STAFF REPORT
6/11/2025

TO: Honorable Mayor and City Council Members

FROM: Jaime Arroyo, Grants Manager

SUBJECT: Adopt Resolution No. 2025-29 Authorizing the City Manager to Submit an Application on behalf of the City of Coachella to the Department of Parks and Recreation Office of Grants and Local Services for the Land and Water Conservation Fund (LWCF) Grant Program in the Amount Not-to-Exceed Six Million ($6,000,000) Dollars for the Rancho Las Flores Park Project

---

STAFF RECOMMENDATION:

Staff recommends that the City Council considers adopting Resolution No. 2025-29 authorizing the City Manager to submit an application on behalf of the City of Coachella to the Department of Parks and Recreation Office of Grants and Local Services for the Land and Water Conservation Fund (LWCF) grant program in the amount not-to-exceed six million ($6,000,000) dollars for the Rancho Las Flores Park Project.

BACKGROUND:

On February 14, 1963, President Kennedy's Administration proposed legislation to establish a "Land and Water Conservation Fund" to assist states in planning, acquisition, and development of recreation lands. With bipartisan support, President Johnson signed it into law on September 3, 1964, as Public Law 88- 578, 16 U.S.C.460l-4. The Land and Water Conservation Fund grants provide funding for the acquisition or development of land to create new outdoor recreation opportunities for the health and wellness of Californians. Since 1965, over one thousand parks throughout California have been created or improved with LWCF assistance.

When an LWCF project is completed, the land within the approved LWCF Boundary Map is placed under federal protection, preserving the public's outdoor recreational use of the site in perpetuity for the benefit of our nation's future generations

DISCUSSION/ANALYSIS:

The LWCF grant provides funding for two types of projects – acquisition or development. The City of Coachella is proposing to submit an application not to exceed $6 million for a development project. Under the development application, projects must develop recreation features for outdoor

recreation, intended for outdoor recreational opportunities for the health and wellness of Californians. The development application also allows funding for major support amenities, such as parking lots, lighting and landscaping.

The application will supplement the City's Statewide Park Development and Community Revitalization Prop 68 grant that it received from the Department of Parks and Recreation to expand Rancho Las Flores Park by constructing a new amphitheater, park lighting, parking lot, concrete pathways, playground, splash pad, flower garden with fountain, outdoor exercise equipment, restroom/concession building, perimeter sidewalks/landscaping, picnic area with BBQ, dog park, drinking fountains, trees and landscaping.

The Rancho Las Flores Park project is a strong competitive project for this application, as it aligns with many of the grant criteria requirements, such as the construction of several new outdoor recreation features, environmental design considerations, community-based planning, and local partnerships. Since the City's initial award of the Statewide Park Development and Community Revitalization grant, construction costs have risen significantly due to inflation. The additional LWCF funding would help cover those costs and secure the park's successful construction.

The budget breakdown is as follows:

Funding Source	**Amount**
Leveraging - Prop 68 Grant	$ 8,454,600
CVMC Prop 1 Grant	$ 400,000
LWCF Grant Request	$ 6,000,000
Project Total	**$ 14,854,000**

The application deadline is August 5th, 2025.

FISCAL IMPACT

There is a 50% minimum match requirement of the total project cost. The City will be leveraging funding from its Statewide Park Development and Community Revitalization Grant to match the 50% requirement.

FROM: Cástulo R. Estrada, Utilities Director

SUBJECT: Approve Annual Allegro Infrastructure Extended Warranty Program May 1, 2025 – April 30, 2026 in an Amount not to Exceed $28,861.41

STAFF RECOMMENDATION:

Authorize the Purchase of an Annual Allegro Infrastructure Extended Warranty Program May 1, 2025 – April 30, 2026 in an Amount not to Exceed $28,861.41.

BACKGROUND:

The City of Coachella and its Coachella Water Authority (CWA) is responsible for the water service to its residents and customers within its service boundary. The Utilities Department serves a population of approximately 45,000. There are approximately 9,200 (meter) connections to the system.

The existing metering system for CWA is read through an Automated Meter Reading (AMR) and Advanced Metering Infrastructure (AMI) system. In an effort to be more efficient the Utilities Department applied and received a Watersmart Water and Energy Efficiency Grant from the U.S. Bureau of Reclamation which supports water management projects.

The City of Coachella through the Utilities Department installed hardware through HydroPro Solutions, Inc who in California is Master Meter's exclusive distributor. The installation consisted of three base stations and seven repeaters to collect data from Advanced Meter Infrastructure (AMI) registers on water meters.

DISCUSSION/ANALYSIS:

The AMI Infrastructure went live on about January 2023, and had a standard one (1) year warranty. However, Master Meter honored the coverage until recently and requires the purchase of Extended Warranty Coverage moving forward.

FISCAL IMPACT:

No fiscal impact; funding is available under the approved FY24/25 budget (334) account.

STAFF REPORT
6/11/2025

TO: Honorable Mayor and City Council Members

FROM: Andrew Simmons, P.E., Director of Public Works/City Engineer

SUBJECT: Adopt Resolution No. 2025-32 Authorizing the City Manager to Execute a Grant Agreement with the Coachella Valley Mountains Conservancy Proposition 1 Grant Program in the amount of $400,000 for the Rancho Las Flores Park Retention Basin Project

---

STAFF RECOMMENDATION:

Staff recommends that the City Council consider adopting Resolution No. 2025-32 authorizing the City Manager to execute a grant agreement with the Coachella Valley Mountains Conservancy Proposition 1 Grant Program in the amount of $400,000 for the Rancho Las Flores Park Retention Basin Project.

BACKGROUND:

The Coachella Valley Mountains Conservancy (CVMC) Proposition 1, Water Quality, Supply and Infrastructure Improvement Act of 2014 addresses an array of challenges facing California's limited water resources. The program objectives include preserving and restoring wetlands and habitat for endangered species, improving the reliability of water supplies, and developing a more resilient and sustainably managed water infrastructure. The City of Coachella successfully submitted an application for the Coachella Valley Mountains Conservancy Proposition 1 Grant Program on March 26, 2025 to supplement funding for its retention basin as part of its Rancho Las Flores Park project. On May 12, 2025, the CVMC approved the City's application for the amount of $400,000.

DISCUSSION/ANALYSIS:

The total project cost for the P-31 Rancho Las Flores Park Expansion project, as proposed in the 2025/2026 fiscal year budget is $17,103,376, Only the portions of this total project amount that are directly related to drainage, storm water and improvements in swales and retention basin areas is eligible for CVMC Prop 1 funding. The Rancho Las Flores Park retention basin project costs $3,709,701 and the CVMC Prop 1 will contribute $400,000 to the total project cost.

Rancho Las Flores Park Retention Basin Project Funding Overview	
Funding Sources:	
Prop 68 – Park Grant	$2,708,730.90
Park DIF	$600,970.10
CVMC Prop 1 grant	$400,000
Project Total	**$3,709,701**

It should be noted that the above Prop 68 and Park DIF allocations are already included in the total project budget. The above budget recommendation does not allocate or request any additional funding for the project from either the General fund or Park DIF funds. Previously, $3,000,000 in Park DIF funds had been requested for the Rancho Las Flores Project, which is inclusive of the work described herein. The above distribution of funds clarifies the required distribution of State, local and Prop 1 funding in order to be in compliance with local matching funds requirements.

ALTERNATIVES:

1. Adopt Resolution No. 2025-32 Authorizing the City Manager to Execute a Grant Agreement with the Coachella Valley Mountains Conservancy Proposition 1 Grant Program in the amount of $400,000 for the Rancho Las Flores Park Retention Basin Project

2. Not Adopt Resolution No. 2025-32 Authorizing the City Manager to Execute a Grant Agreement with the Coachella Valley Mountains Conservancy Proposition 1 Grant Program in the amount of $400,0000 for the Rancho Las Flores Park Retention Basin Project

FISCAL IMPACT:

Adoption of Resolution No. 2025-32 will have no effect on the City's General Fund. The proposed budget for P-31 Rancho Las Flores Park Expansion Project has already included Prop 68 grant funds and Park DIF funds necessary to achieve the required matching funds for grant delivery.

PROPOSITION 1 INFRASTRUCTURE GRANT AGREEMENT BETWEEN THE STATE OF CALIFORNIA (COACHELLA VALLEY MOUNTAINS CONSERVANCY) AND CITY OF COACHELLA (Grant No. 38500000P010041)

THIS GRANT AGREEMENT is entered into by and between the Coachella Valley Mountains Conservancy of the State of California, herein referred to as the "State" or "CVMC" and the City of Coachella, herein referred to as the "Grantee", which parties do hereby agree as follows:

1. PURPOSE. State shall provide funding from Proposition 1, the Water Quality, Supply, and Infrastructure Improvement Act of 2014 (Water Code section 79770 *et seq*.) to assist Grantee in financing its Rancho Las Flores Park Stormwater Project as described more particularly in Exhibit A, Work Plan, and hereinafter collectively referred to as the "Project."

2. TERM OF GRANT AGREEMENT. The term of this Grant Agreement begins on the date this Grant Agreement is executed by State and terminates on June 30, 2027 (the "Project Completion Date"), or when all of the Parties' obligations under this Grant Agreement are fully satisfied, whichever occurs earlier. Execution date is the date the State signs this Grant Agreement.

