- b. APPEAL OF CASE # 2021-04-004 PURSUANT TO BELLE ISLE CODE SEC. 50-102 (B) (5), SEC. 50-102 (B) (16) AND SEC. 42-64, THE BOARD SHALL CONSIDER AND TAKE ACTION ON A REQUESTED VARIANCE TO PLACE DECORATIVE COLUMNS WITH A GATE IN THE FRONT YARD OF A RESIDENTIAL PROPERTY, SUBMITTED BY THE PROPERTY OWNER, STEVEN KNEIPP, AT 6822 SEMINOLE DRIVE, BELLE ISLE, FL 32812 ALSO KNOWN AS PARCEL # 29-23-30-4389-02-050

Leslie Kinsella, the property owner of 6810 Seminole, said he is seeking an appeal to allow two decorative columns with hedges with a setback of 20 ft from the roadway. He planted some trees by the property line and is too expensive to remove and replace. Mr. Kinsella stated out of the 20 homes on the block, 12 have fenced in their front yards. He has two young daughters and would like the fence for the security and safety of his family.

Comm Carugno asked if the home has existing columns. Mr. Kinsella said no, he only has existing hedges in the front.

Mayor Fouraker asked Council if they had any exparte communication with the appellant. Council members said no.

Comm Nielsen stated that Code Section 51-02 clearly says that no fences shall be permitted in front yards. As far as the Code reads, a gate is silent in the Code and is technically classified as a fence. We have an assortment of fences in front yards around the City, even though the Code prohibits fences in the front yard. Before moving forward with the appeal, Comm Nielsen asked that Council revisit the Code and make the necessary changes to establish a criteria design standard to allow front yard fences and gates throughout the City and clarify variances to the prohibition of front yard fences. Discussion ensued.

"If a person decides to appeal any decision made by the Council with respect to any matter considered at such meeting or hearing, he/she will need a record of the proceedings, and that, for such purpose, he/she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based." (F. S. 286.0105). "Persons with disabilities needing assistance to participate in any of these proceedings should contact the City Clerk's Office (407-851-7730) at least 48 hours in advance of the meeting." –Page 1 of 5

# Comm Sims said Council could revisit the Code at a later date as suggested by Comm Nielsen. He moved to approve the variances of 6806-6822 Seminole Drive for decorative columns with gates with the condition that the setback is set 20 feet from the road.

### Comm Carugno seconded the motion for discussion.

Comm Carugno asked if the motion includes the four P&Z applications. Comm Sims said yes; he would like his move to include Appeal #2021-04-002 and #2021-04-004. He asked if 6806 Seminole is included in the motion. Mr. Kinsella said the homeowner at 6806 Seminole with different issues.

Attorney Ardaman said the Council does not have the authority to act on anything not before the Council. Unfortunately, those other applications must apply for an appeal and come back to the Council for consideration.

City Manager Francis said, since this is a De Novo hearing, and although there are only two appeals of the four, he believes the other two would be allowed the same variance and allow for uniformity with those homes along with Seminole.

Attorney Ardaman said if the Council is so inclined, Council can approve the two appeals tonight contingent upon receiving requests from the other two, or Council can table the vote. Either way, the City has a chance of being challenged on the motion for the other two properties that are not present.

The City Clerk stated that the appeal waiting period of 15-days has run out for the other two applicants, and the neighbors have not been noticed.

Comm Nielsen asked if the motion includes the conditions set by the Planning & Zoning Board. Comm Sims said no. Discussion ensued.

Mayor Fouraker asked if there was opposition to the hearings. City Manager Francis said yes, from Nancy Weinsier and Greg Gent on the hearings tonight. Mr. Gent did oppose the original hearings via email.

Comm Sims said in approving the motion for all the properties thereof; the Council saves themselves from future public hearings.

Comm Miller said he is concerned that the other parcels were not properly noticed, and there is a potential of variance and not following the appeal rights. He would like to act on the cases before us individually and then allow the other properties to apply for the appeal.

Attorney Ardaman said the Council has the authority to waive the 15-day waiting period. He recommends acting on the two applications appearing tonight.

Mayor Fouraker called for a motion to open Appeal Case #2021-04-004.

Comm Sims moved to open Public Hearing Appeal Case #2021-04-004. Comm Carugno seconded the motion, which passed 6:2 upon roll call with Comm Shuck and Comm Nielsen, nay.

Comm Sims restated his motion to approve the variances of 6806 and 6822 Seminole Drive for decorative columns with gates with the condition that the setback is set 20 feet from the road. Comm Carugno seconded the motion for discussion.

Comm Shuck said the P&Z Board approved 20-feet from the right-of-way and shorten the distance from the road to the gate. He shared his concerns with the short distance creating a safety concern.

Comm Partin also shared his concern with a vehicle blocking the road when pulling onto the property. Most of the columns at existing homes in the area are similar to the request. Comm Partin shared his concern with adding 6806 Seminole to the motion due to safety concerns and would prefer to keep the properties separate.

Mr. Francis said 6806 Seminole, back in 2018-19, requested a similar variance that the P&Z Board denied. At the time, it didn't seem to staff that it would be a problem. There is a guardrail by the property that protects the sidewalk. The sight distance is caused by the large oak trees that sit in the corner.

Upon roll call, the motion failed 2:5 with Comm Nielsen, Comm Partin, Comm Miller, Comm Shuck, and Comm Gold, nay.

"If a person decides to appeal any decision made by the Council with respect to any matter considered at such meeting or hearing, he/she will need a record of the proceedings, and that, for such purpose, he/she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based." (F. S. 286.0105). Comm Miller moved to approve the Appeals for 6810 and 6822 Seminole for the 20ft setback from the road, including the staff conditions on height and aesthetics with the properties.

Comm Gold seconded the motion, which passed 5:2 with Comm Nielsen and Comm Shuck, nay.

Mayor Fouraker asked if Council would like to waive the waiting period to allow the other applicants the opportunity to appeal.

# Comm Miller moved to waive the 15-day waiting period for 6814 Seminole and 6820 Seminole to allow an extension to appeal within 15-days from today's date.

Comm Sims seconded the motion, which passed 6:1 with Comm Shuck, nay.

Mayor Fouraker said he believes it will be beneficial to consider Comm Nielsen's request to review the Code regarding fences in the front yard. Mr. Francis said he had the City Planner provide a summary of the variance request. He said from 2017, there were 20 applications: 16 were approved, two denied, and two continued. After discussion, the Council consensus was to have staff review the Code regarding fences and include strict street/criteria and overlays on Seminole and Hoffner.

City Clerk read Ordinance 21-07 by title.

During a discussion at the last Council meeting, Comm Miller said Council designated 75-foot swim area, and it is not in the Ordinance. Mr. Francis said staff could change the Ordinance at the second reading, and GIS coordinates will be provided with the Council agreement.

Comm Carugno asked if Council would like to postpone adoption until further research can be done. He shared his concerns and said he does not want to exclude those residents that do not have lake access. Comm Sims agreed and said it might exclude many visitors from the enjoyment of the Lake.

Mr. Francis clarified and said if we create a swim area, all of the lakeside parks will create a vessel exclusion zone and will not allow vessels to come ashore for drop-off/pick-up. Comm Partin said it might be a good idea to designate some, and not all, city parks with a swim area. Mayor Fouraker said the swim area designation might mitigate the current issue with "uber-like" services in various locations on the Lake.

Mayor Fouraker said at the next meeting Council can review a study of the beaches that are less navigable and asked if Comm Carugno can take the lead. Based on the results researched by Comm Carugno, Council can give staff direction. Ordinance 21-07 was tabled.

### CITY OF BELLE ISLE, FLORIDA CITY COUNCIL AGENDA ITEM COVER SHEET

Meeting Date: June 15, 2021

To: Honorable Mayor and City Council Members

From: B. Francis, City Manager

Subject: Ordinance 21-07 designating Swim Only areas

**Background**: The Council tabled the first reading of the ordinance until the areas could be looked at to see if the Council could designate some city parks as swim only areas. Commissioner Carugno volunteered to look at the areas and report back to Council. Commissioner Carugno and I looked at the areas to determine which lakeside parks may be better for swim areas. Those lakeside areas were Labelle Beach, Peninsular Park, Cross Lake Park, Swann Beach and Delia Beach. We concluded that LaBelle Beach and Delia Beach were best for Swim Only beaches; Cross Lake Beach and Peninsular Park were best to allow vessels to pull up to and Swann Beach could be a combination of Swim Only and pull up due to its layout.

**Staff Recommendation**: Move forward with a second reading of the ordinance.

## Suggested Motion: <u>I move that we place the second reading and adoption of Ordinance</u> <u>21-07 on the July 6, 2021 Agenda.</u>

Alternatives: Continue to make changes to the draft ordinance.

Fiscal Impact: None at this time

# CITY OF BELLE ISLE, FLORIDA CITY COUNCIL AGENDA ITEM COVER SHEET

Meeting Date: June 15, 2021

To: Honorable Mayor and City Council Members

From: B. Francis, City Manager

Subject: Resolution 21-08, MOU with State for Opioid Litigation Allocation

**Background**: Since 2018, the State of Florida and several local governments (approximately 100 counties and cities) have been engaged in ongoing litigation against manufacturers and distributors of opioid medications such as Vicodin, Oxycodone, and Hydrocodone seeking damages suffered as a result of the opioid epidemic within the state.

To increase its bargaining power in settlement negotiations with the defendants involved in the opioid supply chain and maximize the amount of any settlement the state and its political subdivisions might realize, the state is requesting that local governments throughout the state, including those governments not currently involved in the litigation, join the state and other local governments in a Memorandum of Understanding to be used as a guide in developing and implementing a statewide unified plan for the allocation and distribution of settlement proceeds.

Belle Isle is not presently involved in the opioid litigation. Regardless, participation in the Memorandum of Understanding and assent to the formal agreements to be developed and executed in connection pursuant thereto would entitle the city to an allocation of funds to be used for the express purpose of prospective abatement of the opioid epidemic, including, but not limited to, programs, services, and training designed to curtail or otherwise mitigate opioid addiction and its consequences.

According to current estimates from the state, the City of Belle Isle could, in exchange for its participation, receive up to \$2,105.66 to be used for Approved Purposes, which are defined as forward looking strategies, programming, and services used to expand the availability of treatment for individuals impacted by substance abuse disorders, including, but not limited to, FDA-approved drugs used to reverse overdoses and other items and programs as more comprehensively set forth in Schedules A & B of the Memorandum of Understanding.

**Staff Recommendation**: Approve Resolution 21-08 and the Memorandum of Understanding.

#### Suggested Motion: <u>I move that we approve Resolution 21-08 and the Memorandum of</u> <u>Understanding with the state.</u>

Alternatives: Do not approve the Resolution or MOU.

Fiscal Impact: Revenue of \$2,105.66

Resolution 21-08 – PD/MOU Opioid Epidemic Unified Plan

1 WHEREAS, participation in the Florida Plan by a large majority of Florida cities and counties will materially increase the amount of funds to Florida and 2 3 should improve Florida's relative bargaining position during additional settlement negotiations; 4 5 WHEREAS, failure to participate in the Florida Plan will reduce funds 6 available to the State, City of Belle Isle, and every other Florida city and 7 county; 8 NOW, THEREFORE, BE IT RESOLVED BY THIS GOVERNMENTAL UNIT 9 10 SECTION 1. That this Governmental Unit finds that participation in the Florida Plan would be in the best interest of the Governmental Unit and its 11 12 citizens in that such a plan ensures that almost all of the settlement funds go 13 to abate and resolve the opioid epidemic and each and every city and county 14 receives funds for the harm that it has suffered. #### B. Terms

1. **Only Abatement -** Other than funds used for the Administrative Costs and Expense Fund as hereinafter described in paragraph 6 and paragraph 9, respectively), all Opioid Funds shall be utilized for Approved Purposes. To accomplish this purpose, the State will either file a new action with Local Governments as Parties or add Local Governments to its existing action, sever settling defendants, and seek entry of a consent order or other order binding both the State, Local Governments, and Pharmaceutical Supply Chain Participant(s) ("Order"). The Order may be part of a class action settlement or similar device. The Order shall provide for continuing jurisdiction of a state court to address non-performance by any party under the Order. Any Local Government that objects to or refuses to be included under the Order or entry of documents necessary to effectuate a Settlement shall not be entitled to any Opioid Funds and its portion of Opioid Funds shall be distributed to, and for the benefit of, the other Local Governments.

