**SUMMARY:**

The Retail Connection (TRC), also known as 2525 FTG – Tulsa, LLC., is under contract on property generally located at Wilshire Blvd and Summercrest Blvd. The property currently has three vacant businesses. TRC desires to redevelop the entire two-acre site to have two, new retail buildings. The new buildings will be the home of four new-to-market businesses; Fatburger, Cool Greens, Hawaiian Bros. and Athletico (physical therapy). In order for the site to be viable, considerable site improvements are needed. TRC will be required to raze and clean the site including environmental cleanup, improve drainage through site, and reengineer access with shared access. Staff believes these site improvements will greatly decrease flooding, traffic impacts and clean up the aesthetics of the Wilshire corridor.

TRC has requested \$850,000 in economic incentives to help accomplish the needed site improvements.

In order to receive the proposed incentives, TRC will be required to adhere to the following conditions:

- Complete a zoning application and file with the City by May 31, 2023

- Commence construction (i.e., obtain a building permit from the City and start rough grading) on the Development no later than September 30, 2024
- Substantially Complete construction of the Development no later than December 31, 2024
- Make a minimum Capital Investment of no less than Four Million Dollars (\$4,000,000.00) in the Property no later than December 31, 2024
- Recruit to the Development at least four (4) new-to-market retail, office, or restaurant tenants, with each of the four tenants receiving a certificate of occupancy in the Development no later than December 31, 2025
- TRC shall remain current and paid on all property taxes, subject to appeal rights in accordance with law and subject to a right to cure any delinquency as set forth herein

As performance measures are met, TRC would receive the following incentives:

- Upon Substantial Completion of the Development, the Incentive due to TRC shall be a reimbursement of TRC's expenses related to TRC's construction of the Site Improvements up to Four Hundred Twenty-Five Thousand Dollars (\$425,000.00)
- Upon receipt of a Certificate of Occupancy from four (4) new-to-market retail, office, or restaurant tenants in the Development, the Incentive due to TRC shall be a reimbursement of TRC's expenses related to TRC's construction of the Site Improvements up to Four Hundred Twenty-Five Thousand Dollars (\$425,000.00)

**SUBJECT:**

Consider approval of an Amendment to the Chapter 380 Economic Development and Performance Agreement between the City of Burleson, Burleson 4A Economic Development Corporation, Burleson Community Service Development Corporation, and AC Burleson, LLC for a family entertainment facility located at 1258 SW Alsbury Blvd. (*Staff Presenter: Alex Philips, Economic Development Director*)

**SUMMARY:**

The City Council, Burleson 4A Economic Development Corporation, and Burleson Community Service Development Corporation approved a Chapter 380 Economic Development and Performance Agreement on December 13, 2021, with AC Burleson, LLC.

Alley Cats is a family owned establishment with locations in Arlington and Hurst. The family has been in business since 1964 operating the Putt-Putt Golf and games in the region. They offer a multitude of offerings including bowling, arcade. Laser tag, batting cages, go-carts and so much more.

Alley Cats Entertainment will be relocating their corporate office to Burleson within the development that is being proposed at 1258 SW Alsbury Boulevard. The development will be approximately 50,000 square feet and will include bowling lanes as well as lanes that will be for corporate and other events, arcade, miniature golf, batting cages, go-carts and a meeting room with a seated capacity of 100 people.

The amendment to the agreement is being requested due to the requirements of their financing. The Small Business Administration requires the use of green energy in the form of solar to be 15% of the electricity for the development. Due to this requirement AC Burleson, LLC, had to redesign the roof and electrical to support the solar panels that will be within the development to get the approval needed.

They are asking that the following dates be adjusted by one year to August 1, 2024, for the completion of the development:

- Complete construction of the Development no later than August 1, 2023.
- Make a minimum Capital Investment of no less than \$10,000,000 Dollars in the property no later than August 1, 2023.
