STAFF REPORT
7/22/2026

TO: Honorable Mayor and City Council Members

FROM: Celina Jimenez, Director of Economic Development
Andrew R. Simmons, P.E., Director of Public Works/City Engineer

PREPARED BY: Celina Jimenez, Director of Economic Development

SUBJECT: Authorize the Purchase of a Bus and Authorize a Spending Range between \$212,963 and \$500,000

STAFF RECOMMENDATION:

Staff is seeking City Council direction on a bus purchase option and a spending range between \$212,963 and \$500,000. The staff report provides five bus (5) options for consideration.

FISCAL IMPACT:

Depending on the bus option selected, the fiscal impact could range between \$212,963.04 and \$500,000 or more, as the fifth bus option quote is not finalized by the vendor.

BACKGROUND:

The City currently has the following passenger vehicles in its fleet:

- 2008 Chevrolet Kodiak 5500 Bus with 114,417 miles. This is a 22+ passenger bus with space for one (1) wheel chair passenger. This bus is propelled by diesel fuel.
- 2016 Ford E450 with 311,916 miles. It is a 12+ passenger bus with space for one (1) wheel chair and it runs on CNG fuel.
- 2016 Ford E450 with 321,742 miles. It is a 12-passenger bus with space for one (1) wheel chair passenger and it runs on CNG fuel.
- 2023 Ford Transit van that seats 10 passengers and it is fueled by gasoline. The mileage on this van is minimal (under 3,000 miles) due to its low use.

DISCUSSION/ANALYSIS:**Bus Option 1** – Clean Natural Gas (22 passenger +2 wheelchairs) \$310,644.38

This bus option is available through National Auto Fleet Group, who is passing along the professionally bid item from Sourcewell's procurement process.

Bus Option 2 – Ultra-Low Emission Diesel (24 passenger + 2 wheelchairs) \$212,963.04

This bus option is available through Bus Sales, who is passing along the professionally bid item from MBTA CalACT Cooperative.

Bus Option 3 – Electric (20 passengers, no ADA features) \$333,000

This bus option is available through Bus Sales, who is passing along the professionally bid item from Sourcewell.

Bus Option 4 – Electric (12 passengers + 2 wheelchairs) \$348,900

This bus option is available through Bus Sales. A written quote is not yet available—the pricing of \$348,900 does not include all of the needed specifications, so the quote is an estimate.

Bus Option 5 – Hydrogen (only available in 40+ passenger size) estimated at \$500,000+

This bus option is available through Bus Sales. A written quote is not yet available—the pricing of \$500,000+ does not include all of the needed specifications, so the quote is an estimate.

ALTERNATIVES:

1. Authorize the Purchase of a Bus and Authorize a Spending Range between \$212,963 and \$500,000
2. Not authorize the purchase at this time

