Jeanne L. Bundy

Dear Board Members,

I am writing to express my interest in serving on your board. With a lifelong background in leadership, education, and community involvement, I bring a strong commitment to service, creativity, and collaboration.

Over the course of my career, I have spent over 40 years as a stylist and 25 years as a salon manager, where I developed skills in organization, team coordination, and client engagement. I also instructed at the Newport School of Hairdressing, helping others grow professionally. Beyond my professional work, I have remained deeply involved in my community through volunteer efforts, including organizing events and leading creative activities.

As a published author and host of a creative television program, I value communication, expression, and the power of bringing people together. I am especially passionate about initiatives that support individuals and strengthen community connections.

I would be honored to contribute my experience, perspective, and dedication to your board. Thank you for your time and consideration.

Sincerely,
Jeanne L. Bundy

Sweeney/Teixeira -Voted unanimously to close the public hearing

Teixeira/Sweeney-Voted unanimously to adopt the resolution authorizing the Town of Bristol to file the CBDG application on behalf of the town.

Prior to the vote being taken, Chairman Calouro opened the public hearing and invited testimony in favor and against

Town Administrator Contente outlined the proposed projects, including $500,000 for renovations to the Walley School Building, $125,000 for improvements to the Looking Up group home on Berry Avenue, and funding for the Bristol Home Repair Program in an amount to be determined. He explained that the funding for the Walley School would be used to complete renovations to the second floor, which had been framed but required additional funding, while the first floor was expected to open within the next few weeks. The Looking Up funding would support kitchen renovations and other improvements to the property.

Councilman Teixeira questioned whether the amount listed as "to be determined" for the Bristol Home Repair Program meant that no specific funding amount would be requested.

Bob Plan, representing the organization administering the program, explained that the amount of funding needed would depend on the number of applicants, the nature and extent of the repairs required, and the associated costs. He noted that the total amount remained to be determined until applications were received, explaining that the program could receive ten applications requesting $50,000 each or only one application requesting $2,500. Accordingly, a specific funding amount could not be established at this stage.

Councilman Ley asked how residents could learn about the program. Mr. Plan stated that information was available on the Town's website, that Ed Carusi assisted with public outreach, and that the Building Inspector could also refer residents whose homes were in need of repairs.

Town Administrator Contente clarified that applicants must meet income eligibility requirements and that assistance is secured by a lien on the property. Mr. Plan explained that the program provides forgivable loans, with lien periods ranging from five to fifteen years depending on the amount borrowed. If the homeowner remains in the property for the required period, the loan is forgiven and effectively becomes a grant. However, if the property is sold before the lien period expires, repayment is required. In response to Councilman Teixeira, Mr. Plan confirmed that homeowners who sell their property during the lien period would be required to repay the loan.

ADD ITEM

Chairman Calouro requested that the Council add a nonaction item to the agenda to recognize Town Clerk Melissa Cordeiro for achieving the Certified Municipal Clerk (CMC) designation through the International Institute of Municipal Clerks.

Teixeira/Sweeney– Voted unanimously to add a non-action agenda item to allow for Recognition of Town Clerk Melissa Cordeiro — Certified Municipal Clerk Designation

Chairman Calouro congratulated Clerk Cordeiro on her accomplishment and expressed his appreciation for her dedication and service to the Town.

Clerk Cordeiro thanked the Council for the recognition and noted that she had served the Town for 19 years, including the past six years as Town Clerk. She explained that the designation requires serving as a municipal clerk and completing extensive educational coursework and professional development. She expressed her appreciation for the opportunity to serve the residents of Bristol, stating that she truly enjoys her work and was honored to have earned the designation. Members of the Council extended their congratulations and commended her on her achievement

Sweeney/Teixeira-Voted unanimously to close the public hearing

Formal acceptance of the transfer withdrawal is recorded under D1.

Prior to the vote being taken, Chairman Calouro opened the public hearing and invited testimony in favor and against.

Clerk Cordeiro notes a late item marked as "received at meeting" pertaining to a superior court amended restraining order for defendant Albert Quito

DRAFT

Town Solicitor Teitz noted the agenda item was continued from October 7th meeting due to a court-issued restraining order that was believed to prevent the Council from taking action. The Solicitor advised that the order had since been amended to specifically exclude the property at 411 Thames Street, allowing the Council to consider the liquor license transfer and any related licensing, lease, or sublease arrangements.

Attorney Catherine Hopkins, representing Serve Up Hospitality LLC, informed the Council that her client wished to withdraw the application for transfer of the liquor license. She explained that there were outstanding claims against the previous business and that the former owner had not obtained a certificate of good standing from the State and did not appear to intend to do so. She stated that her client intended to apply for a new liquor license when eligible rather than proceed with the transfer of the existing license.

Attorney Matthew Lyons, representing Newport Lobster Company, an objector and creditor, expressed concerns regarding the withdrawal of the application. He argued that allowing an applicant to withdraw a transfer request and subsequently seek a new license could circumvent the established limits on Class BV and BVL licenses and potentially deprive creditors of recourse associated with the transfer process. He emphasized that liquor licenses are limited commodities and that outstanding creditor claims should be given consideration.

Chairman Calouro responded that the Council had consistently required outstanding debts and creditor claims to be addressed as part of the liquor license transfer process. However, he noted that the Council could not prevent an applicant from withdrawing a transfer request.

Second Reading for the adoption of Ordinance #2026-13. Advertise in the local newspaper

Prior to the vote being taken, Clerk Cordeiro explained the proposed amendments were intended to align the Town's ordinance with the licenses currently in use and their proper classifications. The changes included reducing the number of Class BBL licenses from six to five following notification from Pizza Wave that it was relinquishing its limited beer-and-wine license; removing the Class T theater license classification, as there were no active licenses of that type in Bristol; and reclassifying the existing hotel license from Class BT to Class BH to reflect the current state classification and eliminate outdated language in the ordinance.

Teixeira/Sweeney- Voted unanimously to grant this license per the recommendations received and conditions, if any, as delineated, and also subject to conformance to all laws and ordinances and payment of all fees, taxes, and levies

Prior to the vote being taken, Vice Chairwoman Parella expressed concern regarding outstanding debts owed to local businesses, estimated at approximately $38,000. While acknowledging that the new business was not responsible for the previous owner's obligations, she expressed reservations about proceeding without addressing the claims. Solicitor Teitz explained that certain creditors may have lien rights against a liquor license, but those rights do not extend to a victualling license, and payment of the outstanding debts could not be imposed as a condition of its approval.

Solicitor Teitz explained the legal distinction between the liquor license and the victualling license. He advised that Rhode Island law provides certain suppliers with the ability to establish liens against liquor licenses for outstanding debts. However, those protections do not extend to victualling licenses. Accordingly, he stated that, in his legal opinion, the Council could not condition approval of the victualling license upon payment of the outstanding creditor claims associated with

DRAFT

the previous business. He further explained that the new applicant was a separate business entity and that the outstanding obligations of the former license holder did not automatically become the responsibility of Serve Up Hospitality.

Solicitor Teitz then addressed a separate matter involving the Town's consent to the assignment of an existing sub-license agreement for the use of portions of Independence Park associated with the restaurant. He explained that the previous restaurant owner owned the restaurant building and a narrow strip of property adjacent to the driveway. However, the outdoor patio, the majority of the driveway, and certain parking areas were located within Independence Park. He noted that the Town occupied Independence Park pursuant to an agreement with the State of Rhode Island and had previously entered into a sub-license agreement with Quito's Restaurant & Bar allowing the restaurant to utilize designated portions of the park, including the outdoor patio and dumpster area and subject to a sub-license agreement requiring Town consent for assignment.

(SUSPEND and Add Item)

> At this point in the meeting the council suspended the regular order of business to add a nonaction item to discuss the property lease on 411 Thames street. Motion Made by Councilman Sweeney and seconded by Councilman Teixeira to add the not action item of 411 Thames Street Lease for discussion.

Solicitor Teitz explained that the Town’s existing sub-license agreement with Quito’s, which had previously been renegotiated, permitted assignment with the Town’s consent, provided that such consent was not unreasonably withheld. He noted that when the assignment was initially considered, the Town was unaware of the extent of the outstanding creditor claims or that they remained unresolved. He further advised that the assignment had not yet been executed or delivered by the Town. In light of the newly disclosed information regarding the outstanding claims and the uncertainty surrounding their payment, Solicitor Teitz indicated that the Council could have a legally reasonable basis to withhold consent to the assignment. He clarified that the applicant could continue to operate within the privately owned building but would not be permitted to utilize the patio area without the assignment. He further explained that, as the matter had been added to the agenda for discussion purposes only, no vote could be taken at that time. The information was provided

DRAFT

for the Council's consideration in determining how to proceed with the related licensing matter.

Vice Chairwoman Parella questioned what recourse, if any, the Council had regarding the outstanding debts owed to local businesses. While acknowledging that the new owners were not responsible for the previous owner's obligations, she expressed concern that the debts had not been satisfied through the sale of the property and asked what options were available to the Council to protect the affected local businesses.

Solicitor Teitz reiterated that the outstanding creditor claims could provide a legally reasonable basis for the Council to withhold consent to the assignment of the sub-license agreement, although the decision remained at the Council's discretion. He explained that there were no legal grounds to deny the victualling license based on the outstanding debts; however, the Council could consider continuing the matter to obtain additional information or allow further discussion. He noted that withholding consent to the sub-license could encourage the parties to negotiate a resolution of the outstanding claims, as the applicant would otherwise be limited to operating within the privately owned building and would be unable to utilize the patio area. During the discussion, concern was expressed that withholding the assignment would not necessarily result in payment to the creditors.

Applicant Frank Martucci addressed the Council on behalf of Serve Up Hospitality, LLC, and provided background regarding the new business and its efforts to address the outstanding creditor claims. Mr. Martucci explained that he and his business partners had entered into the venture with the intention of establishing a successful restaurant and contributing positively to the Bristol community. He discussed the partners' experience in the hospitality industry, their involvement in the community, and their commitment to operating the establishment responsibly. He emphasized that Serve Up Hospitality was a newly formed business entity and was not legally responsible for the debts incurred by the previous restaurant operator.

Mr. Martucci stated that, notwithstanding the absence of a legal obligation to satisfy those debts, the partners had made efforts in good faith to communicate with creditors and explore possible resolutions. He explained that, through their attorney, they had contacted several claimants, including Newport Lobster Company and Mello's Fruitland, in an attempt to negotiate payment arrangements that would provide some recovery to the creditors while allowing the new business to move forward.

Mr. Martucci also discussed the financial commitments already made by Serve Up Hospitality. He stated that the business had entered into a three-year lease with two additional five-year options and had invested in improvements, equipment, and preparations necessary to open the restaurant. He explained that the partners had been working toward opening the establishment as soon as the required licenses and inspections were completed, with a tentative goal of December 1, 2026. He noted that delays in obtaining the necessary approvals were creating additional financial burdens, including ongoing insurance expenses and other operating costs incurred before the restaurant could begin generating revenue.

Mr. Martucci emphasized the importance of the outdoor patio to the restaurant's proposed operations and overall guest experience. He explained that the business had invested in improvements to the enclosed outdoor area and that the patio was an integral component of its business plan. He expressed concern that an inability to utilize the patio would substantially affect the restaurant's operations and the experience of its customers. He also indicated that the business was considering the possibility of opening temporarily as a bring-your-own-beverage (BYOB) establishment, if permitted, while pursuing the necessary approvals for a liquor license.

Mr. Martucci and Attorney Hopkins further explained the payment proposal that had previously been presented to creditors. They indicated that the proposal contemplated an initial payment toward the outstanding balances, followed by monthly installment payments until the negotiated amounts were satisfied. Under the proposed arrangement, the creditors would provide future goods on a cash-on-delivery basis while the outstanding debts were being paid. They explained that some creditors had been willing to discuss possible arrangements, others had not responded, and some had requested payment in full. Mr. Martucci stated that the new business was not financially positioned to satisfy all of the previous owner's outstanding obligations in a single payment, particularly given the significant investment already made toward opening the restaurant.

Attorney Hopkins explained that the original payment proposal had been conditioned upon Mr. Quito obtaining the necessary Certificate of Good Standing from the State because Serve Up Hospitality had initially been pursuing the transfer of his existing liquor license. She stated that the condition was included to avoid committing the new business to payment

DRAFT

obligations if the proposed transfer could not be completed. She explained that the intention was not to disregard the creditors, but rather to ensure that any proposed agreement was tied to a transaction that could legally move forward.

Allen Sousa of Mello's Fruitland then addressed the Council regarding the outstanding obligations owed to his business and other vendors. Mr. Sousa stated that his claim had remained unpaid for more than two years and that the matter had previously been brought to the Council's attention during a liquor license renewal proceeding. Despite those earlier discussions, he indicated that the debt had not been satisfied. Mr. Sousa estimated that the outstanding amounts owed to several local vendors totaled approximately $35,000 to $39,000. He further alleged that an additional produce supplier located in Fall River was owed more than $50,000.

Mr. Sousa described the efforts made by his business and other vendors to work with the previous restaurant operator to obtain payment. He indicated that he had filed the appropriate lien documentation with the Town and had also made a Uniform Commercial Code (UCC) filing in an effort to protect his claim. He expressed frustration that the obligations had remained outstanding despite the passage of time and the creditors' previous attempts to resolve the matter.

Mr. Sousa also addressed the payment proposal presented by Serve Up Hospitality. He explained that the creditors had concerns with the condition requiring Mr. Quito to obtain a Certificate of Good Standing because they were uncertain whether that requirement would ever be satisfied. As a result, he stated that creditors were reluctant to accept a proposal that depended upon an event outside their control and one they believed might not occur.

Nevertheless, Mr. Sousa indicated that he believed the creditors might be willing to consider a revised payment proposal directly from Serve Up Hospitality that was not conditioned upon Mr. Quito's state standing. He suggested that an arrangement involving a reasonable initial payment, followed by a clearly defined installment schedule, could provide a basis for further negotiations. Mr. Sousa emphasized that he did not wish to prevent the new restaurant from opening or cause harm to the new business. He acknowledged that Mr. Martucci had reached out and made efforts in good faith to address the situation. He further stated that the vendors would welcome the opportunity to establish a business relationship with the new restaurant,

provided there was a reasonable effort to resolve the outstanding claims.

Council members discussed the circumstances surrounding the outstanding debts, the new applicant's efforts to negotiate with creditors, and the potential consequences of delaying the restaurant's opening. Councilman Sweeney expressed support for allowing the new business to move forward so that it could begin operating and generating revenue. He suggested that permitting the restaurant to open could place the business in a better financial position to continue negotiations and potentially assist in resolving the outstanding claims. At the same time, he expressed an interest in ensuring that the creditors' concerns were not disregarded and that the matter would be revisited.

Councilman Teixeira questioned whether the applicant would be willing to renew discussions with the creditors and present a revised payment proposal that was no longer contingent upon Mr. Quito obtaining a Certificate of Good Standing. Mr. Martucci responded that Serve Up Hospitality would be willing to contact the creditors again and continue negotiations in good faith. Mr. Sousa indicated that he believed such a proposal could be considered by the creditors, particularly if it included a defined payment schedule and a reasonable commitment toward satisfying the outstanding balances.

Vice Chairwoman Parella reiterated her concern regarding the impact of the unpaid debts on local businesses. She acknowledged the difficult position of the new applicant, recognizing that Serve Up Hospitality had not incurred the debts and was attempting to establish a new business. However, she emphasized that the vendors had provided products and services to the former restaurant and had suffered financial losses as a result of nonpayment. She expressed concern about allowing the situation to proceed without some meaningful effort to address those obligations.

The Council also discussed whether withholding consent to the assignment of the Independence Park sub-license could provide an opportunity to encourage further negotiations between the applicant and the creditors. Solicitor Teitz reiterated that the Council could consider the outstanding claims when determining whether to consent to the assignment, provided its decision was legally reasonable under the terms of the agreement. He explained that the decision rested with the Council and that withholding consent would have a significant practical effect on

DRAFT

the restaurant's ability to utilize the outdoor patio and other designated areas of Independence Park.

Mr. Martucci expressed concern regarding the operational difficulties that would result if the restaurant were unable to use the patio. He explained that the patio was an important component of the proposed restaurant layout and that customers could potentially be required to pass through the kitchen area to access certain dining spaces. He reiterated that the business had already invested in improvements to the outdoor area and that restricting its use would negatively affect the restaurant's operations and customer experience.

The Council continued to discuss the competing considerations of supporting a new business, protecting local creditors, and ensuring that any action taken regarding the Town's property interests was legally appropriate. Members considered the potential benefits of allowing the restaurant to open, the financial consequences of additional delays, and whether a written payment arrangement between the applicant and creditors could provide a reasonable path forward. The possibility of revisiting the matter at the next Council meeting was also discussed to allow additional time for the applicant to communicate with creditors and explore a revised proposal.

Solicitor Teitz clarified that the matter concerning the assignment of the Independence Park sub-license had been presented to the Council for discussion purposes only. Accordingly, no formal vote was taken regarding the Town's consent to the assignment of the sub-license during this discussion. And continuation the victualling license found in D2 is continued.

The Council discussed bringing the matter back at its November 18th, meeting, about three weeks later, to receive an update on **t**he lease and the parties' efforts to resolve the vendor claims. Council members wanted the applicant and claimants to use that time to continue discussions—particularly to consider a revised payment proposal that did not depend on Albert Quito obtaining a certificate of good standing—and return with a clearer account of whether they could reach an agreement

Sweeney/Teixeira- Voted unanimously to grant this license per the recommendations received and conditions, if any, as delineated, and also subject to conformance to all laws and ordinances and payment of all fees, taxes, and levies ; Subject to a three-month and six-month review

Prior to the vote being taken, Clerk Cordeiro noted the letter of concern received by Howard Sutton, President Stone Harbour Homeowners Association.

Mr. Frank Martucci addressed the Council regarding the proposed dancing and entertainment license for Q's Waterfront by O.M.G. He explained that live entertainment was intended to complement the restaurant's atmosphere and enhance the dining experience, rather than extend operating hours or establish a late-night entertainment venue. He described the proposed entertainment as low-key, acoustic music, including what he referred to as "yacht rock" or similar sing-along selections. He indicated that entertainment would generally consist of a single performer and could also be offered in connection with charitable functions or other afternoon events.

Chairman Calouro outlined the proposed entertainment hours for both indoor and outdoor areas. The requested hours were 11:30 a.m. to 9:00 p.m. Monday through Thursday, 11:30 a.m. to 10:00 p.m. Friday and Saturday, and 11:30 a.m. to 9:00 p.m. on Sunday. He confirmed that the same schedule would apply to both indoor and outdoor entertainment. Clerk Cordeiro noted that the requested hours were consistent with the Town's ordinance.

Regarding the location of outdoor entertainment, Mr. Martucci explained that performances would take place within the tented patio area, with the entertainment oriented toward the north/northwest, in the direction of Fort Adams and away from the neighboring condominium association. He indicated that the

intent was to minimize any potential disturbance to nearby residents while providing an enjoyable atmosphere for restaurant patrons.

The Council also discussed the proposed sound levels and whether amplification would be permitted. Mr. Martucci explained that the preference was to provide acoustic entertainment at a relatively low volume, although some amplification might be necessary to allow patrons seated farther from the performer to hear the music. Solicitor Teitz cautioned against establishing license conditions using subjective terms such as "low amplification" or "not too loud," explaining that such language would be difficult to interpret and enforce. He clarified that acoustic entertainment, by definition, does not involve amplification and that any amplified entertainment would be subject to the applicable standards of the Town's noise ordinance.

Chairman Calouro further noted that while the applicant had described the intended entertainment as "yacht rock" or similar music, the Council could not impose a license condition requiring performers to adhere to a particular musical genre. He explained that any conditions imposed by the Council would need to be clearly defined and enforceable, rather than based on the type or style of music performed

DRAFT

Parella/Ley - Voted unanimously to decrease the Off-season parking rental cost from $125 to $75

Prior to the vote being taken, Denise DiOrio Javery addressed the Council regarding winter parking at the Prudence Island Marina, requesting consideration of a reduced rate of $75 per month for ferry passengers. She referenced a survey conducted in response to Councilwoman Parella's request the previous year, which received 229 responses. She noted that five school-aged children regularly travel by ferry, approximately 30 individuals commute three to five days per week, and 76 senior citizens face challenges walking distances greater than one-half mile. Ms. Javery expressed concern about the safety and accessibility of parking during the winter months, particularly given the snow, icy conditions, and strong waterfront winds. She estimated that utilizing all 23 parking spaces at the proposed rate would generate approximately $10,350 in winter revenue for the Town. Ms. Javery concluded by requesting a reasonable and affordable parking option for Prudence Island residents during the winter season.

Chairman Calouro advised that the Bristol Harbor Commission and Harbormaster had recommended reducing the winter parking fee to $100 per month, following earlier proposals of $150 and $125. He acknowledged the petitioner's request for a further reduction to $75 and invited Council discussion.

Vice Chairwoman Parella expressed support for the $75 monthly rate, citing the limited use of the parking lot during winter, challenging weather conditions, and safety concerns for ferry passengers walking extended distances. She also noted the rising cost of living and emphasized that although Prudence Island residents are not Bristol taxpayers, they contribute to the local economy by patronizing Bristol businesses.

Councilman Sweeney questioned whether the proposed fee would adequately cover the Town's costs for snow removal, maintenance, and administration. He expressed concern that reducing the fee could result in Bristol taxpayers subsidizing parking for nonresidents and requested clarification regarding the actual expenses.

Harbormaster Gregg Marsili explained that the lot must be plowed regardless of winter parking permits to maintain access for ferry operations, emergency vehicles, commercial fishing vessels, and other marina users. He noted that parked vehicles make snow removal more challenging and supported the Harbor Commission's recommendation of $100 per month. He further

explained that the 23 designated spaces were intended to preserve sufficient parking for other year-round marina users.

Chairman Calouro acknowledged that plowing around parked vehicles could increase maintenance costs and reiterated the importance of protecting Bristol taxpayers. He suggested allowing the reduced rate for one winter season and reviewing its effectiveness the following year, noting that only five of the 23 available spaces had been utilized the previous winter. He recommended evaluating participation before considering future rate adjustments and thanked the Harbor Commission and Harbormaster for their recommendations.

Sweeney/Teixeira– Voted unanimously to continue to the November 18, 2026 council meeting

Prior to the vote being taken, Chairman Calouro advised that the Police Department had recommended continuing the matter to the

November 18, 2026, Council meeting to allow additional time for a traffic study.

Petitioner Fonseca addressed the Council and expressed concerns regarding increased traffic in the neighborhood resulting from ongoing residential construction and prospective homebuyers visiting the area. He explained that several young children now reside in the neighborhood and frequently ride bicycles and tricycles down the hill near his property. He expressed particular concern about limited visibility at the intersection with Beatrice Avenue, noting that neither motorists approaching the corner nor children riding down the hill can easily see one another. Mr. Fonseca emphasized the importance of trimming the shrubbery obstructing the intersection and installing appropriate signage to improve visibility and safety. He stated that residents regularly caution children against riding in that area due to concerns about a potential accident.

F4. Bristol Police Department request to amend the Town Ordinance to reduce the posted speed limit on Charles Street and Richmond Street from 25 MPH to 20 MPH to reflect current signage.

Teixeira/Sweeney– Voted unanimously to refer this matter to the, Town Administrator, Town Solicitor, and Bristol Police department so that he may draft ordinance language for Council consideration on November 18, 2026

Prior to the vote being taken, Police Chief Kevin Lynch explained that the posted speed limit on Charles and Richmond Streets is 20 mph, while the Town's ordinance currently specifies 25 mph. He noted that this discrepancy creates an enforcement issue, as the posted speed limit does not align with the ordinance. Chief Lynch requested that the Council amend the ordinance to reflect the existing 20 mph signage.

Parella/Ley– Voted unanimously to appoint James Ferrato to the Harbor Commission Advisory Committee with a term set to expire in July 2029

Prior to the vote being taken, Town Clerk Cordeiro reminded the Council that interviews had been conducted at the previous meeting, during which James Ferrato appeared before the Council. She noted that the Council had requested that Tim Serbst appear for an interview at a later date; however, Mr. Serbst had since advised that he was unable to commit to attending a meeting before the end of the year and had therefore withdrawn his application at this time.

At the conclusion of the board appointments, Chairman Calouro took a moment to express his deep gratitude and appreciation for all members of the community who volunteer their time to serve on one of the town's many boards and commissions. He acknowledged the invaluable contributions of these individuals, recognizing their commitment to the betterment of the community. Chairman Calouro emphasized the importance of their selfless efforts in helping to shape and enhance the town's governance. On behalf of himself and the members of the council he extended a heartfelt thank you to all those who dedicated their time and expertise to the collective well-being of the community.

Sweeney/Teixeira – Voted unanimously to deny without prejudice

Prio to the vote being taken, the Council noted that the petitioner had previously been requested to submit a petition demonstrating support from a majority of the surrounding neighborhood. In response to an inquiry regarding the status of the petition, Town Clerk Cordeiro advised that the petitioner had previously requested that the matter be continued to this meeting. She further explained that her office had reached out to the petitioner for an update but had not received a response.

