Credit Card Processing Fee — Cost Shift to Clients

Expected Amilia Fee for Client	Current Rate*	Expected Rate*
Credit Card fee Visa MasterCard, Discover	2.5% + \$0.30	2.5% + \$0.30
Credit Card fee Amex	2.5% + \$0.30	3.5% + \$0.30

The proposed change is consistent with how credit card fees are assessed by Utility Customer Services, Municipal Court, and Development Services.

The City currently absorbs credit card processing fees charged by Amilia (Parks & Recreation point-of-sale platform), at a cost of approximately \$70,000-\$75,000 annually. Clients have not been charged these processing fees to date.

This proposal is to authorize a fee schedule change that passes credit card processing fees directly to clients at the point of transaction.

*Amilia fee structures are subject to change.

City Council Special Meeting

DEPARTMENT: Finance

FROM: Kevin Hennessey, Director of Finance

MEETING: August 10, 2026

SUBJECT:

Consider and take possible action on a resolution proposing a tax rate for the 2026 tax year with a record vote. (Staff Contact: Kevin Hennessey, Director of Finance)

STRATEGIC PRIORITY AND GOAL(S):

Strategic Priority	Strategic Goal
 High Performing City Organization Providing Exceptional, People Focused Services	1.4 Be a responsible steward of the city's financial resources by providing rates and fees that represent a strong value to our citizens; providing timely, accurate and transparent financial reporting; and utilizing long-range planning.

SUMMARY:

The purpose of the resolution is to have the City Council vote on the proposed tax rate so that City staff can comply with the notice requirements of Chapter 26 of the Texas Tax Code. Adoption of this resolution establishes the maximum property tax rate the City Council may consider during the remainder of the tax rate adoption process. The Council may ultimately adopt a lower tax rate but may not adopt a higher tax rate than the one proposed in this resolution without taking additional action as required by law.

Chapter 26 of the Texas Tax Code requires the City to give notice to the public before the City Council can adopt a tax rate. The law requires that the notice contain very specific content and information. The notice required under Chapter 26 gives the public important information on the proposed tax rate and adoption process. For example, the notice must list the proposed tax rate, the no-new-revenue tax rate, and the voter-approval tax rate, and it must define those terms. The notice must state the date and time of the meeting at which the tax rate will be discussed by the City Council. The notice must list a mathematical formula that a property owner can use to determine tax liability and must list historical tax rate information in table format. In addition to the other requirements, the notice required under Chapter 26 must also list

the names of each City Council member and show how each member voted on the proposed tax rate or indicate if a Council member was absent.

The resolution will set forth the proposed tax rate and list how each Councilmember voted on the proposed rate. The resolution will allow staff to gather the information necessary to give proper notice under Chapter 26.

RECOMMENDATION:

Staff recommends that the City Council approve, modify, or deny the resolution proposing a tax rate for the 2026 tax year.

Section 102.006 of the Texas Local Government Code requires that the City hold a public hearing on the proposed budget prior to its adoption by City Council. State law also requires that the City give specific notices to the public that publicize the public hearings or public meetings. The City must give the notices within specified periods prior to the public hearings or meetings. The minute order will set the tax rate and budget public hearings to occur during the regular City Council meeting scheduled for Tuesday, September 8, 2026.

Senate Bill 2 went into effect in 2020. One key focus of this bill was placing a 3.5% cap on the Maintenance and Operations No New Revenue Rate (M&O NNRR) without going to the voters for approval. On June 15, 2026, the City Council approved a resolution directing the City Manager to prepare a budget calendar for the orderly adoption of the property tax rate and annual budget for FY 2026-2027, assuming a property tax rate that does not exceed the voter-

approval rate. the Johnson County Tax Assessor's Office shall submit the City of Burleson's 2026 Tax Rate Calculation Worksheet (Comptrollers Form 50-856), to be reviewed by the Finance Department. This worksheet determines the following:

- **No New Revenue Rate (NNRR)** - total tax rate that would generate the same tax revenue from the same properties as the previous year
- **M&O NNRR** - M&O tax rate that would generate the same tax revenue from the previous year – General Fund
- **M&O Voter Approval Rate** - 3.5% of M&O NNRR
- **Debt Rate** - The debt service rate portion is the tax rate necessary to pay the taxing unit's debt payments in the coming year
- **Unused Increment Rate** - A taxing unit that did not use all its revenue growth may bank that unused growth as long as the taxing unit averaged below 3.5 percent of the voter-approval rate over three years
- **Voter Approval Rate (M&O Voter Approval Rate plus Debt Rate)** - NNRR times 1.035 plus the current Debt Tax Rate plus Unused Increment Rate

This presentation will cover the various rates calculated by the Johnson County Tax Assessor's Office.

RECOMMENDATION:

Staff recommends that the Council receive the report and provide any appropriate direction.
