## **AGREEMENT**

Individual projects may be delineated via a specific proposal in accordance with the terms and conditions set forth in this Agreement. BVNA agrees to furnish services in conformity with the terms hereof and the following documents which are incorporated by reference and made a part hereof. No subsequent amendment to this Agreement shall be binding on either BVNA or Client unless reduced to writing and signed by an authorized Representative of BVNA and Client. Any pre-printed forms including, but not limited to: purchase orders, shipping instructions, or sales acknowledgment forms of either party containing terms or conditions at variance with or in addition to those set forth herein shall not in any event be deemed to modify or vary the terms of this Agreement.

Fees may be adjusted annually.

Further, if the invoice is not paid within such period, BVNA may, at any time, and without waiving any other rights or claims against Client and without thereby incurring any liability to Client, elect to terminate performance of services immediately following written notice from BVNA to Client. Notwithstanding any such termination of services, Client shall pay BVNA for all services rendered by BVNA up to the date of termination of services plus all interest, termination costs and expenses incurred by BVNA. Client shall reimburse BVNA for all costs and expenses of collection, including reasonable attorney's fees. No action, statements, or communications of BVNA, or BVNA's site representative, can be construed as modifying any agreement between Client and others. BVNA's presence on the Project site in no way guarantees the completion or quality of the performance of the work of any party retained by Client to provide construction related services. Neither the professional activities of BVNA, nor the presence of BVNA or its employees, representatives, or subcontractors on the Project Site, shall be construed to impose upon BVNA any responsibility for methods of work performance, superintendence, sequencing of construction, or safety conditions at the Project site. Client acknowledges that Client or its general contractor is solely responsible for job site safety, and warrants and agrees that such responsibility shall be made evident in any Project owner's agreement with the general contractor. Client also agrees to make BVNA an additional insured under any general contractor's General Liability insurance policy. In the event BVNA expressly assumes any health and

safety responsibilities for hazardous materials or other items specified in this Agreement, the acceptance of such responsibility does not and shall not be deemed an acceptance of responsibility for any other health and safety requirements, such as, but not limited to, those relating to excavation, trenching, drilling or backfilling.

- **8. Ownership of Documents:** All plans, studies, documents and other writings prepared by BVNA, its officers, employees and agents and subcontractors in the course of implementing this Agreement shall remain the property of BVNA. The Client acknowledges that all intellectual property rights related to the performance of the Agreement, including but not limited to the names, service marks, trademarks, inventions, logos and copyrights of BVNA and its affiliates, (collectively, the "**Rights**") are and shall remain the sole property of BVNA or its affiliates and shall not be used by the Client, except solely to the extent that the Client obtains the prior written approval of BVNA and then only in the manner prescribed by BVNA. If BVNA terminates the Agreement in accordance with the provisions of Article 29 below, any such license granted by BVNA to the Client shall automatically terminate.
- **9. Use of Data or Services:** BVNA shall not be responsible for any loss, liability, damage, expense or cost arising from any use of BVNA's analyses, reports, certifications, advice or reliance upon BVNA's services, which is contrary to, or inconsistent with, or beyond the provisions and purposes set forth therein or included in these Terms and Conditions, or in the Companion Documents. Client understands and agrees that BVNA's analyses, reports, certifications and services shall be used solely by the Client, and only Client is allowed to rely on such work product. If a third party relies on the services, analyses, reports or certifications without BVNA's written permission, then Client agrees to defend and indemnify BVNA from any claims or actions that are brought as a result of such reliance, to the extent allowed by Texas law.
- **10. Independent Contractor:** It is understood that BVNA, in the performance of the work and services agreed to be performed, shall act as and be an independent contractor and shall not act as an agent or employee of the Client. BVNA shall obtain no rights to retirement benefits or other benefits which accrue to Client's employees, and BVNA hereby expressly waives any claim it may have to any such rights.
- 11. Standard of Care: BVNA REPRESENTS THAT THE SERVICES, FINDINGS, RECOMMENDATIONS AND/OR ADVICE PROVIDED TO CLIENT WILL BE PREPARED, PERFORMED, AND RENDERED IN ACCORDANCE WITH PROCEDURES, PROTOCOLS AND PRACTICES ORDINARILY EXERCISED BY PROFESSIONALS IN BVNA'S PROFESSION FOR USE IN SIMILAR ASSIGNMENTS AND PREPARED UNDER SIMILAR CONDITIONS AT THE SAME TIME AND LOCALITY. To the extent allowed by Texas law, Client shall defend, indemnify and hold harmless BVNA, its employees, directors, officers, and agents, from and against claims, losses, liabilities, and reasonable costs and expenses (including reasonable attorney's fees) that are: i) related to, or caused by the negligence or willful misconduct of Client, its employees, or agents; ii) related to this Agreement or the work to be performed by BVNA for which BVNA is not expressly responsible; or iii) the expressed responsibility of the Client under this Agreement.