H2. Councilman Ley: Discussion and consideration of the potential impacts of data centers on the Town and related zoning regulations regarding their construction and siting in Bristol **(continued from August 19th)**

a. Community Development Director Williamson, - Proposed Zoning Amendment regulating Artificial Intelligence (AI) Data Centers

Ley/Teixeira- Voted unanimously to continue to the November 18th Council Meeting for first reading, with the determination of the date for public hearing and second reading to be determined by the clerk.

Prior to the vote being taken, Town Planner Tanner addressed the Council regarding the Planning Board's recommendation for proposed amendments to the Zoning Ordinance concerning data centers. He explained that, following discussions at its September and October meetings, the Planning Board voted to recommend establishing a definition for data centers under Section 28-1 of the Zoning Ordinance and adding data centers to the use regulations as a prohibited use in all zoning districts. He noted that the Planning Board had considered several alternatives, including a temporary moratorium to allow additional time for study and permitting data centers by special use permit in certain zoning districts, subject to specific conditions. These options were discussed with the Town Solicitors; however, following its review and deliberations, the Planning Board ultimately recommended prohibiting data centers in all zoning districts, as presented to the Council.

Chairman Calouro clarified that the Planning Board's recommendation included establishing a definition of a data center and prohibiting that use in all zoning districts. Town

Planner Tanner explained that the proposed definition specifically addressed properties where a data center would be the principal use, rather than businesses that utilize computer systems or related technology as an accessory to their primary operations. He emphasized that the distinction was important because the term "data center" could be interpreted differently and that the proposed ordinance was intended to regulate facilities specifically established and operated as data centers, not businesses with ordinary or substantial computing needs that support their primary operations.

Chairman Calouro questioned how the Town would distinguish between a data center and a business that relies on substantial computer infrastructure as part of its operations. While acknowledging the Planning Board's efforts and the importance of regulating large-scale data centers, he expressed concern that the proposed ordinance should not inadvertently discourage businesses from investing in technology necessary for their operations. Town Planner Tanner reiterated that the determining factor would be the principal use of the property. He clarified that a business utilizing computer equipment, servers, or other technology in support of its primary business activities would not be classified as a data center solely because of that equipment. Rather, the proposed definition was intended to address facilities whose primary purpose was operating as a data center, as outlined in the definition.

Councilman Ley emphasized the importance of addressing the issue proactively, noting that other Rhode Island communities, including Smithfield and Westerly, were confronting similar concerns. He explained that the proposed amendments were intended to ensure that Bristol had appropriate zoning regulations in place before receiving potential data center proposals. He further noted that the Council could revisit and amend the ordinance in the future if circumstances warranted. Councilman Ley thanked the Planning Board for its review and recommendations and expressed support for the proposed prohibition of data centers in all zoning districts.

I. Other New Business Requiring Town Council Action

I1. *Town Administrator Contente –Request for Consideration of the Sale of the Reynolds School Building, ~~253~~ 235 High Street- Including Presentation and Discussion of the Highlights of the Draft Request for Proposals (RFP) for the Sale of the Property. (Any Proposed Sale*

is Subject to a Subsequent Public Hearing and Town Council Approval)

Sweeney/Teixeira– Voted unanimously to authorize the sale of the Reynolds School Building, located at 235 High Street, through the Town's bid process, as recommended, with the understanding that the Town Administrator's memorandum be amended to remove the provision requiring him to return to the Council for approval of a minimum bid amount

Prior to the vote being taken, Town Administrator Contente addressed the Council regarding the preparation of a Request for Proposals (RFP) for the sale of the Reynolds School property. He explained that the Administration was nearing completion of the RFP and was seeking the Council's input on the proposed evaluation criteria before advertising. He emphasized that proposals would be evaluated based not only on the purchase price but also on the proposed use of the property, with consideration given to its highest and best use. He outlined several proposed requirements, including a $10,000 deposit and an administrative evaluation of each proposal based on the feasibility of the proposed project, the applicant's experience, business ownership, and anticipated duration of the proposed use. He explained that a proposal offering a lower purchase price could receive a higher evaluation if its proposed use was determined to be more beneficial. The Administration would review the submissions and make a recommendation, with the final decision regarding the sale remaining with the Council.

Councilman Sweeney expressed support for the proposed approach, agreeing that while the purchase price was an important consideration, neighborhood compatibility and historic preservation should also be significant factors in evaluating proposals. He emphasized the importance of balancing these considerations and indicated his support for proceeding with the RFP.

Chairman Calouro emphasized that the potential sale of the Reynolds School was a significant decision that the Council and Administration had considered carefully through numerous discussions. He acknowledged the building's historical importance and its original purpose of educating Bristol's children, recognizing its significance to the community. He explained that the building had most recently housed the Superintendent's offices on the second floor and the Community

Development Department on the first floor. As the Town moved forward with consolidating operations at Guiteras School, the resulting cost savings and opportunity to better utilize municipal properties were important considerations, but not the sole reasons for pursuing the sale. Chairman Calouro stressed that the Council's objective was to ensure the property would be put to its highest and best use rather than remain underutilized. He reiterated that the Council recognized the building's historical and community value and was approaching the potential sale with careful consideration and an understanding of its importance to Bristol residents.

Town Administrator Contente further advised the Council of a change to the process outlined in his memorandum. He explained that the Town had received the property appraisal earlier that day and that the Administration was reviewing it and had several questions regarding the appraisal and the methodology used. He noted that his memorandum indicated he would return to the Council to establish a minimum bid amount before proceeding with the RFP. However, upon further consideration, he did not believe that step was necessary, as the Council would ultimately review the evaluation of the proposals and determine whether to accept an offer. He requested that the record reflect this change and that the reference in his memorandum to returning to the Council for approval of a minimum bid be withdrawn

I2. *Councilman Sweeney - Bristol Christmas Festival & Austrian Market (December 5 & 6, 2026). Review and discuss the status and coordination of the event between the Bristol Christmas Festival Committee, Town of Bristol, Unity Park LLC, and Roger Williams University. Possible votes, including regarding the Memorandum of Agreement.

Sweeney/Parella– Voted unanimously to approve the MOU and Authorize the Council Chairman to sign on behalf of the Town

Prior to the vote being taken, Town Clerk Cordeiro noted for the record that a Memorandum of Understanding, marked “Received at Meeting,” had been presented to the Council for its consideration.

Chairman Calouro provided background regarding the Bristol Christmas Festival Committee's involvement in the proposed Austrian Christmas Market at Unity Park. He explained that, at

the previous Council meeting, the Committee had requested and received approval for several one-day licenses and permits, including dancing and entertainment and mobile food vendors, in support of the event. However, following that meeting, the Christmas Festival Committee voted not to proceed with its involvement in the event. Chairman Calouro noted that Town Solicitor Teitz had attended the Committee's meeting at his request to provide legal guidance and clarification, rather than to influence the Committee's decision. Following that discussion, the Solicitor recommended that the Committee schedule a meeting for November 2, 2026, to reconsider its position.

Chairman Calouro emphasized that the Council respected the Committee's independence and would not require volunteers to undertake responsibilities they were unwilling to assume. He expressed the Council's appreciation for the Christmas Festival Committee and its members, recognizing the significant time and effort they devote throughout the year to organizing holiday events, securing support, and enhancing Bristol's holiday decorations and festivities. He acknowledged Committee Chair Tanya Kerian, who was present, and thanked the members for their continued service to the community.

Chairman Calouro further explained that preparations for the Unity Park event were already substantially underway, with numerous vendors, performers, local organizations, and participants having made commitments. He expressed concern that canceling the event at this stage could negatively affect those involved, as well as residents who looked forward to attending. He acknowledged that the Committee had raised concerns regarding certain procedures and Town requirements that had not been properly addressed during the planning process. He indicated that those concerns had since been reviewed and that Solicitor Teitz had prepared a revised Memorandum of Agreement intended to clarify responsibilities and address the issues raised. Chairman Calouro explained that the Committee would have an opportunity to reconsider its participation at its November 2 meeting. Should the Committee decide not to proceed, the Town could assume responsibility for facilitating the 2026 event through the Recreation Department.

Solicitor Teitz addressed the Council and explained that he had substantially revised the proposed Memorandum of Agreement, reducing the original 44-page document to four pages, plus a signature page, while retaining the essential provisions. He stated that his primary concern was protecting the Town from potential liability to vendors, donors, performers, and other parties who had already committed to participating in the event.

He explained that the agreement was intended to establish clear legal responsibilities among the participating organizations and allow the event to proceed without significant disruption.

Solicitor Teitz identified the parties to the agreement as the Town of Bristol, the Bristol Christmas Festival Committee, the project management class at Roger Williams University's Gabelli School of Business, and Unity Park, LLC. He explained that the Roger Williams University students had assisted with the event the previous year and would continue providing project management and organizational support. He noted that prior arrangements, particularly those involving Unity Park, had been largely informal, without a comprehensive written agreement establishing each party's responsibilities. The revised agreement was intended to formalize those arrangements and provide greater clarity regarding the management and operation of the event.

Solicitor Teitz emphasized that the agreement was subject to approval by both the Town Council and the Christmas Festival Committee, which was scheduled to reconsider the matter on November 2. He expressed hope that the Committee would agree to continue its involvement, noting that the agreement was structured to minimize additional responsibilities for its limited number of volunteers. However, should the Committee decline to participate, the agreement provided an alternative arrangement under which the Town's Recreation Department would assume responsibility for the event. In that circumstance, the necessary dancing and entertainment license and mobile food vendor permits would be brought before the Council at its November meeting.

Solicitor Teitz also outlined changes to the financial oversight of the event. He explained that, regardless of whether the Christmas Festival Committee continued its involvement, the Town Treasurer would oversee the financial transactions, including depositing funds, issuing payments, and maintaining the financial records associated with the event. He emphasized the importance of separating the responsibilities for approving expenditures and issuing payments to ensure appropriate financial controls. Accordingly, the Town Council liaison to the Christmas Festival Committee would be responsible for reviewing and approving expenditures to ensure they were consistent with the established budget, while the Treasurer would process the payments.

Regarding event operations, Solicitor Teitz explained that the Roger Williams University project management students would continue coordinating the day-to-day planning, vendor

arrangements, and logistical responsibilities, with Unity Park continuing its existing role. He noted that current agreements with vendors and performers would remain in place and that donations received for the event would be restricted to that purpose. He further explained that the Town Administrator had authorized assistance from municipal departments, including the Recreation Department and Department of Public Works, should additional staffing be necessary for event setup, operations, or cleanup. Although such assistance was not anticipated to be necessary, it would remain available if needed.

Solicitor Teitz addressed the insurance and liability provisions of the agreement, explaining that each participating party would remain responsible for its own acts and omissions. Vendors would be required to obtain any applicable licenses and permits, with the Roger Williams University students assisting in collecting and submitting documentation for the Town's review. He further explained that the Town would provide insurance coverage to Unity Park and its condominium association for claims arising from the Town's own negligence, while Unity Park would provide corresponding coverage for claims arising from its negligence. He confirmed that the required certificates of insurance had already been obtained and exchanged between the parties and expressed satisfaction that the Town's liability concerns had been adequately addressed.

Solicitor Teitz also clarified that the event would not involve any additional alcoholic beverage licensing or expansion of existing licensed premises. Businesses within Unity Park holding liquor licenses would be permitted to serve alcoholic beverages only within their currently approved licensed areas. No additional alcohol sales by vendors or other participants would be permitted. He emphasized that the event would remain family-oriented, consistent with the Christmas Festival Committee's original vision.

Solicitor Teitz stated that the proposed agreement established a clear framework for the participating organizations to continue planning and conducting the 2026 Austrian Christmas Market while addressing the legal, financial, and operational concerns that had been raised. He emphasized that the intent was to maintain continuity for vendors, performers, and the public, with most changes occurring administratively behind the scenes. He further noted that, following the 2026 event, the Council could evaluate and determine the most appropriate organizational structure for managing the event in future years.

PERSONS WISHING TO SPEAK DURING THE CITIZENS PUBLIC FORUM MUST NOTIFY THE COUNCIL CLERK PRIOR TO THE COMMENCEMENT OF THE MEETING

Peter Hewitt, 11 Wendy Drive addressed the Council concerning state legislation affecting local authority over land use, zoning, planning, and affordable housing. He urged the Town to consider supporting litigation or related efforts by Portsmouth to protect municipal home-rule powers.

Chairman Calouro explained that, because the subject was raised during public forum rather than as a posted action item, the Council would not deliberate or vote on the request at that time.

M2. Executive Session pursuant to RIGL§ 42-46-4 (a) (1)- Any discussions of the job performance, character, or physical or mental health of a person or persons

Sweeney/Teixeria – Voted unanimously to convene in Executive Session pursuant to RIGL Section 42-46-4 (a) (1) Any discussions of the job performance, character, or physical or mental health of a person or persons at 9:11 PM.

Prior to the vote taken, Town Solicitor Teitz announced for the record that the person affected was notified in advance in writing in accordance to RIGL.

Parella/Sweeney – Voted unanimously to resume open session and seal the minutes of the Executive Session at 10:17 PM.

Solicitor Teitz announced that a motion was made and voted on in Executive Session and that the Council Deferred another motion and vote to be addressed in public session as follows:

Parella/Sweeney- Motion to enter into litigation with the Town of Portsmouth relating to enjoining enforcement of state laws relative to Usurpation of Local Control over development, with the Town's contribution toward legal fees not to exceed $12,000. Voting in favor: Calouro, Parella, Sweeney. Voting Opposed: Teixeira and Ley. Motion Carries

The Council discussed the Town's potential participation in litigation initiated by the Town of Portsmouth against the State of Rhode Island concerning state legislation affecting municipal authority over land use, zoning, planning, and affordable housing.

Councilman Ley expressed his opposition to participating in the litigation, acknowledging that the intent of the legislation is to promote affordable housing, which he considers a worthwhile and necessary objective. While recognizing that the legislation may not be perfect, he believed the State's efforts were well-intentioned and aimed at addressing the need for additional affordable housing opportunities. He questioned the likelihood

of success and did not believe that committing $12,000 in taxpayer funds toward what he considered a potentially frivolous lawsuit was warranted.

Vice Chairwoman Parella expressed concern regarding what she viewed as an overreach of state authority into matters traditionally governed at the municipal level. She emphasized that communities have unique characteristics and challenges that cannot effectively be addressed through a uniform, statewide approach. She further questioned whether the legislation would achieve its intended goal of improving housing affordability and expressed her belief that local governments should retain greater authority over planning and zoning decisions.

Councilman Sweeney echoed concerns regarding the impact of statewide legislation on local decision-making. He referenced Bristol's unique flooding and environmental challenges, noting that the Town's Planning Board and Zoning Board possess the local knowledge and expertise necessary to evaluate development proposals and their potential impacts. He emphasized that affordable housing remains an important objective but believed that alternative measures could be pursued without diminishing municipal oversight and authority.

Chairman Calouro emphasized the importance of preserving local control over land use and development decisions, stating that "Bristol knows Bristol." He explained that the Town's planning and zoning review processes are intended to safeguard the community by considering its specific characteristics, infrastructure, and development needs. He expressed concern that increased state oversight applies a broader, statewide approach that may fail to account for the circumstances of individual municipalities. Chairman Calouro maintained that these decisions are best addressed through the knowledge and expertise of local officials and boards.

Councilman Teixeira expressed reservations regarding the proposed litigation, questioning the municipalities' ability to successfully challenge the State. He believed the lawsuit would be difficult to prevail upon and that the participating towns lacked sufficient leverage to achieve a favorable outcome. Given the anticipated legal expenses and uncertain prospects for success, he did not believe the expenditure of municipal funds was justified.

There being no further business, upon a motion by Councilman Teixeira, seconded by Councilman Sweeney and voted unanimously, the Chairman declared this meeting to be adjourned at 10:26 pm.

SALES AND SERVICE COUNTERS

WHEN SALES OR SERVICE COUNTERS ARE PROVIDED, THE COUNTERS MUST BE ACCESSIBLE. IF DOING SO IS READILY ACHIEVABLE, THIS ACCESS IS AN IMPORTANT PART OF RECEIVING THE GOODS AND SERVICES PROVIDED BY A BUSINESS.

AT COUNTERS HAVING A CASH REGISTER, A SECTION OF COUNTER AT LEAST 36 INCHES LONG AND NOT MORE THAN 36 INCHES ABOVE THE FLOOR WILL MAKE THE COUNTER ACCESSIBLE. THIS PROVIDES A LOWERED SURFACE WHERE GOODS AND SERVICES AND MONEY CAN BE EXCHANGED. AN ALTERNATIVE SOLUTION IS TO PROVIDE AN AUXILIARY COUNTER NEARBY.

PHOTO - VIEW OF AN ACCESSIBLE COUNTER WITH A CASH REGISTER, PERSON USING AN ELECTRIC SCOOTER IS PULLED PARALLEL TO THE COUNTER AND THE CASHIER IS EXCHANGING MONEY WITH THE CUSTOMER. CAPTION - AN ACCESSIBLE SALES COUNTER AT A CASH REGISTER.

NOTES:

ACCESSIBLE COUNTER IS AT LEAST 36" LONG AND NO MORE THAN 36" ABOVE THE FLOOR

PROVIDE A 30" BY 48" SPACE IN FRONT OF THE SALES OR SERVICE COUNTER TO ACCOMMODATE A WHEELCHAIR OR ELECTRIC SCOOTER AT 36 " HIGH.

AT SALES AND SERVICE COUNTERS, SUCH AS TICKETING COUNTERS, TELLER STATIONS IN A BANK, REGISTRATION COUNTERS IN HOTELS AND MOTELS, AND OTHER COUNTERS WHERE GOODS OR SERVICES ARE SOLD OR DISTRIBUTED A COUNTER THAT IS AT LEAST 36 INCHES LONG AND THAT IS NOT MORE THAN 36 INCHES ABOVE THE FLOOR WILL MAKE THE COUNTER ACCESSIBLE. IT IS ALSO POSSIBLE TO PROVIDE AN AUXILIARY COUNTER NEARBY OR TO USE A FOLDING SHELF OR AREA NEXT TO THE COUNTER, IF DOING SO IS READILY ACHIEVABLE.

IN ADDITION TO HAVING A MAXIMUM HEIGHT OF 36 INCHES, ALL ACCESSIBLE SALES AND SERVICE COUNTERS MUST HAVE A CLEAR FLOOR SPACE IN FRONT OF THE ACCESSIBLE SURFACE THAT PERMITS A CUSTOMER USING A WHEELCHAIR TO PULL ALONGSIDE. THIS SPACE IS AT LEAST 30 INCHES BY 48 INCHES AND MAY BE PARALLEL OR PERPENDICULAR TO THE COUNTER. IT IS ALSO CONNECTED TO THE ACCESSIBLE ROUTE WHICH CONNECTS TO THE ACCESSIBLE ENTRANCE AND OTHER AREAS IN THE BUSINESS WHERE MERCHANDISE OR SERVICES ARE PROVIDED.

IF YOU CANNOT PROVIDE AN ACCESSIBLE SALES OR SERVICE COUNTER OR AUXILIARY COUNTER NEARBY, SUCH AS A TABLE OR DESK, YOU MAY PROVIDE A CLIP BOARD OR LAP BOARD FOR USE UNTIL A MORE PERMANENT SOLUTION CAN BE IMPLEMENTED.

CHECKOUT AISLES, SUCH AS IN A GROCERY STORE, HAVE DIFFERENT REQUIREMENTS. AN ACCESSIBLE CHECKOUT AISLE SHOULD PROVIDE A MINIMUM OF A 36-INCH-WIDE ACCESS AISLE AND IT SHOULD BE IDENTIFIED BY A SIGN WITH THE INTERNATIONAL SYMBOL OF ACCESSIBILITY MOUNTED OVER THE AISLE. THE COUNTER ADJACENT TO THE ACCESSIBLE CHECKOUT AISLE HAS A MAXIMUM HEIGHT OF 36 INCHES. IF A LIP IS PROVIDED BETWEEN THE COUNTER AND THE CHECKOUT AISLE, ITS MAXIMUM HEIGHT IS 40 INCHES.

THE NUMBER OF ACCESSIBLE AISLES THAT IS NEEDED DEPENDS ON THE TOTAL NUMBER OF CHECKOUT AISLES PROVIDED. FOR EXAMPLE, IF ONE TO FOUR AISLES ARE PROVIDED, THEN AT LEAST ONE SHOULD BE ACCESSIBLE. IF MORE THAN FIVE TO EIGHT AISLES ARE PROVIDED, THEN TWO ACCESSIBLE AISLES ARE NEEDED. EACH TYPE OF CHECKOUT, INCLUDING EXPRESS LANES, MUST HAVE AN ACCESSIBLE CHECKOUT AISLE.

THE ADA STANDARDS FOR ACCESSIBLE DESIGN PROVIDE DETAILED INFORMATION ON THE REQUIREMENTS FOR CHECKOUT AISLES AND FOR SALES AND SERVICE COUNTERS.

SERVING COUNTERS

WHERE FOOD OR DRINKS ARE SERVED AT COUNTERS AND THE COUNTER HEIGHT IS MORE THAN 36 INCHES ABOVE THE FLOOR, PROVIDING A LOWERED SECTION OF THE SERVING COUNTER AT LEAST 60 INCHES LONG AND NO HIGHER THAN 42 INCHES WILL MAKE THE COUNTER ACCESSIBLE. IF IT IS NOT READILY ACHIEVABLE TO MAKE THE COUNTER ACCESSIBLE, A BUSINESS CAN SERVE THE ITEMS AT NEARBY ACCESSIBLE TABLES, IF READILY ACHIEVABLE.

WHEN IT IS NOT READILY ACHIEVABLE TO PROVIDE AN ACCESSIBLE COUNTER OR BAR AREA OR SERVICE AT ACCESSIBLE TABLES IN THE SAME AREA, THEN A BUSINESS SHOULD PROVIDE SERVICE IN AN ALTERNATIVE MANNER, IF DOING SO IS READILY ACHIEVABLE. THIS MAY INCLUDE OFFERING TO ASSIST THE CUSTOMER BY MOVING ITEMS TO AN ACCESSIBLE COUNTER OR TO THEIR TABLE IN ANOTHER AREA.

The durable Stabilit 32 sq. ft. Plastic Composite Siding Panel is made of polyester resin. This wall siding is rot-resistant and has a cracked ice surface for simple cleaning. Color: White.

NOTE:

ALL WALLS IN THE KITCHEN SHALL BE 5/8 TYPE X AND ALL WORKING AREA SHALL HAVE A (FGP), FIBER GLASS PANELING OR CLEANING SURFACE.

FLOOR SHALL BE NON SLIPPERY SURFACE, CERAMIC TILE

FRONT FLOOR INSTALL LAMINATE FLOORING.

ALL DECORATION SHALL BE NON FLAMMABLE PRODUCT UNLESS A CUT SHEET IS AVAILABLE

ALL KITCHEN WALLS WHERE NON STAINLESS STEEL DO NOT EXIST USE A SMOOTH WASHABLE (FGP) PANELING OR EASY TO CLEAN SURFACE.

* * *

CHAPTER 28 – ZONING

* * *

IT IS HEREBY ORDAINED by the Town Council of Bristol, Rhode Island, that Chapter 28 of the Ordinances of the Town of Bristol be amended as follows:

* * *

ARTICLE I. – IN GENERAL

Sec. 28-1. Definitions.

Amend as follows:

* * *

Data center means a room, building, structure, facility, or group of facilities designed, constructed, or operated as a principal use for the primary purpose of housing computer systems, servers, network equipment, and associated infrastructure for the storage, processing, transmission, or management of digital data or applications, at a scale and intensity substantially greater than that customarily associated with general office, institutional, commercial, or industrial uses. This term includes facilities supporting enterprise computing, colocation services, cloud computing, artificial intelligence processing, edge computing, or similar high-intensity computing operations, whether operated for a single user or multiple users, and whether permanent, modular, or temporary in nature. This term does not include server rooms or information technology infrastructure that is customarily incidental and subordinate to another permitted principal use.

* * *

ARTICLE III. – PERMITTED USES

SALES AND SERVICE COUNTERS

WHEN SALES OR SERVICE COUNTERS ARE PROVIDED, THE COUNTERS MUST BE ACCESSIBLE. IF DOING SO IS READILY ACHIEVABLE, THIS ACCESS IS AN IMPORTANT PART OF RECEIVING THE GOODS AND SERVICES PROVIDED BY A BUSINESS.

AT COUNTERS HAVING A CASH REGISTER, A SECTION OF COUNTER AT LEAST 36 INCHES LONG AND NOT MORE THAN 36 INCHES ABOVE THE FLOOR WILL MAKE THE COUNTER ACCESSIBLE. THIS PROVIDES A LOWERED SURFACE WHERE GOODS AND SERVICES AND MONEY CAN BE EXCHANGED. AN ALTERNATIVE SOLUTION IS TO PROVIDE AN AUXILIARY COUNTER NEARBY.