3. GRANT AMOUNT. The maximum amount payable by the State under this Agreement shall not exceed $400,000.
   a) Grantee agrees to provide matching (non-state) funds or in-kind services for all project costs in excess of the Grant Amount, currently estimated to total $3,308,989 (the "Local Cost Share"), as documented in Exhibit B, Budget.
   b) Grantee may need funding in addition to the Grant Amount and the Local Cost Share to complete the Project. Grantee will be responsible for furnishing or obtaining such funding, and while it will not be reviewed by the State for invoicing purposes, the Grantee shall maintain a record of all funding associated with the Project in accordance with Exhibit G, State Audit Document Requirements.

4. GRANTEE'S RESPONSIBILITY. Grantee and its representatives shall:
   a) Faithfully and expeditiously perform or cause to be performed all Project work as described in Exhibit A, Work Plan, and in accordance with Exhibit B, Budget and Exhibit C, Schedule.
   b) Accept and agree to comply with all terms, provisions, conditions, and written commitments of this Grant Agreement, including all incorporated documents, and to fulfill all assurances, declarations, representations, and statements made by Grantee in the application, documents, amendments, and communications filed in support of its request for funding from the CVMC

Proposition 1 Grant Program.

c) Fulfill its obligations under the Grant Agreement and be responsible for the completion of the Project.

d) Comply with the CVMC Proposition 1 Grant Program Guidelines (the "Guidelines") and all applicable California laws and regulations.

5. DISBURSEMENT OF FUNDS. State will disburse to Grantee the amount approved, subject to the availability of funds through normal State processes. Notwithstanding any other provision of this Grant Agreement, no disbursement shall be required at any time or in any manner which is in violation of, or in conflict with, federal or state laws, rules, or regulations, or which may require any rebates to the federal government, or any loss of tax-free status on state bonds, pursuant to any federal statute or regulation. Any and all money disbursed to Grantee under this Grant Agreement shall be used solely to pay Eligible Project Costs, as defined in Paragraph 6.

6. ELIGIBLE PROJECT COSTS. Grantee shall apply State funds received only to Eligible Project Costs in accordance with applicable provisions of the law and the approved budget attached as Exhibit B, Budget (the "Project Budget"). Eligible Project Costs include the reasonable costs of studies, engineering, design, preparation of environmental documentation, environmental mitigations, monitoring, and project coordination and construction that are included in the Project Budget. Staff costs and expenses that are related to the Project and included in the Project Budget may be paid with grant funds. Work performed on the Project after the Project Completion Date shall not be eligible for reimbursement.

   Except as otherwise provided herein, the Grantee shall expend Grant Funds in the Manner described in the Exhibit A approved by CVMC. The total dollars of category in the Project budget may be increased by up to ten percent (10%) through a reallocation of funds from another category, without approval by CVMC. However, the Grantee shall notify CVMC in writing when any such reallocation is made, and all identify both the item(s) being increased and those being decreased. Any cumulative increase or decrease of more than ten (10%) percent from the original budget in the amount of a category must be approved by CVMC. In any event, the total amount of the Grant Funds may not be increased.

   Costs that are not eligible for reimbursement with State funds cannot be counted as Local Cost Share. Costs that are not eligible for reimbursement include, but are not limited to the following items:

   a) Costs, other than those noted above, incurred prior to the award date of the Grant.

   b) Establishing a reserve fund.

c) Replacement of existing funding sources for ongoing programs.

d) Travel per diem.

e) Cost of environmental mitigation for another project.

f) Support of existing agency requirements and mandates (e.g., punitive regulatory agency requirements).

g) Payment of principal or interest of indebtedness or any interest payments.

h) Administrative overhead.

7. METHOD OF PAYMENT.

a) Grantee shall submit invoices for costs incurred, together with supporting documentation to the CVMC Project Manager identified in Section 16 below, including the original invoice form with signature (in ink) and date of Grantee's Authorized Project Representative. Invoices shall include only costs incurred for work performed in implementing the Project during the period identified in the particular invoice. Invoices shall be submitted no more frequently than monthly.

b) Requests for reimbursement shall use the Request for Disbursement form attached as Exhibit I ("Disbursement Request") and shall be accompanied by the following:

(i) Invoices must contain the date of the invoice, the time period covered by the invoice, and the total amount due.

(ii) Invoices must be itemized based on the categories (i.e., tasks) specified in the Project Budget. The amount claimed for salaries/wages/consultant fees must include a calculation formula (e.g., hours or days worked times the hourly or daily rate = the total amount claimed).

(iii) Documentation, reasonably satisfactory to State (e.g., receipts, copies of checks, time sheets, etc.), must be provided for all costs included in the invoice.

(iv) A copy of the most recent project status report required by Paragraph 13, Submission of Reports.

c) CVMC Project Manager will notify Grantee, in a timely manner, when, upon review of an invoice, the State determines that any portion or portions of the costs claimed are not Eligible Project Costs or are not supported by documentation or receipts acceptable to State. Grantee may, within thirty (30) calendar days of the date of receipt of such notice, submit additional documentation to State to correct such deficiency(ies). If Grantee fails to submit adequate documentation correcting the deficiency(ies), State will reduce the pending invoice by the amount of ineligible or unapproved costs.

d) State may, in its discretion, require a site visit to verify Project progress prior to processing an invoice. Grantee shall provide access by State upon 24 hours' notice to determine if Project work is in accordance with this Grant Agreement, including a final inspection upon Project completion.

e) After the CVMC Project Manager has confirmed that all above requirements have been met, State will disburse the funding to Grantee.

f) **[ ] Retention Required**. If the box on this line is checked, State shall withhold five percent (5.0%) of the funds requested by Grantee on any invoice as retention to ensure completion of the Project. Release of the retention will occur when that Project is completed, and Grantee has submitted the "Project Completion Report" required under Paragraph 13.

8. WITHHOLDING OF DISBURSEMENTS BY STATE. If the State determines that the Project is not being implemented in accordance with the provisions of this Grant Agreement, and if Grantee does not remedy any such failure to State's satisfaction, State may withhold from Grantee all or any portion of the State funding and take any other action that it deems necessary to protect its interests in accordance with Paragraph 9 (b).

9. DEFAULT PROVISIONS. The Grantee is subject to the following default provisions:

a) The Grantee will be in default under this Grant Agreement if any of the following occur:
   (i) Any breach of this Grant Agreement, or any amendment to it, or any other agreement between Grantee and State evidencing or securing Grantee's obligations.
   (ii) Making any false warranty, representation, or statement with respect to this Grant Agreement or the application filed to obtain this Grant Agreement.
   (iii) Failure to make any remittance required by this Grant Agreement.
   (iv) Failure to submit timely progress reports.
   (v) Failure to routinely invoice State.

b) Should an event of default occur, State shall provide a notice of default to the Grantee and shall give Grantee at least thirty (30) calendar days to cure the default from the date the notice is sent to the Grantee in accordance with Paragraph 15, Notices. If the Grantee fails to cure the default within the time prescribed by the State, State may do one or more of the following:

   (i) Declare all grant funds previously disbursed to Grantee to be immediately due and repayable, together with interest since the time of the first disbursement, which shall be equal to State of California general obligation bond interest rate in effect at the time of the default.
   (ii) Terminate any obligation to make future payments to Grantee.
   (iii) Terminate the Grant Agreement.
   (iv) Take any other action that it deems necessary to protect its interests.

In the event State finds it necessary to enforce this provision of this Grant Agreement in any manner provided by law, Grantee agrees to pay all costs incurred by the State including but not limited to, reasonable attorneys' fees, legal expenses, and costs.

10. ONGOING PERFORMANCE MONITORING: After Project Completion, Grantee shall monitor the performance of the Project and provide for any required maintenance or repairs as provided more particularly in Exhibit H, Additional Terms and Conditions.

11. PERMITS, LICENSES, APPROVALS, AND LEGAL OBLIGATIONS. Grantee shall be responsible for obtaining any and all permits, licenses, and approvals required for performing any work under this Grant Agreement, including those necessary to perform design, construction, or operation and maintenance of the Project. Grantee shall be responsible for observing and complying with any applicable federal, state, and local laws, rules or regulations affecting any such work. Grantee shall provide copies of permits and approvals to State.

12. RELATIONSHIP OF PARTIES. If applicable, Grantee is solely responsible for design, construction, operation and maintenance of the Project. State's review or approval of plans, specifications, bid documents, or other construction documents is solely for the purpose of proper administration of funds by State and shall not be deemed to limit the liability or responsibilities of Grantee under this Grant Agreement or applicable law.

Reports shall meet generally accepted professional standards for technical reporting and shall be proofread for content, numerical accuracy, spelling, and grammar prior to submittal to State. Reports shall address the subjects set forth in the applicable portion of Exhibit F, Reporting Requirements.

        - 3rd Quarter (July – September): by October 31
        - 4th Quarter (October – December): by January 31

    b) Project Completion Report: Grantee shall prepare and submit to State a Project Completion Report within ninety (90) calendar days of Project completion. Final disbursement or retention, if required pursuant to Paragraph 7(f) above, will not be disbursed until the Project Completion Report has been submitted and approved by the State.

    c) Annual Ongoing Compliance Report: Grantee shall prepare and submit to State an Annual Ongoing Compliance Report on each anniversary of Project Completion for fifteen (15) years, unless a different term is set forth

in Exhibit H, Additional Terms and Conditions.

