Mayor Fouraker welcomed Commissioner Myra Uribe.

##### Orange County (OC) Approval of Gold-Legal Road

Comm Myra Uribe announced that the county has advocated for Matchette Road to be approved as a golf-driven road. On August 13, the OC Board of County Commissions unanimously approved and officially made Matchette Road a golf-legal road for residents to take students to and from school safely. She looks forward to continuing her partnership with the city and its residents.

##### Appeal Local Ordinance Violation P0002021 - Jeffrey Giles

Jeffrey Giles and his wife, Jennifer Giles, read a letter in response to the appeal from two residents: Jeff Schwartz, 2018 Alsace Court, and Austin Faber, 2830 Alsace Court, stating that they have not experienced any issues with the Giles family.

Mr. Giles asked if the person making the complaint was in attendance. The City Manager said he was not. He further asked how long the caller had said the infraction had lasted. When water skiing, the “live” pass is no longer than ten seconds on the lake. The total time around the 5-homes combined on the Cove is about 18 seconds; passing is less than a minute. It is overwhelming to comprehend the statement that the noise can be heard from the inside of his home.

Officer Shaffer testified that Jean Braddock called in the complaint on July 21, 2024, at 1:55 p.m., and he could identify the person while on the phone. He did not provide a duration; however, he said it is a constant daily occurrence. Officer Shaffer then stopped by Mr. Giles's home to discuss the violation.

Jennifer Giles shared her concerns about the violation and found it unfair that they did not get a warning or be told what was acceptable noise and what was disturbing the peace.

After discussion, the Council noted that the call is subjective. However, he understands that the officer must respond to the complaint.

Mayor Fouraker made a note that the video is not displaying on Facebook.

The City Clerk stated that she is aware. There have been some issues with the Wi-Fi, and she is working with the IT staff on a fix.

Attorney Langley read the code for the record. The Code states that the complainant must be 50 feet from the noise violation; Office Shaffer said he was less than 50 feet away.

**Comm Lowell moved to uphold the ticket and return the \$50 administrative fee.**

**Comm Smith seconded the motion, which passed unanimously 5:0.**

Mayor Fouraker called for a motion for an excused absence for Vice Mayor Carson.

**Comm Vertolli moved to excuse Vice Mayor Carson from the meeting.**

**Comm Partin seconded the motion, which passed unanimously 5:0.**

The City Clerk confirmed that Facebook Live was back up with 12 viewers.

### Consent Item d

Comm Smith asked for clarification on the two invoices: Flock Safety and Axon-Taser.

Chief Grimm said that the Finance Department requests Council approval of the annual invoices. When the programs were introduced to the Council, they were initially paid with allocated ARPA funding; annually, they were budgeted to include body cameras, tasers, 17-camera LPRs, and a grant-writing program. It is budgeted for this year, and the Finance Director wanted Council consensus that the commitment of a 10-year annual subscription is allocated yearly through the budget process.

Comm Partin said at the August 1<sup>st</sup> meeting he is not sure if he would have made the same decision, understanding that it is a 10-year commitment. He shared his concern and said he would like to have more information moving forward before making such a commitment. He further asked if there is a price change in any given year that, the Council be notified. Discussion ensued on a contracting tracking system to provide periodic updates to the Council.

### Consent Item e

Comm Partin said the canine unit can be used in other ways leveraged for other community services and partnerships with other agencies. Chief Grimm said the agenda item is to accept the donation. ### c. Request to Open At-Large Appointment for P&Z Board District Seats 1 and 2

CM Rudometkin stated that the staff had been challenged to fill Board member seats and asked the Council to consider having the two vacant seats on the P&Z Board at large or having the Council knock on doors to solicit new members.

Mayor Fouraker asked Comm Vertolli and Bobrowski if they had spoken to any residents in their district for consideration. Mr. Vertolli said he had tried. However, the problem is that they do not want to fill out the required paperwork. Comm Bobrowski said she had not and believes a City our size should all be filled at large. Mayor Fouraker said he is not a fan of having the P&Z Board opened at-large and believes each district should have its representative.

Comm Smith said he would prefer to add two members at large for one year until an applicant from the district applies. Discussion ensued on the advertising process, not meeting the quorum, information via alert not reaching all residents, and re-establishing a quarterly newsletter.

**Comm Smith moved to allow at-large appointments to the P&Z Board for one year and readvertise Districts 1 and 2 seats. Comm Bobrowski seconded the motion, which passed 4:2 with Comm Partin and Comm Vertolli, nay.**

**Comm Smith moved to extend the meeting an additional 15 minutes.**

**Comm Vertolli seconded the motion, which passed unanimously at 6:0.**

## 8. Attorney's Report

Attorney Langley stated that he is working on the Condemnation Order for the property on Arajo Court. Reaching the property owner has been challenging, and all contact attempts have been returned undeliverable. He noted that based on the title search, there are two mortgages, and the City may be unable to recover the money spent if approved. The order will be scheduled for a City Council hearing on October 15<sup>th</sup>.

City Manager Rudometkin reported the following,

- Sidewalk repair on hold due to weather.
- The Police Department is scheduled to be repainted to match City Hall.
- Bids for Landscaping City Hall in moving forward.
- The City Hall clock is experiencing electrical issues; we are working on a repair.
- Political signs on the City's right of ways are unsightly and prohibited. They should be placed in front yards and permitted areas only and picked up after the election period.

**10. Mayor's Report**

Mayor Fouraker asked about the County's Annexation ordinance and if it would harm the City's opportunity to annex property into the City. Attorney Langley said it may not be good for any City if it passes. The City may want to negotiate an agreement with the County to establish areas that can be annexed without the County commission doing super majority votes or constraints to the land use regulations. A brief discussion ensued on the possible referendum to annex the Publix property.

Mayor Fouraker met with the OC Fire Chief and the City Manager to discuss the Fire increase. He said they spoke of services, resources, and a prorated share for a city our size.

**Comm Vertolli seconded the motion, which passed unanimously 6:0.**

- Comm Bobrowski said she heard that the City of Edgewood is organizing cities to join them in meeting with Orange County regarding the increased Fire invoice. She noted that she has heard concerns from residents on the lake levels, and we should proactively ask to lower the weir boards. Mr. Price noted that St John's controls the weir. Mayor Fouraker said at the next NAV Board meeting that they are asking an expert to review the policies at the weir.
- Comm Vertolli announced that OC will have hearings on the weir on Sept 5th and Sept 19<sup>th</sup>.

**12. Adjournment**

With no further business, Mayor Fouraker called for a motion to adjourn the meeting, which was unanimously approved at 9:30 pm.