PHOTO - VIEW OF AN ACCESSIBLE COUNTER WITH A CASH REGISTER, PERSON USING AN ELECTRIC SCOOTER IS PULLED PARALLEL TO THE COUNTER AND THE CASHIER IS EXCHANGING MONEY WITH THE CUSTOMER. CAPTION - AN ACCESSIBLE SALES COUNTER AT A CASH REGISTER.

NOTES:

ACCESSIBLE COUNTER IS AT LEAST 36" LONG AND NO MORE THAN 36" ABOVE THE FLOOR

PROVIDE A 30" BY 48" SPACE IN FRONT OF THE SALES OR SERVICE COUNTER TO ACCOMMODATE A WHEELCHAIR OR ELECTRIC SCOOTER AT 36 " HIGH.

AT SALES AND SERVICE COUNTERS, SUCH AS TICKETING COUNTERS, TELLER STATIONS IN A BANK, REGISTRATION COUNTERS IN HOTELS AND MOTELS, AND OTHER COUNTERS WHERE GOODS OR SERVICES ARE SOLD OR DISTRIBUTED A COUNTER THAT IS AT LEAST 36 INCHES LONG AND THAT IS NOT MORE THAN 36 INCHES ABOVE THE FLOOR WILL MAKE THE COUNTER ACCESSIBLE. IT IS ALSO POSSIBLE TO PROVIDE AN AUXILIARY COUNTER NEARBY OR TO USE A FOLDING SHELF OR AREA NEXT TO THE COUNTER, IF DOING SO IS READILY ACHIEVABLE.

IN ADDITION TO HAVING A MAXIMUM HEIGHT OF 36 INCHES, ALL ACCESSIBLE SALES AND SERVICE COUNTERS MUST HAVE A CLEAR FLOOR SPACE IN FRONT OF THE ACCESSIBLE SURFACE THAT PERMITS A CUSTOMER USING A WHEELCHAIR TO PULL ALONGSIDE. THIS SPACE IS AT LEAST 30 INCHES BY 48 INCHES AND MAY BE PARALLEL OR PERPENDICULAR TO THE COUNTER. IT IS ALSO CONNECTED TO THE ACCESSIBLE ROUTE WHICH CONNECTS TO THE ACCESSIBLE ENTRANCE AND OTHER AREAS IN THE BUSINESS WHERE MERCHANDISE OR SERVICES ARE PROVIDED.

IF YOU CANNOT PROVIDE AN ACCESSIBLE SALES OR SERVICE COUNTER OR AUXILIARY COUNTER NEARBY, SUCH AS A TABLE OR DESK, YOU MAY PROVIDE A CLIP BOARD OR LAP BOARD FOR USE UNTIL A MORE PERMANENT SOLUTION CAN BE IMPLEMENTED.

CHECKOUT AISLES, SUCH AS IN A GROCERY STORE, HAVE DIFFERENT REQUIREMENTS. AN ACCESSIBLE CHECKOUT AISLE SHOULD PROVIDE A MINIMUM OF A 36-INCH-WIDE ACCESS AISLE AND IT SHOULD BE IDENTIFIED BY A SIGN WITH THE INTERNATIONAL SYMBOL OF ACCESSIBILITY MOUNTED OVER THE AISLE. THE COUNTER ADJACENT TO THE ACCESSIBLE CHECKOUT AISLE HAS A MAXIMUM HEIGHT OF 36 INCHES. IF A LIP IS PROVIDED BETWEEN THE COUNTER AND THE CHECKOUT AISLE, ITS MAXIMUM HEIGHT IS 40 INCHES.

THE NUMBER OF ACCESSIBLE AISLES THAT IS NEEDED DEPENDS ON THE TOTAL NUMBER OF CHECKOUT AISLES PROVIDED. FOR EXAMPLE, IF ONE TO FOUR AISLES ARE PROVIDED, THEN AT LEAST ONE SHOULD BE ACCESSIBLE. IF MORE THAN FIVE TO EIGHT AISLES ARE PROVIDED, THEN TWO ACCESSIBLE AISLES ARE NEEDED. EACH TYPE OF CHECKOUT, INCLUDING EXPRESS LANES, MUST HAVE AN ACCESSIBLE CHECKOUT AISLE.

THE ADA STANDARDS FOR ACCESSIBLE DESIGN PROVIDE DETAILED INFORMATION ON THE REQUIREMENTS FOR CHECKOUT AISLES AND FOR SALES AND SERVICE COUNTERS.

SERVING COUNTERS

WHERE FOOD OR DRINKS ARE SERVED AT COUNTERS AND THE COUNTER HEIGHT IS MORE THAN 36 INCHES ABOVE THE FLOOR, PROVIDING A LOWERED SECTION OF THE SERVING COUNTER AT LEAST 60 INCHES LONG AND NO HIGHER THAN 42 INCHES WILL MAKE THE COUNTER ACCESSIBLE. IF IT IS NOT READILY ACHIEVABLE TO MAKE THE COUNTER ACCESSIBLE, A BUSINESS CAN SERVE THE ITEMS AT NEARBY ACCESSIBLE TABLES, IF READILY ACHIEVABLE.

WHEN IT IS NOT READILY ACHIEVABLE TO PROVIDE AN ACCESSIBLE COUNTER OR BAR AREA OR SERVICE AT ACCESSIBLE TABLES IN THE SAME AREA, THEN A BUSINESS SHOULD PROVIDE SERVICE IN AN ALTERNATIVE MANNER, IF DOING SO IS READILY ACHIEVABLE. THIS MAY INCLUDE OFFERING TO ASSIST THE CUSTOMER BY MOVING ITEMS TO AN ACCESSIBLE COUNTER OR TO THEIR TABLE IN ANOTHER AREA.

The durable Stabilit 32 sq. ft. Plastic Composite Siding Panel is made of polyester resin. This wall siding is rot-resistant and has a cracked ice surface for simple cleaning. Color: White.

NOTE:

ALL WALLS IN THE KITCHEN SHALL BE 5/8 TYPE X AND ALL WORKING AREA SHALL HAVE A (FGP), FIBER GLASS PANELING OR CLEANING SURFACE.

FLOOR SHALL BE NON SLIPPERY SURFACE, CERAMIC TILE

FRONT FLOOR INSTALL LAMINATE FLOORING.

ALL DECORATION SHALL BE NON FLAMMABLE PRODUCT UNLESS A CUT SHEET IS AVAILABLE

ALL KITCHEN WALLS WHERE NON STAINLESS STEEL DO NOT EXIST USE A SMOOTH WASHABLE (FGP) PANELING OR EASY TO CLEAN SURFACE.

Intoxicating Beverage License Review

I have reviewed the applications for the renewal of Intoxicating Beverage Licenses for the establishments listed below. The following violations were noted during compliance checks conducted by the Department during the previous year.

- Bristol Liquors
  - 4/9/26 – Sold alcohol to underage. 1 person. Fake I.D. used
- Prudence
  - 4/18/26 – Underage drinking 1 person. No Fake I.D.
- Violas Liquors
  - 9/3/26 – Sold alcohol to underage. 1 person. Fake I.D. used

There is no known reason to deny any of the remaining renewals, provided that all laws and ordinances governing this practice are followed. Officers will continue to monitor the above locations. Any further violation's will be forwarded for further review.

Respectfully Submitted

Inter Office Memorandum

To: Steven Contente, Town Administrator

From: Michael DeMello, Fire Chief

cc: File

Date: November 6, 2026

Re: License Recommendation, November 18 Council Meeting

The fire department has reviewed the license requests presented:

1. Intoxicating Beverage License Renewals 2026-2027

   Establishments listed in the Town Clerks memorandum

   No outstanding Fire Code deficiencies that would preclude issuing of licenses at the time of this request.

There is no objection to the granting of said licenses provided the applicants are compliant with all applicable laws, codes, ordinances, and/or other compliancy requirements.

RE: Victualling License Renewals – 2026-2027

Concerning the renewal of the 2026-2027 victualling licenses, this department has no objections to the businesses on the attached list. All of the businesses, of which this department permits, have a current permit, set to expire on December 31st, 2026, and they are all in the process of re-application right now. Many have already applied for their 2027 permit.

Thank you for your support and consideration.

The Lobster Pot

Waterfront Restaurant & Bar

Since 1929, the Lobster Pot has provided Rhode Islanders with the very best in dining experiences. Our kitchen works tirelessly to prepare the finest traditional New England classics especially seafood - as well as blending dishes with a new and contemporary twist.

Bristol, Rhode Island, a classic New England seaside town is steeped in history and home to the oldest Independence Day Celebration in the country. Our premier location, alongside Bristol Harbor, provides one of the most spectacular views of Rhode Island's greatest treasure, Narragansett Bay.

The Lobster Pot's warm and attractive atmosphere is enhanced by our gallery of fine paintings and our collection of exquisite jewelry by "Van Busch."

Our longstanding reputation and commitment to provide you with the best in food, service and atmosphere and our desire to make your visit a true pleasure is what makes the Lobster Pot a New England favorite.

It is our pleasure to serve you.

Petition for Full Liquor License (BV)

To the Honorable Town Council of the Town of Bristol, Rhode Island:

The undersigned, Blithewold, Inc., a nonprofit educational organization located at 101 Ferry Road, Bristol, Rhode Island, respectfully petitions the Honorable Council for the granting of an additional full BV INTOXICATING BEVERAGE LICENSE to permit the sales and service of liquor including wine, beer and spirits on the premises in connection with museum operations and special events. We respectfully ask consideration to add a full liquor license to the ordinance issued in May 2026 as a limited BVL. (RENEWAL OF WINE & BEER LICENSE AND ADDITION OF BV INTOXICATING LICENSE) to the ordinance.

Blithewold hosts a variety of public and private gatherings consistent with its mission to provide educational, cultural, and horticultural experiences to the community. These include, but are not limited to, brunches, luncheons, afternoon teas, receptions, and other catered functions, as well as private event rentals such as weddings, meetings, and social celebrations.

The sales and serving of liquor will be conducted in accordance with applicable state and local health and safety regulations, and all necessary permits and licenses will be maintained in good standing.

Respectfully submitted,

Blithewold, Inc.

NOTES:
After reviewing the petitioner's request, speaking with the petitioner, and observing the location, it appears that providing an accessible parking space closer to the handicap ramp would improve access between the petitioner's residence and vehicle. I also spoke with Director Parella and, based on these considerations, see no reason to deny the petitioner's request at this time.

Resolution No. 2026-10-28-F2

2ND READING

State of Rhode Island
Town of Bristol

Town Council

Resolution

Resolved:

Whereas, Chapter 16-Sec 148 states that Accessible Disabled parking restrictions shall be made by resolution of the town council; provided however, that no such resolution shall be adopted at the meeting at which it is introduced but shall, rather, be referred to a subsequent regular or special meeting at least seven days thereafter for a vote; and

Whereas, a petition for addition of an accessible parking designation was submitted by Emilio F. Volpicelli, 4 Adelaide Avenue, Bristol, RI; and

Whereas, the Chief of Police and Director of Public Works have reviewed the request and recommend the approval of addition of said Disabled Parking Designation; and

Whereas, the Town of Bristol desires to add an accessible disabled parking designation by Resolution of the Town Council, and may be amended from time to time by authority of same; and

Now, therefore, be it resolved:

1. the appropriate traffic control signs and notices designating the Accessible Disabled parking spaces established herein are hereby authorized to be added; and

2. This resolution shall take effect upon passage.

PETITION TO THE TOWN COUNCIL

TOWN CLERK'S OFFICE
BRISTOL, RHODE ISLAND

DATE RECEIVED

To the Honorable Town Council of the Town of Bristol:

The undersigned hereby respectfully request of your Honorable Body that:

Melissa Cordeiro
Council Clerk

Kelly Saulnier, Larry Saulnier, and Brian White (hereafter known as Owners) are reaching out to kindly petition the town of Bristol, Rhode Island for a full liquor license for East Landing RI (hereafter known as ELRI) a family-owned and operated restaurant located at 205 Thames St.

After opening officially on July 24, 2026, ELRI has kept true to our mission of respectful and responsible service to the Bristol community. We have created over 50 jobs in a variety of departments, even recently being able to provide salaries and health insurance to our full time kitchen staff. While we are proud to be able to take care of our employees, we unfortunately are hitting a wall financially, a wall that could be significantly lifted with the approval of a full liquor license.

We are unfortunately losing customers at a consistent rate due to the lack of a full bar. We often have customers sit down, take one look at our menu and make the decision to leave, as they are unable to purchase a cocktail. Customers who have enjoyed their dinner will remark to the owners upon their departure how unfortunate it is that they have to leave us to go grab a drink somewhere else. Our profit margin has been significantly impacted, with the average restaurant seeing anywhere from 10-20% of their profit coming from the bar, and us sitting just around 3%.

The owners of ELRI are on site from the moment the first employee walks in until the moment that last employee walks out, often jumping in to assist when necessary. Brian White (owner) has years of experience in the restaurant and bar industry, and has made significant efforts to ensure we have safe and responsible practices when serving alcohol. Every server and bartender in our establishment is required to have a TIPS (Training for Intervention Procedures) Certification, and are trained on alcohol service directly by the owners.

ELRI has a strong desire to continue to service and uplift the Bristol community for years to come. We have made a number of donations to local organizations and try our best to hire as many locals as possible. However, without a full liquor license, we are losing faith in our ability to stay afloat. Your support in this petition would be a huge help to our family, our employees, and our company as a whole. We thank you in advance for your cooperation and assistance.

Re: License Recommendation, November 18 Council Meeting

The fire department has reviewed the license request presented as follows:

1. Full Class BV Liquor

   Kelly Saulnier, Larry Saulnier, and Brian White d/b/a East Landing

   205 Thames St.

There is no objection to the granting of said license provided the applicant is compliant with all applicable laws, codes, ordinances, and/or other compliancy requirements.

CONSENT ORDER

In the matter of: AZJ – John St. LLC, Jeffrey Quinlan, Zach King, Andrew Tuchler ("Licensee")

d/b/a Aidan's Pub, 5 John Street, Bristol RI

Show Cause hearing for the purpose of considering the revocation or suspension of the Dancing and Entertainment License and the Class B Victualer Intoxicating Beverage License

Licensee hereby admits to the following violations/offenses and agrees to the penalties and conditions on its licenses as set forth below.

A NOISE VIOLATION

On February 27, 2026, at 11:26 PM, police recorded a calibrated noise meter reading of 80 dBA and issued a Municipal Court Citation.

B SERVING ALCOHOL TO UNDERAGE PERSONS

On February 6, 2026, at 12:18 AM, police found an underage drinker and issued a Municipal Court summons to the individual.

On March 28, 2026, at 11:19 PM, police found two underage drinkers and issued a Municipal Court summons to each individual.

C NOISE COMPLAINTS AND CROWD CONTRAL

On October 19, 2025, the Town Council conducted a review of the Licensee's Entertainment License. At this meeting, the Police Chief presented data showing 19 calls for service to the Licesnee's premises up to that date. On November 4, 2025, the Police Chief met with owner Jeffrey Qunilan and General Manager Michael Cockcroft, who requested time to develop an "action plan." On November 5, Licensee submitted a document entitled "Noise Remediation Measures" with a 6-point list. Only one commitment, the cessation of late-night disposal of bottles and glassware, has been carried out to date. Since that time, there has been an increase in noise and public disturbance complaints, and as set forth herein, underage drinking summons.

D FINES AND CONDITIONS ON LICENSES

1. For the noise violation, the Licensee shall plead guilty to the violation and pay a fine of $500.

2. For the underage service violations, The Licensee admits the violations and shall pay a fine of $500 for the first offense, and $1,000 each for the second and third offences, for a total fine of $2,500.

3. All fines shall be paid within five (5) business days.

4. The Entertainment License shall be enforced so that the hours of indoor entertainment shall end at 10:00 PM on Thursday nights and be reduced to 11:00 PM on Friday and Saturday nights. (Note that outdoor entertainment is allowed only on Friday and Saturday nights and already must end by 11:00 PM.)

5. The Licensee has agreed to hire Safety Management Solutions ("SMS") which will come in and do an analysis of the strengths and weaknesses of the crowd control at Licensee's premises. SMS will then provide new training and support for the staff on how to move the crowd along quietly at closing time. SMS may recommend additional staff during entertainment and, if so, it will be implemented. A written report of findings and recommendations from SMS shall be provided to the Town Clerk within thirty (30) days of this Order.

6. Licensee shall have at least one dedicated security staffer posted outside at the close of entertainment until the close of the restaurant itself. This staff member shall ensure that patrons do not linger and go directly to their cars. Licensee shall post signage that anyone who disturbs the surrounding area will be reported to police and staff shall be instructed to call the Bristol Police Department for any noncompliance. A written log of the dedicated security staff on the premises (including names and specific hours of work) shall be kept by Licensee and shall be provided to the Town Clerk each and every month by the 10th day of the month.

7. The Town will revisit the situation at its Town Council meeting of August 19, 2026, and again at the Town Council meeting considering renewal of the licenses in November, 2026, to determine if the situation has improved and if the hours of operation should be changed. Notwithstanding such November review, failure to abide by any of the conditions herein may result in an expedited hearing to Show Cause why the Entertainment and/or Alcoholic Beverage Licenses should not be suspended and/or revoked.

8. There shall be no disposal of bottles and cans into the dumpster after Midnight of any night, but the Licensee shall wait until after 8:00 AM the following morning to do so.

SAFETY MANAGEMENT SOLUTIONS, LLC

Security Plan for Aidan's Pub

Executive Summary:

The undersigned was contracted with by Aidan's Pub to provide a security analysis and assessment to address certain crowd control issues that have been raised by neighbors in the surrounding area. Safety Management Solutions worked in conjunction with David Caruso of Meridian Consulting to complete this analysis. Mr. Caruso conducted a site visit to Aidan's Pub, 5 John Street, Bristol, RI (AP 01, Lot 19) ("Premises") on Thursday, May 21, 2025. The undersigned interviewed a manager and understand that current issues relate mainly to noise complaints rather than disorderly or tumultuous behavior and crowd control issues.

To address the noise complaints, the Premise should direct all patrons towards the Thames St. area at closing time. This will provide a larger area to disperse patrons and limiting ride share pick up to Thames St. will also focus foot traffic onto a larger two-lane roadway (as opposed to John St. which is a one-way avenue.)

The Premises utilizes contract security professionals and staffs 4-5 personnel each evening during the busy season (which does not generally include the summer months.)

Our review included the following: perimeter layout; entrance, including patron ID checks; security office posting positions; security officer training protocols; emergency protocols; end-of-night/closing protocols; ingress/egress controls; last-call notification; law enforcement contact; and review of parking lots/ride-share pick-up locations.

To secure a restaurant and bar effectively physical security, staff procedures and emergency protocols must be integrated. The Premises appears to be integrating their procedures in an effective manner, and areas of improvement contained in the recommendations are

Recommendations:

1. Procure ID check machine for patron screening upon entry.

2. (1) Guard posted at patio entrance (Thames St.); (1) Guard posted at side (John St.) entrance; (3) Guards to roam inside the Premises.

Photo 1. Thames St. Patio Entrance.

Photo 2. John St. Entrance.

3. Recommend increasing Security Staff by two (2) on documented busy evenings/high traffic events or entertainment.

4. Security Staff should receive training/certification in Crowd Control Techniques; Handling Difficult People; and Crowd Management. All staff should be trained in the same disbursement protocols.

5. End-of-night /closing protocol should include moving all patrons towards the exits located along Thames St.

Photo 3. Patio Entrance

Photo 4. Interior View, Thames St. exit door.

All staff should assist in moving patrons towards front (Thames St.) exit doors and towards the Thames St. parking lot exit.

6. Ride-Share pick-up location should be limited to Thames St. side of property at the Johns St. intersection.

Photo 5. John St./Thames St. Intersection. (Ride-Share Pick-up).

7. Move "last call" to 20 minutes prior to closing time (currently 15 min. prior).

8. Consider removing exterior speaker located outside the John St. entrance.

9. Consider installing four (4) surveillance cameras located along the John St. side of the building. (Industry standard recording capabilities and retention measures should be followed.)

Subject: Aidan's

Andy - I had a discussion again with the client and the consultant this morning regarding the recommendations. Here is what Aidan's is prepared to adopt from the report as a result of that discussion.

1. I spoke with Mr. Caruso, Mr. Stravato, and Mr. Quinlan about recommendation #1 which is the ID machine. I have advised against this. I have had all my clients in college areas stop using these machines because they do not work. I have had a number of cases in the past two years where the fake ids are actually scanning in the machines and coming back as legitimate only to find out that they were in fact fake. We will have all new hires train with SMS or Fraser Olghren on proper checking of ids and how to identify the fakes from the real ones. The machines bread laziness and do not work.

2 and 3. My client will adopt these recommendation but modified pursuant to our discussions today. We will post security at the entrances on Thames and John as suggested on all nights with entertainment. We will have between 3 and 5 guards on the interior on nights with entertainment during the busy season depending on the size of the crowd. We will maintain a 1 to 35 ration between patrons and security which is industry standard to determine how many to have on the inside between 3-5 security personnel on nights with entertainment. This will allow for balance between additional employees vs the size of the crowd so that we do not have an arbitrary assignment of staff that is either too much or too little.

4. Safety Management Solutions will perform this training of staff within the next 30 days and will train a manager to be able to provide the training to new hires on an ongoing basis.

5. This will be implemented.

6. While we agree that this could be helpful, I have advised the client that this is not something that we can implement. I have had this issue on a number of occasions in Providence. The ride share companies simply do not listen. In Providence we had such a problem with one spot that the Mayor's office engaged the lobbyists from Uber and Lyft and they were not cooperative with the City. Perhaps the Town would put up a sign directing ride share to a certain area or pass an ordinance that lays out rules for ride share. We will move the patrons onto Thames per recommendation 5 but we cannot control where the patrons order their Ubers to retrieve them. We are happy to work with the Town on this if you or the council has ideas.

7. Agreed.

8. This speaker does not tie into the music played by the entertainment. This is not necessary.

9. My client already has security camera system. At this time, they are not going to add additional cameras and believe that the posting of a security guard on John St will be sufficient. If it proves to continue to be an issue and the live person is not effective, we can revisit this in November.

These are our thoughts.

Jeff will send the security log to the clerk this week as well.

- ☐ **FORWARD TO ANOTHER DEPARTMENT FOR REVIEW**

NOTES:

As part of our review of the consent order, we have reviewed all calls for service for Adan's Pub since August 19, 2026. During this period, our officers have responded to two calls for service at this establishment. The first occurred on 10-04-26 and involved a large wedding party of 10-15 people waiting for a ride outside the establishment. The second occurred on10-10-26, and involved a verbal dispute among three individuals on the sidewalk outside the establishment. The incidents occurred outside of the establishment and will not be considered violations of the current order.

Re: Review of Consent Order, November 18 Council Meeting

The fire department has reviewed the consent order as follows:

1. Consent Orde Review

   AZJ-John St. LLC

   Jeffrey Quinlan, Zach King, Andrew Tuchler d/b/a Aidan's Pub

   5 John St.

There have been no significant responses to this establishment by the fire department. However, on July 3, 2026, the RI State Fire Marshals Office did cite the establishment for overcrowding and blocked egress. Otherwise, the establishment is currently compliant with fire code.

SUBJECT: **Automated License Plate Readers (ALPR) RISP Flock Camera System**	**GENERAL ORDER NO. 300.25** **Pages: 20**
SECTION: 300. – Law Enforcement Operations	**AMENDS/SUPERSEDES:**
SUBSECTION: 00. - General	**EFFECTIVE DATE:** April 27th, 2026 **REVISED DATE:** September 15, 2026 **REVIEW DATE:** As Necessary

NOTE: This written directive is for the internal governance of the Bristol Police Department and is not intended and should not be interpreted to establish a higher standard of care in any civil or criminal action that would otherwise be applicable under existing law.

INDEX WORDS:

I. PURPOSE:

The purpose of this policy is to establish guidance for the authorized capture, storage, review, and use of digital data obtained through Automated License Plate Reader (ALPR) technology. The ALPR (Flock Camera system) is owned and managed by the Rhode Island Department of Public Safety (Rhode Island State Police) and was acquired through grant funding.

The Rhode Island State Police have made this technology available to municipalities throughout the State of Rhode Island for use on state roadways. In accordance with the RI Department of Public Safety (RI State Police) policy and memorandum of understanding, ALPR data shall not be used or shared for administrative immigration enforcement purposes.

II. POLICY:

It is the policy of the Bristol Police Department to utilize Automated License Plate Reader (ALPR) technology to capture digital license plate data and images for legitimate local law enforcement and public safety purposes as approved by the Chief of Police, while recognizing and protecting the established privacy rights of the public.

A. Authorized Use:

1.Access to FLOCK ALPR data is granted solely for law enforcement and public safety purposes, including but not limited to criminal investigations, active searches for stolen vehicles, missing persons, or suspects in serious crimes.