2. **Avoid Claw Back and Recoupment** - Both the State and Local Governments wish to maximize any Settlement and Opioid Funds. In addition to committing to only using funds for the Expense Funds, Administrative Costs and Approved Purposes, both Parties will agree to utilize a percentage of funds for the core strategies highlighted in Exhibit A. Exhibit A contains the programs and strategies prioritized by the U.S. Department of Justice and/or the U.S. Department of Health & Human Services ("Core Strategies"). The State is trying to obtain the United States' agreement to limit or reduce the United States' ability to recover or recoup monies from the State and Local Government in exchange for prioritization of funds to certain projects. If no agreement is reached with the United States, then there will be no requirement that a percentage be utilized for Core Strategies.

3. **Distribution Scheme** - All Opioid Funds will initially go to the State, and then be distributed according to the following distribution scheme. The Opioid Funds will be divided into three funds after deducting costs of the Expense Fund detailed in paragraph 9 below:

- (a) <u>City/County Fund</u>- The city/county fund will receive 15% of all Opioid Funds to directly benefit all Counties and Municipalities. The amounts to be distributed to each County and Municipality shall be determined by the Negotiation Class Metrics or other metrics agreed upon, in writing, by a County and a Municipality. For Local Governments that are not within the definition of County or Municipality, those Local Governments may receive that government's share of the City/County Fund under the Negotiation Class Metrics, if that government executes a release as part of a Settlement. Any Local Government that is not within the definition of County or Municipality and that does not execute a release as part of a Settlement shall have its share of the City/County Fund go to the County in which it is located.
- (b) <u>Regional Fund</u>- The regional fund will be subdivided into two parts.
  - (i) The State will annually calculate the share of each County within the State of the regional fund utilizing the sliding scale in section 4 of the allocation contained in the Negotiation Class Metrics or other metrics that the Parties agree upon.
  - (ii) For Qualified Counties, the Qualified County's share will be paid to the Qualified County and expended on Approved Purposes, including the Core Strategies identified in Exhibit A, if applicable.
  - (iii) For all other Counties, the regional share for each County will be paid to the Managing Entities providing service for that County. The Managing Entities will be required to expend the monies on Approved Purposes, including the Core Strategies. The Managing Entities shall endeavor to the greatest extent possible to expend these monies on counties within the State that are non-Qualified Counties and to ensure that there are services in every County.
- (c) <u>State Fund</u> The remainder of Opioid Funds after deducting the costs of the Expense Fund detailed in paragraph 9, the City/County Fund and the Regional Fund will be expended by the State on Approved Purposes, including the provisions related to Core Strategies, if applicable.
- (d) To the extent that Opioid Funds are not appropriated and expended in a year by the State, the State shall identify the investments where settlement funds will be deposited. Any gains, profits, or interest accrued from the deposit of the Opioid Funds to the extent that any funds are not appropriated and expended within a calendar year, shall be the sole property of the Party that was entitled to the initial deposit.

4. Regional Fund Sliding Scale- The Regional Fund shall be calculated by utilizing the following sliding scale of the Opioid Funds available in any year:

A. Years 1-6: 40%
B. Years 7-9: 35%
C. Years 10-12: 34%
D. Years 13-15: 33%
E. Years 16-18: 30%

5. Opioid Abatement Taskforce or Council - The State will create an Opioid Abatement Taskforce or Council (sometimes hereinafter "Taskforce" or "Council") to advise the Governor, the Legislature, Florida's Department of Children and Families ("DCF"), and Local Governments on the priorities that should be addressed as part of the opioid epidemic and to review how monies have been spent and the results that have been achieved with Opioid Funds.

- (a) <u>Size</u> The Taskforce or Council shall have ten Members equally balanced between the State and the Local Governments.
- (b) <u>Appointments Local Governments</u> Two Municipality representatives will be appointed by or through Florida League of Cities. Two county representatives, one from a Qualified County and one from a county within the State that is not a Qualified County, will be appointed by or through the Florida Association of Counties. The final representative will alternate every two years between being a county representative (appointed by or through Florida Association of Counties) or a Municipality representative (appointed by or through the Florida League of Cities). One Municipality representative must be from a city of less than 50,000 people. One county representative must be from a county whose population exceeds 200,000 people.
- (c) Appointments State -
  - (i) The Governor shall appoint two Members.
  - (ii) The Speaker of the House shall appoint one Member.
  - (iii) The Senate President shall appoint one Member.
  - (iv) The Attorney General or her designee shall be a Member.
- (d) <u>Chair</u> The Attorney General or designee shall be the chair of the Taskforce or Council.
- (e) <u>Term</u> Members will be appointed to serve a two-year term.

- (f) <u>Support</u> DCF shall support the Taskforce or Council and the Taskforce or Council shall be administratively housed in DCF.
- (g) <u>Meetings</u> The Taskforce or Council shall meet quarterly in person or virtually using communications media technology as defined in section 120.54(5)(b)(2), Florida Statutes.
- (h) <u>Reporting</u> The Taskforce or Council shall provide and publish a report annually no later than November 30th or the first business day after November 30th, if November 30th falls on a weekend or is otherwise not a business day. The report shall contain information on how monies were spent the previous fiscal year by the State, each of the Qualified Counties, each of the Managing Entities, and each of the Local Governments. It shall also contain recommendations to the Governor, the Legislature, and Local Governments for priorities among the Approved Purposes for how monies should be spent the coming fiscal year to respond to the opioid epidemic.
- (i) <u>Accountability</u> Prior to July 1st of each year, the State and each of the Local Governments shall provide information to DCF about how they intend to expend Opioid Funds in the upcoming fiscal year. The State and each of the Local Government shall report its expenditures to DCF no later than August 31st for the previous fiscal year. The Taskforce or Council will set other data sets that need to be reported to DCF to demonstrate the effectiveness of Approved Purposes. All programs and expenditures shall be audited annually in a similar fashion to SAMHSA programs. Local Governments shall respond and provide documents to any reasonable requests from the State for data or information about programs receiving Opioid Funds.
- (j) <u>Conflict of Interest</u> All Members shall adhere to the rules, regulations and laws of Florida including, but not limited to, Florida Statute §112.311, concerning the disclosure of conflicts of interest and recusal from discussions or votes on conflicted matters.

6. Administrative Costs- The State may take no more than a 5% administrative fee from the State Fund ("Administrative Costs") and any Regional Fund that it administers for counties that are not Qualified Counties. Each Qualified County may take no more than a 5% administrative fee from its share of the Regional Funds.

7. **Negotiation of Non-Multistate Settlements** - If the State begins negotiations with a Pharmaceutical Supply Chain Participant that is separate and apart from a multi-state negotiation, the State shall include Local Governments that are a part of the Negotiating Committee in such negotiations. No Settlement shall be recommended or accepted without the affirmative votes of both the State and Local Government representatives of the Negotiating Committee.

8. **Negotiation of Multistate or Local Government Settlements** - To the extent practicable and allowed by other parties to a negotiation, both Parties agree to communicate with

members of the Negotiation Committee regarding the terms of any other Pharmaceutical Supply Chain Participant Settlement.

9. **Expense Fund** - The Parties agree that in any negotiation every effort shall be made to cause Pharmaceutical Supply Chain Participants to pay costs of litigation, including attorneys' fees, in addition to any agreed to Opioid Funds in the Settlement. To the extent that a fund sufficient to pay the entirety of all contingency fee contracts for Local Governments in the State of Florida is not created as part of a Settlement by a Pharmaceutical Supply Chain Participant, the Parties agree that an additional expense fund for attorneys who represent Local Governments (herein "Expense Fund") shall be created out of the City/County fund for the purpose of paying the hard costs of a litigating Local Government and then paying attorneys' fees.

- (a) <u>The Source of Funds for the Expense Fund-</u> Money for the Expense Fund shall be sourced exclusively from the City/County Fund.
- (b) <u>The Amount of the Expense Fund</u>- The State recognizes the value litigating Local Governments bring to the State of Florida in connection with the Settlement because their participation increases the amount Incentive Payments due from each Pharmaceutical Supply Chain Participant. In recognition of that value, the amount of funds that shall be deposited into the Expense fund shall be contingent upon on the percentage of litigating Local Government participation in the Settlement, according to the following table:

Litigating Local Government	Amount that shall be paid
Participation in the	into the Expense Fund
Settlement (by percentage of	from (and as a percentage
the population)	of) the City/County fund
96 to 100%	10%
91 to 95%	7.5%
86 to 90%	5%
85%	2.5%
Less than 85%	0%

If fewer than 85% percent of the litigating Local Governments (by population) participate, then the Expense Fund shall not be funded, and this Section of the MOU shall be null and void.

(c) <u>The Timing of Payments into the Expense Fund</u>- Although the amount of the Expense Fund shall be calculated based on the entirety of payments due to the City/County fund over a ten to eighteen year period, the Expense Fund shall be funded entirely from payments made by Pharmaceutical Supply Chain Participants during the first two years of the Settlement. Accordingly, to offset the amounts being paid from the City/County to the Expense Fund in the first two years, Counties or Municipalities may borrow from the Regional Fund during the first two years three, four, and five.

For the avoidance of doubt, the following provides an illustrative example regarding the calculation of payments and amounts that may be borrowed under the terms of this MOU, consistent with the provisions of this Section:

Opioid Funds due to State of Florida and Local Governments (over 10 to 18 years):	\$1,000
Litigating Local Government Participation:	100%
City/County Fund (over 10 to 18 years):	\$150
Expense Fund (paid over 2 years):	\$15
Amount Paid to Expense Fund in 1st year:	\$7.5
Amount Paid to Expense Fund in 2nd year	\$7.5
Amount that may be borrowed from Regional Fund in 1st year:	\$7.5
Amount that may be borrowed from Regional Fund in 2nd year:	\$7.5
Amount that must be paid back to Regional Fund in 3rd year:	\$5
Amount that must be paid back to Regional Fund in 4th year:	\$5
Amount that must be paid back to Regional Fund in 5th year:	\$5

- (d) <u>Creation of and Jurisdiction over the Expense Fund</u>- The Expense Fund shall be established, consistent with the provisions of this Section of the MOU, by order of the Circuit Court of the Sixth Judicial Circuit in and for Pasco County, West Pasco Division New Port Richey, Florida, in the matter of *The State of Florida, Office of the Attorney General, Department of Legal Affairs v. Purdue Pharma L.P., et al.,* Case No. 2018-CA-001438 (the "Court"). The Court shall have jurisdiction over the Expense Fund, including authority to allocate and disburse amounts from the Expense Fund and to resolve any disputes concerning the Expense Fund.
- (e) <u>Allocation of Payments to Counsel from the Expense Fund</u>- As part of the order establishing the Expense Fund, counsel for the litigating Local Governments shall seek to have the Court appoint a third-neutral to serve as a special master for purposes of allocating the Expense Fund. Within 30 days of entry of the order appointing a special master for the Expense Fund, any counsel who intend to seek an award from the Expense Fund shall provide the copies of their contingency fee contracts to the special master. The special master shall then build a mathematical model, which shall be based on each litigating Local Government's share under the Negotiation Class Metrics and the rate set forth in their contingency contracts, to calculate a proposed award for each litigating Local Government who timely provided a copy of its contingency contract.

10. **Dispute resolution-** Any one or more of the Local Governments or the State may object to an allocation or expenditure of Opioid Funds solely on the basis that the allocation or expenditure at issue (a) is inconsistent with the Approved Purposes; (b) is inconsistent with the distribution scheme as provided in paragraph 3, or (c) violates the limitations set forth herein with respect to administrative costs or the Expense Fund. There shall be no other basis for bringing an objection to the approval of an allocation or expenditure of Opioid Funds.