14. GRANTEE OBLIGATIONS TO NOTIFY STATE. Grantee shall promptly notify State, in writing, of the following items:

    a) Events or proposed changes that could affect the scope, budget, or work performed under this Grant Agreement. EXHIBIT A
WORK PLAN

The Project is the development of “Rancho Las Flores Park” multi-functional stormwater retention basin in the City of Coachella by the City of Coachella (Grantee) located at the intersection of Cesar Chavez Street and Ed Mitchell Drive in Coachella, CA 92236 (Riverside County). The stormwater project is a central component of the 14-acre expansion of Rancho Las Flores Park, which will address a critical stormwater management challenge, mitigate recurring flooding issues, restore ecological balance, and provide the community with a park that functions both as an environmental asset and a recreational hub. The park serves as one of the primary recreational and open spaces for various neighborhoods and large-scale events within the city.

The proposed project site is in an underserved community. According to CalEnviroScreen 4.0, the project area is in the 89th percentile for poverty and the 97th percentile for unemployment statewide. The economic reality of being unemployed or living in poverty means that families are unable to spend money or even have access to a single occupancy vehicle to access far away recreational opportunities in neighboring communities. This makes the need for a safe and accessible local park in this underserved community particularly pressing.

The Conservancy’s Prop 1 funding will be used for the following items and as outlined in Exhibit B – Project Budget:

- Mobilization
- Grading, Drainage
- Soil Prep
- Curb and Gutter
- Storm Drain Pipe
- Water Quality Basin Fence Refinish
- Boulders
- Basin Rip Rap

c) Disposition of Money Disbursed: All money disbursed pursuant to this Grant Agreement shall be deposited, administered, and accounted for pursuant to the provisions of applicable law.

d) Remittance of Unexpended Funds: Grantee shall remit to State any unexpended funds that were disbursed to Grantee under this Grant Agreement and were not used to pay Eligible Project Costs within a period of sixty (60) calendar days from the final disbursement from State to Grantee of funds or, within thirty (30) calendar days of the expiration of the Grant Agreement, whichever comes first.

All records of Grantee or its contractor or subcontractors shall be preserved for this purpose for at least three (3) years after Project completion or final billing, whichever comes later.

D.6) BUDGET CONTINGENCY: If the State Budget Act of the current year covered under this Grant Agreement does not appropriate sufficient funds for the Proposition 1 Grant Program, this Grant Agreement shall be of no force and effect. This provision shall be construed as a condition precedent to the obligation of State to make any payments under this Grant Agreement. In this event, State shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Grant Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement. Nothing in this Grant Agreement shall be construed to provide Grantee with a right of priority for payment over any other Grantee. If funding for any fiscal year after the current year covered by this Grant Agreement is reduced or deleted by the Budget Act, State shall have the option to either cancel this Grant Agreement with no liability occurring to State, or offer a Grant Agreement amendment to Grantee to reflect the reduced amount.

D.7) CLAIMS DISPUTE: Any claim that the Grantee may have regarding performance of this Grant Agreement including, but not limited to, claims for additional compensation or extension of time, shall be submitted to the State's Project Manager, within thirty (30) days of the Grantee's knowledge of the claim. D.19) INVOICE DISPUTES: In the event of an invoice dispute, payment will not be made until the dispute is resolved and a corrected invoice submitted. Failure to use the address exactly as provided may result in return of the invoice to the Grantee. Payment shall be deemed complete upon deposit of the payment, properly addressed, postage prepaid, in the United States mail. Any claim that Grantee may have regarding the performance of this Grant Agreement including, but not limited to claims for additional compensation or extension of time, shall be submitted to the CVMC Project Manager within thirty (30) days of Grantee's knowledge of the claim. State and Grantee shall then attempt to negotiate a resolution of such claim and process an amendment to the Grant Agreement to implement the terms of any such resolution.

D.20) MODIFICATION OF OVERALL WORK PLAN: At the request of the Grantee, the State may at its sole discretion approve non-material changes to the portions of Exhibit A, Work Plan, which concern the budget and schedule without formally amending this Grant Agreement. Non-material changes with respect to the budget are changes that only result in reallocation of the budget and will not result in any increase in the amount of the State Grant Agreement. Non-material changes with respect to the Project schedule are changes that will not extend the term of this Grant Agreement. Requests for non-material changes to the budget and schedule must be submitted by the Grantee to the State in writing and are not effective unless and until specifically approved by the CVMC Project Manager in writing.

D.21) NONDISCRIMINATION: During the performance of this Grant Agreement, Grantee and its contractors or subcontractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, gender identity, sexual orientation, race, color, ancestry, religion, creed, national origin, disability, age (over 40), marital status, and denial of medical and family care leave or pregnancy disability leave. STAFF REPORT
6/11/2025

TO: Honorable Mayor and City Council Members

FROM: Kendra Reif, Interim Development Services Director

SUBJECT: Approve Resolution No. 2025-28 declaring its intention to authorize the establishment of an annual special tax for City of Coachella Community Facilities District No. 2005-01 (Law Enforcement, Fire and Paramedic Services) and annexation areas thereto for Fiscal Year 2025/2026; setting a public hearing date as July 9, 2025

STAFF RECOMMENDATION:

Staff recommends that the City Council approve the attached Resolution No. 2025-28 declaring its intention to authorize the establishment of an annual special tax for City of Coachella Community Facilities District No. 2005-01 (Law Enforcement, Fire and Paramedic Services) and annexation areas thereto for Fiscal Year 2025/202; setting a public hearing date as July 9, 2025.

EXECUTIVE SUMMARY:

Resolution No. 2025-28 declares the intent to establish an updated levy of the special taxes in the Community Facilities District (CFD) 2005-1 and the Annexation Areas in the current tax year at the new rate reflecting the annual Consumer Price Index adjustment for the special taxes. This an annual City Council action item which triggers the certified list of all parcels in the CFD 2005-1 and the Annexation Areas subject to the levy with updated amounts to be levied on each parcel. These will be compiled by the City's consultant and the levy for the current tax year will be sent to the County Auditor-Controller in order for the City to collect the assessments for the 2025/2026 fiscal year.

Through adoption of Resolution No. 2025-28, the City Manager is authorized to determine the specific rates and amounts of the special tax to be collected from taxable parcels within the CFD 2005-1 and the Annexation areas for Fiscal Year 2025/2026. Additionally, the City Manager is authorized to prepare the Fiscal Year 2025/2026 Certified List and to submit such list to the County Auditor on or before August 10, 2025.

BACKGROUND:

The City Council initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors to authorize the levy of special taxes in City of Coachella Community Facilities District No. 2005-1 (Law Enforcement, Fire and Paramedic

Services), Annexation Area Nos. 1, 2, 3, 4, 5, 6, 7, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 28, 29, 31, 32 and 33 of the 2005-1 CFD, all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982."

Commencing with Fiscal Year 2005/2006 and for each following Fiscal Year, the City Council has levied the Special Tax at the Maximum Special Tax on all Developed Single Family Residential Property and Developed Multi-Family Residential Property for which a building permit for the construction of residential units are issued prior to June 30 of the prior fiscal year.

DISCUSSION/ANALYSIS:

A review of new building permits issued by the City's Building Division for the current Fiscal Year 2024/2025 reveals that there were ninety-three (93) new qualifying "residential dwellings unit" permits issued within the Community Facility District 2005-01 boundaries or annexation areas, compared to one hundred forty-two (142) for Fiscal Year 2023/2024. The City issued permits for these homes inside the Pyramid Ranch community (Tract 38557) developed by Pulte Homes and Rancho Mariposa (Tract 30831) developed by Monte Vista Homes.

RECOMMENDED ALTERNATIVE(S):

Staff recommends alternative #1.

STAFF REPORT
6/11/2025

TO: Honorable Mayor and City Council Members

FROM: Kendra Reif, Interim Development Services Director

SUBJECT: Consideration to Fill Two Planning Commission Vacancies

---

STAFF RECOMMENDATION:

Staff recommends that the Mayor and City Council fill two vacancies on the Planning Commission.

BACKGROUND:

The Coachella Planning Commission is made up of five members and one alternative member, who are appointed to 4-year terms that are staggered. The City Attorney recently opined that the terms of the mayor's appointments are for a 2-year term based on Coachella Municipal Code (C.M.C.) Sections 2.32 and 2.26. Accordingly, every two years, three commissioners must be newly appointed. The C.M.C. Section 2.26.020 (B), states that each council member may nominate an individual to serve on each city commission and committee subject to appointment by the mayor, with approval by the City Council, at open session of a regular or special city council meeting. If a council member fails to nominate an individual, the mayor may appoint someone with approval by the City Council. The C.M.C. 2.26.020 (D), states that in an event of an interim vacancy, the council member who nominated the vacating member may nominate another individual, subject to appointment by the mayor with approval by the City Council, for the unexpired term of the member replaced. There is no individual council member nomination for the Alternate Planning Commissioner.

On February 26, 2025, Councilmember Perez nominated Margarita Lopez to serve a 4-year term as Planning Commissioner and was approved by the City Council. Margarita Lopez at that time declined the appointment and the City Council will need to fill the vacancy. Table 1 shows the Planning Commission Appointments from the February 26, 2025 meeting.

On April 9, 2025, Commissioner Yurema Arvizu resigned from her role as a Planning Commissioner. Former Commissioner Yurema Arvizu was previously nominated by Councilmember Figueroa and was appointed to the Planning Commission on March 8, 2023. Since this is a vacancy due to a resignation, the future appointee's term will continue where former Commissioner Yurema Arvizu's term left off and will expire in November of 2026. Table 2 shows the current Planning Commissioner roles and vacancies.