B. Prohibition and Data Sharing:

1. The Bristol Police shall not share, disseminate, forward, or otherwise provide access to any data, images, or alerts obtained from the Rhode Island State Police FLOCK ALPR system to any third party, including but not limited to:

2. Other municipal or state agencies that have not entered into a substantially similar MOU with the Rhode Island State Police;

3. U.S. Immigration and Customs Enforcement or any external agency when the purpose of that agency or request is the enforcement of potential violations of federal civil immigration law; and;

4. Any private organizations or entities.

C. Violation of Data Sharing Restrictions:

A. Any unauthorized disclosure, sharing, or use of Rhode Island State Police FLOCK ALPR data in violation of this MOU will result in immediate revocation of access privileges. Additional administrative or legal actions may also be pursued at the discretion of the Rhode Island State Police and/or the State of Rhode Island.

III. DEFINITIONS:

A. AUTOMATED LICENSE PLATE READERS (ALPRs): Also known as license plate readers ALPRs)—use image-processing technology combined with sophisticated computer algorithms capable of converting the images of license plates to electronically readable data.

ALPR DATA: Scan files, alert data, and any other documents or data generated by, or obtained through, utilization of the ALPR system.

ALPR ADMINISTRATOR: The Superintendent of the Rhode Island State Police or his designee(s), serves as the ALPR Administrator for the Division. The Administrator may order the deployment of the ALPR systems for use in various efforts, for valid law enforcement purposes.

FLOCK CAMERA, INC.: The ALPR system utilized and managed by the Rhode Island State Police.

HOT LIST: A list of license plates associated with vehicles of interest compiled from one or more databases including, but not limited to, NCIC, RI DMV, Local BOLO's, etc.

VEHICLES OF INTEREST: Including, but not limited to vehicles which are reported as stolen; display stolen license plates or tags; vehicles linked to missing and/or wanted persons and vehicles flagged by the Department of Motor Vehicle Administration or law enforcement agencies.

IV. PROCEDURE:

A. Department members shall not use or allow others to use the equipment or database records for any unauthorized purpose.

B. An ALPR shall only be used for official law enforcement business.

V. ACCOUNTABILITY AND SAFEGUARDS:

A. All data collected from FLOCK ALPR cameras is owned by the Rhode Island State Police and remains the property of the Rhode Island State Police. Access is granted at the sole discretion of the Rhode Island State Police and may be revoked at any time with or without cause. The Rhode Island State Police reserve the right to audit all access logs, user activity, and data usage pertaining to the FLOCK system to ensure compliance with this MOU. All data will be closely safeguarded and protected by both procedural and technological means. The Bristol Police Department will observe the following safeguards regarding access to and use of stored data:

1. **Every ALPR Detection Browsing Inquiry must be documented by either the associated Bristol Police case number or an incident number and/or a reason for the inquiry.**
2. **Only the Chief of Police and his designee will have a username and password provided by the RI State Police for access to the Flock Camera System.**
3. **The Flock Camera system maintains data on any search inquiry, available for any audit of the system conducted by the RI Department of Public Safety/RI State Police.**

VI. ALPR DATA DETECTION AUDITS:

A. **The Bristol Police Department shall be subject to audits of Automated License Plate Reader (ALPR) system use conducted by the Rhode Island State Police and/or the Department of Public Safety. The Chief of Police, or designee, shall ensure compliance with and fully cooperate in any audit of ALPR system use by this agency..**

B. **All audits will be documented by the Chief of Police or his designee.**

C. **The Chief of Police shall provide the Town Council with quarterly written summaries confirming that required ALPR audits were conducted and that the Department is in compliance with applicable law and policy.**

VII. DEPARTMENT TRAINING:

A. All Department personnel shall receive training regarding this policy and the Department's use of the Automated License Plate Reader (ALPR) system. Training shall include, at a minimum, authorized uses, prohibited uses, privacy and data-sharing restrictions, and Department responsibilities.

B. Department-wide training may be conducted through PowerDMS or other Department-approved training methods and may include a review of this policy, training presentation, and/or knowledge assessment. Completion of the training shall be documented.

VIII. RESPONSIBILITY:

A. It is the responsibility of all personnel to familiarize themselves and comply with this order.
B. All personnel must also familiarize and comply with the attached General Order and MOU from the RI Department of Public Safety for the statewide ALPR Flock System.
C. The Chief of Police has designated the Detective Commander (Captain) and Detective Corporal as the sole authorized users of the system.
D. The Detective Commander (Captain) or Detective Corporal shall provide the Chief of Police with a log of system use, which will include the date, time, case number, and reason for use.

VIV. BRISTOL TOWN ORDINANCE COMPLIANCE

A. The use of Automated License Plate Reader (ALPR) technology by the Bristol Police Department shall comply with all requirements set forth in the Town of Bristol Code of Ordinances, including Section 21-11 governing ALPR use.

B. ALPR technology shall be used solely for legitimate law enforcement and public safety purposes and shall not be used for traffic violations, civil infractions, parking enforcement, or administrative purposes unrelated to public safety.

C. ALPR technology shall not be used:

1. **In conjunction with facial recognition, biometric identification, or similar surveillance technologies;**
2. **To intentionally identify or record the occupants of motor vehicles, pedestrians, or passersby;**
3. **In any manner that infringes upon rights protected by the First Amendment;**
4. **For the purpose of enforcing federal civil immigration law or determining an individual's immigration status; or**
5. **Without proper authorization and documentation as required by this policy and applicable law.**

D. Access to ALPR data shall be limited to the Chief of Police and authorized designees. User credentials shall not be shared, and all access shall be subject to audit and review.

E. All ALPR searches and detection browsing inquiries shall be documented with an associated case number, incident number, or a clearly articulated law enforcement purpose.

F. ALPR data shall be retained for no longer than thirty (30) days unless the data has become, or is reasonably anticipated to become, evidence in a criminal investigation or prosecution, in accordance with applicable records retention laws.

G. The Bristol Police Department shall conduct documented quarterly internal audits of ALPR system use to ensure compliance with this policy, applicable law, and data privacy requirements. The Chief of Police shall provide the Town Council with quarterly written summaries confirming audit completion and compliance.

H. The deployment of ALPR technology shall be limited in accordance with Town ordinance. Any expansion in the number or use of ALPR systems shall require authorization by the Town Council.

I. ALPR data shall not be sold, shared, disseminated, or otherwise disclosed to any third party except as permitted by law, applicable memorandum of understanding, and this policy.

J. Nothing in this policy shall be interpreted to alter, waive, expand, or reduce the requirements, limitations, safeguards, or prohibitions established by Town ordinance. In the event of any conflict, the Town ordinance shall control.

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE RHODE ISLAND STATE POLICE
AND
THE TOWN OF BRISTOL

This MEMORANDUM OF UNDERSTANDING ("Agreement") is entered into by and between the Rhode Island State Police and the Town of Bristol regarding access and use of Flock License Plate Reader (LPR) Camera Data.

PURPOSE

The purpose of this Agreement is to establish guidelines and restrictions regarding the Bristol Police Department's access to, and use of FLOCK LPR camera data owned and operated by the Rhode Island State Police. This Agreement is intended to ensure responsible use of LPR technology in accordance with the policies, procedures, and privacy expectations of the State of Rhode Island and its residents.

SCOPE

This Agreement covers all access to and use of Rhode Island State Police-owned FLOCK LPR cameras and associated data. The Bristol Police Department may be granted limited access for investigative and public safety purposes under the conditions outlined below.

CONDITIONS OF ACCESS

Authorized Use:

Access to FLOCK LPR data is granted solely for law enforcement and public safety purposes, including but not limited to criminal investigations, active searches for stolen vehicles, missing persons, or suspects in serious crimes.

Prohibition and Data Sharing:

The Bristol Police Department shall not share, disseminate, forward, or otherwise provide access to any data, images, or alerts obtained from the Rhode Island State Police's FLOCK LPR system to any third party, including but not limited to:

Other municipal or state agencies that have not entered into a substantially similar Agreement with the Rhode Island State Police;

US Immigration and Customs Enforcement; and

Any private organizations or entities.

Additionally, the use of the Rhode Island State Police's FLOCK LPR system shall not be used for investigations into reproductive healthcare or gender-affirming healthcare.

Violation of Data Sharing Restrictions:

Any unauthorized disclosure, sharing, or use of Rhode Island State Police FLOCK LPR data in violation of this Agreement will result in immediate revocation of access privileges for the Bristol Police Department. Additional administrative or legal actions may also be pursued at the discretion of the Rhode Island State Police and/or the State of Rhode Island.

DATA OWNERSHIP AND OVERSIGHT

All data collected from FLOCK LPR cameras is owned by the Rhode Island State Police and remains the property of the Rhode Island State Police. Access is granted at the sole discretion of the Rhode Island State Police and may be revoked at any time with or without cause.

The Rhode Island State Police reserve the right to audit all access logs, user activity, and data usage pertaining to the FLOCK system to ensure compliance with this Agreement.

TERM AND TERMINATION

This Agreement shall remain in effect until terminated by either party with written notice. The Rhode Island State Police may terminate this agreement immediately if the Bristol Police Department is found to be in violation of any terms outlined herein.

ACKNOWLEDGMENT

By signing below, the Bristol Police Department acknowledges and agrees to abide by all terms, including the prohibition on sharing FLOCK LPR data with any external or federal agencies.

GOVERNING LAW

The terms and conditions of this agreement will be governed by and construed in accordance with the laws of the State of Rhode Island.

IN WITNESS WHEREOF, the Rhode Island State Police and the Town of Bristol have each caused this Agreement to be duly executed by its authorized officer as of the day and year first written below.

Rhode Island State Police
General Order – 80G

Section	**Law Enforcement Operations – Investigations**
Article	**80 - Miscellaneous**
Title	**Automated License Plate Readers (ALPR)**
Special Instructions	

I. PURPOSE

To establish guidelines and procedures for the proper use and application of Automated License Plate Reader (ALPR) data, to include the access, use, and dissemination of LPR information. This policy is to ensure all information is utilized for legitimate law enforcement purposes only and the privacy, civil rights, and civil liberties of individuals are not violated.

II. DEFINITIONS

AUTOMATED LICENSE PLATE READERS (ALPRs): Also known as license plate readers (LPRs)—use image-processing technology combined with sophisticated computer algorithms capable of converting the images of license plates to electronically readable data.

ALPR DATA: Scan files, alert data, and any other documents or data generated by, or obtained through, utilization of the ALPR system.

ALPR ADMINISTRATOR: The Superintendent of the Rhode Island State Police or his designee(s), serves as the ALPR Administrator for the Division.

ALPR OPERATOR: Trained Division employees who may utilize ALPR system/equipment. ALPR Operators may be assigned to any position within the Division, and the ALPR Administrator may order the deployment of the ALPR systems for use in various efforts, for valid law enforcement purposes.

FLOCK CAMERA, INC.: The ALPR system utilized and managed by the Rhode Island State Police.

HOT LIST: A list of license plates associated with vehicles of interest compiled from one or more databases including, but not limited to, NCIC, RI DMV, Local BOLO's, etc.

VEHICLES OF INTEREST: Including, but not limited to vehicles which are reported as stolen; display stolen license plates or tags; vehicles linked to missing and/or wanted persons and vehicles flagged by the Department of Motor Vehicle Administration or law enforcement agencies.

DETECTION: Data obtained by an ALPR of an image (such as a license plate) within public view that was read by the device, including potential images (such as the plate and description of the vehicle on which it was displayed), and information regarding the location of the ALPR system at the time of the ALPR's read.

HIT: Alert from the ALPR system that a scanned license plate number may be in the National Crime Information Center (NCIC), National Center for Missing and Exploited Children (NCMEC), or other law enforcement database for a specific reason including, but not limited to, being related to a stolen car, wanted person, missing person, domestic violation protective order, or terrorist-related activity.

VALID LAW ENFORCEMENT PURPOSE: A purpose for information/intelligence gathering development, or collection, use, retention, or sharing that furthers the authorized functions and activities of a law enforcement agency, which may include the prevention of crime, ensuring the safety of the public, furthering officer safety, and homeland and national security, while adhering to law and agency policy designed to protect the privacy, civil rights, and civil liberties of Americans.

III. POLICY

Rhode Island State Police will utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public. This policy allows for automated detection of license plates along with vehicle make, model, color, and unique identifiers through vehicle identification technology. ALPR technology shall not be used for traffic violations, outstanding fines or any civil infractions.

IV. PROCEDURES

A. ALPR ADMINISTRATORS

The ALPR Administrators shall be responsible for compliance with the following:

1. Only properly trained sworn officers, analysts, and telecommunicators are allowed access to the ALPR system or to collect ALPR information.

2. Ensuring that initial and in-service training requirements are completed for authorized users.

3. ALPR system monitoring to ensure the security of the information and compliance with applicable privacy laws.

4. Maintaining the title and name of the current designee overseeing the ALPR operation and all ALPR Operators.

B. AUTHORIZED COLLECTION, PURPOSES AND USE OF ALPR DATA/GUIDELINES FOR USE

1. The Rhode Island State Police is authorized to query approved government or commercial databases with respective sharing agreements, memorandums of understanding, or intergovernmental agreements in place.

2. All ALPR queries shall be in furtherance of a valid law enforcement purpose.

3. ALPR data may be utilized by Rhode Island State Police personnel for law enforcement/public safety purposes including, but not limited to, the following:

   a. Locate stolen, wanted, and subject of investigation vehicles;
   b. Locate and apprehend individuals subject to arrest warrants or otherwise lawfully sought by law enforcement;
   c. Locate witnesses and victims of violent crime;
   d. Locate missing children, elderly, and at-risk individuals, including responding to Amber, Silver, and Purple Alerts;
   e. Support local, state, federal, and tribal public safety departments in the identification of vehicles associated with targets of criminal investigations, including investigations of serial crimes;
   f. Protect participants at special events; and
   g. Protect critical infrastructure sites.

C. PROHIBITED USERS

The ALPR system, and all data collected, is the property of the Rhode Island State Police and not Division personnel. Division personnel may only access and use the ALPR system for official and legitimate law enforcement purposes consistent with this policy. The following uses of the ALPR system are specifically prohibited:

1. Invasion of Privacy: The ALPR system shall only be used to record license plates exposed to public view (e.g., vehicles on a public road or street, or that are on private property but whose license plate(s) are visible from a public road, street, or a place to which members of the public have access, such as the parking lot of a shop or other business establishment) except as authorized through the issuance of a court order such as a search warrant.

2. Harassment or Intimidation: It is an explicit violation of this policy to use the ALPR system to harass and/or intimidate any individual or group.

3. Use Based on a Protected Characteristic or Class: It is a violation of this policy to use the ALPR system or associated scan files or hot lists solely because of a person's, or group's race, color, gender, gender identity, religion, political affiliation, nationality, ethnicity, sexual orientation, disability, age, disability or other classification protected by law.

4. Personal Use: It is a violation of this policy to use, or allow others to use, the ALPR system or associated scan files or hot lists for any personal purpose. The ALPR shall only be used for official law enforcement business.

5. First Amendment Rights: It is a violation of this policy to use the ALPR system or associated scan files or hot lists for the purpose or known effect of infringing upon First Amendment rights.

6. Determination of Immigration Status: It is a violation of this policy to use the ALPR system or associated scan files or hot lists for the purposes of determining an individual's legal status within the United States or assisting with the enforcement of potential violations of federal civil immigration law.

7. Anyone who engages in an impermissible use of the ALPR system or associated scan files, or hot lists may be subject to criminal prosecution, civil liability, and/or administrative sanctions pursuant to and consistent with the collective bargaining agreement and Division policies.

D. AUTHORIZATION TO SHARE ALPR INFORMATION

1. Division employees are prohibited from sharing, disseminating, forwarding, or otherwise providing access to any data, images or alerts to U.S. Immigration and Customs Enforcement or any external agency when the purpose of that agency or request is the enforcement of potential violations of federal civil immigration law.

2. Division employees are prohibited from sharing, disseminating, forwarding, or otherwise providing access to any data, images, or alerts to any third party that has not entered into an MOU with the Rhode Island State Police.

3. Division employees are prohibited from sharing, disseminating, forwarding, or otherwise providing access to any data, images, or alerts to any private citizen or entity without the express authorization of the Superintendent.

E. ACCOUNTABLILITY AND SAFEGUARDS

All data will be closely safeguarded and protected by both procedural and technological means. The Rhode Island State Police will observe the following safeguards regarding access to and use of stored data:

1. All non-law enforcement requests for access to stored ALPR data shall be processed in accordance with applicable law.

2. All ALPR data downloaded to a mobile device, computer or MDT shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date, and time.

3. Persons approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relates to a specific criminal investigation or Division-related civil or administrative action.

4. ALPR data may be released to other authorized and verified law enforcement officials and agencies for legitimate law enforcement purposes with the approval of the ALPR administrator, or designee.

5. Every ALPR Detection Browsing Inquiry must be documented by both the associated law enforcement agency case number, or incident number, and a reason for the inquiry.

6. The APLR Administrator or his/her designee will ensure that information entered into any custom hot lists is removed from the system at the conclusion of the investigation, or whenever evidence suggests that it is no longer relevant to the investigation.

F. SECURITY OF INFORMATION

1. Division personnel assigned to the Management Information Systems Unit (MIS) will maintain usernames and passwords to access ALPR information. Usernames and passwords are not transferable, shall not be shared by ALPR Operators, and must be kept confidential. Access is limited to law enforcement staff in good standing who have completed law enforcement background investigations and serve in a position that the Division has deemed necessary to conduct investigations.

2. Flock automatically purges captured plate data after 30 days.

3. Any information identified as criminal in nature that is obtained during an investigation from accessible ALPR data will be collected and retained

using printouts and screenshots and shall be saved in the Evidence.com platform consistent with Records Retention Schedules.

4. Information collected by ALPR Operators using ALPR data will be stored in a secured law enforcement facility with multiple layers of physical security and 24/7 security protections.

5. ALPR Operators will utilize strong multi-factor authentication, encrypted communications, firewalls, and other reasonable physical, technological, administrative, procedural, and personnel security measures to mitigate the risks of unauthorized access to the system.

6. ALPR data will be maintained by the Division in accordance with the Secretary of State's Records Retention Schedules.

G. RELEASING ALPR DATA

1. The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law. The requesting agency must provide a written request for the ALPR data that includes:

   a. The name of the agency requesting the data;
   b. The name of the person requesting the data;
   c. The intended purpose of obtaining the data.

2. The request is reviewed by the ALPR Administrator or the authorized designee and approved before the request is fulfilled.

3. The approved request is retained on file. Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will not be processed unless directed to by legal counsel .

V. TRAINING

A. The designated ALPR Administrator(s) shall coordinate with the Commandant of the Training Academy to ensure that prior to being authorized to use or access the ALPR system, members receive Division-approved training consistent with the manufacturer's recommendations that will include, at a minimum, training on the usage of the ALPR system, data sources, legal responsibilities and ramifications; as well as training on this policy.

B. Training shall be updated as technological, legal, and other changes that affect the Rhode Island State Police ALPR Policy occur and will be provided to RISP personnel.

VI. POLICY REVIEW

A. The ALPR Administrator shall review this General Order annually and will update as necessary to ensure changes in data sources, technology, data use and/or sharing agreements, and other relevant considerations are accurately reflected.

B. All employees with access to the ALPR system shall review this policy on an annual basis.

VII. AUDITS

The Administrator or designee shall conduct a documented, quarterly audit of the ALPR system. This audit shall include a random sampling of ten (10) browsing inquiries to ensure that each meets the requirements established by this policy. The audit shall ensure compliance with the following:

a. Information security and privacy laws;
b. Queries are conducted consistent with this policy's Authorized Uses;
c. Queries contain an associated reason and report number;
d. Only trained, authorized users are conducting searches;
e. Outdated information is cleared from the system.

ADOPTED ORDINANCE
No. 2026-3

Notice is hereby given that the regular meeting of the Bristol Town Council held on Wednesday evening, March 18, 2026, the following ordinance was adopted.

AN ORDINANCE IN AMENDMENT TO
THE ORDINANCES OF THE TOWN OF BRISTOL

IT IS HEREBY ORDAINED by the Town Council of Bristol, Rhode Island, that Chapter 21, Police, Article I, In General, is hereby amended to add section 21-11 to read as follows:

* * *

Sec. 21-11. – Regulations governing the use of Automated License Plate Reader (ALPR) technology (Flock cameras).

(a) Purpose.

The purpose of this section is to regulate the access to and use of Automated License Plate Reader (ALPR) technology by the Bristol Police Department in a manner that enhances public safety while protecting individual privacy, civil rights, and civil liberties. This section is intended to ensure consistency with Rhode Island State Police policy, applicable memoranda of understanding, and Bristol Police Department General Orders governing ALPR use, while preserving Town Council oversight and control.

(b) Definitions.

For the purposes of this section, the following terms shall have the meanings indicated:

1. **Automated License Plate Reader (ALPR) –** An electronic system, including the Flock camera system, capable of capturing images of license plates or vehicles in public view and converting such images into electronically readable data for legitimate law enforcement or public safety purposes. ALPR does not include devices used solely for toll collection, traffic signal enforcement, speed enforcement, or traffic flow analysis.

2. **ALPR Data** – Any data generated or obtained through the operation of an ALPR system, including detections, images, metadata, hot list alerts, audit logs, and search records.

3. **Flock Camera System –** The ALPR system provided by Flock Safety, Inc., owned and managed by the Rhode Island State Police and made available to the Town of Bristol pursuant to a memorandum of understanding.

4. **Valid Law Enforcement Purpose** – A purpose consistent with the lawful duties of a law enforcement agency, including criminal investigations; locating stolen vehicles, missing persons, or wanted individuals; protection of critical infrastructure; or other public safety functions, while respecting constitutional rights.

(c) Ownership and system control.

1. All Flock ALPR cameras and all ALPR data collected through such cameras are owned by and remain the property of the Rhode Island State Police.

2. Access to the Flock Camera System by the Bristol Police Department is granted solely at the discretion of the Rhode Island State Police and may be revoked at any time, with or without cause.

3. The Rhode Island State Police retain the right to audit all access logs, user activity, and data usage associated with Bristol Police Department access to the Flock Camera System.

(d) Authorized use.

1. ALPR technology may be accessed or used by the Bristol Police Department solely for valid law enforcement and public safety purposes, as approved by the Chief of Police and consistent with:
   a. This section;
   b. Rhode Island State Police ALPR policy;
   c. Any applicable memorandum of understanding; and
   d. Bristol Police Department General Orders.

2. ALPR technology shall not be used for traffic violations, civil infractions, parking enforcement, or administrative purposes unrelated to public safety.

3. Every ALPR search or detection browsing inquiry shall be documented with an associated Bristol Police Department case number or incident number and/or a documented reason for the inquiry.

4. ALPR technology shall initially be limited to the installation of one Flock Camera System, provided that the number Flock Camera Systems installed may be increased only with an authorizing resolution from the Town Council.

(e) Prohibited uses.

ALPR technology shall not be used:

1. In conjunction with facial recognition, biometric identification, or similar surveillance technologies;

2. To intentionally identify or record the occupants of motor vehicles, pedestrians, or passersby;

3. To capture or record audio;

4. For harassment, intimidation, or personal use;

5. Based solely on a person's race, color, religion, gender, gender identity, sexual orientation, ethnicity, nationality, political affiliation, age, disability, or any other classification protected by law;

6. In a manner that infringes upon rights protected by the First Amendment;

7. For the purpose of enforcing federal civil immigration law or determining an individual's immigration status; or

8. Without proper authorization and documentation required by this section and departmental policy.

(f) Access and credentials.

1. Access to the Flock Camera System shall be limited to the Chief of Police and such designee(s) as authorized by the Rhode Island State Police.

2. User credentials shall not be shared and shall be subject to audit and revocation.

3. Department members shall not permit unauthorized persons to access ALPR equipment or data.

(g) Data retention and security.

1. ALPR data shall be retained for no longer than thirty (30) days, unless the data has become or is reasonably anticipated to become evidence in a criminal investigation or prosecution.

2. All retained data shall be stored and protected in accordance with Rhode Island State Police policy, the Rhode Island Secretary of State Records Retention Schedule, and applicable law.

3. The Bristol Police Department shall employ reasonable administrative, technical, and physical safeguards to protect ALPR data from unauthorized access or disclosure.

(h) Data sharing restrictions.

1. ALPR data shall not be sold, shared, disseminated, forwarded, or otherwise disclosed to any third party, including:

   a. Municipal, state, or federal agencies that have not entered into a substantially similar memorandum of understanding with the Rhode Island State Police;

   b. U.S. Immigration and Customs Enforcement or any agency seeking data for civil immigration enforcement; or

c. Private organizations, entities, or individuals.

2. Any unauthorized disclosure or misuse of ALPR data shall result in immediate revocation of access privileges and may subject the individual to administrative discipline, civil liability, and/or criminal prosecution.

(i) Audits and oversight.

1. Use of the ALPR system by the Bristol Police Department shall be subject to audits conducted by the Rhode Island State Police and/or the Rhode Island Department of Public Safety.

2. The Chief of Police or designee shall ensure full cooperation with any audit and shall maintain documentation of audit results and corrective actions, if any.

3. The Bristol Police Department shall conduct quarterly internal audits. The Chief of Police shall provide the Town Council with quarterly written summaries confirming that required audits were conducted and certifying compliance, along with any aggregated, nonidentifying information as permitted.