APPLICABILITY OF AGREEMENT	These terms (once agreed) shall apply to the allocation of value received under, and shall be incorporated into, any plan of reorganization (the " <b>Chapter 11 Plan</b> ") in the chapter 11 cases of Purdue Pharma L.P. and its affiliates (collectively, " <b>Purdue</b> ") pending in the U.S. Bankruptcy Court for the Southern District of New York (the " <b>Bankruptcy Court</b> ") between the states, territories and the District of Columbia (each a " <b>State</b> ") on the one hand, each county, city, town, parish, village, municipality that functions as a political subdivision under State law, or a governmental entity that has the authority to bring Drug Dealer Liability Act (" <b>DDLA</b> <b>Claims</b> ") under State law (collectively, the " <b>Local Governments</b> "), and each federally recognized Native American, Native Alaskan or American Indian Tribe (each a " <b>Tribe</b> ") on the other.
2.	PURPOSE	Virtually all creditors and the Court itself in the Purdue bankruptcy recognize the need and value in developing a comprehensive abatement strategy to address the opioid crisis as the most effective use of the funds that can be derived from the Purdue estate (including without limitation insurance proceeds and, if included in the Chapter 11 Plan, payments by third-parties seeking releases). Because of the unique impact the crisis has had throughout all regions of the country, and as repeatedly recognized by Judge Drain, division of a substantial portion of the bankruptcy estate should occur through an established governmental structure, with the use of such funds strictly limited to abatement purposes as provided herein. <sup>2</sup>

<sup>&</sup>lt;sup>1</sup> As a condition to participating in this abatement structure, the settlements that the states of Kentucky and Oklahoma separately entered into with Purdue must be taken into account in any allocation to them or flowing through them. Potential adjustments may include a different Government Participation Mechanism structure for the disbursement of funds to benefit Local Governments in those states or some redirection of funds, which would still be used solely for abatement purposes.

<sup>&</sup>lt;sup>2</sup> See, e.g., Hrg. Tr at 149:22-150:5 (Oct. 11, 2019)(' "I would hope that those public health steps, once the difficult allocation issues that the parties have addressed here, can be largely left up to the states and municipalities so that they can use their own unique knowledge about their own citizens and how to address them. It may be that some states think it's more of a law enforcement issue, i.e. interdicting illegal opioids at this point. Others may think education is more important. Others may think treatment is more important."); *id.* At 175:24-176:6 ("I also think, and again, I didn't say this lightly, that my hope in the allocation process is that there would be an understanding between the states and the municipalities and localities throughout the whole process that[,] subject to general guidelines on how the money should be used, specific ways to use it would be left up to the states and the municipalities, with guidance from the states primarily."); Hr'g Tr. At 165:3-165:14 (Nov. 19, 2019) ("I continue to believe that the states play a major role in [the allocation] process. The role I'm envisioning for them is not one where they say we get everything.

	This approach recognizes that funding abatement efforts – which would hangfit most and the public by reducing future effects of the arisis
	benefit most creditors and the public by reducing future effects of the crisis through treatment and other programs – is a much more efficient use of
	limited funds than dividing thin slices among all creditors with no
	obligation to use it to abate the opioid crisis. Because maximizing
	abatement of the opioid crisis requires coordination of efforts by all levels
	of government, particularly when the abatement needs far exceed the
	available funds, this structure requires a collaborative process between each
	State and its Local Governments. This Term Sheet is intended to establish
	the mechanisms for distribution and allocation of funds to States, Local
	Governments and Tribes (the "Abatement Funds") to be incorporated into
	the Chapter 11 Plan and any order approving the Chapter 11 Plan
	(Abatement Funds net of the portion thereof allocated to a Tribal
	Abatement Fund under Section 5 hereof are referred to herein as "Public
	<b>Funds</b> "). The parties agree that 100% of the Public Funds distributed under
	the Chapter 11 Plan shall be used to abate the opioid crisis. Specifically,
	(i) no less than ninety five percent (95%)of the Public Funds distributed
	under the Chapter 11 Plan shall be used for abatement of the opioid crisis
	by funding opioid or substance use disorder related projects or programs
	that fall within the list of uses in <u>Schedule B</u> (the "Approved Opioid
	Abatement Uses"); (ii) priority shall be given to the core abatement
	strategies (" <b>Core Strategies</b> ") as identified on <u>Schedule A</u> ; and (iii) no more than five percent (5%) of the Public Funds may be used to fund
	more than five percent (5%) of the Public Funds may be used to fund expenses incurred in administering the distributions for the Approved
	Opioid Abatement Uses, including the process of selecting programs to
	receive distributions of <b>Public Funds</b> for implementing those programs
	and in connection with the Government Participation Mechanism <sup>3</sup>
	("Allowed Administrative Expenses," and together with the Approved
	<b>Opioid Abatement Uses</b> , " <b>Approved Uses</b> "). <sup>4</sup> Notwithstanding anything
	in this term sheet that might imply to the contrary, projects or programs that
	constitute Approved Opioid Abatement Uses may be provided by States,
	State agencies, Local Governments, Local Government agencies or
	nongovernmental parties and funded from Public Funds.
3. GENERAL NOTES	The governmental entities maintain that the most beneficial and efficient
	use of limited bankruptcy funds is to dedicate as large a portion as
	possible to abatement programs addressing the opioid crisis. If this

I think that should be clear and I think it is clear to them. But, rather, where they act – in the best principles of federalism, for their state, the coordinator for the victims in their state."); Hr'g Tr. at 75:19-76:1 (Jan. 24, 2020) ("Even if there ultimately is an allocation here – and there's not a deal now, obviously, at this point on a plan. But if there is an allocation that leaves a substantial amount of the Debtors' value to the states and territories, one of the primary benefits of a bankruptcy case is that the plan can lock in, perhaps only in general ways, but perhaps more in specific ways, how the states use that money .....").

<sup>3</sup> Capitalized terms not defined where first used shall have the meanings later ascribed to them in this Term Sheet.

<sup>&</sup>lt;sup>4</sup> Nothing in this term sheet is intended to, nor does it, limit or permit the ability of funds from the Purdue estate (other than Public Funds) to be used to pay for legal fees and expenses incurred in anticipation of or during Purdue's chapter 11 case, or once confirmed, in implementing the Chapter 11 Plan.

Issue	Description
	approach is taken, the governmental entities involved in the mediation – states, territories, tribes, counties, cities and others – would commit the Public Funds allocated to them to such future abatement, in lieu of direct payment for their claims.
	a. Resolution of States' and Local Governments' claims under this model presumes signoff by and support of the federal government, including an agreement that the federal government will also forego its past damages claims. Continued coordination with the federal government therefore is necessary as this model is finalized.
	b. This outline addresses the allocation of Abatement Funds among governmental entities to provide abatement programs to the public for the benefit of not only the governmental entities and their constituents, but also a substantial number of other creditors. The States and Local Governments welcome other, private-side creditor groups to enter discussions concerning how such creditors may participate in, contribute to and/or benefit from the government- funded abatement programs contemplated herein in lieu of direct payment on their claims for past damages.
	c. In addition to providing abatement services, it is understood that, if their claims are to be released in a reorganization plan, a portion of the Purdue estate will also need to be dedicated to personal injury claimants. A proposal regarding such claims is being developed separately.
	d. All <b>Public Funds</b> distributed from the Purdue bankruptcy estate as part of this abatement structure shall be used only for such <b>Approved Uses</b> . Compliance with these requirements shall be verified through reporting, as set out in Section 8. This outline and the terms herein are intended to apply solely to the use and allocation of Public Funds in the Purdue Chapter 11 Plan, and do not apply to the use or allocation of funds made available as the result of judgments against or settlements with any party other than those released as part of the Chapter 11 Plan.
4. DISBURSEMENT	Disbursement of Abatement Funds
OF FUNDS	The Bankruptcy Court shall appoint [a third-party administrator ("Administrator")] [Trustee(s)] who will perform the ministerial task of overseeing distribution of all Abatement Funds, which will consist of all assets transferred to such fund by way of the confirmed Chapter 11 Plan, and any, growth, earnings, or revenues from such assets, as well as proceeds from any future sale of such assets. The [Administrator] [Trustees] shall distribute the Abatement Fund consistent with the Chapter 11 Plan and shall provide to the Bankruptcy Court an annual report on such distributions. [Points to be addressed regarding disbursements:

Issue	Description
	• Trigger and timing for disbursements.
	• Insert details to show how these funds shall be distributed for abatement uses and that the funds will not flow into the state general revenue accounts (unless constitutionally required and, in that event, the funds shall still be disbursed for abatement uses as required by the terms of the document), including possible distribution to state points of contact and block grant recipients.
	• Possible creation of template document for Abatement Funds distribution requests.
	• If trust mechanism is employed, trust location and governing law.]
5. ATTORNEYS' FEES AND COSTS FUND	A separate fund will be established for attorneys' fees and litigation costs in the final bankruptcy plan. Agreement by the parties to this Abatement Plan Term Sheet is contingent upon the establishment of this fund and the details of the fund, which are subject to further negotiation, including without limitation the participants, amount, jurisdiction, oversight, and administration. Participation in an abatement program, receipt of abatement services or benefits will not affect, and specific percentages in the abatement structure received by various parties will not determine, the amount of fees and costs that may be recovered.
6. TRIBAL ABATEMENT FUNDING	a. [X%] of the <b>Abatement Funds</b> will be allocated to a Tribal Abatement Fund and these funds will not be a part of the structure involving abatement programs funded by state and local governments.
	b. The Tribes are working on their proposal for allocation among Tribes, which would be included as part of the overall abatement plan.
	c. The Tribes will use the tribal allocation of Abatement Funds for programs on the approved list of abatement strategies (see <b>Schedule B</b> ) and also for culturally appropriate activities, practices, teachings or ceremonies that are, in the judgment of a tribe or tribal health organization, aimed at or supportive of remediation and abatement of the opioid crisis within a tribal community. <sup>5</sup> The Tribes will have a list of representative examples of such culturally appropriate abatement strategies, practices and programs which is attached as <b>Schedule [ ]</b> . The separate allocation of abatement strategies recognizes that American Indian and Alaska Native Tribes and the communities they serve possess unique cultural histories, practices, wisdom, and needs that are highly relevant to the health and well-being of American Indian and Alaska Native

7. DIVISION OF PUBLIC FUNDS	<b>Public Funds</b> are allocated among the States, the District of Columbia and Territories in the percentages set forth on <u>Schedule C</u> .
	Except as set forth below in section 7(C) for the District of Columbia and Territories, each State's Schedule C share shall then be allocated within the State in accordance with the following:
	1. Statewide Agreement. Each State and its Local Governments will have until [the later of 60 days from entry of an order confirming the Chapter 11 Plan or the Effective Date of the Chapter 11 Plan] <sup>6</sup> (the "Agreement Date") to file with the Bankruptcy Court an agreed-upon allocation or method for allocating the Public Funds for that State dedicated only to Approved Uses (each a "Statewide Abatement Agreement" or "SAA"). Any State and its Local Governments that have reached agreement before the Effective Date of the Chapter 11 Plan that satisfies the metric for approval as described in the immediately following paragraph shall file a notice with the Bankruptcy Court that it has adopted a binding SAA and either include the SAA with its filing or indicate where the SAA is publicly available for the SAA to be effective for the Purdue Bankruptcy. Any dispute regarding allocation within a State will be resolved as provided by the Statewide Abatement Agreement.
	A <b>Statewide Abatement Agreement</b> shall be agreed when it has been approved by the State and either (a) representatives <sup>7</sup> of its Local Governments whose aggregate Population Percentages, determined as set forth below, total more than Sixty Percent (60%), or (b) representatives of its Local Governments whose aggregate Population Percentages total more than fifty percent (50%) provided that these Local Governments also represent 15% or more of the State's counties or parishes (or, in the case of States whose counties and parishes that do not function as Local Governments, 15% of or more of the State's incorporated cities or towns), by number. <sup>8</sup>

Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this agreement. Issue	Description
	Population Percentages shall be determined as follows:
	For States with counties or parishes that function as Local Governments, <sup>9</sup> the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) 200% of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, <sup>10</sup> divided by (b) 200% of the State's population. A " <b>Primary Incorporated Municipality</b> " means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality The Population Percentage of each primary incorporated municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population; provided that the Population Percentage of a primary incorporated municipality that is not located within a county shall be equal to 200% of its population (including the population of any incorporated municipality located therein) divided by 200%. The Population Percentage of a primary incorporated municipality that is not located within a county shall be equal to 200% of the State's population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population as Local Governments, the Population Percentage of each incorporated municipality (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.
	The Statewide Abatement Agreement will become effective within fourteen (14) days of filing, unless otherwise ordered by the Bankruptcy Court.
	A State and its Local Governments may revise, supplement, or refine a Statewide Abatement Agreement by filing an amended Statewide Abatement Agreement that has been approved by the State and sufficient Local Governments to satisfy the approval standards set forth above with the Bankruptcy Court, which shall become effective within fourteen (14) days of filing, unless otherwise ordered by the Bankruptcy Court.
	2. Default Allocation Mechanism (excluding Territories and DC addressed below). The Public Funds allocable to a State that is not party to a Statewide Abatement Agreement as defined in 7(1) above (each a "Non-SAA State") shall be allocated as between the State and its Local Governments to be

Except as provided in the final sentence of this paragraph, each Non-SAA State shall be divided into "Regions" as follows: (a) each Qualifying Block Grantee (as defined below) shall constitute a Region; and (b) the balance of the State shall be divided into Regions (such Regions to be designated by the State agency with primary responsibility for substance abuse disorder services employing to the maximum extent practical, existing regions established in that State for opioid abuse treatment or similar public health purposes); such non-Qualifying Block Grantee Regions are referred to herein as "Standard Regions"). The Non-SAA States which have populations under 4 million and do not have existing regions described in the foregoing clause (b) shall not be required to establish Regions;<sup>11</sup> such a State that does not establish Regions but which does contain one or more Qualifying Block Grantees shall be deemed to consist of one Region for each Qualifying Block Grantee and one Standard Region for the balance of the State.</li> </ul>
	<ul> <li>b. Regional Apportionment. Public Funds shall be allocated to each Non-SAA State, as defined in 7(1) above, as (a) a Regional Apportionment or (b) a Non-Regional Apportionment based on the amount of Public Funds dispersed under a confirmed Chapter 11 Plan as follows:</li> </ul>
	i. <b>First \$1 billion</b> – 70% Regional Apportionment/30% Non-Regional Apportionment

	c. Qualifying Block Grantee. A "Qualifying Local Government" means a county or parish (or in the cases of States that do not have counties or parishes that function as political subdivision, a city), that (a) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more and (b) has funded or otherwise manages an established, health care and/or treatment infrastructure ( <i>e.g.</i> , health department or similar agency) to evaluate, award, manage and administer a Local Government Block Grant. <sup>12</sup> A Qualifying Local Government that elects to receive Public Funds through Local Government Block Grants is referred to herein as a Qualifying Block Grantee. <sup>13</sup>
	<ul> <li>d. Proportionate Shares of Regional Apportionment. As used herein, the "Proportionate Share" of each Region in each Non-SAA State shall be (a) for States in which counties or parishes function as Local Governments, the aggregate shares of the counties or parishes located in such Region under the allocation model employed in connection with the Purdue Bankruptcy (the "Allocation Model"),<sup>14</sup> divided by the aggregate shares for all counties or parishes in the State under the Allocation Model; and (b) for all other States, the aggregate shares of the cities and towns in that Region under the Allocation formula, divided by the aggregate shares for all cities and towns<sup>15</sup> in the State under the Allocation Model.</li> </ul>

	f. Qualifying Block Grantees. Each Qualifying Block Grantee shall receive its Regional Apportionment as a block grant (a "Local Government Block Grant").
	Local Government Block Grants shall be used only for Approved Opioid Abatement Uses by the Qualifying Block Grantee or for grants to organizations within its jurisdiction for Approved Opioid Abatement Uses and for Allowed Administrative Expenses in accordance with 7(2)(i) below. Where a municipality located wholly within a Qualifying Block Grantee would independently qualify as a block grant recipient ("Independently Qualifying Municipality"), the Qualifying Block Grantee and Independently Qualifying Municipality must make a substantial and good faith effort to reach agreement on use of Abatement Funds as between the qualifying jurisdictions. If the Independently Qualifying Municipality and the Qualifying Block Grantee cannot reach such an agreement on or before the Agreement Date [or some later specified date], the Qualifying Block Grantee will receive the Local Government Block Grant for its full Proportionate Share and commit programming expenditures to the benefit of the Independently Qualifying Municipality in general proportion to Proportionate Shares (determined as provided in 7(2)(d) above) of the municipalities within the Qualifying Block Grantee. Notwithstanding the allocation of the Proportionate Share of each Regional Apportionment to the Qualifying Block Grantee, a Qualifying Block Grantee may choose to contribute a portion of its Proportionate Share towards a Statewide program.
	g. Standard Regions. The portions of each Regional Apportionment not disbursed in the form of Local Government Block Grants shall be expended throughout the Standard Regions of each Non-SAA State in accordance with 95%-105% of the respective Proportionate Shares of such Standard Regions. Such expenditures will be in a manner that will best address Opioid abatement within the State as determined by the State with the input, advice and recommendations of the Government Participation Mechanism described in Section 8 below. This regional spending requirement may be met by delivering Approved Opioid Abatement Use services or programs to a Standard Region or its residents. Delivery of such services or programs can be

	i. State agencies, including local offices;
	ii. Local governments, including local government health departments;
	iii. State public hospital or health systems;
	iv. Health care delivery districts;
	v. Contracting with abatement service providers, including nonprofit and commercial entities; or
	vi. Awarding grants to local programs.
	<ul> <li>h. Expenditure or Disbursement of Public Funds Other Than Regional Apportionment. All Public Funds allocable to a Non-SAA State that are not included in the State's Regional Apportionment shall be expended only on Approved Uses. The expenditure of such funds shall be at the direction of the State's lead agency (or other point of contact designated by the State) and may be expended on a statewide and/or localized manner, including in the manners described in herein. Qualifying Block Grantees will be eligible to participate in or receive the benefits of any such expenditures on the same basis as other Regions.</li> </ul>
	i. Allowed Administrative Expenses. Qualifying Block Grantees States may use up to 5% of their Non- Regional Apportionments plus 5% of the Regional Apportionment not used to fund Local Government Block Grants, for Allowed Administrative Expenses. Qualifying Block Grantees may use up to 5% of their Local Government Block Grants to fund their Allowed Administrative Expenses.
	3. <b>Records.</b> The State shall maintain records of abatement expenditures and its required reporting will include data on regional expenditures so it can be verified that the Regional Distribution mechanism guarantees are being met. <sup>16</sup> <b>Qualifying Block Grantees</b> shall maintain records of abatement expenditures and shall provide those records periodically to their State for inclusion in the State's required periodic reporting, and shall be subject to audit consistent with State law applicable to the granting of State funds.

	(C) Allocation for Territories and the District of Columbia Only The allocation of Public Funds within a Territory or the District of Columbia will be determined by its local legislative body [within one year of the Agreement Date ], unless that legislative body is not in session, in which case, the allocation of Public Funds shall be distributed pursuant to the direction of the Territory's or District of Columbia's executive, in consultation – to the extent applicable – with its Government Participation Mechanism [within ninety (90) days of the Agreement Date ]. <sup>17</sup>
8. GOVERNMENT PARTICIPATION MECHANISM	In each <b>Non-SAA State</b> , as defined in 7(1) above, there shall be a process, preferably pre-existing, whereby the State shall allocate funds under the Regional Distribution mechanism only after meaningfully consulting with its respective Local Governments. Each such State shall identify its mechanism (whether be it a council, board, committee, commission, taskforce, or other efficient and transparent structure) for consulting with its respective Local Governments (the " <b>Government Participation Mechanism</b> " or " <b>GPM</b> ") in a notice filed with the Bankruptcy Court identifying what GPM has been formed and describing the participation of its Local Governments in connection therewith. States may combine these notices into one or more notices for filing with the Bankruptcy Court. These notices are reviewable by the Bankruptcy Court upon the motion of any Local Government in that State asserting that no GPM has been formed.
	Government Participation Mechanisms shall conform to the following:
	(A) Composition. For each State,
	a. the State, on the one hand, and State's Local Governments, on the other hand, shall have equal representation on a GPM;
	b. Local Government representation on a GPM shall be weighted in favor of the Standard Regions but can include representation from the State's Qualifying Block Grantees;
	c. the GPM will be chaired by a non-voting Chairperson appointed by the State;
	d. Groups formed by the States' executive or legislature may be used as a GPM, provided that the group has equal representation by the State and the State's Local Governments. <sup>18</sup>

	topics as is necessary to assure the effective functioning of the GPM.
	(B) Consensus. Members of the GPMs should attempt to reach consensus with respect to GPM Recommendations and other actions of the GPM. Consensus is defined in this process as a general agreement achieved by the members that reflects, from as many members as possible, their active support, support with reservations, or willingness to abide by the decision of the other members. Consensus does not require unanimity or other set threshold and may include objectors. In all events, however, actions of a GPM shall be effective if supported by at least a majority of its Members. GPM Recommendations and other action shall note the existence and summarize the substance of objections where requested by the objector(s).
	(C) Proceedings. Each GPM shall hold no fewer than four public meetings annually, to be publicized and located in a manner reasonably designed to facilitate attendance by residents throughout the State. Each GPM shall function in a manner consistent with its State's open meeting, open government or similar laws, and with the Americans with Disabilities Act. GPM members shall be subject to State conflict of interest and similar ethics in government laws.
	(D) <i>Consultation and Discretion</i> . The GPM shall be a mechanism by which the State consults with community stakeholders, including Local Governments (including those not a part of the GPM), state and local public health officials and public health advocates, in connection with opioid abatement priorities and expenditure decisions for the use of Public Funds on Approved Opioid Abatement Uses. <sup>19</sup>
	(E) <i>Recommendations</i> . A GPM shall make recommendations regarding specific opioid abatement priorities and expenditures for the use of Public Funds on Approved Opioid Abatement Uses to the State or the agency designated by a State for this purpose ("GPM Recommendations"). In carrying out its obligations to provide GPM Recommendations, a GPM may consider local, state and federal initiatives and activities related to education, prevention, treatment and services for individuals and families experiencing and affected by opioid use disorder; recommend priorities to address the State's opioid epidemic, which recommendations may be Statewide or specific to Regions; recommend Statewide or Regional funding with respect to specific programs or initiatives; recommend measurable outcomes to determine the effectiveness of funds expended for

	Approved Opioid Abatement Uses; monitor the level of Allowed Administrative Expenses expended from Public Funds.
	The goal is for a process that produces <b>GPM Recommendations</b> that are recognized as being an efficient, evidence-based approach to abatement that addresses the State's greatest needs while also including programs reflecting particularized needs in local communities. It is anticipated that such a process, particularly given the active participation of state representatives, will inform and assist the state in making decisions about the spending of the <b>Public Funds</b> . To the extent a State chooses not to follow a <b>GPM Recommendation</b> , it will make publicly available within 14 days after the decision is made a written explanation of the reasons for its decision, and allow 7 days for the GPM to respond.
	(F) <i>Review</i> . Local Governments and States may object to an allocation or expenditure of <b>Public Funds</b> (whether a <b>Regional Apportionment</b> or <b>Non-Regional</b> Apportionment) solely on the basis that the allocation or expenditure at issue (i) is inconsistent with the provisions of Section 7(B)2 hereof with respect to the levels of <b>Regional Apportionments</b> and <b>Non-Regional</b> Apportionments; (ii) is inconsistent with the provisions of Section 7(B)(5) hereof with respect to the amounts of <b>Local</b>
	<b>Government Block Grants</b> or <b>Regional Apportionment</b> expenditures; (iii) is not for an <b>Approved Use</b> , or (iv) violates the limitations set forth herein with respect to <b>Allowed</b> <b>Administrative Fees</b> . The objector shall have the right to bring that objection to either (a) a court with jurisdiction within the applicable State (" <b>State Court</b> ") or (b) the Bankruptcy Court if the Purdue chapter 11 case has not been closed; provided that nothing herein is intended to expand the scope of the Bankruptcy Court's post-confirmation jurisdiction or be deemed to be a
	consent to any expanded post-confirmation jurisdiction by the Bankruptcy Court (each an " <b>Objection</b> "). If an Objection is filed within fourteen (14) days of approval of an Allocation, then no funds shall be distributed on account of the aspect of the Allocation that is the subject of the Objection until the Objection is resolved or decided by the Bankruptcy Court or State Court, as applicable. There shall be no other basis for bringing an Objection to the approval of an Allocation.
8. COMPLIANCE, REPORTING, AUDIT AND ACCOUNTABILITY	At least annually, each State shall publish on the lead State Agency's website or on its Attorney General's website a report detailing for the preceding time period, respectively (i) the amount of Public Funds received, (ii) the allocation awards approved (indicating the recipient, the

Mayor John Rees City of Winter Garden 300 West Plant Street Winter Garden, FL 34787 jrees@cwgdn.com

## **RE:** Opioid Litigation

Dear Mayor Rees:

My name is John Guard and I am the Chief Deputy Attorney General for the State of Florida (the "State"). Since she took office, Attorney General Moody has been heavily involved in leading both the State's ongoing opioid litigation and several different negotiations with defendants in that litigation. Those negotiations have included litigation counsel representing cities and counties.

