.
 - A. All outside storage of trash and recycling storage containers shall be appropriately fenced and screened with fencing and screening methods and materials to blend in with the architectural design of the buildings and to reasonably hide the materials, trash, and recycling storage containers from ground view and approved by the City.
 - B. Wood privacy fence materials may be allowed if such materials blend in with the architectural design elements of the buildings and adjacent sites and shall be of the same height of any existing but a minimum of six (6) feet in height. If screening exists on either side of a developing property line that meets or exceeds the standards of the zoning code, additional screening shall not be required.
 - C. No screening shall be required between Parcel 1 and Parcel 2 of this PUD.
- 10. A Landscape Plan shall be presented to the city to verify compliance with the Landscape Regulation of the City and shall be provided as each phase of the Lycee Addition is developed. Screening around the perimeter of the PUD shall not be required.
- 11. The design layout shown on the plan illustrates only one development concept. Modifications to the location of improvements, building layout, and/or access locations may be permitted, provided they meet all requirements of this plan.
- 12. All applicable permits, licenses, inspections or change in use shall be obtained prior to occupancy
- Parking provided shall be in compliance with the Parking and Loading portion of the Zoning Regulations of the Bel Aire City Code.

 Off-street parking shall follow the multi-family designation in the off-street parking schedule provided in Chapter 18.9.10 of the Bel Aire City Code. The multi-family designation allows for two (2) parking stalls per dwelling unit. This PUD proposes 2.7 parking stalls per
- 14. The Developer shall file with the Sedgwick County Register of Deeds an executed copy of this Agreement.
- 15. Upon full execution hereof and upon attachment of the PUD Site Plan, the Landscape and Drainage Plan and the Signage Plan, all approved as provided herein at the time each individual lot is developed, the terms and conditions of this Agreement, as set forth herein, shall be binding upon the City and the Developer, their successors, representatives, trustees, and assigns.
- A detailed site shall be submitted including parking, building elevations, landscaping, and utility locations, etc. signage criteria, and streets improvements, at the time the undeveloped portion of site is developed. The location of any additional building is indicated on the plan. Building additions to existing structures or parking improvements may be reviewed and approved administratively by the City.

FOR MEETING OF	8/12/21	
		Section V, Item C.
CITY COUNCIL		
INFORMATION ONLY		

SUMMARY:

Lycee Sketch Plan:

The timing of notification wasn't met to add the preliminary plat to the agenda; sketch plan can be an item on the regular agenda as a way to provide feedback as larger cites use sub-committees prior to a hearing to approve.

<u>Sketch Plan.</u> A plan as required by a registered land surveyor to describe the precise location and dimension of lots, established easements, dedicate street rights-of-way, and otherwise describe property to be subdivided and requiring approval of the Planning Commission specified in K.S.A. 12-752.

The Planning Commission shall:

Review the sketch plans, when submitted, and forward comments to the potential subdivider whenever this responsibility is not otherwise performed by a Subdivision Committee.

<u>A.</u> Planning Commission Staff Report - 9-16-2021

Public notice

(Published in The Ark Valley News on Aug. 19, 2021.)

OFFICIAL NOTICE OF ZONING HEARING

TO WHOM IT MAY CONCERN AND TO ALL PERSONS INTEREST-ED:

Notice is Hereby Given that on September 16, 2021 the City of Bel Aire Planning Commission will consider the following Platting process in the order placed on the agenda after 6:30 p.m. in the City Council Chamber at City Hall in Bel Aire, Kansas:

Case No. SD/-20-01. Proposed Lycee Addition, platting approximately 13.15 acres of the C-1 Zoning District. (down-zone hearing process not included)

Legal Description: (A complete legal description is available for public inspection which is on file with the Zoning Administrator at City Hall.)

General Location: North Rock Road and Lycee St.

You may appear at this time either in person or by agent or attorney, if you so desire, and be heard on the matter. After hearing the views and wishes of all the persons interested in the case, the Planning Commission may close the hearing and consider a recommendation to the Governing Body, which, if approved under the City Zoning and Sub- Division regulations, would be effectuated by city code. The public hearing may be recessed and continued from time to time without notice.

DATED this 13th day of August, 2021.

/s/ Anne Stephens Bel Aire Planning Commission Secretary

LYCEE ADDITION SUBMITTAL REVIEW

Address of proposed project: Lycee Addition This report is to document that on 9/2/21 the Zoning Administrator from the City of Bel Aire evaluated the above property plan for compliance of zoning and building requirements: SETBACKS **ELEVATIONS** ☐ EFFECTIVE CODE COMPLIANCE REQUIRED PLAN SUBMITTALS ☐ EROSION CONTROL **EASEMENTS** ☐ LANDSCAPE SCREENING ☐ STORM DRAINAGE **NEIGHBORHOOD IMPACT** ☐ ADA ACCESSIBLE UTILITIES TO BUILDING The review of the above property plan has been: ☐ APPROVED, as noted DELAYED, as noted DENIED, as noted Keith Price DATE 9/2/21 REVIEWED BY

Comments: Sketch plan was reviewed by the planning commission in August.

- The Name "Lycee Addition" needs the word "Addition" removed to meet the city code, related to developments inside the corporate limits do not use this word.
- Utility providers have not all responded. The pipeline owners have not responded. Please reach out to those and relay any requests. Evergy has responded.
- This plat will also require a zoning hearing and possible PUD overlay based on information relayed. R-6 Multi-family, C-1 by right as the current zoning district, C-2 would require a PUD.
- Define the Road Road access openings to 60 ft. in width.
- Discuss the water and sewer access locations, are additional easements needed?
- http://www.egovlink.com/public documents300/belaire/published documents/Bel%20Aire %20City%20Code/CHAPT18-CODE%20Zoning%20Part-A%202015.pdf contains the Zoning Code. The landscape requirements in general, we have a master concept plan for the development.
- http://www.egovlink.com/belaire/docs/menu/home.asp contains the Public Works tab to find the city standards information.

City of Bel Aire

STAFF REPORT

DATE: 09/09/2021

TO: Bel Aire Planning Commission

FROM: Keith Price

RE: Agenda

STAFF COMMUNICA	_	
FOR MEETING OF	9/16/21	
		Section V, Item C.
CITY COUNCIL		
INFORMATION ONLY		

SUMMARY:

Lycée Addition preliminary Plat, SD.21.01:

The hearing was published in the Ark Valley news per the city regulations; and primary utility companies were contacted. The developer has comments from Evergy. The city didn't receive comments back from any other provider, including the pipeline company. No comments were received from the public. City staff report is in the packet. Last month a sketch plat was reviewed at the city commission meeting.

History:

The city purchased the land in the early 2000's and has built in a vision of the area with the comprehensive plan and the 2018 Master development guide. This location has Rock Road a Bel Aire busy arterial as frontage and is near to the NE magnet high school and the Broad Stone apartments.

The property has many pipelines in easements and Evergy easements, making this property more difficult to develop. See the zoning review sent to the engineers.

Staff recommends conditionally approving the plat, if the rezoning matches the uses intended for the lot development. We have in the past required the PUD be a plat page for easy access to the special set of rules. The uses of a multi-family with 800 s.f. per unit and 12 units per acre is R-6. A bar or food outlet is a C-2 commercial use; Conditional uses can be granted in zoning districts that nearly meet the intent of the code but can be very limiting for other uses in the future. This hearing doesn't include the zoning district process.

- A. After the Public Hearing is closed, the Planning Commission shall determine on the basis of all evidence before it, whether the preliminary plat generally meets the design standards and requirements of these regulations, the development plan of the City and the zoning regulations of the City, other applicable provisions of the ordinances of the City, or the applicable zoning regulations of the unincorporated area.
- B. If the foregoing considerations are satisfied, the Planning Commission shall approve the preliminary plat. C. If the Planning Commission determines that the preliminary plat does not satisfy the requirements of these and other applicable Regulations it may suggest modifications so as to satisfy such violations, and if suggested modifications are made;
- 1. The subdivider may amend the preliminary plat so as to incorporate such modifications and re-submit the preliminary plat to the Planning Commission, which shall then grant its approval if such amendments satisfactorily incorporate the suggested modifications; or
- 2. The subdivider may reject the suggested modification or within the time allowed by the Planning Commission for such action, may refrain from taking any action thereon. In either event the preliminary plat shall be deemed to have been disapproved and the Planning Commission shall thereupon furnish the subdivider a written statement setting forth the reasons for disapproval of the preliminary plat.
- D. If the Planning Commission determines that the preliminary plat does not satisfy the foregoing conditions, it shall disapprove the preliminary plat and immediately notify the subdivider of its action by furnishing the subdivider a written statement setting forth the reasons for disapproval of the preliminary plat.

Section V, Item C.

- E. The foregoing provisions to the contrary notwithstanding, the Planning Commission sl disapprove the preliminary plat within 60 days from the date of filing of the preliminary plat or from the date the subdivider has submitted the last item of the required data, whichever date is later, unless such time is extended by mutual consent. If the preliminary plat is disapproved within 60 days thereafter, the Planning Commission shall furnish the subdivider a statement in writing setting forth the reasons for disapproval and specifying with particularity the aspects in which the proposed preliminary plat fails to conform to the requirements of these regulations.
- F. The subdivider may appeal the disapproval of his preliminary plat to the Board of Zoning Appeals. Such appeal shall be made in writing and filed with the City Clerk within 60 days after the date the Planning Commission issues its statement setting forth its reasons for disapproval of the preliminary plat.
- G. If the Planning Commission fails to approve or disapprove the preliminary plat within 60 days after the date such plat is filed or from the date the subdivider has filed the last item of required data, whichever date is later, then such preliminary plat shall be deemed to have been approved, unless the subdivider shall have consented in writing to extend or waive such time limitation.

V-21-02, Partial Access Control Vacation, Crossland Warehouse Project

The hearing was published in the Ark Valley news and property owners were mailed a notice of the hearing per the city regulations; and primary utility companies were contacted. Evergy had no concerns. No petition to stop the vacation was received; no other calls or contact was received.

History:

The original platting the city wanted total access control for the smaller lots along Webb Road to reduced private drives onto one of the City's arterial streets.

The developer had proposed 3 openings for 2 lots, (3 and 4), staff agrees the center approach has good merit, and the north approach if shared with lot 2 if needed would prevent the need to revisit this issue of the area. The speed limit for Webb is 55 mph.

3.04 DUTIES OF THE PLANNING COMMISSION

- A. Review the sketch plans, when submitted, and forward comments to the potential subdivider whenever this responsibility is not otherwise performed by a Subdivision Committee.
- B. Review and approve, approve conditionally or disapprove preliminary plats and lot splits.
- C. Review and approve, approve conditionally or disapprove final plats and transmit the same to the Governing Body for their acceptance of dedications of streets, alleys and other public ways and sites.
- D. Make recommendations to the Governing Body on vacations of recorded plats, rights-of way, easements and other public reservations.
- E. Make such other determinations and decisions as may be required of the Commission from time to time by these regulations or applicable sections of the Kansas Statutes Annotated.

SD-21-02 (typo SD-20-02) Prairie Preserve

The hearing was published in the Ark Valley news per the city regulations; and primary utility companies were contacted. The developer has comments from Evergy. The city didn't receive comments back from any other provider, including the pipeline company. No comments were received from the public. City staff report is in the packet.

The newest revision of the plat is in your packet.

History:

The current plat is Chapel landing since 2008. The land was recently rezoning to R-1 by ordinance 669

CON-21-01 Private swimming pool in an R-5 zoning district:

The hearing was published in the Ark Valley news per the city regulations; the builder was waiting on the engineer to complete the initial process. The goal was to keep this on the agenda while the final

215

Section V, Item C.

information develops. We expect more than one request from this neighborhood accessory structure.

History:

The city approved a conditional use for all of Rock Spring addition to allow a small shed in each yard to meet city code by Ordinance 576. There has been one private swimming pool in Rock Spring addition approved by conditional use process as well.

MINUTES PLANNING COMMISSION

I. Call to Order: Chairman Schmidt called the meeting to order.

II. Roll Call

Present were James Schmidt, David Floyd, and John Charleston. Phillip Jordan, James Farner, and Dee Roths were absent.

Also present were Planning Commission Secretary Anne Stephens and City Attorney Jacqueline Kelly.

- III. Pledge of Allegiance to the American Flag Chairman Schmidt led the pledge of allegiance.
- IV. Consent Agenda
 - A. Approval of Minutes from Previous Meeting

MOTION: Commissioner Floyd moved to approve the minutes of August 12, 2021.

Commissioner Charleston seconded the motion. *Motion carried 3-0*.

V. Old Business/New Business

A. Revise the November meeting date on the 2021 Planning Commission meeting schedule. City Hall will be closed on November 11th for Veteran's Day.

MOTION: Chairman Schmidt moved to approve revising the 2021 Planning Commission meeting schedule to move the November meeting to Thursday, November 4th. Commissioner Charleston seconded the motion. *Motion carried 3-0*.

B. SD-20-01. Proposed Lycee Addition, platting approximately 13.15 acres of the C-1 Zoning District (down-zone hearing process not included).

Chairman Schmidt opened the public hearing. Phil Meyer, Baughman, represented the applicant and stood for questions from the Commission. No others requested to speak. Chairman Schmidt closed the public hearing.