Table 2: Current Planning Commission Roles and Vacancies

Vice Chairperson Oscar Fonseca	Mayor Hernandez	November 2026
Commissioner Eva Lara	Mayor Pro-Tem Delgado	November 2028

Vacant	Councilmember Figueroa	November 2026

DISCUSSION/ANALYSIS:

The City Clerk's Office maintains a list of the following candidates for Planning Commission:

- Karla Flores Rosas
- Stephanie Ambriz
- Humberto Ortega
- Manuel Gaitan
- Margarita Lopez

The City Council may fill the current Planning Commission vacancies from the list of candidates or extend the deadline for Planning Commissioner applications.

FISCAL IMPACT:

There are no direct fiscal impacts by appointment of Planning Commissioners on the adopted budget for Fiscal Year 2024/2025.

ALTERNATIVE(S):

1) Fill the two existing Planning Commission vacancies from the submitted Planning Commissioner applications.
2) Request that City extend the deadline for Planning Commissioner applications and fill existing Commission vacancy at a future date.
3) Continue this item and provide staff direction.

RECOMMENDED ALTERNATIVE(S):

Staff recommends Alternative 1.

SUBJECT: Approve Change Order No. 1 with Rove Engineering, Inc., in the amount of $870,019.00 plus 10% contingency for the Street Improvements within the Aventine Community, City Project No. ST-139

STAFF RECOMMENDATION:

- Authorize the City Manager to execute Change Order #1 in an amount of $870,019.00; and
- Authorize appropriations from SB1 Fund (Fund 109) in an amount of $197,627.70 for the Paving and Street Improvements of the Aventine Community, City Project ST-139.

BACKGROUND:

On October 9, 2024, City Council approved the plans and engineer's estimated and authorized staff to bid the Avenue 52 Pavement Rehabilitation Project. Council also authorized the appropriation of $3,000,000 for the ST-139 2024/2025 Street Improvement project.

On April 23, 2025, City Council approved a contract with Rove Engineering, Inc for the construction of Ave 52 improvements between Tyler Street and Hernandez Street in an amount of $1,996,097. The total project budget including design, construction, survey, materials testing, contingency was approved at $2,240,606.70.

DISCUSSION/ANALYSIS:

Due to the project being awarded at a cost that was well below the appropriated limits for ST-139, City Staff has identified additional streets that could be improved with the remaining appropriated project funding. City staff identified four potential neighborhoods that had the lowest overall PCI ratings based on the Cities adopted Atlas Pavement Management System. Based on this evaluation and a careful consideration of highest community benefit and needs, City Staff determined that the Aventine Community was best suited for rehabilitation with the additional funds at this time.

The Aventine community had been previously improved on the western half of the community but no street improvemtns have been performed in the east half of the community resulting in a community where half the streets had a fair condition and half the streets had a poor condition. This project proposes to rehabilitate the east half the community with approximately 216,860 square feet of asphalt grind and overlay, and to protect the fair condition streets within the west half of the community by placing a Type II REAS Slurry Seal in an area of about 115,700 square feet. The total cost of the change order work, including all traffic control, manhole adjustments, and other ancillary work is as follows:

Project Item:	**Project Cost:**
Total Project costs for Ave 52	$ 2,240,606.70
Total project costs for Aventine Community	$ 870,019.00
10% contingency for Aventine Community work	$ 87,002.00
TOTAL ST-139 PROJECT COST:	**$3,197,627.70**
Funding Sources:	
General Fund Appropriation	$3,000,000.00
SB1 (Fund 109)	$197,627.70

FISCAL IMPACT:

There is no new fiscal impact to General Fund with this action, City Council will be approving appropriation and transfer of $197,627.70 from SB1 (Fund 109) to CIP Fund 182. The project will utilize the entire previously appropriated General Fund amount of $3,000,000.

EXECUTIVE SUMMARY:

The El Grito event is an annual City event delivered in partnership with the following agencies: Telemundo and the Mexican Consulate in San Bernardino (Consulate). After meeting with the event partners, staff is recommending the 2025 event date be Sunday, September 14th from 3pm - 10/11pm at Rancho Las Flores Park. This event draws 15,000-20,000 attendees and has the highest attendance of the city's annual events.

The Cooperative Agreement between Telemundo and the Mexican Consulate identifies the responsibilities of each party. Telemundo secures all live entertainment, solicits all sponsorships, manages the stage day of event, provides a DJ for event, and pays for all advertisement of event; the contribution by Telemundo is estimated at $120,000. Additionally, in past years, Telemundo has reached out to the City and given us an option to provide supplemental funding in order to bring in higher value entertainment. In 2024, the City contributed $10,000 towards the entertainment as a supplemental request. It is understood that Telemundo will seek a high caliber of entertainment options for this event and may solicit the City for supplemental entertainment funds when a full entertainment lineup has been finalized. City staff will review any requests in conjunction with the total approved project budget when needed.

The Consulado coordinates and performs the "El Grito" ceremony and the Mexican Anthem for the event.

The City provides the venue, coordinates and secures food vendors, informational booths, beer garden operator to a Coachella licensed business, provides/develops all event passes, manages parking, provides a minimum of 14 security officers, provides all utilities, develops VIP area and provides VIP food, pays for the stage costs, and provides all youth/kid zone rentals.

As identified in the Cooperative Agreement, the City of Coachella provides for the sound, stage and lighting costs for the event. Staff has solicited informal bids and received the following responses:

1) HV Entertainment $34,500.00
2) Rhythm Tech Productions LLC. $30,564.90
3) A1 Party Rentals $100,282.50

Based on the responses received for the 2025 Fiestas Patrias-El Grito Event sound, stage and lighting services, staff requests authorization to award a professional services agreement to Rhythm Tech Productions LLC, in the amount of $30,564.90.

Staff is recommending approval of this Cooperative Agreement and operation of a beer garden at Rancho Las Flores Park for the 2025 "El Grito" event on September 14, 2025 from 3pm to 11pm. Staff will work with the City Manager's office to identify the operator of the beer garden, the security personnel, the youth/kid zone rentals, traffic management, VIP food vendors and other items required per the cooperative agreement. In addition, staff will seek sponsorships to offset stage costs as appropriate.

FISCAL IMPACT:

There is no fiscal impact to the General Fund, the costs identified herein are included in the proposed FY 2025/2026 budget for the El Grito event.

3.4.10.6 Safety. Consultant shall execute and maintain its work so as to avoid injury or damage to any person or property. In carrying out its Services, the Consultant shall at all times be in compliance with all applicable local, state and federal laws, rules and regulations, and shall exercise all necessary precautions for the safety of employees appropriate to the nature of the work and the conditions under which the work is to be performed.

3.4.11 Insurance.

3.4.11.1 Time for Compliance. Consultant shall not commence work under this Agreement until it has provided evidence satisfactory to the City that it has secured all insurance required under this section. In addition, Consultant shall not allow any subconsultant to commence work on any subcontract until it has provided evidence satisfactory to the City that the subconsultant has secured all insurance required under this section. Failure to provide and maintain all required insurance shall be grounds for the City to terminate this Agreement for cause.

3.4.11.2 Types of Insurance Required. As a condition precedent to the effectiveness of this Agreement for work to be performed hereunder, and without limiting the indemnity provisions of the Agreement, the Consultant, in partial performance of its obligations under such Agreement, shall procure and maintain in full force and effect during the term of the Agreement the following policies of insurance. If the existing policies do not meet the insurance requirements set forth herein, Consultant agrees to amend, supplement or endorse the policies to do so.

If coverage is written on a claims-made basis, the retroactive date shall precede the effective date of the initial Agreement and continuous coverage will be maintained or an extended reporting period will be exercised for a period of at least five (5) years from termination or expiration of this Agreement.

3.4.11.3 Insurance Endorsements. Required insurance policies shall contain the following provisions, or Consultant shall provide endorsements on forms approved by the City to add the following provisions to the insurance policies:

(A) Commercial General Liability: (1) Additional Insured: The City, its officials, officers, employees, agents, and volunteers shall be additional insureds with regard to liability and defense of suits or claims arising out of the performance of the Agreement. Additional Insured Endorsements shall not (1) be restricted to "ongoing operations"; (2) exclude "contractual liability"; (3) restrict coverage to "sole" liability of Consultant; or (4) contain any other exclusions contrary to the terms or purposes of this Agreement. For all policies of Commercial General Liability insurance, Consultant shall provide endorsements in the form of ISO CG 20 10 10 01 and 20 37 10 01 (or endorsements providing the exact same coverage) to effectuate this requirement. The policy must "pay on behalf of" the insured and include a provision establishing the insurer's duty to defend.

(D) Workers' Compensation: (1) Cancellation: Required insurance policies shall not be canceled or the coverage reduced until a thirty (30) day written notice of cancellation has been served upon the City except ten (10) days shall be allowed for non-payment of premium. (2) Waiver of Subrogation: A waiver of subrogation stating that the insurer waives all rights of subrogation against the City, its officials, officers, employees, agents, and volunteers.

3.4.11.4 Primary and Non-Contributing Insurance. All policies of Commercial General Liability and Automobile Liability insurance shall be primary and any other insurance, deductible, or self-insurance maintained by the City, its officials, officers, employees, agents, or volunteers shall not contribute with this primary insurance. Policies shall contain or be endorsed to contain such provisions.

3.4.11.5 Waiver of Subrogation. All required insurance coverages, except for the professional liability coverage, shall contain or be endorsed to waiver of subrogation in favor of the City, its officials, officers, employees, agents, and volunteers or shall specifically allow Consultant or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. Consultant hereby waives its own right of recovery against City, and shall require similar written express waivers and insurance clauses from each of its subconsultants.