As part of those negotiations to enable Florida to achieve the maximum amount recoverable for both the State and its subdivisions, the State has been negotiating for a lengthy time with outside counsel for nearly all litigating political subdivisions within the State. After multiple sessions and significant compromise by both sides, the attached memorandum of understanding ("MOU") has been reached. We have offered and the lawyers for the litigating subdivisions are recommending to their clients that the attached MOU be accepted. This proposal is the result of numerous meetings and includes feedback and comments from many local subdivisions. Based on the status of this litigation, the likely structure of any resolution, the potential litigation risks in the absence of such an agreement, the State believe that this proposal reflects a reasonable compromise between the State and its political subdivisions.

The purpose of this letter is to summarize the primary terms of the MOU and attempt to anticipate questions that you, your commission, and your internal and/or other legal counsel may have regarding this litigation and allocation proposal.

### What cases does this MOU apply?

This allocation agreement is intended to govern the distribution of settlement proceeds obtained through the Purdue Pharma L.P. ("Purdue") bankruptcy, the Mallinckrodt PLC ("Mallinckrodt") bankruptcy, the distributor (Cardinal Health, Inc., McKesson Corp., and AmerisourceBergen Corp. (collectively referred to as the "Distributors")) and Johnson & Johnson ("J&J") potential deal, as well as any additional settlements obtained related to the opioid litigation.

## Why is an allocation agreement necessary and why now?

Almost 100 political subdivisions within the State of Florida, as well as the State of Florida itself, have filed suit against numerous entities engaged in the manufacture, marketing, promotion, distribution or dispensing of opioids. Another 30 political subdivisions within the State of Florida have filed claims in the Purdue bankruptcy.

The State and the Plaintiffs' Executive Committee for the Opioid Litigation Multi-District Litigation panel (the "PEC") are in ongoing negotiations with Purdue, Mallinckrodt, the Distributors, and J&J with potential resolutions anticipated in the coming weeks. Under the likely settlement structure for these cases, states and their political subdivisions are strongly incentivized to reach a joint resolution of all State and political subdivision claims. Under the Distributor and J&J deal, the State and its subdivisions receive a substantially larger settlement amount the higher the number of subdivisions sign on to the deal. Therefore, it is in the best interest of all political subdivisions and the State of Florida to reach an allocation agreement which will permit the joint resolution of all claims within the state.

The deals contemplate the need for relatively quick buy in by subdivisions in order to maximize recovery. The pace of negotiations is accelerating, and Purdue has filed its plan of reorganization. Given this accelerating pace, there is a greater sense of urgency among all counsel to come to agreement and resolve how monies are going to be allocated, so that we can move Purdue, Mallinckrodt, and other potential settlements toward finality. Given the Sunshine law, the likely need for public notice and comment, and the complexity of the deals, we need to agree to an allocation plan now to ensure that Florida maximizes recovery.

### How can funds be utilized?

You will see as you review the MOU that the State and its subdivisions, who execute this MOU, are agreeing that almost all the funds from any settlement will go to abatement activities. In other words, funds must be utilized for strategies, programming and services used to expand the availability of treatment for individuals impacted by Opioid Use Disorder or co-occurring Substance Use Disorder and Mental Health disorders ("Approved Purposes"). A non-exclusive list of potential abatement programs and uses are included in Exhibits A and B to the agreement. The list was developed nationally consulting with public health officials in multiple states, experts for the states and subdivisions, and officials within the United States Department of Health and Human Services. These uses are intended to best serve the overall purpose and

intention of this litigation, which is to abate the continuing public health crisis of opioid addiction within our communities.

While supported by the State, this requirement was imposed the defendants for tax and other reasons. It is also necessary to militate against the United States seeking substantial amounts of settlement funds from both the State and subdivisions as recoupment.

## How are the funds allocated amongst the States?

While not part of the MOU, the States have been negotiating the national allocation for almost two years with an agreement reached in late 2019. Florida's interstate allocation is 7.03%. That allocation is the second largest allocation in the nation ahead of Texas, which is the second largest state. Florida is one of a handful of states whose allocation is greater and greater by a significant percentage above its population (Florida has 6.54% of the United States' population). The only states that have larger gains over their population are the opioid belt states: West Virginia, Kentucky, etc. The interstate allocation is the product of two measures. One calculated by the PEC and the other calculated by the States. The data sets chosen are slightly different (including different years and what measures were selected), but the main difference is that some states demanded that population play a more significant factor in the state allocation and it is not a factor in the PEC calculation. Given how much Florida's allocation percentage is above its population risks in the absence of such an agreement, it would be our recommendation that cities and counties accept the interstate allocation.

# How much money does the State expect for it and its subdivisions?

It depends. Each of the current or proposed settlements are for different lengths of time and each contain different variability. In Purdue, payments are paid over a ten-year period and vary with the performance of the ongoing business of the new company and payments from third parties. In Mallinckrodt, payment amounts are still being negotiated, but will be paid over seven years and will vary depending on the value of the emerging company seven years later as part of the recovery is warrants in the re-emerged company. In the Distributor and J&J proposed deal, the proposed deal is over eighteen years and the amount paid varies depending on subdivision participation and whether other subdivisions file opioid related litigation in the future. As part of the MOU, the State is willing to seek judicial or legislative action to reduce the variability of the monies, especially in connection with the Distributor and J&J deal. Our current best guess based on projections and assuming total participation is \$120-140M a year for the first few years, \$90-110M a year for the middle years, and then \$60-70M a year for the later years of the deal for the State and its subdivisions. Again, these numbers can and will vary and hopefully will increase if additional settlements are reached.

# How are the funds allocated amongst the State and its subdivisions?

This Proposal divides all settlement funds between three funds: (1) the City/County Fund; (2) the Regional Fund; and (3) the State Fund.

L

a.

The <u>City/County Fund</u> consists of 15% of the total settlement amounts allocable to the State of Florida. These funds are distributed to all counties and qualifying municipalities in the State of Florida.

The allocation of the City/County Fund between counties and municipalities is based on a model referred to as the "Negotiation Class Metrics." This model was developed in the National Prescription Opiate MDL by the PEC, and considers: (1) the amount of opioids shipped to the county; (2) the number of opioid deaths that occurred in that county; and (3) the number of people who suffer opioid use disorder in that county. Allocations between counties and municipalities within each county use historical federal data showing how the specific county and the cities within it have made opioids-related expenditures in the past.

We have attached a spreadsheet to this letter that provides you an estimated amount per year for an amount within each range in the previous question.

The <u>Regional Fund</u> consists of a sliding scale between 30% and 40% of the total settlement amounts allocable to the State of Florida, with the largest percentages occurring in the immediate years after settlement and decreasing over time.

These funds are allocated to counties in accordance with the "Negotiating Class Metrics" described above. In the case of counties with a population of over 300,000, and which satisfy other criteria regarding abatement infrastructure, (termed "Qualified Counties") these funds are provided directly to the county. For the remainder of counties within the State, these funds are provided to the Managing Entity (the entity that the State has contracted with to provide substance abuse treatment) for that county, to be spent on approved purposes within the region that the county is a part.

For Counties with populations greater than 300,000: We encourage you to review the definition of Qualified County in the MOU, so that you can understand the other requirements that you will have to meet. Importantly, the definition of Qualified County requires that you reach an agreement with at least some municipalities (at least 50% of the population) within your county as to how these funds are spent. The requirements of such agreements are subject to further discussion and negotiation.

We have attached a spreadsheet to this letter that provides you an estimated amount per year for an amount within each range in the previous question. The amount will vary for qualified counties depending on how many municipalities in that County: (1) join a settlement; and (2) enter an agreement with a County.

For Counties with populations less than 300,000 or that do not qualify as a Qualified County: Currently, a majority of the monies being utilized to respond to the opioid epidemic in the State flow through Managing Entities located regionally who provide service in each community. When we traveled the state before COVID and had discussions with many of you, most (outside a couple large counties) indicated that they

had a good working relationship with their Managing Entity. Indeed, several indicated that they were already involved with their Managing Entity. The actual dollar amounts annually paid to smaller counties under the contemplated settlement agreements are not substantial enough to support standalone programs. Given that reality, but wanting to maximize services locally, it made sense to have the monies flow through the existing structure to expand services in each county. If there are issues or problems with Managing Entities, we are happy to engage. We are also happy to try and help communities get involved in or engage with their Managing Entity.

We have attached a spreadsheet to this letter that demonstrates the amounts attributable to each county per year for an amount within each range in the previous question.

The <u>State Fund</u> consists of the remaining 45% to 55% of the total settlement amounts allocable to the State of Florida, depending on the amount of the Regional Fund above. As with the City/County Fund and Regional Fund, these funds must be spent on Approved Purposes

## Why should we agree to this allocation?

The proposed allocation in the MOU is better than the alternative that subdivisions will receive if they do not enter an agreement with the State. Two of the defendants who we have negotiated with, Purdue and Mallinckrodt are now in bankruptcy. In advance of and in connection with those bankruptcies, the states, the PEC, and city and county representatives negotiated a default intrastate allocation and agreed that it will apply unless a state and its cities and counties agree to something else. A Deputy County Attorney for Broward County, Florida, was involved in the negotiations related to Purdue. Something like the Purdue default allocation is currently in the draft connected to the Distributor and J&J deal.

The allocation above is superior for Florida's subdivisions than that default allocation. Indeed, the State offered substantial improvements over those terms from the beginning of the negotiations that led to this MOU. We have attached a copy of the Purdue abatement term sheet for your review. Under that default allocation, there is no city/county fund. Only subdivisions with populations greater than 400,000 people are eligible to receive any monies directly. Almost all the monies will flow through the Managing Entities who are regionally supplying services. The allocation percentages for the regional bucket are dollar based and decrease to half, far more quickly than in the MOU. In other words, the allocation in this MOU allows a far greater recovery directly to each Florida city and county than the alternative and greater recoveries regionally for all subdivisions.

The allocation is also better than the cities and counties would achieve if damages were proportionally allocated. In the Purdue bankruptcy, over one hundred twenty-five Florida subdivisions filed proofs of claims. When the size of those claims is compared to that of the State's claim, the State's claim was more than four, almost five times larger than all the subdivisions' claims combined. Subdivisions are getting substantially more than what their proportional share would be. The State is willing to agree to the larger because it frankly reflects the reality of how monies are currently being spent and is consistent with how the legislature has been appropriating monies to combat this crisis.

