# TRAFFIC AD HOC COMMITTEE COMMUNICATION

**DATE** May 22, 2023

**FROM:** Thad Chambers, Town Administrator

**AGENDA ITEM:** Discuss and consider recommendations to the Town Council regarding traffic safety measures and cost estimates.

**SUMMARY:**

A request has been received by a resident for consideration of additional stop signs to be located at Porter Road and Rockgate Road.

The Town Engineer has reviewed the location and made the following observations if stop signs are recommended by the committee:

- A “Stop Ahead” sign would be required traveling south on Porter Road approaching this intersection.
- The location of the driveway for Apple Equestrian may complicate the location of the stop sign coming north on Porter Road.

Additionally, staff noted the number of signs located in this area travelling north and some of those signs will need to be relocated to reduce visual noise. Staff would also recommend rumble strips as planned for previously recommended new stop locations.

The estimated cost to complete all work is \$2,720, and a budget amendment would be needed.
