

Animal Shelter Advisory Committee  
Agenda

Thursday, March 19, 2026  
5:30 PM

Municipal Service Center - 725  
SE John Jones Dr  
Burleson, TX 76028

1. **CALL TO ORDER**

2. **CITIZEN APPEARANCES**

Each person in attendance who desires to speak to the Committee on an item NOT posted on the agenda, shall speak during this section. A speaker card must be filled out and turned in to the City Secretary prior to addressing the Committee. Each speaker will be allowed three minutes to speak.

Each person in attendance who desires to speak on an item posted on the agenda shall speak when the item is called forward for consideration.

3. **GENERAL**

**A.** Consider approval of the minutes from the November 5, 2025, Animal Shelter Advisory Committee meeting. (*Staff Contact: Kim Peckler, Animal Services Manager*)

4. **REPORTS AND PRESENTATIONS**

**A.** Receive a report and discuss Animal Services' monthly reports for shelter operations from November 2025 to January 2026. (*Staff Contact: Kim Peckler, Animal Services Manager*)

**B.** Receive a report and discuss the Adoption Trailer update (*Staff Contact: Kim Peckler, Animal Services Manager*)

**C.** Receive a report and discuss the Migratory Bird Prevention Efforts (*Staff Contact: Kim Peckler, Animal Services Manager*)

**D.** Summary of Community Outreach (*Staff Contact: Kim Peckler, Manager of Animal Services*)

**E.** Summary of the fundraisers held for the Animal Shelter (*Staff Contact: Kim Peckler, Manager of Animal Services*)

5. **REQUESTS FOR FUTURE AGENDA ITEMS AND REPORTS**

6. **ADJOURN**

**CERTIFICATE**

I hereby certify that the above agenda was posted on this the **12th of March 2026, by 5:00 p.m.**, on the official bulletin board at the Burleson City Hall, 141 W. Renfro, Burleson, Texas.

Amanda Campos

City Secretary

**ACCESSIBILITY STATEMENT**

The Burleson City Hall is wheelchair accessible. The entry ramp is located in the front of the building, accessible from Warren St. Accessible parking spaces are also available in the Warren St. parking lot. Sign interpretative services for meetings must be made 48 hours in advance of the meeting. Call the A.D.A. Coordinator at 817-426-9600, or TDD 1-800-735-2989.

## ANIMAL SHELTER ADVISORY COMMITTEE

November 5, 2025

DRAFT MINUTES

Call to Order: 5:33 p.m.

### Board Members Present

Kim Peckler

DeAnna Phillips

Lisa Chick

Trina Argo

Ashlyn Albracht

### Board Members Absent

Heathor Barker

Liriane Davis

Brianna Wilson

Dena Hooley

1. **Call to Order:** 5:33 p.m.

2. **Citizen Appearances** – None

3. **General**

A. **Consider approval of the minutes from the July 17, 2025, Animal Shelter Advisory Committee meeting. (Staff Contact: Kim Peckler, Animal Services Manager)**

A motion was made by Lisa Chick and seconded by Trina Argo to approve the minutes as presented.

Motion passed unanimously.

4. **Reports and Presentations**

A. **Receive a report and discuss Animal Services' yearly reports for shelter operations from October 2024 to September 2025. (Staff Contact: Kim Peckler, Animal Services Manager)**

Staff reported on the shelter operation for October 2024 to September 2025.

B. **Receive a report and discuss the adoption trailer update. (Staff Contact: Kim Peckler, Animal Services Manager)**

The trailer is still in production by Renown Cargo Trailers.

C. **Receive a report and discuss the migratory bird prevention efforts. (Staff Contact: Kim Peckler, Animal Services Manager)**

Staff reported on the success of the 2025 deterrent methods and egret patrols that discouraged a rookery from being formed in the city limits. A community event in the Shady Oaks neighborhood in September to celebrate a season without rookeries and to help residents prepare to continue deterrence efforts for the next nesting season.

**D. Summary of animal services community outreach efforts. (Staff Contact: Kim Peckler, Animal Services Manager)**

Staff provided an update on outreach events attended by shelter staff, including career day presentations at the BRiCk's summer camp, the "Adoptable Pet of the Quarter" presentations at City Council meetings, Fall Yappy Hour, and the "Color with Clifford" event at the Library. Staff also visited the Burleson Police Department and Dispatch Center, participated in local assisted living visits, and hosted a luau party at Mustang Creek Estates.