3.4.11.6 Deductibles and Self-Insured Retentions. Any deductible or self-insured retention must be approved in writing by the City and shall protect the City, its officials, officers, employees, agents, and volunteers in the same manner and to the same extent as they would have been protected had the policy or policies not contained a deductible or self-insured retention.

3.4.11.7 Evidence of Insurance. The Consultant, concurrently with the execution of the Agreement, and as a condition precedent to the effectiveness thereof, shall deliver either certified copies of the required policies, or original certificates on forms approved by the City, together with all endorsements affecting each policy. Required insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to the City for approval. The certificates and endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf. At least fifteen (15 days) prior to the expiration of any such policy, evidence of insurance showing that such insurance coverage has been renewed or extended shall be filed with the City. If such coverage is cancelled or reduced and not replaced immediately so as to avoid a lapse in the required coverage, Consultant shall, within ten (10) days after receipt of written notice of such cancellation or reduction of coverage, file with the City evidence of insurance showing that the required insurance has been reinstated or has been provided through another insurance company or companies.

3.4.11.8 Acceptability of Insurers. Each such policy shall be from a company or companies with a current A.M. Best's rating of no less than A:VII and authorized to transact business of insurance in the State of California, or otherwise allowed to place insurance through surplus line brokers under applicable provisions of the California Insurance Code or any federal law.

3.4.11.9 Enforcement of Agreement Provisions (non estoppel). Consultant acknowledges and agrees that actual or alleged failure on the part of the City to inform Consultant of non-compliance with any requirement imposes no additional obligation on the City nor does it waive any rights hereunder.

3.4.11.10 Requirements Not Limiting. Requirement of specific coverage or minimum limits contained in this Section are not intended as a limitation on coverage, limits, or other requirement, or a waiver of any coverage normally provided by any insurance.

3.4.11.11 Additional Insurance Provisions

(A) The foregoing requirements as to the types and limits of insurance coverage to be maintained by Consultant, and any approval of said insurance by the City, is not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by the Consultant pursuant to this Agreement, including but not limited to, the provisions concerning indemnification.

(B) If at any time during the life of the Agreement, any policy of insurance required under this Agreement does not comply with these specifications or is canceled and not replaced, City has the right but not the duty to obtain the insurance it deems necessary and any premium paid by City will be promptly reimbursed by Consultant or City will withhold amounts sufficient to pay premium from Consultant payments. In the alternative, City may cancel this Agreement.

(C) The City may require the Consultant to provide complete copies of all insurance policies in effect for the duration of the Project.

(D) Neither the City nor any of its officials, officers, employees, agents or volunteers shall be personally responsible for any liability arising under or by virtue of this Agreement.

(E) The limits set forth herein shall apply separately to each insured against whom claims are made or suits are brought, except with respect to the limits of liability. Further the limits set forth herein shall not be construed to relieve the Consultant from liability in excess of such coverage, nor shall it limit the Consultant's indemnification obligations to the City and shall not preclude the City from taking such other actions available to the City under other provisions of the Agreement or law.

(F) Consultant shall report to the City, in addition to Consultant's insurer, any and all insurance claims submitted by Consultant in connection with the Services under this Agreement.

3.4.11.12 Insurance for Subconsultants. Consultant shall include all subconsultants engaged in any work for Consultant relating to this Agreement as additional

insureds under the Consultant's policies, or the Consultant shall be responsible for causing subconsultants to purchase the appropriate insurance in compliance with the terms of these Insurance Requirements, including adding the City, its officials, officers, employees, agents, and volunteers as additional insureds to the subconsultant's policies. All policies of Commercial General Liability insurance provided by Consultant's subconsultants performing work relating to this Agreement shall be endorsed to name the City, its officials, officers, employees, agents and volunteers as additional insureds using endorsement form ISO CG 20 38 04 13 or an endorsement providing equivalent coverage. Consultant shall not allow any subconsultant to commence work on any subcontract relating to this Agreement until it has received satisfactory evidence of subconsultant's compliance with all insurance requirements under this Agreement, to the extent applicable. The Consultant shall provide satisfactory evidence of compliance with this section upon request of the City.

If the Services are being performed as part of an applicable "public works" or "maintenance" project, as defined by the Prevailing Wage Laws, and if the total compensation is $1,000 or more, Consultant agrees to fully comply with such Prevailing Wage Laws. City shall provide Consultant with a copy of the prevailing rates of per diem wages in effect at the commencement of this Agreement. Consultant shall make copies of the prevailing rates of per diem wages for each craft, classification or type of worker needed to execute the Services available to interested parties upon request, and shall post copies at the Consultant's principal place of business and at the project site. It is the intent of the parties to effectuate the requirements of sections 1771, 1774, 1775, 1776, 1777.5, 1813, and 1815 of the Labor Code within this Agreement, and Consultant shall therefore comply with such Labor Code sections to the fullest extent required by law. Consultant shall defend, indemnify and hold the City, its officials, officers, employees, agents, and volunteers free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws.

3.5.2 Registration/DIR Compliance. If the Services are being performed on a public works project of over $25,000 when the project is for construction, alteration, demolition, installation, or repair work, or a public works project of over $15,000 when the project is for maintenance work, in addition to the foregoing, then pursuant to Labor Code sections 1725.5 and 1771.1, the Consultant and all subconsultants must be registered with the Department of Industrial Relations ("DIR"). Consultant shall maintain registration for the duration of the Project and require the same of any subconsultants.

3.5.3 Compliance Monitoring. This Project may also be subject to compliance monitoring and enforcement by the DIR. It shall be Consultant's sole responsibility to comply with all applicable registration and labor compliance requirements, including the submission of payroll records directly to the DIR. Any stop orders issued by the DIR against Consultant or any subconsultant that affect Consultant's performance of services, including any delay, shall be Consultant's sole responsibility. Any delay arising out of or resulting from such stop orders shall be considered Consultant caused delay and shall not be compensable by the City. Consultant shall defend, indemnify and hold the City, its officials, officers, employees and agents free and harmless from any claim or liability arising out of stop orders issued by the DIR against Consultant

or any subconsultant.

3.5.4 Labor Certification. By its signature hereunder, Consultant certifies that it is aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of that Code, and agrees to comply with such provisions before commencing the performance of the Services.

3.6 Termination of Agreement.

3.6.1.1 Grounds for Termination. City may, by written notice to Consultant, terminate the whole or any part of this Agreement at any time and without cause by giving written notice to Consultant of such termination, and specifying the effective date thereof, at least seven (7) days before the effective date of such termination. Upon termination, Consultant shall be compensated only for those Services which have been adequately rendered to City, and Consultant shall be entitled to no further compensation. Consultant may not terminate this Agreement except for cause. The rights and remedies of the City provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law, equity or under this Agreement.

3.6.1.2 Effect of Termination. If this Agreement is terminated as provided herein, City may require Consultant to provide all finished or unfinished Documents and Data and other information of any kind prepared by Consultant in connection with the performance of Services under this Agreement. 3.7 Indemnification.

3.7.1 To the fullest extent permitted by law, Consultant shall defend (with counsel of City's choosing), indemnify and hold the City, its officials, officers, employees, volunteers, and agents free and harmless from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury of any kind, in law or equity, to property or persons, including wrongful death, in any manner arising out of, pertaining to, or incident to any acts, errors or omissions, or willful misconduct of Consultant, its officials, officers, employees, subcontractors, consultants or agents in connection with the performance of the Consultant's Services, the Project or this Agreement, including without limitation the payment of all damages, expert witness fees and attorney's fees and other related costs and expenses except such loss or damage caused by the sole negligence or willful misconduct of the City. Consultant's obligation to indemnify shall survive expiration or termination of this Agreement and shall not be restricted to insurance proceeds, if any, received by Consultant, the City, its officials, officers, employees, agents, or volunteers.

3.7.2 If Consultant's obligation to defend, indemnify, and/or hold harmless arises out of Consultant's performance as a "design professional" (as that term is defined under Civil Code section 2782.8), then, and only to the extent required by Civil Code section 2782.8, which is fully incorporated herein, Consultant's indemnification obligation shall be limited to claims that

arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Consultant, and, upon Consultant obtaining a final adjudication by a court of competent jurisdiction, Consultant's liability for such claim, including the cost to defend, shall not exceed the Consultant's proportionate percentage of fault.

Consultant is aware of statutory and case law regarding classification of workers as independent contractors, including California Labor Code Section 2750.3 and Dynamex Operations West, Inc. v. If City uses or reuses the Documents & Data on any project other than this Project, it shall remove the Consultant's seal from the Documents & Data and indemnify and hold harmless Consultant and its officers, directors, agents and employees from claims arising out of the negligent use or re-use of the Documents & Data on such other project. Consultant shall be responsible and liable for its Documents & Data, pursuant to the terms of this Agreement, only with respect to the condition of the Documents & Data at the time they are provided to the City upon completion, suspension, abandonment or termination. Such Government Code claims and any subsequent lawsuit based upon the Government Code claims shall be limited to those matters that remain unresolved after all procedures pertaining to extra work, disputed work, claims, and/or changed conditions have been followed by Consultant. If no such Government Code claim is submitted, or if any prerequisite contractual requirements are not otherwise satisfied as specified herein, Consultant shall be barred from bringing and maintaining a valid lawsuit against the City.

