Mayor Hruby said the complaints from residents regarding the Sherwin-Williams construction site are being investigated and adjustments to the lights at the construction site are being considered to reduce disruption to the residents. Mayor Hruby said some of the complaints have blamed the construction, but the noise was caused by road striping which is done overnight to reduce the risk of driving through wet paint.

The City will be holding a celebration of the anniversary of City Hall on September 25th. The time capsule cornerstone will be opened and new items will be added before replacing the stone.