# If individual subdivisions do not agree to a settlement, what will happen?

If there are hold outs or subdivisions that do not respond, the MOU contemplates that the State will either file a new suit or sever its claims against settling defendants from its existing opioid lawsuit and add political subdivisions and through either a class action mechanism or declaratory relief seek to bar future subdivision claims. Such action is necessary to ensure that the State and any subdivisions that agree to a settlement maximize their recoveries. This not a novel position and there is a substantial body of Florida law that exists that the State may resolve and release public claims including subdivision claims.<sup>1</sup> That being said, the State would prefer that we reach agreement on the allocation under the proposed MOU and handle things consensually. But, if there are holdouts, the State is prepared to litigate or seek legislation from the legislature to ensure that cities and counties that agree to this MOU are protected and will receive the recovery contemplated under the allocation.

## What are the next steps and the timeline?

We would ask that you review the attached MOU and proposed model resolution supporting an agreement on the MOU terms. We will be scheduling calls to answer questions about the MOU. We would ask each subdivision to think about who is attending each session and ensure that any of those discussions will not violate Florida's government-in-the-sunshine law. If you will contact my administrator, Janna Barineau, by e-mail (Janna.Barineau@myfloridalegal.com), we will include you in those discussions. After those discussions, we would then ask that you follow Florida law for approving such a resolution by your commission and in due course, pass it, and return a copy to me at the address on the first page of the letter. Potential settlements are anticipated in the coming weeks or months, but I cannot tell you exactly when a settlement will be finalized. These proposed settlements are

<u>Section 5.3</u> <u>Annual Rental Amount.</u> The tenant will pay an annual minimum rent of \$500 per student of actual enrollment (not estimated), not to ever be less than \$737,500 annually, less any rent credit earned pursuant to Section 5.7. Rent Credits *infra*.

<u>Section 5.4 Rent Adjustments:</u> Rent will increase on an annual basis based upon the annual increase of the Consumer Price Index for all Urban Consumers (CPI-U) as measured from the beginning of the last anniversary of the lease to the month preceding the current anniversary of the lease, or upon the percentage increase in State and federal funding per pupil that the Tenant has received or will receive for the next year of tenancy, whichever is greater. Rent increases will become effective each year on the anniversary of the Lease Term. In no event will Rent be decreased except as may be decreased through lease credits granted pursuant to § 5.7 Rent Credits *infra*. In determining the percentage increase in State funding received by the Tenant per pupil, the parties agree to refer to the latest Every Student Succeeds Act (ESSA) per-pupil expenditure report as published by the Florida Department of Education as such pertains to Orange County, Florida. Such percentage increase will be measured by the percentage increase in per pupil state and federal funding to eligible schools throughout Orange County, Florida.

<u>Section 5.5 Additional Rent</u>. All sums, liabilities, obligations, and other amounts which Tenant is required to pay or discharge pursuant to this Lease, including taxes (if any) and insurance premiums, in addition to Annual Rent, together with any finance charge, late fees, or other sums which may be added for late payment thereof, shall constitute "Additional Rent" hereunder. The Annual Rent, Additional Rent, and any other sums required to be paid by Tenant to Landlord hereunder are collectively referred to as the "Rent". All Rent shall be paid without deduction, offset, prior notice, or demand as directed pursuant to this Lease.

<u>Section 5.6</u> Late Charges and Default Interest. If any installment of Rent is not paid within ten (10) business days after its due date, then such arrearage shall (i) bear 5% interest from the due date for amounts past due to the Landlord until paid in full; (ii) include a reasonable administrative charge to cover the costs of processing and handling delinquent debts, but not in excess of \$100.00; and (iii) include an assessment of an additional 5% penalty charge on any portion of a debt that is more than 90 days past due.

<u>Section 5.7</u> <u>Rent Credits:</u> Notwithstanding anything to the contrary, the Landlord will provide tenant with an incentive to enroll Belle Isle students to better serve the local population of the City of Belle Isle in the form of rent credits. Rent Credits will be based on the number of Belle Isle Students enrolled at the beginning of the school year as a percentage of the total student enrollment as follows:

BI Student Population increase to 30% of the total student population:	10% rent credit
BI Student Population increase to 40% of the total student population:	15% rent credit
BI Student Population increase to 50% of the total student population:	20% rent credit

Enrollment records, including verification of student home addresses, will be subject to audit in order to confirm that the Tenant qualifies for the credits allowed pursuant to this section. If such enrollment records are not disclosed to the Landlord, then the Landlord reserves the right to revoke any rent credits granted pursuant to this section and will be entitled to repayment of same from the Tenant.

#### Section 5.8. Payments.

Section 5.9. Taxes and Assessments. Tenant shall pay and discharge, punctually as and when the same shall become due and payable, each and every item of expense, of every kind and nature whatsoever relating to the ownership, use, maintenance, operation, or occupancy of the Property, or for the payment of which Landlord is, or shall or may be or become, liable by reason of any rights or interest of Landlord in or under this Lease, including all real estate taxes, personal property taxes, privilege taxes, excise taxes, business and occupation taxes, gross sales taxes, including any sales tax imposed on the rental payments hereunder or under a sublease, occupational license taxes, water charges, sewer charges, assessments of any nature and all other governmental impositions and charges of every kind and nature whatsoever (collectively, the **"Taxes,"** and individually, a **"Tax"**), when the same shall be due and payable without penalty or interest. It is the intention of the parties hereto that, insofar as the same may lawfully be done, Landlord shall be, except as specifically provided for herein, free from all expenses in any way related to the Premises and the use, maintenance, or occupancy thereof.

Section 5.10. Pledge By Tenant. In order to secure the payment in full of the Bonds and payment of all sums due or to become due under this Lease, including advances which may be made in the future, and to secure the performance by the Tenant of all the covenants expressed or implied by this Lease (a) the Tenant hereby grants, bargains, sells, conveys and mortgages unto the Landlord, to the extent permitted by law and subject to any and all Permitted Encumbrances, all of the Tenant's interest in the Leased Property and the facilities, buildings, fixtures, equipment, personal property of every kind in connection therewith, and other improvements located or to be constructed thereon, and any fixtures or appurtenances now or hereafter erected thereon; together with all rents and leases, profits, royalties, mineral rights, geothermal resources, oil and gas rights and profits, easements and access rights, now owned or hereafter acquired by, used by or belonging to the Tenant, or in any way connected with the Leased Property, all of which are declared to be a part of said Leased Property, and all of the Tenant's rights, privileges, benefits, hereditaments and appurtenances in any way belonging, incidental or appertaining to the Leased Property, subject to Permitted Encumbrances, and (b) the Tenant hereby pledges and grants to the Landlord, to the extent permitted by law and subject to any and all Permitted Encumbrances, a present security interest, within the meaning of the Florida Uniform Commercial Code in the Charter School Revenues, whether now owned or hereafter acquired, and including the products and proceeds of the same.

b.

The foregoing provisions of this Section 5.10 constitute an absolute and unconditional present assignment of the Charter School Revenues, subject however to the conditional permission hereby given to the Tenant to collect and use Charter School Revenues so long as no Event of Default under this Lease shall have occurred and be continuing, upon which Event of Default that permission shall automatically terminate; provided that the existence or exercise of any privilege of the Tenant granted pursuant to that permission shall not be construed and shall not operate to subordinate the assignment made or the security interest granted in this Section 5.4, in whole or in part, to any subsequent assignment made or security interest granted by the Tenant. The assignment, security interest, and agreement to pay shall not inhibit, and this Lease allows (except as otherwise herein provided), the sale or other transfer of such Charter School Revenues for Tenant expenditures, provided that an Event of Default will not have occurred and be continuing or occur on account of such sale or transfer.

Tenant shall execute any and all documentation necessary to convey all right title and interest in said Improvements to be so retained by the Landlord.
- b. Demolition and Removal of Improvements. In the event the Landlord does not exercise its right to retain the Improvements, then within one hundred eighty (180) days after the Expiration Date or termination date of this Lease (the "Removal Period"), Tenant shall demolish and/or remove, any and all the improvements placed, constructed or installed on the Leased Premises by or for the benefit of Tenant and any and all improvements placed, constructed or installed on the Installation (outside the Leased Premises) by Tenant or for the benefit of Tenant and Tenant shall restore the Leased Premises and the Access Area(s) to a condition substantially similar to the condition they existed in on the Lease Effective Date; reasonable wear and tear excepted. Notwithstanding the foregoing or anything to the contrary in this Lease, the Landlord may, in its sole discretion, require Tenant to remove all improvements from the Leased Premises to the condition that existed before the construction of improvements on the Leased Premises, whether such construction was performed by Tenant or a predecessor of Tenant in the operation of school(s) on the Leased

Premises. If the Tenant shall fail comply with the requirements of this section, then, at the option of the Landlord, the Improvements shall either become the property of the Landlord without compensation or cost to the Landlord, or the Landlord may cause it to be removed and the Leased Premises and Access Area(s) to be so restored at the expense of the Tenant, and no claim for damages against the Landlord or its officers, employees, or agents shall be created by or made on account of such removal and restoration work. Tenant's surrender of the Improvements shall not be deemed to be a payment of rent in lieu of any Rent due under this Lease.

c. Demolition Reserve Account. To secure performance of the Tenant's requirement to demolish and remove all Improvements and restore the Leased Premises and the Access Area(s), Tenant shall, no later than two (2) years prior to the Expiration Date or no later than thirty (30) days after receipt of a Notice of Termination from the Landlord or any delivery of notice of termination by Tenant to the Landlord pursuant to this Lease, establish an escrow account into which Tenant shall deposit all funds necessary and required to comply with the requirements of this Section (the "Demolition Reserve Account"). The Demolition Reserve Account shall be established at a national banking institution or commercial escrow holder approved by the Landlord. The amount of funds deposited into the Demolition Reserve Account shall be established by a written estimate issued by a qualified construction and demolition expert approved by the Landlord, to be reviewed and approved by the Landlord, for all costs of demolishing and removing all Improvements on the Leased Premises and the Access Area(s) and restoring the Leased Premises and Access Area(s) to a condition substantially similar to the condition they were in on the Effective Date, reasonable wear and tear excepted (the "Demolition Cost Estimate"). The Demolition Reserve Account shall be established by written escrow agreement mutually agreed and entered into by the Tenant and the Landlord (the "Demolition Reserve Account Escrow Agreement"). The Demolition Reserve Account Escrow Agreement shall provide that funds in the Demolition Reserve Account shall be used solely to fulfill Tenant's obligations under this Section and provide that all disbursements from the Demolition Reserve Account shall be made upon Tenant's written direction to the escrow holder with the consent of the Landlord, provided that upon the occurrence of an Event of Default and the expiration of any applicable cure period provided for in this Lease, all disbursements from the Demolition Reserve Account shall be made solely upon the Landlord's written direction to the escrow agent without the consent of Tenant, or any other person. The Demolition Reserve Account Escrow Agreement shall provide that Tenant grants to the Landlord a continuing first lien security interest in and to all of Tenant's right, title, and interest in the Demolition Reserve Account, as well as all funds held, or designated for deposit in the Demolition Reserve Account, whether then owned, existing, or thereafter acquired, and regardless of where located, as security solely for the performance of Tenant's obligations under paragraph (a) of this Section and not as security for any other obligation of Tenant to Landlord. Tenant shall not grant or allow any other security interests in, liens to, or encumbrances on the Demolition Reserve Account or the funds in it. Tenant shall deliver to the Landlord for filing one or more financing statements, as necessary, in connection with the Demolition Reserve Account in the form reasonably required by the Landlord to properly perfect its security interest in the Demolition Reserve Account, and shall keep the lien secured by such statements perfected at all times during the existence of the Demolition Reserve Account in accordance with the laws of the State of Florida. Tenant shall deliver to the Landlord, within ten (10) days after filing, the original and any amendments to, and continuations of, any financing statement. Except as otherwise expressly provided in the Demolition Reserve Account Escrow Agreement, Tenant shall be solely liable to the escrow agent for the fees and expenses related to the Demolition Reserve Account.