Commissioners then discussed the plat.

MOTION: Commissioner Floyd moved to recommend the preliminary plat request as presented. Commissioner Charleston seconded the motion. *Motion carried 3-0*.

C. V-21-02. Partial Access Control Vacation

Chairman Schmidt opened the public hearing. Scott Evans, MKEC, represented the applicant and stood for questions from the Commission. No others requested to speak. Chairman Schmidt then closed the public hearing.

The Commission discussed the vacation request with reference to the City Zoning Code.

MOTION: Chairman Schmidt moved to recommend the submitted portion of access control in up to two locations as described by metes and bounds. Commissioner Floyd seconded the motion. *Motion carried 3-0*.

D. SD-21-02. Proposed Prairie Preserve Addition, platting approximately 50.3 acres of the R-1 Zoning District.

Chairman Schmidt opened the public hearing.

John Southerland, Towarda Land Company, represented the applicant and stood for questions from the Commission.

No others requested to speak on the matter, so Chairman Schmidt closed the public hearing. The Commission discussed the zoning request with reference to the 'golden factors' and the City Zoning Code.

MOTION: Commissioner Charleston moved to recommend the Preliminary Plat with the revision that the forcemain will be privately owned and maintained. Chairman Schmidt seconded the motion. *Motion carried 3-0*.

E. CON-21-01. Property owner has requested to allow a private swimming pool in an R-5 residential zoning district.

Chairman Schmidt opened the public hearing for this matter. No one requested to speak, and the applicant was not in attendance. Chairman Schmidt closed the public hearing.

The item was requested to be tabled until the next meeting to allow notification to be completed as required by city code.

MOTION: Commissioner Floyd moved to table until the next meeting so that notification can be completed as required by city code. Commissioner Charleston seconded the motion. *Motion carried 3-0*.

VI. Approval of the Date of the Next Meeting

A. Next Meeting: October 14, 2021

MOTION: Chairman Schmidt moved to approve the date of the next meeting: October 14, 2021. Commissioner Floyd seconded the motion. *Motion carried 3-0*.

VII. Current Events

A. Fall Festival - October 16th, 11 am to 2 pm at Bel Aire Rec Center, free admission

Commissioners briefly discussed upcoming events, including Fall Festival. Duplexes may be discussed at the October Planning Commission meeting, if time allows.

VIII. Adjournment

MOTION: Chairman Schmidt moved to adjourn. Commissioner Charleston seconded the motion. Motion carried 3-0.

The meeting adjourned at 7:36 p.m.

A. August 14th is National Night Out: The Commission briefly discussed upcoming events including National Night Out which will be held at City Hall on August 14th.

VIII. Adjournment

MOTION: Commissioner Floyd moved to adjourn. Commissioner Charleston seconded the motion. *Motion carried 4-0*.

Section V, Item C.

The meeting adjourned at 7:05 p.m.

Public notice

(Published in The Ark Valley News on Aug. 19, 2021.)

OFFICIAL NOTICE OF ZONING HEARING

TO WHOM IT MAY CONCERN AND TO ALL PERSONS INTEREST-ED:

Notice is Hereby Given that on September 16, 2021 the City of Bel Aire Planning Commission will consider the following Platting process in the order placed on the agenda after 6:30 p.m. in the City Council Chamber at City Hall in Bel Aire, Kansas:

Case No. SD/-20-01. Proposed Lycee Addition, platting approximately 13.15 acres of the C-1 Zoning District. (down-zone hearing process not included)

Legal Description: (A complete legal description is available for public inspection which is on file with the Zoning Administrator at City Hall.)

General Location: North Rock Road and Lycee St.

You may appear at this time either in person or by agent or attorney, if you so desire, and be heard on the matter. After hearing the views and wishes of all the persons interested in the case, the Planning Commission may close the hearing and consider a recommendation to the Governing Body, which, if approved under the City Zoning and Sub- Division regulations, would be effectuated by city code. The public hearing may be recessed and continued from time to time without notice.

DATED this 13th day of August, 2021.

/s/ Anne Stephens Bel Aire Planning Commission Secretary

Affidavit of Publication

STATE OF KANSAS, SEDGWICK COUNTY, ss.

Chris Strunk, being first duly sworn, deposes and says: That he is Publisher of The Ark Valley News, formerly The Valley Center Index, a weekly newspaper printed in the State of Kansas, and published in and of general circulation in Sedgwick County Kansas, with a general paid circulation on a yearly basis in Sedgwick County, Kansas, and that said newspaper is not a trade, religious or fraternal publication.

Said newspaper is a weekly published at least weekly 50 times a year; has been so published continuously and uninterruptedly in said county and state for a period of more than five years prior to the first publication of said notice; and has been admitted at the post office of Valley Center in said County as second class matter.

LYCEE ADDITION SUBMITTAL REVIEW

This re	ss of proposed project: Lycee Addi sport is to document that on 9/2/21 the ty plan for compliance of zoning and b	Zoning	Administrator from the City of Bel Aire evaluated the above requirements:
	SETBACKS		ELEVATIONS
	EFFECTIVE CODE COMPLIANCE		REQUIRED PLAN SUBMITTALS
	EROSION CONTROL		EASEMENTS
	LANDSCAPE		SCREENING
	STORM DRAINAGE		NEIGHBORHOOD IMPACT
	ADA ACCESSIBLE		UTILITIES TO BUILDING
The rev	view of the above property plan has be	en:	
	APPROVED, as noted		
	DELAYED, as noted		
	DENIED, as noted		27
DA	TE 9/2/21		REVIEWED BY

Comments: Sketch plan was reviewed by the planning commission in August.

- The Name "Lycee Addition" needs the word "Addition" removed to meet the city code, related to developments inside the corporate limits do not use this word.
- Utility providers have not all responded. The pipeline owners have not responded. Please reach out to those and relay any requests. Evergy has responded.
- This plat will also require a zoning hearing and possible PUD overlay based on information relayed. R-6 Multi-family, C-1 by right as the current zoning district, C-2 would require a PUD.
- Define the Road Road access openings to 60 ft. in width.
- Discuss the water and sewer access locations, are additional easements needed?
- http://www.egovlink.com/public_documents300/belaire/published_documents/Bel%20Aire %20City%20Code/CHAPT18-CODE%20Zoning%20Part-A%202015.pdf contains the Zoning Code. The landscape requirements in general, we have a master concept plan for the development.

ACCESS CONTROL DEDICATION

WHEREAS, City of Bel Aire, Kansas, Land Bank, as the owner of the below-described property, has petitioned the City of Bel Aire to vacate the platted access controls for the same per Vacation Order numbered V-21-02; and

WHEREAS, It is necessary to re-dedicate access controls for the below-described property; and

WHEREAS, City of Bel Aire, Kansas, Land Bank, wishes to do the same; and

That for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations, the receipt of which is hereby acknowledged, the undersigned, being the owners of the following described real estate, to-wit:

Lot 3, Block A, Sunflower Commerce Park, an addition to Bel Aire, Sedgwick County, Kansas.

Does hereby transfer and convey to the City of Bel Aire all abutters' right of access, ingress and egress to said property from or to Webb Road over and across the west line of the above-described property; provided, however, the following two (2) full movement openings shall be allowed:

One full movement opening being allowed within a 100-foot length of the east right-of-way line of Webb Road, said 100-foot length being centered 50-foot each side of the following described POINT; COMMENCING at the northwest corner of said Lot 3, Block A, Sunflower Commerce Park, an Addition to Bel Aire, Sedgwick County, Kansas; thence south, 50.00 feet along the west line of said Lot 3 to The POINT. The sideline points of said 100-foot full movement opening being measured perpendicular to said west line,

TOGETHER WITH,

One full movement opening being allowed within a 100-foot length of the east right-of-way line of Webb Road, said 100-foot length being centered 50-foot each side of the following described POINT; COMMENCING at the southwest corner of said Lot 3, Block A, Sunflower Commerce Park, an Addition to Bel Aire, Sedgwick County, Kansas; thence north, 50.00 feet along the west line of said Lot 3 to The POINT. The sideline points of said 100-foot full movement opening being measured perpendicular to said west line,

It is understood that this conveyance is a covenant running with the land prohibiting all subsequent owners thereof and all members of the public from ingressing or egressing upon said portion of Lot 3, Block A, EXCEPT for the aforementioned two (2) full movement openings described herein.

VACATION APPLICATION CITY OF BEL AIRE, KANSAS

An application to vary the required building setback lines, vacate easements, streets, alleys or other public reservations falls under the Subdivision regulations of "vacation". A site plan is required as part of every vacation application submitted to City Hall, 7651 E. Central Park Ave, Bel Aire, Kansas 67226. Attention: City Administrator. This document will be used for meetings and public hearings regarding your request and should be neat, legible, well labeled, and drawn to scale. The site plan must contain the following elements:

- 1. Sheet Size: The site plan should be no larger than 11" x 17" and no smaller than 8 ½" x 11". Site plans for larger projects (greater than 6 acres), may be larger, with the approval of City Staff.
- 2. Title: A brief description of the Vacation.
- Applicant Name: Name of the applicant and the agent who prepared the drawing, if applicable.
- 4. North Arrow: Indicate the north direction with respect to the project, Lot, or structure.
- 5. Scale: The scale should be adequate to portray the project, Lot, or structure on the sheet size required. For example, a Lot that is 70 feet by 100 feet can adequately by portrayed at a scale of 1" 20' (in inch equals 20 feet) on an $11" \times 17"$ sheet of paper. The scale should not be smaller than 1" = 20' and 1" = 50' for larger properties.
- Dimensions: In addition to adequate scale representation, all key features (lot, buildings, driveways, etc.) on the site plan shall have dimensions in feet noted for all sides.
- Legal Description: Legal description of Lot(s) or parcels requiring a Variance. This description can be in the form of Lots and Blocks.
- 8. Existing Conditions: Indicate all structures and features as they exist on the property. These should be drawn to scale, as described above, and shall include, but not be limited to:

All structures and buildings

Parking Spaces

Fences

Significant trees or stands of trees

Other landscaping

Floodplains

Water area or features

Significant topographical features

Utilities, above and below ground exact location

Page 2 of 5

Drainage patterns

- 9. All required zoning setbacks and easements: Using a dashed line, indicate all required zoning setbacks and utility, drainage, or other easements relative to the project, Lot(s), or structure.
- 10. All roads/streets adjacent to the property and access points off of those roads: Indicate all roads/streets, including the rights-of-way that surround or intersect the property, including alleys. Indicate all points of access (driveways) from the streets to the project, Lot (s), or structure. Indicate how each road/street is developed, e.g. paved, dirt, undeveloped.
- 11. Surrounding structures and uses if appropriate: Indicate surrounding uses and zoning as they apply to the request.
- 12. Modifications by the vacation: Indicate any modifications to the existing structures or features that will result if the Vacation request is approved. If these modifications or additions are extensive, a second site drawing might be necessary so as not be confused with the existing conditions. These modifications or new features may include, but are not limited to:

Buildings
Structures
Parking areas
Vehicular drives
Pedestrian walks
Location and height of light fixtures
Location of trash receptacles and loading areas
Landscaped areas

- 13. An application shall be accompanied by a current abstractor's certificate containing a legal description of the area in the application as well as the name and address of the owner, and shall include the names and mailing addresses (with zip codes) of all property owners within the prescribed distance measured from the perimeter of the application area.
- 14. An application for Vacation shall be accompanied by the appropriate filing fee, (\$100.00) and is payable to the City of Bel Aire.

APPLICATION

This form MUST be completed and filed at City Hall, Bel Aire, Kansas, 7651 E. Central Park Ave., Bel Aire, Kansas 67226. AN INCOMPLETE APPLICATION CANNOT BE ACCEPTED. Check the appropriate box below for type of application being submitted. A separate application and filing fee is required for each application. A preapplication conference with City Staff is recommended before filing this application.

PRELIMINARY PLAT SUBMITTAL REVIEW

	port is to document that on 9/2/21 the ty plan for compliance of zoning and b		Administrator from the City of Bel Aire evaluated the above requirements:			
	SETBACKS		ELEVATIONS			
	EFFECTIVE CODE COMPLIANCE		REQUIRED PLAN SUBMITTALS			
	EROSION CONTROL		EASEMENTS			
	LANDSCAPE		SCREENING			
	STORM DRAINAGE		NEIGHBORHOOD IMPACT			
	ADA ACCESSIBLE		UTILITIES TO BUILDING			
The rev	view of the above property plan has be	en:				
	APPROVED, as noted					
	DELAYED, as noted					
	DENIED, as noted					
DATE_9/2/21			REVIEWED BY			

Comments:

- The Name "Reserve" is a defined word" please use something other than addition or reserve.
- Utility providers have not all responded. The pipeline owners have not responded. Please reach out to those and relay any requests. Evergy has responded.
- The cul-de-sac "Prarie" spelling?
- The city code for the length of a cul-de-sac is 800'. We are waiting for the SCFD to respond related to any issues.
- There was discussion of a berm along Oliver, an easement (fence or berm), with access control from Oliver should be added to lots 1 and 12.
- http://www.egovlink.com/public_documents300/belaire/published_documents/Bel%20Aire %20City%20Code/CHAPT18-CODE%20Zoning%20Part-A%202015.pdf contains the Zoning Code. The landscape requirements in general, we have a master concept plan for the development.
- http://www.egovlink.com/belaire/docs/menu/home.asp contains the Public Works tab to find the city standards information.