City shall also provide Employee reimbursement for the costs of Employee's COBRA health insurance premiums for three (3) months following Employee's termination or until Employee finds other employment, whichever occurs first ("COBRA Reimbursement"). The COBRA Reimbursement amount shall not exceed the amount paid for Employee's health insurance premiums at the time of his termination. The Severance Payment and COBRA Reimbursement are contingent upon the City Manager executing a release of a waiver and release of any and all of the City Manager's claims against the City, its Councilmembers, officers, and employees, and a covenant not to sue any of those parties, in a form acceptable to the City. If the City Manager fails or refuses to provide the City with a release of liability, the Council may release the City Manager without cause without Severance Payment or COBRA Reimbursement.

The Parties intend this provision to comply with California Government Code Section 53260, which limits severance benefits to an amount equal to the City Manager's monthly salary multiplied by the number of months remaining on the unexpired term of the Agreement. The parties also intend this term to comply with the provisions of California Government Code Section 53261, which limits health benefits, which may be continued for a maximum number of months remaining on the unexpired term of the Agreement or until the City Manager finds other employment (whichever occurs first).

(2) With Cause. In the event City Manager is terminated for cause, he shall not be entitled to any severance pay or benefits. "Cause" shall include the following reasons:

(a) Conviction of a crime, whether misdemeanor or felony. For purposes of this section, a plea of nolo contendere shall also be considered a conviction.

(b) Failure to follow a directive of the Council after written notice of said failure to City Manager approved by a simple majority of the City Council members.

(c) Failure to perform duties and responsibilities pursuant to the terms of this Agreement, the relevant City ordinances, municipal code, and other standards of professional conduct.

(d) Continued abuse of non-prescription drugs or alcohol that materially affects the performance of the Manager's duties.

(e) Repeated and protracted unexcused absences from the City Manager's office and duties

D. With Cause Procedure. In order to terminate for cause, the City Council must deliver to the City Manager a written statement of charges and its intent to terminate for cause. Following delivery, the City Manager shall then have ten (10) calendar days to challenge the termination by setting forth his request to challenge in writing. Within such ten (10) day period, the City Manager may also demand a hearing upon the specifications. Failure to submit a written response or demand a hearing within the ten (10) calendar day period constitutes a waiver of the right. If a hearing is demanded, the hearing will be conducted in closed session. The City Manager may produce evidence and argument to the Council. If a written response is submitted but no hearing is demanded, the Council shall review its decision based upon the response. The Council's decision following review of the written response and/or presentation at hearing shall be final and without right of appeal. The City Manager has no reinstatement rights.

E. Suspension. The Council may suspend the City Manager with full pay and benefits at any time, or without pay for a period of up to three weeks, at any time during the term of this Agreement, but only where a simple majority of the Council votes to suspend the City Manager.

F. Leave Balances. On separation from City employment, the City Manager shall be paid for all unused accrued leave balances, including balances as to vacation, sick leave, administration leave, floating holidays, and other outstanding accrued leave balances, if any, including any other accrued leave balances that either must be paid upon separation under applicable law or under the applicable terms of this Agreement. In the alternative, the City Manager may apply some or all of such leave time to service credit for retirement purposes, if permitted by PERS under applicable laws, rules and regulations. Accumulated leave balances shall be paid at the City Manager's hourly salary rate at the effective date of separation. In the event the City Manager dies while employed by the City under this Agreement, the City Manager's beneficiaries or those entitled to the City Manager's estate, shall be entitled to the City Manager's earned salary, and any in-lieu payments for accrued benefits, including compensation for the value of all accrued leave balances that either must be paid upon separation under applicable law or under the applicable terms of this Agreement.

8. Statutory Requirements. This Agreement shall be deemed to incorporate by reference the provisions of Sections 53243 *et seq*. of the Government Code, as those provisions may be amended or renumbered.

9. Performance Reviews; Goals, Objectives and Priorities

A. Annual performance evaluations are an important way for the City Council and City Manager to ensure effective communications regarding expectations and performance. Accordingly, the City Council shall review and evaluate the performance of City Manager on an annual basis, or more frequently if the City Council so desires at its discretion. The evaluation shall be in accordance with specific criteria developed jointly by the City Council and City Manager. Such criteria may be added to or deleted as the City Council may from time to time determine in consultation with City Manager. City Manager shall initiate the evaluation in May each year under City Council procedures, or as otherwise directed by the City Council.

B. Within forty-five (45) days of the effective date of this Agreement, the City Council and City Manager shall develop the first set of goals, performance objectives and priorities by which to measure the City Manager's performance. The City Council and the City Manager shall define such goals and performance objectives as they mutually determine are necessary for the proper operation of the City for the attainment of the City Council's policy objectives, and the City Council and the City Manager shall further establish a relative priority among those goals and performance objectives. Such goals, objectives and priorities are subject to adjustment by the Parties at any time.

10. Bonding

The City shall bear the full cost of any fidelity or other bonds required of the City Manager, in the performance of his duties as City Manager.

11. Indemnification.

To the full extent of the law, as provided by the California Torts Claims Act (Government Code Section 810, et seq.), the City shall defend and indemnify the City Manager against all losses sustained by the City Manager in direct consequences of the discharge of the City Manager's duties within the scope of his employment for the period of the City Manager's employment.

12. Modification

Any modification of this Agreement will be effective only if it is in writing and signed by both Parties.

13. Effect of Waiver

The failure of either Party to insist on strict compliance with any of the terms, covenants, or conditions of this Agreement by the other Party shall not be deemed a waiver of that term, covenant, or condition, nor shall any waiver or relinquishment of any right or power at any one

time or times be deemed a waiver or relinquishment of that right or power for all or any other times.

14. Assignment

Neither this Agreement, nor any right, privilege, or obligation of the City Manager hereunder shall be assigned or transferred by him without the prior written consent of the Council. Any attempt at assignment or transfer in violation of this provision shall, at the option of the Council, be null and void and may be considered a material breach of this Agreement.

15. Entire Agreement

This Agreement supersedes any and all other agreements, either oral or in writing, between the City and the City Manager. This Agreement contains all of the covenants and agreements between the Parties with respect to the City Manager's employment by the City in any manner whatsoever. Each Party to this Agreement acknowledges that no representations, inducements, promises, or agreements, oral or otherwise, have been made by any Party, or anyone acting on behalf of any Party, which are not embodied herein, and that no other agreement, statement or promise not contained in this Agreement shall be valid or binding on either Party.

16. Partial Invalidity

If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions shall nevertheless continue in full force without being impaired or invalidated in any way.

17. Law Governing Agreement

This Agreement shall be governed by and construed in accordance with the laws of the State of California. Venue shall be in Riverside County.

18. No Presumption of Drafter

The Parties acknowledge and agree that the terms and provisions of this Agreement have been negotiated and discussed between the Parties, and this Agreement reflects their mutual agreement regarding the subject matter of this Agreement. Because of the nature of such negotiations and discussions, it would be inappropriate to deem any Party to be the drafter of this Agreement and, therefore, no presumption for or against validity or as to any interpretation hereof, based upon the identity of the drafter shall be applicable in interpreting or enforcing this Agreement.

19. Survival of Termination

Many sections of this Agreement are intended by their terms to survive the City Manager's termination of employment with the City. Where so intended, these sections shall survive termination of employment and termination of this Agreement.

20. Attorneys' Fees

If any action at law or in equity, including an action for declaratory relief, is brought to enforce or interpret the provisions of this Agreement, the prevailing Party shall be entitled to recover such amount as the court may award as reasonable attorneys' fees and costs.

21. Notices

A. Any notice to be given hereunder by either Party to the other shall be in writing and may be transmitted by personal delivery or mail, registered or certified, postage prepaid, with return receipt requested. Mailed notices shall be addressed to the following respective addresses:

[(1)] District No. 5 dissolved March 2013 and District No. 26 dissolved June 2013.

[(2)] District No. 37 tract map not recorded, therefore not developed and no levy as of Fiscal Year 2025/2026.

The Engineer's Report (the "Report") has been prepared pursuant to Chapter 1, Article 4 and Chapter 3 of the 1972 Act, and presented to the City Council for their consideration and approval of the proposed improvements and services to be provided within the District and the levy and collection of annual assessments for Fiscal Year 2025/2026.

This Report describes the District, the improvements, and the proposed assessments to be levied against properties in connection with the benefits the properties will receive from the maintenance and servicing of the District improvements for Fiscal Year 2025/2026. The annual assessments to be levied on properties within the District provide a funding source for the continued operation and maintenance of local landscape improvements installed in connection with the development of properties within the District. Each fiscal year, the City establishes the District's assessments based on an estimate of the costs to maintain, operate and service the landscape improvements and based upon available revenues including fund balances, City contributions and assessment limits. The costs of the improvements and the proposed annual assessments budgeted and assessed against properties within the District may include: the estimated expenditures for regular annual maintenance and repairs; incidental expenditures related to the operation and administration of the District; deficits or surpluses from prior years; revenues from other sources; and the collection of adequate funds for operational reserves or periodic expenditures including installments collected for long-term improvement projects. Each parcel is assessed proportionately for only those

improvements, services, and expenses for which the parcel will receive special benefit.

The word “parcel,” for the purposes of this Report, refers to an individual property assigned its own Assessor’s Parcel Number (APN) by the Riverside County Assessor’s Office. The Riverside County Auditor-Controller uses Assessor’s Parcel Numbers and specific Fund Numbers to identify properties to be assessed on the tax roll for the special benefit assessments.

