4. Richard - \$280 for ice cream coupons for face painting students and most all of the kids that attended our event

**New business**

Arbor Day

- We will contact the residents that want to be a TB member to come to meeting
- Trash can winner – Barb Shipe
- Tree trimming winner – Elissa Wolf
- 10 live oak give aways

March Council meeting

- I will be attending the March 18<sup>th</sup> Council meeting to assist with any questions before voting on our suggested changes in the tree ordinances and fees.

New resident program

- I will working with Yolanda to create a design for a frig magnet with QR codes for Belle Isle websites for general information along with tree information.
- After creating the frig magnet design and getting them made I will create a list of new Belle Isle residents during the previous three months.
- At this point no local businesses have been forthcoming with a coupon for their business to give to a new resident.

- Tree Board will review the paperwork that we want to accompany the frig magnet before printing.
- I am hoping and will request that the commissioner will approach the new residents in their district, but if there is no commissioner or they do not want to participate then one of us will work that district.