TERMS AND CONDITIONS OF SALE

Sourcewell Contract #063020-BBB

Customer Acct: 76971

- TRADE-IN(S).** Purchaser shall deliver trade-in(s) in the same condition as at time of inspection and appraisal by Seller reasonable wear and tear excepted, except as disclosed in the Agreement. Purchaser represents that each bus shall be free and clear of all liens and encumbrances and warrants that the trade-in(s) are that type and condition described in this Agreement, including any attachments hereto.
- TERMS OF PAYMENT.** Unless otherwise agreed, net payment shall be due on delivery. Late payments shall bear interest at the rate of 18% per annum, or the maximum permitted under law, whichever is less. If acceptance of delivery is delayed by Purchaser, payment shall become due on the date when Seller is prepared to deliver. If the financial condition of Purchaser at any time does not, in the judgment of Seller, justify continuance of the work to be performed by Seller hereunder on the terms of payment as agreed upon, Seller may suspend such work, or postpone delivery, and require such assurances of Purchaser's performance as Seller deems adequate, including payment in advance, or Seller may cancel this order and shall receive reimbursement for its reasonable and proper cancellation charges. In the event of bankruptcy or insolvency of Purchaser, voluntary or involuntary, Seller shall be entitled to cancel any order then outstanding at any time and seek reimbursement for its reasonable and proper cancellation charges.
- CANCELLATION.** Purchaser may cancel this order only if Seller is able to cancel said order with the manufacturer, and only upon written notice. Upon any cancellation or failure to accept delivery, Purchaser shall pay Seller reasonable cancellation charges and expenses, not to be less than Seller's out-of-pocket expenses including carrying costs. **(Purchaser's Initials)**
- SALES AND OTHER TAXES.** Unless otherwise specified herein, Seller's price does not include federal excise, sales, use, or other taxes. Consequently, in addition to the price specified herein, the amount of any other excise, sales, use, or other tax applicable to the sale or use of the bus(es) purchased hereunder shall be paid by Purchaser, or in lieu thereof Purchaser shall provide Seller with a tax exemption certificate acceptable to the taxing authorities. Purchaser agrees that all taxes related to this transaction, whether arising at the time of the transaction or in the future, are Purchaser's responsibility and further agrees to promptly pay any such taxes.
- DELIVERY.** All buses furnished hereunder shall be delivered to Purchaser at the Seller's dealership location or other location as designated in this Agreement. Unless otherwise provided, delivery will be made via carriers and routes designated by manufacturer with freight charges to be included in the purchase price. Delivery dates are approximate and are based upon receipt of all necessary information from Purchaser. Seller shall not be liable for delays in delivery or manufacturing, or other causes beyond Seller's control.
- TECHNICAL CHANGES.** Purchaser acknowledges that the manufacturer and Seller reserve the right to change the specifications of the bus(es) at any time without obligation to make such changes in other buses previously delivered to Purchaser. In addition, manufacturer and Seller reserve the right to make design changes and substitution of materials subsequent to the receipt of the order which, in manufacturers or Seller's opinion are necessary to improve the bus. Purchaser agrees to accept any such changes as fulfillment of Seller's obligations under this order.
- REQUIRED EQUIPMENT.** This order shall be deemed to include, whether or not specified herein, all equipment or accessories required by the National Highway Traffic Safety Act or other regulations in effect at the time of order receipt. It is agreed that any additional or different equipment not specified which is required at the time of delivery to meet the foregoing Act or other regulations will be added and the costs shall be paid by Purchaser.
- TITLE AND REMEDIES.** Until full payment by Purchaser of all amounts due hereunder, Seller reserves the title to all equipment furnished hereunder. If Purchaser defaults in payment or performance hereunder or becomes subject to insolvency, receivership, or bankruptcy proceedings, or makes an assignment for the benefit of creditors, or without the consent of Seller voluntarily or involuntarily sells, transfers, leases, or permits any lien or attachment on the equipment delivered hereunder, Seller may treat all amounts then or thereafter owing hereunder by Purchaser as immediately due and payable (subject only to credits required by law) and Seller may repossess said equipment by any means available by law and shall enjoy any and all other remedies of a secured creditor under the Uniform Commercial Code. Purchaser shall execute and deliver to Seller such financing statements and other documents, as Seller may deem appropriate to evidence, perfect, and protect the priority of its security interest in the bus(es) subject to this order.
- GENERAL.** Any assignment by Purchaser of this order or any rights hereunder, without written consent of Seller, shall be void. Clerical errors in this order may be automatically corrected by giving written notice thereof to Purchaser by a duly authorized representative of Seller. No waiver, alteration, or modification of any of the provisions hereof shall be binding unless and until in writing and signed by a duly authorized representative of Seller. To the extent not covered by other terms herein, including terms of warranty and limitation of liability, etc., the provisions of the Uniform Commercial Code shall govern this sale.

This Agreement (including by reference the provisions set out in manufacturer's standard warranty or warranties) shall constitute the entire agreement between Purchaser and Seller, and no understandings or obligations not expressly set forth herein or in manufacturer's standard warranty or warranties are binding upon Purchaser or Seller.

ALL WARRANTIES, IF ANY, BY A MANUFACTURER OR SUPPLIER OTHER THAN SELLER ARE THEIRS, NOT SELLER'S, AND ONLY SUCH MANUFACTURER OR OTHER SUPPLIER SHALL BE LIABLE FOR PERFORMANCE UNDER SUCH WARRANTIES. SELLER HEREBY DISCLAIMS ALL WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Signer represents, on behalf of Purchaser, that he/she is duly authorized by Purchaser to bind Purchaser in this agreement.