(j) Policy compliance and non-alteration.

1. The Bristol Police Department shall maintain a General Order governing ALPR use consistent with this section, Rhode Island State Police policy, and applicable memoranda of understanding. Final execution of a memorandum of understanding and all related policies shall be subject to review and written certification by the Town Solicitor confirming compliance with applicable state law and policy requirements.

2. None of the procedures, limitations, safeguards, or prohibitions set forth in this section may be altered, waived, expanded, or reduced by departmental policy, administrative action, memorandum, or agreement.

3. Any modification to the requirements of this section shall require adoption of an ordinance amendment approved by the Town Council.

(k) Sunset, review, and Council opt-out.

1. This section shall sunset and be of no further force or effect eighteen (18) months after the date of passage, unless expressly extended or reenacted by ordinance adopted by the Town Council.

2. Within one (1) year of the effective date of this section, the Town Council shall conduct a public review of the Bristol Police Department's use of ALPR technology to determine whether such use should continue.

3. ALPR technology shall not be used by the Bristol Police Department beyond eighteen (18) months from the date of passage without the Town Council's explicit approval by ordinance.

4. The Town Council may, at any time and for any reason, opt the Town of Bristol out of participation in the use of Flock ALPR technology by resolution or ordinance, and such opt-out shall require immediate cessation of use.

(l) Enforcement and penalties.

1. Any person who violates this section shall be subject to a civil penalty of not more than five hundred dollars ($500.00) per violation, in addition to any other remedies available under law.

2. Each unauthorized access, search, disclosure, or use of ALPR data shall constitute a separate violation.

3. The penalties set forth herein shall be in addition to, and not in lieu of, any administrative discipline, civil liability, or criminal prosecution authorized by law.

(m) Severability.

If any provision of this section is held invalid or unenforceable, such invalidity shall not affect the remaining provisions, which shall remain in full force and effect.

* * *

This ordinance shall take effect upon passage.

Rhode Island State Police
General Order – 80G

Section	**Law Enforcement Operations – Investigations**
Article	**80 - Miscellaneous**
Title	**Automated License Plate Readers (ALPR)**
Special Instructions	

I. PURPOSE

The purpose of this policy is to set forth a statewide standard for the use, response, collection, access, dissemination, retention and purging of Automated License Plate Reader (ALPR) data to ensure that information is used for valid law enforcement purposes only and in accordance with applicable law.

II. POLICY

The policy of the Rhode Island State Police is to utilize ALPR technology to capture and store digital license plate data and images for valid law enforcement purposes while recognizing the established privacy rights of the public. All data and images gathered by the ALPR are for the official use of the Division.

The ALPR technology allows for the automated detection of license plates along with the vehicle make, model, color and unique identifiers through the ALPR system and the vendor's vehicle identification technology. The technology is used by the Division to convert data associated with vehicle license plates and vehicle descriptions for a valid law enforcement purpose to include investigations relating to a missing or endangered person or a person associated with human trafficking and active criminal investigations. ALPR technology shall not be used for traffic violations, outstanding fines or any civil infractions, immigration enforcement or enforcement of a crime not recognized in the State of Rhode Island. Division Members shall receive the appropriate training before being authorized to use ALPR cameras for law enforcement purposes.

III. DEFINITIONS

ALPR ADMINISTRATOR - The Superintendent of the Rhode Island State Police or their designee(s) serves as the ALPR Administrator for the Division.

ALPR DATA - Scan files, alert data, and any other documents or data generated by, or obtained through, utilization of the ALPR system.

ALPR OPERATOR - Trained Division employees who may utilize ALPR system/equipment. ALPR Operators may be sworn supervisors, analysts, or telecommunicators, and the ALPR Administrator may order the deployment of the ALPR systems for use in various efforts, for valid law enforcement purposes.

AUTOMATED LICENSE PLATE READERS (ALPRs) - A device, without the capability of recording audio, that uses cameras and computer technology to convert the images of license plates to electronically readable data and compares digital images to lists of known information of interest.

DETECTION - Data obtained by an ALPR of an image (such as a license plate) within public view that was read by the device, including potential images (such as the plate and description of the vehicle on which it was displayed), and information regarding the location of the ALPR system at the time of the ALPR's read.

HIT - Alert from the ALPR system that a scanned license plate number may be in the National Crime Information Center (NCIC), National Center for Missing and Exploited Children (NCMEC), or other law enforcement database for a specific reason including, but not limited to, being related to a stolen vehicle, wanted person, missing person, domestic violation of a protective order, or terrorist-related activity.

HOT LIST - A list of license plates associated with vehicles of interest compiled from one or more databases including, but not limited to, National Crime Information Center (NCIC), R.I. Division of Motor Vehicles (DMV), Local BOLO's (be on the lookout), etc.

VALID LAW ENFORCEMENT PURPOSE - A purpose for information/intelligence gathering development, or collection, use, retention, or sharing that furthers the authorized functions and activities of a law enforcement agency, which may include the prevention of crime, ensuring the safety of the public, furthering officer safety, and national security, while adhering to law and agency policy designed to protect the privacy, civil rights, and civil liberties of individuals.

VEHICLES OF INTEREST - Including but not limited to vehicles which are reported as stolen; display stolen license plates or tags; vehicles linked to missing and/or wanted persons and vehicles flagged by the Division of Motor Vehicle Administration or law enforcement agencies.

IV. PROCEDURES

A. ALPR ADMINISTRATORS

The ALPR Administrators shall be responsible for compliance with the following:

1. Only properly trained sworn supervisors, analysts, and telecommunicators are allowed access to the ALPR system or to collect ALPR information. Nothing herein shall preclude the Division from restricting access to any of its employees holding these positions.

2. Ensuring that initial and in-service training requirements are completed for authorized users.

3. ALPR system monitoring to ensure the security of the information and compliance with applicable privacy laws.

4. Maintaining the title and name of the current designee(s) overseeing the ALPR operation and all ALPR Operators.

5. Ensuring this policy, related procedures, and the transparency portal are conspicuously posted on the Division's website.

6. Any and all current or future external agencies granted permission to use or review ALPR technology, data, and/or footage shall agree, through a formal written agreement, to the provisions contained in this Policy. For those agencies that do not agree, permission to access data shall be denied.

B. ALPR USE

1. Use of an ALPR is restricted to the purposes outlined below:

   a. A valid law enforcement purpose such as being used as part of a criminal investigation into an alleged violation of state or federal criminal law where there is reasonable suspicion that a crime was committed.

   b. As part of an active investigation related to a missing or endangered person or a person associated with human trafficking.

   c. To receive notifications related to a missing or endangered person, a person with an outstanding judicial warrant, a person associated with human trafficking, a stolen vehicle or a stolen license plate.

2. ALPR cameras will be positioned to capture only vehicles that are exposed to public view (e.g., vehicles on a public roadway or a place that is publicly accessible, such as public parking lots).

C. ENTRY AND VERIFICATION INTO THE ALPR SYSTEM

1. License plates, including partial plates if applicable, and unique vehicle descriptions reported during an alleged criminal incident should be entered into the ALPR system to identify suspect vehicles.

2. Members should verify an ALPR response through the Rhode Island Law Enforcement Telecommunications System (RILETS) before taking enforcement action that is based solely on an ALPR alert unless exigent circumstances exist. Once an alert is received, the officer shall confirm that the observed license plate from the system matches the license plate or description of the observed vehicle before any law enforcement action is taken because of an ALPR alert. The ALPR alert shall be verified through a RILETS inquiry via MDT or through Dispatch. Members will not take any police action that restricts the freedom of any individual based solely on an ALPR alert unless it has been publicated. Because the ALPR alert may relate to a vehicle and may not relate to the person operating the vehicle, officers must have reasonable suspicion and/or probable cause to make an enforcement stop of any vehicle. (For example, if a vehicle is entered into the system because of its association with a wanted individual, members should attempt to visually match the driver to the description of the wanted subject prior to making the stop or should have another legal basis for making the stop.)

3. Designation of hot lists to be utilized by the ALPR system shall be made only after the approval of a sworn supervisor. Hot lists shall be obtained or compiled from sources consistent with the purposes of the ALPR system set forth in this policy. Hot lists utilized by the department's ALPR system may be updated by agency sources more frequently than the department may be uploading them and thus the department’s ALPR system will not have access to real-time data. Occasionally, there may be errors in the ALPR system’s read of a license plate. Therefore, an alert alone shall not be a basis for police action. Prior to initiation of a stop of a vehicle or other intervention based on an alert, members shall undertake the following:

   a. Members must receive confirmation that the license plate is still stolen, wanted, or otherwise of interest before proceeding (absent exigent circumstances).

   b. Members shall visually verify that the license plate of interest matches with the image of the complete or partial license plate number captured (read) by the ALPR, including both the alphanumeric characters of the license plate, state of issue, and vehicle descriptors before proceeding. Members alerted to the fact that an observed motor vehicle’s license plate is a hit are required to make a reasonable effort to confirm that a wanted person is in the vehicle and/or that a reasonable basis exists before a member would have a lawful basis to stop the vehicle.

   c. All vehicle and suspect information entered into the ALPR system will contain the following information at a minimum:

1) Related case number; and

2) Short synopsis describing the nature of the originating call.

D. AUTHORIZED COLLECTION, PURPOSES AND USE OF ALPR DATA/GUIDELINES FOR USE

1. The Rhode Island State Police is authorized to query approved government or commercial databases with respective sharing agreements, memorandums of understanding, or intergovernmental agreements in place that are consistent with this policy.

2. ALPR data may be utilized by Rhode Island State Police personnel for law enforcement/public safety purposes including, but not limited to, the following:

   a. Locate missing children, elderly, and at-risk individuals, including responding to Amber, Silver, and Purple Alerts;

   b. Locate witnesses and victims of violent crime;

   c. Locate stolen, wanted, and subject of investigation vehicles;

   d. Locate and apprehend individuals subject to arrest warrants or otherwise lawfully sought by law enforcement;

   e. Support local, state, federal, and tribal public safety departments in the identification of vehicles associated with targets of criminal investigations, including investigations of serial crimes;

   f. Protect participants at special events; and

   g. Protect critical infrastructure sites.

E. PROHIBITED USES

The ALPR system, and all data collected, is the property of the Rhode Island State Police and not Division personnel. Division personnel may only access and use the ALPR system for valid law enforcement purposes consistent with this policy. The following uses of the ALPR system are specifically prohibited:

1. Invasion of Privacy: The ALPR system shall only be used to capture license plates exposed to public view (e.g., vehicles on a public road or street, or that are on private property but whose license plate(s) are visible from a

public road, street, or a place to which members of the public have access, such as the parking lot of a shop or other business establishment) except as authorized through the issuance of a court order such as a search warrant.

2. Harassment or Intimidation: It is an explicit violation of this policy to use the ALPR system to harass and/or intimidate any individual or group.

3. Use Based on a Protected Characteristic or Class: It is a violation of this policy to use the ALPR system or associated scan files or hot lists solely because of a person's, or group's race, color, gender, gender identity, religion, political affiliation, nationality, ethnicity, sexual orientation, age, disability or other classification protected by law.

4. Personal Use: It is a violation of this policy to use, or allow others to use, the ALPR system or associated scan files or hot lists for any personal purpose. The ALPR shall only be used for a valid law enforcement purpose.

5. First Amendment Rights: It is a violation of this policy to use the ALPR system or associated scan files or hot lists for the purpose or known effect of infringing upon First Amendment rights.

6. Determination of Immigration Status: It is a violation of this policy to use the ALPR system or associated scan files or hot lists for the purposes of determining an individual's legal status within the United States or assisting with the enforcement of potential violations of federal civil immigration law.

7. Abortion Ban Enforcement/Obstructing of Reproductive Rights: It is a violation of this policy to use the ALPR system or associated scan files or hot lists for the purposes of enforcing an abortion ban or restricting a person's ability to exercise their reproductive rights.

8. In the event an ALPR camera captures any portion of identifiable human features, that image shall not be used for identification.

9. Any matter where the criminal investigation concerns a crime that is not recognized under Rhode Island law.

F. AUTHORIZATION TO SHARE ALPR INFORMATION

1. Division employees are prohibited from sharing, disseminating, forwarding, or otherwise providing access to any data, images or alerts to U.S. Immigration and Customs Enforcement or any external agency when the purpose of that agency or request is the enforcement of potential violations of federal civil immigration law.

2. Division employees are prohibited from sharing, disseminating, forwarding, or otherwise providing access to any data, images, or alerts to any third party that has not entered into an MOU with the Rhode Island State Police. Notwithstanding, the Division may receive ALPR data from a third party, non-law enforcement agency.

3. Division employees are prohibited from sharing, disseminating, forwarding, or otherwise providing access to any data, images, or alerts to any private citizen or entity without the express authorization of the Superintendent.

G. ACCOUNTABILITY AND SAFEGUARDS

All data will be closely safeguarded and protected by both procedural and technological means. The Rhode Island State Police will observe the following safeguards regarding access to and use of stored data:

1. All non-law enforcement requests for access to stored ALPR data shall be processed in accordance with applicable law.

2. All ALPR data downloaded to a mobile device, computer or MDT shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date, and time. ALPR data shall never be downloaded, screenshot or in any way saved to a mobile device. A mobile device can only be used to scan and view ALPR data.

3. Persons approved to access ALPR data under these guidelines are permitted to access the data for valid law enforcement purposes only, such as when the data relates to a specific criminal investigation or Division-related civil or administrative action. ALPR Operators shall only utilize department issued equipment to access the ALPR system.

4. ALPR data may be released to other authorized and verified law enforcement officials and agencies for valid law enforcement purposes with the approval of the ALPR administrator, or designee, contingent on an appropriate MOU being entered between the agencies.

5. Every ALPR Detection Browsing Inquiry must be documented by the offense type, associated law enforcement agency case number, or incident number, and a reason for the inquiry.

6. The APLR Administrator or their designee will ensure that information entered into any custom hot list is removed from the system at the

conclusion of the investigation, or whenever evidence suggests that it is no longer relevant to the investigation.

7. The Division shall post a transparency portal available to the public which will outline the APLR policy and metrics of the system to include:

   a. Hot List sources;

   b. Data retention;

   c. Number of operational cameras;

   d. Organizations with access to cameras;

   e. Number of total plate-reads within the ALPR data retention period; and

   f. Number of searches within the ALPR data retention period.

H. SECURITY OF INFORMATION

All data will be closely safeguarded and protected by both procedural and technological means. The Division shall observe the following safeguards regarding access to and use of stored data:

1. The ALPR Administrator will maintain usernames and passwords to access ALPR information. Usernames and passwords are not transferable, shall not be shared by ALPR Operators, and must be kept confidential. Access is limited to law enforcement staff in good standing.

2. Unless preserved as part of an investigation, ALPR data shall purge no later than 30 days after the data was captured.

3. ALPR Operators will not download ALPR data unless such data is related to a valid law enforcement purpose as detailed in Section D(III). Any ALPR data that is obtained and used during an investigation shall be saved in the Evidence.com or similar platform and stored in accordance with applicable evidentiary records law and policy.

4. ALPR Operators shall agree to comply with security controls implemented by the ALPR Administrator. At a minimum, such security controls shall include multi-factor authentication, encrypted communications, and other reasonable physical, technological, administrative, procedural, and personnel security measures to mitigate the risks of unauthorized access to the system.

I. RELEASING ALPR DATA

ALPR data may be shared only in the following circumstances:

1. With other law enforcement for a valid law enforcement purpose contingent on an appropriate MOU being entered between the agencies. The requesting agency must provide a written request for the ALPR data that includes:

   a. The name of the agency requesting the data;

   b. The name of the person requesting the data;

   c. The intended purpose of obtaining the data.

   The request is reviewed by the ALPR Administrator or the authorized designee and approved before the request is fulfilled. The approved request is retained on file.

2. With a prosecutorial agency such as the Rhode Island Office of Attorney General, United States Attorney's Office for the District of Rhode Island or a solicitor prosecuting a criminal matter on behalf of a municipality.

3. With a defendant or their counsel for purposes of complying with discovery or a court order in a criminal proceeding.

4. Pursuant to a court order or a court-issued subpoena duces tecum in any criminal or civil proceeding.

5. With an ALPR vendor for maintenance or quality assurance purposes.

6. To alert the public to an emergency situation, a missing or endangered person, a person associated with human trafficking, or a person with an outstanding judicial warrant.

V. TRAINING

1. The designated ALPR Administrator(s) shall ensure that prior to being authorized to use or access the ALPR system, members receive Division-approved training consistent with the manufacturer's recommendations that will include, at a minimum, training on the usage of the ALPR system, data sources, legal responsibilities and ramifications; as well as training on this policy.

2. Training shall be updated as technological, legal, and other changes that affect this policy occur and will be provided to Division personnel.

VI. POLICY REVIEW

1. A working group consisting of members of the Rhode Island Department of Public Safety, the Rhode Island Police Chiefs' Association, the Providence Police Department and the League of Cities and Towns will review this Policy annually and update as necessary.

2. All employees with access to the ALPR system shall review this policy on an annual basis.

VII. AUDITS

The Administrator or designee shall conduct a documented audit of the ALPR system no less than once per quarter. This audit shall include a random sampling of ten (10) browsing inquiries to ensure that each meets the requirements established by this policy. The audit shall ensure compliance with the following:

1. Information security and privacy laws;

2. Queries are conducted consistent with this policy's Authorized Uses;

3. Queries contain an associated reason and report number;

4. Only trained, authorized users are conducting searches;

5. Outdated information is cleared from the system.

VIII. VIOLATIONS

1. Anyone who engages in an impermissible use of the ALPR system or associated scan files, or hot lists may be subject to criminal prosecution, civil liability, and/or administrative sanctions in addition to access and/or use of the ALPR system be temporarily or permanently suspended.

2. Intentional violations may warrant discipline up to termination.

3. Any member who observes a violation of this policy is required to report the violation in writing to their immediate supervisor in the member's chain of command.

4. Supervisors who observe or become aware of a violation of this policy shall ensure appropriate remedial action or referral for disciplinary action, consistent with the Division's policies with respect to internal investigations.

STATEWIDE AUTOMATED LICENSE PLATE READER POLICY

I. Purpose

The purpose of this policy is to set forth a statewide standard for the use, response, collection, access, dissemination, retention and purging of Automated License Plate Reader (ALPR) data to ensure that information is used for valid law enforcement purposes only and in accordance with applicable law.

II. Policy

The policy of the _____ Police Department is to utilize ALPR technology to capture and store digital license plate data and images for valid law enforcement purposes while recognizing the established privacy rights of the public. All data and images gathered by the ALPR are for the official use of the Police Department.

The ALPR technology allows for the automated detection of license plates along with the vehicle make, model, color and unique identifiers through the ALPR system and the vendor's vehicle identification technology. The technology is used by the Police Department to convert data associated with vehicle license plates and vehicle descriptions for a valid law enforcement purpose to include investigations relating to a missing or endangered person or a person associated with human trafficking and active criminal investigations. ALPR technology shall not be used for traffic violations, outstanding fines or any civil infractions, immigration enforcement or enforcement of a crime not recognized in the State of Rhode Island. Officers shall receive the appropriate training before being authorized to use ALPR cameras for law enforcement purposes.

III. Definitions

Automated License Plate Readers (ALPRs): A device that uses cameras and computer technology to convert the images of license plates to electronically readable data and compares digital images to lists of known information of interest.

ALPR Data: Scan files, alert data, and any other documents or data generated by, or obtained through, utilization of the ALPR system.

ALPR Administrator: The Chief/Colonel of Police or their designee, serves as the ALPR Administrator for the Department.

ALPR Operator: Trained Department employees who may utilize ALPR system/equipment. ALPR Operators may be assigned to any position within the Department, and the ALPR Administrator may order the deployment of the ALPR systems for use in various efforts, for valid law enforcement purposes.

Hot List: A list of license plates associated with vehicles of interest compiled from one or more databases including, but not limited to, National Crime Information Center (NCIC), R.I. Division of Motor Vehicles (DMV), Local BOLO's (be on the lookout), etc.

Vehicles of Interest: Including, but not limited to, vehicles which are reported as stolen; display stolen license plates or tags; vehicles linked to missing and/or wanted persons and vehicles flagged by the Division of Motor Vehicles Administration or law enforcement agencies.

Detection: Data obtained by an ALPR of an image (such as a license plate) within public view that was read by the device, including potential images (such as the plate and description of the vehicle on which it was displayed), and information regarding the location of the ALPR system at the time of the ALPR's read.

Hit: Alert from the ALPR system that a scanned license plate number may be in NCIC, National Center for Missing and Exploited Children (NCMEC), or other law enforcement database for a specific reason including, but not limited to, being related to a stolen vehicle, wanted person, missing person, domestic violation protective order, or terrorist-related activity.

Valid Law Enforcement Purpose: A purpose for information/intelligence gathering development, or collection, use, retention, or sharing that furthers the authorized functions and activities of a law enforcement agency, which may include the prevention of crime, ensuring the safety of the public, furthering officer safety while adhering to law and agency policy designed to protect the privacy, civil rights, and civil liberties of individuals.

IV. Procedures

A. ALPR ADMINISTRATORS

The ALPR Administrators shall be responsible for compliance with the following:

1. Only properly trained sworn officers, analysts, police dispatchers and telecommunicators are allowed access to the ALPR system or to collect ALPR information. Nothing herein shall preclude a police department from restricting access to any of its employees holding these positions.

2. Ensuring that initial and in-service training requirements are completed for authorized users.

3. ALPR system monitoring to ensure the security of the information and compliance with applicable privacy laws.

4. Maintaining the title and name of the current designee(s) overseeing the ALPR operation and all ALPR Operators.

5. Ensuring this policy, related procedures, and the transparency portal are conspicuously posted on the department's website.

6. Any and all current or future external agencies granted permission to use or review ALPR technology, data, and/or footage shall agree, through a formal written agreement, to the provisions contained in this Policy. For those agencies that do not agree, permission to access data shall be denied.

B. ALPR USE

1. Use of an ALPR is restricted to the purposes outlined below:

a. A valid law enforcement purpose such as being used as part of a criminal investigation into an alleged violation of state or federal criminal law where there is reasonable suspicion that a crime was committed.

b. As part of an active investigation related to a missing or endangered person or a person associated with human trafficking.

c. To receive notifications related to a missing or endangered person, a person with an outstanding judicial warrant, a person associated with human trafficking, a stolen vehicle or a stolen license plate.

2. ALPR cameras will be positioned to capture only vehicles that are exposed to public view (e.g., vehicles on a public roadway or a place that is publicly accessible, such as public parking lots).

C. ENTRY AND VERIFICATION INTO THE ALPR SYSTEM

1. License plates, including partial plates if applicable, and unique vehicle descriptions reported during an alleged criminal incident should be entered into the ALPR system to identify suspect vehicles.

2. The officer should verify an ALPR response through the Rhode Island Law Enforcement Telecommunications System (RILETS) before taking enforcement action that is based solely on an ALPR alert unless exigent circumstances exist. Once an alert is received, the officer shall confirm that the observed license plate from the system matches the license plate or description of the observed vehicle before any law enforcement action is taken because of an ALPR alert. The ALPR alert shall be verified through a RILETS inquiry via MDT or through Dispatch. Officers will not take any police action that restricts the freedom of any individual based solely on an ALPR alert unless it has been publicated. Because the ALPR alert may relate to a vehicle and may not relate to the person operating

the vehicle, officers must have reasonable suspicion and/or probable cause to make an enforcement stop of any vehicle. (For example, if a vehicle is entered into the system because of its association with a wanted individual, officers should attempt to visually match the driver to the description of the wanted subject prior to making the stop or should have another legal basis for making the stop.)

3. Designation of hot lists to be utilized by the ALPR system shall be made only after the approval of a supervisor. Hot lists shall be obtained or compiled from sources consistent with the purposes of the ALPR system set forth in this policy. Hot lists utilized by the department's ALPR system may be updated by agency sources more frequently than the department may be uploading them and thus the department's ALPR system will not have access to real time data. Occasionally, there may be errors in the ALPR system's read of a license plate. Therefore, an alert alone shall not be a basis for police action. Prior to initiation of a stop of a vehicle or other intervention based on an alert, officers shall undertake the following:

    a. An officer must receive confirmation that the license plate is still stolen, wanted, or otherwise of interest before proceeding (absent exigent circumstances).

    b. Officers shall visually verify that the license plate of interest matches with the image of the complete or partial license plate number captured (read) by the ALPR, including both the alphanumeric characters of the license plate, state of issue, and vehicle descriptors before proceeding. Officers alerted to the fact that an observed motor vehicle's license plate is a hit are required to make a reasonable effort to confirm that a wanted person is in the vehicle and/or that a reasonable basis exists before an officer would have a lawful basis to stop the vehicle.

    c. All vehicle and suspect information entered into the ALPR system will contain the following information at a minimum:

        1) Related case number; and

        2) Short synopsis describing the nature of the originating call.

