2. Boogie On The Bridge

Richard Weinsier

The board discussed our participation in the cities Boogie on the bridge Halloween event. We are asked to provide a table at which we would hand out candy to the neighborhood children. Richard has stated that we would have to provide the candy and pay for it out of our pockets. The cost would exceed \$300. The board is seeking out a way to pay for the candy as apposed to the board members paying. Doug will reach out to the city manager and see if we can use some of our yearly budget money. If we can not get candy donated or use our budget, the board members will decline to participate.

3. Arbor Day Event

Richard

The board did a final review of participants and confirmed they will be attending. Chris has 2 new contacts he meet. OUC and Drug Free coalition of Orange County. They both might be interested in providing a table. Doug will reach out to the extension service. per an email we received from them recently, they were not interested in attending. Doug had inquired with them 2 months ago and they were interested.
Doug will also follow up with Florida Urban Forestry council. All other participants are a go.
