ACTION ITEMS

12. Discussion and any necessary action regarding a request to replat the property currently legally described as Mountain Heights Addition, Block 5, Lots 1, 2, & 3 into two lots. The owner plans to place a mobile home on the north lot.

City Manager, Cynthia Northrop, reviewed the request replat. The property currently consists of three lots, with a mobile home on the south half of the lot. City Manager Northrop explained that this Ordinance will clarify (along with existing use chart) that an RV cannot be used as a residence in a residential zoned area. Currently, this issue is addressed in Chapter 20, Section 51, which prohibits RV storage, parking, or maintenance on a driveway, side yard, or front yard for a continuous period of more than twenty-four hours. The Planning and Zoning Commission met on Monday, April 28, 2025, and recommended approval unanimously.

Elm, (legally described as Lots 5, 6 and the West half of Lot 4, Block 7, Original Town of Breckenridge).

Planning and Zoning Commission approved a replat on February 24, 2025, and the City Commission approved the same replat on March 4, 2025. The owner has not recorded the replat and has requested that the City's approval of the replat be cancelled. The owner would like to proceed with alternate plans for the development of the property. The Planning and Zoning Commission met on Monday, April 28, 2025, and recommended approval of the cancellation unanimously.

There was incomplete information in what was approved. This resolution provides clarification for what BEDC approved, including a \$60,000 forgivable loan prorated on \$250,000 annual payroll, \$25,000 forgivable loan prorated on \$5,000 of Sales Tax Collections, \$43,710 one-time grant, and \$10,000 one-time grant at the grand opening.

City Manager Northrop reviewed the amendment to Section 5-88 of the Code of Ordinances. The update will ensure that it covers both high-risk (floodways) and moderate-risk (floodplains) areas as defined by FEMA, supporting community resilience and continued NFIP eligibility.

19. Discussion or any necessary action regarding approval of Ordinance 2025-10 amending Chapter 10, Article I, Division 2, Section 10-8 of the Breckenridge Code of Ordinances to remove the requirement that notification be sent by certified mail.

The Current Ordinance requires the city to send notification of code violations via certified mail. This is not a requirement of state statutes and most cities do not require this step. This Ordinance will remove the requirement of notifications to be sent via certified mail and allow Code Enforcement to send notifications via regular mail.
