

TOWN COUNCIL MEETING MINUTES-WEDNESDAY, AUGUST 19, 2026

The council met on Wednesday, August 19, 2026, and called to order at 7:00 p.m. in the Town Hall, Council Chambers, Council Chairman Calouro presiding:

PRESENT: Council Chairman, Nathan Calouro
Vice-Chairwoman, Mary Parella
Councilman, Antonio "Tony" Teixeira
Councilman, Aaron Ley

ALSO PRESENT: Town Administrator, Steven Contente
Town Solicitor, Andy Teitz, Esq
Town Sergeant, Archie Martins

ABSENT WITH REGRET: Councilman, Timothy Sweeney

The Pledge of Allegiance

Council Chair Calouro led the Council and audience in the Pledge of Allegiance.

Add item- Teixeira/ Ley - Voted unanimously to add an agenda item recognizing two Bristolians who had passed away.

The Council recognized the passing of Ennis Bisbano, former Superintendent of the Bristol School System, and Gail Halligan, a longtime member of the Fourth of July Committee, and acknowledged their service to the community.

Councilman Teixeira reflected on his personal connection with Mr. Bisbano, noting that he had worked for him at the high school and that Mr. Bisbano had appointed him as soccer coach.

The Council extended its condolences and sympathy to the families of Mr. Bisbano and Mrs. Halligan.

Motion RE: Consent Agenda - To Approve the Consent Agenda

Teixeira/Parella - Voted unanimously to Strick out section 12-3 and 12-4, consider this action to constitute the first reading of Ordinance #2026-12.
Advertise in the local newspaper.

Prior to the vote being taken, Fire Chief DeMello, stated that the proposed ordinance reflected existing state fire code and would permit fire pits under specified conditions. He recommended striking Section 12-3, concerning land clearing and yard waste, because such burning was not currently permitted and would produce substantial smoke. He further stated that Section

12-4, concerning training fires, was not necessary because the Fire Department follows applicable training requirements.

The solicitor stated that the Council could proceed with first reading and address the removal of sections at second reading and hearing because the changes would remove, rather than add, sections

D. Licensing Board - New Petitions

D1. Jennifer Cleland, Audubon Society of Rhode Island, 1401 Hope Street request for Dancing & Entertainment License

a. recommendation - Town Administrator and Chief of Police

b. recommendation - Town Administrator and Fire Chief

Teixeira/Parella Voted unanimously to grant this license per the recommendations received and conditions, if any, as delineated, and also subject to conformance to all laws and ordinances and payment of all fees, taxes, and levies ; Subject fire inspections and a six-month review

D2. Courtney Guertin - for Mollypalooza (a benefit for Almost Home Rescue), 230 Wood Street, request for a One-Day Dancing and Entertainment License to be held at the Cup Defenders on Sunday, October 11, 2026, from 2:00-8:00 PM

a. recommendation - Town Administrator and Chief of Police

b. recommendation - Town Administrator and Fire Chief

Teixeira/Parella - Voted unanimously to grant this license per the recommendations received and conditions, if any, as delineated, and

also subject to conformance to all laws and ordinances and payment of all fees, taxes, and levies

Prior to the vote being taken, Courtney Guertin reported that Mollypalooza was the fifteenth annual fundraiser benefiting Almost Home Rescue. She stated that the event would include a clam boil and entertainment, with an outdoor band scheduled from 2:00 p.m. to 4:30 p.m. and an indoor band from 5:30 p.m. to 7:30 p.m. The event would conclude at 8:00 p.m. and would comply with applicable noise, fire, tent, capacity, and other requirements.

Ms. Guertin stated that proceeds from the annual fundraiser support abandoned, abused, and neglected dogs through Almost Home Rescue. She reported that the event would be held outdoors under a tent, weather permitting, with the final band performing indoors. Tickets would be \$40 and include the clam boil and music, with additional food available from CP Catering and The Cup Defenders. A cash bar would also be available for people 21 years of age and older.

Ms. Guertin reported that the organization had raised a total of \$123,080 through the first fourteen Mollypalooza events, including approximately \$30,000 at the previous year's event. She stated that New England Tent would provide the tent and maintain the required fire permits and extinguishers. She further stated that The Cup Defenders would monitor occupancy should the event be required to move indoors and that the event would comply with applicable noise requirements

D3. Donna M. Falcoa, Benjamin Church Tenants Association, 1014 Hope Street re request for a Bingo License on Fridays bi-monthly from September 2026 through August 2027 (located in Benjamin Church Community Room)

Teixeira/Parella- Voted unanimously to grant this license per the recommendations received and conditions, if any, as delineated, and also subject to conformance to all laws and ordinances and payment of all fees, taxes, and levies

