MAXIMUM MILLAGE LEVY CALCULATION PRELIMINARY DISCLOSURE INSTRUCTIONS

DR-420MM-P

Section 4, ItemB.

Provisional

General Instructions

Each of the following taxing authorities must complete a DR-420MM-P.

- County
- Municipality
- Special district dependent to a county or municipality
- County MSTU
- Independent special district, including water management districts
- Water management district basin

Voting requirements for millages adopted by a two-thirds or a unanimous vote are based on the full membership of the governing body, not on the number of members present at the time of the vote.

This form provides for the calculation of the maximum tax levy for the current year allowed under s. 200.065(5), F.S. Counties and municipalities, including dependent special districts and MSTUs, which adopt a tax levy at the final hearing higher than allowed under s. 200.065, F.S., may be subject to the loss of their half-cent sales tax distribution.

Form DR-420MM-P shows the preliminary maximum millages and taxes levied based on the proposed adoption vote. Each taxing authority must complete, sign, and submit this DR-420MM-P and DR-420, *Certification of Taxable Value* to the property appraiser.

The vote at the final hearing and the resulting maximum may change. After the final hearing, each taxing authority must file Form DR-420MM, *Maximum Millage Levy Calculation Final Disclosure*, with Form DR-487, *Certification of Compliance*, with the Department of Revenue.

Line Instructions

Lines 3 and 4

Millage rates are the maximum that could be levied with a majority or two-thirds vote of the full membership of the governing body. With a unanimous vote of the full membership (three-fourths vote of the full membership if the governing body has nine or more members) or a referendum, the maximum millage rate that can be levied is the taxing authority's statutory or constitutional cap.

Line 5

Rate cannot exceed the statutory rate of the principal taxing authority.

Line 6

Check the box for the minimum vote necessary at the final hearing to levy your adopted millage rate.

Line 7

Enter the millage rate indicated by the box checked in Line 6. If the proposed millage rate is equal to or less than the majority vote maximum millage rate, enter the rolled-back rate. If a two-thirds vote, a unanimous vote, or a referendum is required, enter the proposed millage rate. For a millage requiring more than a majority vote, the proposed millage rate must be entered on Line 7, rather than the maximum rate, so that the comparisons on Lines 11 through 15 are accurate.