OFFICIAL NOTICE OF ZONING HEARING

TO WHOM IT MAY CONCERN AND TO ALL PERSONS INTEREST-

Notice is Hereby Given that on September 16, 2021 the City of Bel Aire ED: Planning Commission will consider the following Platting process in the order

placed on the agenda after 6:30 p.m. in the City Council Chamber at City Hall in Bel Aire, Kansas:

Case No. SD/-20-02. Proposed Prairie Reserve Addition, platting ap-

proximately 50.3 acres of the R-1 Zoning District.

Legal Description: (A complete legal description is available for public inspection which is on file with the Zoning Administrator at City Hall.)

General Location: N Oliver and E 53rd St N.

You may appear at this time either in person or by agent or attorney, if you so desire, and be heard on the matter. After hearing the views and wishes of all the persons interested in the case, the Planning Commission may close the hearing and consider a recommendation to the Governing Body, which, if approved under the City Zoning and Sub- Division regulations, would be effectuated by city code. The public hearing may be recessed and continued from time to time without notice.

day of August, 2021. DATED this _24_

STAFF REPORT

DATE: 09/09/2021

TO: Bel Aire Planning Commission

FROM: Keith Price

RE: Agenda

FOR MEETING OF	9/16/21	
		Section V, Item C.
CITY COUNCIL		
INFORMATION ONLY		
	1	J

SUMMARY:

Lycée Addition preliminary Plat, SD.21.01:

The hearing was published in the Ark Valley news per the city regulations; and primary utility companies were contacted. The developer has comments from Evergy. The city didn't receive comments back from any other provider, including the pipeline company. No comments were received from the public. City staff report is in the packet. Last month a sketch plat was reviewed at the city commission meeting.

History:

The city purchased the land in the early 2000's and has built in a vision of the area with the comprehensive plan and the 2018 Master development guide. This location has Rock Road a Bel Aire busy arterial as frontage and is near to the NE magnet high school and the Broad Stone apartments.

The property has many pipelines in easements and Evergy easements, making this property more difficult to develop. See the zoning review sent to the engineers.

Staff recommends conditionally approving the plat, if the rezoning matches the uses intended for the lot development. We have in the past required the PUD be a plat page for easy access to the special set of rules. The uses of a multi-family with 800 s.f. per unit and 12 units per acre is R-6. A bar or food outlet is a C-2 commercial use; Conditional uses can be granted in zoning districts that nearly meet the intent of the code but can be very limiting for other uses in the future. This hearing doesn't include the zoning district process.

A. After the Public Hearing is closed, the Planning Commission shall determine on the basis of all evidence before it, whether the preliminary plat generally meets the design standards and requirements of these regulations, the development plan of the City and the zoning regulations of the City, other applicable provisions of the ordinances of the City, or the applicable zoning regulations of the unincorporated area.

B. If the foregoing considerations are satisfied, the Planning Commission shall approve the preliminary plat. C. If the Planning Commission determines that the preliminary plat does not satisfy the requirements of these and other applicable Regulations it may suggest modifications so as to satisfy such violations, and if suggested modifications are made;

1. The subdivider may amend the preliminary plat so as to incorporate such modifications and re-submit the preliminary plat to the Planning Commission, which shall then grant its approval if such amendments satisfactorily incorporate the suggested modifications; or

2. The subdivider may reject the suggested modification or within the time allowed by the Planning Commission for such action, may refrain from taking any action thereon. In either event the preliminary plat shall be deemed to have been disapproved and the Planning Commission shall thereupon furnish the subdivider a written statement setting forth the reasons for disapproval of the preliminary plat.

D. If the Planning Commission determines that the preliminary plat does not satisfy the foregoing conditions, it shall disapprove the preliminary plat and immediately notify the subdivider of its action by furnishing the subdivider a written statement setting forth the reasons for disapproval of the preliminary plat.

262

Section V, Item C.

E. The foregoing provisions to the contrary notwithstanding, the Planning Commission sl disapprove the preliminary plat within 60 days from the date of filing of the preliminary plat or from the date the subdivider has submitted the last item of the required data, whichever date is later, unless such time is extended by mutual consent. If the preliminary plat is disapproved within 60 days thereafter, the Planning Commission shall furnish the subdivider a statement in writing setting forth the reasons for disapproval and specifying with particularity the aspects in which the proposed preliminary plat fails to conform to the requirements of these regulations.

F. The subdivider may appeal the disapproval of his preliminary plat to the Board of Zoning Appeals. Such appeal shall be made in writing and filed with the City Clerk within 60 days after the date the Planning Commission

issues its statement setting forth its reasons for disapproval of the preliminary plat.

G. If the Planning Commission fails to approve or disapprove the preliminary plat within 60 days after the date such plat is filed or from the date the subdivider has filed the last item of required data, whichever date is later. then such preliminary plat shall be deemed to have been approved, unless the subdivider shall have consented in writing to extend or waive such time limitation.

V-21-02, Partial Access Control Vacation, Crossland Warehouse Project

The hearing was published in the Ark Valley news and property owners were mailed a notice of the hearing per the city regulations; and primary utility companies were contacted. Evergy had no concerns. No petition to stop the vacation was received; no other calls or contact was received.

History:

The original platting the city wanted total access control for the smaller lots along Webb Road to reduced private drives onto one of the City's arterial streets.

The developer had proposed 3 openings for 2 lots, (3 and 4), staff agrees the center approach has good merit, and the north approach if shared with lot 2 if needed would prevent the need to revisit this issue of the area. The speed limit for Webb is 55 mph.

3.04 DUTIES OF THE PLANNING COMMISSION

A. Review the sketch plans, when submitted, and forward comments to the potential subdivider whenever this responsibility is not otherwise performed by a Subdivision Committee.

B. Review and approve, approve conditionally or disapprove preliminary plats and lot splits.

C. Review and approve, approve conditionally or disapprove final plats and transmit the same to the Governing Body for their acceptance of dedications of streets, alleys and other public ways and sites.

D. Make recommendations to the Governing Body on vacations of recorded plats, rights-of way, easements and other public reservations.

E. Make such other determinations and decisions as may be required of the Commission from time to time by these regulations or applicable sections of the Kansas Statutes Annotated.

SD-21-02 (typo SD-20-02) Prairie Preserve

The hearing was published in the Ark Valley news per the city regulations; and primary utility companies were contacted. The developer has comments from Evergy. The city didn't receive comments back from any other provider, including the pipeline company. No comments were received from the public. City staff report is in the packet.

The newest revision of the plat is in your packet.

History:

The current plat is Chapel landing since 2008. The land was recently rezoning to R-1 by ordinance 669

CON-21-01 Private swimming pool in an R-5 zoning district:

The hearing was published in the Ark Valley news per the city regulations; the builder was waiting on the engineer to complete the initial process. The goal was to keep this on the agenda while the final

Section V, Item C.

information develops. We expect more than one request from this neighborhood accessory structure.

History:

The city approved a conditional use for all of Rock Spring addition to allow a small shed in each yard to meet city code by Ordinance 576. There has been one private swimming pool in Rock Spring addition approved by conditional use process as well.

PLANNED UNIT DEVELOPMENT AGREEMENT CONCERNING THE DEVELOPMENT OF LYCEE ADDITION TO THE CITY OF BEL AIRE, KANSAS

THIS AGREEMENT is made and entered into by and between GREGORY HISER, hereinafter referred to as the "DEVELOPER" and the CITY OF BEL AIRE, KANSAS, hereinafter referred to as the "CITY."

WHEREAS, the Developer desires platting by the City of a tract of land more fully described below and herein referred to as LYCEE ADDITION to the City of Bel Aire, Kansas; and

WHEREAS, the City is willing to consider platting of said LYCEE ADDITION PUD Project;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the Developer and the City agree as follows:

PURPOSE. This agreement is necessary to address certain financial, infrastructure and drainage conditions arising from the platting process which must be dealt with prior to final plat approval and as such, is a condition precedent to final consideration by the City of the Developer's request for approval of the final plat on a tract of land more fully described below and herein referred to as the LYCEE ADDITION PUD project to the City of Bel Aire, Kansas.

LYCEE ADDITION PUD PROJECT LEGAL DESCRIPTION. The tract of land herein referred to as LYCEE ADDITION PUD project to the City of Bel Aire, Kansas has the following pre-platting legal description, to-wit:

A portion of the Southwest Quarter of Section 17, Township 26 South, Range 2 East of the Sixth Principal Meridian, Sedgwick County, Kansas, described as beginning at the Northwest corner of the Southwest Quarter of said Section 17; thence N89°32'56"E coincident with the north line of the Southwest Quarter of said Section 17, 355.32 feet to the northwest corner of Lot 2, Broadstone Villas, Bel Aire, Sedgwick County, Kansas; thence S00°39'06"E coincident with the west line of Lot 2 in said Broadstone Villas, 632.42 feet to the southwest corner of Lot 2 in said Broadstone Villas and to a point in the north line of an Easement for Right of Way recorded in the Sedawick County Register of Deeds Office at DOC.#/FLM-PG:29195542; thence N89°59'54"W coincident with the north line of said Easement for Right of Way, 22.22 feet to a deflection point in the north line of said Easement for Right of Way; thence N82°36'36"W coincident with the north line of said Easement for Right of Way, 147.75 to a deflection point in the north line of said Easement for Right of Way; thence N89°59'54"W coincident with the north line of said Easement for Right of Way, 186.89 feet to a point in the west line of the Southwest Quarter of said Section 17; said point being 2039.45 feet north of the southwest corner of the Southwest Quarter of said Section 17; thence N00°37'38"W coincident with the west line of the Southwest Quarter of said Section 17, 610.59 feet to the point of beginning. Subject to road rights of way of record.

New legal description:

Lots 1, 2, 3, and 4, Block B, Lycee Addition, Bel Aire, Sedgwick County, Kansas.

PERMITTED USE.

The Lycee Addition to the City of Bel Aire, Kansas shall have the uses permitted in the "C-1" Neighborhood Commercial Office & Retail, "C-2" Planned Commercial and "R-6" Multi-Family District, as defined in the 2020 revised Bel Aire codified city code, including the following uses:

"C-1 and C-2" (Lot 4, Block B):

- Small scale retail businesses
- Retail activities conducted wholly indoors
- Office
- C-2 Uses- Restaurant with alcohol sales; food venues to include patio dining and temporary structures as approved by the City Manager.
- Accessory structure as approved by the City Manager.
- Special Events permits approved by the City Manager
- C-1 permitted uses as define in Chapter 7 zoning code section 7.11
 Neighborhood Commercial, Office Retail

The minimum building setback shall be forty feet (40') from adjacent public right-of-way property lines. There shall be a minimum building setback of ten feet (10') along adjoining lots, if such adjoining lots are not maintained in common ownership. No building shall be constructed within a public utility easement.

SITE: The proposed construction project for Lot 4, Block B, consists of one building with a total 3,200 sq. ft. with paved parking, with no current plans of future growth or additions. The PUD and the Zoning code will govern any future growth. Lot 4 shall honor all existing easements on the Lot including the rural water easement, pipeline easement and KG&E easement. Prior to any development, all lots shall be maintained in accordance with the municipal code of the City of Bel Aire. Approval of a site circulation and pedestrian plan by the Zoning Administrator is required for each phase of construction prior to the issuance of a building permit.

"R-6" (Lots 1, 2, and 3, Block B):

- Duplex
- Multi-Family
- Adult Day-care
- Leasing office
- Playgrounds or community spaces.
- Accessory structures as approved by the city manager.

The minimum building setback shall be thirty feet (30') from adjacent public right-of-way property lines. There shall be a minimum building setback of ten feet (10') along adjoining lots,

if such adjoining lots are not maintained in common ownership. No building shall be constructed within a public utility easement.

SITE: The proposed construction project for Lots 1, 2, and 3, Block B, consists of a maximum of thirteen (13) buildings with each living unit having 1,000 to 1,500 sq. ft. of livable space on the ground floor with a maximum total 37,500 sq. ft. allowed on the ground floor of the parcel with paved parking for each unit. Each living unit shall have a maximum height of three stories. There is no current plans of future growth or additions. The PUD and the Zoning code will govern any future growth. Lots 1, 2, and 3, shall honor all existing easements on the Lots including the rural water easement, and pipeline easement. Prior to any development, all lots shall be maintained in accordance with the municipal code of the City of Bel Aire. Approval of a site circulation and pedestrian plan by the Zoning Administrator is required for each phase of construction prior to the issuance of a building permit.

INFRASTRUCTURE INSTALLATION. Installation of all improvements shall be in compliance with requirements of all applicable federal, state and local legislation, including the Americans with Disabilities Act. All electric power, streetlights, cable and telephone service shall be installed underground. The Developer shall be responsible for the costs of engineering design, construction and inspection of all private utility improvements (electricity, communications, telecommunications and gas) necessary for the platting and development of the tract of land herein referred to as the Lycee Addition in accordance with the utility extension requirements of each private utility company. Utility improvements shall be installed on city owned property or within public right of ways or easements. The expense of all such utility and sewer service within the property shall be borne by the Developer.

