A. Audit Presentation - Carr, Riggs & Ingram

Tyler Dunaway with Carr, Riggs, & Ingram presented the 2023-2024 Financial Audit to the council members.

The assets of the City exceeded its liabilities at September 30, 2024 by \$31,188,919.

The City's total net position increased by \$886,473 during the year ended September 30, 2024. This increase is due in part to an increase in grant funded projects during fiscal year 2024.

Financial Statement Findings are as follows:

City personnel lack the skills and experience necessary to enable them to prepare the City's schedule of expenditures of federal awards and state financial assistance including note disclosures.

The City is in agreement with the finding noted, and will seek additional training and technical assistance for the accounting staff in the area of grants and contract accounting.

Management elected to prepare interim financial statements on the cash basis of accounting.

The City acknowledges the finding and will strive to appropriately record revenue and expenditures in the period earned or incurred.

Management does not have written procedures that comply with Uniform Guidance.

Management is in agreement with the finding noted and is in the process of formally updating its written policies and procedures.

In their opinion, the City complied, in all material respects, with the requirements of Section 218.415, Florida Statutes, for the year ended September 30, 2024.

Richard Willsey addressed the council about the city's budget. He also stated that citizens come to him regarding high water bills but would not state who they are. He said he could propose a budget for the city regarding how to cut expenses such as city vehicles being used.

Angela Willsey addressed the council members regarding several plots in the city cemetery and would like to place a granite bench for the elderly to sit on, and requested the council's approval.

Council Member Crews requested this be placed on the August 18th agenda.
