Richard Willsey, Happy Hollow Road, stated he glad we had the ribbon cutting for the stormwater park. He once again stated his desires for the retention pond on the other side of Middlebrooks park to be cleaned up. He stated it is a rodent, reptile, eye sore, and public safety issue. He also said it was nice that the mayor has so much concern for public safety. Willsey asked how many snakes are in the pond and how many rodents are investing homes. He said it is nice to see the Mayor pay attention to him, then Willsey said he was blocking out everything being said, and Willsey stated he could tell by "the expression on your face".