The Developer shall dedicate necessary public easements for all private and public utility improvements necessary for the platting and development of the tract of land herein referred to as the Lycee Addition to the City of Bel Aire, Kansas. Said improvements include storm water system, water distribution system, sanitary sewer lines, driveways and utilities.

The Developer shall pay one hundred percent (100%) of the cost of the improvements. The Developer shall indemnify and hold harmless the City from any liability from damages that may occur during construction.

DRAINAGE. The ultimate effect of increased drainage from platted property on surrounding property must be addressed as part of the platting process. The Developer shall prepare a storm drainage plan that shall address the effect of increased drainage, meet City specifications and be approved by the City Engineer. As part of the drainage plan, a final grading plan showing all drainage inlets and a storm sewer plan including placement of inlets, pipes and manholes, shall be submitted and approved by the City prior to any issuance of permits. Street, curb, lot corner and pad elevations shall be submitted for review and approval by the City prior to any demolition, site development, construction or permits obtained. All Storm water outfall lines shall be placed within utility easements dedicated to the City. After approval by the City Engineer of said storm drainage plan, with any necessary modifications, the Developer shall install, or cause to be installed, the improvements pursuant to the drainage plan.

LIGHTING. A Security and/or parking lighting plan shall be submitted to the City for approval and comply with the City zoning ordinance. Outdoor lighting sources shall employ cutoff luminaries to minimize light trespass and glare. Electric lines shall be installed underground. Wood poles will not be allowed.

SANITARY SEWER. The City will provide access to the property line for public sanitary sewer in the utility easements provided with the plat per the approved City Engineer's drawings on file for Lycee Addition. Each unit or tenant space must have separate sanitary sewer hookups installed to City standards. The Developer shall pay all Sanitary Sewer User Fees and Hook Up Fees.

WATER. The City will provide access to the property line for public water in the utility easement located along Rock Road and along south property line per the approved City Engineer's drawings on file for Lycee Addition. Each unit or tenant space must have separate metered water supply installed to City standards. The Developer shall pay all Water User Fees and Hook Up Fees.

All fire hydrant locations must be identified on a plan & approved by the Sedgwick County Fire Department according to its standards. Developer is responsible to meet all Sedgwick County Fire Codes & Standards and installation by the Developer shall be to City standards.

LANDSCAPING & SCREENING. The Developer shall submit and have approved by the City Manager, a "Landscape Plan" that is representative of the attached landscape concept plan. Landscaping to be provided as each phase of the Lycee Addition is developed. The "Landscaping Plan" shall show contours, utilities, size, and spread at planting, any type of ground cover, shrubs, and coordinate with the Drainage Plan and Site Plan for the project.

Planting of interior trees shall meet the City's ordinance. Any areas outside of the general boundaries of each development phase shall be planted to appropriate turf or ground cover adequate to prevent undue soil erosion and shall be maintained in accordance with applicable City ordinances. Any future Phases to be constructed shall have prior approval of building permits for that Phase, the Developer shall also submit and have approved by the City, detailed landscape plans for that Phase. Within all detailed landscape plans, ground mounted mechanical equipment and trash receptacles shall be screened from ground level view.

FENCING & SCREENING. All outside storage of trash and recycling storage containers shall be appropriately fenced and screened with fencing and screening methods and materials to blend in with the architectural design of the building and to reasonably hide the materials, trash and recycling storage containers from ground view and approved by the City. Wood privacy fence materials may be allowed if such materials blend in with the architectural design elements of the building and adjacent sites and shall be of the same height of any existing but a minimum of six (6') feet in height. If screening exists on either side of a developing property line that meets or exceeds the standards of the zoning code, additional

screening shall not be required. However, if at any time the existing screening fails to meet the requirements of the zoning code, compliance shall be attained by the property owners of the lot, or lots, in the PUD which fails to meet these requirements. Any plans for outside storage facilities shall comply with the applicable ordinances and zoning regulations of the City and be submitted in writing to the City for prior approval.

BUILDING CONSTRUCTION MATERIALS & TYPE. All building in the R-6 zoning district shall share uniform architectural character, color, texture, and the intent of the attached floor plan and building elevation. Building walls and roofs shall have a residential character and have predominately earth tone colors with brick or stone allowed as an accent material. Any variation of attached building elevations shall require the approval of the City Manager. All office/retail construction shall be designed utilizing materials that incorporate appropriate architectural and aesthetic elements as represented in the general guideline manual for the neighborhood commercial district and approved by the City.

SIGNAGE. All signage shall comply with the applicable ordinances and zoning regulations of the City and be submitted in writing to the City for approval. Each site shall be allowed one six-foot wide monument type entry sign, not exceeding 6 feet in height. Any future signage must be approved by the City Manager.

PARKING. A detailed parking plan shall be submitted to the City for approval. All handicap stalls shall be shown on the parking plan along with curbing in all parking areas and must meet with the City's Zoning Ordinance. Parking stalls shall be a minimum of nine feet (9') wide by eighteen (18') deep, with a two-foot (2') overhang if the front of the vehicle hangs into a six foot wide green space or six foot wide strip between parking stalls unless otherwise approved by the City.

ACCESS ROADWAY. All driveways shall be per city ordinance. One access entrance shall be allowed off Rock Road as per plat map for Lot 1; one joint access entrance shall be allowed off of Lycee St as per plat map for Lots 2 and 3; one access entrance shall be allowed off Rock Road as per plat map for Lot 4. Other access entrances off Rock Road may be approved by the City at the time of development of other lots. Lots 1, 2, and 3 shall have a cross lot agreement between lot owners for access. The width of all approaches shall be no less than twenty-four feet (24') and a maximum of thirty-five feet (35') unless otherwise approved by the City.

SIDEWALKS. Construction of a City sidewalk on the property line, or an approved alternative location, along Lycee St, to the east right-of-way line of Rock Road shall be required. The sidewalk must meet City and ADAAG standards. The property owner(s) as required by City Ordinance shall provide for the sidewalk maintenance and care.

PERMITS. No construction shall commence on any portion of the tract of land herein referred to Lycee Addition PUD project to the City of Bel Aire, Kansas without the Developer, or its designated builder, having first obtained the proper building and zoning permits from the City.

The development of Lycee Addition project to the City of Bel Aire, Kansas shall proceed in accordance with this Agreement and subsequent platting. Any deviation, as determined by

the City, shall constitute a violation of the building permit authorizing construction of the proposed development. The final site dimensions, grading plan, drainage, landscape plan, street plan, parking plan and utility plans will be submitted and approved in phases based on the conceptual plans. Any deviations from the conceptual drawing shall be submitted for review and approval by the City.

Any and all costs including permit fees, review fees, and building and zoning permit and review fees incurred or required by city staff and review and/or through building and zoning review shall be paid by the Developer.

PURPOSE. A specific purpose of this agreement is to assure that necessary improvements are in place to support development of the tract of land herein referred to as the Lycee Addition to the City of Bel Aire, Kansas. Therefore, the Developer's compliance with the terms and conditions of this Agreement shall be a condition precedent to the granting of building and/or occupancy permits for development on said property. The City reserves the right to clarify any conflicts between this document and plat.

RECORDING. The Developer shall file an executed copy of this Agreement with the Sedgwick County Register of Deeds within 30 days of final approval and within 45 days provide City will proof of filing. A copy of this Agreement showing said recording along with a copy of the recorded plat shall be furnished by the Developer to the general contractor before building permits are issued.

BINDING. The terms and conditions of this Agreement, as set forth herein, shall be binding upon the City and the Developer, their successors, representatives, trustees, and assigns.

THIS AGREEMENT IS nereby execut	ted on this day of, 202

LYCEE ADDITION PUD SUBMITTAL REVIEW

	port is to document that on 2/2/22 the y plan for compliance of zoning and b		Administrator from the City of Bel Aire evaluated the above requirements:
	SETBACKS		ELEVATIONS
	EFFECTIVE CODE COMPLIANCE		REQUIRED PLAN SUBMITTALS
	EROSIÓN CONTROL		EASEMENTS
	LANDSCAPE		SCREENING
	STORM DRAINAGE		NEIGHBORHOOD IMPACT
	ADA ACCESSIBLE		UTILITIES TO BUILDING
The rev	riew of the above property plan has be	en:	
	APPROVED, as noted		
	DELAYED, as noted		
	DENIED, as noted		M vid Div
DA	TE 2/2/22		REVIEWED BY

Comments: City staff conducted a meeting to discuss the plat and PUD. Provide the most updated version of the final plat in PDF form and paper form. The general information below still applied as of 2.2.22

- No additional easements were requested by Evergy or Onegas.
- The landscape plan is conceptual in nature, locations of trees would need to fit the final drainage plan and layout of the buildings.
- The architecture submittal is conceptual in nature, however the aesthetics and types of materials are near to what will be expected during construction based on the PUD agreement and site plan.
- The Plat isn't covered by the PUD completely so specific PUD plat language isn't required.
- The city engineer will contact you directly with any concerns related to the submittals.
- http://www.egovlink.com/public documents300/belaire/published documents/Bel%20Aire %20City%20Code/CHAPT18-CODE%20Zoning%20Part-A%202015.pdf contains the Zoning Code. The landscape requirements in general, we have a master concept plan for the development.

http://www.egovlink.com/belaire/docs/menu/home.asp contains the Public Works tab to find the city standards information.

Public notice

(Published in The Ark Valley News on Dec. 23, 2021.) OFFICIAL NOTICE OF ZONING HEARING

TO WHOM IT MAY CONCERN AND TO ALL PERSONS INTEREST-

Notice is Hereby Given that on January 13, 2022 the City of Bel Aire Planning Commission will consider the following Platting process in the order placed on the agenda after 6:30 p.m. in the City Council Chamber at City Hall in Bel Aire, Kansas:

ZON-21-06. Lycee Addition PUD, final plat, preliminary/final PUD and rezoning approximately 4.40 acres of the C-1 to C-1, C-2, R-6 zoning dis-

Legal Description: (A complete legal description is available for public inspection which is on file with the Zoning Administrator at City Hall.)

General Location: East of Rock Road approx. ¼ mile north of E. 53rd St.N.

You may appear at this time either in person or by agent or attorney, if you so desire, and be heard on the matter. After hearing the views and wishes of all the persons interested in the case, the Planning Commission may close the hearing and consider a recommendation to the Governing Body, which, if approved under the City Zoning and Sub- Division regulations, would be effectuated by city code. The public hearing may be recessed and continued from time to time without notice.

day of December, 2021. DATED this _17_

STAFF REPORT

DATE: 02/04/2022

TO: Bel Aire Planning Commission

FROM: Keith Price

RE: Agenda

	11011	
FOR MEETING OF	2/10/22	
		Section V, Item C.
CITY COUNCIL		
INFORMATION ONLY		

STAFF COMMUNICATION

SUMMARY:

(A) ZON-21-04, Chapel Landing 5th, Rezoning and replat SD-21-05:

The city sent out notices again to property owners and placed an ad in the Ark Valley Newspaper announcing the February Planning Commission meeting to ensure that folks realized the zoning case date of the hearing specifically had moved.

Additional correspondence from a few neighbors to this project was received and is in your packet. The activity to date is summarized below, as this has been going on for many months.

The Applicant and Applicant's Agent met with City staff following the Planning Commission's delayed re-zoning request and asked that the zone change request be reconsidered by Planning Commission. The Applicant stated that the intended use of the project and the reasons for the requested change were miss-represented at an earlier meeting, and they would like the chance to fully explain their thoughts and reasons for the re-zoning request to an R-5.

The preliminary plat was revised with an added street access at Farmstead St and some other minor changes that reduced the number of lots and calm traffic. Many lots meet the standard of the R-4 lot size. The city has received some comments; two letters are in the packet. One person that dropped by wanted to have the land developed to reduce the number of people letting their dogs run free on the land behind her house that end up on her property to use it as dumping stop. She didn't want duplexes but was okay with housing. So directly to the Zoning Administrator's office only four different property owners have made contact in three months.

The following criteria shall be the basis for evaluation of the rezoning request in relation to the specific case being considered:

1. The character of the neighborhood;

The subject property is platted and zoned R-4 with plattor's text for reduced side yard setbacks to 6', with restrictions.

2. The zoning and uses of properties nearby

R-4, R-5, and R-1

The suitability of the subject property for the uses to which it has been restricted;

City staff has compared this request to the approved Master growth Plan and agr project rezoning request meets the preferred use.

3. The extent to which removal of the restrictions will detrimentally affect nearby property;

City staff no adverse effect is expected.

4. The length of time the subject property has remained vacant as zoned;

The City hasn't rezoned this property since it was platted in 2008

5. The relative gain to the public health, safety and welfare by the destruction of the value of petitioner's property as compared to the hardship imposed upon the individual landowners;

No hardship is expected to be caused by the development.

6. Recommendations of permanent staff;

Yes because 2018 Master Growth plan was approved by City Council.