Following consideration of all public comments and written protests at a noticed public hearing, the City Council may order amendments to the Report or confirm the Report as submitted. Following final approval of the Report and confirmation of the assessments, the Council may order the levy and collection of assessments for Fiscal Year 2025/2026 pursuant to the 1972 Act. In such case, the assessment information will be submitted to the County Auditor/Controller and included on the property tax roll for each benefiting parcel in Fiscal Year 2025/2026.

B. COMPLIANCE WITH CURRENT LEGISLATION

On November 5, 1996, California voters approved Proposition 218 (The Right to Vote on Taxes Act) that established specific requirements for the ongoing imposition of taxes, assessments, and fees. The provisions of this proposition are now contained in the California Constitution as Articles XIIIC and XIIID. can be summarized in four general areas:

1. Strengthens the general and special tax provisions of Proposition 13 and Proposition 62.
2. Extends the initiative process to all local taxes, assessments, fees, and charges.
3. Adds substantive and procedural requirements to assessments.
4. Adds substantive and procedural requirements to property-related.

The District assessments were presented to the property owners and approved through a protest ballot proceeding in compliance with the provisions of Proposition 218.

III. METHOD OF APPORTIONMENT

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, including the acquisition, construction, installation and servicing of landscape improvements and related facilities. The 1972 Act requires that the cost of these improvements be levied according to benefit rather than assessed value:

Section 22573 defines the net amount to be assessed as follows:

"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."

The formula used for calculating assessments reflect the composition of parcels within the Districts and the improvements and activities to be provided and have been designed to fairly apportion the cost of providing those improvements based on a determination of the proportional special benefits to each parcel, consistent with the requirements of the 1972 Act and the provisions of Proposition 218 and Article XIII D of the California Constitution.

A. CALIFORNIA CONSTITUTION

The costs to operate and maintain the Districts improvements are identified and allocated to properties on the special benefits conferred. The improvements provided and for which properties within the Districts are to be assessed are identified as local improvements and related amenities that were installed in connection with the development of the properties and/or would otherwise be required for the development of properties within the Districts and consistent with the provisions of the 1972 Act. The assessments and method of apportionment described herein are based on the premise that these improvements would otherwise not have been installed and maintained by the County. The improvements were installed as part of the development or planned development of the parcels within the Districts and the level of maintenance required for the improvements is greater than what the County would otherwise install, maintain, and fund elsewhere in the County.

Article XIII D Section 2(d) defines District as follows:

"District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service."

Article XIII D Section 2(i) defines special benefit as follows:

"Special benefit" means a particular and distinct benefit over, and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute "special benefit."

Article XIII D Section 4(a) defines proportional special benefit assessments as follows:

"An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

B. BENEFIT ANALYSIS

The improvements provided within the Districts, for which properties will be assessed have been identified as necessary, desired and/or required for the orderly development of the properties within the Districts to their full potential, consistent with the development plans.

SPECIAL BENEFITS

The ongoing maintenance of landscaped areas within the Districts will provide aesthetic benefits to the properties and are intended to provide a more pleasant environment to walk, drive, live, and work. The primary function of these improvements and related amenities is to serve as an aesthetically pleasing enhancement and open space area for the benefit of the immediate surrounding properties and development for which the improvements were constructed and installed, and/or were facilitated by the development or potential development of properties within the Districts. These improvements are an integral part of the physical environment associated with the parcels in the Districts and while these improvements may in part be visible to properties outside the Districts and/or occasionally accessed by the general public, if these improvements are not properly maintained, it is the parcels within the District that would be aesthetically burdened and/or impacted directly by potential environmental issues such as dust, debris, pests, water runoff, erosion, and fire hazards. Thus, the maintenance of these improvements provides advantages to the assessed properties that affect the assessed parcels in a way that is particular and distinct from their effect on other parcels and that real property in general and the public at large do not share.

Collectively these improvements, related amenities, and services which will be funded by the special benefit assessments, enhance the overall use, presentation, enjoyment, recreational access, and marketability of the properties, and ensure the long-term cost-efficiency of services that are obtained through the County provided maintenance (economy of scale)

GENERAL BENEFIT

In reviewing the location and extent of the specific landscaped areas and improvements to be funded by the Districts assessments and the proximity and relationship to properties to be assessed, it is evident these improvements have been installed as part of the development of properties within the Districts or are improvements that would otherwise be shared by and/or required for development of those properties. Although the improvements are largely located on the north side of Avenue 51, including the entrance at Via Prado as well as the corners of Calle Perez and Calle Larriva of the development and may be visible and/or accessible to the general public, it is evident that the ongoing maintenance of these improvements are only necessary for the appearance and advantage of the properties within the Districts. It is also evident that these improvements were not

required nor necessarily desired by any properties or developments outside of the Districts' boundaries.

Ongoing maintenance of improvements are additionally located on the south side of Avenue 50, east side of Calhoun Street and Calle Frontera as well as the corner of Avenida San Domingo and Calle Xavier. It is evident that the ongoing maintenance of these improvements is only necessary for the appearance and advantage of the properties within the Districts. It is also evident that these improvements were not required nor necessarily desired by any properties or developments outside of the Districts' boundaries.

In the absence of a special funding, these types of improvements would not have been installed by the developer per the City's conditions and the City's maintenance of these improvements would for the most part, be limited to weed abatement (fuel modification areas), rodent control, and erosion control services only. This basic or baseline level of service would typically provide for periodic servicing of the open space areas on an as-needed basis. This baseline level of service would only provide a level of service that was necessary to ensure public safety, essential property protection and potential property damage. However, this baseline level of service results in a far less visually pleasing environment than is created with the enhanced levels of services associated with the regular landscape maintenance that can be provided through the Districts assessments.

In addition to this baseline level of service, it is recognized that there are indirect or incidental benefits to properties within the Districts as well as the general public that are associated with regular landscape maintenance services, including minimization of dust and debris, and decreased potential water runoff from the open space areas.

It is also recognized that with the regular maintenance of the improvements, the effort and cost to monitor and address these more indirect issues are reduced to isolated areas and/or less frequent servicing, and these activities generally represent less than two percent (2%) of the overall maintenance costs. Therefore, conservatively, we estimate that the costs associated with these indirect and incidental benefits (General Benefit) do not exceed five percent (5%) of the combined annual expenses for General Maintenance identified in the annual maintenance budget contained in "Part IV –Districts Budget" of this Report.

C. ASSESSMENT METHODOLOGY

To assess benefits equitably it is necessary to calculate each property's relative share of the special benefits conferred by the funded improvements and service. The Equivalent Benefit Unit (EBU) method of assessment apportionment is utilized for the Districts and establishes a basic unit (base value) of benefit and then calculates the benefit derived by each assessed parcel as a multiple (or a fraction) of that basic unit. The EBU method of apportioning special benefits is typically seen as the most appropriate and equitable assessment methodology for assessment

districts, as the benefit to each parcel from the improvements are apportioned as a function of comparable property characteristics which may include but is not limited to land use and property size.

Pursuant to the 1972 Act, the costs of the Districts may be apportioned by any formula or method that fairly distributes the net amount to be assessed, among all assessable parcels in proportion to the estimated benefits to be received by each parcel from the improvements. The benefit formula used for the Districts should reflect the composition of the parcels, and the improvements and services provided, to fairly apportion the costs based on special benefit to each parcel.

EBU APPLICATION

Single Family Residential — This land use is defined as a fully subdivided residential home site with or without a structure and the improvements and services associated with the parcel has been accepted or will be accepted by the City for maintenance in the fiscal year. This land use is assessed at 1.0 EBU per lot or parcel.

Planned -Residential Development — This land use is defined as any property that specific number of proposed single-family residential lots has been approved for development (not fully subdivided). This land use type shall be assigned 1.0 EBU per lot at build-out.

Vacant — This is defined as property that has been identified as parcels with no development but has development potential. Although it is recognized that the improvements provided within the Districts were primarily constructed and installed as the result of property development, it is also recognized that the majority of these improvements were constructed in part to support the overall development of properties within the District and/or Development to their full and best use, including vacant undeveloped properties.

ASSESSMENT CALCULATIONS

The benefit formula applied to parcels within each District is based on the preceding Equivalent Benefit Unit (EBU) discussion. Each parcel's EBU correlates the parcel's special benefit received as compared to all other parcels benefiting from the improvements. The following formula is used to calculate each parcel's EBU (proportional benefit).

Parcel Type EBU x Units = Parcel EBU

For each District, the total number of Equivalent Benefit Units (EBU's) for the fiscal year equals the sum of all individual EBU's applied to parcels in that District. An assessment amount per EBU (Rate) for the improvements is established by taking the total cost of the improvements (amount budgeted) and dividing that amount by the total number of EBU's of all parcels to be assessed. This Rate is then applied

back to each parcel's individual EBU to determine the parcel's proportionate benefit and assessment obligation for the improvements.

Total Balance to Levy (for the District)/ Total EBU (to be assessed) = Levy per EBU

Levy per EBU x Parcel EBU = Parcel Levy Amount

D. ASSESSMENT RANGE FORMULA

Any new or increased assessment requires certain noticing and meeting requirements by law. Prior to the passage of Proposition 218 (California Constitution Articles XIIIC and XIIID), legislative changes in the Brown Act defined a "new or increased assessment" to exclude certain conditions. These conditions included "any assessment that does not exceed an assessment formula or range of assessments previously adopted by the agency or approved by the voters in the area where the assessment is imposed." This definition and conditions were later confirmed through Senate Bill 919 (the Proposition 218 implementing legislation).