- d. <u>Closeout Reports</u>. To demonstrate Tenant's compliance with obligations and requirements of this Lease, Tenant shall, at its sole cost and expense, provide a Final Physical Condition Report and the EBS Reports (each as herein after defined and collectively referred to as, the "Closeout Reports"). In the event that the Closeout Reports identify a physical or environmental condition on or at the Leased Premises and/or the Access Area(s) arising or due to the actions or inactions of Tenant, its employees, agents, contractors, licensees, or invitees or otherwise their use and occupancy of the Leased Premises, Tenant shall (at its sole cost and expense) promptly undertake and pursue diligently to completion any remedial measures required by the Landlord or any Landlord authority having jurisdiction.
  - i. No later than sixty (60) days prior to the later of: (a) the Expiration Date or earlier termination date of this Lease, or (b) the expiration of the Removal Period, if the Landlord does not exercise its right to retain any or all the Improvements, Tenant shall prepare a final physical condition report setting for the physical appearance and condition of the Leased Premises as of the Expiration Date of this Lease or the expiration of the Removal Period, whichever is later, to be mutually agreed to and signed by the Parties (the "Final Physical Condition Report"). The Landlord may compare the Final Physical Condition Report to the Initial Condition Report to identify changes regarding the physical condition of the Lease.
  - ii. No later than sixty (60) days prior to the latter of: (a) the Expiration Date or earlier termination date of this Lease, or (b) the expiration of the Removal Period, if the Landlord does not exercise its right to retain any or all the Improvements, Tenant shall commence a Phase I Environmental Baseline Survey ("Phase I EBS") in accordance with any standards recognized or required by the Landlord at the time. If the Phase I EBS reveals any areas of environmental concern that were not based upon matters disclosed in the Landlord's Environmental Documents and which, in the Landlord's reasonable discretion, warrant further investigation, Tenant shall, at its sole cost and expense, commence a Phase II Environmental Baseline Survey ("Phase II EBS") in accordance with the reasonable instructions and standards recognized or required by the Landlord at the time, including sampling and analysis of soil and groundwater, necessary to determine whether or not contamination has occurred. Copies of the Phase I EBS and the Phase II EBS and any other supplemental EBS reports made pursuant to this Section (collectively, the "EBS reports") shall be certified to be for the benefit of the Landlord by the duly authorized, licensed, and qualified environmental consultant performing or creating the EBS reports. The Landlord may compare the EBS Reports to the Environmental Documents to identify any environmental conditions which may have occurred on the Leased Premises and the Access Area(s) during the Term of this Lease.

<u>Section 14.5. No Recourse.</u> Tenant shall look solely to Charter School revenues for satisfaction of any remedy it may have against Landlord and shall not look to any other assets of

Landlord or of any other person, firm or corporation. There shall be absolutely no personal liability on the part of any present or future council member, officer, agent, employee, or representative of the Landlord, or the like, or any of its successors or assigns, with respect to any obligation of Landlord hereunder.

Section 14.6. No Money Damages. Wherever in this Lease Landlord's consent or approval is required, if Landlord refuses to grant such consent or approval, regardless of whether Landlord expressly agreed that such consent or approval would not be unreasonably withheld, Tenant may not make, and Tenant hereby waives, any claim for money damages (including any claim by way of set-off, counterclaim or defense) based upon Tenant's claim or assertion that Landlord unreasonably withheld or delayed its consent or approval. Tenant's sole remedy shall be an action or proceeding to enforce such provision, by specific performance, injunction or declaratory judgment. In no event shall Landlord be liable for, and Tenant hereby waives any claim for, any indirect, consequential or punitive damages, including loss of profits or business opportunity, arising under or in connection with this Lease, even if due to the gross negligence or willful misconduct of Landlord or its members, officers, agents or employees.

<u>Section 14.7. Landlord's Defaults.</u> Upon a default by Landlord under this Lease, Tenant shall have all rights and remedies available under the law or in equity, but specifically excluding rights of setoff or abatement as to Charter School Revenues and Rent.

Section 14.8. Waiver of Trial by Jury. LANDLORD AND TENANT AND THEIR ASSIGNS, HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER PARTY AGAINST THE OTHER ON ANY MATTERS IN ANY WAY ARISING OUT OF OR CONNECTED WITH THIS LEASE, THE RELATIONSHIP OF LANDLORD AND TENANT, TENANT'S OR LANDLORD'S USE OR OCCUPANCY OF THE LEASED PROPERTY, OR THE ENFORCEMENT OF ANY REMEDY HEREUNDER.

<u>Section 14.9.</u> Costs and Attorneys' Fees. If either party shall bring an action to recover any sum due hereunder, or for any breach hereunder, the prevailing party shall be entitled to receive all of its costs and reasonable attorneys' fees from the non-prevailing party.

<u>Section 14.10.</u> Indemnification. To the extent permitted by law, and as limited by Section 768.28, Florida Statutes, Tenant covenants and agrees, at its sole cost and expense, to indemnify and hold harmless the Landlord-Related Parties (as defined in this <u>Section 6.1</u> below) and Mortgagee against and from any and all loss, cost, damage, or claims by or on behalf of any person, firm, or corporation (a) from the conduct or from management of or from any work or thing whatsoever done in or about the Premises during the Term hereof, (b) from the operation, management, maintenance, repair, use, or occupation of the Premises, and the condition of any building or other Improvements on the Premises, (c) from any breach or default on the part of Tenant in the performance of any covenant or agreement on the part of Tenant to be performed, pursuant to the terms of this Lease, and (d) from any act, whether or not negligent, by Tenant, or any of its agents, contractors, servants, employees or licensees, or arising from any accident, injury or damage whatsoever occurring during the Term hereof in or about the Premises. In case any action or proceeding be brought against the Landlord-Related Parties by reason of any such claim Tenant, upon notice from the Landlord-Related Parties, covenants to resist or defend such action or proceedings by counsel chosen by Tenant, but reasonably satisfactory to Landlord. As used in this

Lease, the term "Landlord-Related Parties" shall mean, collectively, Landlord and the Landlord's shareholders, directors, officers, partners, members, employees, representatives, agents, and their successors and assigns.

Section 14.11. Waiver. The waiver by either party hereto of any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of any amounts by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant or condition of this Lease, other than the failure of Tenant to pay the particular rental so accepted, regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such rent. No covenant, term or condition of this Lease shall be deemed to have been waived by either party hereto, unless such waiver be in writing by that party.

<u>Section 14.12. Force Majeure.</u> Except as otherwise expressly provided in this Lease, any prevention, delay or stoppage caused by fire, earthquake, explosion, flood, hurricane, the elements, or any other similar cause beyond the reasonable control of the party from whom performance is required, or any of their contractors; acts of God or the public enemy; actions, restrictions, limitations or interference of governmental authorities or agents; war, invasion, insurrection, rebellion; riots; strikes or lockouts, or inability to obtain necessary materials, goods, equipment, services, utilities or labor shall excuse the performance of such party for a period equal to the duration of such prevention, delay or stoppage; provided, however that (i) in no event shall financial incapability excuse the performance of either party, (ii) the terms of this Section 14.12 shall in no event excuse Tenant's obligation to timely pay Annual Rent and the other sums owing under this Lease.

Section 14.13 Waiver of Claims for Defects. Tenant further covenants and agrees that Landlord shall not be liable to Tenant, or any one claiming by, through or under Tenant, for any defect in the Premises, or any buildings, building components, fixtures, apparatuses and personal property located thereon latent or otherwise for any injury, loss or damage to any persons or to the Premises, or to any property of Tenant, or of any other person, contained in or upon the Premises, caused by or arising or resulting from such defect.

#### ARTICLE XV GOVERNMENT RIGHTS

Section 15.1 Government Rights Not Impaired. Nothing contained in this Lease shall be construed to diminish, limit, or restrict the reasonable exercise of any right, prerogative, or authority of the City over the Leased Premises relating to the security or the health, welfare, safety, or security of persons on the Leased Premises, as established in law, regulation, or ordinances.

Section 15.2 Government Continued Right of Entry. In addition to the City's Use of the Schools as set forth in Section 6.1, subject to the terms and upon the conditions set forth in this Section, any agency of the City, its officers, agents, employees, and contractors, may enter upon the Leased Premises, at all times for any purposes not inconsistent with Tenant's quiet use and enjoyment of them under this Lease, including, but not limited to, the purpose of inspection and ensuring that the terms and conditions of this Lease are being met. The City shall have the right to enter the Leased Premises at any time during business hours (9:00 am to 5:00 pm, Monday through Friday) upon at least twenty four (24) hours advance written notice to Tenant. Notwithstanding the foregoing, however, in the event of a declared emergency, the City may enter the Leased Premises at any time. Further, the City acknowledges and agrees that any entry upon the Leased Premises by the City, its employees, agents, contractors or representatives shall be at their sole risk, and in no event shall Tenant be liable to the City or any such person for any personal injury, loss of life or property damage resulting from or occasioned by their entry onto the Leased Premises, except and to the extent arising from or caused by the negligent or willful acts of Tenant.

Section 15.3 Permanent Removal and Disbarment. Without limiting the foregoing, and notwithstanding anything contained in this Lease to the contrary, the City and Tenant have the right at all times to order the permanent removal and disbarment of anyone from the Leased Premises if either determines, in its sole discretion, that the continued presence on the leased Premises of that person represents a threat to the security of the Leased Premises, poses a threat to the health, welfare, safety, or security of persons on the Leased Premises, or compromises the Leased Premises in any way.

Section 15.4 Sovereign Immunity. Landlord expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Regardless of anything set forth in any part or section of this Lease Agreement to the contrary, nothing in this Lease may be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability that may have been or may be adopted by the Florida Legislature, and the cap on the amount and liability of the City for damages, regardless of the number or nature of claims in tort, equity, or contract, may not exceed the dollar amount set by the legislature for tort. Nothing in this agreement may inure to the benefit of any third party for the purpose of allowing any claim against the Landlord, which claim would otherwise be barred under the doctrine of sovereign immunity or by operation of law.

#### ARTICLE XVI MISCELLANEOUS

<u>Section 16.1 Recitals.</u> The recitals made in this Lease are true and correct and are hereby incorporated by this reference.

<u>Section 16.2 Effective Date.</u> The "Effective Date" of this Lease shall be the last date upon which a Party executes this Lease as shown on the signature pages hereto.

<u>Section 16.3 Brokers.</u> Each of the parties represents and warrants there are no claims for brokerage commissions or finders' fees in connection with the execution of this Lease and each of the parties agrees to indemnify and hold harmless the other from any and all liabilities, costs and expenses (including attorneys' fees) arising from such claim made by or through the indemnifying party.

Section 16.4. Assignment and Subletting. Tenant shall not transfer, assign, or sublet this Lease, in whole or in part, or any of its rights or obligations hereunder, without the written consent of the Landlord. Any transfer, assignment or sublease which is not in strict compliance with the terms and conditions of this Section shall be void ab initio, and shall be of no force and effect whatsoever. So long as an Event of Default has occurred and is continuing, Tenant shall not have the right to assign, mortgage, pledge, encumber, or otherwise transfer this Lease or any portion thereof, whether by operation of law or otherwise, and shall not sublet (or underlet), or permit the Leased Property or any part thereof to be used or occupied by others (whether for desk space, mailing privileges or otherwise), without first obtaining the prior written consent of Landlord in the Landlord's sole discretion and that the Tenant may assign, or otherwise transfer this Lease as permitted by the Landlord so long as the rent from the assignee or other transferee equals or exceeds fair market rent at that time. Any assignment, sublease, mortgage, pledge, encumbrance or transfer in contravention of the provisions of this Section shall be void. The consent by Landlord to any assignment, sublease, mortgage, pledge, encumbrance or transfer shall not be construed as a waiver or release of Tenant from any and all liability for the performance of all covenants and obligations to be performed by Tenant under this Lease, nor shall the collection or acceptance of rent from any assignee, transferee or tenant constitute a waiver or release of Tenant from any of its liabilities or obligations under this Lease.

<u>Section 16.5.</u> Prohibition on Transfer of Real Property. Tenant shall not permit any sale, conveyance, assignment, transfer, mortgage or lease any or all of their interest in the Leased Property for the duration of the Term.

<u>Section 16.6 Leasehold Encumbrances/Financing of Improvements.</u> Tenant shall not encumber any leasehold estate nor its interest in the Improvements under any circumstances, whether by the execution and delivery of a mortgage, deed of trust or collateral assignment of lease.

