Dear Camas Resident:

The City of Camas is beginning a community-led process to update its citywide Recreation, Parks and Open Space Plan (PROS Plan, for short). We need your help to determine how to prioritize projects and what we should focus on to keep our parks and programs thriving for the next 6-10 years. As an initial step, the City is conducting this short survey to assess the community's recreation needs. We understand that COVID-19 has impacted your ability to participate in programs and visit parks this year. We ask that you consider needs for the future as you evaluate recreation amenities. Your opinions are important to the City.

The survey has 16 questions and will only take a few minutes to complete. Use the QR code to take this survey online at <https://www.surveymonkey.com/r/CamasPROS>
