The regular meeting of the Tree advisory Board of City Of Belle Isle was called to order at 6:36 PM on January 10, 2022 at Belle Isle City Hall by Emily DeLozier.

**I. Approval of Agenda**

The agenda for the meeting was distributed and unanimously approved.

**II. Review of Previous Minutes**

The minutes of the previous meeting were reviewed and unanimously approved.

**III. Consideration of Open Issues**

1. Pollinator Garden

Emily DeLozier

In leu of re landscaping the island and surrounding beds at city hall, the board is contemplating installing a pollinator garden in the park West of city hall.

The committee has agreed to postpone discussion until the city manager has time to discuss at the next meeting

2. Florida Wildflower Grant

Christopher Stalder

Christopher introduced a potential revenue source to increase the pollinator population within the city. It was also discussed how lengthy and restrictive the grants can be.

With this new found knowledge, the board agreed to further investigate without ruling it out.

**IV. Consideration of New Business**

1. Spring Fling

Emily DeLozier

With the attendance and guidance of Holly Bobrowski, special events committee chair , the board began the initial stages of planning for the Arbor day event on April 30th. The event will run from 10 to 2 pm. We will combine with the special events committee to enhance the event and have a higher attendance.

The special events committee will help supply food trucks ,obstacle course and other " Fun " activities.

The Tree Board will contact and supply educational speakers and vendors to help educate the attendees.

No vendor fees were discussed for educational vendors. If they to sell a product , a fee will be charged for the space of \$35.00

Was brought to our attention by Holly that orange county will supply a free stage with ample notice . The board will contact 3rd district Mayra Uribe for assistance

The possible speakers for the event are

The Bat Lady