**E. Summary of the fundraisers held for the Animal Shelter (Staff Contact: Kim Peckler, Animal Services Manager)**

Staff provided a summary of the animal shelter's recent fundraisers, including the 2026 calendars that are currently on sale and the Poorly Drawn Pets contest held during the summer.

**5. Community Announcements**

None

**6. Board Requests for future agenda items or reports**

None

**7. Adjourn**

Time – 5:55 p.m.

**Animal Shelter Advisory Committee**

**DEPARTMENT:** Animal Services  
**FROM:** Kim Peckler, Animal Services Manager  
**MEETING:** March 19, 2026

**SUBJECT:**

Receive a report and discuss Animal Services' monthly reports for shelter operations from November 2025 to January 2026. *(Staff Contact: Kim Peckler, Animal Services Manager)*

**SUMMARY:**

The statistical summary report for November 2025-January 2026 provides the following operational information:

Total Animals Handled	Animals Surrendered
Incoming Animals	Stray Animals
Adoptions	Animals Reclaimed
Written Warnings	Humane Euthanasia
Vaccinations	Shelter Visitors
Volunteer Hours	Outreach events

**OPTIONS:**

## Field Services

All Calls for Service are handled within 24 hours

The Animal Services division responds to approximately 2,000 calls for service each year. Trends usually show the numbers peaking during the warmest months and declining during the coldest.

## Actions Taken by Officers

Attempts to educate and mediate are the most common first step in resolution. When these techniques fail or are ignored, a written warning or citation could be issued. These methods help to reduce the

number of repeat offenders and animals impounded, and more effectively manage long-term pro  
 These actions are taken to enhance public safety and animal welfare.

### Intake Information

Burleson Animal Shelter intakes about 2,000 animals per year and averages about 165 animals per month. Below is the monthly intake data, broken down by species and intake type.

## Euthanasia Information

The chart below depicts the breakdown of euthanasia numbers by reason for the fiscal year.

## General Information

*Phone calls and visitors are depicted in the graph above. Phone calls typically increase with season changes and visitors tend to fluctuate on an unforeseen basis.*

## Adoptions

## Volunteers

*Volunteers perform a myriad of tasks at the shelter, from walking dogs to playing with puppies and kittens. It is beneficial for the animals to spend time outside their cages with one-on-one human contact. Socializing and daily exercise help reduce stress on the animals and also help make them more adoptable.*

## Animal Quarantine

*Animals that bite are subject to quarantine and are required to quarantine the animal for not less than ten days confinement from the date of the bite, at the owner's expense.*

## Community Outreach

*Community outreach enables us to go out and interact with the community to improve adoptions, improve communication with residents and animal services, and provide unique services to get the community involved.*

# ASAC

# Egrets

Animal Shelter Advisory Committee Meeting

March 19, 2026

# Photos from 2024

In the summer of 2024, an egret rookery was established in the Shady Oaks neighborhood. Since egrets are federally protected once nesting begins, neither the city nor the residents could remove them. The large number of birds in the rookery caused significant disruption, including excessive noise, unpleasant odors, and damage to trees and grass.

# Website

[www.burlesontx.com/egrets](http://www.burlesontx.com/egrets)

## Egrets

### Migratory Birds

Nesting birds, such as herons, egrets and other nesting waterbirds, bring challenges such as noise, odor and significant amounts of excrement that covers streets, sidewalks, cars and mailboxes on public and private property. People may find the birds' chosen nesting areas offensive and a nuisance when birds locate near their homes and businesses. Concerns of possible health hazards, as well as noise and odors are some of the most cited complaints.

However, these birds are protected under the [Migratory Bird Treaty Act of 1918](#), a U.S. federal law that protects more than 800 species of birds during their migration between the United States and Canada. As a result, the City of The Burleson is unable to address any complaints while the birds are nesting.

### Report an Egret Concern

Use this request to report any egret-related nuisance including nesting, droppings, or other concerns. Egrets are federally protected birds, and taking the appropriate steps at the right time of year can help deter them from nesting on your property.

### When should you report them?

Please report egrets only if you see them:

- Sitting in neighborhood trees
- Gathering in groups in residential areas
- Showing signs of staying in one location for extended periods

Seeing egrets **flying overhead** or in **parks and open spaces is normal** and does not need to be reported.