7. Conformance of the requested change to the adopted or recognized master plan being utilized by the city.

Yes the 2018 Master Growth plan

The opinions of other property owners may be considered as one element of a decision in regard to the amendment associated with a single property, however, a decision either in support of or against any such rezoning may not be based upon a plebiscite of the neighbors

Planners ask questions related to type of housing, (this may have been answered by the developer during the previous meetings). Staff recommends the rezoning and preliminary plat. The city should have a developer's agreement provided and require covenants at the time of the final platting is ready for final approval by city council but is not required at this time.

(B) ZON-21-06 Lycee Addition PUD, final plat, preliminary/final PUD and rezoning approximately 4.40 acres of the C-1 to C-1, C-2, R-6 zoning districts:

The planning commission had approved the preliminary plat and sketch plan. City staff placed an ad in the ark valley newspaper and contacted property owners within the notification area. An updated ad was placed in the Ark Valley Newspaper to announce the new hearing date February 10th. Staff has discussed this project with Linda Snook, and Donnis McPhaul, both on the notification list. Nothing negative has been stated; contact has been made to Donnis McPhaul as promised as the new revisions have been received, she indicated she would be in to view the changes. The packet contains the PUD document, the final plat, concept drawings of the site and buildings. Based on the PUD process listed below, staff can conditionally recommend approval. **Process.** No property which has a zoning district classification which requires approval of a PUD may be developed or redeveloped without a preliminary PUD first having been submitted to and approved by the Planning Commission. The Planning Commission shall review the preliminary PUD to determine:

(C) ZON-21-07 Chapel Landing 6th, Rezoning approximately 3.3 acres of the R-1 zoned district and platting approximately 14.62 acres of the R-1 and R-4 use zoning district to allow two-family duplex use:

The planning commission had viewed a sketch plan last year regarding this area. City \$ ad in the ark valley newspaper and contacted property owners within the notification area. An updated ad was placed in the Ark Valley Newspaper to announce the new hearing date February 10th. The most recent plat revision is in the packet, easements have been added. (see Chapel Landing 5th zoning 7 bullets for approval)

The city staff can conditionally recommend this based on the submittals.

SD-21-06. Skyview at Block 49, 2nd Addition: (D)

Platting and rezoning approximately 22.76 acres of the C-1 to R-5 residential use zoning district-Final plat. The case was readvertised for the February 10th meeting in the Ark Valley Newspaper, No one has inquired about the development to date. Evergy indicated easements requested for the preliminary hasn't been added; if not added on the final Evergy would need those to install their infrastructure. The most recent map submitted to the city will be included in the packet. The city staff can conditionally recommend this based on the submittals.

(E) SD-21-04. Skyview at Block 49, 3rd Addition:

Platting and rezoning approximately 12.44 acres of the AG Zoning District to be zoned to C-1 and C-2 Commercial uses. Final plat and PUD. The case was readvertised for the February 10th meeting, only that screening should be provided for the parking lot have been received to date.

The newest revisions are in your packet for the plat and site plan. The site plan does depict a concrete screening wall. Staff had asked to have the development connected to the city sidewalk system provided in the Tierra Verde South development; the developer has indicated that will be part of the improvements for the project. Staff can conditionally recommend the Final plat and PUD based on the process requirements below.

Process. No property which has a zoning district classification which requires approval of a PUD may be developed or redeveloped without a preliminary PUD first having been submitted to and approved by the Planning Commission. The Planning Commission shall review the preliminary PUD to determine:

- a. satisfactory quality of design in the individual buildings;
- b. satisfactory quality of design for the site;
- c. appropriateness of the building or buildings to the intended use;
- d. aesthetic appropriateness of the development to its surroundings.

(F) CON-21-03 Property owner has requested to add an LED message board to an existing sign pole base in an utility easement in a C-1 commercial district:

An ad was placed in the Ark Valley News as required and the property owners with 200 f.t. of the lot were mailed a certified letter with the hearing information. Only one caller within the notification area contacted the city, prior to the final packet completion. Below is the criteria to review the proposal. The city review is in the packet to the sign company. An updated ad was placed in the paper to announce the hearing date revision to February 10th.

The standard the city has used in the past has been 3000 nits or less during the evening (A measurement of the brightness of light. One nit is equal to one candela (one candlepower) per square meter $(1cd/m^2)$. The sun at noon is rated at 1.6 billion nits.)

- One condition that should be placed on the sign pole located in the easement-all section v, tem c
 Utility providers related to removing the sign or any part of the sign to include the power supply
 in the event of needing access to the easement based on receiving prior approval from the City
 and or an unperceived emergency requiring immediate access. (To be refined by the city legal
 department).
- If the building or sign use changes, the latest adopted zoning and building codes would apply, or the conditions within the agreement if addressed specifically.
- If the Evergy or Bel Aire public works department doesn't have any concerns, then staff would be in favor of conditionally approving using the sign pole for the new LED sign.

CONDITIONAL USE. A use which may be appropriate within a specific zoning district, but due to the nature of such use and the nature of the effected zoning district, must be approved by recommendation of the Planning Commission and action of the Governing Body. A conditional use runs with the land until the use of the land changes, as set forth within this Code.

General Standards for Consideration of Request. The objective of permitting specific conditional uses within a district is to provide adequate consideration of the conditions in terms of these Regulations to assure:

- 1. That proposed uses will not be contrary to the public interest.
- 2. That the spirit of the Code is observed.
- 3. That public safety and welfare is secured.
- 4. That substantially equal treatment under the law is preserved.
- **E. Criteria for Review.** The following criteria arising out of the above listed standards, and any others applicable to any specific situation, shall be evaluated in terms of how such criteria relate to any specific case being considered and any stipulation as deemed appropriate by the Commission shall be incorporated into approval of a conditional use in association with the following concerns:
- 1. Access and traffic load and/or flow.
- 2. Noise, light and odor.
- 3. Screening.
- 4. Parking, refer to parking section.
- 5. Services (public utilities).
- 6. Public health and safety.
- 7. Adequacy of facility and lot size.
- 8. Signs.
- 9. Review by fire marshal for designation.
- 10. Other considerations as appropriate.
- a. satisfactory quality of design in the individual buildings;
- b. satisfactory quality of design for the site;
- c. appropriateness of the building or buildings to the intended use;
- d. aesthetic appropriateness of the development to its surroundings.

(G) CON-22-01 Private swimming pool in an R-5 zoning district:

The hearing was published in the Ark Valley Newspaper and property owners were notified per the city regulations. Only one caller had contacted the city inquiring why the city had sent the notice; no concern was voiced.

History:

The city approved a conditional use for all of Rock Spring addition to allow a small she to meet city code by Ordinance 576. There has been two private swimming pool in Rock Spring addition approved by conditional use process as well.

The city staff can conditionally recommend this based on the submittals in your packets.

(H)

CON-21-01 Swimming pool in an R-5 zoning district:

The case has been withdrawn. The new property owner will resubmit the application; once complete a different case number will start the new process. This just needs to be closed as an agenda item.

MINUTES PLANNING COMMISSION

I. Call to Order: Chairman Schmidt called the meeting to order.

II. Roll Call

Present were James Schmidt, David Floyd, Phillip Jordan, Dee Roths, Heath Travnichek, and Paul Matzek. John Charleston was absent.

Also present were Planning Commission Secretary Anne Stephens and City Attorney Jacqueline Kelly.

III. Pledge of Allegiance to the American Flag

Chairman Schmidt led the pledge of allegiance.

IV. Consent Agenda

A. Approval of Minutes from Previous Meeting

MOTION: Chairman Schmidt moved to approve the minutes of December 16, 2021. Commissioner Roths seconded the motion. *Motion carried 6-0*.

MOTION: Chairman Schmidt moved to go into Executive Session for Attorney-Client privilege for 15 minutes. Commissioner Floyd seconded the motion. *Motion carried 6-0*.

The Commission then adjourned to Executive Session. At 6:32 p.m. the Commission returned to the Council Chambers and Chairman Schmidt called the meeting back to order in open session.

V. Old Business/New Business

A. CASE No. ZON-21-04 Revised. Proposed re-zoning of approximately 54.99 acres of R-4 Residential to R-5 Residential. (Chapel Landing 5th).

Planning Commission reviewed Woodlawn 53, LLC's request to rezone property generally located one half mile south of 53rd Street N and one quarter-mile west of Woodlawn Boulevard in accordance with Article 5 of the City of Bel Aire's Zoning Regulations.

Ken Lee, Garver, presented the request on behalf of the applicant and stood for questions from the Commission.

Chairman Schmidt then opened the public hearing.

Marc Howell, 4849 N Glendale, spoke about his concerns regarding allowing more multifamily housing. There needs to be a good balance.

Kalen Hoffman, 5978 Forbes Ct, spoke about his concerns regarding the effect of changing zoning on the selling price of homes in the area.

David Moses, 5975 Forbes, asked that the rezoning request be denied. He stated that mutifamily housing should not be allowed unless the request goes back before the Planning Commission.

Terri Moses, 5975 Forbes, spoke to the Commission. She is concerned about safety, quality of life, and a possible higher crime rate with denser housing.

Charles Kent, 6010 Forbes St, stated that he moved to Bel Aire from Myrtle Beach. When lots of smaller houses were built in Myrtle Beach, everything went down with denser properties.

Lynn Parker,5934 Forbes Ct, spoke to the Commission. She stated she objects to the proposed rezoning. She is disappointed with the way that Bel Aire is going with all the duplexes. Iron Gate was presented as an upscale neighborhood, but the developer has lost interest in upscale neighborhoods. He has built starter homes on prominent lots in the subdivision. She is also concerned that the pool will get overcrowded, and the cost of water is high.

Curtis Mader, 5048 E 49th St N, spoke about his concerns regarding the size and number of lots and the tone of the Commission's discussion.

Kyle Hart, 5990 Forbes CT, stated that he is opposed to the rezoning, primarily due to the lot size reductions.

Terry Cassady, 5957 Forbes, asked that the zone change and plat be denied, as well as the rest of the requests on the agenda tonight. Rezoning affects everyone's property values. She stated that there is no unmet need for duplexes in Bel Aire and A-list developers won't want to develop in Bel Aire due to the downhill nature of current development.

Lee Ann Gravenstein, 5978 Forbes Ct, spoke about her concerns regarding the value of her home and those of her neighbors. She stated that many people moved to Iron Gate because they liked the amenities. She would appreciate the Commission's support by protecting their investments.

Following the public hearing Planning Commission considered the evidence and discussed the following factors based on the Criteria for Review established in section 5.02 (D) of the Zoning Regulation. A significant amount of discussion circled around factors commonly known as the Golden Factors, below are notes of *some* of the Golden Factors discussion:

Zoning uses of nearby property:

- With the exception of the Prairie Preserve, all of the surrounding ground is currently zoned R-4. The current owners of the Prairie Preserve have sold this property with full understanding of its intended use.

Suitability of the property for the uses to which it is restricted:

With the design of the Prairie Preserve, this parcel was not necessary and was sold to become part of Chapel Landing 6th. It is totally unsuitable to restrict the uses of this parcel to R-1 as it does not fit in with the current plan of development for Chapel Landing 6th.

MOTION: Chairman Schmidt moved to go into Executive Session for Attorney-Client privilege for 15 minutes to return at 8:37 p.m. Commissioner Floyd seconded the motion. *Motion carried 6-0*.

At 8:22 p.m. the Commission adjourned for Executive Session. The Commission returned to the Council Chambers at 8:42 p.m. Chairman Schmidt called the meeting back to order in open session and continued discussion of the rezoning request.

MOTION: Commissioner Jordan moved to deny the rezoning request. Chairman Schmidt seconded the motion. *Motion carried 5-1* with Chairman Schmidt voting against the motion.

CASE No. ZON-21-04 Revised. Proposed platting of approximately 54.99 acres of R-5 Residential (Chapel Landing 5th).

Ken Lee, Garver, presented the plat and briefly reviewed the changes that had been made from the plat that was presented to the Planning Commission at a previous meeting.

Chairman Schmidt opened the public hearing at 9:07 p.m.

Curtis Mader,5048 E 49th St N, spoke regarding his concerns about the density of development.

David Moses, 5975 Forbes, spoke about his concerns regarding traffic in the area.

No others requested to speak. Chairman Schmidt closed the public hearing at 9:11 p.m., and commissioners continued with discussion of the plat.

MOTION: Commissioner Floyd moved to recommend the Preliminary Plat of Chapel Landing 5th (with the condition that all lots be brought into conformance with R-4 Residential Zoning District requirements. Commissioner Roths seconded the motion. *Motion carried 7-0.*

B. CASE No. SD-21-07. PUD and proposed final platting and of approximately 4.4 acres (Lycee).

Chairman Schmidt opened the public hearing. Phil Meyer, Baughman Company, presented the final plat on behalf of the applicant and stood for questions from the Commission.

No others requested to speak. Chairman Schmidt closed the public hearing at 9:30 p.m. and commissioners continued with discussion of the plat and PUD.

MOTION: Commissioner Jordan moved to recommend the Final Plat of Lycee without changes or conditions. Commissioner Roths seconded the motion. *Motion carried 6-0*.

MOTION: Commissioner Floyd moved to recommend the PUD of Lycee without changes, or conditions. Commissioner Jordan seconded the motion. *Motion carried 6-0*.

