ADJOURNMENT

Chairperson Kern moved to adjourn the meeting at 7:41pm.
Purpose
Act in an advisory capacity regarding the Capital Improvement Projects (CIP) list for Parks & Recreation.

Recommendation
Review the existing CIP list in order to make recommendations to the City Council for their annual review.

Background
As part of the Brisbane Municipal Code 2.20.050, the “Parks & Recreation Commission shall: act in advisory capacity in preparation of the annual budget for recreation and long-range recreation and park and playground capital improvement program as well as recommend to the City Council fees or charges to be paid by residents and nonresidents for use of city recreational facilities, or for participation in city recreational programs.”

This item was previously discussed at the P&R Commission meeting of 10/11/2023. Direction was provided to staff to include a project for permanent pickleball infrastructure and to research the cost of reconstructing Lipman Field with grass versus artificial turf.

Discussion
At this time, the Commission should review the CIP list for Parks & Recreation facilities. Commissioners may discuss the current list but should also identify priority projects in order to make recommendations to City Council.

Fiscal Impact
To be determined based on the P&R Commission’s recommendations to City Council.