Prior to the vote being taken, Clerk Cordeiro noted the Police Department and Fire Department recommendation as received at meeting

E. Licensing Board - Renewals

- E1.** 3-Month review re: Show Cause Hearing- consideration of the revocation or suspension of the Dancing and Entertainment License and the Class B Victualer Intoxicating Beverage license issued to AZJ - John St. LLC-Jeffrey Quinlan, Zach King, Andrew Tuchler, d/b/a Aidan's Pub, 5 John Street **(continued from April 29th)**

- a. recommendation - Town Administrator and Police Chief

Teixeira/Parella- Voted unanimously to continue the matter to November 18, 2026

Prior to the vote being taken, Police Chief Lynch reported that there had been seven calls for service at Aidan's Pub. Neighbors continued to report concerns regarding music volume; however, the reported levels had not reached a violation of the Town ordinance. He stated that representatives of the establishment had met with the Police Department and had reduced the music volume when requested.

Police Chief Lynch reported that the April 2026 consent order addressed outdoor entertainment on Fridays and Saturdays; however, the liquor license renewed in June 2026 authorized outdoor entertainment only on Fridays from 7:00 p.m. to 9:00 p.m. Town Solicitor Teitz clarified that the current license controlled and that outdoor entertainment was permitted only on Fridays from 7:00 p.m. to 9:00 p.m. on the ground-floor area. Outdoor entertainment was not authorized on the second-floor deck.

Town Solicitor Teitz reported that two complaints regarding early-morning food deliveries had occurred on May 18 and May 23, 2026, at approximately 5:00 a.m., with no subsequent complaints reported. Police had instructed the establishment regarding the deliveries. Town Solicitor Teitz also noted that required security logs had not always been submitted in a timely manner.

The license holder's representative stated that food vendors had utilized a key-drop arrangement to make deliveries before the establishment opened and that he would follow up with the vendors to ensure that future deliveries occurred at appropriate times.

Joseph Baxter, attorney for the license holder, stated that the license holder sought to maintain the current license conditions and would address the food-delivery and security-log matters. Mike Cockrell, General Manager of Aidan's Pub, was identified as available to respond to operational questions.

Town Solicitor Teitz recommended maintaining the current license conditions through the fall and revisiting the matter as part of the November liquor-license renewal review. The Council discussed the reported operational improvements and the need for continued compliance with the consent order and current license conditions. The Council considered continuing the review to the November 18, 2026 license-review meeting.

F. Petitions - Other

F1. Diane Mederos, Executive Director, East Bay Community Development Corp, 150 Franklin Street, requests consideration of a "compact vehicles only" sign after the two no-parking spaces on the west side of the elder care facility.

a. recommendation - Town Administrator and Chief of Police

b. recommendation - Town Administrator and Director of Public Works

Ley/Teixeira- Voted unanimously to continue the request for consideration as part of the Franklin Street study

Prior to the vote being taken, Chairman Calouro discussed incorporating the request into the planned Franklin Street study. He stated that the study would include input from Franklin Court and could identify potential solutions beyond the requested compact-vehicle-only signage.

Chairman Calouro stated that the request concerned parking in close proximity to the Franklin Court parking-lot exit. He stated that the Franklin Street study would consider the impact of parking on the surrounding neighborhood, including Franklin Court, and that incorporating the request into the study could help identify the underlying parking concerns and potential alternatives to the requested signage.

F2. Gregory Pastore, 44 Church Street request for the removal of an accessible parking space located in front of residence **(2nd Reading)**

a. recommendation - Town Administrator and Chief of Police

b. recommendation - Town Administrator and Director of Public Works

c. (Draft) 2nd Reading Resolution - Resolution No. 2026-8-19-F2

Teixeira/Parella- Voted unanimously to consider this action to be the second reading for the adoption of the resolution for the removal of the accessible parking space in the vicinity of 44 Church Street. Inform the Public Works Department.

F3. Richard Rocha, 9 Jessica Drive, requests the installment of two stop signs at the intersection of Kathy Court and Jessica Drive

a. recommendation - Town Administrator and Chief of Police

Parella/Teixeria- Voted unanimously to continue the matter to the next meeting and instruct Clerk Cordeiro to notify the petitioner of the petition requirement follow the same general approach utilized for traffic-calming requests and should demonstrate support from approximately 75% of the impacted neighbors.

It was noted for the record that the petitioner was not present.

Prior to the vote being taken, the Council discussed the need for a petition demonstrating support from the impacted neighbors before further consideration of the request. The Council stated that the petition process should follow the same general approach utilized for traffic-calming requests and should demonstrate support from approximately 75% of the impacted neighbors.

