The notice to the Town and the acceptance by the Town are a contract between them to buy and sell the Property. The terms and conditions set forth in this Agreement shall govern the purchase. For purposes of a sale pursuant to this Section 4, the Purchase Price shall be the amount set forth in the Offer.

5. **Notice of Exercise Pursuant to a Request.** In the event the Owner sends notice of a Request to the Town pursuant to Section 2(b), the Town shall have thirty (30) days from the date the Purchase Price is established by Section 7 to agree to purchase the Property at the Purchase Price determined by such Section 7. The terms and conditions set forth in this Agreement shall govern the purchase.

6. **Notice of Exercise Pursuant to Option.** In the event the Town sends notice of the exercise of its Option pursuant to Section 2(c), the Town shall have thirty (30) days from the date the Purchase Price is established by Section 7 to agree to purchase the Property at the Purchase Price determined by such Section 7(c). The terms and conditions set forth in this Agreement shall govern the purchase.

7. **Fair Market Value Determination; Purchase Price.** In the event the Owner sends a Request to the Town, or the Town exercises its Option, the Town may purchase and the Owner shall sell at a price determined by appraisals as of the date of exercise, as follows:

(a) The Town and Owner shall each retain an appraiser, who shall each be licensed and/or certified as commercial real estate appraisers by the Indiana Real Estate Appraisal Licensure and Certification Board, and the Property shall be appraised separately by each of them. The appraisal reports of the two appraisers so selected shall be provided to the parties within sixty (60) days of the date of receipt of the applicable notice of Request or Option.

(b) The purchase price (“Purchase Price”) shall be determined as follows:

(i) If the appraised value according to each report differs by ten percent (10%) or less, then the average of the two appraisals shall be the Purchase Price.

(ii) If the appraised value according to each report differs by more than ten percent (10%), then (a) the Town may in its sole discretion elect to pay the higher of the two appraisals, in which case the higher of the two appraisals shall be the Purchase Price, or (b) the Town and Owner shall then select a third appraiser to undertake a third appraisal of the Property; provided, however, that should the Town and Owner not be able to mutually agree upon a third appraiser, the original appraisers retained by the Town and Owner, respectively, shall select an independent third appraiser licensed and/or certified as a commercial real estate appraiser by the Indiana Real Estate Appraisal Licensure and Certification Board, to undertake a third appraisal of the Property. In any event, the average of the fair market value

of the two of the three appraisals having the closest valuation to each other shall be averaged to determine the Purchase Price.

(c) If the Town exercises its Option under Section 2(c), the Purchase Price shall be adjusted as follows:

- (i) If such Option is exercised within one (1) year of the Effective Date, the Purchase Price shall be increased by twenty percent (20%).
- (ii) If such Option is exercised more than one (1) year after the Effective Date, the Purchase Price shall be increased by ten percent (10%).

8. **Failure to Exercise.** In the event Town fails to exercise its right of first refusal and right to purchase in response to a notice of an Offer or a Request, within the time periods prescribed therein, or the Town otherwise informs the Owner that Town waives its rights hereunder to so exercise, the Owner shall have the right to sell the Property on such terms and conditions as the Owner determines in its sole discretion. Notwithstanding the foregoing, the Town shall not intentionally fail or decline to exercise any such right, or waive the same, for the purpose of subsequently acquiring the Property through eminent domain at a lower price or on more favorable terms. In any condemnation and/or eminent domain proceeding commenced by the Town following its failure or waiver to exercise its rights hereunder, the purchase price for the Property shall be not less than the greater of (i) the price and material terms set forth in the applicable Offer or Request, or (ii) the fair market value of the Property determined as of the date of such Offer or Request, adjusted for commercially reasonable changes in market conditions. Except as expressly limited above, any failure by the Town to exercise an option provided for in this Agreement shall not constitute a waiver of the Town’s right to otherwise acquire the Property by eminent domain.

9. **Terms and Conditions of Sale.** In the event the Town exercises its right of first refusal to purchase under Section 2(a), the Owner makes a Request under Section 2(b), or the Town exercises the Option under Section 2(c), the terms and conditions of the sale shall be as follows:

(a) **Title Insurance Commitment and Policy.** Within twenty (20) days after the date upon which Town accepts an Offer or Owner makes a Request, the Town shall, at Owner’s expense, obtain a commitment for an owner’s policy of title insurance (the “Commitment”) issued by a title company selected by the Town (the “Title Company”), pursuant to which the Title Company shall agree to and insure good and marketable title to the Property in the name of the Town for the full amount of the Purchase Price upon delivery of a deed to the Town from Owner. Such commitment shall provide for issuance of a final title insurance policy on an ALTA Owner’s Form free and clear of any all liens, encumbrances, or other exceptions, except current taxes which are not delinquent and other exceptions as the Town, in its sole discretion, may elect to approve after examinations of the title. Owner agrees to execute a Vendor’s Affidavit at Closing in a form generally used in residential real estate purchases. The title insurance premium shall be paid by Owner at Closing.

(b) **Title Objections.** The Town shall have a period of ten (10) days following the later of the receipt of the Commitment or survey, if ordered by the Town, in which to examine the same and notify Owner in writing of any title or survey objections or further requirements. Owner then shall have a period of ten (10) days after receipt of any notice from the Town within which to correct any such objections to title and to satisfy any other title requirements of the Town. If Owner is unable or unwilling to correct the Town’s title objections and satisfy the Town’s requirements within ten (10) days after receipt of written notice thereof, then the Town shall have the right any time at its election to cancel and terminate this Agreement, unless the Town elects in writing to waive such title objections and requirements.

14. **Severability.** In case any one or more of the provisions (or any portion thereof) contained herein shall, for any reason, be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision of this Agreement, but this Agreement shall be construed as if such invalid, illegal, or unenforceable provision or provisions (or any portion thereof) had never been contained herein.

15. **Assignment.** This Agreement may be assigned by the Town to any of its departments, boards, commissions without Owner's consent.

17. **Leases; Town Consent.** From the Effective Date, any lease, license, occupancy agreement, or other right of possession affecting all or any portion of the Property shall be subject and subordinate to this Agreement and shall provide for termination upon acquisition of the Property by the Town pursuant to this Agreement, without cost or penalty to the Town; provided, however, that any existing or subsequently created month-to-month tenancy of the Property shall be permitted to continue from and after the Effective Date and shall be terminable in accordance with applicable Indiana law. In the event Owner requires additional time to deliver any lease termination notice or for any notice period to expire, the Closing Date shall be extended for a reasonable period necessary to comply with applicable law.