- 24. Confidential Information: Neither party shall disclose information identified as confidential to anyone except those individuals who need such information to perform the Services; nor should either party use such confidential information, except in connection with the Work, the performance of the Services or as authorized by the other party in writing. Regardless of the term of this Agreement, each party shall be bound by this obligation until such time as the confidential information shall become part of the public domain. Confidential information shall not include information which is either: (i) known to the public; (ii) was known to the receiving party prior to its disclosure; or (iii) received in good faith from a third party. If either party is required to produce information by valid subpoena or Court order, parties agree to first provide prompt notice to other party in order to allow the party to seek a protective order or other appropriate remedy. This shall not prevent either party from disclosing information to the extent reasonably necessary to substantiate a claim or defense in any adjudicatory proceeding. Client agrees that BVNA shall be permitted to use Client's name and logos in BVNA's marketing materials unless advised or prohibited against it by the Client in writing. The technical and pricing information contained in any proposal or other documents submitted to the Client by BVNA shall be considered confidential and proprietary and shall not be released or disclosed to a third party without BVNA's written consent. The terms of this Article 25 are subject to the Client's legal obligations as a governmental entity under the Texas Public Information Act, Chapter 552 of the Texas Government Code.
- **25. Assignment:** Neither party may assign this Agreement or any right or obligation hereunder without the prior written consent of the other party, which shall not be unreasonably withheld or delayed; provided, however, that no consent shall be necessary in the event of an assignment to a successor entity resulting from a merger, acquisition or consolidation by either party or an assignment to an Affiliate of either party if such successor or Affiliate assumes all obligations under this Agreement. Any attempted assignment, which requires consent hereunder, shall be void and shall constitute a material breach of this Agreement if such consent is not obtained.

## 26. Non-Solicitation/Hiring of Employees:

- (a) To promote an optimum working relationship, the Client agrees in good faith that for the term of this Agreement and one year after the completion or termination of the Agreement not to directly or indirectly employ or otherwise engage any current employee of BVNA or any former employee of BVNA who left the employ of BVNA within the six (6) months prior to and including the date of the execution of the Agreement. The loss of any such employee would involve considerable financial loss of an amount that could not be readily established by BVNA. Therefore, in the event that Client should breach this provision, such matter shall be resolved in accordance with the terms of Article 16, Resolution of Disputes.
- (b) BVNA's employees shall not be retained as expert witnesses except by separate written agreement. Client agrees to pay BVNA's legal expenses, administrative costs and fees pursuant to BVNA's then current fee schedule for BVNA to respond to any subpoena, to the extent allowed by Texas law.
- 27. Prevailing Wage: This Agreement and any proposals hereunder specifically exclude compliance with any project labor agreement or other union or apprenticeship requirements. In addition, unless explicitly agreed to in the body of the proposal, this Agreement and any proposals hereunder specifically exclude compliance with any State or Federal prevailing wage law or associated requirements, including the Davis Bacon Act. Due to the professional nature of its services BVNA is generally exempt from the Davis Bacon Act and other prevailing wage schemes. It is agreed that no applicable prevailing wage classification or wage rate has been provided to BVNA, and that all wages and cost estimates contained herein are based solely upon standard, no-prevailing wage rates. Should it later be determined by the Client or any applicable agency that in fact prevailing wage applies, then it is agreed that the contract value of this agreement shall be equitably adjusted to account for such changed circumstance. These exclusions shall survive the completion of the project and shall be merged into any subsequently executed documents between the

parties, regardless of the terms of such agreement. To the extent allowed by Texas law, Client will reimburse, defend, indemnify and hold harmless BVNA from any liability resulting from a subsequent determination that prevailing wage regulations cover the Projects, including all costs, fines and reasonable attorney's fees.

- **28. Waiver:** No failure on the part of either party to exercise any right or remedy hereunder shall operate as a waiver of any other right or remedy that party may have hereunder.
- **29. Amendments:** This Agreement may be modified or amended only by a written document executed by both BVNA and Client.
- **30. Entire Agreement:** This Agreement constitutes the complete and exclusive statement of Agreement between the Client and BVNA. All prior written and oral communications, including correspondence, drafts, memoranda, and representations, are superseded in total by this Agreement.
- **31. Termination:** This Agreement may be terminated immediately for cause or by either party without cause upon fifteen (15) days written notice of termination. Upon termination, BVNA shall be entitled to compensation for services performed up to the effective date of termination.
- (a) Termination by Client: If the Client terminates this agreement without cause, the Client shall have two options concerning work and assignments that are in-progress. The Client shall select from: (1) Allowing BVNA the opportunity to complete all work and assignments in-progress that may be completed by another provider after the effective date of BVNA's termination; or (2) Providing BVNA with a complete and unconditional release from any and all liability and indemnification requirements regarding all work and assignments that remain in-progress upon BVNA's termination effective date. In the event that Client is silent on termination or does not make an affirmative selection, option (2) providing BVNA with a complete and unconditional release from any and all liability and indemnification requirements will be the default and active selection.
- (b) Termination by BVNA: If BVNA terminates without cause, BVNA will provide client with a thirty (30) day transition period from the notice of termination to allow Client sufficient time to secure a new Service Provider. During this transition period, BVNA and Client's responsibilities under this agreement will remain in full force and effect. At the end of the thirty (30) day transition period BVNA will cease all activities. In the event Client shall request BVNA to continue to provide any Services beyond the expiration of the transition period, including any extensions, then BVNA and Client may negotiate in good faith terms of any such extension, including the pricing of Services.
- **32. Interpretation of Agreement:** This Agreement shall be interpreted as though prepared by all parties and shall not be construed unfavorably against either party.
- **33. Severability of Agreement:** If any provision or provisions of this Agreement shall be held to be invalid, illegal, unenforceable or in conflict with the laws of any jurisdiction, the validity, legality and enforceability of the remaining provisions shall not in any way be effected and shall remain in full force and effect.