Clerk Cordeiro asked how the affected area should be identified for purposes of obtaining the required neighborhood support. The Council directed that the petition follows the same approach used for traffic-calming requests. Council members discussed the importance of obtaining input from a substantial majority of nearby residents before installing stop signs, including consideration of the potential impact on neighboring properties and the Town costs associated with evaluating and implementing the request.

F4. Melissa Parsons, Executive Director, Bike to the Beach for Autism - request for approval of Cycling Event through Bristol on September 19, 2026

Teixeira/Ley- Voted unanimously to approve the petition per the recommendations received and conditions delineated and also subject to

conformance to all laws and ordinances;
with traffic and detail-officer
arrangements to be coordinated with the
Police Chief and
Police Department as appropriate

G. Appointments

G1. Newport & Bristol County Convention & Visitors Bureau
(aka Discover Newport) - 1 three-year term set to
expire July 2029

a. Stephan Brigidi, 93 Highland Road -
interest/reappointment

b. Alayne White, 11 Constitution Street -
interest/appointment

Teixeira/Parella- Voted unanimously to
instruct the Clerk to appoint Stephan
Brigidi to the Newport & Bristol Count
Convention & Visitors Bureau for the
term to expire n July 2029

Prior to the vote being taken, Chairman Calouro reported that he
had spoken with both applicants. He stated that Alayne White
intended to attend bureau meetings to become more familiar with
its activities and to support Bristol's representation through
her involvement with Explore Bristol.

Chairman Calouro stated that he had advised both applicants of
the Council's general practice of reappointing an incumbent
absent a reason not to do so. He reported that Ms. White
expressed an interest in remaining involved with the bureau by
attending meetings, staying informed of its activities, and
supporting Bristol's representation. He further noted Ms.
White's service as Chair of the 250th Committee and her interest
in supporting Bristol and the downtown merchants in coordination
with Mr. Brigidi.

The Council discussed Ms. White's service on Town committees,
her involvement with Explore Bristol, and her interest in
representing the Town. The Council considered the reappointment
of Mr. Brigidi for the available term while recognizing Ms.
White's interest in continued participation with the bureau.

- G2.** Historic District Commission - 1 three-year, unexpired
2nd Auxiliary member set to expire July 2027

a. Blair Moore, 291 High Street - interest/appointment

Teixeira/Ley- Voted unanimously to
instruct the Clerk to set a special
meeting for interviews to be held at
the next council meeting of September
16, 2026, or at the convenience of the
parties

H. Old Business

- H1.** Municipal Liquor Licensing Practices - Review of Draft
Policy/Guidelines and Phased Approach (continued from
July 29, 2026)

Teixeira/Parella- Voted unanimously to
continue the matter to the September
16, 2026 council meeting.

Prior to the vote being taken, Chairman Calouro recommended that
the discussion regarding Municipal Liquor Licensing Practices -
Review of Draft Policy be continued to the September 16, 2026
Town Council meeting to ensure that all Council members were in
attendance to participate in the discussion and consideration of
the proposed policy

I. Other New Business Requiring Town Council Action

- I1.** Councilman Ley: Discussion and consideration of the
potential impacts of data centers on the Town and
related zoning regulations regarding their
construction and siting in Bristol

Ley/Teixeira- Voted unanimously to
refer the question of data-center land use
to the Planning Board
for a recommended definition of "data
center" and a recommendation
regarding where data centers may be
permitted in the zoning table

Prior to the vote being taken, Councilman Ley introduced the
matter and referenced materials concerning data-center issues in
Smithfield, Rhode Island. He stated that Bristol's zoning use
tables did not specifically address data centers and requested

that the Council consider the issue proactively before a proposal was presented to the Town.

Councilman Ley discussed the potential scale and permanence of data-center facilities, including large buildings and substantial mechanical equipment. He also discussed potential impacts on surrounding properties associated with continuously operating cooling equipment, regularly tested backup generators, and vehicle and equipment activity necessary to service such facilities.

The Council discussed whether data centers should be specifically addressed in the zoning use tables, the availability of suitable land and infrastructure in Bristol, potential facility-size thresholds, special-use-permit requirements for smaller facilities, construction and permanent employment opportunities, electrical requirements, and water usage.

Council members discussed whether smaller facilities, such as servers located within a building of approximately 5,000 square feet, should be treated differently from larger data-center developments. The Council discussed establishing regulations based upon size or scale, potentially prohibiting larger facilities while allowing smaller facilities through special-use review. Members also noted that changes in technology could affect the size, noise, energy consumption, and resource requirements of future data centers.

Director Williamson stated that a use not specifically identified in the zoning use table was not permitted unless determined to be similar to an existing listed use. She reported that, in the opinion of the Zoning Officer, none of the currently listed uses were sufficiently similar to a data center. She stated that data centers could either be specifically prohibited in all zoning districts or addressed through a scaled approach, with larger facilities prohibited and smaller facilities potentially permitted through special-use review.