[Submit a Service Request](#)

Item C.

Hi help

# Flyers: Distributed to Homes

Item C.

## Egret GAME PLAN

You are receiving this flyer because an egret rookery has been established in your area in the past.

Egrets are migratory birds that can **create significant challenges in neighborhoods**. Once they begin nesting, they are **federally protected**, which means they cannot be disturbed. Because **they nest in large colonies, a single rookery can bring hundreds – sometimes thousands – of birds** into one area for several months.

**Rookeries can lead to:**

- Damage to trees and landscaping
- Strong odors and excessive noise
- Large amounts of waste
- Other quality-of-life impacts

Cattle Egret

### TRIM YOUR TREES!

Rookery sites can be made less attractive to birds by selectively cutting and pruning trees to open the stand 50-75 percent.

- The best time to trim your trees is December through February, before nesting season begins.
- Trim tree canopy to allow sunlight to shine between limbs and other trees.
- Team up with your neighbors when hiring a tree trimming service and ask for discount rates for group service.

Previous Rookery Established in Burleson

### DETERRENT MEASURE CHECKLIST

- Be on the lookout for "sentry" or "scout" birds, they are the first to arrive looking for nesting places.
- Check daily for birds and nesting material in your trees.
- Check for twigs on the ground, increased bird droppings and an increase in bird noises.
- Begin scare tactics as soon as you see birds on or near your property.
- Use noisemakers, water spray or shine lights at night, hang "scare eye" balloons or other moving objects in trees, use long poles, tennis balls or water hoses to disturb early nesting material.
- Be a good neighbor and help those near you who may not be able to help themselves.

Report sightings to your neighbors & to BTX 311 by phone 817-426-9600, online at [www.burlesontx.com](http://www.burlesontx.com) or through the BTX 311 app

## BTX We need your help To stay egret free

 As you're out and about in our community, we encourage you to report any egret sightings in residential areas. Early awareness helps animal services respond quickly and supports efforts to keep our neighborhoods clean and safe.

**Why do we care?**  
Egrets are migratory birds that can **create significant challenges in neighborhoods**. Once they begin nesting, they are **federally protected**, which means they cannot be disturbed. Because **they nest in large colonies, a single rookery can bring hundreds – sometimes thousands – of birds** into one area for several months.

**Use any of the below options to report a sighting:**

Item C.

**EGRET GAME PLAN**  
To defeat egrets you have to use multiple strategies

Pruning trees    Lasers    Visual Deterrents    Noise    Spraying Water

EVERY DETERRENT YOU USE STRENGTHENS YOUR DEFENSE AGAINST ROOKERIES

## EGRET SEASON PLAYBOOK

Just like football, you need a full playbook to win. One deterrent alone won't stop egrets. Use these plays together for the strongest defense.

- TEAM HUDDLE**  
Talk with your neighbors and create a game plan. Make sure new neighbors understand the damage egrets can cause.
- CALL THE COACHES**  
Report egret sightings to BTX 311 online, via the app or to 817-426-9600. Animal Services will respond to these reports.
- RUN THE PLAYBOOK**  
One deterrent won't win the game. Use multiple methods - tree trimming, noise makers, streamers - consistently over time.
- STAY DISCIPLINED**  
Don't panic if you see a bird. It takes days to two weeks for a nest to form. Stay alert, but don't jump offsides.
- DEFENSE WINS CHAMPIONSHIPS**  
Neighbors working together are the best defense against a rookery. Teamwork makes the line stronger.

**BURLESON** Animal Services    More Information: [www.BurlesonTX.com/egrets](http://www.BurlesonTX.com/egrets)    **BTX 311** [burlesonbx.com/311](http://burlesonbx.com/311)

## DEFEND AGAINST EGRETS

- TIGHTEN UP YOUR DEFENSE (YOUR TREES!)**  
Now is the perfect time to prune your trees while the canopies are thinner. Opening up your trees makes them less attractive for egrets looking to build nests next spring.
- SET UP YOUR DEFENSIVE LINE (DETERRENTS)**  
Add visual deterrents such as shiny streamers, reflective objects, or predator decoys in your yard and trees. These "players" help make your property less inviting when the birds start scouting in early spring.
- HUDDLE UP WITH YOUR NEIGHBORS**  
Defeating egrets is a team effort. If only one house takes action, the "offense" just moves next door. Work together so your entire neighborhood is ready before the season starts.