C. **CASE No. ZON-21-07.** Proposed re-zoning of approximately 3.3 acres of R-1- to R-4. (Chapel Landing 6th).

Planning Commission reviewed TW Renovations, LLC's request to rezone property generally located about ¼ mile east of Oliver and ¼ mile south of 53rd in accordance with Article 5 of the City of Bel Aire's Zoning Regulations.

Chairman Schmidt opened the public hearing. Phil Meyer, Baughman Company, presented the rezoning request on behalf of the applicant and stood for questions from the Commission.

No others requested to speak. Chairman Schmidt closed the public hearing at 9:35 p.m.

Following the public hearing Planning Commission considered the evidence and discussed the following factors based on the Criteria for Review established in section 5.02 (D) of the Zoning Regulation. A significant amount of discussion circled around factors commonly known as the Golden Factors, below are notes of *some* of the Golden Factors discussion:

Zoning uses of nearby property:

- With the exception of the Prairie Preserve, all of the surrounding ground is currently zoned R-4. The current owners of the Prairie Preserve have sold this property with full understanding of its intended use.

Suitability of the property for the uses to which it is restricted:

- With the design of the Prairie Preserve, this parcel was not necessary and was sold to become part of Chapel Landing 6th. It is totally unsuitable to restrict the uses of this parcel to R-1 as it does not fit in with the current plan of development for Chapel Landing 6th.

MOTION: Commissioner Roths moved to recommend the request for rezoning from R-1- to R-4 without changes or conditions. Commissioner Jordan seconded the motion. *Motion carried 6-0.*

CASE No. ZON-21-07. Proposed platting of approximately 14.62 acres of R-4 (Chapel Landing 6th).

Chairman Schmidt opened the public hearing. Phil Meyer, Baughman Company, presented the preliminary plat on behalf of the applicant and stood for questions from the Commission.

No others requested to speak. Chairman Schmidt closed the public hearing at 9:45 p.m. and commissioners continued with discussion of the preliminary plat

MOTION: Commissioner Roths moved to recommend the Preliminary Plat of Chapel Landing 6th as presented. Commissioner Jordan seconded the motion. *Motion carried* 6-0.

D. CASE No. SD-21-06. Proposed platting of approximately 22.76 acres. (Skyview 2nd).

Chairman Schmidt opened the public hearing. Will Clevenger, Garver, presented the preliminary plat on behalf of the applicant and stood for questions from the Commission.

No others requested to speak. Chairman Schmidt closed the public hearing at 9:55 p.m. and commissioners continued with discussion of the preliminary plat.

MOTION: Chairman Schmidt moved to recommend Final Plat of Skyview 2nd without changes. Commissioner Floyd seconded the motion. *Motion carried 6-0*.

E. CASE No. SD-21-04. PUD and proposed platting and of approximately 12.44 acres (Skyview at Block 49 3rd).

Chairman Schmidt opened the public hearing. Will Clevenger, Garver, presented the final plat and PUD on behalf of the applicant and stood for questions from the Commission.

No others requested to speak. Chairman Schmidt closed the public hearing at 9:58 p.m. and commissioners continued with discussion.

MOTION: Commissioner Jordan moved to recommend the Final Plat of Skyview at Block 49 3rd without changes or conditions. Commissioner Matzek seconded the motion. *Motion carried 6-0*.

MOTION: Commissioner Jordan moved to recommend the PUD of Skyview at Block 49 3rd without changes or conditions. Commissioner Travnichek seconded the motion. *Motion carried 6-0.*

F. CASE No. CON-21-03. Property owner has requested to add an LED message board to an existing sign pole base in a utility easement in a C-1 commercial district.

Chairman Schmidt opened the public hearing. Shane Hutchinson and Brent Grisemore, Nu Line Signs, presented the application on behalf of the applicant and stood for questions from the Commission.

No others requested to speak. Chairman Schmidt closed the public hearing at 10:10 p.m. and commissioners continued with discussion.

MOTION: Commissioner Jordan moved to recommend the Governing Body approve passing a conditional use ordinance for a sign contingent upon a 60-day Planning Commission review on certain property zoned C-1 located within the corporate city limits of the City of Bel Aire, Kansas. Commissioner Matzek seconded the motion. *Motion carried 6-0*.

G. CASE No. CON-22-01. Property owner has requested to allow a private swimming pool in an R-5 Residential zoning district.

Chairman Schmidt opened the public hearing. No one requested to speak. Chairman Schmidt closed the public hearing and commissioners continued with discussion.

MOTION: Commissioner Schmidt moved to recommend the Governing Body approve passing a conditional use ordinance for a private swimming pool not contingent upon a 60-day Planning Commission review on certain property zoned R-5 Residential located within the corporate city limits of the City of Bel Aire, Kansas. Commissioner Jordan seconded the motion. *Motion carried 6-0*.

H. CASE No. CON-21-01. Swimming pool in an R-5 Zoning District. The case has been withdrawn by the property owner. No action is required.

VI. Next Meeting: March 10, 2022

MOTION: Commissioner Floyd moved to approve the date of the next meeting: March 10, 2022 at 6:30 p.m. Chairman Schmidt seconded the motion. *Motion carried 6-0*.

VII. Current Events

The Commission briefly discussed current events, including the Planning Commission training session planned for February 17th in the Community Room at City Hall.

VIII. Adjournment.

MOTION: Commissioner Floyd moved to adjourn. Commissioner Jordan seconded the motion. *Motion carried 6-0*.

The meeting adjourned at 10:16 p.m.

Lycee Addition April 5, 2022 City Council Meeting

PLANNED UNIT DEVELOPMENT AGREEMENT CONCERNING THE DEVELOPMENT OF LYCEE ADDITION TO THE CITY OF BEL AIRE, KANSAS

THIS AGREEMENT is made and entered into by and between GREGORY HISER, hereinafter referred to as the "DEVELOPER" and the CITY OF BEL AIRE, KANSAS, hereinafter referred to as the "CITY."

WHEREAS, the Developer desires platting by the City of a tract of land more fully described below and herein referred to as LYCEE ADDITION to the City of Bel Aire, Kansas; and

WHEREAS, the City is willing to consider platting of said LYCEE ADDITION PUD Project;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the Developer and the City agree as follows:

PURPOSE. This agreement is necessary to address certain financial, infrastructure and drainage conditions arising from the platting process which must be dealt with prior to final plat approval and as such, is a condition precedent to final consideration by the City of the Developer's request for approval of the final plat on a tract of land more fully described below and herein referred to as the LYCEE ADDITION PUD project to the City of Bel Aire, Kansas.

LYCEE ADDITION PUD PROJECT LEGAL DESCRIPTION. The tract of land herein referred to as LYCEE ADDITION PUD project to the City of Bel Aire, Kansas has the following pre-platting legal description, to-wit:

A portion of the Southwest Quarter of Section 17, Township 26 South, Range 2 East of the Sixth Principal Meridian, Sedgwick County, Kansas, described as beginning at the Northwest corner of the Southwest Quarter of said Section 17; thence N89°32'56"E coincident with the north line of the Southwest Quarter of said Section 17, 355.32 feet to the northwest corner of Lot 2, Broadstone Villas, Bel Aire, Sedgwick County, Kansas; thence S00°39'06"E coincident with the west line of Lot 2 in said Broadstone Villas, 632.42 feet to the southwest corner of Lot 2 in said Broadstone Villas and to a point in the north line of an Easement for Right of Way recorded in the Sedawick County Register of Deeds Office at DOC.#/FLM-PG:29195542; thence N89°59'54"W coincident with the north line of said Easement for Right of Way, 22.22 feet to a deflection point in the north line of said Easement for Right of Way; thence N82°36'36"W coincident with the north line of said Easement for Right of Way, 147.75 to a deflection point in the north line of said Easement for Right of Way; thence N89°59'54"W coincident with the north line of said Easement for Right of Way, 186.89 feet to a point in the west line of the Southwest Quarter of said Section 17; said point being 2039.45 feet north of the southwest corner of the Southwest Quarter of said Section 17; thence N00°37'38"W coincident with the west line of the Southwest Quarter of said Section 17, 610.59 feet to the point of beginning. Subject to road rights of way of record.

New legal description:

Lots 1, 2, 3, and 4, Block B, Lycee Addition, Bel Aire, Sedgwick County, Kansas.

PERMITTED USE.

The Lycee Addition to the City of Bel Aire, Kansas shall have the uses permitted in the "C-1" Neighborhood Commercial Office & Retail, "C-2" Planned Commercial and "R-6" Multi-Family District, as defined in the 2020 revised Bel Aire codified city code, including the following uses:

"C-1 and C-2" (Lot 4, Block B):

- Small scale retail businesses
- Retail activities conducted wholly indoors
- Office
- C-2 Uses- Restaurant with alcohol sales; food venues to include patio dining and temporary structures as approved by the City Manager.
- Accessory structure as approved by the City Manager.
- Special Events permits approved by the City Manager
- C-1 permitted uses as define in Chapter 7 zoning code section 7.11
 Neighborhood Commercial, Office Retail

The minimum building setback shall be forty feet (40') from adjacent public right-of-way property lines. There shall be a minimum building setback of ten feet (10') along adjoining lots, if such adjoining lots are not maintained in common ownership. No building shall be constructed within a public utility easement.

SITE: The proposed construction project for Lot 4, Block B, consists of one building with a total 3,200 sq. ft. with paved parking, with no current plans of future growth or additions. The PUD and the Zoning code will govern any future growth. Lot 4 shall honor all existing easements on the Lot including the rural water easement, pipeline easement and KG&E easement. Prior to any development, all lots shall be maintained in accordance with the municipal code of the City of Bel Aire. Approval of a site circulation and pedestrian plan by the Zoning Administrator is required for each phase of construction prior to the issuance of a building permit.

"R-6" (Lots 1, 2, and 3, Block B):

- Duplex
- Multi-Family
- Adult Day-care
- Leasing office
- Playgrounds or community spaces.
- Accessory structures as approved by the city manager.

The minimum building setback shall be thirty feet (30') from adjacent public right-of-way property lines. There shall be a minimum building setback of ten feet (10') along adjoining lots,

if such adjoining lots are not maintained in common ownership. No building shall be constructed within a public utility easement.

SITE: The proposed construction project for Lots 1, 2, and 3, Block B, consists of a maximum of thirteen (13) buildings with each living unit having 1,000 to 1,500 sq. ft. of livable space on the ground floor with a maximum total 37,500 sq. ft. allowed on the ground floor of the parcel with paved parking for each unit. Each living unit shall have a maximum height of three stories. There is no current plans of future growth or additions. The PUD and the Zoning code will govern any future growth. Lots 1, 2, and 3, shall honor all existing easements on the Lots including the rural water easement, and pipeline easement. Prior to any development, all lots shall be maintained in accordance with the municipal code of the City of Bel Aire. Approval of a site circulation and pedestrian plan by the Zoning Administrator is required for each phase of construction prior to the issuance of a building permit.

INFRASTRUCTURE INSTALLATION. Installation of all improvements shall be in compliance with requirements of all applicable federal, state and local legislation, including the Americans with Disabilities Act. All electric power, streetlights, cable and telephone service shall be installed underground. The Developer shall be responsible for the costs of engineering design, construction and inspection of all private utility improvements (electricity, communications, telecommunications and gas) necessary for the platting and development of the tract of land herein referred to as the Lycee Addition in accordance with the utility extension requirements of each private utility company. Utility improvements shall be installed on city owned property or within public right of ways or easements. The expense of all such utility and sewer service within the property shall be borne by the Developer.

The Developer shall dedicate necessary public easements for all private and public utility improvements necessary for the platting and development of the tract of land herein referred to as the Lycee Addition to the City of Bel Aire, Kansas. Said improvements include storm water system, water distribution system, sanitary sewer lines, driveways and utilities.

The Developer shall pay one hundred percent (100%) of the cost of the improvements. The Developer shall indemnify and hold harmless the City from any liability from damages that may occur during construction.

DRAINAGE. The ultimate effect of increased drainage from platted property on surrounding property must be addressed as part of the platting process. The Developer shall prepare a storm drainage plan that shall address the effect of increased drainage, meet City specifications and be approved by the City Engineer. As part of the drainage plan, a final grading plan showing all drainage inlets and a storm sewer plan including placement of inlets, pipes and manholes, shall be submitted and approved by the City prior to any issuance of permits. Street, curb, lot corner and pad elevations shall be submitted for review and approval by the City prior to any demolition, site development, construction or permits obtained. All Storm water outfall lines shall be placed within utility easements dedicated to the City. After approval by the City Engineer of said storm drainage plan, with any necessary modifications, the Developer shall install, or cause to be installed, the improvements pursuant to the drainage plan.

LIGHTING. A Security and/or parking lighting plan shall be submitted to the City for approval and comply with the City zoning ordinance. Outdoor lighting sources shall employ cutoff luminaries to minimize light trespass and glare. Electric lines shall be installed underground. Wood poles will not be allowed.

SANITARY SEWER. The City will provide access to the property line for public sanitary sewer in the utility easements provided with the plat per the approved City Engineer's drawings on file for Lycee Addition. Each unit or tenant space must have separate sanitary sewer hookups installed to City standards. The Developer shall pay all Sanitary Sewer User Fees and Hook Up Fees.

