

**Town of Casco
Safe Streets Committee
February 18, 2026
7:00 PM
Community Center**

Minutes

In attendance: Courtney Walsh, Rae-Anne Nguyen, Sam Brown, Justin Millette, Eric Dibner

Public: Jodi Raymond, Grant Plummer, Sally Plummer, Amy Brown

Start time: 7:15pm

Updates on road projects:

- Quaker Ridge Request into DOT to do speed study, no reply yet. Estimates for signs roadsigns provided to Rae from Tony. Justin to price out our list, and then we will submit to Tony
- Pine Hill SB is keeping it on the agenda, but moving the start time of the work to 2027 to have time to access the needs of the road. [Refer to Daniel Meyer's doc](#)
- GPCOG 3 intersections Nothing from Rick, but inviting him virtually for an update in the beginning of next meeting.
- North + South of 121 No info yet, waiting on DOT timeline

Updates on other priorities:

- P&K Asking to change from contract zone to mineral extraction overlay district
- Rt 302 in S. Casco Village Area intersection study is still moving. Speed study?!
- Casco Village crosswalk Not legal. Kevin Hancock wants it constructed properly by Casco Days (and even offered to fund it). Rae to check with Tony to see if he's reached out to DOT and start the process.
- Seasonal Maintenance schedule Rae to email Tony with our recommendations.
- Bike Rodeo Helmets needed (50 \$6 ea), Courtney to ask Beth via email. Flyers go out to students April 17th, Sam to visit week of 27th
- Trek Across Maine We will be supporting the Trek through volunteering day of. Sam to check with George about intersection at Mayberry Hill

- Safe Streets in relation to town projects. The team should review the policy again; is it time for a reminder to the select board and town manager on referencing the policy? What can we do to ensure it doesn't get missed during project planning?
 - Do we make a check list/matrix for everyone to use to make sure our Safe Streets Policy is considered and implemented?
 - Per Grant's suggestion, Sam motioned to request the ability to engage with Gorrill Palmer (one time consult) to help outline our process for future road development. Rae to email.

- Once paving plan is approved by Select Board, Safe Streets Committee to invite residents of each road getting resurfaced to a committee meeting to hear their safe streets needs. Courtney to create social post (and flyer for mailboxes).

- Next Berry Property Stakeholders meeting is scheduled March 10th 3pm at the fire department