Director Williamson stated that additional research was needed regarding the types and locations of data-center uses, including whether smaller facilities should be permitted only as accessory uses to existing buildings. She noted the Town's interest in preserving manufacturing-zoned property for employment-generating uses and stated that data centers might not generate substantial ongoing employment.

The Council further discussed the potential need for substantial electrical infrastructure, water resources for cooling, and other utility improvements. Members also discussed information concerning data-center developments in other jurisdictions, including construction employment, permanent operational employment, and potential impacts associated with utility infrastructure extending beyond the boundaries of a proposed site.

Director Williamson recommended referring the matter to the Planning Board for further study and recommendation. The Council discussed requesting that the Planning Board develop a definition of "data center" and provide recommendations regarding the zoning districts, size or scale limitations, and conditions under which a data center could be permitted.

**12. Clerk Cordeiro re upcoming election details
(informational)**

Teixeira/Sweeney- Voted unanimously to
Receive and file

Prio to the vote being taken, Clerk Cordeiro provided an update regarding the upcoming 2026 elections. She reported that the State Primary would be held on Wednesday, September 9, 2026, with polls open from 7:00 a.m. to 8:00 p.m. She noted that the Primary would be held on Wednesday rather than Tuesday due to the Labor Day holiday.

Clerk Cordeiro reported that early voting would begin on August 20 and continue through September 8 at the Guiteras School building, 35 Washington Street, Monday through Friday from 8:00 a.m. to 4:00 p.m., with no early voting on Labor Day, Monday, September 7.

Clerk Cordeiro stated that early voting would be accessed through the ADA-accessible rear entrance near the parking area. She noted that ADA-accessible parking spaces were available and that signage had been installed to direct voters to the appropriate entrance.

Clerk Cordeiro reported that the Primary would utilize five polling locations and that postcards had been mailed to registered voters advising them of their polling locations. She stated that voters could also confirm their polling location at vote.ri.gov or by contacting Bristol Town Hall.

She stated that mail ballots for the Primary must be received by 8:00 p.m. on September 9 and could be returned by mail,

deposited in a drop box located in front of any city or town hall in Rhode Island, or returned at a polling location on Election Day.

Clerk Cordeiro further reported that the General Election would be held on Tuesday, November 3, 2026.

Councilman Teixeira thanked Clerk Cordeiro for her efforts and dedication to the election process.

- I3.** Public Notice - RI DEM Office of Water Resources, Geoffrey Vicente, 11 Waterview Lane, Warren requesting permission to alter a freshwater wetland (Intersection of Tilbury and Leahy Drive) requires a response by September 8th

Parella/Teixeira- Voted unanimously to provide comments to RI DEM regarding potential effects on the neighborhood and Town and instruct the Clerk to work with the Community Development Director to prepare the correspondence.

Prior to the vote being taken, Clerk Cordeiro noted for the record a recommendation memo received by Director Williamson

Director Williamson reviewed the application and stated that the property was an undeveloped, nonconforming single lot of record containing approximately 6,835 square feet. She reported that wetland flagging indicated that nearly the entire lot consisted of wetlands and that the proposed foundation was shown within the water table, with a foundation drain discharging to a pad behind the proposed building.

Director Williamson stated that the Town was an abutter to the property through three open-space wetland parcels acquired through a tax sale. She stated that the application had been reviewed in conjunction with Town records and that the Town's comments would be submitted to RI DEM because the Planning Board would not meet prior to the September 8, 2026 comment deadline.

Director Williamson stated that a sump pump would likely be necessary and that the surrounding area lacked drainage infrastructure on Tilbury Drive and Whopping Drive north of Leahy Drive. She reported that the wetlands provided overland stormwater storage and that the Town had received reports of existing drainage and flooding concerns, particularly in the area of Basswood Drive. She further stated that the Town had

investigated potential drainage improvements but had not identified a feasible connection.

Director Williamson stated that the proposed wetland alteration, additional impervious surface, and anticipated discharge from a sump pump could contribute to existing flooding conditions in the neighborhood. She noted that stormwater runoff in the area occurred largely through overland flow and that the existing wetlands provided storage for that runoff.

Director Williamson also reported that portions of the surrounding area lacked access to public water and that many properties relied upon private wells. She stated that the wetlands contributed to groundwater recharge and recommended that the Council communicate these concerns to the RI DEM Office of Water Resources.

The Council discussed the importance of submitting the Town's comments to RI DEM, which had jurisdiction over the requested wetland alteration. Council members also noted the history of drainage and flooding concerns in the area and the importance of considering the potential impacts of the proposed development as part of RI DEM's review.