WATER. The City will provide access to the property line for public water in the utility easement located along Rock Road and along south property line per the approved City Engineer's drawings on file for Lycee Addition. Each unit or tenant space must have separate metered water supply installed to City standards. The Developer shall pay all Water User Fees and Hook Up Fees.

All fire hydrant locations must be identified on a plan & approved by the Sedgwick County Fire Department according to its standards. Developer is responsible to meet all Sedgwick County Fire Codes & Standards and installation by the Developer shall be to City standards.

LANDSCAPING & SCREENING. The Developer shall submit and have approved by the City Manager, a "Landscape Plan" that is representative of the attached landscape concept plan. Landscaping to be provided as each phase of the Lycee Addition is developed. The "Landscaping Plan" shall show contours, utilities, size, and spread at planting, any type of ground cover, shrubs, and coordinate with the Drainage Plan and Site Plan for the project.

Planting of interior trees shall meet the City's ordinance. Any areas outside of the general boundaries of each development phase shall be planted to appropriate turf or ground cover adequate to prevent undue soil erosion and shall be maintained in accordance with applicable City ordinances. Any future Phases to be constructed shall have prior approval of building permits for that Phase, the Developer shall also submit and have approved by the City, detailed landscape plans for that Phase. Within all detailed landscape plans, ground mounted mechanical equipment and trash receptacles shall be screened from ground level view.

FENCING & SCREENING. All outside storage of trash and recycling storage containers shall be appropriately fenced and screened with fencing and screening methods and materials to blend in with the architectural design of the building and to reasonably hide the materials, trash and recycling storage containers from ground view and approved by the City. Wood privacy fence materials may be allowed if such materials blend in with the architectural design elements of the building and adjacent sites and shall be of the same height of any existing but a minimum of six (6') feet in height. If screening exists on either side of a developing property line that meets or exceeds the standards of the zoning code, additional

screening shall not be required. However, if at any time the existing screening fails to meet the requirements of the zoning code, compliance shall be attained by the property owners of the lot, or lots, in the PUD which fails to meet these requirements. Any plans for outside storage facilities shall comply with the applicable ordinances and zoning regulations of the City and be submitted in writing to the City for prior approval.

BUILDING CONSTRUCTION MATERIALS & TYPE. All building in the R-6 zoning district shall share uniform architectural character, color, texture, and the intent of the attached floor plan and building elevation. Building walls and roofs shall have a residential character and have predominately earth tone colors with brick or stone allowed as an accent material. Any variation of attached building elevations shall require the approval of the City Manager. All office/retail construction shall be designed utilizing materials that incorporate appropriate architectural and aesthetic elements as represented in the general guideline manual for the neighborhood commercial district and approved by the City.

SIGNAGE. All signage shall comply with the applicable ordinances and zoning regulations of the City and be submitted in writing to the City for approval. Each site shall be allowed one six-foot wide monument type entry sign, not exceeding 6 feet in height. Any future signage must be approved by the City Manager.

PARKING. A detailed parking plan shall be submitted to the City for approval. All handicap stalls shall be shown on the parking plan along with curbing in all parking areas and must meet with the City's Zoning Ordinance. Parking stalls shall be a minimum of nine feet (9') wide by eighteen (18') deep, with a two-foot (2') overhang if the front of the vehicle hangs into a six foot wide green space or six foot wide strip between parking stalls unless otherwise approved by the City.

ACCESS ROADWAY. All driveways shall be per city ordinance. One access entrance shall be allowed off Rock Road as per plat map for Lot 1; one joint access entrance shall be allowed off of Lycee St as per plat map for Lots 2 and 3; one access entrance shall be allowed off Rock Road as per plat map for Lot 4. Other access entrances off Rock Road may be approved by the City at the time of development of other lots. Lots 1, 2, and 3 shall have a cross lot agreement between lot owners for access. The width of all approaches shall be no less than twenty-four feet (24') and a maximum of thirty-five feet (35') unless otherwise approved by the City.

SIDEWALKS. Construction of a City sidewalk on the property line, or an approved alternative location, along Lycee St, to the east right-of-way line of Rock Road shall be required. The sidewalk must meet City and ADAAG standards. The property owner(s) as required by City Ordinance shall provide for the sidewalk maintenance and care.

PERMITS. No construction shall commence on any portion of the tract of land herein referred to Lycee Addition PUD project to the City of Bel Aire, Kansas without the Developer, or its designated builder, having first obtained the proper building and zoning permits from the City.

The development of Lycee Addition project to the City of Bel Aire, Kansas shall proceed in accordance with this Agreement and subsequent platting. Any deviation, as determined by

the City, shall constitute a violation of the building permit authorizing construction of the proposed development. The final site dimensions, grading plan, drainage, landscape plan, street plan, parking plan and utility plans will be submitted and approved in phases based on the conceptual plans. Any deviations from the conceptual drawing shall be submitted for review and approval by the City.

Any and all costs including permit fees, review fees, and building and zoning permit and review fees incurred or required by city staff and review and/or through building and zoning review shall be paid by the Developer.

PURPOSE. A specific purpose of this agreement is to assure that necessary improvements are in place to support development of the tract of land herein referred to as the Lycee Addition to the City of Bel Aire, Kansas. Therefore, the Developer's compliance with the terms and conditions of this Agreement shall be a condition precedent to the granting of building and/or occupancy permits for development on said property. The City reserves the right to clarify any conflicts between this document and plat.

RECORDING. The Developer shall file an executed copy of this Agreement with the Sedgwick County Register of Deeds within 30 days of final approval and within 45 days provide City will proof of filing. A copy of this Agreement showing said recording along with a copy of the recorded plat shall be furnished by the Developer to the general contractor before building permits are issued.

BINDING. The terms and conditions of this Agreement, as set forth herein, shall be binding upon the City and the Developer, their successors, representatives, trustees, and assigns.

THIS AGREEMENT IS nereby execut	red on this day of, 202

Comments: City staff conducted a meeting to discuss the plat and PUD. Provide the most updated version of the final plat in PDF form and paper form. The general information below still applied as of 2.2.22

- No additional easements were requested by Evergy or Onegas.
- The landscape plan is conceptual in nature, locations of trees would need to fit the final drainage plan and layout of the buildings.
- The architecture submittal is conceptual in nature, however the aesthetics and types of materials are near to what will be expected during construction based on the PUD agreement and site plan.
- The Plat isn't covered by the PUD completely so specific PUD plat language isn't required.
- The city engineer will contact you directly with any concerns related to the submittals.
- http://www.egovlink.com/public documents300/belaire/published documents/Bel%20Aire %20City%20Code/CHAPT18-CODE%20Zoning%20Part-A%202015.pdf contains the Zoning Code. The landscape requirements in general, we have a master concept plan for the development.

http://www.egovlink.com/belaire/docs/menu/home.asp contains the Public Works tab to find the city standards information.

Public notice

(Published in The Ark Valley News on Dec. 23, 2021.)
OFFICIAL NOTICE OF ZONING HEARING

TO WHOM IT MAY CONCERN AND TO ALL PERSONS INTEREST-

FD:

Notice is Hereby Given that on January 13, 2022 the City of Bel Aire Planning Commission will consider the following Platting process in the order placed on the agenda after 6:30 p.m. in the City Council Chamber at City Hall in Bel Aire, Kansas:

ZON-21-06. Lycee Addition PUD, final plat, preliminary/final PUD and rezoning approximately 4.40 acres of the C-1 to C-1, C-2, R-6 zoning distance.

Legal Description: (A complete legal description is available for public inspection which is on file with the Zoning Administrator at City Hall.)

General Location: East of Rock Road approx. ¼ mile north of E. 53rd St.N.

You may appear at this time either in person or by agent or attorney, if you so desire, and be heard on the matter. After hearing the views and wishes of all the persons interested in the case, the Planning Commission may close the hearing and consider a recommendation to the Governing Body, which, if approved under the City Zoning and Sub-Division regulations, would be effectuated by city code. The public hearing may be recessed and continued from time to time without notice.

DATED this _17_____ day of December, 2021.

/s/ Anne Stephens Bel Aire Planning Commission Secretary

STAFF REPORT

DATE: February 21, 2022

TO: Governing Body, City Manager

FROM: Planning Commission

RE: February Planning Commission Meeting Report

<u>ZON-21-04 Revised – Proposed re-zoning of approximately 54.99 acres of R-4 Residential to R-5 Residential (Chapel Landing 5th)</u>

Planning Commission reviewed Woodlawn 53, LLC's request to rezone property generally located one half mile south of 53rd Street N and one quarter-mile west of Woodlawn Boulevard in accordance with Article 5 of the City of Bel Aire's Zoning Regulations. Planning Commission studied the material provided by the applicant. The Commission conducted a public hearing in relation to the application where interested parties and citizens were given the opportunity to be heard. Ten area residents spoke against the re-zone request. The majority of the comments centered around the loss of property values if the developer were allowed to rezone the area for a multi-family development. The residents were also concerned about the increased traffic volumes and the safety of the area – indicating that denser housing tends to bring higher crime rates. The residents were unhappy with what they felt was a "bait and switch" on the part of the developer – they bought into the area believing that the entire area would be an upscale community and now are very concerned that it is being downgraded and re-zoned for duplexes.

Following the comments from the residents, the agent for the applicant was given an opportunity to speak and provide commentary regarding the voiced concerns. The agent indicated that the developer was not planning on building duplexes on these lots, but was wanting to re-zone and re-plat for smaller lots. The agent also mentioned that in all of the covenants that were signed at lot closing by the current owners, there was a paragraph included that mentioned that duplexes were allowed in this development and no future notice to the current property owners needed to be given.

Following the public hearing Planning Commission considered the evidence and discussed the following factors based on the Criteria for Review established in section 5.02 (D) of the Zoning Regulation. A significant amount of discussion circled around factors commonly known as the Golden Factors, below are notes of *some* of the Golden Factors discussion:

Character of the neighborhood:

- The Planning Commission has tried to keep the more intense usage closer to the arterials. This request is contrary and not consistent with past decisions by potentially allowing a more intense usage further away from the arterial.

Zoning uses of nearby property:

The requested zoning is more intense than the surrounding zoning. With the exception of the Prairie Preserve to the west, all of the surrounding zoning is at R-4.

Suitability of the property for the uses to which it is restricted:

- The requested use of the property is allowed within the current R-4 zoning. Commissioners were concerned about alternate uses that would be allowed under the R-5 zoning, but not allowed under the current R-4 zoning.

Having thoroughly reviewed the issue Planning Commission voted (by passing a 7-0 motion) to recommend denial of the request to rezoning the property from R-4 Residential to R-5 Residential.

***** Following the Planning Commission meeting, the Developer contacted the Planning Commission Secretary to withdraw their request for a zone change to this parcel. Subsequently, the request will not be forwarded to Council for their consideration. *****

ZON-21-04 Proposed preliminary plat for approximately 54.99 acres (Chapel Landing 5th).

Planning Commission reviewed Woodlawn 53, LLC's request to replat approximately 54.99 acres of R-4 Residential in accordance with Article 4 of the City of Bel Aire's Subdivision Regulations. The Commissioners studied the material provided by the applicant, including the proposed plat. The Commission conducted a public hearing on February 10, 2022 in relation to the application where interested parties and citizens were given the opportunity to be heard. Two citizens spoke at the public hearing. One was still concerned about the density of the proposed development and the other expressed his appreciation to the agent for listening to their concerns. Following the hearing, the Planning Commission considered the evidence and found that the plat complied with all provisions and applicable regulations and laws.

Having thoroughly reviewed the issue Planning Commission voted (by passing a 7-0 motion) to approve the preliminary plat without changes.

SD-21-07 Proposed Final Plat for approximately 13.15 acres (Lycee)

Planning Commission reviewed the City of Bel Aire and Greg Heiser's request to replat approximately 13.15 acres of R-6 Residential and C-1 Commercial in accordance with Article 4 of the City of Bel Aire Subdivision Regulations. The Commissioners studied the material provided by the applicant, including the proposed plat and other evidence presented by the representative for the applicant. The Commission conducted a public hearing on February 10, 2022 in relation to the application where interested parties and citizens were given the opportunity to be heard. There were no parties wishing to speak at the public hearing regarding this plat. Following the public hearing, the Planning Commission considered the evidence reviewed the report provided by permanent staff and found that the plat complied with all provisions and applicable regulations and laws.

Having thoroughly reviewed the issue, Planning Commission voted (by passing a 7-0 motion) to approve the final plat without changes and **recommends that the governing body accept the Developer's commitment to dedicate certain land within the plat for public purposes.**

SD-21-07 Proposed PUD for Lycee

Planning Commission reviewed Greg Heiser's request to apply a PUD Overlay to the property north of 53rd Street as contained in the plat for Lycee in accordance with Article 5 of the City of Bel Aire Subdivision Regulations. The Commissioners studied the material provided by the applicant, including the proposed PUD language. The Commission conducted a public hearing on February 10, 2022 in relation to the application where interested parties and citizens were given the opportunity to be heard. There were no parties wishing to speak at the public hearing regarding this plat. Following the hearing, the Planning Commission considered the evidence and found that the PUD complied with all provisions and applicable regulations and laws.