Section 16.7. Applicable Law. The laws of the State of Florida shall govern the validity, performance and enforcement of this Lease. Venue for any and all claims brought hereunder or in connection herewith shall be in Orange County, Florida. At all times during the Term of this Lease, with respect to all actions taken hereunder and in exercising the rights and privileges granted hereby, Tenant shall comply with and require all of its officers, employees, agents,

suppliers, contractors, licensees and invitees to comply with all applicable federal, state, and local laws, rules, regulations, requirements, ordinances, policies, directives and instructions including the Environmental Laws (collectively, the "**Applicable Laws**"), as may be in effect or modified from time to time during the Term of this Lease.

Section 16.8. Estoppels. Within seven (7) days following request from Landlord, Tenant shall deliver to Landlord a written statement executed and acknowledged by Tenant, in form satisfactory to Landlord, (a) stating the Effective Date and the expiration date of the Term and that this Lease is then in full force and effect and has not been modified (or if modified, setting forth all modifications), (b) setting forth the date to which the Rent has been paid, (c) stating whether or not, to the best of Tenant's knowledge, Landlord is in default under this Lease, and, if Tenant asserts that Landlord is in default, setting forth the specific nature of any such defaults, (d) stating whether Landlord has failed to complete any work required to be performed by Landlord under this Lease, (e) stating whether there are any sums payable to Tenant by Landlord under this Lease, (f) stating the amount of any security deposit under this Lease, (g) stating whether there are any subleases or assignments affecting the Leased Property, (h) stating the address of Tenant to which all notices and communications under this Lease shall be sent, and (i) responding to any other matters reasonably requested by Landlord. Tenant acknowledges that any statement delivered pursuant to this Section may be relied upon by any purchaser or owner of the Leased Property.

Section 16.9 Bankruptcy. If any voluntary or involuntary petition is filed under the United States Bankruptcy Code by or against Tenant (other than an involuntary petition filed by or joined in by the City), Tenant shall not assert, or request any other party to assert, that the automatic stay under the Bankruptcy Code operates to stay or otherwise affect the City's ability to enforce any rights it has under any agreement between the Parties, or any other rights that the City has, whether now or hereafter acquired, against any party responsible for the debts or obligations of Tenant under such agreements. Tenant shall not seek a supplemental stay or any other relief, whether injunctive or otherwise, pursuant to the Bankruptcy Code, to stay or otherwise affect the City's ability to enforce any of its rights under such agreements against any party responsible for the debts or obligations of the Tenant. The covenants in this Section are material in inducing the City to enter into this Lease and Tenant agrees that no grounds exist for equitable relief that will bar or impede the exercise by the City of its rights and remedies under such agreements against Tenant or any party responsible for the debts or obligations of Tenant. If any part of Tenant's interest in the Leased Premises or the Improvements becomes the property of any bankruptcy estate or subject to any state or federal insolvency proceeding, the City shall immediately become entitled, in addition to all other relief to which the City may be entitled under law or any agreement between the Parties, to obtain (i) an order from the Bankruptcy Court or other appropriate court granting immediate relief from the automatic stay pursuant to the Bankruptcy Code to permit the City to pursue its rights and remedies at law and in equity under applicable state law, and (ii) an order from the Bankruptcy Court prohibiting Tenant's use of all "cash collateral," as defined under the Bankruptcy Code. In connection with such Bankruptcy Court orders, Tenant shall not assert in any pleading or petition filed in any court proceeding that the City lacks sufficient grounds for relief from the automatic stay. Tenant agrees that any bankruptcy petition or other action taken by Tenant to stay, condition, or prevent the City from exercising its rights or remedies under this Lease or any other agreement between the Parties shall be deemed bad faith. If any voluntary or involuntary petition is filed under the

Bankruptcy Code by or against Tenant (other than an involuntary petition filed by or joined in by the City), Tenant shall notify the City of such filing within ten (10) business days after receiving notice. If any part of Tenant's interest in the Leased Premises or Improvements becomes the property of any bankruptcy estate or subject to any state or federal insolvency proceeding, Tenant shall notify the Government of such proceeding within ten (10) business days after receiving notice of the proceeding.

<u>Section 16.10. Memorandum of Lease.</u> Tenant shall not be permitted to record a copy of this Lease on the Public Records of Orange County, Florida. Tenant shall be permitted to record a memorandum of this Lease on such Public Records setting forth the name of the parties, identifying this Lease and setting forth the expiration date and renewal options.

Section 16.11. Survival. All obligations and liabilities of Landlord or Tenant to the other which accrued before the expiration or other termination of this Lease, and all such obligations and liabilities which by their nature or under the circumstances can only be, or by the provisions of this Lease may be, performed after such expiration or other termination, shall survive the expiration or other termination of this Lease. Without limiting the generality of the foregoing, the rights and obligations of the parties with respect to any indemnity under this Lease, and with respect to Base Rent and any other amounts payable under this Lease, shall survive the expiration or other termination of this Lease.

<u>Section 16.12.</u> Interpretations. This Lease shall not be construed more strictly against one party than against the other merely because it may have been prepared by counsel for one of the parties, it being recognized that both parties have contributed substantially and materially to its preparation.

<u>Section 16.13.</u> Disputes. If a dispute regarding this Lease arises, the Parties agree to use their best efforts to resolve the dispute through negotiations and any alternative dispute resolution (ADR) methods they deem to be appropriate and are mutually agreeable. The City's obligation to make any payment arising out of an agreement resolving a dispute under this Lease is contingent upon the availability of funds for such payment. Under no circumstances will the failure of the City to appropriate sufficient funds to meet obligations hereunder constitute a default or require payment or penalty of any kind under this Lease. If the Parties are unable to resolve the dispute following unassisted negotiations and/or the ADR proceeding, the complaining party may take any additional actions it may deem necessary to resolve the dispute.

<u>Section 16.14 Notices.</u> All notices, demands and communications hereunder to Tenant or Landlord must be in writing and shall be served or given by hand-delivery, by certified United States Mail, return receipt requested, or by a nationally recognized overnight delivery service making receipted deliveries to the addresses first above appearing or to such other addresses as are hereinafter designated by either party to the other.

<u>Section 16.15</u>. Relationship of Parties. The relationship between the parties hereto shall be solely as set forth herein, and neither party shall be deemed the employee, agent, partner or joint venturer of the other, nor shall it cause any Party to be responsible in any way for the debts and obligations of the other.

Section 16.16. Third Party Beneficiary. Landlord and Tenant are the only parties to

this Lease. Nothing in the Lease provides any benefit or right, directly or indirectly, to third parties. The Parties agree to reasonably cooperate in opposing any attempt by any third person or entity to claim any benefit, protection, release, or other consideration under the Lease.

Section 16.17. Severability. Each and every covenant and agreement contained in this Lease shall for all purposes be construed to be a separate and independent covenant and agreement, and the breach of any covenant or agreement contained herein by either party shall in no way or manner discharge or relieve the other party from its obligation to perform each and every covenant and agreement herein. The invalidity or unenforceability of any provision of this Lease shall not affect or impair any other provision.

<u>Section 16.18 Headings.</u> Headings contained in this Lease are for convenience and reference only and in no way define, describe, extend, or limit the scope or content of this Lease nor the intent of any provision hereof.

<u>Section 16.19 Press Releases.</u> The Parties share a common desire to present favorable public information regarding the Lease and their association with it. To that end, the Parties shall cooperate with each other in connection with the issuance of such press releases and shall not issue any press release regarding the Lease without the prior consent of the other, which consent shall not be unreasonably withheld or delayed.

Section 16.20 Anti-Discrimination. Tenant shall comply with Federal laws, rules and regulations prohibiting discrimination any form against any person on the basis of race, color, religion, sex, gender identity, pregnancy, age, sexual orientation, marital or parental status, national or ethnic origin, citizenship, disability, genetic information, military or veteran status, or any other legally protected status. Tenant shall further maintain the Leased Property and provide its programs and services in accordance with the applicable provisions of the Americans with Disabilities Act, including Titles I, II, and III, and including any regulations, design standards, or rules promulgated or adopted pursuant thereto. Tenant further agrees to indemnify, defend, and hold harmless the Landlord from and against any claims, sanctions, penalties, or other costs, including attorneys' fees and costs, made or assessed against the Landlord arising from the Tenant's failure to comply with the requirements of this paragraph, including the Tenant's failure to provide accessible programs or facilities as required by the ADA.

Section 16.21 Time is of the Essence. Time is of the essence with respect to this Lease.

Section 16.22 Anti-Kickback Procedures. Tenant shall have in place and follow reasonable procedures designed to prevent and detect, in its own business operations, any of the following activities in connection with this Lease or any agreement relating to this Lease: (i) persons providing or attempting to provide or offering to provide any kickback; or (ii) persons soliciting, accepting, or attempting to accept any kickback. When it has reasonable grounds to believe that any of the activities described in this Section may have occurred, Tenant or Landlord shall promptly report in writing such activities to the <u>State Attorney General, State Ethics Commission and/or FDLE</u>. Tenant shall cooperate fully with any federal or state agency investigating such activities.

<u>Section 16.23</u> <u>Binding Effect and Beneficiaries.</u> The provisions of this Lease shall inure to the benefit and be binding upon the Parties hereto and their respective successors and assigns. Notwithstanding the foregoing, this Lease shall not be assignable except as expressly provided herein. This Lease is entered into for the sole benefit and protection of the Parties hereto and no other person or entity shall have any right of action under this Lease.

Section 16.24 No Individual Liability of City Officials. No covenant or commitment contained in this Lease shall be deemed to be the covenant or commitment of any individual officer, agent, employee, or representative of City, in his or her individual capacity and none of such persons shall be subject to any personal liability or accountability by reason of the execution of this Lease, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty, or otherwise.

<u>Section 16.25</u> Immunities and Defenses. Nothing in this Lease shall be construed to waive any immunity from or defense to claims which Landlord or Tenant may enjoy under federal law, including the Federal Tort Claims Act, or under state law, including the Florida Tort Claims Act.

<u>Section 16.26 Counterparts.</u> This Lease may be executed in multiple counterparts, each of which shall constitute an original and all of which when taken together shall constitute one and the same instrument. Facsimile and electronic copies of this Lease, bearing the parties' respective signatures, shall be enforceable as originals.

<u>Section 16.27</u> Interpretation. This Lease was jointly negotiated and jointly drafted by the Parties with the advice or their respective legal counsel, and it shall not be interpreted or construed in favor or against either Party on the grounds that said Party drafted the Lease. The language of this Lease shall be construed as a whole according to its fair and logical meaning and not strictly for or against any of the Parties.

Section 16.28 Notices and Consents. Any and all notices or other communications required or permitted to be given under this Lease shall be in writing and either (i) personally delivered, in which case notice shall be deemed delivered upon receipt, (ii) sent by facsimile, in which case notice shall be deemed delivered upon the sender's receipt of confirmation of transmission of such facsimile notice produced by the sender's facsimile machine, (iii) sent by any nationally recognized overnight courier service with provisions for proof of delivery, in which case notice shall be deemed delivered on the next business day after the sender deposits the same with such delivery service, or (iv) sent by United States Mail, postage prepaid, certified mail, return receipt requested, in which case notice shall be deemed delivered on the date of delivery as shown on the return receipt or the date of the addressee's refusal to accept delivery as indicated by the United States Postal Service, and in any case such notices or other communication shall be addressed to the following addresses:

#### Section 16.28 Entire Agreement; Amendments.

(a) This Lease constitutes the entire agreement of the Parties and no representations, inducements, promises, or agreements, oral or otherwise, not embodied herein shall be of any force or effect. Any change, amendment, or modification to this Lease shall not be binding upon the Parties unless it is in writing and execute by the Parties hereto.

(b) This Lease shall not be amended, modified, altered, or changed in any way, nor may any provision contained herein be waived, except by written agreement executed by the Parties hereto. Except as expressly permitted by the terms of this Lease, no modification, alteration or amendment shall be made to this Lease which adversely affects the rights of the Landlord to exercise their rights and any remedies with respect to this Lease upon the exercise of an Event of Default (as defined herein).