D. AUTHORIZED COLLECTION, PURPOSES AND USE OF ALPR DATA/GUIDELINES FOR USE

1. A Police Department is authorized to query government or commercial ALPR data contingent on a respective sharing agreement, memorandum of understanding, or intergovernmental agreement in place that is consistent with this Policy.

2. ALPR data may be utilized by Police Department personnel for valid law enforcement purposes including, but not limited to, the following:

    a. Locate missing children, elderly, and at-risk individuals, including responding to Amber, Silver, and Purple Alerts;
    b. Locate witnesses and victims of violent crime;
    c. Locate stolen, wanted, and subject of investigation vehicles;
    d. Locate and apprehend individuals subject to arrest warrants or otherwise lawfully sought by law enforcement;
    e. Support local, state, federal, and tribal public safety departments in the identification of vehicles associated with targets of criminal investigations, including investigations of serial crimes;
    f. Protect participants at special events; and
    g. Protect critical infrastructure sites.

E. PROHIBITED USE

The ALPR system, and all data collected, is the property of the Police Department and not Department personnel. Department personnel may only access and use the ALPR system for a valid law enforcement purpose consistent with this policy. The following uses of the ALPR system are specifically prohibited:

1. Invasion of Privacy: The ALPR system shall only be used to capture license plates exposed to public view (e.g., vehicles on a public road or street, or that are on private property but whose license plate(s) are visible from a public road, street, or a place to which members of the public have access, such as the parking lot of a shop or other business establishment) except as authorized through the issuance of a court order such as a search warrant.

2. Harassment or Intimidation: It is an explicit violation of this policy to use the ALPR system to harass and/or intimidate any individual or group.

3. Use Based on a Protected Characteristic or Class: It is a violation of this policy to use the ALPR system or associated scan files or hot lists solely because of a person's, or group's race, color, gender, gender identity, religion, political affiliation, nationality, ethnicity, sexual orientation, age, disability or other classification protected by law.

4. Personal Use: It is a violation of this policy to use, or allow others to use, the ALPR system or associated scan files or hot lists for any personal purpose. The ALPR shall only be used for a valid law enforcement purpose.

5. First Amendment Rights: It is a violation of this policy to use the ALPR system or associated scan files or hot lists for the purpose or known effect of infringing upon First Amendment rights.

6. Determination of Immigration Status: It is a violation of this policy to use the ALPR system or associated scan files or hot lists for the purposes of determining an individual's legal status within the United States or assisting with the enforcement of potential violations of federal civil immigration law.

7. Abortion Ban Enforcement/Obstructing of Reproductive Rights: It is a violation of this policy to use the ALPR system or associated scan files or hot lists for the purposes of enforcing abortion ban or restricting a person's ability to exercise their reproductive rights.

8. Any matter where the criminal investigation concerns a crime that is not recognized under Rhode Island law.

F. AUTHORIZATION TO SHARE ALPR INFORMATION

1. Department employees are prohibited from sharing, disseminating, forwarding, or otherwise providing access to any data, images or alerts to U.S. Immigration and Customs Enforcement or any external agency when the purpose of that agency or request is the enforcement of potential violations of federal civil immigration law.

2. Department employees are prohibited from sharing, disseminating, forwarding, or otherwise providing access to any data, images, or alerts to any third party that is not a law enforcement agency. Notwithstanding, a Police Department may receive ALPR data from a third party, non-law enforcement agency.

3. Department employees are prohibited from sharing, disseminating, forwarding, or otherwise providing access to any data, images, or alerts to any private citizen or entity without the express authorization of the Chief/Colonel.

G. ACCOUNTABLILITY AND SAFEGUARDS

All data will be closely safeguarded and protected by both procedural and technological means. The ALPR Administrator(s) shall be responsible for ensuring the Police Department observes the following safeguards regarding access to and use of stored data:

1. All non-law enforcement requests for access to stored ALPR data shall be processed in accordance with applicable law.

2. ALPR data downloaded to a computer or MDT shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date, and time. ALPR data shall never be downloaded, screenshot or in any way saved to a mobile device. A mobile device can only be used to scan and view ALPR data.

3. Persons approved to access ALPR data under these guidelines are permitted to access the data for valid law enforcement purposes only. ALPR Operators shall only utilize department issued equipment to access the ALPR system.

4. ALPR data may be released to other authorized and verified law enforcement officials and agencies for valid law enforcement purposes with the approval of the ALPR administrator or designee, contingent on an appropriate MOU being entered between the agencies.

5. Every ALPR Detection Browsing Inquiry must be documented by both the associated law enforcement agency case number, or incident number, and a reason for the inquiry.

6. The APLR Administrator or their designee will ensure that information entered into any custom hot list is removed from the system at the conclusion of the investigation, or whenever evidence suggests that it is no longer relevant to the investigation.

7. The Police Department shall post a transparency portal available to the public which will outline the APLR policy and metrics of the system to include:

    a. Hot List sources;

    b. Data retention;

    c. Number of operational cameras;

    d. Organizations with access to cameras;

    e. Number of total plate-reads within the ALPR data retention period; and

    f. Number of searches within the ALPR data retention period.

H. SECURITY OF INFORMATION

All data will be closely safeguarded and protected by both procedural and technological means. The Police Department shall observe the following safeguards regarding access to and use of stored data:

1. The ALPR Administrator will maintain usernames and passwords to access ALPR information. Usernames and passwords are not transferable, shall not be shared by ALPR Operators, and must be kept confidential. Access is limited to law enforcement staff in good standing.

2. Unless preserved as part of an investigation, ALPR data shall purge no later than 30 days after the data was captured.

3. ALPR Operators will not download ALPR data unless such data is related to a valid law enforcement purpose as detailed in Section D(III). Any ALPR data that is obtained and used during an investigation shall be saved in the Evidence.com or similar platform and stored in accordance with applicable evidentiary records law and policy.

4. ALPR Operators shall agree to comply with security controls implemented by the ALPR Administrator. At a minimum, such security controls shall include multi-factor authentication, encrypted communications, and other reasonable physical, technological, administrative, procedural, and personnel security measures to mitigate the risks of unauthorized access to the system.

I. RELEASING ALPR DATA

ALPR data may be shared only in the following circumstances:

1. With other law enforcement for a valid law enforcement purpose contingent on an appropriate MOU being entered between the agencies. The requesting agency must provide a written request for the ALPR data that includes:

    a. The name of the agency requesting the data;

    b. The name of the person requesting the data;

    c. The intended purpose of obtaining the data.

    The request is reviewed by the ALPR Administrator or the authorized designee and approved before the request is fulfilled. The approved request is retained on file.

2. With a prosecutorial agency such as the Rhode Island Office of Attorney General, United States Attorney's Office for the District of Rhode Island or a solicitor prosecuting a criminal matter on behalf of a municipality.

3. With a defendant or their counsel for purposes of complying with discovery or a court order in a criminal proceeding.

4. Pursuant to a court order or a court-issued subpoena duces tecum in any criminal or civil proceeding.

5. With an ALPR vendor for maintenance or quality assurance purposes.

6. To alert the public to an emergency situation, a missing or endangered person, a person associated with human trafficking, or a person with an outstanding judicial warrant.

V. Training

1. The designated ALPR Administrator(s) shall ensure that prior to being authorized to use or access the ALPR system, members receive Department-approved training consistent with the manufacturer's recommendations that will include, at a minimum, training on the usage of the ALPR system, data sources, legal responsibilities and ramifications; as well as training on this policy.

2. Training shall be updated as technological, legal, and other changes that affect the ALPR Policy occur and will be provided to personnel.

VI. Policy Review

1. A working group consisting of members of the Rhode Island Department of Public Safety, the Rhode Island Police Chiefs' Association, the Providence Police Department and the League of Cities and Towns will review this Policy annually and update as necessary.

2. All employees with access to the ALPR system shall review this policy on an annual basis.

VII. Audits

The ALPR Administrator or designee shall conduct an audit of the ALPR system for no less than once each quarter. This audit shall include a random sampling of ten (10) browsing inquiries to ensure that each meets the requirements established by this policy. The audit shall ensure compliance with the following:

a. Information security and privacy laws;
b. Queries are conducted consistent with this policy's Authorized Uses;
c. Queries contain an associated reason and report number;
d. Only trained, authorized users are conducting searches;
e. Outdated information is cleared from the system.

VIII. Violations

1. Anyone who engages in an impermissible use of the ALPR system or associated scan files, or hot lists may be subject to criminal prosecution, civil liability, and/or administrative sanctions in addition to access and/or use of the ALPR system be temporarily or permanently suspended.

2. Intentional violations may warrant discipline up to termination.

3. Any officer that observes a violation of this Policy is required to report the violation in writing to their immediate supervisor in the officer's chain of command.

4. Supervisors who observe or become aware of a violation of this Policy shall ensure appropriate remedial action or referral for disciplinary action, consistent with the Department's policies with respect to internal investigations.

MEMORANDUM

Date: 11-12-2026 Job No.:

To: Steve Contente – Town administrator

Cc: Jose DaSilva - Superintendent

From: Chris Cronin, P.E.

Subject: Synagro – Solids Disposal Contract

The sludge disposal crisis is a major issue in RI and New England. The crisis is driven by failing incinerators, closure of incinerators and increasingly limited opportunities to compost sludge for beneficial reuse due to concerns surrounding emerging contaminants, particularly per- and polyfluoroalkyl substances (PFAS). As a result, the Bristol Water Pollution Control Department will be ceasing their sludge composting operation and is shifting to disposal.

Currently, there are two vendors providing wastewater sludge disposal services in Rhode Island:

1.) **Veolia:**
Veolia accepts liquid sewage sludge, dewaters it and then incinerates it at their Cranston Incinerator. The incinerator is at capacity and not accepting new sludge sources.

2.) **Synagro:**
Synagro, up until recently, accepted dewatered sludge at their incinerator in Woonsocket. It is widely understood that the incinerator will be closing soon due to odors and general wastewater treatment facility issues.
In anticipation of the Woonsocket facility's closure, Synagro has developed an alternative disposal solution known as **EPIC**.
The EPIC program involves transporting containers of dewatered sludge to a rail yard in Westborough, Massachusetts. At the rail yard, the containers are loaded onto rail cars and transported by rail to the Tunnel Hill Reclamation Landfill in Ohio for final disposal.

Given the limited availability of disposal alternatives, particularly for liquid sludge, the Bristol Water Pollution Control Department is moving forward with entering into a contract with Synagro-EPIC for sludge transportation and disposal services.

The Synagro-EPIC contract includes transportation to the Westborough rail yard. Synagro maintains control over the rail yard and requires the use of specific containers designed to securely interface with and attach to the rail cars. These requirements make it necessary for the Town to utilize Synagro's integrated transportation and disposal services rather than independently procuring individual components of the disposal process.

Due to the current limitations in the regional sludge disposal market, Synagro-EPIC represents the only viable disposal option available to the Town. Given the lack of alternative vendors capable of

providing the required services, a competitive public bidding process would not be advantageous or likely to yield a viable alternative.

Although the Town will be transitioning away from composting, Bristol will continue to dewater its wastewater sludge prior to disposal. In addition, the Department has implemented a new process known as **biodrying** at the former composting facility.

Biodrying is a process that uses biological activity to generate heat and facilitate further moisture removal from the sludge. This additional drying reduces the overall moisture content and volume of the material, thereby reducing the quantity of sludge requiring transportation and final disposal.

The implementation of biodrying will allow the Town to continue optimizing its sludge management operations, reduce disposal volumes, and potentially achieve transportation and disposal cost savings under the new Synagro-EPIC arrangement.

Contractor Materials Management Agreement

SCOPE OF SERVICES AND PRICING APPENDIX

Scope of Service and Project Name: Bristol, RI WWTP

Equipment
EPIC/Synagro will provide one container and one chassis for Customer to load. EPIC will pick up full containers to transport material from the project site to rail yard in Westborough, MA for transport to disposal. Container must be connected to Customer's yard jockey prior to being filled using a loader, to protect the container during loading.

Drivers
EPIC/Synagro will provide a driver to pickup and transport the material to Westborough.

Disposal/BU
Disposal, backend dray, unloading and any fees or taxes for this project will be the responsibility of EPIC/Synagro.

Operations
Pickups can be scheduled before 11AM on the Friday of the week preceding the desired pickup. Contractor can deliver loads to the railyard Monday-Friday between 6AM-3PM unless otherwise mutually agreed. Changes to the schedule can be requested with 24 hours' notice.

All loading, scaffolding or rolling stairs and related activities, including lining when needed, tarping and un-tarping of the containers will be the responsibility of the customer with assistance from the driver. If an unlined container is being used, Contractor will provide liner and Customer will be responsible for installing them.

Weighing of Customer Material: **Customer or their designee will be responsible for loading project material into Contractor containers. The maximum load limit is eighty thousand pounds (80,000) gross vehicle weight. Overweight containers and associated penalties or cost to remedy are the responsibility of the Customer. However, certified scale ticket will be provided upon delivery to disposal/BU site.**

Contractor shall provide and maintain well documented and reliable records related to the services provided hereunder.

Any significant changes to practices and procedures related to the services provided hereunder must be approved by the Customer and Contractor.

Customer Materials and Volume Estimates.

Any increase or decrease to the rate of approximately 650 wet tons per year, whether by the customer or contractor, will be mutually agreed upon with at least 90 days' notice. Project is expected to proceed at this rate from onset to completion. Delivery in Westborough requires at least 48 hours' notice.

Equipment availability is based on current workloads, actual start to work, and schedule of work as it is made available to EPIC by customer. EPIC will make all reasonable efforts to support the maximum loads per day available for the project.

Customer Materials shall consist of the following: dewatered wastewater sludge from plant operations containing no free liquid – non-Hazardous, compliant for disposal facilities in OH, AL and as applicable for alternatives as needed.

EPIC will make all reasonable efforts to support the maximum loads per month available for the project. Site schedule expected to be approximately 1 load every two weeks. Increases must be agreed to in writing by both parties

Method of Delivery of Customer Materials. The Customer Material shall be delivered to Contractor in the following manner:

Contractor will provide 1 container with associated tarps and liners, and 1 chassis. Customer will fill and tarp container/trailer and make ready for shipment to Westborough, MA. Loads deemed unsuitable by reason of Customer's negligence shall be corrected by the customer prior to being loaded onto rail. Upon removal of filled container, Contractor shall leave an empty container and chassis for the customer.

Contractor Materials Management Agreement

GENERAL TERMS AND CONDITIONS

1. Definitions. As used in this Agreement:

A. "Affiliate" shall mean any Person which, directly or indirectly, owns or controls, or is under common ownership or control with, or is owned or controlled by, such Person.

B. "Agreement" shall mean this agreement, and each and every exhibit, appendix and schedule attached hereto, and by reference made part of this Agreement. For purposes of this Agreement, the Agreement shall consist of the following which shall take precedence in the order listed:

The Contractor Materials Management Agreement

Scope of Services and Price Appendix

General Terms and Conditions

C. "Agreement Price(s)" shall mean any one or, collectively, all the prices to be paid by the Customer to Contractor for Contractor Services.

D. "Contractor" shall mean the entity identified as Contractor in the first paragraph of this Agreement and its permitted successors and assigns.

E. "Contractor Services" shall be those services described in Scope of Service and Price Appendix.

F. "Customer" shall mean the entity identified as Customer in the first paragraph of this Agreement and its permitted successors and assigns.

G. "Customer Material(s)" shall mean the materials generated by, stored at the Customer's Facility or managed by the Customer which are described and meet(s) the requirements set forth in Appendix 2.

H. "Equipment" shall mean rail cars, rail equipment, tractors, containers and container chassis.

I. "CUSTOMER" shall mean the Town of North Brookfield

J. "Governmental Authority" means any governmental authority including the United States of America and any State, local authority, political subdivision, agency, department, commission, board, bureau, court, tribunal having jurisdiction over this Agreement, Customer Material(s), or Contractor, Customer, or Customer Facility.

K. "Hazardous Materials" means any "petroleum," "oil," "hazardous waste," "hazardous substance," "toxic substance," and "extremely hazardous substance" as such terms are defined, listed, or regulated under Laws.

L. "Intended Use" shall mean any use, placement or disposal of Customer Materials pursuant to this Agreement including by example, deposit in landfill, or incineration.

M. "Job Site" shall mean as the origin point from which EPIC shall receive Customer Materials for transport.

N. "Laws" means any applicable federal, state, or local law, rule, regulation, ordinance, order, decision, principle of common law, consent decree or order, of any Governmental Authority, now or hereafter in effect.

O. "Non-Conforming Material(s)" shall mean material(s) which fail(s) to meet the description or characteristics described in the applicable scope of services, pricing appendix, and/or waste description provided to Contractor.

P. "Party" shall mean either Customer or Contractor; "Parties" shall mean Customer and Contractor.

Q. "Person" shall mean any partnership, corporation, Governmental Authority, trust or legal entity, as well as a natural person.

R. "Prime Contract" shall mean the agreement between EPIC and The Town of Bristol, RI

S. "Term" shall mean the term of this Agreement including any extensions, as provided for in the Agreement.

3. Services. Contractor shall provide Contractor Services to Customer.

4. Price and Adjustments.

A. The Agreement Price(s) for Contractor Services is set forth in Scope of Services and Price. Contractor shall be liable for the payment of fines and/or civil penalties levied against the Customer or CUSTOMER by any regulatory agency having jurisdiction as a result of direct actions by contractor or its affiliates, or violations of law from a court of competent jurisdiction or the terms of this agreement.

B. Contractor will have no duty to handle Non-Conforming Materials unless Customer and Contractor mutually agreed to terms including cost for the handling of such Non-Conforming Materials on a case-by-case basis. If Contractor discovers material is Non-Conforming after it takes possession, then Customer shall reimburse all costs and expenses of Contractor in handling such Non-Conforming Material until Customer arranges for removal and transportation of such Non-Conforming Material for appropriate processing and disposal, plus 5% of such costs and expenses.

5. Ownership of Materials. CUSTOMER shall retain all title to and ownership of the Customer Material and Non-Conforming Materials. Further, it is expressly understood and agreed that Customer is solely responsible for the selection of any and all treatment and disposal facilities for the Customer Material, and that Contractor has not participated in any way in such selection, has not arranged for the treatment or disposal of any Customer Material, and has not made any recommendations to Customer as to the selection of treatment or disposal facilities. Nothing in this Agreement shall be construed as requiring Contractor to assume the status of a generator, storer, treater, or disposal facility as those terms appear within the Resource Conservation and Recovery Act, 42 U.S.C.A. 6901 et seq., as amended, or within any other Laws.

6. Customer Material.

A. Warranty. Customer represents and warrants with respect to the Customer Materials: (i) that all analytical and other waste characterization information supplied by it shall be accurate, complete and representative of the Customer Material; (ii),that it has title to the Customer Materials or has full authority from the owner to deliver the Customer Materials as contemplated by the this Agreement; and (ii) that neither it, nor the owner of the Customer Materials, is under any legal restraint or order that would restrict such delivery of the Customer Materials.

B. Customer Material Classification and Preparation. Customer shall provide to Contractor a complete and accurate Customer Material description, classification, analysis and other information as required by Contractor to specify equipment, develop material handling procedures, make transportation arrangements and otherwise perform the Contractor Services under this Agreement. In addition, Customer will take all necessary steps in order to prepare the Customer Material so that it complies with the specified descriptions and classifications and is suitable for the transportation provided by Contractor. Customer shall monitor the Customer Material and immediately notify Contractor if any previously furnished information is found to be inaccurate, incomplete or unrepresentative of the Customer Material.

C. Contractor right to refuse loads. If any Material is loaded by Customer or its agents, Contractor has the right to refuse loads that are not within legal weight restrictions, are defective, or are not filled to mutually agreed-upon minimums or maximums.

D. Condition of Customer Materials. The Customer Materials must be prepared properly for the Equipment being utilized by the Customer. The Customer Materials must be dry, with no freestanding liquids. Any costs that are incurred due to improper preparation of Customer Materials or securement thereof, to include any damage to the Equipment, resulting in a release of materials into the environment, or that causes unsafe operation of the Equipment will be payable by the Customer to Contractor at cost plus 5%.

E. Rejection or Revocation of Acceptance of Materials. Contractor shall have the right to reject any Non-Conforming Material prior to taking possession or revoking its acceptance after taking possession, provided that Contractor notifies Customer by telephone or in writing of such rejection of Non-Conforming Materials promptly upon Contractor's discovery thereof. Any such notice of rejection not given initially in writing shall be promptly confirmed in writing to Customer. Contractor shall provide Customer with the documentation used to identify Customer Materials as Non-Conforming, and Customer shall have the right to re-test the Non-Conforming Materials. Within twenty-four (24) hours after receipt of notice of rejection of Non-Conforming Material (or such longer period provided that Customer is acting with due diligence), Customer shall, in accordance with Laws, arrange for and pay all costs associated with the testing, removal and

SYNAGRO

Materials Management Agreement

transport of such Non-Conforming Material for appropriate processing and disposal. If Customer fails to remove Non-Conforming Material within 10 business days of the date Customer is notified by Contractor, then Contractor shall have the right, but not the obligation, to remove, store, handle, transport, store, process and dispose of Non-Conforming Materials and Customer shall reimburse Contractor for all costs and expenses associated therewith, plus 15% of such costs and expenses.

E. Nothing in this Section 6 shall be construed to limit Customer's obligation to indemnify Contractor.

7. Change in Conditions Affecting Quality of Materials. Customer shall immediately notify Contractor of changes or irregularities related to the creation, processing or conditions that would reasonably be expected to affect the quality, character or composition of Customer Materials. Customer shall promptly furnish to Contractor any information regarding known or suspected changes in the composition or characteristics of the Customer Materials.

8. Record Keeping. Contractor shall maintain records of the Contractor Services to the extent Contractor is required by Law, and further, shall maintain records to the extent specifically set forth in Scope of Services and Price Addendum. Customer shall maintain records to the extent Customer is required by Law. Customer and Contractor shall keep and maintain records showing all data necessary for computation of the invoiced amounts during the term of the Agreement and for eighteen (18) months after the termination of the Agreement. Each Party shall, upon reasonable notice to the other Party, allow the requesting Party to inspect and copy all records reasonably necessary for Contractor to compute the amounts to be invoiced or Customer to review the amounts invoiced, as the case may be.

9. Terms of Payment. Contractor shall provide Customer with a detailed monthly invoice that will include all the backup detail required by the Customer. Customer shall pay Contractor the full amount due under any invoice within thirty (30) days of the date of the invoice. Any invoice amount not paid in full within thirty (30) days of the date of the invoice shall bear interest at one and one-half percent (1.5%) per month. Interest shall be computed from the date of the payment is past due plus all costs incurred by Contractor for collection, including reasonable attorney's fees.

10. Default Termination.

A. In the event a Party seeks to terminate this Agreement because the other Party has failed to perform one or more of its material obligations hereunder, then the non-defaulting Party shall give a default notice to the defaulting party. Such default notice shall list with reasonable detail the nature of the default. Unless otherwise stated in Subsection B below, a defaulting Party shall have a right to cure a default within 20 days. If the defaulting Party fails to cure the default within 20 days after the receipt of the default notice, then this Agreement may be terminated by the non-defaulting party by delivery of notice of termination, effective on the termination date stated in such termination notice.

B. Notwithstanding any provision herein to the contrary, Contractor may immediately terminate this Agreement upon notice to Customer if:

- **(i)** Customer fails to make full payment within 30 days of receipt of any invoice and does not cure the failure within thirty (30) days of receipt of written notice from Contractor identifying said failure;
- **(i)** There is a change in or to the interpretation of any Laws by a Court of competent jurisdiction or regulatory agency which increases Contractor's risk or cost, or which would serve to delay Contractor's performance of Contractor Services which, in Contractor's reasonable judgment is not or cannot be adequately remedied by the application of any other provision of this Agreement; or
- **(ii)** Either party reasonably determines that performing the express requirements of the Agreement will cause personal injury, or damage to a Party's facilities, equipment or operation, or will cause Contractor to be in violation of Laws, or will produce or cause to be produced a process byproduct that is classified as Hazardous Material(s);

C. Notwithstanding any provision herein to the contrary, Customer may immediately terminate this Agreement upon notice to Contractor:

- **(i)** In the event of termination, for any reason, of the Prime Contract; or
- **(ii)** CUSTOMER decides to manage or self-perform the sludge hauling after the first year under the Prime Contract as set forth in the Prime Contract.
- **(iii)** Should Customer and Prime Contract terminate their agreement, Customer shall agree in advance to compensate Contractor for expenses incurred for early termination. These expenses shall include, but are not limited to, recovery of capital cost, demobilization, and cost to terminate subcontracts and equipment leases. Substantiation will be provided by the Contractor for all applicable costs

11. Right to Stop Contractor Services. Customer understands that Contractor undertakes significant financial obligations in order to perform the Contractor Services. As a result, Customer agrees that Contractor shall have the unqualified right to stop Contractor Services upon written notice to Customer should Customer fail to timely pay for the services rendered and invoiced and not cure such failure within five (5) days of receipt of written notice from Contractor identifying such failure. This right to stop Contractor Services is in addition to any and all remedies set forth in this Agreement.