The purpose of establishing an assessment range formula is to provide for reasonable increases and inflationary adjustment to annual assessments without requiring costly noticing and mailing procedures, which could add to the Districts costs and assessments. As part of the Districts formation, balloting of property owners is required pursuant to the Article XIIID Section 4. The property owner ballots include an Assessment to be approved, as well as the approval of an assessment range formula.

District No.'s 1 through 4, and 6 through 11, and 38 – The maximum assessment rates do not increase and will remain the same from FY 2024/2025.

District No.'s 12 through 25, and 27 through 36 – The maximum assessment rate may increase by the percentage increase of the Consumer Price Index ("CPI") or three percent (3%). The CPI used shall be as determined by the Bureau of Labor Statistics for a similar period of time.

Each fiscal year, the Engineer shall compute the percentage difference between the CPI. By approval of the City Council, the assessment rate that may be levied for each EBU may be increased in each year in accordance with the U.S. Bureau of Labor Statistics Data, All Urban Consumers, Riverside-San Bernardino-Ontario CPI index. Such assessment adjustments shall not be considered an increase in assessment. A proposed assessment that exceeds the adjusted assessment rate will require property owner balloting approval before the increase may be imposed. For Fiscal Year 2025/2026, the change in the Annual CPI for the All Urban Consumers, Riverside-San Bernardino-Ontario CPI index is 2.94% therefore the assessment rate will be adjusted by 3.00%.

District No.'s 39 and 40 – The maximum assessment rate may increase by the greater of three percent (3.00%) or the annual precent increase of the Consumer Price Index ("CPI") determined by the Bureau of Labor Statistics.

If the proposed assessment (levy per unit or rate) for the current fiscal year is less than or equal to, the prior year's maximum assessment rate plus the adjustments described in the following, then the proposed assessment is not considered an increased assessment. The purpose of establishing an assessment range formula is to provide for reasonable inflationary adjustment to the assessment amounts without requiring costly noticing, balloting and mailing procedures, which would be added to the Districts' costs and assessments.

The Maximum Assessment is adjusted annually and is calculated independent of the annual budget and proposed annual assessment. Any proposed annual assessment (rate per EBU less than or equal to this Maximum Assessment) is not considered an increased assessment, even if the proposed assessment is greater than the assessment applied in the prior fiscal year.

Although the Maximum Assessment will increase each year, the actual assessment may remain unchanged. The Maximum Assessment adjustment is designed to establish a reasonable limit on assessments. The Maximum Assessment calculated each year does not require or facilitate an increase to the annual assessment and neither does it restrict assessments to the adjusted maximum amount. If the budget and assessment for the fiscal year do not require an increase, or the increase is less than the adjusted Maximum Assessment, then the required budget and assessment may be applied without additional property owner balloting. If the budget and assessments calculated requires an increase greater than the adjusted Maximum Assessment, then the assessment is considered an increased assessment and would be subject to balloting.

IV. DISTRICT BUDGETS

The 1972 Act provides that the estimated costs of the improvements shall include the total cost of the improvements, including incidental expenses.

The 1972 Act also provides that the amount of any surplus, deficit, or contribution be included in the estimated cost of improvements. The net amount to be assessed on the lots or parcels within the Districts is the total cost of maintenance, and servicing with adjustments either positive or negative for reserves, surpluses, deficits, and/or contributions.

STAFF REPORT
6/11/2025

TO: Honorable Mayor and City Council Members

FROM: Andrew Simmons, Director of Public Works/City Engineer

SUBJECT: Public Hearing and Adoption of Resolution No. 2025-31 Affirming the Solid Waste Rates for Fiscal Year 2025/2026 and Authorizing the Collection of Residential Solid Waste Service Charges for Fiscal Year 2025/2026 on the County of Riverside's Property Tax Roll.

STAFF RECOMMENDATION:

1. Conduct a public hearing to receive public comment related to the collection of solid waste service charges for residences for Fiscal Year (FY) 2025/2026 on the County of Riverside's property tax roll.

2. Adopt Resolution No. 2025-31 affirming the fiscal year 2025/2026 solid waste rates, adopting the report proposing to collect residential solid waste service charges on the tax roll for Fiscal Year 2025/2026 and direct the City Clerk to file said report with the Riverside County Auditor Controller to place said charges on the tax roll.

BACKGROUND:

The City of Coachella entered into a franchise agreement with Burrtec Waste and Recycling Services (Burrtec) on May 30, 2006. Since 2006, Burrtec has been the provider for all solid waste disposal services for Coachella residents and businesses. The City Council approved a first amendment to this agreement on May 27, 2009, which required the City to collect solid waste service charges for residential customers through the county tax roll. Commercial customers continue to be billed directly by Burrtec. The City Council approved a second amendment on June 19, 2013 extending the term of the agreement through May 30, 2023. The City Council approved a third amendment on January 17, 2018 to include street sweeping services. The City Council approved a fourth amendment on July 27, 2022 to include organic waste collection services as required by the SB 1383 regulations.

DISCUSSION/ANALYSIS:

The franchise agreement allows for annual rate adjustments based on two components of the rate 1) service component and 2) disposal component.

1. The service component may be increased annually based upon the change in the Consumer Price Index (CPI) for All Urban Consumers Series Title: All items in Riverside-San

Bernardino-Ontario, CA., from January to January published by the U.S. Bureau of Labor Statistics, and is capped at 5%.

2. The disposal component is a pass through of the tipping fee adjustments at the landfill.

The current monthly residential rate is $33.08. The proposed increase to the 2025/26 residential rate total $2.08; the new proposed residential rate is $35.16. As approved by voters on June 8, 2010, this rate is subject to a 5% Utilities Users Tax, which will bring the monthly charged rate to $36.92.

The most common commercial service is a three-yard cubic bin, with one pick up per week. Currently, the commercial rate for this service is $188.37. Based on the same factors noted above, the increase for fiscal year 2025/2026 totals $7.77; the new proposed rate for fiscal year 2025/2026 is $196.14. As noted above, a 5% Utility Users Tax will be applied to this monthly service, which will bring the rate for a standard three cubic yard bin, with one pickup per week, to $205.95.

The Proposition 218 proceeding that approved the annual adjustments to the solid waste service rates through July 1, 2026, was held on July 27, 2022. Notice of the annual adjustments to the solid waste service rates, effective July 1, 2024, were mailed out to all residential customers. Staff is recommending approval of Resolution No. 2025-31 adopting the report proposing to collect residential solid waste service charges on the tax roll for Fiscal Year 2024/2025.

FISCAL IMPACT:

The recommended action will not have a fiscal impact to the general fund.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COACHELLA, CALIFORNIA ADOPTING THE REPORT PROPOSING TO COLLECT RESIDENTIAL SOLID WASTE SERVICE CHARGES ON THE TAX ROLL FOR FISCAL YEAR 2025/2026 AND AFFIRMING THE FISCAL YEAR 2025/2026 SOLID WASTE RATES

WHEREAS, California Health and Safety Code Sections 5473 et seq. and Section 8.44.035 of the Coachella Municipal Code authorize the City of Coachella ("City") to collect solid waste services charges on the tax roll, in the same manner and at the same time as the general taxes upon a two-thirds vote by the City Council;

WHEREAS, the City Council approved an amendment to the franchise agreement with Burrtec on May 27, 2009 requiring the City to bill the residential customers for solid waste services through the County property tax roll instead of direct monthly billing;

WHEREAS, a copy of the written report containing the parcel listing of all residences included in tax roll billing and the charges proposed to be assessed was made available for public review by contacting the City Clerk's Office.

NOW, THEREFORE, BE IT RESOLVED, BY THE CITY COUNCIL OF THE CITY OF COACHELLA, CALIFORNIA, AS FOLLOWS:

1. The above recitals are true and correct.
2. The adjusted service rates for fiscal year 2025/2026 have been included as Exhibit B to this Resolution.
3. City staff prepared and filed a written report of the charges for solid waste services for residential properties to be placed on the property tax roll (the "Report").
4. Following notice duly given in accordance with law, the City Council has held a full and fair public hearing regarding the Report attached hereto as "Exhibit A" and the levy and collection of the proposed assessment for Fiscal Year 2025-2026 and heard and considered all objections and protests thereto.
5. Based upon its review of the Report, a copy of which has been presented to the City Council and which has been filed with the City Clerk, the City Council hereby finds and determines that (i) each parcel specified in the Report benefits from receiving solid waste services (ii) the net amount to be assessed upon each parcel of real property for Fiscal Year 2025-2026 in accordance with the Report is apportioned by a formula and method that fairly distributes the net amount among all assessable parcels in proportion to the estimated benefits received by each parcel, and (iii) no assessment is imposed on any parcel that exceeds the reasonable cost of the benefits conferred on that parcel.

6. The City Council of the City of Coachella hereby adopts the Report attached as Exhibit A. The adoption of this resolution constitutes the levy of an assessment against all residential parcels of property in the City identified in "Exhibit A" for the fiscal year commencing July 1, 2025 and ending June 30, 2026.
7. The City Clerk is hereby authorized and directed to file with the Riverside County Auditor Controller the assessment or a certified copy of the Report together with a certified copy of this Resolution. A certified copy of the assessment shall be filed in the office of the City Clerk and open for public inspection.
8. The City Council hereby requests Riverside County place the collection of charges for solid waste services for residential parcels on the County's tax rolls as described in Section 5, and to collect the charges in the same manner, subject to the same penalties and priority of lien as, other charges and taxes fixed and collected by, or on behalf of the City.