Having thoroughly reviewed the issue Planning Commission voted (by passing a7-0 motion) to approve the PUD without changes.

<u>ZON-21-07 – Proposed re-zoning of approximately 3.3 acres zoned R-1 Estate Residential to R-4 Residential.</u>

Planning Commission reviewed TW Renovations, LLC's request to rezone property generally located about ¼ mile east of Oliver and ¼ mile south of 53rd in accordance with Article 5 of the City of Bel Aire's Zoning Regulations. Planning Commission studied the material provided by the applicant. The Commission conducted a public hearing on February 10, 2022 in relation to the application where interested parties and citizens were given the opportunity to be heard. No interested parties, other than the agent for the applicant showed up to speak either for or against the proposed rezoning.

Following the public hearing Planning Commission considered the evidence and discussed the following factors based on the Criteria for Review established in section 5.02 (D) of the Zoning Regulation. A significant amount of discussion circled around factors commonly known as the Golden Factors, below are notes of *some* of the Golden Factors discussion:

Zoning uses of nearby property:

With the exception of the Prairie Preserve, all of the surrounding ground is currently zoned R-4. The current owners of the Prairie Preserve have sold this property with full understanding of it's intended use.

Suitability of the property for the uses to which it is restricted:

- With the design of the Prairie Preserve, this parcel was not necessary and was sold to become part of Chapel Landing 6th. It is totally unsuitable to restrict the uses of this parcel to R-1 as it does not fit in with the current plan of development for Chapel Landing 6th.

Having thoroughly reviewed the issue Planning Commission voted (by passing a 7-0 motion) to recommend rezoning of the property from R-1 Estate Residential to R-4 Residential.

ZON-21-07 Proposed preliminary plat for approximately 14.62 acres (Chapel Landing 6th).

Planning Commission reviewed TW Renovation, LLC's request to replat approximately 14.62 acres of R-4 Residential in accordance with Article 4 of the City of Bel Aire's Subdivision Regulations. The Commissioners studied the material provided by the applicant, including the proposed plat. The

Commission conducted a public hearing on February 10, 2022 in relation to the application where interested parties and citizens were given the opportunity to be heard. No interested parties, other than the agent for the applicant showed up to speak either for or against the proposed preliminary plat. Following the hearing, the Planning Commission considered the evidence and found that the plat complied with all provisions and applicable regulations and laws.

Having thoroughly reviewed the issue Planning Commission voted (by passing a 7-0 motion) to approve the preliminary plat without changes.

SD-21-06 Proposed Final Plat for approximately 22.76 acres (Skyview at Block 49 2nd)

Planning Commission reviewed Block 49, LLC's request to replat approximately 22.76 acres of R-5 Residential in accordance with Article 4 of the City of Bel Aire Subdivision Regulations. The Commissioners studied the material provided by the applicant, including the proposed plat and other evidence presented by the representative for the applicant. The Commission conducted a public hearing on February 10, 2022 in relation to the application where interested parties and citizens were given the opportunity to be heard. There were no parties wishing to speak at the public hearing regarding this plat. Following the public hearing, the Planning Commission considered the evidence reviewed the report provided by permanent staff and found that the plat complied with all provisions and applicable regulations and laws.

Having thoroughly reviewed the issue, Planning Commission voted (by passing a 7-0 motion) to approve the final plat without changes and **recommends that the governing body accept the Developer's commitment to dedicate certain land within the plat for public purposes.**

SD-21-04 Proposed Final Plat for approximately 12.44 acres (Skyview at Block 49 3rd)

Planning Commission reviewed Block 49, LLC's request to replat approximately 12.44 acres of C-2 Commercial with PUD in accordance with Article 4 of the City of Bel Aire Subdivision Regulations. The Commissioners studied the material provided by the applicant, including the proposed plat and other evidence presented by the representative for the applicant. The Commission conducted a public hearing on February 10, 2022 in relation to the application where interested parties and citizens were given the opportunity to be heard. There were no parties wishing to speak at the public hearing regarding this plat. Following the public hearing, the Planning Commission considered the evidence reviewed the report provided by permanent staff and found that the plat complied with all provisions and applicable regulations and laws.

Having thoroughly reviewed the issue, Planning Commission voted (by passing a 7-0 motion) to approve the final plat without changes and **recommends that the governing body accept the Developer's commitment to dedicate certain land within the plat for public purposes.**

SD-21-04 Proposed PUD for Skyview at Block 49 3rd

Planning Commission reviewed Block 49, LLC's request to apply a PUD Overlay to the property contained in the Skyview at Block 49 3rd plat in accordance with Article 5 of the City of Bel Aire Subdivision Regulations. The Commissioners studied the material provided by the applicant, including the proposed PUD language. The Commission conducted a public hearing on February 10, 2022 in relation to the application where interested parties and citizens were given the opportunity to

be heard. There were no parties wishing to speak at the public hearing regarding this plat. Following the hearing, the Planning Commission considered the evidence and found that the PUD complied with all provisions and applicable regulations and laws.

Having thoroughly reviewed the issue Planning Commission voted (by passing a7-0 motion) to approve the PUD without changes.

CON-21-03 Conditional Use Permit request to add a LED Message Board to an existing sign pole base located in a utility easement in C-1 Commercial Zoning District.

Planning Commission reviewed a request to add a LED message board sign to an existing sign pole base, located in a utility easement, in C-1 Commercial Zoning District. The applicant was present and stood for questions from the Commissioners. The Commissioners found that there would be limited impact and appreciated the updating and upgrading to the new sign.

Having thoroughly reviewed the issue, Planning Commission voted (by passing a 7-0 motion) to recommend that Council approve the LED Message Board in an C-1 Commercial zoning district contingent upon a 60 day review by Planning Commission.

<u>CON-22-01 Conditional Use Permit request for a proposed private swimming pool in R-5</u> Residential Zoning District.

Planning Commission reviewed a request for a private swimming pool in an R-5 Residential Zoning District. The Commissioners found that there would be limited impacts to the neighborhood.

Having thoroughly reviewed the issue, Planning Commission voted (by passing a 7-0 motion) to recommend that Council approve the private swimming pool in an R-5 district as presented.

MANAGERS REPORT

DATE: February 24, 2022

TO: Mayor Benage and City Council

FROM: Ty Lasher, City Manager **RE:** March 1, 2022 Agenda

Proclamations (Item V)

March is American Red Cross Month. The Red Cross uses this month to honor and celebrate all the volunteers who support the mission of their organization. Local civic groups often host blood drives in Bel Aire. This proclamation supports the Red Cross in the great work they do.

Severe Weather Awareness Week is an initiative of the National Weather Service, Kansas Emergency Management and Sedgwick County Emergency Management to educate our citizens of the dangers associated with severe weather. This is an opportunity for Bel Aire to take part in the awareness of severe weather and encourage our citizens to be prepared as spring is quickly approaching.

Consent Agenda (Item VII)

Contains the minutes of the February 15th City Council meeting. In addition, four applications for permits to sell fireworks have been received and are on the agenda. Bel Aire codes allow four retail fireworks permits to be issued annually. All of the applicants are requesting permits to operate in the same locations as last year, and all of them have submitted the required paperwork.

Appropriations Ordinance (Item VIII)

This period includes \$727,142.20 in bonded capital projects; listed on page 4. PD Car #37 has been up-fitted for \$14,537.09 (page 4). Parts for PD's new laptops have arrived and have been paid; the laptops are still on order.

City Requested Appearances (Item IX)

<u>TranSystems</u> - The city received a TEAP grant from KDOT in 2021 to complete a safety study on the intersections of 53rd & Woodlawn as well as 53rd & Rock. The study is complete and TranSystems will be at the meeting to present their findings as well as share their recommendations. Any recommended improvements will be included in your March workshop covering street upgrades. Therefore, Council can ask questions of

TranSystems representatives today and be ready to discuss funding of any specific changes to these intersections at the March workshop.

<u>Garver, Gravel Roads Study</u>- Ken Lee will be here to present cost estimates for the gravel roads and an approximation of the special assessments.

<u>Garver, Woodlawn Update</u> – Dakota will be here to give his regular update on Woodlawn construction progress.

Rezoning Ordinance, Chapel Landing 6th (Item A)

At their February 10th meeting, Planning Commission reviewed TW Renovations, LLC's request to rezone property located about a quarter mile east of Oliver and a quarter mile south of 53rd Street. At the same meeting, Planning Commission held a public hearing where interested parties and citizens were given the opportunity to be heard. No interested parties, other than the agent for the applicant showed up to speak either for or against the rezoning. Following the public hearing Planning Commission studied the material provided by the applicant, considered the evidence and discussed the rezoning request in relation to the City's Zoning Regulations and the 'Golden Factors' of zoning. Having thoroughly reviewed the issue Planning Commission voted (by passing a 7-0 motion) to recommend rezoning of the property from R-1 Estate Residential to R-4 Residential. The zoning Ordinance now comes before Council for approval.

Conditional Use Ordinance for an LED sign (Item B)

On February 10th, Planning Commission reviewed a request to add an LED message board sign to an existing sign pole base, located in a utility easement, in C-1 Commercial Zoning District. The applicant was present and stood for questions from the Commissioners. The Commissioners found that there would be limited impact and appreciated the upgrade to the new sign. Planning Commission voted (by passing a 7-0 motion) to recommend that Council approve the LED Message Board contingent upon a 60-day review by Planning Commission. The Ordinance to approve the Conditional Use now comes before Council for approval.

Conditional Use Ordinance for a private pool (Item C)

Also on February 10th, Planning Commission reviewed a request for a private swimming pool in an R-5 Residential Zoning District. As part of the conditional use process, a notification of the hearing was published in the newspaper and notification letters were mailed to the surrounding property owners. The Commissioners found that there would be limited impacts to the neighborhood. Having thoroughly reviewed the issue, Planning Commission voted (by passing a 7-0 motion) to recommend that Council approve the private swimming pool as presented. The Ordinance to approve the Conditional Use now comes before Council for approval.

Dedications of Land for Public Purposes (Items D-F)

At their February 10th meeting, Planning Commission reviewed and approved three Final Plats: Lycee Addition, Skyview at Block 49 2nd, and Skyview at Block 49 3rd. A separate public hearing was conducted for each plat. Within each Final Plat, certain areas are designated for public purposes, such as easements, rights-of-way, and land for public use. These dedications by the Developer now come before Council for acceptance. In each case, Planning Commission recommends that Council accept the Developer's commitment to dedicate certain land within the plat for public purposes.

<u>Skyview at Block 49 2nd (Item D)</u>- Planning Commission reviewed Block 49, LLC's request to replat approximately 22.76 acres of R-5 Residential. There were no parties wishing to speak at the public hearing regarding this plat. Following the public hearing, the Planning Commission considered the evidence and reviewed the report provided by staff. Planning Commission voted (by passing a 7-0 motion) to approve the final plat without changes.

<u>Skyview at Block 49 3rd (Item E)</u> - Planning Commission reviewed Block 49, LLC's request to replat approximately 12.44 acres of C-2 Commercial with PUD. There were no parties wishing to speak at the public hearing regarding this plat. Following the public hearing, the Planning Commission considered the evidence and reviewed the report provided by staff. Planning Commission voted (by passing a 7-0 motion) to approve the final plat without changes.

<u>Lycee Addition (Item F)</u> - Planning Commission reviewed the City of Bel Aire and the Developer's request to replat approximately 13.15 acres of R-6 Residential and C-1 Commercial. No one spoke at the public hearing. Following the public hearing, the Planning Commission considered the evidence and reviewed the report provided by staff. Planning Commission voted (by passing a 7-0 motion) to approve the final plat without changes.

Agreement with Garver, 47th Street Reconstruction (Item G)

At the February 1st meeting, Council accepted the bid from Kansas Paving to reconstruct 47th Street. City staff typically provides construction observation services on projects that are funded through the Capital Improvement Reserve Fund. Construction observation is important to ensuring that the project gets constructed according to City standards. However, staff is currently working on several other projects and does not have enough time to properly observe the construction on this project. Staff recommends hiring a consultant to observe the construction. The City is currently working with Garver for construction observation on multiple projects. Their communication with both the Contractor, the City and interested citizens sets them apart from other firms. Staff reached out to Garver and requested a bid. The cost of the services will be paid for from the

Capital Improvement Reserve Fund. Staff recommends that Council accept the contract for Construction Observation Services from Garver in the amount not-to-exceed \$19,537.50 for the 47th Street Reconstruction Project.

Development Agreement for Skyview 2nd at Block 49 (Item H)

For every new development without a PUD, the City requires a Development Agreement be negotiated and approved. This agreement spells out in writing the responsibilities of each party during construction and thereafter. The agreement is filed with the plat for future reference. Staff and the developer have agreed upon the language contained in this agreement and it is now ready for final approval by the City Council.

Executive Session (Item XIII)

Staff has no need for an Executive Session.

<u>Discussion and Future Issues - March Workshop (Item XIV)</u>

This month the workshop is planned for March 8th at 6:30 p.m.

MINUTES CITY COUNCIL MEETING