12. Offset. Customer shall not have the right to offset any claim against Contractor from any appropriately invoiced amounts due and owing to Contractor. Any claims Customer has against Contractor may only be pursued in accordance with the dispute resolution section set forth herein.

13. Final Payment Release. Upon receipt of full and final payment, Contractor will release the Customer from any and all claims for the sums received.

14. Dispute Resolution. In the event the Parties are unable to resolve any claims between them, other than those contained in provisions of this Agreement that provide for other means of resolution, the Parties agree to submit their claims to binding arbitration in accordance with the Commercial Rules of Arbitration of the American Arbitration Association. Said arbitration is to be held in Rhode Island. However, in the event a dispute involves CUSTOMER, the parties shall first attempt to resolve the situation by good faith discussions which shall take place in a timely manner. If the dispute cannot be resolved within sixty (60) days, the parties shall mediate their dispute before a mediator acceptable to both parties, if they cannot agree, they shall ask the Director of the Federal Mediation and Conciliation Service to nominate a mediator. The parties shall bear their own costs of the mediation but the parties shall share equally the costs of the mediator and the mediation facilities. If the parties are unable to resolve any disputes in accordance with good faith discussions or mediation, either party may request that such dispute be submitted for binding arbitration, which shall be governed by the rules of the American Arbitration Association or such other rules as the parties may agree. The parties agree that any judgment issued as a result of arbitration may be entered in the court having jurisdiction thereof. The parties agree that arbitration shall be the exclusive means to settle any dispute, controversy or claim arising out of this Agreement.

15. Indemnification.

A. Contractor shall defend, indemnify and hold harmless Customer and CUSTOMER and their partners, directors, officers, employees and agents from and against any and all claims, suits, actions, proceedings, liabilities, losses, damages, fines, penalties and expenses of every character whatsoever (including, but not limited to, liability for pollution, environmental or natural resource damage or restoration, nuisance, bodily injury, sickness and/or disease, including death, and loss of or damage to property), to the extent they arise out of: (i) Contractor's negligence or willful misconduct, (ii) breach of this Agreement, or (iii) violation of Laws. If any such suits, actions or proceedings are threatened or commenced, Customer shall promptly notify Contractor. Contractor's obligations under this paragraph shall not apply to any claim related to PFAS substances.

B. Customer shall defend, indemnify and hold harmless Contractor, its partners, directors, officers, employees and agents from

and against any and all claims, suits, actions, proceedings, liabilities, losses, damages, fines, penalties and expense of every character whatsoever (including, but not limited to, liability for pollution, environmental or natural resource damage or restoration, nuisance, bodily injury, sickness and/or disease, including death, and loss of or damage to property), to the extent they arise out of: (i) Customer's failure to comply with any of its obligations under this Agreement; (ii) Customer's delivery of Non-Conforming Material to Contractor; (iii) Contractor's acceptance, handling, use or application of Non-Conforming Material; and (iv) any other negligent act or omission or willful misconduct by Customer. If any such suits, actions or proceedings are threatened or commenced, Contractor shall promptly notify Customer.

16. Access. Customer shall provide Contractor access to the Job Site location where Customer Materials are being excavated and loaded during normal business hours or as agreed to as based upon the loading schedule for the project. Customer shall bear all costs or fees associated with providing access to Contractor.

17. Contractor's Compliance with Laws. Contractor shall comply with Laws regulating Contractor Services and Customer shall comply with all Laws imposed upon Customer.

18. Insurance.

A. Contractor shall provide workers compensation insurance for all its employees providing services under this Agreement in accordance with applicable law.

B. Contractor shall provide commercial general liability insurance to cover the liabilities of Contractor arising out of the Contractor Services with limits of one million dollars ($1,000,000) for each claim, five million dollars ($5,000,000) products aggregate and five million dollars ($5,000,000) general aggregate. Such insurance shall provide that coverage shall not be canceled without thirty (30) days prior notice to Contractor and Customer, or ten (10) days' notice in the event that such coverage is cancelled for non-payment. Contractor shall provide evidence of said insurance, in the form of an insurance certificate, within thirty (30) days from the date hereof. Said certificate shall name Customer as an additional insured.

C. Contractor shall provide general liability and property damage insurance to cover the liabilities of Contractor arising out of the use of vehicles in in the performance of Contractor Services with a combined single limit of one million dollars ($1,000,000).

D. Contractor shall provide pollution liability insurance to cover the pollution liabilities of Contractor arising out of the Contractor Services with a limit of one million dollars ($1,000,000) for each claim.

E. Contractor shall provide pollution liability insurance to cover the liabilities of Contractor arising out of the Contractor Services with limits of five million dollars ($5,000,000) for each claim.

F. Contractor shall provide excess liability insurance to cover the liabilities of Contractor arising out of the Contractor Services with limits of ten million dollars ($10,000,000) for each claim.

G. Contractor shall name Customer and CUSTOMER as an additional insured on all applicable insurance policies identified hereunder.

H. Customer agrees to accept additional coverage by umbrella policy to meet or exceed the limits required. Copy of said policy will be provided with appropriate additional insured designated therein.

19. Force Majeure. Neither Party shall be liable to the other Party for breach or delay in the performance of its obligations hereunder caused by any act or occurrence beyond its reasonable control, including, but not limited to, fires, strikes (except any strikes involving a Party's personnel), orders or judgments of any Federal, State or local court, administrative agency or governmental body, accidents and Acts of God. It is specifically understood that, without limitation, none of the following acts, events or circumstances shall constitute an act or occurrence beyond a Party's reasonable control: (i) reasonably anticipated weather conditions normal for the region in which the work is performed or (ii) any failure to pay any sums in accordance with the terms of this Agreement. Whenever the provisions of this Section are believed to apply, the Party relying thereon shall give prompt notice to the other Party of the circumstances, the basis for applicability of this Section and the time required to cure such breach or delay and Contractor and Customer shall use reasonable best efforts to agree on appropriate mitigating actions under the circumstances.

20. Damage to Contractor Equipment.

While under care and custody of Customer, Customer will be responsible for any and all damage or destruction of the Equipment. Normal wear during the term of use shall not be considered damage or destruction. Customer will immediately notify Contractor of any damage or destruction to the Equipment.

At Customer's actual cost, Customer will restore or replace damaged Equipment while under the care and custody of Customer to original condition prior to such damage or destruction. Replacement or repair of any parts, equipment and/or accessories on any of the Equipment shall be with parts, equipment, and accessories that are of like kind and of at least equal quality to those being replaced or repaired unless otherwise agreed in writing by Contractor. Substantiation will be provided by the Contractor for all applicable costs.

21. Return of Equipment by Customer.

All Equipment shall be returned to Contractor in a clean and condition acceptable to Contractor without damage. Customer will be responsible to promptly prepare all Equipment for return to Contractor by providing cleaning and/or decontamination as required. All residues shall be completely removed from the Equipment.

For any Equipment returned to Contractor improperly cleaned or damaged, Customer shall pay Contractor all reasonable additional transportation, disposal and other costs and expenses plus a 15% mark-up for the proper, repair cleaning and/or decontamination incurred to return the Equipment to the required return condition. Customer shall pay Contractor a daily demurrage rate of $150.00 for the time such Equipment is out of service due to the repair, cleaning and/or decontaminated.

23. Representation of Authority. Each person signing this Agreement represents and warrants that he or she is duly authorized and has legal capacity to execute and deliver and perform this Agreement. Each Party represents and warrants to the other that the execution and delivery of the Agreement and the performance of such Party's obligations hereunder have been duly authorized and that the Agreement is a valid and legal agreement binding on such Party and enforceable in accordance with its terms.

24. Survival of Obligations. Notwithstanding the expiration or sooner termination of this Agreement, any duty or obligation which has been incurred and which has not been fully observed, performed and/or discharged, and any right, conditional or unconditional, which has been created and has not been fully enjoyed, enforced and/or satisfied, shall survive such expiration or termination until such duty or obligation has been fully observed, performed and/or discharged and such right has been fully enjoyed, enforced and/or satisfied.

25. Entire Agreement. This Agreement constitutes the entire agreement of the Parties with respect to the subject matter hereof and supersedes all prior agreements and understandings, both written and verbal, between the Parties with respect to the subject matter hereof.

26. Amendments. This Agreement may be amended from time to time only by an instrument in writing signed by the Parties to this Agreement.

27. Counterparts. This Agreement may be executed in counterparts, which together shall constitute one and the same contract. The Parties may execute more than one copy of this Agreement, each of which shall constitute an original.

28. Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties thereto and their successors and permitted assigns. The Agreement may not be assigned by either Party without the prior written consent of the other Party, which consent shall not be unreasonably withheld or delayed, except that either Party may assign performance and/or collection to an Affiliate without the consent of the other party; additionally, Customer may assign this Agreement to CUSTOMER without the consent of Contractor.

29. Modification. This Agreement may not be amended, altered or modified except in writing signed by the Parties hereto. No waiver by either Party of any breach by the other Party of any provisions of this Agreement shall be construed as a waiver of any subsequent breach, whether of the same or of any different provision of this Agreement. No

SYNAGRO

course of conduct or series of dealings shall constitute a waiver hereunder.

30. Governing Law, Venue Selection. This Agreement shall be governed by and construed under the laws of Rhode Island in any court of competent jurisdiction.

31. No Third Party Liability. Neither this Agreement nor any Subcontract is intended to give rise to or recognize any third-party beneficiary to this Agreement. or arbitration pursuant to paragraph 14 of this Agreement.

32. Partial Invalidity. If any provision of this Agreement is determined to be invalid, illegal or unenforceable for any reason, that provision shall be deleted from this Agreement and such deletion shall in no way affect, impair, or invalidate any other provision of this Agreement, unless it was material to the consideration for the performance required. If a provision is deleted which is not material to such consideration, the remaining provisions shall be given the force and effect originally intended.

33. Consent to Breach Not Waiver. No term or provision hereof shall be deemed waived and no breach excused, unless such waiver or consent is in writing and signed by the Party claimed to have waived or consented. No consent by any Party to, or waiver of, a breach by the other Party shall constitute consent to, waiver of, or excuse of any other different or subsequent breach.

34. Notice. Except as otherwise specifically provided in this Agreement, all notices must be given in writing sent by recognized overnight courier or registered or certified US mail, postage prepaid, return receipt requested, addressed listed on the first page and with an additional copy of any notice to Contractor sent to:

Attn: Wastewater Treatment Plant

Notice shall be sent to the referenced persons and addresses unless the Parties are otherwise notified in writing of a change in the name or address of the person to be notified.

35. Consequential Damages. In no event shall Contractor or Customer, and their Affiliates or its and their directors, officers, employees or any of its subcontractors be liable for any incidental, indirect, special, punitive, economic or consequential damages, suffered or incurred by either Party or any of its agents or contractors as a result of performance or non-performance pursuant to this Agreement. In no event shall either Party's liability hereunder exceed the value of the payments to Contractor under this Agreement, regardless of legal theory.

36. Drafting Responsibility. Neither Contractor nor Customer shall be considered the drafter of this Agreement, and any ambiguities herein shall not be construed against either Contractor or Customer, both having participated in the drafting of this Agreement.

37. Time of the Essence. Time is of the essence with regard to any payment obligations or any other obligations contained herein that may specifically state such requirements.

TOWN OF BRISTOL

RESOLUTION 2026-10-28-I3

WHEREAS, the Town Council, as the governing body of the Town of Bristol, with the advice of the Bristol Harbor Commission, desires to amend the fee for off-season parking at the Marina Ferry Dock so as to balance affordability with the Town's need to recover monitoring and maintenance expenses; and

WHEREAS, in accordance with Sec. 16-382 of the Code of Ordinances, the Town Council is empowered to establish the fee for off-season parking at the Marina Ferry Dock by resolution; and

WHEREAS, the Town Council previously established this fee at $125 per month;

NOW, THEREFORE, BE IT RESOLVED that the Bristol Town Council hereby reduces the fee for off-season parking at the Marina Ferry Dock from $125 per month to $75 per month.

This fee amendment shall take effect upon passage and shall remain in effect until amended by the Town Council.

Adopted by the Town Council of the
Town of Bristol
this ____ day of November, 2026.

Tri-Town Monthly Report

Summary of Notable Activities and Reports from the November 5, 2026, BCWA Monthly Meeting

For detailed information on any of these subjects presented herein, please go to the BCWA website at www.bcwari.com or contact the BCWA. Minutes and videos of all Board meetings are archived on the website.

1. **The typical fourth Thursday of the month meeting was rescheduled from October to the first Thursday in November as noted in the last Tri-Town Report.**

2. **BCWA Properties**

   a. **Request for Proposals (RFP) for the Reuse of the "Old Station Building" on Child Street –** As detailed in the September Tri-Town Report, the Board approved the issuance of an RFP seeking adaptive reuse proposals for this building. Responses were due on October 22. Only one proposal was received which was distributed to the Board for review at an executive session at the November 5 Board meeting. After discussion, in open session of the board meeting, the Board voted to reject the proposal for adaptive reuse as a single-family home and have the building demolished. A contract for demolishing the old abandoned treatment building and the old station building had been previously awarded by the Board. However, demolition of the Child Street building was suspended pending a decision regarding possible reuse of the building. Demolition of the treatment building has been completed.
   b. The Properties Committee held a meeting and tour of the BCWA's Barrington Nayatt Road facilities to begin long-term discussions about the future of this property.
   c. The Swansea Water District is preparing the property transfer documents for the Warren Reservoir dam and associated property.

3. **Annual BCWA Employee Pension Plan Review –** A presentation was made by Nyhart to provide its annual assessment of the Pension Plan. Typically, government pension plans are considerably underfunded. The BCWA's plan, however, has continued to outperform expectations. During the last year there was a 14.4% market value return – about twice the anticipated rate –.raising its funded status from 98.7% to 105.8%. In addition, liabilities were reduced. Future concerns include possible lump sum withdrawals which would cause significant short-term liquidity needs.

4. **Connection to the Pawtucket Water Supply System Project –** A preliminary strategy and plans have been defined to split the project into multiple stages and contracts. Doing so should accelerate the completion of the overall project. The short-term goal is to get the first phase of the project, i.e. pipeline between Kent Heights in East Providence to Warren Avenue, to bid-level documents as soon as possible. Meetings have been scheduled with RI DOT to discuss this approach and to coordinate projects.

   Meetings have been held with RI DOH to discuss next steps necessary to obtain State Revolving Fund (SRF) funding.

   The plans being developed by the Beta Group for the Blending Station (in East Providence) are at the 60% completion point.

Summary – November 5, 2026, BCWA Board of Directors Meeting

A Memorandum of Understanding between East Providence and BCWA is being developed by staff and our OPM (Owner's Project Manager, i.e. Stantec/Pare) for the construction phase of this project.

5. **Shad Factory Pipeline Project –** The plans for the removal of this abandoned pipeline have been completed by Pare Corporation. Permit applications have been completed and coordinated with the Swansea Country Club which owns the property the pipeline crosses.

6. **Miscellaneous Projects –** During the Board meeting, staff provided an update on various construction projects affecting the BCWA water infrastructure. One of several projects reported on was the completion of the installation of a new water main that will provide water services to a downtown Bristol development project, the Lofts on Thames Street. As part of the planning for this large residential development, it was determined by the BCWA that the existing water lines could not meet the demands expected from the project. In order to receive water services, the developer was required by BCWA to replace the existing system in accordance with BCWA requirements and standards. This project was initiated by the developer. Construction of a new water main proceeded as required. BCWA staff reported that it is now completed and in compliance with BCWA's requirements. This new water main will now become part of the BCWA system and BCWA's future responsibility.

7. **Staffing** – BCWA is seeking candidates for the following two positions:

    a. Water Utility Operator
    b. Customer Service Representative

    Applications are due on November 25, 2026. The job descriptions and application can be found at https://bcwari.com/job-opportunities/

8. **FY 2028 Budget** – The BCWA's Fiscal Year 2028 begins March 1, 2027. A draft FY2028 budget and an update of the BCWA 10-year Capital Improvement Plan will be presented at a meeting of the Finance Committee on Thursday, November 12, 2026, and presented to the Board on Thursday, December 10, 2026.

9. **Water Rate Study** – BCWA's rate consultant, NewGen Strategies and Solutions, has been engaged to provide financial planning support to assess the existing rates and rate structure, propose alternatives, and evaluate the impacts supporting long-term capital projects. It is anticipated that a presentation will be made at the January 2027 Board meeting.

10. **Next Scheduled Meetings –** At BCWA Offices 450 Child Street, Warren.
    - **5:00PM, Thursday November 12, 2026 –** FY2028 Budget Finance Committee
    - **5:00PM, Thursday December 10, 2026 –** Monthly Meeting of Board

As noted herein, this is a summary. For detailed information on the BCWA activities, please go to the BCWA website at www.bcwari.com or contact the BCWA. Minutes and videos of all Board meetings are archived on the BCWA website.

Respectfully submitted,

Juan Mariscal, Chairman, BCWA

SITTING AS THE BOARD OF REVIEW – CONTINUED:

4. ZBR-26-24
JOSEPH M. BRITO, JR. **161 Poppasquash Rd.: R-40**
Pl. 182, Lot 7

Dimensional Variances to demolish an existing residential guest house structure and construct a 41' 2" x 44' 4" x 32' high accessory bunkhouse/boathouse structure at a size and height greater than permitted for accessory structures in a residential zoning district. Also:

Special Use Permit to construct a 41' 2" x 44' 4" x 32' high accessory bunkhouse/boathouse structure at a height greater than 25' above grade within the flood zone.

The application was presented by Douglas Kallfelz, co-founder of Union Studios Architecture and design. Mr. Joseph M. Brito Jr, applicant, was also present and stated he would guess that this parcel consists of 6 or 7 acres.

Project Overview: The petition requested a dimensional variance and special use permit to demolish an existing guest house and construct a new 41.2 ft x 44.4 ft, 32 ft high accessory bunkhouse/boathouse. This exceeds size and height limits and is within a flood zone.

Applicant's Testimony: The same petition was approved five years ago but expired. The existing structure is non-conforming, with its first floor below base flood elevation. The new design moves the structure back and elevates the first floor. It will serve as a guest house for family with no cooking facilities and is not intended for boat storage.

Board Discussion: The board noted moving the structure out of the original flood zone, into a less significant flood zone, and is a significant improvement and that a special use permit,

not required five years ago, is now necessary. The Technical Review Committee (TRC) found the structure appropriate despite a floor ratio discrepancy.

No one spoke in favor or against the petition. The Board was in receipt of several letters from abutting property owners, all in support.

Conclusion:

XXXXXX

MR. BURKE: Mr. Chairman, I'm going to make two motions; one for the dimensional variance and one for the special use permit. I'm going to make a motion that we approve file ZBR-26-4, Joseph M. Brito, Jr. at 161 Poppasquash Road, to construct a 41' 2" x 44' 4" X 32' high structure that will require demolition of a non-conforming structure. The new structure will be moved out of the flood zone, which is an advantage. The dimensional variance that's required is due to the size of the building. This isn't being marketed as an ADU, it's strictly additional sleeping and living space for family and guests. So, I'm going to make a motion that we approve the size of the building at 41' 2" x 44' 4" X 32' high. This also requires a height variance. Because it does get free board relief, by right, the actual height allowed will be 26 feet, not 20. So, I make a motion that we approve the 6-foot variance for the resulting height for this design. The hardship from which the applicant seeks relief is due to the unique characteristics of the subject land, or the existing structure; and not due to the general characteristics of the surrounding area; and not due to an economic disability of the applicant. This new structure will replace and improve on the structure that is in place

now; both from a flood zone location and in compliance. The hardship is not the result of prior action of the applicant. The existing structure has been there before he acquired the property. The granting of the requested dimensional variance will not alter the general characteristics of the surrounding area or impair the intent or purpose of the zoning ordinance or the Comprehensive Plan of the Town of Bristol. We heard testimony that this is on a parcel of 6 or 7 acres; we often allow and entertain variances for lots larger than the ordinance requirement for accessory structures. The hardship that will be suffered by the owner of the subject property if dimensional variance is not granted, would amount to more than a mere inconvenience. He would have to make a structure that didn't meet his needs or continue with a structure that now exists in the flood zone. For those reasons, I move that we approve.

MR. BURKE: This application also requires a Special Use Permit, because it's a structure in this zone and it exceeds 25 feet. The structure itself will be 32 feet high. The TRC did review the compliance on the structure. They did note that

there is a discrepancy with the floor ratios; but they pointed out that that is due to the back, there's not first floor break-away. And that based on the intended use for this, it is appropriate; it meets the intent of the zoning ordinance. And that's a Finding. The Special Use Permit that applies to this is 28-150 (e)(e)(e); and the Finding of the TRC and this Board is that, except for that exception, it meets all of the requirements. The granting of the Special Use Permit will not alter the general characteristics of the surrounding area or impair the intent or purpose of the zoning ordinance or the Comprehensive Plan of the Town of Bristol. Its an accessory use for a residential property; the zoning ordinance and the comprehensive plan allows for both. I so move.

Dimensional Variance to construct an approximate 40' x 43' detached accessory dwelling unit (ADU) structure with less than the required front yard, and at a size greater than permitted for accessory structures in the Residential R-10 zoning District.

No one was present when called upon. Mr. Tanner stated he would contact them in the morning to determine why they were not present.

The Board held the application until the end of the meeting to see if they arrived.

6. ZBR-26-33
ANDREW TYSKA **26 Patricia Ann Dr.: R-15**
Pl. 55, Lot 129

Dimensional Variance to construct an approximate 12' x 23' sunroom addition to an existing single-family dwelling with less than the required rear yard.

Ms. Nikki Tyska presented the petition to the Board.

Project Overview: The applicant proposed constructing a 12 ft x 23 ft four-season sunroom on the rear of a single-family home, requiring an 11 ft dimensional variance for the rear yard setback (24 ft proposed vs. 35 ft required in an R-15 zone).

Ms. Tyska explained that her husband could not be present and would try to answer questions if she could. She explained they are doing landscaping work in the backyard, and this would just add some indoor/outdoor living, a four-season sunroom in the back.

The Board reviewed the Petition in detail

Discussion: The addition aligns with the existing building footprint. While there was uncertainty about prior variances, the board considered the request modest and consistent with the neighborhood, where many lots require relief for additions.

No one spoke in favor or against the Petition.

Conclusion:

XXXXXX

MR. BURKE: Mr. Chairman, I'm going to make a motion to approve file ZBR-26-33, Andrew Tyska at 26 Patricia Ann Drive to construct an approximate 12' x 23' sunroom addition to an existing home on the property, with less than the required rear yard. As we discussed and reviewed, the resulting structure will result in it being 24 feet from the rear property line; the

required setback is 35. So, the required relief is 11 feet of the rear yard. The purpose of this is to establish some protected outdoor living space, which currently, according to the testimony, does not exist. The hardship from which the applicant seeks relief is due to the unique characteristics of the subject land and structure; and not due to the general characteristics of the surrounding area, and not due to an economic disability of the applicant. This is an R-15 zone and that neighborhood was all platted at the same time; they're all 15,000 square foot lots, and the homes were placed in a position to maximize the size of the homes. Therefore, any addition requires relief in that neighborhood. The hardship is not the result of prior action of the applicant. They didn't place the home there; they purchased it after it was built. The granting of the requested dimensional variance will not alter the general characteristics of the surrounding area or impair the intent or purpose of the zoning ordinance or the Comprehensive Plan of the Town of Bristol. It's establishing additional residential use, which is certainly allowed in that residential zone. And this Board has allowed similar relief for several other properties in that area recently for similar requests. That the hardship that would be suffer by the owner of the subject property, if the dimensional variance is not granted, would amount to more than a mere inconvenience. They will not have adequate room and protection from the environment to enjoy the outside living space. For those reasons, I move that we approve this application.

DOUGLAS and PATRICIA GABLINSKE — **6 Knowlton Ct. : R-10**
Pl. 103, Lot 14

Dimensional Variances to construct a 16' x 30' pool house/cabana addition to an existing 22.2' x 22.2' accessory garage structure with less than the required front yard; and at a size greater than permitted for accessory structures in the R-10 zoning.

Mr. Douglas Gablinski presented the Petition to the Board and reviewed in detail the summary that was submitted with his application. The cabana will be attached to the east side of the garage structure.

Project Overview: The applicant proposed attaching a 16' x 30' pool cabana to an existing 22' x 22' accessory garage on a 2.71-acre lot with wetlands and expanded 75' buffers. Variances were requested for the front yard setback (up to 7' of relief) and for exceeding the permitted size for an accessory structure.

The Board noted two letters of support from abutting property owners at 5 Knowlton Court and 3 Knowlton Court, which had been submitted with the application. The Board also received one letter in opposition from Bristol Woods, which doesn't give a reason.

No one present spoke in favor or against the Petition.

Discussion: The board acknowledged site constraints, including the lot's L-shape, wetlands, and the front yard's orientation to a cul-de-sac.

