15th Annual NC BikeWalk Transportation Summit Sponsorship Package September 2026 Carolina Beach, NC

About the Summit & BikeWalk NC

The Summit

Our statewide BikeWalk Transportation Summit brings together hundreds of stakeholders interested in advancing safe roads and healthier, more equitable communities for all road users in North Carolina. Sessions are designed to provide information and foster collaboration. Summit participants will hear from national, statewide, and local leaders on how to make transportation safer and more equitable for all users, especially those who utilize non-car transportation options such as walking and biking. To stay updated on the Summit, visit <https://www.bikewalknc.org/nc-bikewalk-summit/>

BikeWalk NC

BikeWalk NC is the statewide advocacy organization for bicyclists and pedestrians. Our mission is to lead, support, and inspire advocacy and educational efforts throughout North Carolina for an environment that fairly, safely, and equitably serves bicyclists, pedestrians, and others using active mobility and human powered transportation. Pedestrian and bicycle-friendly communities are more equitable and economically vibrant. Our stakeholders help identify issues and provide input to solutions as we work with elected officials, government agencies and other nonprofit organizations to increase access to and safety of our sidewalks, crosswalks, greenways, trails, bike lanes, bike accommodations, and other active transportation infrastructure. We are a member-based, 501(c)(3) nonprofit organization.