Conclusion:

XXXXXX

MR. BRUM: I'll make a motion that we approve ZBR-26-37, we have found that the property has unique characteristics that distinguish it from a typical R-10 lot. The property is irregular shaped, L-shaped, and it has wetlands. The configuration in relation to the street results in an unusual zoning front yard condition. It should be noted that the property also, previously, had a Hope Street address and was subdivided by a previous owner and not by the applicant. The physical characteristics of the property itself are not the result of any action of the applicant and creates the need for relief in this case. And the relief that would be provided would be 7 feet of relief from the front yard setback for the construction of a 16' x 30' pool house addition to an existing 22' x 22' accessory structure; at greater than the permitted accessory structure for R-10 zoning. As stated previously, the lot is unique and given its zoning designation, it is probably one of the larger R-10 lots within the town. We find that the proposed accessory improvement is consistent with the residential character of the surrounding area. It will not alter the general characteristics of the neighborhood. Nor will it impair the intent or purpose of the zoning ordinance or the Comprehensive Plan of the Town of Bristol. Denial would be more than a mere inconvenience. And for those reasons, I so move.

8. ZBR-26-38
PAUL J. and MARYANN SALESI — **66 Collins St.: R-6**
Pl. 26, Lot 72

Dimensional Variance to construct a 20' x 41' accessory dwelling unit (ADU) addition to an existing 20' x 24' accessory garage structure at a size greater than permitted for accessory structures in the R-6 zoning district.

Mr. Paul Salesi, 249 Hope Street, unit 3, Bristol, presented the Petition to the Board. The ADU will be his and his wife's home and will be built on his niece's property, which has been in his wife's family for over 65 years ago. He addressed opposition from neighbors from 59 and 61 Garfield Ct., in regard to flooding issues in a letter submitted to the Board with the application.

Project Overview: The applicants sought to construct an 820 sq ft, single-story, one bedroom, one bathroom ADA-compliant Accessory Dwelling Unit (ADU) for aging-in-place, attached to an existing two-car garage, which will enable direct access from the garage into the ADU. The total length would be 65 feet. The applicants are relatives of the owner-occupant. The Board reviewed the plans in detail.

Mr. Stephen Scolamiero, 65 Collins St. spoke in favor. He is an engineer and did review the plans and feels that the plans really do blend into the area and does not take away from the surrounding area.

Mr. Nick Stefano 646 Wood street spoke in favor. After hearing the facts presented, he wanted to speak up for a fellow Bristolian and hopes he gets what he needs.

The Board noted the two letters of opposition that are in the packet.

No one spoke against the Petition.

Discussion: Board members expressed discomfort with the 65-foot length, though the builder cited winter conditions and wheelchair access needs for the attached design. It was noted that attaching the ADU to the main house could trigger different setback requirements. Opposition letters cited drainage concerns, which the board clarified fall under the building department's jurisdiction. The hardship was tied to disability accommodation needs. Both Mr. Marks and Mr. Tanner confirmed that it does fall under the ADA requirements; it's an owner-occupied home with a disabled family member, which means they do not have to have 20,000 square feet to qualify.

Conclusion:

XXXXXX

MR. BURKE: Mr. Chairman, I'll make a motion that we approve file ZBR-26-38 for Paul and MaryAnn Salesi at 66 Collins Street to construct a 20' x 41' accessory dwelling unit, which will be attached to an existing 20' x 24' accessory structure, resulting in a total building length of 65 feet. The applicant has demonstrated that they are allowed to construct an accessory structure. The property is currently owned by a niece of the applicant and it is owner-occupied. So, they meet the requirements for an ADU on a lot that is less than 20,000 square feet. The hardship from which the applicant seeks relief is due to the unique characteristics of the subject land or structure and not to the general characteristics of the surrounding area, and not due to an economic disability of the applicant.

The applicant and subsequent testimony indicate that this structure will be used as a single-level living area for the relatives of the owner of the property. The hardship is not the result of prior action of the applicant. They merely are establishing the ability to construct and ADU on this subject property. The granting of the requested dimensional variance will not alter the general characteristics of the surrounding area or impair the intent or purpose of the zoning ordinance or the Comprehensive Plan of the Town of Bristol. State Law and the Comprehensive plan and our ordinance allows for an ADU under the current circumstances presented by the applicant. That the hardship that will be suffered by the owner of the subject property, if the dimensional variance is not granted, would amount to more than a mere inconvenience. There will not be a seamless ability to park their vehicles and move into their living area without exposure to the elements. We also heard testimony that there is an abutting property almost completely on the property line, there is a building that is equal or exceeds the proposed structure in size. So once again, it will not change the characteristics of the neighborhood. For all those reasons, I move that we approve this application.

Pl. 44, Lot 85

Dimensional Variance to install approximately 40 linear feet of 8'-high cedar stockade fence along a portion of the rear property line.

Mr. Andrew Mulvey presented the Petition to the Board. He explained in detail the unique grade difference, which necessitates the need to install the 8-foot fencing, which will protect his young child from running through the yards and onto Metacom Avenue, in addition to privacy for his family.

Project Overview: The applicant requested a 2 ft height variance to install 40 linear feet of an 8-foot-high fence, where 6 feet is standard. The extra height was needed for privacy due to the higher elevation of the neighboring rental property.

No one spoke in favor or against the Petition.

Discussion: The neighbor had no objections. The hardship was deemed valid due to the unique grade difference, which would make a 6-foot fence effectively shorter from the neighbor's perspective.

Conclusion:

XXXXXX

MR. BURKE: Mr. Chairman, I'm going to make a motion that we approve file ZBR-26-41, Andrew Mulvey, 6 Ansonia Avenue to install a 40 linear feet of 8-foot high cedar stockade fence along the easterly property line, which is a third of the length of his property. The ordinance allows up to a 6-foot fence;

so, the relief granted is for the additional two feet. The hardship that from which the applicant seeks relief is due to the unique characteristics of the subject land, and not to the general characteristics of the surrounding area and not due to an economic disability of the applicant. We heard testimony and we have on file photographs that show the differential in grade between the easterly property and the applicant's, which a 6-foot fence, we heard testimony, would effectively result in a 4-foot fence when viewed over from the neighboring property. The hardship is not the result or prior action of the applicant. The topography differences existed when he purchased the property. The granting of the requested dimensional variance will not alter the general characteristics of the surrounding area or impair the intent or purpose of the zoning ordinance or the Comprehensive Plan of the Town of Bristol. Fences are allowed, it's a minimal two-foot relief that's required because of the difference in grade and for privacy and safety for a young child. That the hardship that will be suffered, if the dimensional variance is not granted, will amount to more than a mere inconvenience; it actually would represent a safety issue. JOHN J. BARKER, JR. **48 Cliff Dr.: R-10**
Pl. 62, Lot 73

Dimensional Variance to convert an existing accessory garage structure into a two-bedroom accessory dwelling unit (ADU) at a size greater than permitted relative to the size of the existing principal residential structure.

Mr. John J. Barker, Jr., 168 High Street, applicant, presented the Petition to the Board. Mr. Barker confirmed that he does not reside at 48 Cliff Drive, it is presently a rental property. This ADU would utilize the total area of the garage, both first and second floors. The ADU would also become a rental and would stay within the footprint of the existing garage.

The Board reviewed the requirements of ADU, per the legislation and noted that this ADU would be 200 square feet larger than what is allowed by right at 60% of the principal dwelling unit.

Mr. Tanner noted that this variance is different; it's not the size of the structure, the existing garage is staying the same in this proposal; it would just be renovated on the inside. The variance is for the size of the ADU, relative to the size of the main house, which is a one-story ranch. If it was a two-story house, they wouldn't require a variance. The ADU meets the limit, in that it's not larger than 1,200 square feet; but it is more than the 60%.

Mr. Burke noted that if the proposal was denied, the applicant could still have a second unit 600 square feet; 200 square feet less than the proposed application.

Project Overview: The owner requested a dimensional variance to convert an existing 800 sq ft, two-story garage into a two-bedroom ADU. The ordinance limits ADU size to 60% of the primary residence (600 sq ft), so a 200 sq ft variance was requested. The owner intended to rent both the main house and the ADU.

No one spoke in favor or against the Petition.

The Board reviewed the plans in detail with the applicant. Mr. Barker stated that the ADU is going to happen, whether he is able to utilize the second story for living space or just storage space.

Discussion: The board expressed concern about setting a precedent with two rental units on a single lot and questioned the hardship claim, noting that a compliant 600 sq ft ADU could be built without a variance. The hardship was described as economic and self-created, as the owner does not reside at the property.

Conclusion:

XXXXXX

MR. DUARTE: I'll make a motion to deny the dimensional variance ZBR-26-42, John J. Baker, Jr. Based on all the evidence presented to the Board of Review and the Board's knowledge and personal inspection of the area, we hereby find that the hardship from which the applicant seeks relief is not due to the unique characteristics of the subject land or structure or the general characteristics of the surrounding area. Therefore, it is due to an economic disability of the applicant, because, once again, the variance of a 20% increase in creating another rental unit in a residential area of single-family homes and knowledge of the variances that the Town of Bristol have been going forth and laws do apply. That the hardship is the result from prior action of the applicant, because the applicant is aware of, again, the restrictions from the variance perspective. And the surrounding areas of the actual property on Cliff Drive. That the granting of the requested

dimensional variance will alter the general characteristics of the surrounding area or will impair the intent or purpose of the zoning ordinance or the Comprehensive Plan of the Town of Bristol. Because, once again, he'll be creating two rental units in a residential area, with a variance of 20% greater than what is required. That the hardship that will be suffered by the owner of the subject property, if the dimensional variance is not granted, will not amount to more than a mere inconvenience. Meaning that the relief sought for minimal and reasonable enjoyment of the use to which the property is proposed and be devoted. Again, there is no hardship that was really presented from an evidence perspective. The owner does not live in the main property there and or is seeking to get granted a variance for any other specific reason for a member of his family, and/or any other hardship that was not presented. Therefore, I move that the applicant's request for dimensional variance be denied.

13. ZBR-26-43
KATHLEEN KEATING & JOHN OLIVER
35 Burton St.: R-6
Pl. 15, Lot 73

Dimensional Variance to construct an approximate 18' x 19' accessory shed and bedroom structure within the footprint of a previously existing accessory shed structure, with less than the required right-side yard.

Attorney Joshua Slepkow presented the Petition to the Board on behalf of the applicants. He reviewed the request that has been approved by Historic District Commission and the Town signed off on the structure and a building permit was issued in May and work started over the summer.

The applicants sought a dimensional variance to rebuild an accessory shed/bedroom structure. The shed's east wall is on the property line and has historical non-conforming status. After a previous denial for a full demolition, the applicants obtained a permit to preserve the non-conforming wall while expanding outside the setback. However, foundation issues led to a near-total demolition and a stop-work order. All work has stopped at the site, other than securing the large open pit in the back yard. This request is for the same building and same location that was approved in May.

Mr. Slepkow asked that the Board take a good look at the evidence and determine if the shed has been demolished; if not he would ask that his clients be permitted to proceed with the building that has been there for many years, with an addition that complies within the zoning setback.

Mr. Slepkow reviewed the zoning ordinance sections in detail with the Board in regard to what determines demolition, standards for dimensional variance, and the circumstances of the

actual site conditions. The Board also spoke extensively on what they observed on the site upon reviewing it.

Mr. Marks stated that he would advise whether or not a demolition has taken place is not properly before the Zoning Board. There has been no appeal of the determination that there was a demolition. This entire application is for a variance. He advised the Board to avoid the issue of whether or not a demolition has taken place. This application says that the condition is now closer to a full demolition, and he assumed that the applicants wrote it. However, the Board should just focus on the variance, not go down a rabbit hole on whether a variance is required or not; just take the variance on its own merits without getting into the demolition.

Mr. Tanner stated he agreed that the building is gone and he made the determination that the building was demolished; so, they can either building something that complies and not be before the Board. They're choosing to come back to the Board and try to explain what happened and try to get their plan that they thought might work approved. From a zoning perspective, it's a clean slate.

Mr. Slepkow added that if the Board is not going to make a determination about whether a demolition occurred, he did feel that the testimony from the architecture and the contractor about what length went into to preserve the structure and attempt to comply with the Town's ordinances, because that does matter.

Mr. Dean Nadalin, 9 Church Street, President of Charles Millard, Inc., contractor explained in detail the site conditions and the existing shed that was on the site for well over a hundred years. He explained in detail what they tried to accomplish to comply with the 6-foot requirement for a determination of non-demolition of a structure.

Ms. Melissa Hutchinson, Architect, explained that she has been the architect since the project started and explained in detail that after doing some exploratory digging, they found that the existing foundation was not to code for the proposed construction. She also explained in detail the proposed location that is now proposed for the construction of the new shed.

The Board reviewed the plans in detail with Ms. Hutchinson. Mr. Tanner confirmed Mr. Burke's statement that the plan was to keep what was there and to rebuild, to keep what was in the setback, was to keep the structure that was in the setback and the balance of the shed outside of the setback. The shed was to have a pitched roof and that was going to stay until you got to the 6-foot line and then the roof pitch would go up higher. Mr. Tanner stated that he certainly felt there was some responsibility on his part for the confusion. After the denial he did go to the property owner and tried to come up with a solution. At that time, he felt that from previous applications the dormers on a garage addition, but as long as the new work was outside of the 6-foot setback, there was no variance needed. Obviously, this application is much different from that in hindsight, because nearly the entire building had to come down and should have realized it wasn't going to work and not issued the permit. They thought they had a plan that would work and he and the building inspector approved the building permit and it didn't work. He plans on working with the solicitor to work on the section of the ordinance dealing with demolition in the future.

Ms. Kathleen Keating, 35 Burton Street stated that they weren't trying to circumvent the law, they were trying to work within the law. They were very disappointed last September 2025 when their application was denied. In hindsight, she wished she had accepted the Board's kind offer of the 3-foot variance. She wasn't clear on how the procedures worked and they ended up losing what they had. She explained in detail what was suggested and what they did to make the

project work and save the original building. They have secured the area around the large pit in the back yard and hope to move forward with the project. There doesn't seem to be a clear determination of what demolition is. She explained in detail what was done to preserve as much of the building as possible. And again, explained that the backyard neighbor utilizes the shed as protection from her dog leaving the yard.

Discussion: The debate centered on whether the structure was "demolished," which would void its grandfathered status. The applicant's contractor and architect detailed efforts to preserve a portion of the wall. The abutter testified in support. The applicant, facing an unsafe pit in her yard, expressed willingness to accept a compromise of a three-foot setback, which was offered during the previous year's hearing. A board member admitted confusion in the permit issuance process and noted a need to formally define "demolition" in the town code.

Conclusion:

XXXXXX

MR. BURKE: Mr. Chairman, I'll make a motion that we approve ZBR-26-43, Kathleen Keating and John Oliver, 35 Burton Street to construct an approximately 18' x 19' accessory shed with a 3-foot variance, so the easterly quarter of the shed will be 3 feet from the existing property line, the existing easterly property line. And that motion applies to the plan as presented at the September 2025 review. The hardship from which the applicant seeks relief is due to the unique characteristics of the subject land or structure and not to the general characteristics of the surrounding area. We heard testimony that there are constraints based on the existing dwelling unit and the width of the yard to prevent compliance with the full 6-foot setback.

The hardship is not the result of prior action of the applicant. They merely wish to expand the shed and put living quarters on the second level. The granting of the requested dimensional variance will not alter the general characteristics of the surrounding area or impair the intent or purpose of the zoning ordinance or the Comprehensive Plan of the Town of Bristol. The three feet will be adequate for maintenance and separation from abutting property. The hardship that will be suffered by the owner of the subject property, if the dimensional variance is not granted, would be more than a mere inconvenience; requiring the full 6-foot setback is not possible given the proximity to the dwelling unit and the width of the yard. I so move.

15. ZBR-26-45
DOUGLAS KLEIN **3 Old Orchard Farm Rd.: R-10**
Pl. 100, Lot 131

Dimensional Variances to construct a 26' x 36' two-story accessory dwelling unit (ADU) structure at a height of 25 feet above grade and with a 6' x 26' front porch, at an overall size and height greater than permitted for accessory structures, and with less than the required front yard in the R-10 zone.

Mr. Douglas Klein, applicant, presented the petition to the Board and reviewed in detail both the history of the subject property and the proposed plans.

Project Overview: The applicant proposed a 26' x 36', two-story accessory garage dwelling unit (ADU) for his daughter's family on a 1.6-acre lot. The proposal required variances for size (exceeding 22'x24'), height (25' proposed vs. 20' limit), and a front yard setback.

Mr. Daniel Cordeiro, abutting property owner, spoke against the petition. He's been a contractor for over 50 years and in all those years he's never come before the town for any kind of variance. What Mr. Klein is proposing is a house, it's not an ADU. Mr. Klein stated that the trees between their property are 40 feet, they are not, they're arborvitae trees; so, the proposed second floor window will be looking right into his living room, being so close. He feels that there is so much property that there are other options. Put it in a different area where it won't interfere with the wetland that is at 75, not 50; it's 75 plus 5, so it's really 80 feet. The frontage was made for Mr. Klein's house, and the previous owner told him they made the road like that, so there would be no access to Old Orchard Farm Road. He then developed Liberty Lane, where he lives. There was a letter that asked for other variances, which he reviewed in detail. And the ordinance 28-142 states no building should be placed in the front yard. And the front porch

would be in the front yard. He feels there is no hardship involved. He also stated that the mailing list didn't seem complete to him.

Mr. David Vermilyea, 1 Liberty Lane, stated that his concerns had been discussed, the trees, what is considered side yard, back yard, side yard. And asked if the ADU is not allowed to be rented out at any point. Mr. Marks stated they are not allowed to be short-term rentals but can have long-term rentals. Mr. Vermilyea stated that then so in ten years or such it can be rented for whatever reason. If that's the case, he doesn't particularly care about it. It just seems there are a lot of ADU's going up and should be a huge concern for the Zoning Board.

Discussion: The applicant stated he did not wish to subdivide the lot, which lacked sufficient frontage to do so anyway. A discrepancy arose regarding the wetland's setback (50 ft on plans vs. a neighbor's claim of 75-80 ft). A neighboring contractor objected, arguing the structure was a full-sized house that would impact his privacy and that the hardship claim was weak given the multiple variances requested. The applicant clarified that DEM had reviewed wetland concerns. The board discussed the fact that they denied similar application about 60%; however, the Board did acknowledge the larger size of this parcel, approximately 1.5 acres.

Conclusion:

XXXXXX

MR. DUARTE: I'll make a motion to grant the dimensional variance for application ZBR-26-45, Douglas Klein, 3 Old Orchard Farm Road, Bristol, RI. The hardship from which the applicant seeks relief is due to the unique characteristics of the subject land or structure and not to the general characteristics of the surrounding area and not due to the economic disability of the applicant. Because, once again, the actual structure on the

land itself is kind of non-conforming in a nature, on which its structured on the property. Also, the requirement from a setback for DEM with the wetlands is an actual sub-category and not wetlands in its entirety. The hardship is not the result of prior action on the part of the applicant, because the applicant bought that house and developed land as is. That the granting of the requested dimensional variance will not alter the general characteristics of the surrounding area or impact the intent or purpose of the zoning ordinance or the Comprehensive Plan of the Town of Bristol, because the actual ADU that's going to be constructed fits in with the surrounding properties and does fit well with the surrounding neighborhood. The hardship that will be suffered by the owner of the subject property, if the dimensional variance is not granted, would amount to more than a mere inconvenience, being that the relief sought is minimal to reasonable enjoyment of the permitted use of which the property is proposed to be devoted. Because, again, he's sitting on 1.5 acres of land, the property will be occupied by Mr. and Mrs. Klein, where his daughter and husband will be moving into the current house that they live in, hopefully sooner rather than later. So, therefore, I move that this dimensional variance be granted.

MR. BURKE: Before we vote, we brought up earlier that there may be a front yard setback issue. So, we either need to do a finding, I think, that there is not one, or we need to also grant a front yard dimensional variance. My

preference would be that we agree on what that number is. Can you tell us Mr. Tanner.

MR. TANNER: Yes, I think its about 12 feet.

MR. BURKE: So we should add a front yard variance.

MR. DUARTE: We also would grant him a front yard variance through this motion.

MR. BURKE: I'll second.

16. ZBR-26-46
JOSEPH A. MOTTA **635A Wood St.: R-10**
Pl. 6, Lot 25

Dimensional Variances to construct second and third floor additions to an existing 26' x 32' single-family dwelling with less than the required front yard and with less than the required left side yard.

Mr. Joseph Motta presented the petition to the Board. He explained that he has two small children and one on the way and needs more room for his growing family. He reviewed the plans as proposed. He will stay within the existing footprint, only going up and squaring off the second floor.

Project Overview: The applicant requested dimensional variances to construct second and third-floor additions above the existing footprint to accommodate a growing family, without expanding the nonconforming setbacks. Relief was needed for the front yard (3.5 ft) and left side yard (3.5 ft).

The Board reviewed the petition in detail. No one spoke in favor or against the petition.

Conclusion:

XXXXXX

MR. BURKE: Mr. Chairman, I'll make a motion to approve file ZBR-26-46, Joseph A. Motta, 635A Wood Street, to construct second and third floor additions to an existing 26' x 32' single-family dwelling, with less than the required front yard and less than the required left side yard. This is a non-conforming lot of record and because of that it has reduced setbacks. In the case of the front yard, the requirement is 15; the current structure sits 11.5 feet from the property line; so, 3.5 feet of relief. And on the left, on the southerly

property line, the requirement is 7.5, due to the reduced setback; and the current structure sits 4 feet from the property line, 3.5 in that dimensional also. The hardship from which the applicant seeks relief is due to the unique characteristics of the land and structure. The placement of the current single-family home is the same as what we're granting for relief for the addition. The footprint will not be expanded and the setbacks will not be diminished by the proposed construction. The hardship is not the result of prior action of the applicant. We heard testimony that he has a growing family, and the expansion is certainly necessary based on his description of what's happening. That the granting of the requested dimensional variance will not alter the general characteristics of the surrounding area or impair the intent or purpose of the zoning ordinance or the Comprehensive Plan of the Town of Bristol. This is actually remaining a single-family home and it is actually pretty unique because of its small size, compared to neighboring properties. The hardship that will be suffered by the owner of the subject property, if the dimensional variance is not granted, will amount to more than a mere inconvenience. He actually would be unable to do any expansion on this house, since it is already non-conforming on a non-conforming lot. For all those reasons, I make a motion that we approve this application.

Presented to

Master Sergeant Manual Almeida
United States Army & Army National Guard (Ret.)

A valued citizen of the Town of Bristol, in proud recognition of this selection as Veteran of the Year 2026 by the Bristol County Elks Lodge No. 1860.

Master Sergeant Manual Almeida honorably served in the United States Army and Army National Guard from 1969 to 1995. A veteran of both the Vietnam War and the Gulf War, he answered his nation's call with dedication, courage, and a steadfast commitment to duty. His years of military service reflect the discipline, sacrifice, and resolve required of those who serve in defense of our country.

In making this presentation, the Honorable Town Administrator and Honorable Town Council of the Town of Bristol, State of Rhode Island, in accordance with the authority vested in them by the citizens of Bristol, and on behalf of all Bristolians, extend their sincere congratulations to Master Sergeant Almeida on being named Elks Veteran of the Year 2026, and express their gratitude for his distinguished military service and his contribution to our community and our nation.

In witness whereof, we have hereunto set our hands and affixed the Seal of the Town of Bristol on this 9th day of November, 2026.

Sergeant William Francis

United States Marine Corps

A valued citizen of the Town of Bristol, in proud recognition of this selection as Veteran of the Year 2026 by the Bristol County Elks Lodge No. 1860.

Sergeant William Francis honorably served in the United States Marine Corps from 2015 to 2022. His service reflects a commitment to duty, discipline, and the values upheld by those who wear the uniform of our nation. Through his willingness to serve, he contributed to the proud tradition of Marines who stand ready to defend our country.

In making this presentation, the Honorable Town Administrator and Honorable Town Council of the Town of Bristol, State of Rhode Island, in accordance with the authority vested in them by the citizens of Bristol, and on behalf of all Bristolians, extend their sincere congratulations to Sergeant Francis on being named Elks Veteran of the Year 2026, and express their gratitude for his military service and his contribution to our community and our nation.

Re: Goglia's Market 7UP Sign

Dear Victor:

On behalf of the Town of Bristol, I want to express my sincere appreciation for your generosity in agreeing to loan the iconic Goglia's Market 7UP sign to the Town for display inside the Bristol Maritime Center.

For more than 60 years, this sign has been a familiar and recognizable landmark at the market on Wood Street. Generations of Bristol residents have grown up seeing it, and it holds a special place in the memories and history of our community. Its display at the Maritime Center will allow residents and visitors alike to appreciate and enjoy a piece of Bristol's history for years to come.

I want to formally acknowledge that the sign remains your property and that you may request its return at any time. Furthermore, should the Town decide at any point that it will no longer display the sign, it will be returned to your nephew, Bruce Goglia, of Bristol, Rhode Island.

Thank you again for your generosity and for helping the Town preserve an important piece of Bristol's history. Your willingness to share this treasured landmark with the community is sincerely appreciated.

Sincerely,

Steven Contente, Town Administrator
